HOUSE JOURNAL No. 1

December 6, 2000

On the first Wednesday in December in the year of our Lord, two thousand, it being the day designated by the Constitution for assembling, the one hundred and fifty-seventh General Court of the State of New Hampshire convened at the Capitol in the City of Concord. The representatives-elect were called to order by Karen O. Wadsworth, Clerk of the House for the preceding session.

Prayer was offered by The Reverend Eric N. Lindblade, Sr.

Our God, again we come to the convening of our citizen legislature. May those who have been elected to serve the people understand that it is no small honor, for they stand in the noble tradition of men and women who have made the laws for free peoples throughout history. From Solon in Greece, Cato in Rome, Disraeli in Britain, Madison and Adams, Webster and Clay and the thousands who have served honorably and well, generation after generation in this historic house. Today you begin to share in this great enterprise. May each of you remember that the laws you make are not just for today but must stand the test of time. Consider as you deliberate; will they prove to be a bane or a blessing for the people; will they promote or hinder the growth of our State; will they represent the will of the people or a chosen few? Two years lie before you. Give of your best to make them positive and forward looking. May those who shall have governance over this House be blessed with good humor, patience and forbearance that under their leadership the business of this house may ever be conducted with civility and due regard for one another. Now, may God's richest blessing be upon all who are to serve: our Governor, our Speaker and each one of you who take the oath of office this day. Amen.

Rep.-elect Panagopoulos led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps.-elect Courchesne and Lockwood, the day illness.

Reps.-elect Bouldin, DePecol, Dunlap, Lefebvre, Sokol, Solow, Stevens and Woekel, the day important business.

CALL OF THE ROLL

BELKNAP COUNTY

OATH OF OFFICE

The Governor, Jeanne Shaheen, having been informed that a quorum of the House was assembled, appeared, accompanied by the Honorable Councilors Raymond S. Burton, Peter J. Spaulding, Ruth L. Griffin, Thomas Colantuno and Councilor-elect David K. Wheeler. The members-elect, having presented their credentials, were duly qualified by the Governor as members of the House of Representatives by taking and subscribing the oath of office agreeable to the provisions of the Constitution of the State of New Hampshire.

The Governor and Executive Councilors retired.

ELECTION OF HOUSE SPEAKER

Reps. Chandler and Burling moved that the rules of the 2000 House of Representatives, in conjunction with the proposed ground rules, shall be the rules of the elections by the House and the Joint Convention.

Adopted.

The Chair declared that nominations for Speaker were in order.

Rep. Alciere placed the name of Rep. Jacobson in nomination for Speaker. Rep. Betty Hall seconded the nomination.

Rep. Jacobson accepted the nomination.

Rep. Martha Fuller Clark placed the name of Rep. Burling in nomination for Speaker. Rep. Buckley seconded the nomination.

Rep. Hager placed the name of Rep. Chandler in nomination for Speaker. Reps. Weyler, Hess and Mock seconded the nomination.

There being no further nominations, the Chair declared nominations closed.

After the nominations were closed, the Chair, at the request of the candidates, named Reps. David Cote and Foster as tellers for Rep. Burling; Reps. Dokmo and Flanagan as tellers for Rep. Chandler; Reps. Fields and Gilmore as tellers for Rep. Jacobson and Reps. Konys and Kurk as tellers as appointed by the Chair.

RECESS

(Clerk in the Chair)

FIRST BALLOT

Of the 385 votes cast, 193 votes were needed for election. Rep. Burling received 121 votes, Rep. Chandler received 230 votes, Rep. Jacobson received 33 votes. One ballot was cast for a non-candidate. The Chair declared Rep. Chandler the duly elected Speaker of the House.

Rep. Burling moved that the vote for Rep. Chandler be made unanimous. Rep. Jacobson seconded the motion.

Adopted.

The Sergeant-at-Arms escorted Speaker Chandler, his wife Nancy and his mother, Mrs. Flora Jones, to the rostrum.

(Speaker Chandler in the Chair)

Speaker Chandler addressed the House.

Rep. Burling moved that the remarks made by the Speaker be printed in the Journal.
Adopted.

REMARKS

Speaker Chandler: Thank you very much. Someone said I was supposed to say something. I said, "You really think I really need to?" They said, "Yes." So, a couple of members asked if I was going to keep them very long and I said, "It won't be from anything I'd say, that's for sure." But, thank you very, very much. This is indeed a very great honor you have bestowed upon me. I will do my best to perform the job of Speaker in a manner that represents the dignity of the institution and the respect that should be accorded to all of the members.

I would especially like to thank my family members and friends who made the trek here today and are in the gallery and here beside me. Thank you. I have special thanks to my mother, Flora, who I owe a lot of this as being one of the most political people I know, certainly; and my father, Earl, who was unable to be here today but as a past member sends along his best wishes, especially to some of you who served with him before — Rep. Johnson, Holbrook and others. So, I'm sure he's here or watching, maybe, on television at least. I need to also give special thanks to my wife, Nancy, for all of her help, especially with my e-mail, who while agreeing last winter to support my effort to become Speaker might have had a change of heart had she known what we were getting into. I can surely tell you that I would not have wanted to live with me over the past few months, so I very much appreciate her patience.

I would also like to thank all of my worthy competitors. As was mentioned in a couple of the speeches, it is truly a testament to our great state that so many well-qualified individuals were willing to put their names on the line and give all of you a choice. I look forward to meeting our challenges with all of their cooperation.

Throughout my campaign, and to the disbelief of some, I have stated that I had not and would not make any promises or assign any positions to anyone until, and if, I was elected. I stand here today and tell you that is still true. Decisions with regard to the various positions, committee assignments, the all important parking and seating assignments will be made within the next few days and with the leader of the Democratic party, and members will be notified as soon as possible. We will be faced with many important issues during the next two years and with all of your help, we will meet these challenges.

Again, thank you for the honor of being your Speaker. I look forward to working with all of you.
Thank you.

ELECTION OF HOUSE OFFICERS

The Speaker declared nominations were in order for Clerk and Sergeant-at-Arms.

Rep. Welch placed in nomination the name of Karen O. Wadsworth for Clerk.

Rep. John M. Pratt seconded the nomination.

There being no further nominations, the chair declared nominations closed and instructed the Clerk to cast one ballot for Karen O. Wadsworth and declared Karen O. Wadsworth elected Clerk.

Rep. Babson placed in nomination the name of Rob Johnson for Sergeant-at-Arms.

Rep. Phinizy seconded the nomination.

There being no further nominations, the Chair declared nominations closed and instructed the Clerk to cast one ballot for Rob Johnson and declared Rob Johnson elected Sergeant-at-Arms.

RESOLUTION

Reps. Kennedy and Burling offered the following:

RESOLVED, that the House inform the Honorable Senate it has organized and is ready to meet with the Senate in Joint Convention for the purpose of electing a Secretary of State and a State Treasurer.

Adopted.

SENATE MESSAGES

The Senate has met and organized and has elected as its officers: Sen. Arthur P. Klemm, Jr., President; Gloria Randlett, Clerk; Tammy Wright, Assistant Clerk; and Henry Wilson, Sergeant-at-Arms. The Senate is ready to meet in joint convention for the purpose of electing the Secretary of State and the State Treasurer.

JOINT CONVENTION (Speaker Chandler presiding)

The Speaker called the joint convention to order.

The Chair declared nominations were in order for Secretary of State.

Rep. Teschner placed the name of William M. Gardner in nomination for Secretary of State. Sens. D'Allesandro and Barnes and Rep. Stritch seconded the nomination.

There being no further nominations, the Chair declared nominations closed and instructed the Clerk to cast one ballot for Mr. Gardner.

The Chair declared Mr. Gardner duly elected Secretary of State.

The Chair declared nominations were in order for State Treasurer.

Rep. Leo W. Fraser, Jr. placed the name of Georgie A. Thomas in nomination for State Treasurer. Sen. Gordon seconded the nomination.

There being no further nominations, the Chair declared nominations closed and instructed the Clerk to cast one ballot for Ms. Thomas.

The Chair declared Ms. Thomas duly elected State Treasurer.

Rep. Hager and Sen. Hollingworth escorted Mr. Gardner and Ms. Thomas to the rostrum.

The Chair administered the oath of office to Mr. Gardner, Ms. Thomas, Ms. Wadsworth and Mr. Johnson.

Mr. Gardner and Ms. Thomas addressed the Joint Convention.

Sen. Francoeur and Rep. Horton moved that the Joint Convention arise.

Adopted.

The Joint Convention adjourned.

Reps. Herman and Burling offered the following:

HOUSE RESOLUTION NO. 1

RESOLVED, that the House adopt the rules of the 2000 legislative session and providing that house rules may be amended by a majority vote of the house on or before January 25, 2001.

Adopted.

Reps. Hess and Burling offered an amendment to House Rules.

Amendment (0002h)

Amend the introductory paragraph of House Rule 30 to read as follows:

30. The following standing policy committees shall be appointed at the commencement of any session and will consist of not more than [22] **23 members** [~~except the Committee on Finance will consist of not more than 29 members~~]; Children and Family Law; Commerce; Criminal Justice and Public Safety; Education; Election Law; Environment and Agriculture; Executive Departments and Administration; Finance; Health, Human Services and Elderly Affairs; Judiciary; Labor, Industrial and Rehabilitative Services; Legislative Administration; Municipal and County Government; Public Works and Highways; Resources, Recreation and Development; Rules; Science, Technology and Energy; State-Federal Relations and Veterans Affairs; Transportation; **Ways and Means**; and Wildlife and Marine Resources.

Amend House Rule 30(h) to read as follows:

(h) It shall be the duty of the Committee on Finance to examine and consider the state of the treasury; to consider the budget, subjects concerning the financial interest of the state, all measures carrying appropriations of state money, except claims against the state; ~~all bills and~~

~~resolutions relating to raising money by a state tax and the apportionment of same and all other methods for raising revenue for the state,] and such other matters as may be referred to it. Prior to the report of the Finance Committee to the House, the Speaker may refer the budget of certain self-sustaining state agencies to appropriate committees for study and recommendation. [The Committee on Finance shall report to the house in the form of a resolution its estimates of state revenues on a periodic basis.]~~

Amend House Rule 30 by replacing all after paragraph (s) with the following:

(t) It shall be the duty of the Committee on Ways and Means to examine and consider the state of the treasury; to consider and report on all bills and resolutions relating to raising money by a state tax and the apportionment of same, state fees, and all methods of raising revenue for the state; and such other matters as may be referred to it. The Committee on Ways and Means shall report to the House in the form of a resolution its estimates of state revenues on a periodic basis.

(u) It shall be the duty of the Committee on Wildlife and Marine Resources to consider all matters concerning conservation, improvement and preservation of fish, game and non-game species and marine resources within the state; and such other matters as may be referred to it.

Amend House Rule 46 by replacing it with the following:

46.(a) All bills and joint resolutions appropriating state money shall, if approved by the House when reported by the appropriate policy committee, be referred to the Committee on Finance. All bills and joint resolutions affecting state revenues may, if approved by the House when reported by the appropriate policy committee, be referred to the Committee on Finance. If such bills have been referred to the Committee on Finance after report by another standing committee, the Committee on Finance may report separately and no further hearings shall be required by the Committee on Finance. Hearings on bills assigned to the Committee on Finance may at the discretion of the chairman be assigned to and held by the division of the committee to which the bill is assigned and no further hearing may be required.

(b) All bills and resolutions affecting state fees shall, if approved by the House when reported from the appropriate policy committee, be referred to the Committee on Ways and Means

(c) All bills and resolutions addressing licensure and/or certification shall, if approved by the House when reported by the appropriate policy committee, be referred to the Committee on Executive Departments and Administration for a further report on the effect of the passage of such a bill or resolution. All those bills requiring agencies to adopt rules pursuant to RSA 541-A shall, if approved by the House when reported by the appropriate policy committee, be referred to the Committee on Executive Departments and Administration for a further report on the effect of the passage of such bill or resolution on rulemaking pursuant to RSA 541-A.

(d) All bills and resolutions affecting criminal penalties, if approved by the House when reported by the appropriate policy committee, shall be referred to the Committee on Criminal Justice and Public Safety.

(e) The chairmen of committees receiving a bill or referral as outlined in this rule with the approval of the Speaker may decline the referral of any bill from another committee or, notwithstanding the provisions of Rule 43 (a), waive the public hearing on any bill referred from another committee.

Amend House Rule 47 to read as follows:

47. Any budget bill reported by the Committee on Finance shall contain a balanced spending plan. In the second-year session, the Committee on Finance shall hold hearings on proposed changes to the State spending plan for the current biennium and may submit a supplemental budget bill. *The Committee on Finance shall work closely in cooperation with the Committee on Ways and Means at mutually agreed periodic times in determining the state income available for budget purposes.*

Amend House Rule 64 by replacing it with the following:

64. Legislative action in the first-year session shall be subject to the following deadlines:

December 22, 2000, Friday, by 3:00 p.m.	Last day to file LSRs with complete information.
January 19, 2001, Friday	Last day to sign-off all bills with fiscal notes.
January 26, 2001, Friday	Last day to sign-off all other house bills.
February 8, 2001, Thursday	Last day to introduce all bills.

Rep. Hess spoke in favor and yielded to questions. Rep. Burling and Weyler spoke in favor.
Adopted.

Reps. Whalley and Nordgren offered the following:

HOUSE RESOLUTION NO. 2

RESOLVED, that action taken at all sessions of the house of representatives be recorded on tapes through the public address system, and that the tapes be used by the clerk to confirm and correct the permanent journal. The permanent journal as prepared by the clerk and as may be corrected by the house shall be the official record of the house.

Adopted.

Reps. Clegg and Buckley offered the following:

HOUSE RESOLUTION 3

RESOLVED, that the following policy be established for the distribution of house calendars and journals, bills, and resolutions to the general public, not to include members of the general court and state departments:

1. Every person is entitled, free of charge, to one copy of any publication at the legislative counter, or to have the publication mailed to that person upon individual request for one such copy.
 2. Persons requesting copies of all publications for the entire session will be charged a fee sufficient to cover postage, envelopes, and handling. Such fees may be prorated when service is received for portions of the session only. All fees are payable in advance. The subscriber list may be submitted for legislative accounting and auditing purposes, but is not for publication or sale.
 3. All fees charged for publications in accordance with this resolution shall be fixed with the approval of the speaker, paid into the state treasury, and credited to the legislative appropriation.
- Adopted.

Reps. Scanlan and Konys offered the following:

HOUSE RESOLUTION 4

RESOLVED, that members will be paid their legislative salaries, as provided in the constitution, in the month of January 2000; and

That mileage of members of the house be paid every 2 weeks during the session.

Adopted.

RESOLUTION

Rep. Robert A. Johnson offered the following: RESOLVED, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of resolutions be by caption only and that all resolutions ordered to third reading be read a third time by this resolution, and that all titles of resolutions be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, January 3, 2001.

Adopted.

LATE SESSION

Third reading and final passage

HR 1, relative to adopting the rules of the 2000 session.

HR 2, relative to recording House sessions and the permanent journal.

HR 3, relative to the distribution of House publications.

HR 4, relative to legislative salary and mileage payments.

RECESS MOTION

Rep. Francoeur moved that the House stand in recess.

Adopted.

The House recessed at 4:30 p.m.

RECESS

APPOINTMENTS

The Speaker made the following appointments:

Rep. Whalley moved that the House adjourn.
Adopted.

HOUSE JOURNAL No. 2

Wednesday, January 3, 2001

The House assembled at 1:00 p.m. and was called to order by the Speaker.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

Compassionate Creator, we give You thanks for bringing us safely to this new year. We ask Your blessing upon our beloved New Hampshire, and this honorable House. Guide with the light of Your Spirit the work and decisions that are accomplished here. Support and defend each legislator who gives of their time and energy to promote the cause of civil democracy on behalf of their constituents. Also, as we begin this new term, we give thanks for the men and women who work diligently behind the scenes to support the work of this House. We also give heartfelt thanks to the men and women of our state who promote and defend the public safety of our communities. In particular, we ask Your blessing upon all law enforcement officers who daily risk their lives to protect our neighbors and to defend the constitution which secures our freedoms. Amen.

Rep. Seibel led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. Cecelia Kane, Flanagan, Donald Flanders, Lefebvre, Palermo and Whittemore, the day, illness. Reps. Keith A. Regli, d	<u>44,064</u>
Plurality for Wheeler	11,250

RESOLUTION

Rep. Scanlan and Sen. Francoeur offered the following:

RESOLVED, that the vote for Governor and Council be referred to a committee consisting of two on the part of the Senate and three on the part of the House to compare and count the same and report thereon.

The Chair appointed Reps. Flanagan, Horton and Robert A. Johnson and Sens. Roberge and D'Allesandro.

Adopted.

Sen. Francoeur and Rep. Scanlan moved that the Joint Convention arise.

Adopted.

The Joint Convention adjourned.

(Speaker Chandler in the Chair)

AMENDMENT TO HOUSE RULES

Reps. Scanlan and Burling offered an amendment to House Rules.

Amendment (0004h)

Amend House Rules 1 and 2 to read as follows:

1. The Speaker shall take the chair at precisely the hour to which the House has adjourned and shall immediately call the members to order. [~~Members shall take their seats and shall activate their voting stations immediately. When they leave their seats for any reason they shall deactivate their stations.~~]

2. The Speaker shall preserve decorum and order, may speak on points of order in preference to other members, and shall decide questions of order[~~subject to an appeal to the House by any two members. The appeal shall be decided by a majority vote of those members present and voting~~]. *The decision of the Speaker on a question of order shall be conclusive unless the decision is immediately appealed to the House. The House shall decide the appeal by a majority vote of those members present and voting.*

Amend House Rule 4 to read as follows:

4. The Speaker shall refer all bills, resolutions, memorials, petitions, accounts, and other matters coming before the House to the appropriate committees, unless otherwise ordered by the House. [~~Upon recommendation of the Committee on Rules;~~] The Speaker may refer the same jointly to two committees or to a special committee.

Amend House Rule 6 to read as follows:

6. The Speaker shall sign all bills, resolutions, and addresses after passage *or enrollment*. All warrants, subpoenas and other processes issued by order of the House shall be signed by the Speaker and attested to by the Clerk.

Amend House Rules 8 and 9 to read as follows:

8. [~~The Speaker shall sign all bills after enrollment in both bodies.~~

9.] The Speaker shall have power to substitute any member to perform the duties of the Chair. If absent, the Speaker shall designate a member to perform the duties of the Chair unless otherwise ordered by the House.

9. When the House is called to order, members shall take their seats and shall activate their voting stations immediately. When they leave their seats for any reason they shall deactivate their stations.

Amend House Rule 10 to read as follows:

10. In all cases not provided for by the Constitution, House Rules or Joint Rules, *Mason's Manual of Legislative Procedure*, [~~1989~~] **2000** Edition, shall be [~~referred to as~~] the parliamentary guide.

Amend House Rule 15 to read as follows:

15. If any member transgresses the rules of the House, the Speaker shall, or any member may, call the member to order. The member called to order shall immediately sit down and the question of order shall be distinctly stated [~~from~~] *by* the [~~Chair. The decision of the Speaker on the question of order shall be conclusive unless the decision is immediately appealed to the House. The House shall decide the appeal by a majority vote of those members present and voting~~] *Speaker*.

Amend House Rules 17 and 18 to read as follows:

17. (a) The following persons shall be admitted within the door of the Representatives' chamber while the House is in session: House members and officers, the Governor, Council members, Senate members, the Secretary of State, the Treasurer, and the Senate Clerks.

(b) No other person shall be admitted within the door of the Representatives' chamber or anteroom while the House is in session, except with the permission of the ~~[Chair]~~ **Speaker**.

18. Before any petition is received and read, the substance of the petition shall be in concise form, and the name of the ~~[member or]~~ person presenting it ~~[and the member's district]~~ shall be recorded on the petition. The Speaker shall state the substance of the petition.

Amend House Rules 20-22 to read as follows:

20. (a) When any question is under debate, precedence of motions shall be as follows:

- (1) to adjourn;
- (2) to lay on the table;
- (3) for the previous question;
- (4) to postpone to a certain day;
- (5) to commit;
- (6) to amend;
- (7) to postpone indefinitely.

Motions to adjourn, to lay on the table, for the previous question, and to take from the table shall be decided without debate. A motion to postpone to a certain day shall be debatable both as to time and subject matter.

(b) No vote on a motion to lay on the table a Constitutional Amendment Concurrent Resolution shall pass unless approved by an affirmative vote of three-fifths of the entire House membership.

(c) When a question is postponed indefinitely, it shall not be acted on during the same session, unless two-thirds of those members present and voting vote in favor thereof.

~~(d) On a motion to amend, the refusal by the maker of the amendment to strike out words shall neither preclude amendment to such words nor a motion to strike out and insert.~~

~~(e) A motion for commitment shall preclude all amendments to the main question until it is decided; and all motions and reports may be committed at the pleasure of the House.~~

~~(f) No new motion shall be admitted under color of amendment as a substitute for the motion under debate.~~

21. (a) The Speaker shall put the previous question in the following form: "Shall debate now be limited?" and all debate on the main question shall be suspended until the previous question has been decided. After the adoption of the previous question, the sense of the House shall forthwith be taken on pending amendments, in their regular order, and then on the main question. ~~[The motion for the previous question shall not be put unless demanded by three members.]~~

(b) All incidental questions of order arising after a motion of the previous question and related to the subjects affected by the order of the previous question shall be decided without debate.

(c) If the previous question is decided in the negative, it shall not again be in order for the particular question under consideration until after adjournment, but the main question shall be left before the House and disposed of as though the previous question had not been put.

22. ~~[(a)]~~ There shall be three forms of ~~[putting]~~ **deciding** the question: voice vote, division vote, roll call vote. No member shall vote in any case when the member was not present when the question was put.

~~[(b)]~~(a) The question put by voice vote shall be: "All those in favor of the question say 'aye,'" and after the affirmative vote is expressed, "Those of a contrary opinion say 'no.'"

~~[(c)]~~(b) A division vote shall be taken if the Speaker doubts the voice vote or if a member calls for a division vote. When a division of the House is taken, the Speaker may appoint a teller for each seating division of the House, who shall report to the Chair the state of the vote.

~~[(d)]~~(c) A roll call shall be taken when a member moves for a roll call vote and that motion is seconded by 10 other members. The member requesting the roll call vote and the 10 members who second the motion shall notify the ~~[speaker]~~ **clerk** in writing or shall rise from their seats or otherwise be recognized by the Speaker.

~~[(e)]~~(d) When a division or a roll call is taken, the Speaker shall put the question and open the voting stations for not more than 30 seconds. Each member present at his or her voting station shall press either the YES (Green) or NO (Red) button unless excused by the House for a special reason. After closing the vote, the Speaker shall rise and state the decision of the House.

[~~(f) Any member may call for a division of the question when the sense will admit it.~~]

Amend House Rule 25 to read as follows:

25. ~~[(a)]~~ No vote shall be reconsidered unless the motion for reconsideration is made by a member who voted with the prevailing side while the bill or resolution is in the possession of the House. ~~[Reconsideration of any bills subject to a transfer date established by joint rules must be acted upon on or before the joint rule deadline, and thereafter shall be null and void.]~~

~~[(b)]~~(a) Notice of a motion for reconsideration shall be in order only until noon on the next business day after the date that the vote was taken.

~~[(c)]~~(b) Any such notice of reconsideration shall be effective for two legislative days only and thereafter shall be null and void. *The day when notice is served shall be counted as the first legislative day, even if notice occurs while the House is in recess or adjournment.*

~~[(d) The day when notice is served shall be counted as the first legislative day, even if notice occurs while the House is in recess or adjournment.]~~

~~[(e)]~~(c) When notice of reconsideration is received by the House, the Clerk of the House shall hold the bill or resolution relative to which such notice has been served until the expiration of the time within which such notice is effective.

(d) Reconsideration of any bills subject to a transfer date established by joint rules must be acted upon on or before the joint rule deadline, and thereafter shall be null and void.

Amend House Rule 27 to read as follows:

27. All members shall ~~[seasonably and punctually]~~ attend to their duties in the House or committee, and no one shall be absent from the service of the House or committee unless the member has leave, or is sick and unable to attend.

Amend the introductory paragraph of House Rule 30 to read as follows:

30. The following standing policy committees shall be appointed at the commencement of any session and will consist of not more than 23 members: Children and Family Law; Commerce; Criminal Justice and Public Safety; Education; Election Law; Environment and Agriculture; Executive Departments and Administration; Finance; *Fish and Game*; Health, Human Services and Elderly Affairs; Judiciary; Labor, Industrial and Rehabilitative Services; Legislative Administration; Municipal and County Government; Public Works and Highways; Resources, Recreation and Development; Rules; Science, Technology and Energy; State-Federal Relations and Veterans Affairs; Transportation; *and* Ways and Means~~[- and Wildlife and Marine Resources]~~.

Amend House Rule 30 by inserting after paragraph (h) the following new paragraph and renumbering paragraphs (i) – (u) to read as (j) – (v), respectively.

(i) It shall be the duty of the Committee on ~~[Wildlife and Marine Resources]~~ *Fish and Game* to consider all matters concerning conservation, improvement and preservation of fish, game and non-game species and marine resources within the state; and such other matters as may be referred to it.

Amend House Rule 30 by deleting paragraph (v).

Amend House Rule 36(c) to read as follows:

(c) When a bill is ~~[proposed]~~ *requested* by any state agency, the name of the agency ~~[proposing]~~ *requesting* it shall appear in the bill analysis.

Amend House Rules 37 and 38 to read as follows:

37. Every request by a member of the House for drafting a bill, house resolution taking a policy position, concurrent resolution, constitutional amendment-concurrent resolution, or joint resolution other than the general budget or the capital budget bill, *which complies with these Rules*, shall be accepted by the Office of Legislative Services for processing no later than the date specified by Rule 64. Each request shall be accompanied by sufficient information necessary for drafting. This deadline shall not apply to house resolutions which do not propose policy positions. ~~[Such resolutions may be accepted for drafting by the Office of Legislative Services at any time.]~~

38. (a) The sign-off deadlines set by Rule 64 shall supersede the time limits set forth in this Rule.

(b) The sponsor of any legislation shall sign it for introduction within 10 calendar days after the draft legislation is mailed to the sponsor for approval, whether or not the fiscal note has been prepared. If the 10th day falls on a Saturday, Sunday, or holiday, the 10-day period shall expire on the subsequent working day. *The Director of the Office of Legislative Services may withdraw any legislation when the sign-off deadline has not been met.* The sponsor's name shall be published at least once on the "signatures needed" list in the House Calendar within the sign-off period. If the sponsor requests a redraft within the sign-off period, the sponsor shall sign the legislation for

introduction within 10 calendar days after the redraft has been mailed to the sponsor. No more than one redraft per LSR may be requested during the last 10 days prior to the sign off-deadline. The sign-off deadline in section (a) shall supersede the time limits set forth in this section.

(c) If the primary sponsor signs the legislation in time for introduction, but one or more co-sponsors fails to sign, the legislation shall be introduced in the names of those sponsors who have signed. If the primary sponsor fails to sign the legislation in time for introduction, a co-sponsor may become the primary sponsor. If the primary sponsor fails to sign, and no co-sponsor wishes to become the primary sponsor, the legislation may not be introduced ~~[without suspension of this rule]~~.

(d) An LSR may be withdrawn at any time prior to its introduction with the consent of all of its sponsors. Any sponsor may request that his or her name be deleted as a sponsor of the bill prior to its introduction.

Amend House Rules 40 and 41 to read as follows:

40. All House Bills, House Joint Resolutions, House Constitutional Amendment Concurrent Resolutions, House Concurrent Resolutions and House Resolutions proposing that the House take a policy position may be introduced at any time prior to any deadline established by the House for their introduction. Exceptions:

(a) Notwithstanding any other provisions of the Rules, a House Bill, House Joint Resolution, House Constitutional Amendment Concurrent Resolution, or House Concurrent Resolution may be introduced into the House at any time prior to the crossover date specified in Rule 64, if approved by either a majority of the Committee on Rules, or a two-thirds vote ~~[on the floor]~~ *of those House members present and voting*; and

(b) House Resolutions proposing that the House take a policy position may be introduced into the House at any time after the deadline for introduction of bills and resolutions if approved by either a majority of the Committee on Rules, or a two-thirds vote ~~[on the floor]~~ *of those House members present and voting*.

41. Every bill, resolution, joint resolution, and concurrent resolution proposing that the House take a policy position shall have three separate readings in the House prior to its passage. The first and second readings and referral to committee shall be by title only which may be accomplished by a ~~[conglomerate]~~ *single* motion~~[-after which the bill shall be referred by the Speaker to the appropriate committee and shall be printed as provided in Rule 42, unless otherwise ordered by the House]~~. No bill or resolution after it has been read a second time shall have a third reading until after adjournment from the early session. The time assigned for the third reading of bills, resolutions, and joint resolutions shall be in the late session unless otherwise ordered by the House. The orders of the day for the reading of bills shall hold for every succeeding day until disposed.

Amend House Rule 44 to read as follows:

44.(a) All bills in the possession of committees shall be reported out by the date specified in Rule 64 with one of the following recommendations: Ought to Pass, Ought to Pass with Amendment, Re-refer to Committee, Inexpedient to Legislate, *or* Refer for Interim Study~~[-or Recommended but to be Laid Upon the Table Because of Funding]~~. Re-refer to Committee shall be a committee report only in the first-year session; Refer for Interim Study shall be a committee report only in the second-year session. The Committee, as its Interim Study final report, shall submit its findings and any recommendations.

(b) All committee reports on bills shall be printed in the House Calendar at least once prior to the date listed for floor action. If a bill is reported favorably with an amendment, the committee report shall describe the bill as amended. The amendment shall be printed in the House Calendar.

(c) If a bill is reported Re-refer to Committee, it shall read Re-refer to Committee for action in the second-year session. The report on a re-referred bill shall contain an explanation of the issue(s) which require(s) review. ~~[Bills]~~ *A bill* which ~~[have been]~~ *was* re-referred ~~[to]~~ *upon recommendation of* the Finance Committee may be referred by the Speaker to the original committee to which it was assigned ~~[when the House adjourned from the first session]~~. All bills re-referred in the first-year session shall be acted on by the third legislative day of the second-year session.

(d) No committee shall report with a positive recommendation any bill or resolution which would, if enacted, be a violation of Part I, Article 28-a of the N.H. Constitution. The vice chairman or another member of each committee shall review all pending legislation and shall advise the chairman and the members of all legislation before the committee which should be reviewed in terms of this Rule.

Amend House Rule 48(a) to read as follows:

48. (a) There shall be a detailed briefing on the general budget bill presented to the House at least two days before final action is taken on such a bill [~~and, in any event, not later than the deadline established in Rule 64~~].

Amend House Rule 100(j) – (s) to read as follows:

(j) To appoint the chairman *and all members* of all subcommittees [~~and further to appoint the membership of all subcommittees~~];

(k) To assign duties and responsibilities to the vice-chairman of the committee;

(l) To sign all documents which require the chairman's signature;

(m) To arrange for the posting and filing of committee notices;

(n) To supervise and be responsible for the preparation of committee reports and supplements;

(o) [~~To prepare, or supervise the preparation of the agenda for each committee meeting as required by these rules;~~

(~~p~~) To submit requests to the Speaker for [~~interim studies or meetings or travel for committees or subcommittees~~] *committee members' attendance at and travel to off-site meetings*;

(~~q~~)(*p*) To have custody[~~-during the legislative session subject to state statutes;~~] of all legislative documents and reports referred or submitted to the committee *during the legislative session*;

(~~r~~)(*q*) To transmit to the Clerk each legislative document and report which the committee has: 1) reported, or 2) been discharged from considering, or 3) been ordered to report;

(~~s~~)(*r*) To carry out all *other duties as may be* required [~~by law, by action of the House, or by action of the Speaker~~].

Amend House Rules 102 and 103 to read as follows:

102. Excessive [~~Unexcused~~] Absences.

Each committee chairman [~~is authorized to~~] *may* request the Speaker to remove from committee membership any member of the committee whose [~~unexcused~~] absences from committee meetings are judged to be excessive in number.

103. Notice of Executive Sessions.

Notice of all executive sessions at which a recorded vote will be taken shall be given by[~~-(1)~~] notification in the House Calendar at least two days prior to said executive session, and/or (~~2~~) notification by the Chairman of the appropriate committee on the floor of the House.

Amend House Rule 107-110 to read as follows:

107. Roll Call, Recorded Votes Required.

At each legislative committee meeting, final action on any bill or resolution shall be by roll call. All roll call votes shall appear in the records of the committee as otherwise provided in these rules. In all roll call votes the names of the members voting for the motion, the names of the members voting against the motion, and the names of members not participating because of a conflict of interest, *or absent* shall be recorded. If a member is present when the question is put, he or she must vote when called unless the member is not participating pursuant to the New Hampshire General Court Ethics Guidelines.

108. Minutes of Meetings Required; Contents.

Minutes of each meeting shall be kept by the committee clerk or under the direction of the clerk and they shall constitute a written record of committee proceedings at such meeting. [~~tn~~] The minutes [~~there~~] shall [~~be entered~~] *contain*:

(a) The time and place of the meeting of the committee;

(b) The members present or absent;

(c) The names and addresses of all persons appearing before the committee with the names and address, if any, of the person, firm, corporation or association in whose behalf the appearance is made;

(d) The bills, resolutions or other matters considered[~~-by number where appropriate~~];

(e) Action of the committee, including final action of the committee with respect to each bill or resolution on which the committee makes a report to the House;

(f) The vote of each member on each bill or resolution, matter or motion considered by the committee on which a [~~record~~] *roll call* vote is taken;

(g) The important points made by each witness at a public hearing and by each member of the committee, insofar as possible.

109. Permanent Committee Records; Disposition.

(a) The permanent records of the committee shall include ~~[the minutes of each meeting and]~~ a file on each bill or resolution received by the committee. The file on each bill or resolution shall include *minutes of all committee and subcommittee meetings*, a copy of the original document, a copy of committee amendments proposed by a member, whether adopted or not, and the disposition thereof; a copy of any fiscal note, actuarial note or notice attached to a bill or resolution at the time of committee consideration; all prepared statements which have been filed with the committee chairman by members or interested parties.

(b) The ~~[minutes and other]~~ permanent records of the committee shall be ~~[publicly recorded and shall be]~~ kept by the House Clerk in a place designated by the Speaker.

110. Open Meetings.

All meetings of any committee of the House and Senate shall be open to the public subject to the provisions of N.H. RSA 91-A ~~[and as clarified by the Attorney General of the State of New Hampshire]~~.

111. Back-Up Rules.

In such cases where New Hampshire House Committee rules are silent, "Mason's Manual of Legislative Procedures," [1989] 2000 Edition, shall be ~~[referred to as]~~ the parliamentary guide.

Reps. Scanlan and Burling spoke in favor.

Rep. Brewster asked if the question could be divided. The Speaker ruled the question was divisible.

Rep. Brewster requested that amendment to House Rule 30 be divided from the rest of the amendment. The Speaker so ordered.

Reps. Brewster and Bowles spoke against.

Rep. Herman spoke in favor and yielded to questions.

Rep. McKinney spoke in favor.

Rep. Brewster requested a division vote.

Rep. Whalley requested a roll call; sufficiently seconded. The question being the adoption of the amendment to House Rule 30.

and the amendment to House Rule 30 was adopted.

The question being the adoption of the remainder of the amendment to House Rules.

Rep. Herman yielded to questions.

Adopted.

RESOLUTION

Rep. Scanlan offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, House Bills numbered 101 through 149, House Concurrent Resolutions numbered 1 and 2 and Constitutional Amendment Concurrent Resolution numbered 1 shall be by this resolution read a first and second time by the therein listed titles, sent for printing, and referred to the therein designated committees.

Adopted.

INTRODUCTION OF HOUSE BILLS, HCRS AND CACR

First, second reading and referral

HB 101, relative to suspension of lobbyists for false statements or misrepresentation of material facts. (Marshall Quandt, Rock 20; Matthew Quandt, Rock 20: Legislative Administration)

HB 102, allowing bankruptcy judges to perform marriages after obtaining a special license. (Foster, Hills 10; Dokmo, Hills 14: Children and Family Law)

HB 103, relative to the possession of double-edged knives by convicted felons or during the commission or attempted commission of a violent crime. (Ruffner, Rock 25; Rogers Johnson, Rock 25: Criminal Justice and Public Safety)

HB 104, relative to dial-up Internet service providers. (Marshall Quandt, Rock 20; Matthew Quandt, Rock 20; Weyler, Rock 18; Nowe, Rock 3: Science, Technology and Energy)

HB 105-FN-A, establishing an agricultural nutrient management program and making an appropriation therefor. (Babson, Carr 5; Melcher, Hills 11: Environment and Agriculture)

HB 106, relative to honey products. (Melcher, Hills 11; Babson, Carr 5: Commerce)

HB 107, naming a certain bridge in the town of Milford. (Herman, Hills 13; Letourneau, Rock 13: Public Works and Highways)

HB 108, prohibiting retailers from selling wine, beer, and cigarettes below the wholesale cost. (Salatiello, Belk 2: Commerce)

HB 109, establishing a committee to study the consumer protection effort in New Hampshire. (Marshall Quandt, Rock 20; Matthew Quandt, Rock 20: Commerce)

HB 110-L, increasing the period of years the city of Laconia may use a certain parcel of state land. (Wood, Belk 7; Rice, Belk 7: Public Works and Highways)

HB 111, relative to paper purchased by or for state agencies. (B. Hall, Hills 20: Executive Departments and Administration)

HB 112, establishing a study committee on antitrust laws as they apply to hospital business practices. (Marshall Quandt, Rock 20; Matthew Quandt, Rock 20: Commerce)

HB 113-L, relative to the Nute High School and library trustees. (Brundige, Hills 18; N. Johnson, Straf 5; Patten, Carr 9; Johnson, Dist 3: Municipal and County Government)

HB 114, relative to notice requirements governing self-storage facility liens. (Almy, Graf 14: Commerce)

HB 115, relative to automated telemarketing practices. (Melcher, Hills 11; Leach, Hills 9; Avery, Ches 8; R. L'Heureux, Hills 18: Commerce)

HB 116, establishing a policy for naming state highways, bridges, and buildings. (Cloutier, Sull 8; Leber, Merr 1; Calawa, Hills 17; C. Bouchard, Merr 22: Public Works and Highways)

HB 117, establishing a committee to study the adoption of the uniform common interest ownership act. (Poulin, Merr 14; M. Fraser, Merr 21; L. Fraser, Merr 9; Pignatelli, Dist 13; Roberge, Dist 9; Larsen, Dist 15: Judiciary)

HB 118, authorizing physicians who practice medicine in certain states other than the state of New Hampshire to complete certifications exempting children residing in the state of New Hampshire from immunization. (Dalrymple, Rock 26; Emerton, Hills 7: Health, Human Services and Elderly Affairs)

HB 119, relative to exemptions and credits to property taxes when the property is sold. (Thulander, Hills 6: Municipal and County Government)

HB 120, making the commissioner of the department of youth development services a member of the department of youth development advisory board. (Lyman, Carr 5: Children and Family Law)

HB 121, establishing a committee to study methods of reducing the cost of obtaining justice for low-income citizens. (Almy, Graf 14: Judiciary)

HB 122-FN-L, relative to euthanizing repeatedly vicious dogs. (Thomas, Belk 03:Criminal Justice and Public Safety)

HB 123-FN, relative to the retirement system classification for the director of the division of safety services, department of safety. (Dyer, Hills 8; Welch, Rock. 18; Royce, Ches 9; Johnson, Dist 3: Executive Departments and Administration)

HB 124, establishing a committee to study on-line voting. (Torressen, Carr 10; Buckley, Hills. 44; Whittier, Rock. 18; Johnson, Dist 3: Election Law)

HB 125, naming New Hampshire route 12-A from West Lebanon to the Cornish-Windsor Bridge the Maxfield Parrish Highway. (Allison, Sull 10; Jones, Sull 3; S. Harris, Sull 9; Cloutier, Sull 8; J. Harris, Sull 11: Public Works and Highways)

HB 126-FN, relative to the board of pharmacy and the regulation of pharmacists. (Millham, Belk 4; Dyer, Hills 8: Executive Departments and Administration)

HB 127, relative to motor vehicle dealer plates. (Batchelder, Ches 2; Dyer, Hills 8: Transportation)

HB 128, prohibiting the right to pass and repass from being assigned to successive land owners unless the deed or conveyance specifically provides for reassignment of the right. (Lefebvre, Hills 31: Judiciary)

HB 129, relative to amending condominium instruments governing assignment of limited common areas. (Poulin, Merr 14; L. Fraser, Merr 9; M. Fraser, Merr 21; Pignatelli, Dist 13; Roberge, Dist 9; Larsen, Dist 15: Commerce)

HB 130, relative to the maintenance of boundaries and fences. (Philbrick, Carr 4; Patten, Carr 9: Municipal and County Government)

HB 131, relative to the retention and disposal of certain financial disclosure forms. (Millham, Belk 4; Major, Rock 16; Roberge, Dist 9; Cohen, Dist 24: Election Law)

HB 132-FN, relative to the damage or destruction of an emergency vehicle or emergency services equipment. (Thomas, Belk 3: Criminal Justice and Public Safety)

HB 133, relative to an informed jury. (Soltani, Merr 10; Matthew Quandt, Rock 20; Roberge, Dist 9: Judiciary)

HB 134, permitting challenges to judges. (Soltani, Merr 10; Marshall Quandt, Rock 20; Pepino, Hills 40; Roberge, Dist 9: Judiciary)

HB 135, creating a commission to study the state's increasing appellate caseload and solutions to the increasing appellate caseload. (Rowe, Hills 14; Gordon, Dist 2: Judiciary)

HB 136, making attorneys subject to the Consumer Protection Act. (Wendelboe, Belk 2: ommerce)

HB 137, establishing a committee to study the definition of domicile for voting purposes. (Lockwood, Merr 9; DiFruscia, Rock 27; Dickinson, Carr 2; Giuda, Graf 3: Election Law)

HB 138, relative to participation by minors in certain athletic activities. (Pilliod, Belk 3; French, Merr 3: Children and Family Law)

HB 139, relative to administrative rules proposed by agencies, boards, and commissions regulating occupational licenses. (Goulet, Hills 15; Emerton, Hills 7: Executive Departments and Administration)

HB 140, relative to interest on judgments. (Craig, Hills 38: Judiciary)

HB 141-L, relative to regulation of junk yards. (Scanlan, Graf 11; Owen, Merr 6: Environment and Agriculture)

HB 142, establishing a committee to study encryption of confidential information. (Emerton, Hills 7; M. Fuller Clark, Rock 36: Commerce)

HB 143, establishing a committee to study the shortage of health care providers in New Hampshire. (Emerton, Hills 7: Health, Human Services & Elderly Affairs)

HB 144, establishing a committee to study the CHINS process. (Lyman, Carr 5: Children and Family Law)

HB 145-FN-A-L, establishing the position of state animal control officer and making an appropriation therefor. (Phinizy, Sull 7; L. Pratt, Coos 4; Musler, Straf 6; McGuirk, Ches 1; Cohen, Dist 24: Executive Departments and Administration)

HB 146, requiring any driver to have headlights on when continuously operating windshield wipers during inclement weather. (Avery, Ches 8; Dickinson, Carr 2; Buckley, Hills 44; Roberge, Dist 9; Eaton, Dist 10: Transportation)

HB 147-FN-A, requiring annual registration by condominium unit owners' associations. (Poulin, Merr 14; M. Fraser, Merr 21; L. Fraser, Merr 9; Pignatelli, Dist 13; Roberge, Dist 9; Larsen, Dist 15: Commerce)

HB 148, establishing a committee to study the feasibility and value of encouraging the construction and operation on state park lands of publicly or privately-owned hotels, conference centers, and other resort facilities. (Langone, Rock 13; Leone, Sull 2; G. Katsakiores, Rock 13 Resources, Recreation and Development)

HB 149, naming the rest area at exit 6 along the F.E. Everett Turnpike the "Indian Head Rest Area." (R. L'Heureux, Hills 18; Gorman, Hills 29; Balcom, Hills 18; Milligan, Hills 18; Lefebvre, Hills 31; O'Hearn, Dist 12; Roberge, Dist 9: Public Works and Highways)

HCR 1, urging the federal government to allow military retirees to receive service-connected disability compensation benefits without requiring them to waive an equal amount of retirement pay. (Marshall Quandt, Rock 20; Matthew Quandt, Rock 20; Weyler, Rock 18; Nowe, Rock 3: State-Federal Relations and Veterans Affairs)

HCR 2, urging the federal government to establish a new zip code for the town of Kensington. (Marshall Quandt, Rock 20; Matthew Quandt, Rock 20; Robertson, Rock 20: State-Federal Relations and Veterans Affairs)

CACR 1, relating to the rate of taxation of a tax dedicated to funding an adequate education. Providing that a two-thirds vote of the house of representatives and the senate shall be required to increase the rate of taxation of a tax dedicated to funding the state's obligation to provide an adequate education from the rate initially established. (Rowe, Hills 14: Finance)

RESOLUTION

Rep. Scanlan offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Thursday, January 4, 2001 at 11:00 a.m.

Adopted.

LATE SESSION

UNANIMOUS CONSENT

Rep. Pantelakos addressed the House.

RECESS MOTION

Rep. Whalley moved that the House stand in recess.

Adopted.

The House recessed at 2:00 p.m.

RECESS

(Speaker Chandler in the Chair)

Rep. Whalley moved that the House adjourn

Adopted.

HOUSE JOURNAL No. 3

January 4, 2001

The House assembled at 11:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

Ever gracious Creator, we ask Your blessing upon the work of this honorable House. May Your Spirit of warmth, wisdom, and grace fill this chamber today as we welcome many here to celebrate our democratic freedoms in honor of all the men and women who gave so tirelessly in the past to grant us this gift. Amen.

Reps. Scanlan and Burling led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. Flanagan, Cecelia Kane, Lefebvre, Lockwood, Palermo and Whittemore, the day illness.
 Reps. Albert, Artz, Balcom, Benn, Bergin, Bickford, Bishop, David Bouchard, Bouldin, Brundige, Bruno, Carlson, Carson, Case, Chris Christensen, Cobb, Czech, Dewhirst, Dexter, Dowling, Dunne, Dyer, Stephanie Eaton, Estabrook, Edwards, Fairbanks, Brenda Ferland, Paul Ferland, Feuerstein, Fletcher, Marilyn Fraser, Leo Fraser, Gabler, Jeffrey Gilbert, Ginsburg, Goulet, Betty Hall, Henderson, Hess, Rogers Johnson, Langley, Manning, McDonough-Wallace, Meader, Mikowski, Musler, Nedeau, O'Connell, Patten, Perkins, Potter, Reeves, Rice, Roberts, Robertson, Royce, Ruffner, Sargent, Scovner, Seibel, Shaw, Edwin Smith, Souza, Tate, Ward, Weyler, Carol Williams, Phyllis Woods, Woodward, Zerba and Zolla, the day, important business.

Rep. French, the day, death in the family.

Reps. Ford, Priestley and Spang, the day, illness in the family.

INTRODUCTION OF GUESTS

Rebecca, Andrew, Paul, Elizabeth and Susan Harvey, guests of Rep. Pitts. Christine Hamm, guest of Rep Owen. Barbara Brewster and Audry Schaefer, wife and guest of Rep. Brewster.

RESOLUTION

Reps. Scanlan and Burling offered the following:

RESOLVED, that the Honorable Senate be notified that the House of Representatives is ready to meet in Joint Convention for the purpose of hearing the report of the Joint Committee appointed to compare and count the votes for Governor and Executive Council, for the Inauguration of the Governor, the Honorable C. Jeanne Shaheen, and for the taking of the oath by the Executive Council.

Adopted.

SENATE MESSAGE

The Senate is ready to meet in Joint Convention for the purpose of hearing the report of the Joint Committee appointed to compare and count the votes for Governor and Executive Council, the Inauguration of the Governor, the Honorable C. Jeanne Shaheen, and the taking of the oath by the Executive Council.

JOINT CONVENTION

(Speaker Chandler Presiding)

The Sergeant-at-Arms introduced the Honorable Senate and Senate President, Arthur P. Klemm, Jr.

REPORT

Sens. Roberge and D'Allesandro and Reps. Flanagan, Horton, and Robert Johnson offered the following report:

The Joint Committee appointed to compare and count the votes for Governor and Executive Council reports that it has attended to its duties and the vote is correct.

INTRODUCTION AND SEATING OF SPECIAL GUESTS

The Sergeant-at-Arms introduced the following who were escorted to their seats by the Governor's Military Staff:

The family and friends of Governor-elect Shaheen. The State Commissioners and Department Heads. United States Marshall, Ray Gagnon. United States Attorney, Paul Gagnon. Counsuls General from Canada, England, France, Germany, Israel, Ireland, Japan, Korea and Taipei. Hon. John R. Maher, Administrative Judge of the Probate Court. Hon. Edwin W. Kelly, Administrative Judge of the District Court. Chief Justice of the Superior Court Walter Murphy and Mrs. Murphy. The Associate Justices of the Supreme Court and their guests. Hon. David A. Brock, Chief Justice of the Supreme Court and Mrs. Brock. Deputy Secretary of State Robert P. Ambrose. State Treasurer Georgie A. Thomas. Former Governor Hugh Gregg and Mrs. Gregg. Former Governor Walter Peterson and Mrs. Peterson. Former Governor John H. Sununu and Mrs. Sununu. The Honorable Clergy. The Executive Councilors-elect: David K. Wheeler; Raymond S. Burton and guest, Roland Stoodley; Peter J. Spaulding; Ruth L. Griffin; and Thomas P. Colantuno and Mrs. Colantuno. House Leadership. The Governor's daughters: Molly, Stacy and Stephanie and her husband, Craig Welch. Governor C. Jeanne Shaheen and Mr. Shaheen.

INVOCATION

The Most Reverend John B. McCormack, Bishop of Manchester, offered the invocation. Generous God, Creator of our universe and provider of all that is good, we begin this day by asking that our civil servants be enriched by Your grace. As citizens of New Hampshire, we may often be known as thrifty in our use and management of our resources, but we must be extravagant in our praise of Your blessings and goodness. So today as we look forward to the lengthening daylight of winter days, we also look forward to the rays of Your wisdom being lengthened to guide our civil servants in Your ways of justice, mercy and peace. Bless our Governor, the members of her Council and the members of our Senate and House of Representatives. Grant them the grace to carry out their responsibilities in a manner that all people and all human life are respected and dealt with fairly from the beginning of life in the womb through healthy development, with good schooling, fair employment, just taxes and proper care until the time of natural death. Bless them with patience, perseverance and prudence. Help them stand firm and tall under pressure and nudge them when needed to bend low in care of the needy and the voiceless. As You enable them to assist, guide and represent Your people, we pray that You sustain them in their efforts to seek and provide for the common good. May their decisions be informed by what our traditions hold to be true, right and just. May facile solutions to difficult questions never be embraced and may the trust and respect for human dignity always be part of their discussions so that when the evening of their work is over, our trust and respect for human dignity in life will be enhanced, strengthened and sustained through their efforts. Confident of Your creative love, we ask all this of You. Amen.

POSTING OF COLORS

The New Hampshire National Guard posted the Colonial and Traditional Colors.

PLEDGE OF ALLEGIANCE

The Kindergarten Class from Gonic Elementary School in Rochester led the Pledge of Allegiance.

NATIONAL ANTHEM

The National Anthem was sung by Rawn Spearman from Nashua.

PRAYER

Rabbi Richard L. Klein of Temple Beth Jacob in Concord offered a prayer for peace and thanksgiving.

May God who creates peace in the heavens guide us in creating peace here on earth. Peace is a persistent dream of humanity. It has been the subject of prayers for as long as we have records. The Bible tells us to pursue peace. The Hebrew word is *lirdof*. That same term, *lirdof*, is also used when Scriptures speak of justice. The Sages saw an important lesson in the commonality of language. If we wish to have peace, we must pursue justice for the weakest among us: those who have no home; those caught in the trap of domestic violence; those from whom we shrink because their language, faith, skin color or sexual orientation are different from our own; those whose children's access to educational resources is severely limited; those who are so alienated that they turn to substance abuse, violence and horrific criminal acts. Only when we pursue justice for them will there be peace for us all. Governor Shaheen and our other leaders cannot do it for us. We must all join in the pursuit. "*Kayn yehi ratzon*" — May it be Your will. Amen.

OATHS OF OFFICE

Chief Justice David A. Brock administered the oath of office to Governor-elect Jeanne Shaheen. Governor Shaheen administered the oath of office to the Honorable Executive Councilors-elect Raymond S. Burton, Peter J. Spaulding, Ruth L. Griffin, Thomas P. Colantuono and David K. Wheeler.

PRAYER

A Prayer for a successful administration was offered by Reverend Janet Lombardo of the Trinity Episcopal Church in Tilton.

Holy God, Creator of us all, help each of us to work together for the good of the people of New Hampshire. Help Governor Jeanne Shaheen to be an able leader, patient and true to her beliefs. Let this body not be guided by popularity, but by faithful dialogue, always searching for the best solution. We pray that each person here not lose sight of what is right, that the work done here will be the very best for the people of New Hampshire, both now and in the future. We thank You, God, for bringing this particular group together. Help them work with each other, so that this administration may be successful. Amen.

POEM

New Hampshire Poet Laureate Marie Harris read her poem, "January Thaw."

*The meager light is charged with sudden warmth
that tempts the buds on the brittle branch
and softens pond ice, releasing the hint of a scent of spring.
This seditious weather undermines winter's dictatorship:
Its puppet government of cold,
Its dark decrees.*

*A turn in the wind carries the news:
There is nothing cast in stone or ice or precedent
That cannot be chiseled, molded or changed.
In such a climate hope and opportunity abound;
Fresh purpose will emerge as surely
As snowdrops elbowing the frozen ground.*

SCRIPTURE READING

Reverend Bartholomew Leon of the St. George Maronite Catholic Church in Dover read from the Book of Wisdom 9:1-6, 8-14.

MUSICAL INTERLUDE

Members of the Concord Community Music School's Scholarship Vocal Ensemble sang "Ave Verum" by W. A. Mozart.

INAUGURAL ADDRESS

The Governor delivered her Inaugural Address:

Mr. Speaker, Mr. President, Mr. Chief Justice, Executive Council, honorable members of the House, Senate and my fellow citizens:

I want to thank the people of New Hampshire for once again entrusting me with this office. It is a special privilege, and I promise to work for you every day to be worthy of it.

Speaker Chandler and Senate President Klemm, congratulations. We have much to do, and I look forward to working with you and with all the member of the House and Senate.

I have to stop for a minute here and introduce my family because without them I would not be here. My daughter Stephanie and her husband Craig, parents of my granddaughter; Stacy, the bride-to-be in just ten days; and Molly who's all grown up, she won't be falling asleep this year and Billy, without your encouragement and support, not only would I not be here, but I couldn't do this. So thank you, all, every day.

We meet today for the first inauguration of the 21st century. More than ever, we see ourselves at the dawning of new time, new challenges and new opportunities. More than ever, we look to the future with optimism, to be sure, but also marveling that the world seems to be changing at a faster and faster pace.

One hundred years ago, at the beginning of the 20th century, after taking the same solemn oath of office I have just taken, Governor Chester Jordan stood in this room and said New Hampshire was on the "threshold of a century that promises beyond what we can think or ask." In 1901, nearly as many New Hampshire workers were employed in agriculture as in manufacturing. Virtually every road in the state was unpaved; most people still traveled by horse and buggy. There were more harness makers than electricians; blacksmiths outnumbered lawyers 4 to 1 and in that much-different world, women could not vote.

The greatest challenge facing New Hampshire's future, Governor Jordan said, was excessive and unrestrained timber cutting. In his words, "our forests are fast becoming despoiled, their scenic beauties marred and destroyed, the public health endangered," and the state's agriculture, tourism, and even lumber industry threatened with ruin. Without action, he warned, New Hampshire's forests are headed toward extinction.

The efforts begun in 1901 to preserve our forests, efforts continuing to this day, have been a remarkable success. Despite the dramatic population increases of the last century, New Hampshire's forests have re-grown to cover eighty-five percent of our land, almost as much as when the first settlers arrived here over than 300 years ago.

In many ways, the New Hampshire of 1901 seems unrecognizable to us now. But consider it from another perspective. Sitting in this hall today is Elizabeth McLaughlin of Concord. She is 101 years old. Elizabeth was alive in 1901, back when women couldn't vote, when automobiles were a curiosity, and when the prospect of a New Hampshire barren of trees seemed a real possibility. All the changes between the end of the 19th century and the beginning of the 21st century have taken place within her one, single lifetime.

New Hampshire at the dawn of the 21st century has certainly changed from the New Hampshire of 100 years ago or even five years ago.

When the kindergartners from Rochester were born, New Hampshire had never elected a woman Governor. No woman had ever served on the State Supreme Court or as Speaker of the House. There was no state law honoring Martin Luther King. New Hampshire ranked 50th in state aid to education. And in those kindergartners' hometown of Rochester there was no public school kindergarten.

New Hampshire's economy has also changed. Today, we are one of the leading "New Economy" states. We rank second in the nation in the percentage of our workforce employed in high-technology jobs. With one of the highest rates of growth in international trade, New Hampshire businesses are competing and winning all around the world. New Hampshire companies are leading the way in innovation. In Portsmouth, Wastech International is developing a sophisticated new technology that will safely treat the wastewater produced by ships, preserving our precious oceans. In Wilton, Advanced Energy is designing innovative electronics that will allow us to better harness the power of the sun to meet our future energy needs. And in West Lebanon, Mii Technologies has developed a new way of making machine parts, an invention that *Time* magazine says could revolutionize 21st century manufacturing the way the cotton gin revolutionized 19th century farming.

Once again, we stand on the "threshold of a century that promises beyond what we can think or ask." But one thing is certain: New Hampshire must keep adapting to a fast-changing and increasingly global economy, or we will fall behind.

The new economy of the 21st century is run on brainpower, not horsepower. In this economy, success is built on innovation, ideas and information, and the foundation for this new economy is education. In the last few years, by almost every measure, the growth of the New Hampshire economy has been breathtaking. Today, the major limit to our continued growth is a shortage of skilled workers. We will not be able to meet the needs of New Hampshire business in the 21st century by importing workers. Instead, we must focus our efforts on improving the skills of our students and our existing workforce. We must ensure that our children, no matter where they live, have the skills and education to allow them to take full advantage of the opportunities offered by this high-tech, global economy. And that means we must make the commitment and the investment necessary to improve our schools.

If New Hampshire's economy is to prosper; if New Hampshire's children are to succeed; if New Hampshire's future is to be bright and secure, then we must recognize that improving education is the single most important issue we face. Nothing else that we do here will have a greater impact on New Hampshire's success or failure in this new century. The equation is really quite simple: how

well we educate our students will determine New Hampshire's future, our quality of life, the economic security of our families, the success of our businesses and the opportunities available to our children. But while that equation is simple, meeting its challenge is not.

In four years, we have come a long way, dramatically increasing state aid to education, cutting in half the number of communities without public kindergarten, wiring ninety-eight percent of our schools to the Internet. But our greatest challenge, a permanent school funding solution, is still before us; and we must meet that challenge this year.

This will not be easy. No one appreciates that more than I do. Resolving school funding will require each of us to be honest with ourselves and the people of New Hampshire about what is required by the Claremont II decision. The State must pay for the cost of an adequate education for every child in New Hampshire. It's that simple and that difficult. We must face up to this obligation and we must acknowledge that we cannot meet it without change.

Throughout my four years as Governor, I have been heartened by the support for improving schools voiced by members of the state's business community. Long before Claremont II, the Business and Industry Association in 1991 published a report on education that stated, "We recognize that business has needs only education can meet. We depend on education to provide us with involved citizens, knowledgeable consumers, intelligent workers and competent family members. We see an investment in education as the best investment in our future." We see an investment in education as the best investment in our future. That's as true today in 2001 as it was in 1991. In fact, it's even more true.

Now is the time we must make that investment in education a reality, not merely a promise. And we must choose how we are going to pay for that investment. We need to recognize that there is no easy choice, and that "none of the above" is not an option. Putting off the hard choices until next year or a future legislature will not make this challenge go away or make it any easier to solve. It will only make it more difficult.

Make no mistakes: enacting a permanent solution must be our overriding priority this year in this session of this legislature. Without a permanent solution this year, the state's bond ratings and strong fiscal position will be jeopardized. But even more important, without a permanent solution, New Hampshire's public schools, and therefore our prosperity, will be threatened.

As you know, for the last eight months a blue ribbon commission of economists and financial experts has been analyzing different revenue sources. I asked for this independent, non-partisan study because we need to move forward and make decisions with hard facts and objective analysis. This blue ribbon commission has only recently completed its work. Its report will be released next week. I want to thank former Dartmouth College President David McLaughlin and all the men and women who, in true New Hampshire tradition, volunteered so much time and effort for this important study. I will be relying on their work when I make my proposal in the next few weeks charting a new, secure course for funding education. I am ready to meet this challenge. I will propose a solution, but it will require all of us, in the Senate, in the House, and in the Executive; in the business community and education community; Democrats, Republicans, and Independents working together and putting aside partisanship to get this job done.

The people of New Hampshire expect no less from us. In the past election, they made a clear, some would say historic, choice. They want this issue solved. They are tired of the old debates driven by slogans and unyielding ideology. They want results, and they expect all of us to keep an open mind as we seek to do what's best for our state.

The people of New Hampshire made clear they would not go back to a system of unequal schools based on a 19th century system of funding. They want to move forward into the 21st century with 21st century schools. The people of New Hampshire also understand that funding alone will not give us excellent schools. We must set high standards for our schools and hold them accountable for meeting those standards. We have debated school accountability for three years. This year we must act.

We must also continue to improve educational opportunities for our youngest children. Four years ago, we took a giant step forward when we gave communities an incentive to start public kindergartens. Now we must extend our kindergarten construction program and make sure that every five-year-old really does have the opportunity to attend public kindergarten in New Hampshire. But we must move beyond kindergarten. Recent brain research shows us that the first few years of a child's life are crucial. The learning environment children experience in their earliest years has a

decisive and long-term impact on their development. Yet those early years receive the least attention from policymakers and the least amount of public investment. That must change. That is why in the coming weeks I will propose an early learning initiative to help ensure the best start possible for our children.

The skilled jobs of the new economy require higher education. If we are going to meet the demands of business for skilled workers, we must strengthen our public institutions of higher education. Fifty percent, fifty percent, of New Hampshire's college-bound high school graduates leave the state and many of them never come back. We must reverse this brain drain. We must continue investing in our university system and community technical colleges.

Let us pledge today that we will not let the people of New Hampshire down. Let us agree that in the coming months we will turn our greatest challenge, our greatest responsibility, into our greatest opportunity. Let us set New Hampshire on a secure course that will provide every child with the best possible education. That is our overriding obligation.

But there are other issues we must face in the 21st century. We must make sure we give every child in New Hampshire a healthy start. It is the right thing to do, because parents should never have to worry about whether they can afford to take their child to the doctor. But it is also the smart thing to do. Children's health care is a great investment. The simple truth is that healthy children do better in school and it costs the state and our health care system less to provide preventive health care than to hospitalize children or treat them in emergency rooms. We have already established an innovative Children's Health Insurance Program, which in just two years has provided almost 12,000 previously uninsured children with health coverage. But as successful as the program is, we should not be satisfied until virtually every eligible child in the state is enrolled and receiving quality health care. We can achieve this goal in the next two years and we should.

Just as we owe our children a healthy start, we owe our seniors a dignified and healthy retirement. Many of our senior citizens live on the financial edge. They struggle to pay for the medications they need to stay healthy. We must do everything we can as a state both to help seniors stay in their homes for as long as possible and to lower the high cost of prescription drugs.

After the events of this past year, those of us in the three branches of government will be remiss if we do not work together this session to make the changes necessary to restore public confidence in our judiciary. We will only succeed if our purpose is to strengthen the judiciary. We will fail if we act from a desire to punish. We must be wise enough to distinguish between making the judiciary more accountable to the public, as it should be, and making it more vulnerable to political passions, which it should never be.

All of us who hold elected positions must remember the full responsibility that comes with those offices. Every day, the men and women in our police and fire departments put their lives at risk for the people of New Hampshire. In the last few years, even in the last few weeks, we have been reminded of the sacrifices that the police and firefighters stand ready to make on our behalf. In return, here's what we owe them: as elected officials, we owe them not just the passage of good laws, we owe them our respect. In everything we say and do, let that message be clear. In this State House, we honor our citizens in uniform.

Finally, we must continue to make sure that New Hampshire's quality of life and natural and historic resources are protected for the new century. The beauty of our forests and rivers and lakes, the richness of our culture and history – that is our legacy from previous generations, and we must do all we can to preserve them for future generations. Last year, with the passage of the Land and Community Heritage Investment Program, we took an important step in this direction. This year we must continue and strengthen that investment.

And we also must act to better manage the growth that has come with our economic prosperity. We must protect the character and diversity of New Hampshire's landscape from the creeping threat of sprawl. If we do not, we put at risk the very quality of place that is the foundation of our economic success and the reason so many of us choose to call New Hampshire home.

We enter this new century facing what sometimes may seem to be overwhelming challenges and immovable obstacles to progress. But in the days to come, if you get discouraged or tempted to give up on the hard work of seeking new solutions to difficult problems, then just remember the bright, expectant faces of the kindergartners from Rochester. The way their hopeful voices lifted us all on this day. They are living, breathing proof that what we do here in this historic building profoundly affects the lives of real people.

One hundred years from now, when a new governor and a new legislature begin the 22nd century, perhaps some of today's kindergartners will be sitting in this chamber, just as Elizabeth McLaughlin is today. Let us remember that the 21st century is their century, a century sure to be filled with astounding changes; changes we cannot even imagine; changes far more profound and breathtaking than the changes of the last 100 years. It will be their century, but it is up to us, in the decisions we will soon be called upon to make, to prepare them, and New Hampshire, for the future they deserve. Let us proceed with the work we have been elected to do inspired by that vision. Thank you very much.

BENEDICTION

Reverend Thomas F. Chininis of St. Philip Greek Orthodox Church in Nashua offered the Benediction.

Lord and Creator of all, as a new year dawns and we look to the coming days with eagerness and anticipation, we pause to offer our thanks for the many blessings You have bestowed upon us in Your goodness and love; for the beauty of our state and the beauty of her people. At this hour we thank You for the gathering in these chambers and for the leaders of our state who have pledged before us, but more importantly, before You, to govern and lead our state using the talents and gifts You have granted each one of them. We thank You and ask Your blessings upon our Governor, Jeanne Shaheen, and the members of the Executive Council, their staffs and the legislative bodies of our state. Provide them wisdom, discernment, strength, patience, understanding, dignity and honor. Enable them to be the good stewards of the authority and resources of their offices. Instill in them faith and hope that with each new day Your word will be written upon their hearts. With daunting and complex issues and tasks before them, imbue them with the boldness and courage to see Your will, and thus find truth, justice, mercy and compassion. As our Governor and the leadership of our state embark on a new journey of a new year, shine Your light upon them, make their steps sure and their path straight. For we know that You are a God of truth and love, now and ever and to the ages and ages. Amen.

Rep. Scanlan and Sen. Francoeur moved that the Joint Convention arise.

Adopted.

RESOLUTION

Rep. Scanlan offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and when the house adjourns today it be to meet at the Call of the Chair.

Adopted.

INTRODUCTION OF HOUSE BILLS and HR

First, second reading and referral

HB 250, prohibiting managed care organizations from disqualifying certain entities from their networks. (Martel, Hills 45; P. Katsakiores, Rock 13; Ruffner, Rock 25: Commerce)

HB 251, establishing that local zoning ordinances regulating location are applicable to community living facilities. (Pepino, Hills 40; Vaillancourt, Hills 44; L. Johnson, Hills 40; Souza, Hills 40; Buckley, Hills 44; D'Allesandro, Dist 20; O'Neil, Dist 18; Gatsas, Dist 16: Municipal and County Government)

HB 252, establishing a committee to study the administrative functions and procedures of the state court system. (Mirski, Graf 12; Guinta, Hills 39; Sova, Graf 11; Alger, Graf 9; Winter, Merr 2; Roberge, Dist 9: Judiciary)

HB 253-FN, relative to mercury reductions. (J. Bradley, Carr 8; Norelli, Rock 31; Rodeschin, Sull 4; J. Harris, Sull 11; D. White, Hills 25; Below, Dist 5; Johnson, Dist 3; Disnard, Dist 8; Cohen, Dist 24; Eaton, Dist 10: Environment and Agriculture)

HB 254, naming a certain bridge in the town of North Charlestown. (B. Ferland, Sull 6; Phinizy, Sull 7; Disnard, Dist 8: Public Works)

HB 255, requiring that body piercing be performed by a licensed physician. (Dalrymple, Rock 26; Emerton, Hills 7: Health, Human Services and Elderly Affairs)

HB 256, limiting the liability of law enforcement agencies and their employees for injuries caused by dogs used in law enforcement work. (Clegg, Hills 23; Pepino, Hills 40; Thomas, Belk 3; Francoeur, Dist 14: Judiciary)

HB 257, relative to disclosure of injuries, medical information, and insurance coverage in claims for bodily injury. (DiFruscia, Rock 27; Bruno, Hills 4; Phinizy, Sull 7; M. Fuller Clark, Rock 36: Commerce)

HB 258, establishing a task force to conduct an ongoing study of the feasibility of re-establishing the Lawrence, Massachusetts to Manchester, New Hampshire rail service line and the Concord to Lebanon northern passenger rail service line. (G. Katsakiores, Rock 13; Whittemore, Merr 13; Nowe, Rock 3; J. Flanders, Rock 18; Below, Dist 5; Larsen, Dist 15; Prescott, Dist 19: Transportation)

HB 259, relative to holding sessions for correction of checklists. (F. Davis, Merr 12; Horton, Coos 3; Daneault, Merr 12; Rush, Merr 12: Election Law)

HB 260, establishing a commission to examine child care resources for parents who work hours other than first shift. (Elliott, Hills 2; Dionne, Hills 1, Wallner, Merr 24; Gile, Merr 16; McCarley, Dist 6; Wheeler, Dist 21: Children and Family Law)

HB 261-FN, including the judiciary as a public employer under the public employee labor relations act. (J. Pratt, Ches 2; Craig, Hills 38; Larsen, Dist 15; O'Neil, Dist 18: Labor, Industrial and Rehabilitative Services)

HB 262, establishing a commission to study the status of the relationship between physician hospital organizations and independent provider associations. (Bruno, Hills 4: Commerce)

HB 263, naming a sidewalk in Wolfeboro the Kenneth J. MacDonald Memorial Sidewalk. (J. Bradley, Carr 8; Stevens, Carr 7: Public Works and Highways)

HB 264, relative to the state treasurer and relative to certain unclaimed or abandoned property. (Dyer, Hills 8: Commerce)

HR 6, recognizing the ancient and aboriginal claim of Indians in the state to hunt and fish. (Kenney, Carr 6: Fish and Game)

RECESS

(Rep. Mirski in the Chair)

RESOLUTION

Rep. Sapareto offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, House Bills numbered HB 265 through 279 shall be by this resolution read a first and second time by the therein listed titles, sent for printing, and referred to the therein designated committees.

Adopted.

INTRODUCTION OF HOUSE BILLS

First, second reading and referral

HB 265, prohibiting the sale of rolling papers to minors. (Knowles, Straf 11: Commerce)

HB 266, establishing a committee to study recodification of the election laws. (Arndt, Rock 27; F. Davis, Merr 12; Clemons, Hills 31; Weatherspoon, Rock 20: Election Law)

HB 267, relative to increasing the membership on the retirement system board of trustees. (Sova, Graf 11; Scovner, Graf 13; Leber, Merr 1: Executive Departments and Administration)

HB 268, relative to apportioning presidential electors. (Brewster, Merr 1; Dickinson, Carr 2: Election Law)

HB 269, requiring parental consent for tongue piercing. (P. Katsakiores, Rock 13; Emerton, Hills 7; G. Katsakiores, Rock 13: Children and Family Law)

HB 270-FN, increasing the mileage reimbursement rate for members of the legislature. (Dickinson, Carr 2; Guay, Coos 6; Burns, Dist 1: Legislative Administration)

HB 271, relative to criminal liability for the conduct of another. (Knowles, Straf 11: Criminal Justice and Public Safety)

HB 272, requiring bottled water labels to indicate the source of the water. (Pitts, Rock 35: Commerce)

HB 273, relative to the purpose of state jurisdiction of fish and game regulation. (Mock, Carr 3; Dickinson, Carr 2; Nowe, Rock 3; Royce, Ches 9; D'Allesandro, Dist 20; Flanders, Dist 7; Disnard, Dist 8; Gatsas, Dist 16: Fish and Game)

HB 274-FN, banning the residential open burning of trash and relative to a dioxin emissions reduction and control program. (J. Bradley, Carr 8; Norelli, Rock 31; D. White, Hills 25; N. Kaen, Straf 7; Lynde, Hills 24; Below, Dist 5; Johnson, Dist 3; Cohen, Dist 24; Eaton, Dist 10; Larsen, Dist 15: Science, Technology and Energy)

HB 275, relative to the expenditure of funds received pursuant to the Workforce Investment Act. (Clegg, Hills 23; Sullivan, Carr 2; Francoeur, Dist 14; Eaton, Dist 10: Labor, Industrial and Rehabilitative Services)

HB 276-FN-A, relative to reimbursement of legal fees of supreme court employees who retained counsel during the impeachment proceedings regarding chief justice David A. Brock and making an appropriation therefor. (Hager, Merr 18; Owen, Merr 6: Finance)

HB 277-L, clarifying the penalties for violations of statutes or ordinances where no penalty is specified. (Rodeschin, Sull 4; Gordon, Dist 2: Municipal and County Government)

HB 278, naming Langmaid Brook in the town of Pembroke. (F. Davis, Merr 12; Rush, Merr 12; Greco, Merr 12; Daneault, Merr 12: Resources, Recreation and Development)

HB 279-FN-A-L, relative to the payment of certain unfunded accrued liability of the retirement system and making an appropriation therefor. (Dyer, Hills 8: Executive Departments and Administration)

RECESS

(Speaker Chandler in the Chair)

COMMITTEE ASSIGNMENT

Rep. William G. Johnson on Municipal & County Government; off Fish & Game.

RECESS

(Speaker Chandler in the Chair)

Rep. Scanlan moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 4

January 25, 2001

The House assembled at 10:00 a.m. and was called to order by the Speaker.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

Blessed are You, O God of our fathers and mothers. We acknowledge before You that beginnings aren't all they're cracked up to be, especially if what we end up with doesn't measure up to the dreams with which we began. We ask Your blessing upon this honorable House and upon all the citizens of our beloved New Hampshire. May You give each legislator here both the vision to dream and the wisdom to create a better community for all Your people. Amen.

Rep. Carolyn M. Gargas led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. Flanagan, Kennedy and Rabideau, the day, illness.

Reps. Artz, Candace W. Bouchard, Craig, Marilyn Fraser, French, Jeff Gilbert, Hager, Ham, Hamel, Kacavas, Lawton, Letourneau, O'Keefe, Marsha Pelletier, Irene Pratt, Robb, Solow, Teschner, Tholl, Whittemore and Jane Wood, the day, important business.

Reps. Martel and Priestley, the day, illness in the family.

INTRODUCTION OF GUESTS

Elaine and Gordon Burton, guests of Rep. Ford. Juan Pablo Torres, Juan Pablo Dalmahz, Anna Elizabeth Fotheringham, Maria Eugenia Echazu, Rodrigo Casabella, Yesica Betancourt and Ellen Chase, guests of Rep. Owen. Lynda Hunt, wife of Rep. Hunt.

COMMUNICATION

January 10, 2001

William M. Gardner, Secretary of State

Gene G. Chandler, Speaker of the House

This is to inform you that I am resigning my seat as State Representative from Hillsborough County District 29, Ward 4 effective 11:59 p.m. on this day.

Tom Alciere, Hills. 29

VACATE

Rep. Musler moved that the House vacate the reference of **HB 253-FN**, relative to mercury reductions, to the Committee on Environment and Agriculture.

Adopted.

Referred to the Committee on Science, Technology and Energy.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Scanlan moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 140, relative to interest on judgments, removed by Rep. Mock.

Consent Calendar adopted.

HB 144, establishing a committee to study the CHINS process. **OUGHT TO PASS**

Rep. Christine M. Furman for Children and Family Law: This is a bill to establish a committee to Study the "CHINS", Children in Need of Services, process. The Children and Family Law Committee feels that this process is important enough to the welfare of New Hampshire's children to warrant the establishment of a committee to study and recommend any changes to the current "CHINS" process. Vote 15-0.

HB 109, establishing a committee to study the consumer protection effort in New Hampshire. **OUGHT TO PASS**

Rep. Leo W. Fraser, Jr. for Commerce: The Consumer Protection Office is contained within the Justice Department. This legislation will allow for a review of the actual needs of the agency in order to provide speedier and more efficient responses to New Hampshire citizens. Vote 12-0.

HB 142, establishing a committee to study encryption of confidential information. **OUGHT TO PASS**

Rep. Leo W. Fraser, Jr. for Commerce: Privacy of information is one of the most difficult and important issues facing the General Court at this time. This legislation will provide a study of the propriety of implementing encoding or enciphering of confidential information. Vote 11-0.

HB 197, extending the reporting date of the commission to study methods for reducing violent incidents involving children and guns. **OUGHT TO PASS WITH AMENDMENT**

Rep. James R. Splaine for Criminal Justice and Public Safety: HB 197 extends the report date for the commission to study methods for reducing violent incidents involving children and guns from November 1, 2000 to June 30, 2001. The committee has amended the bill to extend the date until November 1, 2001. Vote 16-0.

Amendment (0016h)

Amend 1999, 322:5 as inserted by section 1 of the bill by replacing it with the following:

322:5 Report. The commission shall report its findings and any recommendations for proposed legislation to the senate president, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library on or before ~~[November 1, 2000]~~ **November 1, 2001**.

AMENDED ANALYSIS

This bill extends from November 1, 2000 to November 1, 2001 the reporting date of the commission to study methods for reducing violent incidents involving children and guns established in 1999, 322 (SB 163).

HB 111, relative to paper purchased by or for state agencies. **OUGHT TO PASS**

Rep. David G. Poulin for Executive Departments and Administration: The majority of the committee felt that the current RSA, requiring that all specially coated paper purchased for use by state agencies contain 30% post consumer waste, had proven unworkable and created the necessity for a waiver on almost all purchases of these products. This type of product is rarely produced and when available the quality does not meet the standards needed for most copiers and printers. This bill reduces the required content of all coated paper to 10% of post consumer waste, but leaves the requirement for uncoated paper at 30% of post consumer waste. Vote 17-0.

HB 126-FN, relative to the board of pharmacy and the regulation of pharmacists. **OUGHT TO PASS**

Rep. Robert K. Dodge for Executive Departments and Administration: The committee overwhelmingly supported the clarification of certain definitions allowing graduates of Canadian colleges of pharmacy to apply directly for examination and licensure. The increase for the per diem compensation was approved and is in compliance with the 125% rule. Vote 17-0.

HB 204-FN, relative to loan guarantees by the business finance authority. **OUGHT TO PASS WITH AMENDMENT**

Rep. Kenneth L. Weyler for Finance: The Business Finance Authority (BFA) of the State of New Hampshire was organized to encourage business development and job creation in parts of the state that are suffering from a lack thereof. Their main tool is credit enhancement for the businesses willing to locate in the target areas. They use the credit of the state to guarantee part of the business loan required. Many of the qualifying projects are also eligible for other loans and guarantees through such agencies as the Small Business Administration (SBA) and the Granite State Development Council. In working with the SBA a problem arose as to the length of a loan guarantee. SBA and the participating bank wanted a ten-year guarantee. RSA's allowed only five years for the BFA. This bill will allow BFA to extend credit guarantees to ten years as needed, and will enable BFA and SBA to partner in more projects. Some concern was expressed as to the likelihood of this bill increasing demand for BFA help. Since BFA has used only about one third of its \$95 million authority, it is more likely that current rules are too stringent for the agency to fulfill its potential. Passage of this bill will enhance BFA's mission. The bill is fast tracked for a resort in Whitefield where plans need to be finalized soon. Exposure for the state will be \$3 million of a \$12.8 million project. Vote 22-0.

Amendment (0023h)

Amend the bill by replacing section 2 with the following:
2 Effective Date. This act shall take effect upon its passage.

HB 118, authorizing physicians who practice medicine in certain states other than the state of New Hampshire to complete certifications exempting children residing in the state of New Hampshire from immunization. **OUGHT TO PASS WITH AMENDMENT**

Rep. Daniel M. Burnham for Health, Human Services and Elderly Affairs: The committee was asked to solve the issue of cross-state border exemption from an immunization requirement due to a medical contraindication. The result: because the bill includes limitations and safeguards, the committee passed HB 118 which allows a physician from a border state to notify the appropriate school board of an exemption, for a limited time, for one disease. Vote 14-0.

Amendment (0006h)

Amend the bill by replacing section 1 with the following:

1 Exemptions From Immunization. Amend RSA 141-C:20-c, I to read as follows:

1. A physician licensed under RSA 329, *or a physician exempted under RSA 329:21, III*, certifies that immunization against a particular disease may be detrimental to the child's health. The exemption shall exist only for the length of time, in the opinion of the physician, such immunization would be detrimental to the child. An exemption from immunization for one disease shall not affect other required immunizations.

HB 117, establishing a committee to study the adoption of the uniform common interest ownership act. **OUGHT TO PASS**

Rep. Jane Wood for Judiciary: The predecessor to the uniform common interest ownership act was the uniform condominium act, and NH's condominium act is an early version of that. The legislature passed HB 1457 last term to create the same study committee as this bill does; but, because of the senate trial this past summer, the committee was unable to complete the task. This study will thoroughly review our current law in relation to the uniform (nationally recognized) act. It will deal with homeowner association and cooperative planned unit development as well as condominiums. This is a consumer protection issue as well as good planning for future development. Vote 17-0.

HB 121, establishing a committee to study methods of reducing the cost of obtaining justice for low-income citizens. **OUGHT TO PASS**

Rep. Peter F. Bergin for Judiciary: Everyone who testified was in support of this study bill. There are a number of people in the state who are economically deprived due to circumstances including disabilities, mental illness or single-parent income who are in need of legal representation. In addition, the legal assistance fund has been decreasing over the last several years according to testimony received. For these reasons the committee felt it was timely and a legitimate use of resources to study this issue. Vote 13-5.

HB 128, prohibiting the right to pass and re-pass from being assigned to successive land owners unless the deed or conveyance specifically provides for reassignment of the right. **INEXPEDIENT TO LEGISLATE**

Rep. Peter R. Leishman for Judiciary: The committee was sympathetic with the sponsor's intentions. However, the bill would radically change the customary and traditional real property deed drafting practices. In existing statute (RSA 477:26), all rights, easements and privileges are transferred with land ownership, unless specifically excluded in the deed. The common granting clause in a deed transferring an interest in real estate, title to land, easements or rights-of-way etc. is that the right will run with the title. This allows subsequent owners to convey by deed or estate what he or she received from the prior owner. If an owner desires to grant a right-of-way to a specified person for his or her use only, or for life, or for a term of years, this provision is commonly written in the document and the right will be limited. Further, HB 128 would be contrary to conventional conveyancing standards adopted throughout the United States. The committee believes this bill is unnecessary. Vote 16-0.

HCR 1, urging the federal government to allow military retirees to receive service-connected disability compensation benefits without requiring them to waive an equal amount of retirement pay. **OUGHT TO PASS**

Rep. Richard F. Heon for State-Federal Relations and Veterans Affairs: The committee was unanimous in supporting this House Concurrent Resolution. The committee heard testimony from veterans groups all favoring this resolution. The committee also agrees that because no other federal employees face a reduction of civil service retirement benefits if they receive compensation for a service-connected disability that our military retirees should be treated like other federal retirees and permit them to receive their service-connected disability compensation without a concurrent deduction from their retirement pay. Vote 15-0.

HCR 2, urging the federal government to establish a new zip code for the town of Kensington. OUGHT TO PASS WITH AMENDMENT

Rep. Gregory A. Salts for State-Federal Relations and Veterans Affairs: The committee found compelling evidence that the residents of Kensington would be best served by having their own zip code. In the past, the lack of a zip code has created confusion amongst letter carriers. Therefore, important packages have been late upon arrival, including medication. Although Kensington has been denied a zip code in the past, the committee felt that due to the rapid growth the community now warrants their own zip code. The committee unanimously passed this resolution with an amendment to also include a copy of the resolution to the President of the United States. Vote 15-0.

Amendment (0013)

Amend the resolution by replacing the second paragraph after the resolving clause with the following:

That copies of this resolution be forwarded by the house clerk to each member of the New Hampshire congressional delegation, the President of the United States, and the United States Postmaster General in Washington, D.C.

REGULAR CALENDAR

HB 135, creating a commission to study the state's increasing appellate caseload and solutions to the increasing appellate caseload. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS.

Rep. Peter F. Bergin for the Majority of Judiciary: Last year HB 1535 and SB 209 were sponsored in response to a conference held by the NH Bar Association at which it was recognized that changes are needed to address the issues of ever increasing appellate cases. Because of the Supreme Court investigation and subsequent trial, both the House and the Senate agreed that a bill would be better addressed this year when more attention could be given to the issue. The Commission will be made up of 13 members. Composition of the committee will be 3 members each from the House and Senate, 2 from the Judiciary, a member of the NH Bar, a member from the Attorney General's office, 2 members appointed by the Governor and a designee of the NH Appellate Defender. The committee has a balance of persons from the legal profession and members of the general public. Vote 14-3.

Rep. Peter R. Leishman for the Minority of the Judiciary: The minority strongly supports judicial reform. However, an amendment that excludes members of the House or Senate because of their particular training or profession as lawyers (members of the Bar) was unacceptable. We feel that all members of the House, whatever their profession, would be of great value to this important issue.

Amendment (0020h)

Amend subparagraphs I(a)-(d) as inserted by section 2 of the bill by replacing them with the following:

(a) Three house members, only one of whom may be a member of the bar, appointed by the speaker of the house.

(b) Three senate members, only one of whom may be a member of the bar, appointed by the senate president.

(c) Two members representing the judicial branch: one from the supreme court appointed by the chief justice of the supreme court and one from the superior court appointed by the chief justice of the superior court.

(d) One member of the New Hampshire Bar Association, appointed by the association's president. Adopted.

Rep. Leishman spoke against and yielded to questions.

Rep. Jacobson spoke in favor.

Rep. Mock spoke in favor and yielded to questions.

Rep. Alger requested a roll call; sufficiently seconded.

The question being adoption of the majority report.

and the majority report was adopted.

Ordered to third reading.

Reps. Lyman and Rowe voted yea and intended to vote nay.

HB 140, relative to interest on judgments. OUGHT TO PASS

Rep. James W. Craig for Judiciary: In civil lawsuits in New Hampshire, interest is awarded to a winning party from the date that the suit is filed. This is to compensate a prevailing party for the loss of the use of that money and to encourage settlement. The award of interest is codified in two statutes, RSA 524:1-b and RSA 527:10. These statutes create a gap in the award of interest between the time of verdict and the time of judgment. This bill simply closes that gap and is meant to be a technical correction. Vote 17-1.

Rep. Mock moved Re-commit to Committee and spoke in favor.

Adopted.

RESOLUTION

The late filing having been approved by the Rules Committee, Reps. Scanlan and Burling offered the following: **RESOLVED**, that in accordance with the list in the possession of the clerk, House Resolution 7 shall be by this resolution read a first and second time by the therein listed title.

Adopted.

INTRODUCTION OF HR 7**First and second reading****HR 7**, relative to the Society for the Protection of New Hampshire Forests. (Scanlan, Graf 11; et al)**SUSPENSION OF RULES**

Reps. Scanlan and Burling moved that the Rules be so far suspended as to permit consideration at the present time, without the proper printing, referral and hearing of **HR 7**, relative to the Society for the Protection of New Hampshire Forests.

Reps. Scanlan and Burling spoke in favor.

Adopted by the necessary two-thirds.

CONSIDERATION OF HR 7

HR 7, relative to the Society for the Protection of New Hampshire Forests.

Rep. Scanlan moved Ought to Pass.

Reps. Scanlan and Burling spoke in favor.

Motion adopted and ordered to third reading.

AMENDMENT TO HOUSE RULES

Rep. Herman offered the following floor amendment:

Floor Amendment (0039h)

Amend House Rule 35 as follows:

35. (a) Rule 64 shall set the first day to file requests for drafting of bills with the Office of Legislative Services, including all supplementary or necessary drafting information[, for introduction in the first-year or second-year session]. The Office of Legislative Services shall identify LSRs in language which makes clear the intent of the bill. LSRs, with the name(s) of the sponsor(s), shall be published by the Office of Legislative Services. The Speaker of the House shall adjudicate any disagreement concerning the publication of LSRs that may arise between bill sponsors and the Office of Legislative Services.

(b) The Office of Legislative Services shall not accept a request to draft any bill which is the same, or essentially the same, as any other drafting request already accepted[~~in the same session~~]. If duplicate or similar legislation is requested, the Director of Legislative Services shall notify the sponsors of each filing request and mediate an agreement for the filing of a single bill. Filing requests resulting from legislative committee work shall take precedence over all other duplicate or similar filings. The name of the House member whose LSR request is denied due to duplication may be substituted on request for that of the original sponsor if the original sponsor withdraws the drafting request prior to the sign-off deadline.

(c) Notwithstanding (a) and (b), ~~[any member may have]~~ legislation *may be* drafted and introduced upon receiving approval of a majority vote of the House Rules Committee *on the request of any member based on urgent or compelling need or events unforeseen prior to the filing deadline, or on the request of the majority of any policy committee*, or by a two-thirds vote of those House members present and voting.

(d) First-year session:

In the first-year session, there shall be no limitation on the subject matter of legislation introduced. As soon as possible after the end of the first-year session, the Clerk shall publish in the House Calendar those bills voted inexpedient to legislate[, ~~for indefinitely postponed~~ ~~or re-referred in the first-year session, and~~] those bills which created study committees with November 1 reporting deadlines *and those bills retained in committee for action*. The listings shall be in numerical order by bill number/title, and in committee order by bill number/title.

(e) Second-year session:

In the second-year session, no bill or resolution shall be introduced if it is substantially similar to any legislation which was indefinitely postponed or voted inexpedient to legislate by the House in the first-year session, unless it has been approved by a majority of the House Rules Committee or a two-thirds vote of those House members present and voting, whether as a bill, an amendment, a committee of conference report or in any other manner. A request shall not be accepted to draft any bill which is the same, or essentially the same, as any bill voted inexpedient to legislate, indefinitely postponed, ~~[re-referred, or]~~ made the subject of a statutory study committee in the first-year session, *or retained in committee for action*, unless approved for drafting and introduction by a majority vote of the House Rules Committee or a two-thirds vote of those House members present and voting.

Amend House Rule 44 as follows:

44.(a) All bills in the possession of committees shall be reported out by the date specified in Rule 64 with one of the following recommendations: Ought to Pass, Ought to Pass with Amendment, ~~[Re-refer to Committee,]~~ Inexpedient to Legislate, Refer for Interim Study, or Recommended but to be Laid Upon the Table Because of Funding. ~~[Re-refer to Committee shall be a committee report only in the first-year session;]~~ *All bills retained by a vote of the committee for action in the second year session shall be included on a list provided to the House Clerk on or prior to the deadlines specified in Rule 64.* Refer for Interim Study shall be a committee report only in the second-year session. The Committee, as its Interim Study final report, shall submit its findings and any recommendations.

(b) All committee reports on bills shall be printed in the House Calendar at least once prior to the date listed for floor action. If a bill is reported favorably with an amendment, the committee report shall describe the bill as amended. The amendment shall be printed in the House Calendar.

(c) ~~[If a bill is reported Re-refer to Committee, it shall read Re-refer to Committee for action in the second-year session. The report on a re-referred bill shall contain an explanation of the issue(s) which require(s) review. Bills which have been re-referred to the Finance Committee may be referred by the Speaker to the original committee to which it was assigned when the House adjourned from the first session. All bills re-referred in the first-year session.]~~ **All bills retained in committee for action** shall be acted on ~~[by the third legislative day of]~~ **during** the second-year session.

(d) No committee shall report with a positive recommendation any bill or resolution which would, if enacted, be a violation of Part I, Article 28-a of the N.H. Constitution. The vice chairman or another member of each committee shall review all pending legislation and shall advise the chairman and the members of all legislation before the committee which should be reviewed in terms of this Rule.

Amend House Rule 64 to read as follows:

64. Legislative action in the first-year session shall be subject to the following deadlines:

December 22, 2000, Friday,	Last day to file LSRs with complete information. by 3:00 p.m.

May 9, 2001, Wednesday	Last day to report Senate bills referred to a second committee.
May 17, 2001, Thursday	Last day to act on Senate bills being referred to a second committee.
May 25, 2001, Friday	Last day to sign-off all supplemental bills.
May 30, 2001, Wednesday	Last day to report all Senate bills for action in the first-year session. Last day for committees to report list of retained Senate bills.
June 7, 2001, Thursday	Last day to act on all Senate bills in the first-year session. Supplemental day to amend House Rules by Majority vote.
June 13, 2001, Wednesday	Last day to form committees of conference.
June 20, 2001, Wednesday	Last day to sign committee of conference reports. by 5:00 p.m.
June 26, 2001, Tuesday	Last day to act on committee of conference reports Last day to introduce supplemental bills.

Rep. Herman spoke in favor and yielded to questions.

Reps. Betty B. Hall and Vaillancourt spoke against.

Rep. Phinizzy spoke against and yielded to questions.

Reps. Avery, Mirski and Jacobson spoke in favor.

Adopted.

RESOLUTION

Rep. Scanlan offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Thursday, February 8, 2001 at 10:00 a.m.

Adopted.

LATE SESSION**Third reading and final passage**

HB 144, establishing a committee to study the CHINS process.

HB 109, establishing a committee to study the consumer protection effort in New Hampshire.

HB 142, establishing a committee to study encryption of confidential information.

HB 197, extending the reporting date of the commission to study methods for reducing violent incidents involving children and guns.

HB 111, relative to paper purchased by or for state agencies.

HB 126-FN, relative to the board of pharmacy and the regulation of pharmacists.

HB 204-FN, relative to loan guarantees by the business finance authority.

HB 118, authorizing physicians who practice medicine in certain states other than the state of New Hampshire to complete certifications exempting children residing in the state of New Hampshire from immunization.

HB 135, creating a commission to study the state's increasing appellate caseload and solutions to the increasing appellate caseload.

HR 7, relative to the Society for the Protection of New Hampshire Forests.

UNANIMOUS CONSENT

Rep. Jacobson addressed the House.

The Chair ordered that the remarks made by Rep. Jacobson be printed in the Journal.

Adopted.

Thank you, Mr. Speaker. I want to guarantee you that I don't come here three times every day. I did want to say a word of thanks for Sandy Guinan who worked up on the fourth floor of the LOB for 18 years. She was a Colby Sawyer graduate, but more than that she was of great assistance to me and to many others and I wanted to simply thank her publicly for her long term service to the members of the House. Thank you.

RECESS MOTION

Rep. Scanlan moved that the House stand in recess for the purpose of introduction of bills only.

Adopted.

The House recessed at 12:10 p.m.

RECESS

(Rep. Herman in the Chair)

RESOLUTION

Rep. Kurk offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, House Bills numbered 280 through 299, and 301 through 348 shall be by this resolution read a first and second time by the therein listed titles, sent for printing, and referred to the therein designated committees.

Adopted.

INTRODUCTION OF HOUSE BILLS

First, second reading and referral

HB 608-FN, establishing a judicial ethics advisory committee. (Bergin, Hills 16; Wall, Straf 9; J. Pratt, Ches 2; Leishman, Hills 13: Judiciary)

HB 609-FN-L, requiring passengers on school buses to wear seat belts. (McRae, Hills 7; Sullivan, Carr 2: Transportation)

RECESS

(Speaker Chandler in the Chair)

COMMITTEE ASSIGNMENTS

Rep. Karen K. Hutchinson on Legislative Administration.

Rep. Theresa A. Drabinowicz off State-Federal Relations and Veteran Affairs; on Executive Department and Administration.

Rep. William P. Brennan off Executive Department and Administration; on Fish and Game.

RECESS

(Speaker Chandler in the Chair)

Rep. Scanlan moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 5

Thursday, February 8, 2001

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by Deputy Speaker Whalley.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

O God, in whom we live and move and have our being, bless today the work of this honorable House. May each legislator and staff member perform their duties with integrity, honesty, compassion and wisdom guided by the knowledge that we are here by the gift of Your grace and by the consent of the governed. Amen.

Rep. Linda T. Foster led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. Brown, Cardin, Flanagan and Ford, the day, illness.

Reps. Bergin, Bridle, Brundige, Chabot, Chandler, Fletcher, Marilyn Fraser, Lessard, Messier, Mock, Owen, Marsha Pelletier, Rodeschin, Rodrigue, Tholl, Thompson, Weyler and Donald White, the day, important business.

Rep. Dalrymple, the day, death in the family.

Rep. Priestley, the day, illness in the family.

INTRODUCTION OF GUESTS

Justin Gilman, son of Rep. Gilman. Charles Newton guest of Rep. Odell. Betty Mitchel Tree and Cameron Campbell, guests of Rep. Weatherspoon. Leadership New Hampshire Class of 2001, guests of the House.

RESOLUTION

Rep. Scanlan offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, House Bills numbered 610 through 622 and House Concurrent Resolution numbered 13 shall be by this resolution read a first and second time by the therein listed titles, sent for printing, and referred to the therein designated committees.

Adopted.

INTRODUCTION OF HOUSE BILLS and HCR

First, second reading and referral

HB 610, allowing the sale of raw milk cheese and unpasteurized apple cider in New Hampshire. (Kurk, Hills 5: Environment and Agriculture)

HB 611-FN-L, relative to the availability of certain nursing home beds. (Downing, Rock 26; Lovett, Graf 6; Micklon, Rock 26; McGuire, Rock 26; Dowling, Rock 13; D'Allesandro, Dist 20: Health, Human Services and Elderly Affairs)

HB 612, relative to expenditures from the dam maintenance fund by the department of environmental services. (Royce, Ches 9; Emerson, Ches 13; Edwards, Ches 19; Below, Dist 5; Johnson, Dist 3: Resources, Recreation and Development)

HB 614, relative to certain duties, responsibilities, and authority of the fiscal committee. (Kurk, Hills 5: Legislative Administration)

HB 615, relative to the duties of motor vehicle inspectors. (Bartlett, Belk 6; Packard, Rock 29; P. Cote, Hills 32: Transportation)

HB 616, clarifying sessions to be held at the satellite district court in Durham. (Wall, Straf 9; K. Gilbert, Rock 19; N. Kaen, Straf 7; Lent, Straf 8; Estabrook, Straf 8; Wheeler, Dist 21: Judiciary)

HB 617, relative to zoning for hobby vehicles. (Artz, Hills 34: Municipal and County Government)

HB 618, relative to charitable auto wholesale dealers. (Bartlett, Belk 6; P. Cote, Hills 32; Packard, Rock 29: Transportation)

HB 619, relative to the sale or lease of goods or services to residents of this state via the Internet. (Belanger, Rock 26; Langley, Rock 24: Commerce)

HB 620, relative to arrangements between birth parents and adoptive parents. (Lyman, Carr 5: Children and Family Law)

HB 621, relative to the form of prescriptions. (Splaine, Rock 34: Health, Human Services and Elderly Affairs)

HB 622, relative to the time period for the executive council to confirm nominees to the supreme court. (Splaine, Rock 34: Judiciary)

HCR 13, calling on the President and the Congress to fully fund the federal government's share of special education services in public elementary and secondary schools in the United States under the Individuals with Disabilities Education Act. (Cloutier, Sull. 8; Burling, Sull. 1; Nordgren, Graf 10; Batchelder, Ches 2; Fuller Clark, Rock 36; Disnard, Dist 8; Gordon, Dist 2; Eaton, Dist 10: State-Federal Relations and Veterans Affairs)

SENATE MESSAGE

CONCURRENCE

HB 204-FN, relative to loan guarantees by the business finance authority.

ENROLLED BILL REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled House Bill 204.

Rep. Nowe, Sen. Pignatelli for the Committee

SUSPENSION OF RULES

Reps. Scanlan and Burling moved that the Rules be so far suspended as to permit the deadline date for introduction of House Bills be extended until February 15, 2001.

Reps. Scanlan and Burling spoke in favor.

Adopted by the necessary two-thirds.

VACATE

Rep. Bradley moved that the House vacate the reference of **HB 317-FN**, revising the New Hampshire Aeronautics Act, to the Committee on Science, Technology and Energy.

Adopted.

Referred to the Committee on Transportation.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Scanlan moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 101, relative to suspension of lobbyists for false statements or misrepresentation of material facts, removed by Rep. Marshall Quandt.

Consent Calendar adopted.

Reps. Dokmo, Hess and Reid declared a conflict of interest on HB 136 and did not vote on the Consent Calendar.

HB 106, relative to honey products. **OUGHT TO PASS WITH AMENDMENT**

Rep. Stephen G. Avery for Commerce: This bill is a request of the Department of Agriculture (Markets & Food) and amends the requirements regarding the labeling of honey and honey products. The bill also adds a definition of honey products. The amendment allows producers to also list honey as "not graded" on its labels. The bill is supported by local producers as well as the New Hampshire Beekeepers Association. Vote 15-0.

Amendment (0044h)

Amend RSA 429:20, I as inserted by section 3 of the bill by replacing it with the following:

I. Every shipment, package or container of honey packed, sold, offered or exposed for sale or distribution by any person shall be plainly marked for packaging and labeling [rules], and shall include:

- (a) The name, address and zip code of the packer, *distributor, or producer*;
- (b) The true name of the product;
- (c) The grade, *or the term "not graded"*; and
- (d) The volume of the contents at 68 degrees Fahrenheit or 20 degrees Celsius *or the net weight of the contents*.

HB 108, prohibiting retailers from selling wine, beer, and cigarettes below the wholesale cost. **INEXPEDIENT TO LEGISLATE**

Rep. Stephen G. Avery for Commerce: The committee feels strongly that this legislation would be a restraint of free trade. New Hampshire did have a law back in the late 70's and 80's that said the price of wine could not fall below that of the liquor commission. That law was repealed in 1988. None of our bordering states have this kind of law and both the liquor commission and the retail grocers opposed the bill. While the committee felt some sympathy for small corner stores not being able to compete with larger retailers, the committee felt that this legislation was not appropriate. Vote 12-0.

HB 114, relative to notice requirements governing self-storage facility liens. **INEXPEDIENT TO LEGISLATE**

Rep. Jane S. Langley for Commerce: The committees found that notice of non-payment of self-storage fees was provided for under existing law. Currently the law provides for notice to the occupant which includes any personal representative or agent designated, and testimony from the industry indicates they actively pursue other notice not currently mandated. Vote 14-0.

HB 129, relative to amending condominium instruments governing assignment of limited common areas. **OUGHT TO PASS WITH AMENDMENT**

Rep. Tara G. Reardon for Commerce: The committee heard extensive testimony from the industry with regard to the burden placed on condominium associations to garner 100% agreement in controlling the limited common area and common areas. While agreeing to the change to 2/3 of the voting members to create or expand limited common area, the bill provides that unit owners undivided interest may not be altered; the condominium documents may create a more restrictive standard, and any cost associated with the expansion or creation of limited common area must be borne by the unit benefited. Vote 15-0.

Amendment (0043h)

Amend the bill by replacing all after the enacting clause with the following:

I Condominium Act; Amending Assignment of Limited Common Areas. Amend RSA 356-B:19, III to read as follows:

III. A common area not previously assigned as a limited common area shall be so assigned only pursuant to RSA 356-B:16, I(f), *except that limited common areas may be created or expanded pursuant to an amendment to the condominium instruments consented to by 2/3 of the votes in the unit owners association, or such higher percentage as the condominium instruments may provide, and then thereafter assigned as therein provided*. The amendment to the declaration making such an assignment shall be prepared and executed by the principal officer of the unit owners' association, or by such other officer or officers as the condominium instruments may specify. Such amendment shall be delivered to the unit owner or owners of the unit or units concerned upon payment by them of all reasonable costs for the preparation and acknowledgment thereof. Said amendment shall become effective when the aforesaid unit owner or owners have executed and recorded it, and the recordation thereof shall be conclusive evidence that the method prescribed pursuant to RSA 356-B:16, I(f) was adhered to. *The creation or expansion of limited common areas pursuant to this paragraph shall not alter the amount of undivided interest in the common areas allocated to any unit.*

2 Condominium Act; Liabilities for Common Expenses. Amend RSA 356-B:45, I to read as follows:

I. Except to the extent that the condominium instruments provide otherwise, any common expenses associated with the maintenance, repair, renovation, restoration, or replacement of any limited common area shall be specially assessed against the condominium unit to which that limited common area was assigned at the time such expenses were made or incurred. *This provision shall also apply to the expansion or creation of limited common areas pursuant to RSA 356-B:19, III.*

If the limited common area involved was assigned at that time to more than one condominium unit, however, such expenses shall be specially assessed against each such condominium unit equally so that the total of such special assessments equals the total of such expenses, except to the extent that the condominium instruments provide otherwise.

3 Effective Date. This act shall take effect 60 days after its passage.

HB 136, making attorneys subject to the Consumer Protection Act. **INEXPEDIENT TO LEGISLATE**
Rep. Anthony R. DiFruscia for Commerce: The bill created much discussion about whether lawyers should be singled out or all occupations that have state regulated boards should be included in the consumer protection act. Currently the law exempts any trade that is regulated by a state board. The sponsor agreed with the committee that the subject can be taken up with a previously passed bill (HB 109), relative to a chapter study on the consumer protection law. Vote 15-0.

HB 123-FN, relative to the retirement system classification for the director of the division of safety services, department of safety. **OUGHT TO PASS**

Rep. Charles Q. Hall for Executive Departments and Administration: This bill allows the director of safety services, if certified as a police officer with 10 years of vested service, to maintain group II membership in the New Hampshire retirement system. After due deliberations at the public hearing and in two subsequent subcommittee sessions, the committee determined that the policy outlined in HB 123-FN would provide the department of safety with an appropriate incentive for the recruitment and retention of a well qualified person for the position of director of safety services. Vote 16-1.

Referred to Finance.

HB 145-FN-A-L, establishing the position of state animal control officer and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**

Rep. Carl G. Robertson for Executive Departments and Administration: This bill was designed to establish the position of state animal control officer to be funded by dog license fees assessed by local communities. It was the overwhelming opinion of the committee that this bill created more problems than it could resolve. It did not clearly establish whether that position would be advisory or enforcement and it was very clear that one person could not do either job on statewide basis. The logistical costs to support such a position were not presented and the committee felt that other factors could increase the cost significantly. A survey of several local police departments indicated strong opposition to the plan. They felt the position would be redundant and that this was a local matter better served by someone who was familiar with the community. There was no evidence to show a need for the position. Vote 14-0.

HB 228, relative to dealing in and possessing prescription drugs by podiatrists. **OUGHT TO PASS**

Rep. Alida Millham for Health, Human Services and Elderly Affairs: The Pharmacy Practice Act is amended to include podiatrists on the list of health care practitioners that are allowed to possess, compound, personally administer or distribute prescription drugs to meet the immediate medical needs of their patients. This is an action to correct an inadvertent omission in the Pharmacy Act. This is fundamentally a housekeeping correction. Vote 18-1.

HB 140, relative to interest on judgments. **OUGHT TO PASS WITH AMENDMENT**

Rep. James W. Craig for Judiciary: In civil lawsuits in New Hampshire, interest is awarded to a winning party from the date that the suit is filed. This is to compensate a prevailing party for the loss of the use of that money and to encourage settlement. The award of interest is codified in two statutes, RSA 524:1-b and RSA 527:10. These statutes create a gap in the award of interest between the time of verdict and the time of judgment. This bill simply closes that gap and is meant to be a technical correction. Vote 17-1.

Amendment (0007h)

Amend RSA 524:1-b as inserted by section 1 of the bill by replacing it with the following:

524:1-b Interest from Date of Writ. In all other civil proceedings at law or in equity in which a verdict is rendered or a finding is made for pecuniary damages to any party, whether for personal injuries, for wrongful death, for consequential damages, for damage to property, business or reputation, for any other type of loss for which damages are recognized, there shall be added forthwith by the clerk of court to the amount of damages interest thereon from the date of the writ

or the filing of the petition to the date of [~~such verdict or finding~~] **judgment** even though such interest brings the amount of the [~~verdict or findings~~] **judgment** beyond the maximum liability imposed by law.

HB 160, establishing a committee to study the issue of one-day/one-trial jurors. **OUGHT TO PASS**
Rep. Peter F. Bergin for Judiciary: After hearing testimony, the committee felt that this bill had merit. Currently, a person if called to jury duty, must serve for one month. This often causes a hardship on some jurors because of the amount of time required to serve. The one day/one trial jury system concept is worth studying especially in the southern part of the state where there is a larger population from which to draw jurors. The study committee could also recommend whether this system should be initiated, and if so, whether it should be extended into the northern part of the state. Vote 16-0.

HB 161, establishing a committee to study the use of jurors 16 years of age or younger in criminal trials where the defendant is a juvenile. **INEXPEDIENT TO LEGISLATE**

Rep. Christopher P. Reid for Judiciary: While the committee supports ideas involving youth participation such as peer mediation, and while some members of the committee feel that advisory jurors 16 years of age or younger may be worth studying in the future, the committee was concerned that jurors 16 and under in felony cases raises too many constitutional and logistical questions. Vote 16-0.

HB 175-FN-L, relative to the amount and scope of the homestead right. **OUGHT TO PASS WITH AMENDMENT**

Rep. Jane Wood for Judiciary: The Homestead Act was passed July 4, 1851 to provide a home for the spouse when the husband left home to go west in search of fortune. What began as a life estate for the spouse to reside in the home owned by the husband is now a monetary safeguard in case one's home is lost to creditors. The subcommittee studying this bill decided unanimously that only two changes were recommended: 1) the monetary amount be raised from \$30,000 to \$50,000; 2) language regarding property interest should be inclusive of his "or her" interest. Note that the homestead amount is not intended to necessarily allow a person to keep one's home but to be left with something, to re-establish a living arrangement so as not to be "homeless". Vote 14-0.

Amendment (0035h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the amount of the homestead right.

Amend the bill by replacing all after the enacting clause with the following:

1 Homesteads; Amount. Amend RSA 480:1 to read as follows:

480:1 Amount. Every person is entitled to [~~\$30,000~~] **\$50,000** worth of his *or her* homestead, or of his *or her* interest therein, as a homestead. The homestead right created by this chapter shall exist in manufactured housing, as defined by RSA 674:31, which is owned and occupied as a dwelling by the same person but shall not exist in the land upon which the manufactured housing is situated if that land is not also owned by the owner of the manufactured housing.

2 Effective Date. This act shall take effect January 1, 2002.

AMENDED ANALYSIS

This bill increases the amount of the homestead right under RSA 480.

HB 182-FN, increasing the number of supreme court justices. **INEXPEDIENT TO LEGISLATE**

Rep. John M. Pratt for Judiciary: This bill would have increased the number of supreme court judges from five to seven. The sponsor thought that such a change would help to alleviate the backlog at the court and would further allow for a greater number of cases to be heard. The committee was of the opinion that the question of the number of supreme court justices is a part of the larger question of our state's increasing appellate caseload, and that issue will be addressed in a study conducted under HB 135 which has already passed the House. Vote 16-1.

HB 230, relative to scheduled permanent impairment awards under the workers' compensation law. **OUGHT TO PASS**

Rep. Edgar H. Mears for Labor, Industrial and Rehabilitative Services: The committee heard compelling testimony from citizens, whose lives have changed drastically as a result of brain injury or seriously disfigured as a result of burns. The committee overwhelmingly supports the need to include these devastating injuries in the schedule impairment awards under Workers Compensation RSA 281-A:32. Vote 18-0.

HB 163, establishing a committee to study opening the state house to the public on weekends. **OUGHT TO PASS**

Rep. Peter F. Bergin for Legislative Administration: The committee after hearing testimony felt that this bill had merit. A great number of citizens and tourists who visit Concord during the weekend are disappointed that the State House is closed. The study will analyze the cost and feasibility of keeping the State House open during the weekend. Vote 13-0.

HB 113-L, relative to the Nute High School and library trustees. **OUGHT TO PASS**

Rep. Richard C. Leone for Municipal and County Government: In 1889, the New Hampshire Legislature passed an act incorporating the Nute High School and Library in the Town of Milton. The 19th century act capped the Trustee non-taxable assets at \$300,000. Since this is a well administered fund used for the betterment of the operation of the school and community library at Nute High School, the committee felt that a cap was not needed. Vote 16-0.

HB 107, naming a certain bridge in the town of Milford. **OUGHT TO PASS**

Rep. Lawrence J. Guay for Public Works and Highways: This bill names the bridge at route 101 and North River Road over the Souhegan River in the town of Milford the Veterans Bridge. The committee appreciates what the veterans have done for our country and that it is a great honor to pass this bill. Vote 17-0.

HB 125, naming New Hampshire route 12-A from West Lebanon to the Cornish-Windsor Bridge the Maxfield Parrish Highway. **OUGHT TO PASS WITH AMENDMENT**

Rep. John R. Cloutier for Public Works and Highways: This bill as amended would name a section of route 12-A from West Lebanon to the Cornish-Windsor Bridge for American artist Maxfield Parrish, who lived and worked in the area, through which the highway passes, for many years before dying in 1966. The amendment insures that the cost of design, construction, maintenance and installation of any signage, replacement signage, or other markers necessary for the naming would not be a charge to the state, though such work shall be approved by the state Department of Transportation. Vote 15-0.

Amendment (0012h)

Amend the bill by replacing all after section 1 with the following:

2 Signage. The cost of design, construction, maintenance, and installation of any signage, replacement signage, or other markers required under section 1 of this act shall not be a charge to the state. However, the design, construction, and installation of any signage or other markers required under this act shall be approved by the department of transportation.

3 Effective Date. This act shall take effect 60 days after its passage.

HB 178-FN, permitting certain village districts to become eligible for state highway aid apportionment. **INEXPEDIENT TO LEGISLATE**

Rep. Saghir A. Tahir for Public Works and Highways: Towns have the authority to accept and maintain roads within their towns. Village districts have the option to turn their roads over to the town. In each case that the committee heard testimony from one or the other, parties chose not to do this. As town roads, they would be eligible for apportionment and state highway aid. The committee felt that since this could be settled locally, it should be, and not have the state interfere. Although the committee could see the dilemma faced by the village districts, the members felt this change would not be in the best interest of the state. Vote 14-2.

HCR 3, rescinding all requests by the New Hampshire legislature for a federal constitutional convention and urging other states to withdraw similar requests. **INEXPEDIENT TO LEGISLATE**

Rep. Frank C. Guinta for State-Federal Relations and Veterans Affairs: The committee unanimously agrees that rescinding all requests by the NH legislature for a federal constitutional convention, and urging other states to withdraw similar requests, would limit the state's ability to call for a constitutional convention and would deem null and void, without reason, all prior requests made by the General Court. The committee feels strongly in supporting previous calls for constitutional conventions made by the NH legislature. Vote 12-0.

HJR 1, urging Congress to expand eligibility for membership in the American Legion. **OUGHT TO PASS**

Rep. Russell A. Albert for State-Federal Relations and Veterans Affairs: The committee was unanimous in supporting this resolution for Congress expanding the eligibility for members in the American Legion. The committee felt that many otherwise qualified veterans are prevented from joining, due to the restrictions on dates of service. This would allow many more veterans who served honorably to be eligible for membership in the American Legion. Vote 12-0.

HB 127, relative to motor vehicle dealer plates. INEXPEDIENT TO LEGISLATE

Rep. Robert J. Letourneau for Transportation: The committee found no practical reason to amend this RSA. The legislative intent of this RSA is to insure that those who are using dealer plates are legitimate businesses and conforming to the law. The committee did extensive changes on the dealer and repair plate RSAs in 1997. These changes were needed to curb the many abuses that were occurring at that time. The amended law is working well. Vote 13-0.

HB 258, establishing a task force to conduct an ongoing study of the feasibility of re-establishing the Lawrence, Massachusetts to Manchester, New Hampshire rail service line and the Concord to Lebanon northern passenger rail service line. OUGHT TO PASS

Rep. George N. Katsakiores for Transportation: Establishing a task force to monitor, provide information, be a resource, and assist in any way possible the reestablishment of the Lawrence-Manchester rail corridor, as well as the northern rail line corridor from Concord to Lebanon is the next step in reestablishing rail service in New Hampshire. All testimony was favorable. Vote 13-0.

HB 208-FN, changing the license requirement for operators collecting the meals and rooms tax. OUGHT TO PASS

Rep. Norman L. Major for Ways and Means: This bill, which was requested by the department of revenue administration, eliminates the requirement that the licenses for meals and rooms operators be renewed every two years for a fee of \$5.00 per license. While these license fees have been used by the department to offset the direct costs associated with the licensing process; the department recognizes that the costs of the process outweigh the benefits as the renewal process has become a major undertaking for the department involving three of the department's divisions: Document Processing, Collections, and Information Services. The current meals and rooms tax collection system is much more sophisticated and automated than it once was and because of these changes, the department has determined that a one-time license of indefinite duration is sufficient. As structured in this bill, once an operator receives a license, it will be valid indefinitely or until the business is sold or goes out of business. While the bill will decrease state revenues by \$38,000 per biennium, the loss of revenues will be more than offset by the reduction in direct costs experienced by the department in issuing the licenses. Vote 14-0.

Adopted.

Referred to Finance.

REGULAR CALENDAR

HB 102, allowing bankruptcy judges to perform marriages after obtaining a special license. OUGHT TO PASS WITH AMENDMENT

Rep. Barbara Hull Richardson for Children and Family Law: Only two federal bankruptcy judges in New Hampshire will be affected by this bill. It allows them to perform marriage ceremonies after obtaining a special license from the secretary of state. It was probably an oversight in the original law which excluded this category of judges. Vote 9-3.

Amendment (0005h)

Amend the bill by replacing section 3 with the following:

3 Effective Date. This act shall take effect upon its passage.

Adopted.

Rep. Rowe spoke against.

Rep. Arnold spoke against and yielded to questions.

Reps. Foster and Dowling spoke in favor.

Report adopted and ordered to third reading.

HB 138, relative to participation by minors in certain athletic activities. INEXPEDIENT TO LEGISLATE

Rep. Thomas I. Arnold, Jr. for Children and Family Law: The majority believed that while elimination of purposeful blows to the head is a desirable goal, the incidence of such injuries is insufficient to offset the intrusiveness of government if it were to prohibit such activities. Additionally, the waivers which participants and parents are required to sign clearly specify the risks involved. Vote 9-4.

Rep. Pilliod spoke against and yielded to questions.

Rep. Dowling spoke in favor.

Adopted.

HB 105-FN-A, establishing an agricultural nutrient management program and making an appropriation therefor. **OUGHT TO PASS**

Rep. Leighton C. Pratt for Environment and Agriculture: Relative program shall assist agriculture land and livestock owners with efforts to minimize potential adverse effects on water of the state resulting from agriculture compost. This will provide provisions for federal funding to assist in administering this program. Vote 17-0.

Adopted.

Referred to Finance.

HB 139, relative to administrative rules proposed by agencies, boards, and commissions regulating occupational licenses. **INEXPEDIENT TO LEGISLATE**

Rep. Carl G. Robertson for Executive Departments and Administration: This bill was relative to the process of proposed changes in rules regulating occupational licenses. It was an amendment to RSA 541-A:12. Even though the committee acknowledges that a problem may exist, this bill would not resolve the problem. After three meetings and two attempts at rewriting the amendment in a way that it would not hamper the process of establishing rules for licensed groups, it became clear to the committee that the bill would create a complex and burdensome process that had no means of enforcement. Further investigation showed that the issue that caused the filing of the bill was very narrow in scope. It was basically a communication problem between two groups and did not represent all licensed groups regulated by RSA 541-A:12. Vote 13-1.

Reps. Emerton and Dexter spoke in favor.

Adopted.

HB 198-FN, relative to state imposed time limits on public assistance eligibility. **INEXPEDIENT TO LEGISLATE**

Rep. Phyllis M. Katsakiores for Health, Human Services and Elderly Affairs: The committee voted House Bill 198 inexpedient to legislate after hearing approximately 15 witnesses. The vast majority of the witnesses opposed the bill and consisted of the state welfare director, local welfare administrators and social service agencies. No evidence was cited evidencing that residents of other states are moving to New Hampshire to take advantage of the five-year time limit. The current TANF welfare program is successfully moving people towards self-sufficiency. No data supports the position that the five-year time limit is more liberal than neighboring states. A decrease in the TANF time limit will result in a significant financial burden on local welfare administrators, which will adversely impact taxpayers in New Hampshire. Vote 18-1.

Adopted.

HB 110-L, increasing the period of years the city of Laconia may use a certain parcel of state land. **INEXPEDIENT TO LEGISLATE**

Rep. William E. Leber for Public Works and Highways: This bill would amend the Laws of 1998, 223:10, III relative to the city use of a parcel of state land in the Lakes Region Correctional Facility for a period (change from 5 years to 99 years). The sponsor and others who testified indicated it is thought that the law was written in error since three other parcels across Eastman Road were leased to the city for 99 years to be used as recreational facilities. Assuming it was an administrative error, it should be corrected. However, committee research found that the Senate Journal of June 18, 1998, reflected the discussion of the Committee of Conference report on HB 1100-FN, relative to the construction of a prison in Berlin, and the agreement between the state of New Hampshire and the city of Laconia, relative to the future use of the Lakes Region Correctional Facility. A Senator who was a member of the conference committee reported on the floor of the Senate, "The three parcels that were discussed and there is a fourth parcel also, that I would call the main part of the prison

complex, it is a relatively flat piece of land now. The city will have an opportunity to use that for five years to enable the other parcels to be developed. There is extensive work to be done on those other parcels to make them ball fields and the state will do that work as the Senate President said." In view of the foregoing it is the opinion of the committee that it was not an error and it was specifically intended to be a temporary use for five years to permit development of the other parcels leased to the city for 99 years. Further, the committee's position is that the agreement should run its course to 2003, and review the law as to the completion of all commitments by the state and the city. Also, to determine the future needs for the state use of the land. Vote 14-2.

Adopted.

HB 116, establishing a policy for naming state highways, bridges, and buildings. **OUGHT TO PASS WITH AMENDMENT**

Rep. John R. Cloutier for Public Works and Highways: This bill as amended would establish a broad, comprehensive policy for naming state highways, bridges and buildings. Persons for whom such structures would be named would have to be deceased at least two years. Also, persons and organizations for which such structures would be named shall have made a positive contribution to a local community, and/or the state, and/or the nation. The cost of any signage, replacement signage, or other markers required for such naming shall not be a cost to the state, but the design, construction and installation of such signage and markers shall be approved by the state Department of Transportation. Finally, no structure presently named shall be renamed, including those named for persons now living. Vote 19-0.

Amendment (0027h)

Amend the bill by replacing all after the enacting clause with the following:

I New Section; The State and Its Government; Powers of the Governor and Council; Criteria for Naming State Highways, Bridges, and Buildings. Amend RSA 4 by inserting after section 43 the following new section:

4:43-a Criteria for Naming State Highways, Bridges, and Buildings.

I. A person after whom a state highway, bridge, or building is named shall:

(a) Have been deceased for at least 2 years.

(b) Have made a positive contribution to his or her local community, and/or the state, and/or the nation.

II. An organization or other entity after which a state highway, bridge, or building is named shall have made a positive contribution to its local community, and/or the state, and/or the nation.

III. The cost of design, construction, maintenance, and installation of any signage, replacement signage, or other markers required under this section shall not be a charge to the state. However, the design, construction, and installation of any signage or other markers required under this section shall be approved by the department of transportation.

IV. No state highway, bridge, or building shall be renamed as result of this section.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes certain criteria for naming a state highway, bridge or building after a person or organization.

Adopted.

Reps. Wheeler and Lachance spoke against and yielded to questions.

Reps. Edwin Smith and Cloutier spoke in favor.

Adopted and ordered to third reading.

HB 172-FN-A, to construct a noise barrier along a portion of I-95 and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**

Rep. Lawrence J. Guay for Public Works and Highways: The committee realizes that this neighborhood does have a problem created by traffic on I-95. The bill asks for a \$10,000 appropriation to complete the project, however, the Fiscal Note estimates the cost to be \$1.2 million. Our committee has to be mindful of the 10-Year Plan process. Projects of this nature originate from the Regional Planning process and work their way up to the Legislature over a two-year period. If we approve this legislation some other project already approved will be displaced. If any other community is willing to step aside and give their funding slot to this project, it would be easy. The

early part of the planning process at the local level is now in progress, so it is not too late to appeal to the local planning origination and try to get this project included. The recommendations for funding the next 10-year cycle are do to be reported to the Department of Transportation on April 1, 2001, by the local planning organization. The committee also heard about a safety issue concerning a gas pipeline in the neighborhood. This was not mentioned anywhere in the bill, and our committee did not feel that we could deal with this issue under this bill. The committee thought that the safety concerns should be addressed. The DOT is checking on this, and the committee will respond in any way that we can if action is necessary for this concern by us. Vote 11-5.
Adopted.

HB 101, relative to suspension of lobbyists for false statements or misrepresentation of material facts. **INEXPEDIENT TO LEGISLATE**

Rep. Maurice E. Goulet for Legislative Administration: Although well intentioned, this bill could create unintended consequences, if passed. In the "real world" one can only imagine the considerations of proving intent, on one hand, and the real problem of a lobbyist being falsely accused. The Committee unanimously agreed that this approach would be dangerous. Vote 13-0.

Rep. Marshall Quandt moved Re-commit to Committee and spoke in favor.

Rep. Horton spoke in favor.

Re-committed to the Committee on Legislative Administration.

RESOLUTION

Rep. Scanlan offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Thursday, February 15, 2001 at 10:00 a.m.

Adopted.

LATE SESSION

Third reading and final passage

HB 106, relative to honey products.

HB 129, relative to amending condominium instruments governing assignment of limited common areas.

HB 228, relative to dealing in and possessing prescription drugs by podiatrists.

HB 140, relative to interest on judgments.

HB 160, establishing a committee to study the issue of one-day/one-trial jurors.

HB 175-FN-L, relative to the amount of the homestead right.

HB 230, relative to scheduled permanent impairment awards under the workers' compensation law.

HB 163, establishing a committee to study opening the state house to the public on weekends.

HB 113-L, relative to the Nute High School and library trustees.

HB 107, naming a certain bridge in the town of Milford.

HB 125, naming New Hampshire route 12-A from West Lebanon to the Cornish-Windsor Bridge the Maxfield Parrish Highway.

HJR 1, urging Congress to expand eligibility for membership in the American Legion.

HB 258, establishing a task force to conduct an ongoing study of the feasibility of re-establishing the Lawrence, Massachusetts to Manchester, New Hampshire rail service line and the Concord to Lebanon northern passenger rail service line.

HB 102, allowing bankruptcy judges to perform marriages after obtaining a special license.

HB 116, establishing a policy for naming state highways, bridges, and buildings.

RECESS MOTION

Rep. Scanlan moved that the House stand in recess for the purposes of introduction of bills, receiving Senate messages and enrolled bill reports.

Adopted.

The House recessed at 11:30 a.m.

RECESS

(Rep. Mercer in the Chair)**RESOLUTION**

Rep. Kurk offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, House Bills numbered 623 through 674, shall be by this resolution read a first and second time by the therein listed titles, sent for printing, and referred to the therein designated committees. Adopted.

INTRODUCTION OF HOUSE BILLS**First, second reading and referral**

HB 623, relative to the registration of criminal offenders. (Kurk, Hills 5: Criminal Justice and Public Safety)

HB 624, establishing a committee to study requiring mandatory ethics seminars for judges. (Alger, Graf 9; Sova, Graf 11; J. Pratt, Ches 2; Soltani, Merr 10; Wheeler, Dist 21; Roberge, Dist 9: Judiciary)

HB 625-FN, establishing a moratorium on the land application of class B biosolids. (B. Hall, Hills 20: Environment and Agriculture)

HB 626, relative to an override of the limitation on appropriations by a local legislative body. (Melcher, Hills 11: Municipal and County Government)

HB 627-FN, establishing a market-based water pollutant trading program. (B. Hall, Hills 20: Municipal and County Government)

HB 628, relative to disclosure of cost of services by medical providers and relative to cost of medical services charged to uninsured consumers. (Dickinson, Carr 2; Seldin, Merr 17: Health, Human Services and Elderly Affairs)

HB 629-FN-A, relative to equipment upgrades, improvements, or purchases at the regional vocational education centers and making an appropriation therefor. (Snyder, Straf 14; Spang, Straf 8; J. White, Hills 46; McCarley, Dist 6; O'Hearn, Dist 12: Education)

HB 630, establishing a committee to study ayurvedic health care. (Nowe, Rock 3; Robb, Sull 11; Millham, Belk 4; Wall, Straf 9; Dalrymple, Rock 26; Wheeler, Dist 21: Executive Departments and Administration)

HB 631-L, relative to access to public school programs by home educated pupils. (B. Hall, Hills 20; Arnold, Hills 20; Giuda, Graf 3: Education)

HB 632, allowing the sale of collectible beer without a license. (Lawton, Belk 1; Packard, Rock 29; Johnson, Dist 3: Commerce)

HB 633, relative to the order of names on ballots. (Vaillancourt, Hills 44; Foster, Hills 10: Election Law)

HB 634, relative to public/private partnership projects in the department of transportation. (Gleason, Rock 13; G. Katsakiores, Rock 13; Major, Rock 16; Nowe, Rock 3; Barnes, Dist 17: Public Works and Highways)

HB 635, relative to family mutual support services. (Manning, Ches 9; Emerson, Ches 13; Leach, Hills 9; Wheeler, Dist 21: Health, Human Services and Elderly Affairs)

HB 636, enabling municipalities to enact "organic zones" that exclude commercial farmers that are not organic certified. (Rabideau, Rock 16; Lynde, Hills 24: Municipal and County Government)

HB 637-FN, requiring training for certain members of the workers' compensation appeals board. (Espieffs, Ches 19; Wall, Straf 9; J. Pratt, Ches 2; K. Gilbert, Rock 19; Eaton, Dist 10: Labor, Industrial and Rehabilitative Services)

HB 638, relative to certification of food protection managers. (Emerton, Hills 7; P. Katsakiores, Rock 13; Millham, Belk 4; Health, Human Services and Elderly Affairs)

HB 639, relative to the preparation of town ballots and relative to the nomination of presidential electors. (Gilmore, Straf 11: Election Law)

HB 640, establishing a committee to study changing the Hooksett liquor store into a family hospitality center. (Leishman, Hills 13: Public Works and Highways)

HB 641-FN-A, relative to a study by the legislature of gender bias in the New Hampshire court system and making an appropriation therefor. (Wendelboe, Belk 2: Legislative Administration)

HB 642-FN-L, abolishing county departments of corrections and authorizing the department of corrections to contract with the counties to utilize former county correctional facilities as state facilities. (Cloutier, Sull 8; Burling, Sull 1; Leone, Sull 2: Criminal Justice and Public Safety)

HB 643-FN, establishing a committee to study a long-term care protection plan and extending the moratorium on new nursing home beds. (Kurk, Hills 5: Health, Human Services and Elderly Affairs)

HB 644-FN-A-L, requiring the sweepstakes commission to hold a sealed bid auction for permits to operate slot machines and providing municipalities the option of allowing the operation of slot machines. (V. Clark, Rock 17: Ways and Means)

HB 645-FN-A-L, relative to state aid for provision of an adequate education, and for additional local education tax relief. (V. Clark, Rock 17: Education)

HB 646, relative to an exemption for pupils scoring at the advanced level on the verbal portion of the state assessment test. (V. Clark, Rock 17: Education)

HB 647-FN-L, relative to the power of governmental entities to appropriate public money. (Souza, Hills 40; Albert, Straf 17; D. White, Hills 25; Boyce, Dist 4: Municipal and County Government)

HB 677, relative to certification and filing of nomination papers. (Gilmore, Straf 11; Alger, Graf 9: Election Law)

HB 678, relative to notice of release of an inmate from state prison. (Fairbanks, Ches 18; Edwards, Ches 19; Eaton, Dist 10: Criminal Justice and Public Safety)

HB 679, establishing a commission to examine models of out-of-school care for children in kindergarten through grade 12. (Potter, Merr 24; M. Fuller Clark, Rock 36; Wheeler, Dist 21: Education)

HB 680, relative to foreign insurers. (Avery, Ches 8: Commerce)

HB 681, relative to imposition of fines for anti-competitive acts by electric utilities and relative to billing by electric and gas utilities. (J. Bradley, Carr 8; Below, Dist 5: Science, Technology and Energy)

HB 682, relative to accidental disability income benefits. (Bickford, Straf 1: Executive Departments and Administration)

HB 683, relative to the prescription of Methylphenidate (Ritalin) to minors. (Albert, Straf 17; Salts, Hills 41: Health, Human Services and Elderly Affairs)

HB 684, relative to the occupational therapy practice act. (Millham, Belk 4: Executive Departments and Administration)

HB 685-FN, allowing pregnant women to use parking spaces reserved for persons with disabilities. (Kenney, Carr 6; Rabideau, Rock 16: Transportation)

HB 686, relative to the scope of discovery in abuse and neglect cases. (Mirski, Graf 12; Bickford, Straf 1; Soltani, Merr 10: Children and Family Law)

HJR 5, encouraging the use of renewable energy systems in new or rehabilitated state buildings. (D. White, Hills 25: Public Works and Highways)

RECESS

(Speaker Chandler in the Chair)

Rep. Scanlan moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 6

Thursday, February 15, 2001

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

Set us free, O God of all creation, that Your holy and life-giving Spirit may so move every human heart, and especially the hearts of the people of this land, that barriers which divide us may crumble, suspicions disappear, and hatreds cease; that our divisions being healed, we may live in safety and peace, and truly become a nation under Your care, indivisible, with liberty and justice for all. Amen.

Rep. Margaret A. Case led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. Brown, French, and Cecelia Kane, the day illness.

Reps. Bartlett, Bergeron, Cardin, Stephanie Eaton, Emerson, Fletcher, Marilyn Fraser, George Katsakiores, Phyllis Katsakiores, Lessard, Mirski, Musler, Marsha Pelletier, Pilliod, Scovner and Torressen, the day, important business.

Reps. Thomas and Winter, the day, death in the family.

Rep. Priestley, the day, illness in the family.

INTRODUCTION OF GUESTS

Donald and Geraldine Bellavance, brother and sister-in-law of Rep. Bellavance. Christopher Dodge, son of Rep. Dionne. Barbara Brewster, wife of Rep. Brewster.

RESOLUTION

Rep. Scanlan offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, House Bills numbered 687 through 699 and 701 through 707 and Constitutional Amendment Concurrent Resolutions numbered 17 and 18 shall be by this resolution read a first and second time by the therein listed titles, sent for printing, and referred to the therein designated committees.

Adopted.

INTRODUCTION OF HOUSE BILLS and CACRs

First, second reading and referral

HB 687-FN, relative to labeling requirements of genetically engineered foods. (Lynde, Hills 24; Rabideau, Rock 16; Owen, Merr 6; Wheeler, Dist 21: Commerce)

HB 688, relative to legislative standing committee review of rules adopted after final objection by the joint legislative committee on administrative rules. (Gilman, Graf 1; Wendelboe, Belk 2; Herman, Hills 13: Executive Departments and Administration)

HB 689, establishing a committee to study the effectiveness and fairness of county government. (Leone, Sull 2; Leishman, Hills 13; Robb, Sull 11; Jones, Sull 3; Langley, Rock 24; Below, Dist 5: Municipal and County Government)

HB 690, adopting the "Financial Information Privacy Protection Model Act." (L. Fraser, Merr 9: Commerce)

HB 691-FN-A, relative to Area Health Education Centers in New Hampshire and making an appropriation therefor. (Emerton, Hills 7; Rogers Johnson, Rock 25; Ward, Graf 1; Martel, Hills 45; Chabot, Hills 48; Cohen, Dist 24; D'Allesandro, Dist 20; Hollingworth, Dist 23: Health, Human Services and Elderly Affairs)

HB 692, relative to the use of psychological testing and psychiatric drugs in schools. (L. Christiansen, Hills 23; Bruno, Hills 4; Kennedy, Merr 7: Education)

HB 693, rescinding the prohibition on the possession and use of tobacco products by minors and making tobacco use prevention programs in secondary schools the priority of the tobacco use prevention fund. (L. Christiansen, Hills 23: Finance)

HB 694, establishing a separate high school civics graduation requirement. (Estabrook, Straf 8; Dickinson, Carr 2: Education)

HB 695, relative to net energy metering. (Pitts, Rock 35; Taylor, Straf 11; Gilmore, Straf 11; Keye, Hills 30: Science, Technology and Energy)

HB 696, requiring certain waterfront property to have an approved septic system. (Hager, Merr 18: Resources, Recreation and Development)

HB 697, extending the reporting date for the healthy kids subcommittee and clarifying the mission statement of the healthy kids corporation. (Hunt, Ches 10; Larsen, Dist 15: Commerce)

HB 698, relative to verification of checklists. (Gilmore, Straf 11; Flanagan, Rock 14: Election Law)

HB 699, relative to the rights of non-offending parents in the context of abuse and neglect cases. (Mirski, Graf 12; Soltani, Merr 10: Children and Family Law)

HB 701, relative to municipal regulation of renewable energy systems. (D. White, Hills 25: Municipal and County Government)

HB 702, making revisions to the consumer protection act. (Kennedy, Merr 7: Commerce)

HB 703, relative to durable powers of attorney. (Dokmo, Hills 14; Rowe, Hills 14; Leone, Sull 2: Judiciary)

HB 704, relative to the applicability of the right-to-know law to certain governmental committees. (Splaine, Rock 34; A. Pelletier, Straf 12: Judiciary)

HB 705, exempting certain disclosures by town officers from confidentiality requirements. (Splaine, Rock 34; A. Pelletier, Straf 12: Municipal and County Government)

HB 706, requiring alternative dispute resolution prior to adjudication by the court in divorce proceedings. (Gilmore, Straf 11: Children and Family Law)

HB 707, establishing a committee to study the usage of 211 as a uniform community service information and referral number. (Hager, Merr 18; Rodeschin, Sull 4; Gordon, Dist 2: Science, Technology and Energy)

CACR 17, relating to restricting the use of a statewide property tax and all funds deposited into the education trust fund to education funding. Providing that all revenues resulting from a statewide property tax and all funds deposited into the education trust fund shall be used exclusively for elementary and secondary education. (Sapareto, Rock 13; D. White, Hills 25: Finance)

CACR 18, relating to elections and elective franchises. Providing that the inhabitants having proper qualifications shall have an equal right to elect and be elected into office. (Reid, Straf 12: Election Law)

SUSPENSION OF RULES

Rep. Burling moved that the Rules be so far suspended as to permit late filing and introduction of a Resolution.

Reps. Burling and Millham spoke in favor.

Rep. Rowe spoke against.

Rep. Scanlan spoke against and yielded to questions.

Rep. Buckley requested a roll call; sufficiently seconded.

COMMITTEE REPORTS**CONSENT CALENDAR**

Rep. Scanlan moved that the Consent Calendar with the relevant amendments as printed in the day's House Calendar be adopted.

HB 211-FN, establishing a restricted probationary permit to drive and correcting the ignition interlock program laws, removed by Rep. Sullivan.

HB 296-FN, relative to receiving stolen property, removed by Rep. John Pratt.

HB 325-FN, relative to certain acts of sexual assault, removed by Rep. Welch.

HB 232, relative to compensability of work-related stress injuries under the workers' compensation act, removed by Rep. Pitts.

HB 187-FN-L, relative to the Manchester airport authority security force, removed by Rep. Dodge. Consent Calendar adopted.

HB 238, relative to interstate banking. **OUGHT TO PASS**

Rep. Leo W. Fraser, Jr. for Commerce: When interstate banking (SB 75) was adopted in 1995, included in the legislation was a five-year aging requirement of new acquisitions of financial institutions. This was included in the law to prevent purchase of financial institutions for the sole purpose of re-sale. In the year 2000, the General Court passed de novo banking (SB 310) which made the five-year requirement unnecessary. The committee was unanimous in recommending that the bill be reported out with a recommendation of ought to pass. Vote 15-0.

HB 103, relative to the possession of double-edged knives by convicted felons or during the commission or attempted commission of a violent crime. **OUGHT TO PASS WITH AMENDMENT**
Rep. John E. Tholl, Jr. for Criminal Justice and Public Safety: The committee felt that rather than adding a possible laundry list of weapons to the current statute, it was more desirable to clarify the existing statute by replacing "dangerous weapon", which doesn't have a definition in current law

with the phrase "deadly weapon as defined in RSA 265:11, V." This change will allow all jurisdictions to work from the same definition with a better chance of consistency when dealing with felons who are armed with a varying assortment of weapons. Vote 13-0.

Amendment (0021h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the possession of deadly weapons by convicted felons or during the commission or attempted commission of a violent crime.

Amend the bill by replacing all after the enacting clause with the following:

1 Pistols and Revolvers; Convicted Felons; Prohibition on Deadly Weapons Added. Amend RSA 159:3, I (a) to read as follows:

(a) Owns or has in his possession or under his control, a pistol, revolver, or other firearm, or slung shot, metallic knuckles, billies, stiletto, switchblade knife, sword cane, pistol cane, blackjack, dagger, dirk-knife, ~~[or any other dangerous weapon]~~ **or other deadly weapon as defined in RSA 625:11, V;** and

2 Pistols and Revolvers; Possession of Dangerous Weapon While Committing a Violent Crime; Double Edged Knives Added. Amend RSA 159:15, I to read as follows:

I. A person shall be guilty of a class A misdemeanor if that person uses or employs slung shot, metallic knuckles, billies, or other ~~[dangerous weapons]~~ **deadly weapon as defined in RSA 625:11, V** during the commission or attempted commission of a violent crime.

3 Effective Date. This act shall take effect January 1, 2002. 2001-0021h

AMENDED ANALYSIS

This bill prohibits a convicted felon from possessing any deadly weapon, as defined in statute, during the commission or attempted commission of a violent crime.

HB 132-FN, relative to the damage or destruction of an emergency vehicle or emergency services equipment. **OUGHT TO PASS WITH AMENDMENT**

Rep. John E. Tholl, Jr. for Criminal Justice and Public Safety: The original bill, as introduced, would have created a class B felony for recklessly causing damage or destruction to emergency equipment under certain circumstances. It was not clear what amount of damage would initiate the felony. The committee felt that the subject should be included in the criminal mischief statute. The amendment adds to RSA 634:2, II, making the reckless damage to an emergency vehicle that it places "out of service" (unable to respond to an emergency) a class B felony, requires a minimum fine of \$1,000, and requires that restitution be made for the damages. There was testimony that a town suffered considerable monetary loss (in the thousands of dollars) that was not reimbursable as well as extensive loss of the use of the vehicles resulting in a potential public safety issue due to the unavailability of fire and ambulance vehicles. The loss of emergency equipment can greatly affect the public safety and in extreme cases prevent the saving of lives. Vote 15-0.

Amendment (0070h)

Amend the bill by replacing section I with the following:

1 Criminal Mischief; Damage to an Emergency Vehicle or Emergency Equipment. Amend RSA 634:2, II to read as follows:

II.(a) Criminal mischief is a class B felony if the actor purposely causes or attempts to cause:

~~(a)~~ (1) Pecuniary loss in excess of \$1,000; or

~~(b)~~ (2) A substantial interruption or impairment of public communication, transportation, supply of water, gas or power or other public service; or

~~(c)~~ (3) Discharge of a firearm at an occupied structure, as defined in RSA 635:1, III; or

~~(d)~~ (4) Damage to private or public property, real or personal, when the actor knows that the property has historical, cultural, or sentimental value that cannot be restored by repair or replacement.

(b) Criminal mischief is a class B felony if the actor recklessly causes or attempts to cause:

(1) Damage to any emergency vehicle, emergency, apparatus, or private vehicle containing emergency equipment which causes the vehicle, equipment, or apparatus to be taken out of service. In this subparagraph, "emergency vehicle" means any land, air, or water vehicle of a fire department or police department, and any similar ambulance or emergency vehicle of

a municipal or state department or private organization, company, or corporation contracted to perform emergency services. "Emergency equipment" means any equipment used by emergency personnel in the performance of their official duties. "Out of service" means any condition that by rule, regulation, or actual damage which renders the vehicle, equipment, or apparatus unusable or unable, in whole or in part, to perform its intended function.

(2) A person found guilty under subparagraph (b)(1) shall be fined not less than \$1,000 and shall be liable for full restitution to the injured party.

(3) Nothing in this subparagraph shall be construed to prohibit prosecution for manslaughter under RSA 630:2, negligent homicide under 630:3, or both.

HB 193, establishing a committee to study state payments for court-ordered placements of special education pupils. **OUGHT TO PASS**

Rep. P. Judith Sullivan for Education: This bill establishes a committee to study the efficiency of New Hampshire's current system of state payments for the court-ordered placements of our special education pupils. The testimony given before the Education Committee was unanimously in support of this bill. Vote 16-0.

HB 267, relative to increasing the membership on the retirement system board of trustees. **INEXPEDIENT TO LEGISLATE**

Rep. William R. Zolla for Executive Departments and Administration: The committee felt that the current board, as constituted, is adequate. In addition, it felt that having the party represented to also be the fiduciary presented a potential conflict of interest and was likely not in consonance with IRS policy. The board as constituted with non-retired members has a good check and balance. The minority in disagreement felt that group I being the largest number of the retirement contributors should have greater representation on the board and that the board membership should have been increased. Vote 12-1.

HB 143, establishing a committee to study the shortage of health care providers in New Hampshire. **OUGHT TO PASS WITH AMENDMENT**

Rep. Walter D. Ruffner for Health, Human Services and Elderly Affairs: Because of the critical problem involving the shortage of healthcare personnel and support staff, the need for a committee to address this problem is self-evident. This committee will place special consideration on methods to encourage persons to enter the areas of the medical profession where a critical shortage of personnel exists. Vote 19-0.

Amendment (0067h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to address the problem created by the shortage of health care personnel and support staff in New Hampshire.

Amend the bill by replacing sections 1-4 with the following:

I Purpose. The general court recognizes that there exists an acute shortage of health care personnel, in particular nurses and other health care workers, in New Hampshire. This bill establishes a committee to study and develop approaches to encourage persons to prepare to enter and continue serving in such professions and vocations.

2 Committee Established. There is established a committee to address the problem created by the shortage of health care personnel and other health care workers in the state of New Hampshire.

3 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Three members of the house of representatives, 2 of whom shall be from the house health, human services and elderly affairs committee, appointed by the speaker of the house.

(b) Up to 2 members of the senate, one of whom shall be from the senate public institutions, health and human services committee, appointed by the president of the senate.

II. The committee may solicit information from the following:

(a) The New Hampshire Nurses Association.

(b) The New Hampshire Hospital Association.

(c) The New Hampshire Medical Society.

(d) State of New Hampshire State Employees Association.

- (e) New Hampshire Association of Home Care Facilities.
- (f) Business and Industry Association of New Hampshire.
- (g) New Hampshire Health Care Association.
- (h) Granite State Home Health Care Association.
- (i) The commissioner of the department of health and human services, or designee.
- (j) The New Hampshire board of nursing.
- (k) The New Hampshire Association of Counties.
- (l) Any other person or entity the committee deems relevant to its quest.

III. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

4 Duties. The committee's study shall include, but not be limited to the following:

I. How to encourage persons to enter health care personnel professions, especially the nursing profession.

II. How to expand the educational facilities in nursing.

III. Whether to give tax credits to hospitals, nursing homes, and other appropriate facilities.

IV. Whether to award scholarships to health care personnel candidates.

V. Other methods of increasing the availability of health care personnel in New Hampshire.

VI. Whether to establish a statutory advisory committee on the shortage of health care personnel in New Hampshire and determine the nature and scope of such committee.

AMENDED ANALYSIS

This bill establishes a committee to address the problem created by the shortage of health care personnel and support staff in New Hampshire.

HB 233, amending the duties of the oversight committee for the severely developmentally disabled. **OUGHT TO PASS**

Rep. Daniel M. Burnham for Health, Human Services and Elderly Affairs: This bill posed the question of whether the responsibilities of the oversight committee for the severely developmentally disabled should be expanded to include review of the allocation of funds to persons with acquired brain disorders. The committee heard compelling testimony concerning the increasing number of people impacted by brain injuries, the expenses of treatment for such disorders and the problems connected with medicaid funding. The committee overwhelmingly voted to include the brain injured among the oversight committee's responsibility. Vote 16-0.

HB 240, requiring the department of health and human services to develop a plan reducing the number of persons awaiting certain services for developmental disabilities. **OUGHT TO PASS WITH AMENDMENT**

Rep. Daniel M. Burnham for Health, Human Services and Elderly Affairs: This bill, as amended, requires the Department of Health and Human Services to develop a plan to eliminate lists of those with developmental disabilities who, today, wait for extended periods of time for housing, daycare and counseling services. The bill asks the Department to reduce such wait lists to less than 90 days, over a five-year period. Vote 18-0.

Amendment (0037h)

Amend paragraph I(a)(1) as inserted by section 1 of the bill by replacing it with the following:

(1) A method to reduce the waitlist over a period of 5 years and to reduce the waiting period to 90 days.

HB 433, clarifying the duties of the oversight committee on health and human services. **OUGHT TO PASS**

Rep. Andre A. Martel for Health, Human Services and Elderly Affairs: This bill continues the Health and Human Services and Elderly Affairs oversight committee. This bill simply clarifies the duties of the oversight committee, which oversees the various programs of the Health and Human Services Commission and makes recommendations from a legislative perspective. The committee meets at least quarterly and makes their recommendations accordingly. Vote 16-0.

HB 119, relative to exemptions and credits to property taxes when the property is sold. **INEXPEDIENT TO LEGISLATE**

Rep. William G. Johnson for Municipal and County Government: The current assessment practice is to value all properties in a municipality as of April 1 each year. Exemptions and credits are also

determined as of April 1 every year. If a change of ownership happens during the ensuing year and the new owner is not eligible for the exemption or credit, no added property tax is collected by the municipality based on the ownership change. This bill would require that any exemption or credit that applied to a certain parcel of land expire with a change of ownership. No mechanism for the additional collection of taxes or policy change for addressing mid-year eligibility was addressed in the bill. The committee views the April 1 assessing date as providing stability to the tax rate. Given that the entire system of property assessment is under scrutiny and may be changed, the committee found overwhelmingly that this idea should not be implemented now. Vote 13-1.

HB 168, relative to transfers of ownership of cemetery plots or burial spaces. **OUGHT TO PASS**
Rep. Richard S. Eaton for Municipal and County Government: The bill expands the current law in RSA 289 to include municipal cemetery trustees in the process of determining ownership of cemetery lots or burial spaces. Whenever there is a transfer of ownership the new owner will need to comply with the local municipal regulations. This legislation is by no means a total solution to all cemetery issues brought up during the hearing. However, according to cemetery trustees testifying before the committee, this is a major improvement and will contribute to building a more effective law. Vote 11-0.

HB 216-FN-L, requiring a permit for ownership of a pit bull, rottweiler, or doberman. **INEXPEDIENT TO LEGISLATE**

Rep. Mary E. Griffin for Municipal and County Government: The purpose of this bill was to require owners of a doberman, rottweiler, or pit bull to obtain a permit to keep them in their homes as pets. The bill also required the governing body to hold a hearing and grant a permit to own these specific dogs. The committee heard testimony from approximately 50 people who were in opposition. The sponsor was the only person in favor. Committee members also received numerous calls and e-mails from the public expressing their opposition as most every person had a concern that this bill was "breed specific" and was unfair. They further stated that if their dogs are targeted, all dogs should be targeted. The message heard at the hearing was that much of the problem was due to negligence of owners' relative to dog care. This would include the need for obedience training, education, adherence to current laws on the books, and minimizing or eliminating the abusive use of these dogs, such as in programmed dog fights and drug trafficking. It was also suggested that there is a need to train dog owners, even to the extent that it might be considered as part of the school curriculum. Although the committee opted to recommend this bill be found inexpedient to legislate, partly based on possible Article 28-a unfunded mandates issues, it acknowledged that the issues raised by the sponsor should not be overlooked. Rather, these awareness issues need to be reviewed and addressed by the current Pet Overpopulation Committee. Vote 13-0.

HB 148, establishing a committee to study the feasibility and value of encouraging the construction and operation on state park lands of publicly or privately-owned hotels, conference centers, and other resort facilities. **INEXPEDIENT TO LEGISLATE**

Rep. Richard T. Cooney for Resources, Recreation and Development: The committee appreciates that the goal of the sponsors was to investigate the possibility of generating revenue by encouraging the Department of Resources and Economic Development (DRED) to allow private resort type operations on state park land. However, it was the overwhelming conclusion of the committee that such a policy would be contrary to the traditional intent of the state park program. The department also stated that a process is already in place to allow such operations if a suitable opportunity presents itself. Examples are special agreements with the Division of Parks for the New Hampshire Audubon Society to operate the Science Center at Odiorne State Park, also, a portion of White Island in the Isles of Shoals to Atlantic Aqua Sports of Rye, New Hampshire. Vote 18-0.

HB 278, naming Langmaid Brook in the town of Pembroke. **INEXPEDIENT TO LEGISLATE**

Rep. David M. Lawton for Resources, Recreation and Development: HB 278 seeks to solidify a local initiative to name a small, previously unnamed brook in Pembroke, New Hampshire. After the U.S. Board on Geographic Names rejected an attempt to name the brook "Dykeman Creek" a local group organized and proposed the name "Langmaid Brook." This brook was to be so named to honor the memory of Josie Langmaid, a student at Pembroke Academy, who was the victim of the famous Pembroke Murder of 1875. Although the committee was in general agreement that the brook should be named for Josie Langmaid, they also found that the Pembroke Selectmen have the authority to take such action without legislative approval. Vote 16-2.

HB 104, relative to dial-up Internet service providers. **INEXPEDIENT TO LEGISLATE**

Rep. Roy D. Maxfield for Science, Technology and Energy: The committee reviewed various Internet Service Provider concerns raised by this bill. Expansion of Internet Service Providers to all areas of the state has been realized and the focus now has shifted to quality. The committee recognizes the sponsor's intent with his proposal, however in a competitive market such as this, quality and speed will determine customer choice and their satisfaction will determine which Providers succeed. Information regarding modem ratios and speed of connection are available on various Web sites. Vote 13-0.

HB 166, establishing a committee to study gas and hazardous substance pipeline safety. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert E. Introne, Jr. for Science, Technology and Energy: This bill establishes a committee to study gas and hazardous substance pipeline safety. This bill also requires the Gas Utility Restructuring Oversight Committee to study gas and hazardous substance pipeline safety after this study committee completes its final report. The committee determined the establishment of this study committee was both timely and appropriate given the concerns expressed regarding recent catastrophic pipeline explosions in the United States and elsewhere, and the impending gas pipeline construction in New Hampshire. Vote 14-0.

Amendment (0075h)

Amend the bill by replacing section 2 with the following:

2 Membership and Compensation.**I. The members of the committee shall be as follows:**

- (a) Five members of the house of representatives, appointed by the speaker of the house.
- (b) Up to 5 members of the senate, appointed by the president of the senate.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

Amend the bill by replacing sections 4-6 with the following:

4 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Five members of the committee shall constitute a quorum.

5 Report.

I. The committee shall submit an interim report of its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2001.

II. The committee shall submit its final report of its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2002.

6 New Subparagraph; Gas Utility Restructuring Oversight Committee; Duties; Pipeline Safety. Amend RSA 374:60, IV by inserting after subparagraph (b) the following new subparagraph:

- (c) Study gas and hazardous substance pipeline safety.

7 Effective Date.**I. Section 6 of this act shall take effect November 1, 2002.****II. The remainder of this act shall take effect upon its passage.****AMENDED ANALYSIS**

This bill creates a committee to study gas and hazardous substance pipeline safety. This bill also requires the gas utility restructuring oversight committee to study gas and hazardous substance pipeline safety after the study committee has submitted its final report.

HB 167, relative to the authority of the consumer advocate. **OUGHT TO PASS**

Rep. Harold V. Lynde for Science, Technology and Energy: This bill adds the authority to promote and further consumer knowledge and education to the Office of Consumer Advocate (OCA). This authority was part of the predecessor organization to the OCA and its absence was likely an oversight when the OCA legislation was created. The committee felt consumer education was an appropriate function of the OCA. Vote 12-1.

HCR 4, encouraging New Hampshire Public Radio to extend its broadcast signal to all of Coos county including the Connecticut River Valley area. **OUGHT TO PASS**

Rep. Michael D. Harrington for Science, Technology and Energy: New Hampshire Public Radio has been contacted on this issue. They are working on expanding their broadcast signal to this area and support this resolution. Vote 13-0.

HB 146, requiring any driver to have headlights on when continuously operating windshield wipers during inclement weather. **OUGHT TO PASS WITH AMENDMENT**

Rep. Brenda L. Ferland for Transportation: When this bill was first presented, the committee was made aware of other RSAs pertaining to headlights. A subcommittee was assigned to review headlights RSAs and add an amendment for windshield wiper use. The subcommittee decided to take existing RSA 266:31, and in the first paragraph add "when windshield wipers are on in continuous use because of inclement weather." This bill would take effect on January 1, 2002. Vote 10-4.

Amendment (0066h)

Amend the bill by replacing section 1 with the following:

1 Front Lights; Lights Required During Windshield Wiper Use. Amend RSA 266:31 to read as follows:

266:31 Front Lights. Every motor vehicle driven during the period from 1/2 hour after sunset to 1/2 hour before sunrise, and whenever rain, snow, or fog shall interfere with the proper view of the road so that persons and vehicles on the way are not clearly discernible at a distance of 1000 feet ahead, *or when windshield wipers are on in continuous use because of inclement weather*, shall display at least 2 lighted lamps on the front; provided, however, that one suitable lighted lamp on the front of a motorcycle shall be sufficient. The headlamp shall throw sufficient light ahead within the traveled portion of the way to make clearly visible all vehicles, persons, or substantial objects within a distance of 200 feet, except that the headlamps of motorcycles shall be sufficient if they make clearly visible objects within a distance of 150 feet. No headlamp shall be used unless it is approved by the director and is equipped with a proper lens or other device designed to prevent glaring rays. All headlamps on every motor vehicle shall be located at a height of not more than 54 inches nor less than 24 inches from the ground on an unladen vehicle. The measurement shall be made from the ground to the center of the lens. No device which obstructs, reflects, or alters the beam of such headlamp shall be used in connection therewith unless approved by the director. Every lens or other device to prevent glaring rays, the use of which on motor vehicles has been approved by the director, shall be arranged, adjusted, and operated in accordance with the requirements of the certificate approving the use thereof. Every lamp, bulb, or light used in any headlamp shall be of such candle power as may be specified for the approved device in the certificate approving the use thereof. Every reflector which is used as a part of such headlamp shall have a reflecting surface approved by the director after satisfactory tests have been made, and every reflecting surface shall be free from dents, rust, and other imperfections. The driver of every motor vehicle shall permit any properly authorized person to inspect the headlighting equipment of such motor vehicle and to make such tests as he *or she* may deem necessary to determine whether the provisions of this section are being complied with.

AMENDED ANALYSIS

This bill requires that headlamps be displayed on a vehicle when windshield wipers are in continuous use because of inclement weather.

HB 174-FN, relative to license plates for deaf and hard-of-hearing drivers. **INEXPEDIENT TO LEGISLATE**

Rep. Brenda L. Ferland for Transportation: This was an interesting bill in the fact that some deaf drivers spoke against the bill. The committee was informed that the Department of Safety was willing to work with people to design a decal to be placed on the back window instead of on current plates. We felt that the department would handle this fairly if there was enough public interest. Vote 13-0.

HB 287-FN-L, relative to provision of a drivers training program before certain persons can be required to undergo drivers license reexamination. **INEXPEDIENT TO LEGISLATE**

Rep. Brenda L. Ferland for Transportation: Part of what this bill requested is currently being done by the American Association of Retired People (AARP) and the American Automobile Association

(AAA). Also, something is being looked at in a subcommittee on graduating licenses for repeat offenders. There is no financial backing for these courses, and currently there are no other courses being taught or given. Vote 18-0.

HB 335-FN, relative to the uniform fine schedule for motor vehicle violations. **INEXPEDIENT TO LEGISLATE**

Rep. Brenda L. Ferland for Transportation: This bill was a request to add the demerit point system to the existing fine schedule. It was noted that since there are two point systems, both would have to be added. The New Hampshire Department of Safety currently has boxes full of current forms and said they would take it under consideration when it is time to reorder. They also informed us that the demerit point system is now listed on the web site. Vote 18-0.

HB 340-FN, requiring parental notification when a person under the age of 18 receives a penalty for a traffic law violation. **INEXPEDIENT TO LEGISLATE**

Rep. Robert J. Letourneau for Transportation: This bill would require parental notification when a person under the age of 18 receives a penalty for a traffic violation. Testimony revealed that this bill was brought forward because a parent received incorrect information from a clerk at the New Hampshire Department of Safety (DOS) in regards to the Driver Privacy Act. License suspensions, revocations and driving violations are not protected by this act. A parent may request information from the DOS. Additionally, committee members felt that parents should be able to acquire that information from their minor children. Testimony also revealed that there were 12,000 license suspensions last year for under the age of 20 alone. That number doesn't include other violations. The cost far outweighs any benefit this bill could realize. Vote 17-2.

REGULAR CALENDAR

HB 122-FN-L, relative to euthanizing repeatedly vicious dogs. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert M. Fesh for Criminal Justice and Public Safety: This bill, as amended, clarifies current law RSA 466:31, which states what courts may order. It was unclear to some if euthanizing was a court option. This bill, as amended, clarifies current law by adding that a court may upon satisfaction that the vicious dog (described in current law) has committed vicious acts, order the dog euthanized. Providing such dog was "at large", running loose, not under control, and committed 2 or more such vicious attacks within a 12-month period. Disposal cost shall be borne by the owner or keeper. The behavior of the dogs presents a threat to public safety. Vote 12-3.

Amendment (0038h)

Amend RSA 466:31, IV as inserted by section 1 of the bill by replacing it with the following:

IV. Upon 2 or more vicious attacks upon humans or domestic animals, as provided in RSA 466:31, II(g), that result in death or injury to humans or domestic animals, the local law enforcement authority shall recommend to the district or municipal court that the dog causing such injuries or death be euthanized, and upon satisfaction by the court that the dog has committed such vicious acts, the court may then so order that the dog be taken into custody by local law enforcement and euthanized. Costs for such euthanization and disposal shall be borne by the owner or keeper.

AMENDED ANALYSIS

This bill provides:

I. After 2 or more vicious attacks by a dog causing injury or death to domestic animals or humans, and with a recommendation by the local law enforcement authority, a court may, upon satisfaction that the dog has committed such vicious acts, order the dog euthanized. Costs for such euthanization and disposal shall be borne by the owner or keeper.

II. Any person owning or keeping a dog that commits a second or subsequent vicious attack shall be liable for a civil forfeiture of \$200, notwithstanding when the vicious attacks occurred.

III. In the case of a vicious dog presenting a threat to public safety, court proceedings may be initiated regardless of payment of the civil forfeiture.

Adopted.

Report adopted and ordered to third reading.

HB 190, relative to prayer in the public schools. **INEXPEDIENT TO LEGISLATE**

Rep. Russell N. Cox for Education: The committee had considerable discussion encompassing the entire spectrum of permissive direction to school boards relating to school prayer, pledge of

allegiance and silent reflection and considered four amendments to the bill. It became obvious that this issue generated more heat than light and since the existing legislation is permissive only, is utilized fully by very few school districts and the proposed modification was not a substantive improvement, the present law was best left undisturbed. Vote 12-5.
Adopted.

HB 217-FN, prohibiting the courts from charging fees. INEXPEDIENT TO LEGISLATE

Rep. Rep. Tony F. Soltani for Judiciary: The committee recognized the value of the ideological support for this bill. The New Hampshire system of government requires the courts to be readily accessible to the public. Presently, the courts charge a flat fee to all litigants regardless of their economic position. The committee is mindful that the system needs to be changed in order to make courts more accessible. However, the complete abolition of all fees is, at this point, impractical and inexpedient. Vote 11-4.

Rep. Jacobson spoke against.

Rep. Mock spoke in favor.

Adopted.

HB 218-FN, relative to the motor vehicle road toll law and motor vehicle registration fees. OUGHT TO PASS WITH AMENDMENT

Rep. Robert J. Letourneau for Transportation: This bill makes several changes to the road toll statutes: first, it deletes the maximum amount for road toll bonds required of licensed distributors of motor fuels; permits the Commissioner of the Department of Safety to waive interest assessed for road toll violations; requires the Commissioner of Safety to establish the interest rate assessed on road toll violations; requires special fuel users to retain records necessary for purposes of administering to road toll laws and; repeals road toll provisions relating to heating oil suppliers. This bill also increases the motor vehicle registration fee by \$6.00. This would increase the highway fund by approximately \$6 million (six million dollars). Additionally, \$720,000 would be distributed to the cities and towns by statutory requirement. The New Hampshire Highway Fund badly needs this increase to maintain current services. The last registration increase was in 1989, and the cost of services has increased dramatically since that time. This bill also establishes a Motor Vehicle Safety and Inspection Fund. This would be used to fund Motor Vehicle Inspectors pursuant to RSA 266:1-a. This bill has the support of the New Hampshire Department of Transportation, New Hampshire Department of Safety, New Hampshire Department of Environmental Services, New Hampshire Motor Transport Association, American Automobile Association and the Governor's office. Vote 14-0.

Amendment (0025h)

Amend the bill by replacing section 6 with the following:

6 Motor Vehicles; Certificates of Title and Registration of Vehicles; Registration Fees; Fees to be Collected; Prorated Fees for Motor Vehicles. Amend RSA 261:141, III(g) to read as follows:

(g)(1) For all motor vehicles other than those in RSA 261:141, I:

0-3000 lbs. [~~\$19.20 (\$1.60)~~] **\$25.20 (\$2.10 per month)**

3001-5000 lbs. [~~\$31.20 (\$2.60)~~] **\$37.20 (\$3.10 per month)**

5001-8000 lbs. [~~\$43.20 (\$3.60)~~] **\$49.20 (\$4.10 per month)**

8001-73,280 lbs. \$.84 per hundred lbs. gross weight.

(2) ***\$1.00 of each annual registration fee collected under this subparagraph shall be appropriated to the motor vehicle safety and inspection fund established pursuant to RSA 21-P:8-a.***

Amend the bill by inserting after section 6 the following and renumbering the original sections 7-8 to read as 9-10, respectively:

7 New Subparagraph; General Revenue Exceptions; Motor Vehicle Safety and Inspection Fund. Amend RSA 6:12, I by inserting after subparagraph (dddd) the following new subparagraph:

(eeee) Moneys deposited in the motor vehicle safety and inspection fund established in RSA 21-P:8-a.

8 New Section; Department of Safety; Motor Vehicle Safety and Inspection Fund. Amend RSA 21-P by inserting after section 8 the following new section:

21-P:8-a Motor Vehicle Safety and Inspection Fund. There is established in the office of the state treasurer a separate nonlapsing and continually appropriated fund to be known as the motor

vehicle safety and inspection fund from which the state treasurer shall pay expenses as determined by the commissioner of safety for the purposes of employing motor vehicle inspectors pursuant to RSA 266:1-a.

AMENDED ANALYSIS

- I. Deletes the maximum amount for road toll bonds required of licensed distributors of motor fuel.
- II. Permits the commissioner of safety to waive interest assessed for road toll violations.
- III. Requires the commissioner of safety to establish the interest rate assessed on road toll violations.
- IV. Requires special fuel users to retain records necessary for purposes of administering the road toll laws.
- V. Repeals road toll provisions relating to heating oil suppliers.
- VI. Increases registration fees for motor vehicles and dedicates a portion of each annual fee collected to a special fund established to pay for the employment of motor vehicle inspectors.

This bill is a request of the department of safety.

Adopted.

Rep. Packard yielded to questions.

Rep. Karen Hutchinson requested a roll call; not sufficiently seconded.

On a division vote, 252 members having voted in the affirmative and 107 in the negative, the report was adopted.

Referred to Ways and Means.

RESOLUTION

Reps. Scanlan and Burling offered the following: **RESOLVED**, that the Honorable Senate be notified that the House of Representatives is ready to meet in Joint Convention for the purpose of hearing Governor Jeanne Shaheen deliver her budget message.

Adopted.

RECESS

SENATE MESSAGE

The Senate is ready to meet with the House of Representatives in Joint Convention for the purpose of hearing the budget message by Her Excellency, Governor Jeanne Shaheen.

JOINT CONVENTION

(Speaker Chandler presiding)

Her Excellency, Governor Jeanne Shaheen, addressed the Joint Convention:

Mr. Speaker, Mr. President, Honorable Members of the House, Senate and the Governor's Council, my fellow citizens of New Hampshire:

Under state law, the Governor must present a budget to the Legislature by February 15. After months of careful work assessing the needs of our state and how to best meet those needs in a way that is fiscally responsible, I am proud to once again present you with a balanced budget.

The law requires me to present you with a budget. My commitment to the people of New Hampshire and the future of our great state compels me to present you as well with a clear picture of just what's at stake as you review and act on this budget. This budget is not just about numbers, it is about people. It is a blueprint of our values, our priorities and our vision.

Make no mistake, we face two great and equally important challenges this year: enacting a responsible two-year budget and a long-term school funding law. We must meet both these challenges. That's our obligation under the law and our duty as elected officials. The people of New Hampshire deserve responsible action.

This budget is honest, it is balanced and it is fiscally responsible. It holds the rate of general fund growth to less than the rate of inflation. It meets the challenges we face and it reflects the values and priorities of our great state and its people.

We value the safety of our citizens and our neighborhoods, so this budget provides for the highest quality in law enforcement.

We value our quality of life, so this budget helps protect the clean air, clean water and open spaces that make New Hampshire such a special place.

We value our people, so this budget protects our most vulnerable citizens and invests in providing all our citizens with the tools they need to succeed.

We value opportunity, so this budget invests in education.

We recognize that a strong economy is essential to everything else we want to do, so this budget invests where we must to keep our economy strong.

In the last decade, we've seen a revolutionary change in our economy here in New Hampshire. We have the second-highest concentration of high-tech workers in the nation. We now have more than 1,000 software companies. We have one of the fastest-growing export rates in the country.

The hard work and entrepreneurial spirit of our citizens are the prime forces behind our amazing economic success. But, as public officials, we also have a responsibility to foster economic growth. Small businesses are the backbone of our state's economy, employing most of our people. So this budget invests in the Small Business Development Centers, which provide comprehensive technical and planning assistance to small businesses. Our businesses need access to research and development to remain leaders in an innovation-based economy, so this budget invests in the Industrial Research Center at the University of New Hampshire and Dartmouth College. The customers for New Hampshire goods and services now come from across the world, so this budget continues our international marketing efforts to keep New Hampshire a leader in the global economy.

A high-quality infrastructure is essential to our state's economy and the safety of our citizens. This budget provides the state investment we need to secure \$145 million in federal transportation funding over the next two years. It increases grants to cities and towns for road repair and improvements, and allows us to pave more than 800 miles of highway as well as making our roads safer. It allows us to remove 34 municipal bridges from the red list and replace or rehabilitate an additional 15 deficient town bridges.

From our working farms and forests, to our lakes and rivers, New Hampshire's environment plays an important part in our economic growth. In the 21st century economy, where businesses can go anywhere, the industries of the future are choosing New Hampshire because this is a place their workers want to live and work.

As our state's economy and population grows, we must protect our environment. That's why this budget fully funds grants to cities and towns for wastewater treatment, public drinking water supplies, source water protection, and landfill closures. That is why this budget will help us implement Grow Smart New Hampshire, an initiative that's aimed at combating the sprawl that is destroying our open spaces and changing the character of our small towns.

We must make sure we give every child in New Hampshire a healthy start. Healthy children do better in school and we know it costs less to provide preventive health care than to treat children in emergency rooms. Children's health care is one of the best investments we can make for New Hampshire.

In the gallery are seven-year-old Ryan, 10-year-old Tyler, and 13-year-old Stephen Hurst, of Nashua. Since 1999, their self-employed parents, Robyn and Stephen, have been able to purchase affordable health insurance for their sons through our Children's Health Insurance Program. Twelve thousand New Hampshire children now have health coverage because of that initiative. I've set a goal of enrolling virtually every eligible child within the next two years, and this budget provides the state match we need to meet that goal. We can do it, and we should do it.

Just as we owe our children a healthy start, we owe our seniors a healthy and dignified retirement. That's why this budget funds Meals on Wheels, home health care and other services that help seniors stay healthy and independent and remain in their homes and communities longer.

Too many seniors struggle every day to pay for their prescription drugs. This budget includes the creation of a revolving fund to launch our SenioRx program, which, once it receives federal approval, will provide real savings on the costs of prescription drugs. Our seniors deserve no less.

We have an obligation to provide opportunities to all our citizens, including those with disabilities. Through the state-funded Community Bridges program, Todd Rossetti of Concord, who just turned 21, is receiving the assistance he needs to live his life to the fullest and to participate in work development training. Thank you for joining us today, Todd. This budget provides funding to move more people off the developmental disabilities and acquired brain disorders waiting lists. That is the right thing to do. We must continue to improve the efficiency of government, so we can provide the services and convenience our citizens demand in the 21st century. This budget makes a modest investment in the technology we need to provide more and better services on-line to our citizens.

Today, the major limit to our state's economic growth is a shortage of skilled workers. If we are to meet the demand for skilled workers, we must make sure we give all citizens the tools they need to compete in the workforce.

In the last four years, we've helped almost 10,000 people go from welfare to work. We have removed obstacles to work by providing services such as childcare, children's health insurance and job training. Through the New Hampshire Employment Program, Sherry Hastings of Nashua received childcare assistance and job training. Now she is working as a certified nursing assistant and she's able to support her three children. This budget makes the necessary investments to give more people the opportunity to enter and to stay in the workforce.

Our economy increasingly depends on brainpower, not horsepower. In this economy, success is built on ideas, innovation and information and the foundation for this new economy is education. Education is the single-most important investment we can make in our future.

That is why this budget invests in improving student performance and school accountability. It also meets our commitments to cities and towns by fully funding school building aid, transportation and tuition aid, catastrophic aid and kindergarten aid.

Fifty percent of New Hampshire's high school seniors leave the state for college and never come back. We must change that.

This budget provides modest funding for the Granite State Scholars Program created by this legislature last year. Matched by private donations, this program will provide scholarships to New Hampshire students who excel in high school and who choose to attend one of our public institutions of higher education.

This budget moderately increases funding for both the University System and the Community Technical College System. These investments help us hold the line on tuition increases and keep higher education affordable for middle-class families.

Now we must do more to meet the capital needs of the University System. We must improve its science and engineering facilities if we are to have the high tech jobs of the future. While we cannot afford the full \$185 million they have requested, I am committed to increasing our level of capital support to the University System. The two-year capital budget I have submitted is low. I have done that deliberately to allow us to help address, in separate legislation, the capital needs of the University System.

It is our responsibility to ensure that all our children, no matter where they live, get a good education. We must meet that responsibility not just because of the Supreme Court's Claremont II decision, but because it is the right thing to do for the future of our children and the future of our state.

We can't go back to a system of unequal schools and unequal opportunity. We must keep moving forward. New Hampshire is at a crossroads. This year, we can take the road that leads to progress by solving school funding for the long term and enacting a balanced budget that meets our state's responsibilities. To do any less puts us on a road to fiscal disaster, more lawsuits, higher property taxes, unequal schools and broken promises.

Cutting the services we provide to Sherry Hastings, to Todd Rossetti, or to Tyler, Ryan and Stephen Hurst is not the solution for school funding. That is not a practical solution. That is not an honest solution. And that is not a long-term solution.

Putting off school funding to another year will only make the challenge more difficult.

Last week, joined by a bipartisan group of legislators, I presented a long-term school-funding plan, Excellence in Learning for New Hampshire. EXCEL New Hampshire is the name of my plan.

EXCEL New Hampshire is a comprehensive solution that meets our commitment to our schools, makes sure all our children receive a good education and helps secure a bright economic future for our state. And, because we developed EXCEL in conjunction with the operating budget, we were able to address other issues that are of great importance to the members of this legislature.

Through my plan, we can free up part of the existing real estate transfer tax to fund important tourism promotion and the Land and Community Heritage Investment Program.

Through my plan, we can reduce the interest and dividends tax and we can completely eliminate the legacies and succession tax. (Gee, I thought getting rid of taxes was something you Republicans liked to do, too.)

I believe EXCEL New Hampshire is the best choice for New Hampshire and I will fight to make it law. I am ready to work with all of you, Democrats, Republicans and Libertarians, to enact a long-term school funding solution. Time and time again, we have achieved the best results for the people of New Hampshire when we put partisanship aside and when we work together.

This is no time for budget gimmicks or tricks. Too much is at stake. So let me be very clear: I will not consider school-funding legislation that merely puts off solving this challenge to another year. Now is the time for us to act.

This year we must pass a fiscally responsible balanced budget that meets the real needs of our state and its people; and this year we must pass a long-term school-funding law.

That is the only road to a bright and prosperous future for our state and its people.

It is a road that I hope you will choose to take with me.

Thank you.

Sen. Francoeur and Rep. Scanlan moved that the Joint Convention arise.

Adopted.

The Joint Convention adjourned.

RECESS

(Speaker Chandler in the Chair)

REGULAR CALENDAR (CONT'D.)

HB 211-FN, establishing a restricted probationary permit to drive and correcting the ignition interlock program laws. **OUGHT TO PASS**

Rep. Beth Rodd for Criminal Justice and Public Safety: This bill gives the Department of Safety the discretion to issue a restricted, probationary permit to an offender who has had a license suspended or revoked but has completed all criminal penalties associated with the revocation/suspension. The probationary permit applies only to the certain Administrative License Suspension (ALS) penalties, those penalties added to the criminal penalties associated with the suspension/revocation. ALS penalties result from the refusal of the driver to submit to breathalyzer tests at the time of arrest and must be served in addition to criminal penalties. The committee believes that giving this discretion to the Department will allow offenders to work and become productive members of society. Vote 14-1.

Rep. Tholl yielded to questions.

Adopted and ordered to third reading.

HB 296-FN, relative to receiving stolen property. **OUGHT TO PASS**

Rep. Stephen H. Nedeau for Criminal Justice and Public Safety: This bill adds two provisions to RSA 637:7, the theft statutes. It establishes the offense of "receiving stolen property" for situations where an undercover law enforcement officer or his agent sells stolen property to an individual or entity where such property has explicitly been represented as stolen. Additionally, the bill provides for penalty of a Class B felony when property or services are stolen from 3 separate business establishments within a 72 hour period. The bill provides support for law enforcement in combating organized theft rings and fencing operations that have become more and more prevalent in our state. This problem has cost millions of dollars in losses to retail establishments across the state. These issues ultimately impact all of our constituents. Vote 13-0.

Rep. John Pratt spoke against and yielded to questions.

Rep. Tholl spoke in favor and yielded to questions.

On a division vote, 218 members having voted in the affirmative and 137 in the negative, the report was adopted.

Ordered to third reading.

HB 325-FN, relative to certain acts of sexual assault. **OUGHT TO PASS**

Rep. Maxwell D. Sargent for Criminal Justice and Public Safety: This bill is the result of a study committee of legislation submitted last session. This bill reduces the penalty from a Class B felony to a Class B misdemeanor for underage persons having consensual sex. It provides an exception to the statutory rape laws by placing an age differential of 4 years or less between the actor and a person who is between the ages of 13 and 16, where there is no evidence of coercion, force or intimidation on the part of the actor. This age differential is mirrored in the laws of other states. Much of the wording in the bill was provided by a county prosecutor supporting this change. The philosophy in the bill also has the support of the director of the Sexual Offender Program at the Dept. of Corrections and the NH Coalition Against Sexual and Domestic Violence. Vote 15-0.

Rep. Welch moved Recommit to Committee and spoke in favor.

Adopted.

Recommitted to Criminal Justice and Public Safety.

HB 232, relative to compensability of work-related stress injuries under the workers' compensation act. **OUGHT TO PASS**

Rep. Gary P. Torressen for Labor, Industrial and Rehabilitative Services: This bill simply closes a loophole in the New Hampshire Workers Compensation statute relating to the definition of the word "injury" in regards to stress. Stress is a common occurrence in the workplace and should be recognized. This bill does not restrict an employee to file a stress-related claim. This bill does protect the Workers Compensation Act from fraudulent stress claims. The loophole is closed by excluding stress that results from a lawful reprimand by an employer. Vote 16-1.

Rep. Pitts spoke against.

Rep. Weed moved Re-commit to Committee and spoke in favor.

Rep. Clegg spoke against.

Rep. Weed requested a roll call; sufficiently seconded.

The question being Re-commit to Committee.

Report adopted and ordered to third reading.

HB 187-FN-L, relative to the Manchester airport authority security force. **INEXPEDIENT TO LEGISLATE**

Rep. Ronald A. Giordano for Municipal and County Government: The Rockingham County Delegation reviews the Sheriff's budget which includes the contract for the security force at the Manchester Airport. According to RSA 24:1, the county convention consists of "the State Representatives of the representative districts of the county." RSA 23:1 allows the counties, as a body corporate, to make contracts. The proposed bill required that the Manchester Airport Authority organize a separate security force that is not comprised of the Rockingham County Sheriff's deputies to patrol the airport. The Manchester Airport Authority was not included in any discussions of the proposal and sees no reason to alter the current contract. The majority of the Rockingham County Delegation is not in favor of this change. The committee realizes that this contract between the Rockingham County Sheriff's Office and the Manchester Airport Authority is viable and under the jurisdiction of the Rockingham County Delegation and voted unanimously to report this bill Inexpedient To Legislate. Vote 13-0.

Rep. Dodge spoke against and yielded to questions.

Reps. Giordano and Welch spoke in favor.

Adopted.

Rep. Cloutier declared a conflict of interest and did not participate.

RESOLUTION

Rep. Scanlan offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Thursday, February 22, 2001 at 10:00 a.m.

Adopted.

LATE SESSION

Third reading and final passage

HB 238, relative to interstate banking

HB 103, relative to the possession of deadly weapons by convicted felons or during the commission or attempted commission of a violent crime.

HB 132-FN, relative to the damage or destruction of an emergency vehicle or emergency services equipment.

HB 193, establishing a committee to study state payments for court-ordered placements of special education pupils.

HB 143, establishing a committee to address the problem created by the shortage of health care personnel and support staff in New Hampshire.

HB 233, amending the duties of the oversight committee for the severely developmentally disabled.

HB 240, requiring the department of health and human services to develop a plan reducing the number of persons awaiting certain services for developmental disabilities.

HB 433, clarifying the duties of the oversight committee on health and human services

HB 168, relative to transfers of ownership of cemetery plots or burial spaces.

HB 166, establishing a committee to study gas and hazardous substance pipeline safety.

HB 167, relative to the authority of the consumer advocate.

HCR 4, encouraging New Hampshire Public Radio to extend its broadcast signal to all of Coos county including the Connecticut River Valley area.

HB 146, requiring any driver to have headlights on when continuously operating windshield wipers during inclement weather.

HB 122-FN-L, relative to euthanizing repeatedly vicious dogs.

HB 211-FN, establishing a restricted probationary permit to drive and correcting the ignition interlock program laws.

HB 296-FN, relative to receiving stolen property.

HB 232, relative to compensability of work-related stress injuries under the workers' compensation act.

UNANIMOUS CONSENT

Rep. Alf Jacobson addressed the House.

Without objection, the Speaker ordered that Rep. Jacobson's remarks be printed in the Journal. Thank you, Mr. Speaker. Monday, February 19th, will mark the 56th anniversary of the Battle of Iwo Jima. That was a battle in which I did participate beginning with the fifth assault wave at 9:17 in the morning, and I remember that event as though it were this morning. It was anticipated that it would be a seventy-two to ninety-six hour operation. It turned out to be 35 days. We had the highest casualties of any given piece of territory, eight square miles, throughout the war. I was a lucky one. I lived through the 35 days and will have lived, if I survive through Monday, for 56 years. I come not because of myself, but to remember every one of my buddies who served with me for that time and gave the ultimate sacrifice. You know, it was a very different war. We fought it on top of the ground. The Japanese fought it under the ground. They had 11 miles of tunnels and it was as dangerous in regimental or division headquarters as it was on the front line. And so, those guys who came and gave their lives so that we, and me, can enjoy this freedom that I have enjoyed. I just wanted to salute them. Thank you.

UNANIMOUS CONSENT

Rep. Fields addressed the House.

RECESS MOTION

Rep. Scanlan moved that the House stand in recess for the purpose of introduction of bills only.
Adopted.

The House recessed at 12:30 p.m.

RECESS

(Rep. Patten in the Chair)

RESOLUTION

Rep. Goulet offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, House Bills numbered 708 through 757, House Concurrent Resolution numbered 14 and Constitutional Amendment Concurrent Resolutions numbered 19 through 21 shall be by this resolution read a first and second time by the therein listed titles, sent for printing, and referred to the therein designated committees.

Adopted.

INTRODUCTION OF HOUSE BILLS, HCR, and CACRs**First, second reading and referral**

HB 708-FN, relative to the definition of “child” for the purposes of home education and relative to access to public school programs by home educated pupils. (Weyler, Rock 18; Rabideau, Rock 16: Education)

HB 709-FN-A-L, relative to the cigarette tax and prescription drugs for the elderly and continually appropriating a special fund. (Emerton, Hills 7; Alger, Graf 9; M. Fuller Clark, Rock 36; Pilliod, Belk 3; Larsen, Dist 15: Ways and Means)

HB 710-FN, relative to liquor licenses and fees. (Hunt, Ches 10: Commerce)

HB 711, relative to reporting by candidates. (Clemons, Hills 31; Buckley, Hills 44; Clegg, Hills 23: Election Law)

HB 712-FN, relative to the coordination of state, regional, and local planning efforts. (Melcher, Hills 11; M. Fuller Clark, Rock 36; Wall, Straf 9: Municipal and County Government)

HB 713-FN, addressing public health issues relative to indoor smoking. (Manning, Ches 9; M. Fuller Clark, Rock 36; Dokmo, Hills 14; Gile, Merr 16; Ford, Hills 28; Brennan, Straf 16, Wheeler, Dist 21: Commerce)

HB 714-FN, requiring the disclosure by a governor or councilor of certain gifts. (Splaine, Rock 34: Executive Departments and Administration)

HB 715-FN, relative to the New Hampshire port authority. (M. Fuller Clark, Rock 36; Norelli, Rock 31; Pantelakos, Rock 30; Splaine, Rock 34; Blanchard, Rock 33; Cohen, Dist 24; Hollingworth, Dist 23: Public Works and Highways)

HB 716-FN, relative to minimum wages of employees in public works. (Heon, Straf 14: Public Works and Highways)

HB 717, establishing a committee to make recommendations on policy concerning state-operated trails for all terrain vehicles and trail bikes, and establishing a temporary moratorium on new all terrain vehicle and trail bike trails. (Alger, Graf 9; Dickinson, Carr 2; Babson, Carr 5; Scanlan, Graf 11; Gilmore, Straf 11; Gordon, Dist 2: Resources, Recreation and Development)

HB 718-FN, establishing minimum renewable standards for energy portfolios. (Gilmore, Straf 11; Leone, Sull 2: Science, Technology and Energy)

HB 719, relative to the removal of public officials for cause. (Poulin, Merr 14; Zolla, Rock 13; P. Katsakiores, Rock 13; Landers, Coos 2; Millham, Belk 4: Executive Departments and Administration)

HB 720, relative to permitting the use of certain firearms for hunting deer. (Hopper, Hills 5: Fish and Game)

HB 721-FN, relative to the use of marijuana for medicinal purposes. (Vaillancourt, Hills 44; Sapareto, Rock 13; Clemons, Hills 31; Splaine, Rock 34: Health, Human Services and Elderly Affairs)

HB 722, relative to town elections. (Leber, Merr 1: Election Law)

HB 723, relative to vacancies in county offices. (Leber, Merr 1; Whalley, Merr 5; E. Smith, Ches 6; Emerton, Hills 7; Flanders, Dist 7: Municipal and County Government)

HB 724, relative to pooled risk management programs for public employers. (Wheeler, Hills 7; Anderson, Merr 7: Labor, Industrial and Rehabilitative Services)

HB 725, relative to titles to destroyed vehicles. (Pepino, Hills 40: Transportation)

HB 726-L, relative to change of school assignment and transfers of public school pupils. (Alger, Graf 9; Gilmore, Straf 11; Cox, Rock 24; Winter, Merr 2; Giuda, Graf 3; Roberge, Dist 9; Gordon, Dist 2; Francoeur, Dist 14; Prescott, Dist 19: Education)

HB 727, making certain changes concerning the authority and operation of the port authority. (Leber, Merr 1; Calawa, Hills 17; Hamel, Rock 10; Morse, Rock 28; Barnes, Dist 17; Hollingworth, Dist 23: Executive Departments and Administration)

HB 728-FN-A-L, assessing a surcharge on waste disposed at solid waste landfills and incinerators, and making an appropriation therefor. (Gilmore, Straf 11; B. Hall, Hills 20: Environment and Agriculture)

HB 729, permitting a person charged with a felony or misdemeanor to access the medical and psychiatric records of the alleged victim. (L. Jean, Hills 17; DiFruscia, Rock 27: Criminal Justice and Public Safety)

HB 730, establishing a committee to study the transfer of the Goffstown district court to a new location. (Emerton, Hills 7; Wheeler, Hills 7; McRae, Hills 7; Holden, Hills 7; D'Allesandro, Dist 20: Public Works and Highways)

HB 731-FN, relative to securities laws. (Gilmore, Straf 11; Fields, Hills 18; Teschner, Graf 5: Commerce)

HB 732, relative to the regulation of land use by the Pease development authority. (Splaine, Rock 34; Blanchard, Rock 33; C. Kane, Rock 32; Shultis, Rock 33; Pantelakos, Rock 30: Public Works and Highways)

HB 733, deleting references to "rebuttable presumption" from the laws of this state. (Mirski, Graf 12: Judiciary)

HB 734, eliminating the teen assessment project in the university system of New Hampshire. (Albert, Straf 17; Salts, Hills 41: Education)

HB 735-L, permitting towns and cities to deny a planning board application by a vote of the legislative body. (K. Hutchinson, Rock 29; Introne, Rock 29; Packard, Rock 29: Municipal and County Government)

HB 736-FN, establishing the consumer safety firearms protection act. (M. Fuller Clark, Rock 36; Konys, Hills 33; Clemons, Hills 31; Robb, Sull 11; Cohen, Dist 24; Wheeler, Dist 21: Criminal Justice and Public Safety)

HB 737, relative to the possession and use of epinephrine auto-injector devices by emergency medical care providers. (M. Fuller Clark, Rock 36; French, Merr 3; Emerton, Hills 7; Wheeler, Dist 21: Health, Human Services and Elderly Affairs)

HB 738, establishing a commission to assess the operating efficiency of state government. (Moran, Hills 15; Peterson, Hills 8: Executive Departments and Administration)

HB 739, establishing a committee to study the application of the rule against perpetuities. (Moran, Hills 15: Judiciary)

HB 740, relative to decommissioning of nuclear electric generating facilities. (J. Bradley, Carr 8; Norelli, Rock 31; D. White, Hills 25; N. Kaen, Straf 7; Maxfield, Merr 9; Below, Dist 5; Hollingworth, Dist 23; Francoeur, Dist 14; Cohen, Dist 24: Science, Technology and Energy)

HB 741-FN-A-L, relative to supplemental grants to certain municipalities to cap tax effort per pupil. (Sapareto, Rock 13; Odell, Sull 5; D. White, Hills 25: Finance)

HB 742-FN-L, relative to collection of the education property tax and establishing a program to rebate certain excessive property tax payments of eligible taxpayers. (Sapareto, Rock 13; J. Bradley, Carr 8; Weyler, Rock 18; Hess, Merr 11; Johnson, Dist 3: Ways and Means)

HB 743, transfers the department of youth development services to the department of health and human services. (Lyman, Carr 5; Pantelakos, Rock 30; Wallner, Merr 24; McCarley, Dist 6; Wheeler, Dist 21: Children and Family Law)

- HB 744-FN-A**, establishing a family and disability leave program. (Gile, Merr 16; Seldin, Merr 17; M. Fuller Clark, Rock 36; Wheeler, Dist 21: Labor, Industrial and Rehabilitative Services)
- HB 745-FN**, revising Article 9 of the Uniform Commercial Code and related statutes. (Hunt, Ches 10; Gordon, Dist 2: Commerce)
- HB 746**, authorizing citizen suits to assure enforcement of New Hampshire's environmental statutes. (Leishman, Hills 13; DiFruscia, Rock 27; M. Fuller Clark, Rock 36; Messier, Hills 46; Cohen, Dist 24: Judiciary)
- HB 747-FN-L**, relative to increases in the cost of an adequate education. (Hess, Merr 11: Education)
- HB 748-FN-A-L**, relative to school building aid grants in the determination of adequate education grants. (Hess, Merr 11: Education)
- HB 749-FN-A-L**, relative to the transportation cost component in the determination of adequate education grants. (Hess, Merr 11: Finance)
- HB 750-L**, relative to the development and adoption of the school administrative unit budget. (Kurk, Hills 5; Alger, Graf 9; Clegg, Hills 23: Education)
- HB 751**, authorizing an advisory committee and establishing a conflict of interest policy regarding grant awards from the health care fund. (Gorman, Hills 29; Clemons, Hills 31; D. Cote, Hills 29: Health, Human Services and Elderly Affairs)
- HB 752**, relative to certain revisions of the right-to-know law. (Souza, Hills 40; Chalbeck, Rock 8: Judiciary)
- HB 753**, relative to exemptions from issuer dealer licenses for the sale of securities. (Hess, Merr 11: Commerce)
- HB 754**, relative to the testing and certification of fluorine-bearing chemicals injected into the public water supply. (Richardson, Ches 12; Seldin, Merr 17; Espieffs, Ches 19; M. Fuller Clark, Rock 36; French, Merr 3; O'Hearn, Dist 12, Prescott, Dist 19; Francoeur, Dist 14: Resources, Recreation and Development)
- HB 755**, relative to groundwater contamination and gasoline sampling. (Martin, Hills 34; R. Cooney, Rock 26; Downing, Rock 26; McGuire, Rock 26; Goulet, Hills 15; D. White, Hills 25, Graham, Hills 15, Lynde, Hills 24, Flora, Hills 15, Balboni, Hills 27, Seibel, Hills 24, Kennedy, Merr 7, K. Hutchinson, Rock 29, Langley, Rock 24, Wheeler, Dist 21; Cohen, Dist 24: Science, Technology and Energy)
- HB 756**, relative to the penalty for certain acts of theft, destruction, or violence in a safe school zone. (K. Hutchinson, Rock 29: Criminal Justice and Public Safety)
- HB 757**, revising the definition of an adequate education; establishing an education improvement fund, and implementing a professional development program and an early literacy initiative within the department of education; and revising the formula to calculate the cost of an adequate education. (Kurk, Hills 5; Estabrook, Straf 8; McCarley, Dist 6; O'Hearn, Dist 12; Larsen, Dist 15: Education)
- HCR 14**, declaring the New Hampshire supreme court's Claremont decisions to be an unconstitutional violation of the separation of powers mandate under part I, article 37 of the New Hampshire constitution. (Pepino, Hills 40; Mirski, Graf 12; L. Christiansen, Hills 23; Boyce, Belk 5; Salts, Hills 41; Boyce, Dist 4; Roberge, Dist 9: Ways and Means)
- CACR 19**, relating to supreme court rules. Providing that supreme court rules may be reviewed by the general court. (Jacobson, Merr 2: Judiciary)
- CACR 20**, relating to a personal income tax. Providing that any personal income tax enacted by the general court shall be dedicated exclusively for the purposes of public education. (Hager, Merr 18; Pilliod, Belk 3; McGuirk, Ches 1; P. Davis, Coos 1; Messier, Hills 46; Below, Dist 5; Fernald; Dist 11; Cohen, Dist 24: Finance)
- CACR 21**, relating to compensation for members of the general court. Providing that members of the general court shall be reimbursed for actual and reasonable expenses incurred for legislative business. (Arnold, Hills 20: Legislative Administration)

RECESS

(Rep. Patten in the Chair)

RESOLUTION

Rep. Goulet offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, House Bills numbered 1 and 2 shall be by this resolution read a first and second time by the therein listed titles, sent for printing, and referred to the therein designated committees.

Adopted.

INTRODUCTION OF HOUSE BILLS**First, second reading and referral**

HB 1-A, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 2002, and June 30, 2003. (Kurk, Hills 5: Finance)

HB 2-FN-A, relative to state fees, funds, revenues, and expenditures. (Kurk, Hills 5: Finance)

RECESS**(Rep. Whalley in the Chair)****RESOLUTION**

Rep. Clegg offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, House Bills numbered 758 through 762 shall be by this resolution read a first and second time by the therein listed titles, sent for printing, and referred to the therein designated committees.

Adopted.

INTRODUCTION OF HOUSE BILLS**First, second reading and referral**

HB 758, relative to the sale of gasoline containing ethers. (Kurk, Hills 5; Downing, Rock 26; Martin, Hills 34; R. Cooney, Rock 26; McGuire, Rock 26; D. White, Hills 25, Graham, Hills 15, Flora, Hills 15, Goulet, Hills 15, Langley, Rock 24, Pepino, Hills 40, Balboni, Hills 27, Seibel, Hills 24, Kennedy, Merr 7, K. Hutchinson, Rock 29, Prescott, Dist 19; Hollingworth, Dist 23; Wheeler, Dist 21; Klemm, Dist 22; Flanders, Dist 7, Pignatelli, Dist 13: (Science, Technology and Energy)

HB 759-FN-A-L, establishing a flat rate education income tax, relative to the state education property tax and certain other taxes, and relative to other sources of funding for education. (Hager, Merr 18; McGuirk, Ches 1; Messier, Hills 46; Pilliod, Belk 3; P. Davis, Coos 1; Manning, Ches 9, Feuerstein, Merr 13, Cohen, Dist 24; Below, Dist 5; Fernald, Dist 11: Ways and Means)

HB 760-FN, relative to the possession of silencing devices and relative to the use of silencing devices for taking game. (Patten, Carr 9; Dickinson, Carr 2; Rozek, Coos 7: Fish and Game)

HB 761-FN-A-L, relative to a statewide school tax on income for purposes of funding a constitutionally adequate education and making an appropriation therefor. (Jacobson, Merr 2: Ways and Means)

HB 762-FN-A, increasing the tobacco tax to allow for a healthy families trust fund and for increased funding for the tobacco use prevention fund. (M. Fuller Clark, Rock 36; Buckley, Hills 44; Wheeler, Dist 21: Ways and Means)

RECESS**(Speaker Chandler in the Chair)**

Rep. Scanlan moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 7

Thursday, February 22, 2001

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

Ever gracious Creator, our days are precious in Your sight. Receive Bernard and all our loved ones into larger life and comfort all who mourn for them.

May the work of this honorable House be blessed by Your spirit today, and may all that is done here advance the cause of freedom, peace and safety for the citizens of our beloved New Hampshire. Amen.

The House observed a moment of silence in remembrance of Rep. Bernard Lambert.

Rep. Mercer led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. Carlson, Clemons, Emerton, Flora, Sandra Harris, William Kelley, Lessard, Robert L'Heureux, Mikowski, Naro, Ruffner and Tate, the day, illness.

Reps. Bartlett, Case, Corbin, David Cote, Stephanie Eaton, Fletcher, Marilyn Fraser, Introne, LaFlamme, Melcher, Mirski, O'Keefe, Perkins, Reeves, Scovner, Marjorie Smith, Stone, Thulander and Torressen, the day, important business.

Rep. Chalbeck, the day, death in the family.

Rep. Priestley, the day, illness in the family.

INTRODUCTION OF GUESTS

Morgan Smith Guinta, wife of Rep. Guinta. Katherine Nicole McCrum, granddaughter of Rep. Proulx. Albert Ventee, brother of Rep. Power. Kim Winslow, Justin Norcross, Lieutenant Colonel Michael Moffett, US Marine Corps Reserve, Chief Master Sergeant William Houghton, US Air Force, Chief Mark Cutter, US Coast Guard, Petty Officer Louis Coleman, US Coast Guard, Petty Officer John Murphy, US Naval Reserve and Captain Craig Blackwell, US Army, guests of Rep. Kenney.

INTRODUCTION OF SPECIAL GUEST

New Hampshire Teacher of the Year 2001, Suzanne Lull, 1st and 2nd grade teacher from Washington Elementary School, guest of the House.

The House of Representatives offered the following:

HOUSE RESOLUTION NO. 8

Recognizing and marking the ten year anniversary of the February 28, 1991 Persian Gulf War cease fire
WHEREAS, approximately three thousand New Hampshire men and women were among the over one-half million Americans who served in the Southwest Theater of Operations during Operations Desert Shield and Desert Storm; and

WHEREAS, under U.S. Allied Commander Norman Schwarzkopf these men and women participated and fought with Allied Forces to liberate the sovereign country of Kuwait; and

WHEREAS, members of New Hampshire reserve units, including the Army 744th Transportation Company, 1159th Medical Company, 94th Military Police Company, elements of the Air Force 157th Refueling Wing, 157th Security Forces Squadron, 157th Medical Squadron, the Navy Mobile Inshore Undersea Warfare Unit 202, Ashore Mobile Communications Contingency Unit 4, Fleet Hospital 7, Naval Dental and Medical Service 101, Military Sealift Command, Mediterranean, and Company B, 1st Battalion, 25th Marine Regiment and individual New Hampshire reserve volunteers participated in and outside of the Southwest Theater of Operations with inspired duty and honorable service; and

WHEREAS, we wish to honor those American men and women who gave their lives during hostile and non-hostile activities as the ultimate price of freedom during Operations Desert Shield

and Desert Storm, including New Hampshire's Army Warrant Officer David G. Plasch, Army Private Second Class Todd C. Ritch, Army Specialist Wade E. Hector, Marine Captain Gary S. Dillon and Air Force Captain Michael L. Chinburg; and

WHEREAS, the State of New Hampshire has recognized the Persian Gulf veterans by enacting the Persian Gulf Veterans Service Bonus and by dedicating a state bridge in Concord in their honor; now, therefore, be it

RESOLVED, by the House of Representatives, in regular session convened, that heartfelt thanks be given to Persian Gulf veterans and their families in commemoration of the tenth anniversary of the Persian Gulf War Cease Fire.

Unanimously adopted by a rising vote.

Rep. Kenney addressed the House.

Rep. Weyler moved that the remarks of Rep. Kenney be printed in the Journal.

Adopted.

REMARKS

Rep. Kenney: Thank you, Mr. Speaker, members of the House, military and honored guests. Next week will mark the tenth year cessation of the Persian Gulf War. In the gallery today, we are honored to have members of each branch of the services: the Army, the Navy, the Marine Corps, the Air Force and members of the United States Coast Guard, many who served during the Persian Gulf War. This resolution before us today allows us to reflect on the service of our Persian Gulf veterans and their commitment to liberate the sovereign country of Kuwait. This decisive victory could not have been achieved without great leadership, proper training, necessary equipment and home front support for our service men and women. This support came in all forms from gift packages, yellow ribbons, prayers and, of course, letters.

In the gallery today, I would like to recognize two of these letter writers who wrote to me ten years ago while I was a Marine Lieutenant in Saudi Arabia. They are Kim Winslow, a junior at the University of New Hampshire and a former third grader at the Central School in Moultonborough and, also, Justin Norcross, a junior at the Laconia Community Technical College and a former third grader at the Brett School in Tamworth. I thank you for your help in time of need. Thank you, guys. Finally, it has often been said that our men and women in uniform are our national treasures. With your support and confidence they will always shine when called to duty. God bless the State of New Hampshire. Thank you.

RESOLUTION

Late filing and introduction having been approved by the Rules Committee, Reps. Scanlan and Burling offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, **HB 763-L**, relative to obligations of county governments, shall be by this resolution read a first and second time by the therein listed title.

Adopted.

INTRODUCTION OF HOUSE BILL

First and second reading

HB 763-L, relative to obligations of county governments. (Chandler, Carr 1; Burling, Sull 1)

SUSPENSION OF RULES

Reps. Scanlan and Burling moved that the Rules be so far suspended as to permit consideration at the present time of **HB 763-L**, relative to obligations of county governments, without the required referral to committee, proper hearing and notice.

Adopted by the necessary two-thirds.

CONSIDERATION OF HB 763

HB 763-L, relative to obligations of county governments.

Rep. Whalley moved Ought to Pass and spoke in favor.

Rep. Burling spoke in favor.

Adopted.

SUSPENSION OF RULES

Reps. Scanlan and Burling moved that the Rules be so far suspended as to permit third reading and final passage at the present time of **HB 763-L**, relative to obligations of county governments. Adopted by the necessary two-thirds.

MOTION ON HOUSE BILL 763

Rep. Scanlan moved that **HB 763-L**, relative to obligations of county governments, be read a third time and passed. Adopted.

Third reading and final passage

HB 763-L, relative to obligations of county governments.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Scanlan moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 303-FN-A-L, relative to funding of training and certification of fire fighters and emergency medical service providers programs in the department of safety, extending certain motor vehicle license expiration dates, and increasing certain motor vehicle license fees, removed by Rep. McRae.

HB 326-FN-A, relative to the continuation of the New Hampshire task force on deafness and hearing loss and making an appropriation therefor, removed by Rep. Sullivan.

HB 173-FN, relative to the place and time of detention, removed by Rep. Sullivan.

HB 214-FN, requiring transcription of grand jury proceedings, removed by Rep. Sullivan.

HB 320-FN, relative to leasing certain portions of railroad properties, removed by Rep. Sullivan.

HB 434, relative to persons who die in nursing homes, removed by Rep. Brennan.

Consent Calendar adopted.

HB 120, making the commissioner of the department of youth development services a member of the department of youth development advisory board. **OUGHT TO PASS WITH AMENDMENT**

Rep. Daniel C. Itse for Children and Family Law: This bill makes three changes to the Department of Youth Development Services Advisory Board, as follows: 1. It requires that the Commissioner of the Department of Youth Development Services and not a designee serve on the board. 2. It broadens the committee membership by adding an additional state representative. 3. It broadens the committee membership by adding a juvenile probation and parole officer. Vote 19-0.

Amendment (0030h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the membership of the department of youth development advisory board.

Amend the bill by replacing all after section 1 with the following:

2 Department of Youth Development Services Advisory Board; Membership. Amend RSA 621-A:9, II(a) to read as follows:

(a) ~~Two~~ **Three** members from the house of representatives, one of whom shall be a member of the house finance committee, appointed by the speaker of the house.

3 New Subparagraph; Department of Youth Development Services Advisory Board Established; Membership; Juvenile Probation and Parole Officer Added. Amend RSA 621-A:9, II by inserting after subparagraph h the following new subparagraph:

(i) One juvenile probation and parole officer, appointed by the commissioner of the department of health and human services.

4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill requires the commissioner of the department of youth development services to be a member of the department of youth development services advisory board. The bill also expands the membership of the advisory board to include three members of the house of representatives and a juvenile probation and parole officer.

HB 265, prohibiting the sale of rolling papers to minors. **OUGHT TO PASS**

Rep. Kathleen N. Taylor for Commerce: This bill was introduced at the request of a group of Dover students. They feel that there is no reason for anyone under the age of 18 to use rolling papers and that it should be illegal for under-18 year olds to purchase them. The committee agrees with them. This is already the law in Dover. Vote 13-0.

HB 307-FN-A, increasing the tax on beer and wine. **INEXPEDIENT TO LEGISLATE**

Rep. Martha Fuller Clark for Commerce: The Sponsor admitted that increasing the tax by one cent would not generate a lot of money, but because the beer tax is based on "gallonage" and not price, it does not increase with inflation. The sponsor felt it was time to increase the tax to reflect inflation. New Hampshire already has the second highest tax per gallon on wine and beer in New England, and testimony presented stressed that even a one-cent increase would make a difference to purchasers. Vote 13-0.

HB 372, requiring prepaid home heating oil delivery companies to be bonded. **INEXPEDIENT TO LEGISLATE**

Rep. Leo W. Fraser, Jr. for Commerce: It has become fairly common that fuel customers pre-pay for their fuel for the following year. This method of obtaining a firm price has worked well both for the purchaser and the vender. Unfortunately, one new fuel dealer came into the business and commenced obtaining pre-paid contracts at a price even lower than wholesale. The dealers sought assistance from the Attorney General. Rightfully, the AG's office said that until someone was harmed, they couldn't do anything. When this dealer defaulted, the Attorney General did step in. The testimony by all of the fuel dealers (especially the smaller mom and pop vendors) showed that the cost of purchasing a bond would, in all likelihood, put them out of business. The committee was unanimous in recommending that this legislation was not appropriate, and should be reported as Inexpedient to Legislate. Vote 13-0.

HB 237, relative to filling a vacancy in an alumni trustee position on the board of trustees of the university system. **OUGHT TO PASS**

Rep. Claire D. Clarke for Education: This bill retains existing law, which says that the appointment of successors for the filling of vacancies for unexpired terms shall be by appointment or election in the same manner as the original appointment. An exception is created so that a vacancy in an alumni trustee position shall be filled in accordance with the bylaws of the alumni association at the institution with which the position is associated. The committee overwhelmingly voted to accept this bill as recommended. Vote 15-0.

HB 124, establishing a committee to study on-line voting. **OUGHT TO PASS WITH AMENDMENT**

Rep. Raymond Buckley for Election Law: The committee supports a study of on-line voting. It amended the bill to include studying electronic voting as well. We feel this committee will provide valuable information as we address the changing modes of voting. Vote 19-1.

Amendment (0114h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study on-line and electronic voting.

Amend the bill by replacing section 1 with the following:

1 Committee Established. There is established a committee to study on-line and electronic voting.

Amend the bill by replacing section 3 with the following:

3 Duties. The committee shall study the feasibility of on-line and electronic voting as a supplement to or substitute for existing voting procedures. The committee's study shall include the likely effect of on-line and electronic voting on voter turnout.

AMENDED ANALYSIS

This bill establishes a committee to study on-line voting.

HB 245, relative to the duties and staff of the state geologist. **OUGHT TO PASS**

Rep. Nelson S. Allan for Executive Departments and Administration: This bill gives real meaning to "New Hampshire is the Granite State". The activities of geological survey are collected under the director of the New Hampshire geological survey, and under this bill geologic functions will be

centralized under the supervision of the state geologist. Resources are drawn from existing functions within the agency. Data collection and research are performed and disseminated through maps, reports, and other publications. Vote 16-0.

HB 279-FN-A-L, relative to the payment of certain unfunded accrued liability of the retirement system and making an appropriation therefor. **OUGHT TO PASS**

Rep. William R. Zolla for Executive Departments and Administration: This bill authorizes the state treasurer to borrow upon the credit of the state not exceeding the sum of \$5,250,000, and issue bonds and notes in the name of and on behalf of the State of New Hampshire in accordance with RSA 6-A. Payments of principal and interest of the new bonds and notes shall be made from the general fund of the state. The proceeds of this bond issue shall be paid to the New Hampshire retirement system to satisfy a note incurred in the 1992-94 biennium and which is costing the state 9% per annum with a 40-year amortization. The bond issue, if authorized by this bill, will have an interest rate of approximately 4.5%. This bill is similar to refinancing a home mortgage to a lower interest rate. Vote 17-0. Referred to Finance.

HB 371, relative to fiscal impact statements for proposed administrative rules prepared by the legislative budget assistant. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert K. Dodge for Executive Departments and Administration: This bill will reduce the workload of the legislative budget office. It allows state agencies to forgo the currently required step of receiving an amended fiscal statement on an amendment to a rule change request, even in the case where the amendment is purely clerical or carries no fiscal impact. Administrative rules are constantly being proposed and if changes do not affect the fiscal statement, this bill will allow savings in time and effective date of the proposed administrative rules. Vote 17-0.

Amendment (0145h)

Amend the bill by replacing section 2 with the following:

2 Amended Fiscal Impact Statements. Amend RSA 541-A:12, II(d) to read as follows:

(d) *If required pursuant to RSA 541-A:5, VI*, an amended fiscal impact statement from the legislative budget assistant stating [either] that [~~the rule did not change~~] as a result of notice and hearing [~~or, if it~~] *the rule* did change[;] *and* explaining how this change affects the original fiscal impact statement.

HB 236, relative to the registration of deer. **OUGHT TO PASS**

Rep. Robert J. L'Heureux for Fish and Game: This change in the present law would bring us into uniformity with our neighboring states. This change would accommodate the successful deer hunter who gets his deer late in the day, but cannot register it because of the early closing of some registration stations. This bill has the support of the New Hampshire Fish and Game Department. Vote 17-0.

HB 227, clarifying certain definitions relating to emergency medical and trauma services. **INEXPEDIENT TO LEGISLATE**

Rep. Joseph P. Manning for Health, Human Services and Elderly Affairs: After conferring with the subcommittee and the principals involved, the sponsor feels the best course at this time is to report this bill Inexpedient To Legislate. The committee concurs. Vote 11-0.

HB 389, establishing a committee to study the nursing home industry in New Hampshire. **OUGHT TO PASS**

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: The committee felt that scrutiny into the number of critical issues existing now is needed. There is a shortage of health care personnel in New Hampshire. More than one-third of nursing homes are operating under bankruptcy protection. As the elderly population increases in size, state policy should ensure that nursing home facilities are available and providing quality care. Vote 11-0.

HB 157, clarifying the immunity from liability of police officers, firefighters, and bystanders who apply lifesaving measures in emergencies. **OUGHT TO PASS WITH AMENDMENT**

Rep. Christopher P. Reid for Judiciary: This bill as amended is a technical clarification of RSA 153-A:11. In passing RSA 153-A:11 last year, the legislature did not intend to in any way limit the protection afforded by RSA 508:12, the Good Samaritan Law. This bill simply clarifies the law. Vote 17-0.

Amendment (0137h)

Amend the title of the bill by replacing it with the following:

AN ACT clarifying the immunity from liability of persons providing emergency care.

Amend the bill by replacing section 1 with the following:

1 Liability Limitation; Emergency Care. Amend RSA 153-A:11, I to read as follows:

I. Except for automatic external defibrillation pursuant to RSA 153-A:28-31 *or emergency care as described in RSA 508:12*, a person shall not provide emergency medical services as a paid or volunteer member of a public or private emergency medical services unit in this state, or as a paid or volunteer member of any police or fire department who, as a condition of employment, may be expected to routinely provide emergency medical services in the line of duty, without being licensed by the commissioner.

AMENDED ANALYSIS

This bill clarifies the immunity from liability of persons who provide emergency care at scenes of emergency or to victims of crime.

HB 203, allowing a psychiatric/mental health nurse practitioner employed under contract with the department of corrections to be indemnified and defended by the state under the same conditions as psychiatrists. **OUGHT TO PASS WITH AMENDMENT**

Rep. John M. Pratt for Judiciary: In the last session, the legislature enacted a law granting immunity to certain medical and psychiatric professionals working under contract with the Department of Corrections. This bill extends that coverage to psychiatric/mental health nurse practitioners working under contract with the Department of Corrections. Vote 15-0.

Amendment (0076h)

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 3:

2 Claims Arising From Clinical Services Provided to Department of Corrections. Amend RSA 541-B:21-a, I to read as follows:

I. Without otherwise limiting or defining the sovereign immunity of the state and its agencies, this chapter shall apply to all claims against any nonprofit entity, or any employee, trustee, or director of such nonprofit entity when acting in the scope of such person's elected or appointed capacity, providing clinical services of psychiatrists [or], other medical doctors, *or psychiatric/mental health nurse practitioners* in accordance with any contract limited to such services entered into by the department of corrections.

HB 215, relative to publication of status of cases before the supreme court. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert H. Rowe for Judiciary: This bill requires the Supreme Court to report records of appeals to the court. The legislature found during the impeachment hearings that documentation of appeals filed were not available. This bill requires the court to provide annual records for review by the legislature and public on a quarterly basis. Vote 19-0.

Amendment (0163h)

Amend RSA 490:8-a as inserted by section 1 of the bill by replacing it with the following:

490:8-a Publication of the Status of Cases.

I. Beginning with notices of appeal filed on January 1, 2002, the supreme court shall make available to the public a record of cases pending before the court. The record shall be by calendar year, with the current year recording all cases filed with the court in that year. The record for prior years shall only document cases pending. Cases pending shall be those cases in which a decision has not been made as to accepting the notice of appeal or the accepted appeal has not been decided. The record shall be updated and printed quarterly and shall be available not later than 15 days after the end of each quarter. This report shall be by date of each notice of appeal for each appeal shall list the following data:

(a) Name and number.

(b) Date of acceptance or rejection of the notice of appeal and if the appeal was accepted or rejected.

(c) Date of oral argument.

(d) Date of decision.

II. At the end of each calendar year, all cases for which the notice of appeal was rejected and all cases decided shall be removed from the list.

HB 382, relative to the office of the governor and the right-to-know law. **INEXPEDIENT TO LEGISLATE**

Rep. Peter F. Bergin for Judiciary: Although this bill was well intended, its wording was inadequate to accomplish the intentions of the sponsor. The committee believes strongly that there may be areas in the Governor's Office that should fall under the right-to-know law. However, the entire subject matter is of such magnitude that other priorities should take precedence at this time. Vote 14-0.

HB 194, relative to municipal budget hearings, recommendations, and reports. **OUGHT TO PASS**

Rep. Kimberly O.M. Dionne for Municipal and County Government: This bill reflects a request from the Department of Revenue Administration to make technical corrections relative to certain laws administered by the department. It changes the final date for posting notice of bond hearings in municipalities operating under the official ballot referendum form of meeting (in March, April, and May). The bill also clears up reporting procedures for those municipalities that are not under the Municipal Budget Act. The committee determined that these changes would make an improvement upon the present law. Vote 15-0.

HB 263, naming a sidewalk in Wolfeboro the Kenneth J. MacDonald Memorial Sidewalk. **OUGHT TO PASS WITH AMENDMENT**

Rep. Lawrence J. Guay for Public Works and Highways: Ken MacDonald served in both the House and Senate for almost two decades after retiring from the New Hampshire State Police. Ken also served on the Wolfeboro Board of Selectmen and the Carroll County Delegation. Ken was extremely well read and respected by all who knew him for his dedication, honesty, common sense and humor. Naming a sidewalk on Route 28 in Wolfeboro for Ken is a fitting tribute to his memory. Ken's efforts were instrumental in creating this sidewalk. Vote 16-0.

Amendment (0142h)

Amend the bill by replacing all after section 1 with the following:

2 Signage. The cost of design, construction, maintenance, and installation of any signage, replacement signage, or other markers resulting from this act shall not be a charge to the state. However, the design, construction, and installation of any signage or other markers resulting from this act shall be approved by the department of transportation.

3 Effective Date. This act shall take effect January 1, 2002.

HB 417, requiring bidders for state contracts to have completed a training program of the Occupational Safety and Health Administration. **INEXPEDIENT TO LEGISLATE**

Rep. James B. Rausch for Public Works and Highways: The committee recommends this bill Inexpedient to Legislate. This bill would require bidders for state contracts whose estimated cost is more than \$50,000.00, to have completed a ten hour construction safety program from the Occupational Safety and Health Administration (OSHA). The committee overwhelmingly considered this legislation unnecessary, as requirements for training programs already exist in state law and OSHA regulations. Additionally, many other concerns were raised. Vote 17-0.

HB 177-FN-A, relative to the purchase of a wheelchair van for the veterans' home in Tilton and making an appropriation therefor. **OUGHT TO PASS**

Rep. Matthew J. Quandt for State-Federal Relations and Veterans Affairs: The committee feels that providing a wheelchair van for the Veterans' Home in Tilton is a paramount need for the residents so that they can get around to doctors appointments and for recreational trips. The sponsor had looked into trying to get a van donated but that effort was not successful. The committee feels strongly that this is an important need for those who made many sacrifices for their state and country. Vote 12-1.

Referred to Finance.

HR 5, directing the New Hampshire attorney general to report to the house of representatives on the feasibility of filing a class action lawsuit against the federal government to recover special education funding promised by the federal government under the Individuals with Disabilities Education Act. **INEXPEDIENT TO LEGISLATE**

Rep. Frank C. Guinta for State-Federal Relations and Veterans Affairs: The committee recognizes the importance of the federal government's funding of special education. However, it strongly supports other legislation, HCR 13 which proposes that the House, Senate, and the Office of the Governor that urges the federal government to adequately fund the program for the State of New Hampshire. Because of HCR13, we report this bill as inexpedient to legislate. Vote 10-2.

HB 366, relative to antique former military vehicles. **INEXPEDIENT TO LEGISLATE**

Rep. Robert J. Letourneau for Transportation: This bill as written would allow antique military vehicles to operate on a public way without displaying New Hampshire registration plates. The committee felt that the general public would not recognize the difference between current military vehicles and antique military vehicles. A second consideration is law enforcement being able to identify these vehicles. Testimony revealed that a major concern for the owners of these vehicles was that during parades and demonstrations these vehicles be as authentic as possible. The Commissioner of Safety is willing to accommodate these concerns through rule-making. This would alleviate the need for legislation. Vote 11-0.

HCR 8, encouraging more direct flights and international flights from the Manchester airport. **INEXPEDIENT TO LEGISLATE**

Rep. Brenda L. Ferland for Transportation: The committee hears a bill or resolution concerning the Manchester airport on a regular basis. The legislative body has no authority over the airport. The committee finds that the current airport director has been doing a good job concerning what flights are appropriate for the Manchester airport. The airport also runs under Federal Aviation Authority (FAA) rules and regulations. Vote 11-0.

REGULAR CALENDAR

HB 260, establishing a commission to examine child care resources for parents who work hours other than first shift. **OUGHT TO PASS WITH AMENDMENT**

Rep. Laura C. Pantelakos for Children and Family Law: This bill establishes a commission to study the issue of resources available and the need for second and third shift child care services. It is the Committee's hope that creative and innovative solutions will be discovered. Vote 15-4.

Amendment (0089h)

Amend the bill by replacing section 2 with the following:

2 Membership and Compensation.

I. The members of the commission shall be as follows:

- (a) Three members of the house of representatives, appointed by the speaker of the house.
- (b) Three members of the senate, appointed by the president of the senate.
- (c) A current provider of child care services, appointed by the governor.
- (d) A representative of an industry operating on a multi-shift basis, appointed by the governor.
- (e) A representative of an industry that has experience with in-house children's services, appointed by the governor.
- (f) The commissioner of health and human services, or designee with professional responsibilities associated with child care.
- (g) Two parents who work hours other than first shift, one from an urban area and one from a rural area, appointed by the governor.

II. Legislative members of the commission shall receive mileage at the legislative rate when attending to the duties of the commission.

Adopted.

Report adopted and ordered to third reading.

HB 272, requiring bottled water labels to indicate the source of the water. **INEXPEDIENT TO LEGISLATE**

Rep. Paul D. Spiess for Commerce: This bill would require that water, which is bottled, packaged or sold in the state, include information on the label identifying the specific location from which the water was obtained, and the name and address of the purveyor. The committee did not feel that the inclusion of this information provided any direct benefit to the consumer or served a useful public purpose. The committee learned that bottled water can come directly from municipal water systems,

as long as it meets clean water standards. Under federal law any water labeled "spring water" must identify the source. However, the courts found there is no compelling health reason to require bottled water companies to label the sources as long as they meet clean water standards. The committee does urge members who desire more information on the sources of bottled water to read the August 2000 issue of Consumer Reports. Vote 10-3.

Rep. Pitts spoke against.

Rep. Avery spoke in favor.

Adopted.

HB 425-FN, establishing a practical living skills course for certain high school pupils. **INEXPEDIENT TO LEGISLATE**

Rep. Bruce L. Dearborn for Education: The committee is very sensitive to the issue of high school dropouts and is sympathetic to the sponsors' concerns. This bill is an effort to provide a certificate program for job survival skills. The committee felt the technical high schools, the technical colleges and the state Department of Education have many developmental programs which are better suited to address students' needs. Consequently, the committee voted to report the bill inexpedient to legislate. Vote 15-0.

Adopted.

HB 159, relative to removal of political advertising. **INEXPEDIENT TO LEGISLATE**

Rep. Richard B. Drisko for Election Law: The intent of the sponsor was to address situations where signs in front of residences were removed from highway rights of way. While the committee was sympathetic with the view that public land in front of private land could present a conflict, testimony from the Department of Transportation and others suggested that more difficulties would arise than problems would be solved. Vote 15-4.

Adopted.

HB 273, relative to the purpose of state jurisdiction of fish and game regulation. **OUGHT TO PASS WITH AMENDMENT**

Rep. Michael A. Balboni for Fish and Game: The original bill, as introduced, expands the purpose of the fish and game department to recognize, preserve, and promote our special heritage of recreational hunting, fishing, trapping, and wildlife viewing by providing opportunities to hunt, fish, trap, and view wildlife in accordance with Title XVIII of the Fish and Game laws. The amendment simply removes the word "recreational" from the bill. This bill has the support of the New Hampshire Fish and Game Department, the New Hampshire Wildlife Federation, and the New Hampshire Fish and Game Commission. Vote 16-1.

Amendment (0086h)

Amend RSA 207:58 as inserted by section 1 of the bill by replacing it with the following:

207:58 Purpose. The legislature finds it is in the best interests of the state and its citizens to regulate, protect, restore, and conserve the wildlife resources of the state under a uniform scheme of management through the fish and game department. It is the intent of the general court to explicitly reaffirm the state's long-standing exclusive authority and jurisdiction over the wildlife of the state as established by title XVIII. *The general court further finds that it is in the best interest of the state and its citizens that the fish and game department recognize, preserve, and promote our special heritage of hunting, fishing, trapping, and wildlife viewing by providing opportunities to hunt, fish, trap, and view wildlife in accordance with title XVIII.*

Adopted.

Report adopted and ordered to third reading.

HB 133, relative to an informed jury. **WITHOUT RECOMMENDATION**

Rep. Giuda moved Ought to Pass, spoke in favor and yielded to questions.

Reps. Millham and Rowe spoke against.

Rep. Craig spoke against and yielded to questions.

Reps. Phinizy and Loren Jean spoke in favor and yielded to questions.

Rep. Soltani requested a roll call; sufficiently seconded.

The question being on the motion of Ought to Pass.

and the motion was adopted.

Rep. Thompson voted yea and intended to vote nay.

HB 134, permitting challenges to judges. MAJORITY: OUGHT TO PASS. MINORITY: IN-EXPEDIENT TO LEGISLATE.

Rep. Tony F. Soltani for the Majority of Judiciary: Presently, there is no requirement that a judge disqualify himself/herself from a case for any reason. The discretion to remain on the case remains with the judge even in the most egregious cases. This bill allows a party to request that a single judge not be assigned to the case. Additionally, the notice must be filed within thirty days of the return date in the initial stage of the legal action. This notice requirement allows more than an adequate opportunity to accommodate a citizen's request through administrative assignment. The judicial system is well capable of accommodating the needs of the people, judges and litigation to ensure that the notion of justice, and the appearance of justice, is well preserved. Vote 9-8.

Rep. Christopher P. Reid for the Minority of Judiciary: Parties to legal actions currently have the right to move to recuse a judge where the judge has a real or apparent conflict of interest. This bill would encourage forum shopping and would create serious administrative burdens and delay justice, especially in the smaller counties, where only one or two judges may be sitting.

Rep. Brewster spoke in favor and yielded to questions.

Rep. Soltani spoke in favor and requested a roll call; sufficiently seconded.

The question being the adoption of the majority report.

Robb, Amy
and the majority report was adopted.
Ordered to third reading.

HB 256, limiting the liability of law enforcement agencies and their employees for injuries caused by dogs used in law enforcement work. **OUGHT TO PASS WITH AMENDMENT**

Rep. Peter F. Bergin for Judiciary: This bill was filed to strengthen the limits on liability for law enforcement agencies and their employees for injuries caused by dogs used in law enforcement work. The amendment requires a law enforcement agency using a dog to adopt a written policy on the necessary and appropriate use of a dog. Said written policy shall be available for public inspection at any time. Vote 18-1.

Amendment (0164h)

Amend RSA 508:18-a as inserted by section 1 of the bill by replacing it with the following:

508:18-a Law Enforcement Agencies; Limitation on Liability for Injuries Caused by Dogs Used in Law Enforcement Work.

I. No law enforcement officer or agency shall be held liable for damages resulting from injuries caused by a dog used in law enforcement work provided that:

(a) The officer and the dog have completed training and received certification from a nationally recognized organization required for police work or other law enforcement work;

(b) The injury arises out of law enforcement conduct within the provisions of RSA 627:5, I and II; and

(c) The law enforcement agency using a dog in enforcement work has adopted a written policy on the necessary and appropriate use of a dog for the work enumerated in subparagraphs (a) and (b). Said written policy shall be available for public inspection at any time.

Adopted.

Report adopted and ordered to third reading.

HB 383, making the state courts subject to the right-to-know law. **INEXPEDIENT TO LEGISLATE**

Rep. Robert H. Rowe for Judiciary: The committee felt that the intent of the bill was good, but it was too vague to accomplish the intent of the sponsor. There are areas of the court system that should be more open to public view. This bill may be flawed in that it could be interpreted as giving the public access to judicial functions such as jury deliberations, judges' deliberative sessions, etc. Vote 12-2. Adopted.

Rep. DePecol wished to be recorded as having voting against the committee report.

HB 199, relative to the collection of property taxes assessed on manufactured housing. **INEXPEDIENT TO LEGISLATE**

Rep. William Johnson for Municipal and County Government: Manufactured housing is an essential component of the mix of housing options available in New Hampshire. Both "stick built" homes and manufactured housing are considered real estate for the purpose of taxation. The main difference between "stick built" and manufactured housing is the ownership of the land under the structure. Manufactured housing is organized in three types of locations – individually owned lots, investor-owned parks, and cooperatively owned parks. This bill would shift the responsibility of paying taxes from the property owner to the landowner. During the public hearing, Greenville officials and representatives talked about the burdensome problem posed by owners of manufactured housing who "walked away" from their homes. While the committee recognizes that abandoned manufactured housing presents a problem for certain municipalities, the committee felt that the bill did not specifically address this problem. In addition, the bill would create an adversarial relationship between park owners and housing owners, shift an unfair burden for tax collection on to park owners, and reduce the real estate nature of manufactured housing under existing statutes. Vote 14-2. Adopted.

Rep. DePecol wished to be recorded as having voted against the committee report.

HB 176-FN-L, relative to the port in the city of Portsmouth, New Hampshire. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. Michael J. Rozek for the Majority of Public Works and Highways: The committee studied both the bill and the amendment offered by the sponsor. In dealing with the bill as proposed, the committee was not in support of the transfer of state owned property from the Port Authority to the city of Portsmouth. The committee studied the amendment offered by the sponsor. This amendment would have created another study committee for the Port Authority. There is currently a study committee whose members encompass numerous representatives from the city of Portsmouth. This committee is working closely with the city of Portsmouth on this sensitive issue. Over the past several years numerous studies have been conducted, and the latest study has presented legislation, which our committee will be hearing in the near future. Another study committee would only delay and confuse the issue. If legislation proposed by the study committee under HB 1559, Laws of 2000, Chapter 153:2 is successful, the surrounding area, as well as the city of Portsmouth, would benefit. Our committee did not feel that another study committee is needed at this time. Vote 11-5.

Rep. Elizabeth C. Shultis for the Minority of Public Works and Highways: The New Hampshire Port Authority's Marine Terminal occupies 11 acres of prime property in the city of Portsmouth's "Northern Tier District". Recognizing the problems the Port has had generating activity in the past few years, and the unfavorable audit of the Port Authority, this bill would have transferred the Marine Terminal land to the city of Portsmouth. The minority supported an amendment to change this requirement and establish a committee to study the relationship of the Port to the city.

Amendment (0015h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study the relationship between the city of Portsmouth and the state port authority regarding the use and future of the port in the city of Portsmouth.

Amend the bill by replacing all after the enacting clause with the following:

1 Purpose. The city of Portsmouth recognizes the importance of the state port authority terminal to the economic vitality of the city, region, and state. However, ways to create more local input from the city in the operation of the port terminal would create increased local satisfaction that the vision of the Portsmouth community is being considered and incorporated into the future use of the port terminal. Therefore, this act creates a committee to study the relationship between the city of Portsmouth and the state port authority regarding the use and future of the port terminal.

2 Committee Established. There is established a committee to study the relationship between the city of Portsmouth and the state port authority regarding the use and future of the port in the city of Portsmouth.

3 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Three members of the house of representatives, appointed by the speaker of the house.

(b) Two members of the senate, appointed by the president of the senate.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

4 Duties. The committee shall:

I. Examine the structure, organization, goals, and responsibilities of the state port authority.

II. Develop a long-range 20-year vision for the port in the city of Portsmouth that considers quality of life for the city of Portsmouth and environmental protection.

III. Create a way for more local input from the city of Portsmouth in the state port authority's operation and vision as it relates to the port in the city of Portsmouth.

IV. Solicit input from the Portsmouth city manager.

5 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Three members of the committee shall constitute a quorum.

6 Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2002.

7 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to study the relationship between the city of Portsmouth and the state port authority regarding the use and future of the port in the city of Portsmouth. The committee shall report its findings by November 1, 2002.

Rep. Shultis spoke against.

Reps. Splaine and Pantelakos spoke against and yielded to questions.

Rep. Leber spoke in favor.

Reps. Morse and Smith spoke in favor and yielded to questions.

Rep. Herman requested a roll call; sufficiently seconded.

The question being adoption of the majority report.

HB 303-FN-A-L, relative to funding of training and certification of fire fighters and emergency medical service providers programs in the department of safety, extending certain motor vehicle license expiration dates, and increasing certain motor vehicle license fees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Richard E. Kennedy for Criminal Justice and Public Safety: The purpose of this bill is to establish a non-lapsing, dedicated, funding source for the training and certification of firefighters and emergency medical service (EMS) providers in the state of New Hampshire. We recognize the important roles that fire and EMS responders play in the maintenance of the health and safety of our citizens and visitors to New Hampshire. We are also aware of the ever-increasing requirements placed upon emergency response personnel for enhancing their training in the use of sophisticated fire-fighting and life-saving technologies, which are essential to the health and safety of all citizens. On a daily basis, firefighters and emergency medical service providers respond to and extinguish residential, commercial and industrial fires; extricate victims; provide basic and advanced life support and medical care; investigate the causes of fires; and respond to motor vehicle crashes, car fires, hazardous materials spills, and other medical emergencies on the state's roadway system. Firefighter and EMS professionals are present throughout the state, and it is the responsibility of the divisions of fire standards and training and EMS to provide these professions with training programs and certification services at a regional level. It is estimated local communities may pay up to 25% of the costs associated with the training programs. Currently, the communities may pay 100% of the costs. The commissioner will have the authority to waive fees for tuition, services and licenses, for good cause shown. The drivers license fee will increase from \$32 to \$50 under the provisions of this bill and the term of the license will increase from four years to five years. The increase will go to the highway fund. Funding for the firefighter academy has not been sufficient to allow outreach programs to bring training and certification classes to the regional departments as had been promised when the academy was first established. The direct funding of the academy will come from depositing the \$7 fee for motor vehicle records paid by insurance carriers into the fire standards and training and emergency medical services fund established in RSA 21-P:12-d. Vote 16-0.

Amendment (0058h)

Amend the bill by inserting after section 5 the following and renumbering the original section 6 - 14 to read as 7 - 15, respectively:

6 Administration of Motor Vehicle Laws; Records and Certification; Copy Fees Deposited in Fire Standards and Training and Emergency Medical Services Fund. Amend RSA 260:14, XIII to read as follows:

XIII. Notwithstanding the provisions of RSA 91-A, the department may charge reasonable fees for the release of information under this section. In determining a reasonable fee, the department shall consider factors such as labor and production costs, as well as the market value of the information. *All such fees shall be deposited in the fire standards and training and emergency medical services fund established in RSA 21-P:12-d.*

Adopted.

Rep. McRae spoke against.

Rep. Welch spoke in favor and yielded to questions.

Report adopted and referred to Ways and Means.

HB 326-FN-A, relative to the continuation of the New Hampshire task force on deafness and hearing loss and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Alida I. Millham for Health, Human Services and Elderly Affairs: HB 326-FN-A will extend the task force on deafness and hearing loss established in 2000 so it can complete work on behalf of the needs of the deaf and hard of hearing. The task force would remain in effect until November 1, 2001 when a report and recommendations will be submitted to the Speaker of the House and the President of the Senate. In addition, the task force membership was increased to include state department representation (Attorney General, Dept. of Corrections, Dept. of Safety, and Commissioner on Disability), as well as, Granite State Independent Living and Northeast Deaf and Hard of Hearing Services, Inc. \$10.00 is appropriated to support the designated non-profit organization being developed to enhance interpreter referral and related services. Vote 12-0.

Amendment (0159h)

Amend the bill by replacing all after the enacting clause with the following:

1 Purpose. The New Hampshire task force on deafness and hearing loss, established in 2000, 234, determined that the needs of the deaf and hard of hearing community are complex and will require sustained effort to address, including ongoing support for effective interpreter referral services. The task force also determined that access to qualified interpreters in executive, legislative, and judicial proceedings is a significant concern in the administration of justice and the execution of other critical government functions. The task force has not had the opportunity to include several key state agencies in its discussions of those issues. The task force has identified additional steps that should be taken over the next year to ensure that the work it has begun will continue. It is the intent of the general court that each state department make use of interpreters, utilizing interpreter referral services through Northeast Deaf and Hard of Hearing Services, Inc. or other qualified deaf and hard of hearing consumer governed organizations, to facilitate the scheduling of appropriately qualified interpreters for citizens who are deaf or hard of hearing.

2 New Subparagraphs; Task Force Established; Membership Enlarged. Amend 2000, 234:2, I by inserting after subparagraph (l) the following new subparagraphs:

- (m) The attorney general, or designee.
- (n) The commissioner of the department of safety, or designee.
- (o) The commissioner of the department of corrections, or designee.
- (p) The executive director of Granite State Independent Living, or designee.
- (q) The executive director of the governor's commission on disability.
- (r) The executive director of Northeast Deaf and Hard of Hearing Services, Inc.
- (s) Any other appropriate person designated by the task force.

3 New Paragraphs; Task Force Duties Expanded. Amend 2000, 234:4 by inserting after paragraph V the following new paragraphs:

VI. Advise and support the enhancement of interpreter referral and related services offered to state agencies, businesses, and other entities that interact with citizens who are deaf and hard of hearing through Northeast Deaf and Hard of Hearing Services, Inc. or other qualified deaf and hard of hearing consumer governed organizations.

VII. Consider how Northeast Deaf and Hard of Hearing Services, Inc., or other qualified deaf and hard of hearing consumer governed organizations can assist state agencies, particularly those involved in the administration of justice, to fulfill their obligations to individuals who are deaf or hard of hearing, consistent with state and federal law.

VIII. Encourage all state departments to utilize the interpreter referral services made available through Northeast Deaf and Hard of Hearing Services, Inc. or other qualified deaf and hard of hearing consumer governed organizations.

4 New Section; Extension of Task Force; Final Report. Amend 2000, 234 by inserting after section 5 the following new section:

234:5-a Extension of Task Force; Final Report. The task force shall remain in effect until November 1, 2001, and its members shall continue to serve until November 1, 2001. The task force shall submit its final report and recommendations, including proposals for legislation, to the governor and council, the speaker of the house, and the president of the senate on or before November 1, 2001.

5 Appropriation. To foster the stability and effectiveness of the newly established Northeast Deaf and Hard of Hearing Services, Inc., or other qualified deaf and hard of hearing consumer governed organizations, an appropriation in the amount of \$10 is made for each year of the biennium to the

governor's commission on disability for the purpose of supporting the designated non-profit organization's development and to assist it in securing contracts, private and public grants, and other funding sources for the organization's continued operation.

6 Effective Date. This act shall take effect upon its passage.

Adopted.

Rep. Millham yielded to questions.

Report adopted and ordered to third reading.

HB 434, relative to persons who die in nursing homes. **INEXPEDIENT TO LEGISLATE**

Rep. Phyllis M. Katsakiores for Health, Human Services and Elderly Affairs: The committee strongly felt that circumstances surrounding the death of a person in a nursing home is best left up to the nursing home and its staff, who are trained to handle these situations. The committee also recognizes that the family, surviving residents and facility staff need an opportunity to say good-bye and should not be denied their need and right to grieve. Removing a recently deceased nursing home resident should be treated with dignity and respect. Implementation of this bill would seriously compromise the situation. With all due respect to the sponsors, testimony heard by the committee does not support the need for this legislation. Vote 17-0.

Rep. Brennan spoke against.

Rep. Micklon spoke in favor.

Rep. Phyllis Katsakiores spoke in favor and yielded to questions.

Adopted.

HB 173-FN, relative to the place and time of detention. **INEXPEDIENT TO LEGISLATE**

Rep. Larry G. Elliott for Judiciary: The majority of the committee found that the elimination of Saturday arraignments would disproportionately impact indigent defendants. This would be a poor policy for the state to enter into because of its potential effects. The bill also could have an economic impact on individuals who work weekends and were unable to afford bail. Vote 11-5.

Adopted.

HB 214-FN, requiring transcription of grand jury proceedings. **INEXPEDIENT TO LEGISLATE**

Rep. Thomas Rice, Jr. for Judiciary: Many committee members sympathized with and supported the concept of this bill – that any person secretly indicted by a grand jury should have a transcript in order to defend oneself. However, the compelling objections to this proposition were: (1) destroying the secrecy of the inquiry could inhibit a thorough and conclusive investigation, including jeopardizing the anonymity of witnesses; and (2) the additional cost to the counties for transcriptions was considered a definite violation of Article 28-a. Vote 18-1.

Rep. Mock yielded to questions.

Rep. DiFruscia moved Re-commit to Committee, spoke in favor and yielded to questions.

Rep. Mock spoke against.

Without objection, Rep. DiFruscia withdrew his motion.

Committee report adopted.

HB 320-FN, relative to leasing certain portions of railroad properties. **OUGHT TO PASS**

Rep. John W. Flanders for Transportation: The committee felt that this bill was necessary and it has wide support. The Department of Transportation supported it. This income from such leases will be deposited into the special railroad fund, which is used for rail upkeep. Vote 11-0.

Rep. John Flanders yielded to questions.

Adopted and referred to Ways and Means.

Rep. Leishman declared a conflict of interest and did not participate.

SENATE MESSAGE

CONCURRENCE

HB 763-L, relative to obligations of county governments.

ENROLLED BILL REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled House Bill 763.

Rep. Nowe, Sen. Pignatelli for the Committee.

SUSPENSION OF RULES

Reps. Scanlan and Burling moved that the Rules be so far suspended as to permit the deadline date for introduction of House Bills be extended until March 8, 2001.

Adopted by the necessary two-thirds.

RESOLUTION

Rep. Scanlan offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Thursday, March 8, 2001.

Adopted.

LATE SESSION

Third reading and final passage

HB 120, relative to the membership of the department of youth development advisory board.

HB 265, prohibiting the sale of rolling papers to minors.

HB 237, relative to filling a vacancy in an alumni trustee position on the board of trustees of the university system.

HB 124, establishing a committee to study on-line voting and electronic voting.

HB 245, relative to the duties and staff of the state geologist.

HB 371, relative to fiscal impact statements for proposed administrative rules prepared by the legislative budget assistant.

HB 236, relative to the registration of deer.

HB 389, establishing a committee to study the nursing home industry in New Hampshire.

HB 157, clarifying the immunity from liability of persons providing emergency care.

HB 203, allowing a psychiatric/mental health nurse practitioner employed under contract with the department of corrections to be indemnified and defended by the state under the same conditions as psychiatrists.

HB 215, relative to publication of status of cases before the supreme court.

HB 194, relative to municipal budget hearings, recommendations, and reports.

HB 263, naming a sidewalk in Wolfeboro the Kenneth J. MacDonald Memorial Sidewalk.

HB 260, establishing a commission to examine child care resources for parents who work hours other than first shift.

HB 273, relative to the purpose of state jurisdiction of fish and game regulation.

HB 134, permitting challenges to judges.

HB 256, limiting the liability of law enforcement agencies and their employees for injuries caused by dogs used in law enforcement work.

HB 326-FN-A, relative to the continuation of the New Hampshire task force on deafness and hearing loss and making an appropriation therefor.

PERSONAL PRIVILEGE

Rep. Carlos Gonzales addressed the House.

UNANIMOUS CONSENT

Reps. Betty Hall, Donald White and DiFruscia addressed the House.

RECESS MOTION

Rep. Scanlan moved that the House stand in recess for the purposes of introduction of bills, receiving Senate messages, enrolled bill amendments and enrolled bill reports only.

Adopted.

The House recessed at 1:45 p.m.

RECESS

(Rep. Wendelboe in the Chair)

RESOLUTION

Rep. Kurk offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, House Bill numbered 25, shall be by this resolution read a first and second time by the therein listed title, sent for printing, and referred to the therein designated committee.

Adopted.

INTRODUCTION OF HOUSE BILL

First, second reading and referral

HB 25-FN-A, making appropriations for capital improvements. (E. Smith, Ches 6: Public Works and Highways)

RECESS

(Rep. Hess in the Chair)

RESOLUTION

Rep. Tholl offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, House Bills numbered 764 and 765 shall be by this resolution read a first and second time by the therein listed titles, sent for printing, and referred to the therein designated committees.

Adopted.

INTRODUCTION OF HOUSE BILLS

First, second reading and referral

HB 764-FN, relative to interference with custody. (Burnham, Ches 8; Avery, Ches 8: Criminal Justice and Public Safety)

HB 765-FN-A, establishing an historic homeownership mortgage credit program. (M. Fuller Clark, Rock 36; Melcher, Hills 11; Musler, Straf 6; Robb, Sull 11; D'Allesandro, Dist 20; Below, Dist 5; Disnard, Dist 8; Hollingworth, Dist 23: Commerce)

RECESS

(Speaker Chandler in the Chair)

Rep. Scanlan moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 8

Thursday, March 8, 2001

The House assembled at 10:00 a.m. and was called to order by the Speaker.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

Blessed Creator and Guardian of all, we give You thanks today for all the men and women of our beloved New Hampshire who answer the emergency call to duty as fire fighters, EMTs or rescue squad members.

Today we acknowledge, especially, Your servant, Leslie Townes. When the emergency tone is sounded, please be with all who respond in love and skill to bring Your compassion into difficult and often tragic circumstances; give them a calm spirit in the knowledge that You stand with them as they serve others; and when the final tone is sounded and they respond to their heavenly home, receive them into larger life where there is no pain or grief, and may they hear Your words, "Well done, my good and faithful servant. Inherit the Kingdom prepared for you." By the grace of God, we pray. Amen.

Rep. Robert F. Chabot led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. David Cote, Ford, Henderson, Ronald Russell, Tate and Whittemore, the day, illness.

Reps. Paula Bradley, Bouldin, Cardin, Cox, Crosby, DePecol, Dodge, Drisko, Duval, Flanagan, Donald Flanders, Grassie, Heon, Hill, Itse, O'Connell, O'Keefe, Marsha Pelletier, Robertson and Solow, the day, important business.

Rep. Taylor, the day, death in the family.

INTRODUCTION OF GUESTS

Charlie True, Shirley Bear, Alice Stevens, Daniel King, Bob Flying Eagle, Jimmy Thunderheart and his son Christopher, Kirk Maracle, Peter Newell, Linda and Don Newell, guests of Rep. Kenney. Kerry Marsh, guest of Reps. Edwin Smith, Fairbanks and Edwards. Kristina Gerdt, guest of Rep. Boyce. Sean VanderVliet, guest of Reps. Burling and Scovner. Mrs. Janiak's 4th grade class from Reed Ferry School, guests of the Merrimack Delegation. Victoria and Malya Robinson, daughter and granddaughter of Rep. Schultz. Belmont, Hillsborough-Deering and Moultonborough Best Schools Initiative teams, guest of Reps. Patten and Thomas.

The House offered the following:

HOUSE RESOLUTION NO. 9

Memorializing State Representative Bernard J. Lambert of West Swanzey

WHEREAS, it is with great sorrow that we have learned of the death of our colleague Bernard J. Lambert of West Swanzey, known to his friends as "Mickey"; and

WHEREAS, as a first term representative from Cheshire County District #11, Bernard J. Lambert served with great pride and enthusiasm on the Fish and Game Committee; and

WHEREAS, having been born in West Swanzey and spent his entire life there, he served his community as a Swanzey selectman, deputy Civil Defense director, deputy Fire Chief, and as a member of the West Swanzey Fire Department for almost forty years; and

WHEREAS, being a sports enthusiast, he was a member and past president of the governing board for the West Swanzey Athletic Association, a regular attendee at ball games at local fields and a fan of the Keene Swamp Bats baseball team; and

WHEREAS, those who knew him well say that for at least forty-eight years he annually planned well in advance to attend the Bradford, Vermont Game Supper, was in regular attendance at church suppers in Cheshire County, and diligently patrolled the restaurants on Route 10 from Winchester to Keene; and

WHEREAS, he had a knack for making people happy, whether by taking children to the fair or circus or by noticing little details like a need for picnic tables to make an area of town more enjoyable; and

WHEREAS, when he laughed, his eyes closed like he really enjoyed the laughter; now, therefore, be it

RESOLVED, by the House of Representatives in Regular Session convened, that Bernard J. Lambert be saluted for his outstanding and dedicated service to his community and his state, and be it further

RESOLVED, that expressions of heartfelt sympathy be extended to his family and all who loved him, and that a copy of this Resolution be prepared for presentation to them.

Unanimously adopted by a rising vote.

Rep. Burling addressed the House.

Rep. Herman moved that remarks made by Rep. Burling be printed in the Journal.

Adopted.

REMARKS

Rep. Burling: Thank you, Mr. Speaker. I wanted to take just a minute, not even that, to recognize the miracle of this man's life. You know, we are so many and so many of us don't get a chance to meet each other until four or five terms into this process, that sometimes we lose folks without ever knowing how really exceptional they were. Mickey was such a man and I didn't get to know that until this campaign season; until I had a chance to meet him; until I had a chance to attend his calling hours. It is incredible to me that the state of New Hampshire can continue to come up with such wonderful folks, such dedicated public servants, people who will give so much of themselves. I'm sure every one of you has been in a similar circumstance but I wanted to share with you the notion that, standing in back of the calling hours watching as friends from Swanzy and Keene moved through, I listened to the stories people told about Mickey, and every one of them was characterized by a sense of marvel at the generosity of the man, the humor of the man, and the incredible fortitude with which he addressed everything that came before him. Thank you for listening. I just wanted to say one last time to the people of Swanzy, "Thank you for sharing, for just a moment, the exceptional man, Mickey Lambert."

COMMUNICATION

February 28, 2001

Gene G. Chandler, Speaker

Dear Mr. Speaker,

I, Roland O. Beaupre of 142 Brock Street, Manchester, NH, 03102, with much regret do submit my resignation from the New Hampshire General Court, House of Representatives, effective immediately. I was formally living at 2904 Brown Avenue, Manchester, NH 03103, Hillsborough County, District 44 which is in Ward 8.

Having been in the House for more than 8 years, I enjoyed my participation very much. Hopefully, I will be able to pursue this again in the near future.

Respectfully, Roland O. Beaupre, Hills. 44

The Speaker accepted the resignation with regret.

SUSPENSION OF RULES

Reps. Scanlan and Burling moved that rules be so far suspended so that March 15, 2001 shall be the deadline for reporting House FN bills referred to a second committee and to permit late reporting and action by April 19, 2001 on the following House Bills:

HB 336-FN-A, making capital appropriations to the university system of New Hampshire.

HB 604-FN, relative to increasing certain fees and making other changes to fish and game licenses.

HB 642-FN-L, abolishing county departments of corrections and authorizing the department of corrections to contract with the counties to utilize former county correctional facilities as state facilities.

HB 743, transfers the department of youth development services to the department of health and human services.

HB 759-FN-A-L, establishing a flat rate education income tax, relative to the state education property tax and certain other taxes, and relative to other sources of funding for education.

HB 761-FN-A-L, relative to a statewide school tax on income for purposes of funding a constitutionally adequate education and making an appropriation therefor.

HB 762-FN-A, increasing the tobacco tax to allow for a healthy families trust fund and for increased funding for the tobacco use prevention fund.

HB 765-FN-A, establishing an historic homeownership mortgage credit program.

Reps. Herman and Burling spoke in favor.

Adopted by the necessary two-thirds.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Scanlan moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HR 6, recognizing the ancient and aboriginal claim of Indians in the state to hunt and fish, removed by Rep. Kenney.

HJR 2, directing the department of transportation not to proceed with construction of a new visitor's center at the Intervale scenic vista in North Conway without approval of the Conway design review committee and the Conway board of selectmen, removed by Rep. Dickinson.

HB 583, making certain changes to the underground utility damage prevention system, removed by Rep. Thomas.

HB 184-FN-A, establishing a 3 percent sales and use tax for the purpose of funding public education, removed by Rep. Benjamin Moore.

HB 297-FN-L, eliminating excess education property tax payments, removed by Rep. Pepino.
Consent Calendar adopted.

HB 407, establishing a committee to study the fair pricing of prescription drugs. **INEXPEDIENT TO LEGISLATE**

Rep. Kathleen N. Taylor for Commerce: This bill would create a study committee on a subject that is already being studied. There is also a Northeast Interstate Commission on Prescription Drug Prices that is working on this issue with representatives of all the New England states including New Hampshire. The sponsor has been encouraged to submit legislation to accomplish his intent, rather than for another study committee. Vote 15-0.

HB 180-FN, relative to criminal neglect of elderly, disabled, or impaired adults. **OUGHT TO PASS WITH AMENDMENT**

Rep. Maxwell D. Sargent for Criminal Justice and Public Safety: This bill addresses the issue of criminal neglect of the elderly by a caregiver. This bill makes it a class B felony for a caregiver to knowingly or recklessly cause serious bodily injury by neglect of an elderly, disabled or impaired adult. Neglect is specifically defined as repeated conduct or a single incident, which produces or could reasonably be expected to result in serious bodily injury. The committee heard of a horrifying case of neglect in Manchester, for which the authorities were in a quandary about what charges to bring forth. This bill is intended for those most serious and egregious cases of neglect. It also includes a provision to protect a person's right to self-determination or right to refuse treatment, and also a person's right to spiritual healing even if that conflicts with recommended medical treatment. Vote 14-0.

Amendment (0042h)

Amend RSA 631:8, I (g) as inserted by section I of the bill by replacing it with the following:

(g) "Neglect" means the failure or omission on the part of the caregiver to provide the care, supervision, and services necessary to maintain the health of an elderly, disabled, or impaired adult, including, but not limited to, food, clothing, medicine, shelter, supervision, and medical services, that a prudent person would consider necessary for the well-being of an elderly, disabled, or impaired adult. The term "neglect" also means the failure of a caregiver to make a reasonable effort to protect a disabled adult or an elderly person from abuse, neglect, or exploitation by others. "Neglect" is repeated conduct or a single incident which produces or could reasonably be expected to result in serious bodily injury.

Amend RSA 631:8 as inserted by section I of the bill by inserting after paragraph III the following new paragraphs:

IV. Nothing in this section shall be construed to alter or impair a person's right to self-determination or right to refuse medical treatment as described in RSA 151:21 and RSA 151:21-b.

V. Nothing in this section shall be construed to mean a person is abused, neglected, exploited, or in need of protective services for the sole reason that such person relies on or is being furnished treatment by spiritual means alone through prayer, in accordance with the tenets and practices of a church or religious denomination of which such person is a member or an adherent.

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect upon its passage.

HB 308-FN, relative to administrative fees added to restitution payments. **OUGHT TO PASS**

Rep. Patricia M. O'Keefe for Criminal Justice and Public Safety: This bill eliminates a provision of law that would have discontinued the 17 percent administrative fee to the total restitution payment ordered by the court. RSA 651:63, effective 7/1/97, added a seventeen percent (from 2 percent) administration fee to total restitution costs. 15% of this fee is continually appropriated to the Dept. of Corrections Field Services. Out of the 15% \$22,500 lapses at the end of each quarter to the General Fund if that amount is received. Anything over and above \$22,500 each quarter is kept by the Department of Corrections. The Dept. of Corrections portion of the money has been considered invaluable to the Department and has been used to purchase equipment and to help cover additional probation/parole officer expenses. Vote 15-0.

HB 325-FN, relative to certain acts of sexual assault. **OUGHT TO PASS**

Rep. Maxwell D. Sargent for Criminal Justice and Public Safety: This bill is the result of a study committee. It reduces the penalty from a Class B felony to a Class A misdemeanor for underage persons having consensual sex. It provides an exception to the statutory rape laws in cases where there is an age differential of 4 years or less between the actor and a person who is between the ages of 13 and 16, where there is no evidence of coercion, force or intimidation on the part of the actor. This age differential is mirrored in the laws of other states. Much of the wording in the bill was provided by a county prosecutor supporting this change. This change also removes teenagers from the requirements of the sexual offender registration law. The philosophy in the bill also has the support of the director of the Sexual Offender Program at the Dept. of Corrections and the NH Coalition Against Sexual and Domestic Violence. Vote 15-0.

HB 343-FN-L, relative to certain individuals taken into protective custody. **INEXPEDIENT TO LEGISLATE**

Rep. John E. Tholl, Jr. for Criminal Justice and Public Safety: This bill addresses the need to return a person to the town in which they were taken into protective custody. Testimony revealed that numerous times a person is ready to be released but is not able to obtain transportation from the jail possibly resulting in the person being released in a remote area in bad weather. HB 442 being heard in Municipal and County Government proposes a study of the protective custody issue and will more appropriately address that problem and possible answers. This bill also may create a 28-a problem. Vote 14-0.

HB 356, prohibiting persons convicted of any criminal offense or found guilty of violating any law governing gambling conducted by charitable organizations from participating in the conduct of lucky 7 or sale of lucky 7 tickets. **INEXPEDIENT TO LEGISLATE**

Rep. Robert M. Fesh for Criminal Justice and Public Safety: This bill is intrusive on business and charitable organizations. There appears to be no problem that needs fixing. Vote 14-0.

HB 361, establishing a committee to study certain policies and procedures in the department of corrections. **OUGHT TO PASS WITH AMENDMENT**

Rep. Beth Rodd for Criminal Justice and Public Safety: This bill is a result of recommendations of a study committee that met throughout the spring, summer and fall of last year. In investigating allegations of harassment, misconduct and multiple levels of complaints throughout the Department of Corrections, the committee concluded that a more thorough investigation of the DOC's administrative and personnel issues was warranted. The Commissioner of Corrections is supportive of the bill and has agreed that the DOC will cooperate in the study. This study committee will also consider any recommendations that may be contained in a future performance audit of the Department of Corrections. Vote 15-0.

Amendment (0116h)

Amend the bill by replacing section 5 with the following:

5 Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2002.

HB 437-FN, relative to certain changes to the child pornography statutes. **INEXPEDIENT TO LEGISLATE**

Rep. Patricia M. O'Keefe for Criminal Justice and Public Safety: This bill seeks to make the sale, publication and distribution of certain visual representations of unclothed children a felony. Constitutional issues were raised during the hearing as well as questions regarding the ambiguity and subjectivity of such matters. This bill is well intended but extremely broad in scope. There was testimony from law enforcement at the subcommittee meeting that the current statute is comprehensive and enforceable. The significant changes that this bill would enact could possibly jeopardize the constitutionality of the existing statute. Vote 14-0.

HB 322-FN-L, establishing a maximum per pupil amount for high school tuition contracts. **INEXPEDIENT TO LEGISLATE**

Rep. Charles Sova for Education: This bill would have capped the cost of tuition contracts for out-of-district placements of high school students. The committee felt this would not be fair to the receiving district(s). A school district, which capped its tuition costs, could find that no receiving district would agree to accept its school children. Vote 17-0.

HB 486, relative to vocational education alternatives for public school pupils. **INEXPEDIENT TO LEGISLATE**

Rep. John R.M. Alger for Education: The committee is reluctant to impose requirements on local schools, which this bill requires, especially since testimony from the Department of Education was that the state already has numerous vocational high schools serving about 25,000 students across the state. Also, the sponsor communicated with the committee chairman and suggested that the issue was important, but that the bill was premature. Vote 17-0.

HB 487, establishing a committee to study safety issues relating to the transportation of kindergarten students. **INEXPEDIENT TO LEGISLATE**

Rep. Iris W. Estabrook for Education: The transportation safety concerns raised in this bill will be incorporated into a wider discussion of school bus issues by a subcommittee of the Transportation Committee. The Education Committee supports this approach. Vote , 17-0.

HB 165, relative to the requirement for including constitutional amendments in the warrant posted at the polling place before general elections. **INEXPEDIENT TO LEGISLATE**

Rep. Michael S. Rollo for Election Law: This bill would eliminate the requirement for local election officials to post constitutional amendments prior to state general elections. For many voters this is the first opportunity to see offered amendments that are not highly publicized. The committee believes it is very important to retain this procedure. Therefore, the committee recommends the bill be found Inexpedient to Legislate. Vote 18-0.

HB 188-FN, allowing veterans the right to purchase credit in the retirement system for certain service in the armed forces. **INEXPEDIENT TO LEGISLATE**

Rep. Merton S. Dyer for Executive Departments and Administration: This bill would allow members of the New Hampshire Retirement System to purchase up to 4 years of military service time to add to their creditable service time in the New Hampshire Retirement System. The New Hampshire Retirement System was established to provide employees of the state and political subdivisions with an additional benefit for the years they had worked for their employer. The committee respects the time that many have spent in defense of this country. However, military service is not related to the employment record with the state and should not be counted toward retirement. Vote 12-2.

HB 344-FN, establishing a state office of privacy. **INEXPEDIENT TO LEGISLATE**

Rep. Donald R. Lent for Executive Departments and Administration: In addition to creating a state office of privacy, the bill creates a new individual right of privacy which carries with it an opportunity to bring legal action for damages against the state for violations. This is one of two privacy bills the committee has heard. After two subcommittee meetings for both bills and consultation with various state offices, the subcommittee expects a more lengthy study of HB 314, which may prove to be a better vehicle for crafting privacy policy in the state. Vote 14-0.

HB 385, changing the name, membership and duties of the office of volunteerism. **OUGHT TO PASS WITH AMENDMENT**

Rep. Nelson S. Allen for Executive Departments and Administration: Even though Tennessee has the motto, "Volunteer State," New Hampshire is the number one state in the nation for volunteer

participation. The Office of Volunteerism was established in an earlier session of the legislature. This bill changes the name to Volunteer NH and describes the duties and supporting organizational structure. The amendment clarifies that the Governor and Executive Council appoint a 15-member board of directors and an executive director, that volunteers will be recognized for service and removes the provision that Volunteer NH reports include recommendations for future legislation. Vote 14-0.

Amendment (0192h)

Amend RSA 19-H:1, I(a) as inserted by section 1 of the bill by replacing it with the following:

(a) The following members, appointed by the governor and executive council:

(1) An individual with expertise in the educational, training, and developmental needs of youth, particularly disadvantaged youth.

(2) An individual with experience in promoting the involvement of adults 55 years of age or older in service and volunteerism.

(3) A representative from a community-based agency or community-based organization with volunteer participation.

(4) A representative from local government.

(5) A representative from a local labor organization.

(6) At least one representative from the business community.

(7) An individual between 16 and 25 years of age, inclusive, who is or has been a participant or supervisor in a service program.

(8) A representative of a national service program described in section 122(a) of the National and Community Service Act of 1990, as amended.

(9) A representative from the religious community.

(10) A representative from the philanthropic community.

(11) A representative from post-secondary education.

Amend RSA 19-H:4, I as inserted by section 1 of the bill by replacing it with the following:

I. The board may organize an advisory council and program committees to develop, promote, execute, sustain, and provide education and recognition to volunteer activities and programs in New Hampshire.

Amend RSA 19-H:6 as inserted by section 1 of the bill by replacing it with the following:

19-H:6 Report. The board shall submit an annual report of its activities to the governor and council, the senate president, and the speaker of the house of representatives.

HB 312-FN, increasing the agent fee for fish and game licenses. INEXPEDIENT TO LEGISLATE

Rep. Eric Stohl for Fish and Game: The intent of this bill is to increase the agent's fee from one dollar (\$1.00) to two dollars (\$2.00) per license issued. The majority of the committee found that the agent fee of one dollar (\$1.00) per license sold was a sufficient reimbursement for the services rendered by the agent. The license form itself is comprised of 17 different licenses and the agent receives one dollar (\$1.00) for each different license type sold. Vote 15-2.

HB 388, clarifying the rights of patients of nursing facilities in the event of a proposed transfer or discharge from the facility. OUGHT TO PASS WITH AMENDMENT

Rep. Robert F. Chabot for Health, Human Services and Elderly Affairs: This bill is basically a housekeeping bill in that the change in wording and meaning and intent is for compliance with federal statutes. The amendment was a result of subcommittee work. Vote 15-0.

Amendment (0194h)

Amend the bill by replacing section 3 with the following:

3 Transfer or Discharge of Patients. RSA 151:26 is repealed and reenacted to read as follows:
151:26 Transfer or Discharge of Patients.

I. A facility shall not transfer or discharge a patient except for those reasons listed under RSA 151:21, V.

II. (a) Transfer or discharge of a patient shall in all instances be preceded by written notice which shall contain the following:

(1) The reason for the proposed transfer or discharge;

(2) The effective date of the proposed transfer or discharge;

(3) The location to which the patient is transferred or discharged;

(4) The name, address and telephone number of the long-term care ombudsman, established under RSA 161-F:10, and the designated agency responsible for the protection and advocacy system for a developmentally disabled or mentally ill individual;

(5) A statement which shall read: "You have a right to appeal the facility's decision to transfer or discharge you. If you think you should not have to leave this facility, you may file an appeal in superior or probate court." If the patient is in a skilled nursing facility or nursing facility certified under Title XVIII or Title XIX of the Social Security Act, the statement shall inform the patient of his or her right to request an administrative hearing before the department of health and human services. Except as specified in paragraph II(b) of this section, written notice of transfer or discharge shall be given at least 30 days before the resident is transferred or discharged. A copy of the notice shall be placed in the patient's clinical record and a copy shall be transmitted to the patient, the patient's next of kin, the patient's personal representative, legal guardian, the long-term ombudsman in the office of the ombudsman established under RSA 161-F:10, the designated agency responsible for the protection and advocacy system for a developmentally disabled or mentally ill individual, and the person or agency responsible for the patient's placement, maintenance, and care in the facility.

(b) Written notice as specified in subparagraph II(a) shall be given as soon as practicable before transfer or discharge in the following circumstances:

(1) If an emergency transfer or discharge is mandated by the patient's health care needs and is in accord with the written orders and medical justification of the patient's physician;

(2) If the transfer or discharge is mandated by the health or safety of other individuals in the facility, as documented in the patient's clinical record upon consultation with the patient's physician;

(3) If the transfer or discharge is requested by the patient or the patient's legal guardian, and notification is given to the next of kin and the person or agency responsible for the patient's placement, maintenance, and care in the facility;

(4) If the patient's health has improved sufficiently so the patient no longer needs the services provided by the facility, as documented in the patient's clinical record by the patient's physician; or

(5) If the patient has resided in the facility for less than 30 days.

(c) The basis for the transfer or discharge shall be documented in the patient's clinical record. The facility shall consult with the patient's physician prior to transferring or discharging the patient for medical reasons or for the patient's welfare or that of other patients. The documentation of the basis for the transfer or discharge shall be made by:

(1) The patient's physician if the transfer or discharge is necessary because the patient's needs cannot be met in the facility;

(2) The patient's physician if the transfer or discharge is appropriate because the patient's health has improved sufficiently so the patient no longer needs the services provided by the facility;

(3) A physician if the health of individuals in the facility would be endangered.

III. Transfer or discharge of a patient of a skilled nursing facility or nursing facility certified under Title XVIII or Title XIX of the Social Security Act shall take into account any additional rights and safeguards prescribed by the commissioner of the department of health and human services and the secretary of the United States Department of Health and Human Services.

IV. Upon notice, a patient may petition the superior or probate court to enjoin the facility's decision to transfer or discharge. This petition shall stay any transfer or discharge pending a decision.

HB 479, relative to dead bodies. OUGHT TO PASS WITH AMENDMENT

Rep. Joseph P. Manning for Health, Human Services and Elderly Affairs: This bill allows persons to supply their coffins or urns in advance of death. The amendment allows their survivors to do so for them. Vote 17-0.

Amendment (0167h)

Amend the bill by replacing section 1 with the following:

1 New Section; Vessels for Burial or Cremation. Amend RSA 290 by inserting after section 3-b the following new section:

290:3-c Vessels for Burial or Cremation. Notwithstanding any provision of law to the contrary, a person, or the person's authorized representative, may provide a coffin or urn for burial or cremation purposes.

AMENDED ANALYSIS

This bill authorizes any person, or the person's authorized representative, to supply a coffin or urn for interment purposes.

HB 532, establishing a committee to study the adequacy of funding for the continued universal distribution of children's vaccines. **OUGHT TO PASS**

Rep. Barbara C. French for Health, Human Services and Elderly Affairs: The committee has learned that the present funding mechanism (federal, state and private) is in jeopardy. The vaccine program has a significant role to play in our children's health. This bill simply establishes a study committee. Vote 16-0.

HB 357, relative to periodic payments of judgments **OUGHT TO PASS WITH AMENDMENT**

Rep. John M. Pratt for Judiciary: This bill requires the court to hold a hearing whenever the conditions of court ordered periodic payments of judgments are to be altered, unless the parties agree otherwise or no objection is filed. Vote 15-0.

Amendment (0218h)

Amend RSA 524:6-a as inserted by section 1 of the bill by replacing it with the following:

524:6-a Periodic Payment of Judgments. Whenever judgment is rendered against any person in this state, the court in which the judgment is rendered shall either at the time of rendition of the judgment inquire of the defendant as to the defendant's ability to pay the judgment in full or, upon petition of the plaintiff after judgment, order the defendant to appear in court for such inquiry. The court may at either time order the defendant to make such periodic payments as the court in its discretion deems appropriate. If the court orders the defendant to make periodic payments at the time of rendition of judgment, the order shall not provide for payments to begin until after the appeal period has expired. Failure to make such periodic payments shall constitute civil contempt of court. The court may order the appropriate agencies to make an investigation and recommendation as to the defendant's ability to pay the judgment. The judgment may be enforced against any property of any kind of the debtor, except such property as is now exempt from attachment or execution. *If a defendant has not been found to be in contempt of court for noncompliance with an order, the court shall not review, revise, modify, suspend, or revoke the order for periodic payments except after a hearing before the court; unless the parties agree otherwise or no objection is filed.*

AMENDED ANALYSIS

This bill requires a hearing in order for a judge to change an order for periodic payments made against a judgment debtor, unless the parties agree otherwise or no objection is filed.

HB 377, permitting the State of New Hampshire to file petitions with the probate court seeking review of actions by a power of attorney **OUGHT TO PASS**

Rep. Robert H. Rowe for Judiciary: This bill is a name change in the existing statute, changing one of the authorized agencies from "Office of the Ombudsman under RSA 161-F:10" to "Department of Health and Human Services". The change was made at the request of the Department of Health and Human Services and the Office of the Attorney General. No material change in the law has been made. Vote 13-2.

HB 242, extending the reporting deadlines for certain study committees and commissions. **OUGHT TO PASS**

Rep. Maurice E. Goulet for Legislative Administration: This is a consolidated bill to extend the reporting deadlines for the following Study Committees: 1. Priority and Funding of Projects in the 10 Year Highway Plan Study (until November 2001); 2. Relationship between Public Health and the Environment Study (until November 2002); 3. Penalties for Driving under the Influence of Liquor or Drugs Study (until November 2001); 4. Land Use Management and Farmland Preservation Study (until November 2002); and, 5. Women's Health Care Study (until November 2001). The committee found no reason not to extend the reporting deadlines. Vote 13-0.

HB 244, establishing a commission to examine the size, compensation, and staff requirements of the legislature. **INEXPEDIENT TO LEGISLATE**

Rep. Marsha L. Pelletier for Legislative Administration: The size, compensation, and staff requirements of the legislature are being addressed in other bills separately. The committee felt

redistricting should come before evaluating the membership of the House of Representatives. This bill spoke to reducing membership by a committee composed of members other than House Committee Members. The House Rules currently give power to the Speaker for staff requirements. Vote 13-1.

HB 149, naming the rest area at exit 6 on the F.E. Everett Turnpike the "Indian Head Rest Area." **INEXPEDIENT TO LEGISLATE**

Rep. Candace C. W. Bouchard for Public Works and Highways: At this time no Welcome Center (border rest area) or Information Center (interior rest area) is named. The committee understands the historic significance of the "Indian Head" symbol to the city of Nashua, but concurs the purpose of the Welcome/Information Centers are to welcome and inform visitors to the entire state, and best left generic as to not favor one community. There was also conflicting testimony from Nashua citizens as to "Indian Head" being the best name for the rest area at exit 6 on the F.E. Everett Turnpike. Vote 17-2.

HB 254, naming a certain bridge in the town of North Charlestown. **OUGHT TO PASS WITH AMENDMENT**

Rep. John P. Gleason for Public Works and Highways: The committee felt that it is most appropriate to recognize Brigadier General Ernest A. Bixby with the naming of the bridge on route 12A (River Road) over the New England Central Railroad in the town of Charlestown in his memory. Thanks to the General's generous foresight, students in the Charlestown area currently enjoy the benefit of a scholarship fund that he provided. Vote 19-0.

Amendment (0166h)

Amend the title of the bill by replacing it with the following:

AN ACT naming a certain bridge in the town of Charlestown.

Amend the bill by replacing section 1 with the following:

1 The Brigadier General Ernest A. Bixby Memorial Bridge. Pursuant to RSA 4:43, the bridge located on route 12A also known as River Road, over the New England Central Railroad Bridge number 076/081, in the town of Charlestown is hereby named the Brigadier General Ernest A. Bixby Memorial Bridge in honor of Ernest A. Bixby who retired as a brigadier general in the United States Army, and left a scholarship fund for students in the Charlestown area which is active to this day.

AMENDED ANALYSIS

This bill authorizes the naming of a bridge located on route 12A also known as River Road in the town of Charlestown after Brigadier General Ernest A. Bixby.

HB 321-FN, relative to certain construction projects in Rollinsford. **INEXPEDIENT TO LEGISLATE**

Rep. Elizabeth C. Shultis for Public Works and Highways: This bill requires the Department of Transportation to perform certain construction projects including the installation of a flashing yellow light before a fire station, and a sidewalk to replace a cinder path that has been removed. The committee agreed that the procedure for installing a traffic light should begin in the municipality that may have the need. Since sidewalk projects may be eligible for Federal Highway Enhancement funds, the committee recommended that this request go to the Regional Planning Commission for inclusion in 10-Year Plan requests. Vote 19-0.

HB 421, establishing a committee to study the procedure for sale of lands purchased with state funds. **INEXPEDIENT TO LEGISLATE**

Rep. Candace C. W. Bouchard for Public Works and Highways: The intent of the sponsor was not clear as to which lands or departments involved with land purchase proposed this committee should study. Our committee heard no testimony that the existing procedure for land purchase, as defined in RSA 4:40, was not working. Parcels being considered for sale are brought before the Council of Resources and Development for review. The review process includes sharing information about the parcel with the community, the county and the Regional Planning Commission in which the land is located. Vote 16-0.

HB 561-FN-A, abolishing tolls along state highways and increasing the gasoline tax. **INEXPEDIENT TO LEGISLATE**

Rep. Michael J. Rozek for Public Works and Highways: The committee found that state revenues needed to repay highway bonds would not be satisfied with a 2-cent increase in the state gasoline tax. A 2-cent increase would yield approximately \$13 million annually in revenue. The New Hampshire Highway Toll System currently collects approximately \$60 million annually. \$370 million is currently outstanding in highway bonds. The committee is waiting for the Wilbur-Smith study to be completed prior to any major changes to the NH Highway Toll System. Vote 19-0.

HB 367-L, relative to the establishment of a town forest in the town of Randolph. **OUGHT TO PASS**

Rep. Stanley E. Czech for Resources, Recreation and Development: This bill enables the town of Randolph to assign the management of the town forest to a management body as the town may establish. The bill also allows the town to establish a revolving fund for the management team, as outlined in the bill, to receive income from the forest and to deposit grants and gifts to be used in maintenance of the forest without having to wait for annual town meeting approval. An annual report to the town on this fund will be required. Vote 16-0.

HB 410, relative to the designation of a portion of the Merrimack river. **INEXPEDIENT TO LEGISLATE**

Rep. Richard T. Cooney for Resources, Recreation and Development: By repealing the designation of the lower Merrimack River as a "Community River," this bill would effectively remove this river section from the Rivers Management and Protection Program (RMPP) (RSA 483). The intent of the proponents of this bill is to make this river section not subject to in-stream flow rules, now in preparation. The committee feels that the concerns with the potential in-stream flow rules are being addressed by HB 414 and HB 440, as well as by a study committee presently active. The removal of this river section from the RMPP has not been discussed with all the communities and associations that would be affected by this action. In fact, this bill would reverse the efforts of the many communities and individuals who worked to add this river section to the RMPP in 1990. Vote 16-0.

HB 480, relative to the divisions within the department of resources and economic development. **OUGHT TO PASS WITH AMENDMENT**

Rep. David M. Lawton for Resources, Recreation and Development: This legislation is the recommendation of a statutory study committee established by the 1999 legislative session. Passage of this bill will simply clarify the purpose and function of the Department of Resources and Economic Development (DRED). Specifically, the new language emphasizes the fact that each of the four divisions of DRED should be treated as integral parts of the functioning of the whole department. Vote 16-0.

Amendment (0232h)

Amend the bill by replacing section I with the following:

1 Department of Resources and Economic Development; Role of Divisions Within the Department. Amend RSA 12-A:1 to read as follows:

12-A:1 Establishment. There shall be a department of resources and economic development under the executive direction of a commissioner of resources and economic development, consisting of a division of forests and lands, a division of economic development which shall include but not be limited to subdivisions of development and promotion, a division of travel and tourism development, and a division of parks and recreation. *Its purpose shall be to ensure the efficient coordinated function of the 4 divisions, whereby the interests of economic development, protection and responsible management of natural resources, public enjoyment of state parks and forests, and promotion of travel and tourism development are each held to be of integral importance in the overall functioning of the department.*

AMENDED ANALYSIS

This bill describes the coordination of interests in economic development, protection of natural resources, public enjoyment of state parks and forests, and promotion of travel and tourism within the department of resources and economic development.

HB 612, relative to expenditures from the dam maintenance fund by the department of environmental services. **OUGHT TO PASS**

Rep. Pierre W. Bruno for Resources, Recreation and Development: The intent of this bill is to allow the Department of Environmental Services to use money from the dam maintenance fund for certain expenditures associated with repair and reconstruction of state-owned dams and property contiguous to those dams. The passage of this measure would recognize that the safe operation of a dam involves not only the dam itself, but, also the contiguous property. In addition to dam safety, HB 612 shows that the General Court recognizes that maintenance of state-owned dam sites is an integral component of the preservation of our New Hampshire heritage and character. Vote 16-0.
Referred to Finance.

HJR 3, encouraging the preservation of the system of locks on the Merrimack River. **OUGHT TO PASS**

Rep. Pierre W. Bruno for Resources, Recreation and Development: Passage of HJR 3, encouraging the preservation of the system of locks on the Merrimack River, is a measure that demonstrates the General Court's recognition that preservation of historic structures is integral to the cultural heritage of New Hampshire. HJR 3 does not involve any expenditure. Vote 16-0.

HB 374, establishing a committee to study the assessment of surcharges on pay telephone use. **OUGHT TO PASS WITH AMENDMENT**

Rep. Jacqueline A. Pitts for Science, Technology and Energy: The committee recognized that surcharges on pay telephones and proper notification of such charges is of concern to many people in the state. This bill, as amended, adds the study of these charges and all applicable regulations to the duties of the existing Telecommunication Oversight Committee. Vote 16-0.

Amendment (0199h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to surcharges on pay telephone use.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Duties of the Oversight Committee on Telecommunications. Amend RSA 374:22-j by inserting after paragraph XV the following new paragraph:

XVI. Examining the assessment of surcharges on pay telephone use.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill adds examining the assessment of surcharges on pay telephone use to the duties of the oversight committee on telecommunications.

HB 403, relative to the effective date of special contracts for telephone utilities. **OUGHT TO PASS WITH AMENDMENT**

Rep. Roy D. Maxfield for Science, Technology and Energy: This bill modifies the filing requirements for special telephone services contracts. The Public Utilities Commission (PUC) and regulated telephone companies agreed that the expedited approval process provided by this legislation would benefit competition in the communications industry. The bill also provides for increased oversight by the PUC. Vote 15-0.

Amendment (0202h)

Amend the bill by replacing section 1 with the following:

1 Special Contracts for Telephone Utilities; Effective Date. Amend RSA 378:18-b to read as follows:

378:18-b Special Contracts; Telephone Utilities.

I. In this section:

(a) *"Toll service" means switched telephone calls to locations outside of the local service area of the caller, as defined in the serving telephone utility's tariffs on file with the commission.*

(b) *"Incumbent local exchange carrier" means a local exchange carrier authorized to do business in the state prior to the passage of the federal Telecommunications Act of 1996.*

II.(a) Except as provided in RSA 378:18-b, III, any special contracts for ~~telephone utilities~~ **incumbent local exchange carriers** providing telephone services shall be filed with the commission and shall become effective 30 days after filing, provided the rates are set not less than:

[E:] (1) The incremental cost of the relevant service; or

[H:] (2) Where the telephone utility's competitors must purchase access from the telephone utility to offer a competing service, the price of the lowest cost form of access that competitors could purchase to compete for customers with comparable volumes of usage, plus the incremental cost of related overhead.

(b) The commission may, in its discretion and with reasonable explanation, extend the effective date of the special contract by 30 days.

III. Notwithstanding any other law to the contrary, special contracts for toll service provided by incumbent local exchange carriers need not be filed with the commission for its approval in order for the special contract to take effect. Copies of such special contracts shall be filed with the commission within 7 business days after the special contract's effective date. The commission may investigate a special contract for toll service to determine whether the rates are consistent with the cost considerations of this section. If the special contract for toll service is not consistent with the cost considerations of this section, the parties shall either cancel the special contract or agree to revise the rate.

AMENDED ANALYSIS

This bill modifies the filing requirements for special contracts for telephone services and the authority of the public utilities commission to review such contracts.

HB 613, establishing a task force relative to fuels. **INEXPEDIENT TO LEGISLATE**

Rep. Roy D. Maxfield for Science, Technology and Energy: The sponsor intends to achieve the goals of this legislation through other channels including the National Council of State Legislatures and the Council of State Governments. Vote 15-0.

HB 397, establishing a committee to study the status of veterans in New Hampshire. **OUGHT TO PASS**

Rep. Greg A. Salts for State-Federal Relations and Veterans Affairs: This committee strongly agrees that we should establish a committee to study various issues related to veterans living in New Hampshire. With 67 different veterans organizations registered in this state, we feel that the value of a committee to aggregate resources and ideas would be of immense value to the veterans of New Hampshire. Vote 15-0.

HCR 5, urging the federal government to consider the impacts on New Hampshire and the smaller states of interstate waste legislation. **OUGHT TO PASS WITH AMENDMENT**

Rep. Frank C. Guinta for State-Federal Relations and Veterans Affairs: This bill, as amended, urges the federal government to consider the impacts on New Hampshire and other small states of interstate waste legislation and also would support legislation which creates incentives for each state to plan for processing and disposal of its municipal solid waste within its own borders. Official year 2000 data is not scheduled to be finalized by New Hampshire Department of Environmental Services until March 31st at which time the data is expected to reflect the decreases in waste imports. The committee agrees that this new information should be provided to the Senate at that time. The committee unanimously supports this resolution. Vote 16-0.

Amendment (0186h)

Amend the resolution by replacing the first paragraph after the resolving clause with the following:

That New Hampshire's congressional delegation and the federal government are strongly urged to consider the impacts on and the needs of the smaller states, such as New Hampshire, when dealing with interstate waste legislation; and

Amend the resolution by deleting the third paragraph after the resolving clause.

AMENDED ANALYSIS

This house concurrent resolution urges the federal government and New Hampshire's congressional delegation to:

I. Consider the impacts on and the needs of the smaller states when dealing with interstate waste legislation.

II. Propose and support legislation which creates incentives for each state to plan for processing and disposal of its municipal solid waste within its own borders.

HCR 7, urging the federal government to allow a deduction for personal credit card interest from the federal income tax. **OUGHT TO PASS**

Rep. Pamela Saia for State-Federal Relations and Veterans Affairs: Prior to the Tax Reform Act of 1986, personal credit card interest was fully deductible on an individual's federal income tax return. The deduction was phased out over a period of 5 years and then eliminated by this Act. The reason for the deduction elimination was to raise revenue for the federal government. Since our federal government is currently dealing with a surplus and the raising of extra revenue is no longer needed, we feel that a tax deduction for credit card interest is appropriate and beneficial. Vote 13-2.

HCR 9, urging the President of the United States to increase the administration's efforts to mediate a peaceful resolution to the dispute in Cyprus between Turkey and the Republic of Cyprus. **DOUGHT TO PASS WITH AMENDMENT**

Rep. Matthew J. Quandt for State-Federal Relations and Veterans Affairs: The committee feels that a resolution of the conflict between the Greek Cypriots and the Turkish Cypriots is important to many New Hampshire citizens. We feel that the United States should encourage the factions to resolve their differences and adhere to the United Nations Security Council resolutions. Vote 16-0.

Amendment (0191h)

Amend the resolution by replacing all after the title with the following:

Whereas, in 1974, Turkey sent armed forces to Cyprus and occupied over 36 percent of the land, creating widespread displacement of Greek Cypriots from the northern part of the island; and

Whereas, the international community and the United States Government have repeatedly called for the speedy withdrawal of all foreign forces from Cyprus; and

Whereas a peaceful, just, and lasting solution to the Cyprus problem would greatly benefit the security and the political, economic, and social well-being of all Cypriots, as well as contribute to improved relations between Greece and Turkey; and

Whereas the attention of the world will be focused on this region when the Olympics are held in Greece in 2002; and

Whereas United Nations Security Council Resolutions 1250 and 1251, adopted on June 26, 1999, and June 29, 1999, respectively, provided parameters for a solution and were supported by the United States; and

Whereas Resolution 1250 reaffirms all its earlier resolutions on Cyprus, particularly Resolution 1218 of December 22, 1998, and

Whereas Resolution 1251 reaffirms that the status quo is unacceptable and that negotiations on a final political solution to the Cyprus problem have been at an impasse for too long; and

Whereas Resolution 1251 also reiterates the United Nations' position that a Cyprus settlement must be based on a state of Cyprus with a single sovereignty and international personality and a single citizenship, with its independence and territorial integrity safeguarded, and comprising 2 politically equal communities as described in the relevant United Nations Security Council resolutions, in a bi-communal and bi-zonal federation, and that such a settlement must exclude union in whole or in part with any other country or any form of partition or secession; and

Whereas, despite such resolutions, over 30,000 Turkish armed forces remain stationed on the island of Cyprus with no substantial progress toward the establishment of an independent, bicomunal federation; and

Whereas efforts by the United Nations and the United States to resolve this dispute remain unsuccessful; now, therefore, be it

Resolved by the House of Representatives, the Senate concurring:

That the general court of New Hampshire hereby urges the President of the United States to increase the administration's efforts in mediating a peaceful resolution to the dispute in Cyprus; and

That the general court of New Hampshire hereby urges the President of the United States to persuade Turkey to comply with United Nations Security Council resolutions addressing Cyprus and to cooperate fully in achieving lasting peace and independence for the republic of Cyprus; and

That copies of this resolution, signed by the speaker of the house and the president of the senate, be forwarded by the house clerk to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, each member of the New Hampshire Congressional delegation, the President of the Republic of Cyprus, the American Ambassador to Cyprus, the Cypriot Ambassador to the United States, and the Turkish Ambassador to the United States.

HB 460-FN, relative to the form of drivers' licenses. **INEXPEDIENT TO LEGISLATE**

Rep. Brenda L. Ferland for Transportation: New Hampshire already has one of the strictest privacy laws concerning the information on licenses. The prime sponsor was concerned about the public having access to home addresses. Law enforcement wants the home address maintained. There was no evidence that anyone has abused the home address data. You can get a picture identification from the Department of Motor Vehicles for identification purposes now and no address is listed. Vote 14-1.

COMMITTEE REPORTS**REGULAR CALENDAR****HB 405**, establishing a committee to study the creation of an at-home infant child care program in New Hampshire. **OUGHT TO PASS**

Rep. Laura C. Pantelakos for Children and Family Law: This bill establishes a committee to study the Minnesota at-home infant child care program and solicit such information from program administrators as may be helpful in assessing the program. The committee will review program structure, department administration and funding sources. A report will be due on or before November 1, 2001. Vote 12-4.

Rep. Furman spoke against.

Reps. Donald White and Lyman spoke in favor.

Adopted and ordered to third reading.

HB 545-FN, establishing the railroad trespass prevention act. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. John E. Tholl, Jr. for the Majority of Criminal Justice and Public Safety: This bill establishes the crime of trespass on railroad property. The bill provides a clearer definition of the authority of local police in these matters. It adds the crime of railroad stowaway and defines the terms utilized in the new section. With the advent of high speed rail to NH (59-79 mph) the potential for fatalities is greatly increased, due to the higher speed and reduced noise. It takes more than 1 mile to stop a loaded train traveling at 35 mph. It has been years since railroad service has been common in NH and whole generations have been unaware of the dangers of utilizing railroad property as a playground or means of travel. The majority of the committee felt that this is a safety issue. Vote 11-3.

Rep. James R. Splaine for the Minority of Criminal Justice and Public Safety: Private trespass laws already apply to rail lines. We need not tag rail track walkers taking an evening stroll with their dog or cat as criminals.

Rep. Welch moved Recommit to Committee and spoke in favor.

Adopted.

Recommitted to Criminal Justice and Public Safety.

Rep. Leishman declared a conflict of interest and did not participate.

CACR 1, relating to the rate of taxation of a tax dedicated to funding an adequate education. Providing that a two-thirds vote of the house of representatives and the senate shall be required to increase the rate of taxation of a tax dedicated to funding the state's obligation to provide an adequate education from the rate initially established. **INEXPEDIENT TO LEGISLATE**

Rep. Fran Wendelboe for Finance: The committee believes that the CACR as proposed is flawed and perhaps premature in concept. There was concern that a majority vote could be taken to undedicate a tax, increase it, and then re-dedicate the newly-increased tax. Vote 21-0.

Adopted.

HB 189-FN, increasing the facility funding limits under the oil discharge and disposal cleanup fund. **OUGHT TO PASS**

Rep. MaryAnn N. Blanchard for Finance: This bill increases from \$1,000,000 to \$1,500,000 the amount that eligible owners of facilities may apply for from the oil discharge and disposal cleanup fund created in 1988. This fund, created by fees on motor fuels (gasoline and diesel), is extremely successful as both an environmental cleanup and insurance program. It is available to corporations, small business owners, and individuals and state, county and local governments. It is necessary to broaden the amount of coverage due to increasing costs of cleanup, particularly anticipated MTBE remediation projects. Vote 19-0.

Adopted and ordered to third reading.

HB 286-FN-L, relative to the calculation of the adequate education grant amount. **INEXPEDIENT TO LEGISLATE**

Rep. Robert L. Wheeler for Finance: This bill requires that the average daily membership in residence component of the adequate education grant amount be calculated on an annual basis. The committee felt that although the intent of this bill is laudable it does not fit well with the budgetary process and is premature to the whole educational funding discussion. Vote 21-0.

Reps. Sapareto and Mirski spoke against.

Reps. Wheeler and Kurk spoke in favor.

Rep. Mirski requested a roll call; sufficiently seconded.

The question being the adoption of the report.

Rep. Emerson voted nay and intended to vote yea.

HB 291-FN-L, revising the procedure for determining the cost of an adequate education. INEXPEDIENT TO LEGISLATE

Rep. Joseph E. Stone for Finance: This bill assumes that the cost of an adequate education is \$825,000,000. The cost of an adequate education is currently \$881,000,000, is still in flux, and may change during this session.

The committee concluded that any long-term inflexible formula involving a cap on education adequacy does not allow for population increases, inflation, the cost of commodities and utilities, the needs of staff and students – in essence, the educational needs of a community.

Moreover, the committee saw no mechanism for distributing these capped funds and does not believe that the legislation would pass the constitutional challenge that it invites. The bill would also remove the current stability in preparing municipal and school budgets that they have to date enjoyed. Vote 20-1.

Rep. Pepino spoke against.

Rep. Stone spoke in favor and yielded to questions.

Rep Pepino requested a roll call; sufficiently seconded.

The question being the adoption of the report.

SULLIVAN

Jones, Constance

and the report was adopted.

Rep. Greenberg voted nay and intended to vote aye.

Rep. Pepino voted aye and intended to vote nay.

HB 310-FN-A, setting the rate for the medicaid enhancement tax for the biennium ending June 30, 2003. **OUGHT TO PASS**

Rep. Linda T. Foster for Finance: This bill continues the medicaid enhancement tax for the biennium ending June 30, 2003. This tax will generate approximately \$70 million in general fund revenues each year of the upcoming biennium. There is no change in rate from the current biennium. Vote 19-0.

Adopted

Referred to the Committee on Ways and Means.

HB 351-FN-A-L, requiring the state to fully fund school building aid payments for fiscal year 2001 and making an appropriation therefor. **OUGHT TO PASS**

Rep. O. Alan Thulander for Finance: The Department of Education estimates the funding level of school building aid needed for the biennium, based upon information received from the school districts involved in construction projects. This data is subject to adjustments. The estimate for FY2001 was \$19.5 million, but the final amount owed to school districts was \$21.5 million. The legislature has historically funded any shortfall in school building aid, and the committee recommends continuing this practice. The additional \$2 million appropriated under this bill will come from the projected surplus of the current biennium. Vote 21-0.

Adopted and ordered to third reading.

HB 536-FN-A-L, making an appropriation to the town of Conway for the purpose of burying utility lines. **INEXPEDIENT TO LEGISLATE**

Rep. Robert L. Wheeler for Finance: This bill makes an appropriation to the town of Conway for the purpose of burying utility lines. The funds are to be non-lapsing. The committee felt that from a fiscal point of view both the PUC and the Department of Transportation have denied this aspect of the project and dealt with Conway consistently with state policy. As a result, the committee voted unanimously Inexpedient to Legislate. Vote 19-0.

Adopted.

HB 345, requiring hospitals to maintain permanent medical records of stillborn infants. **INEXPEDIENT TO LEGISLATE**

Rep. Hilda W. Sokol for Health, Human Services and Elderly Affairs: After careful deliberation and much testimony, the committee overwhelmingly came to the conclusion that hospitals currently maintain records of fetal demise and stillborn births for an average of one year in length. If a parent requests a record, a handwritten record is provided to them. The record is also on file at the Bureau of Vital Records and, in many cases, at the funeral directors office if one was utilized. In New Hampshire, a record of all births and deaths are also kept in file at the local town hall. Because a record is somewhere on file and a copy can be obtained under current statutes, the committee felt this bill was not necessary. Vote 11-2.

Adopted.

HB 350-FN, relative to persons with disabilities participating in the work incentive program. **OUGHT TO PASS**

Rep. Peter L. Batula for Health, Human Services and Elderly Affairs: In 1999 the legislature directed the Health and Human Services Department to investigate how to create better options for that segment of the population with severe disabilities who currently qualify for Medicaid cash assistance and insurance coverage. This Medicaid program, as good as it is, also acts as a disincentive for the person to seek employment. Should one of these persons get a job, they automatically lose their personal care insurance. Through this process, the state is saying, "If you stay home, we will send you a check and pay for your insurance." This bill allows the individual to make plans, set goals, regain their dignity and become a working member of our society. The person with disabilities, once gainfully employed, will pay part of the insurance premium that was once no cost to them. In addition, the person now becomes a part of our taxpaying society and all look forward to sharing in that great American principle. In life, a waste of time is the most extravagant and costly of all expense. Vote 18-0.

Adopted.

Referred to Finance.

HB 406, prohibiting electro-convulsive therapy on children under 16 years of age. **INEXPEDIENT TO LEGISLATE**

Rep. Daniel M. Burnham for Health, Human Services and Elderly Affairs: This bill would prohibit use of certain treatments including electro-convulsive therapy for children under 16. The committee heard testimony from those concerned about the misuse of these treatments in the past. The committee also heard from physicians who described how ECT is used by modern medicine as a last resort when other alternatives are ineffective. The committee determined that adequate safeguards are in place to ensure that the treatments described in the bill are only used when necessary and appropriate and only with informed consent. Medical decisions regarding treatments described in the bill should be made by patients, their families and health professionals. For those reasons, the committee thought the bill inappropriate. Vote 14-1.

Rep. Albert spoke against.

Reps. Burnham and MacKay spoke in favor and yielded to questions.

Adopted.

HB 463-FN, relative to protective services to adults. **OUGHT TO PASS WITH AMENDMENT**

Rep. Joseph P. Manning for Health, Human Services and Elderly Affairs: The language in the statute protecting the elderly and certain others from exploitation, neglect or abuse, uses the term "incapacitated." "Incapacitated" as defined elsewhere in our laws has meanings other than what is intended in the adult protection section. For that reason, the more appropriate term "vulnerable" is proposed by this bill. In addition, immunity from liability is given to those who provide certain information regarding a case. The amendment clarifies requirements to report to law enforcement and corrects a minor typing error. Vote 13-0.

Rep. Batula moved Re-commit to Committee and spoke in favor.

Adopted.

Recommitted to Health, Human Services and Elderly Affairs.

HB 485, relative to physicians employed by hospitals. **OUGHT TO PASS WITH AMENDMENT**

Rep. Fran Wendelboe for Health, Human Services and Elderly Affairs: This bill, as amended, will prevent hospitals and insurers from channeling patient referrals only to the hospital which employs the physician who provided the initial services. For example, some hospitals required their employee

physicians to only refer patients to certain specialists who then only do future treatments such as operations at the hospital employing the initial physician. Many times the same system is used for referral of ancillary services, such as physical therapy, radiation treatments, laboratory tests and so on. This is often at the expense of the convenience of the patient. It also totally takes away the choice of provider to people who pay cash or pay significantly extra premiums to be able to use out-of-network physicians and services. This clearly is a patient's protection piece of legislation, as well as a means to prevent the potential of anti-trust or monopolistic practices of any hospital. Vote 10-6.

Amendment (0216h)

Amend the bill by replacing section 1 with the following:

1 New Section; Physicians Employed by Hospitals. Amend RSA 329 by inserting after section 31 the following new section:

329:32 Physicians Employed by Hospitals; Prohibition. A hospital, required to be licensed under RSA 151, shall not require any physician employed by it to refer only to other physicians who use the hospital's facilities for surgeries and ancillary procedures.

AMENDED ANALYSIS

This bill prohibits a hospital from requiring physicians employed by it to refer only to other physicians who use the hospital's facilities for surgeries and ancillary procedures.

Adopted.

Report adopted and ordered to third reading.

HB 202, relative to the legislative ethics committee. **OUGHT TO PASS WITH AMENDMENT** Rep. Donald R. Philbrick for Legislative Administration: This bill makes several changes in RSA 14-B concerning membership, procedures and the attempts to balance the protection of the member and the public's right-to-know law. It establishes procedures from an initial review to determine if the committee has jurisdiction and if the complaint is without merit or unfounded. After the initial review is completed, all records other than work product and internal memoranda will be available for public inspection on any complaint it does not dismissed. All subsequent proceedings, other than deliberations, will be in public session. With respect to disciplinary action against a member, the committee may recommend one or more of the following: A) Reprimand; B) Censure; C) Expulsion from Senate or House of Representatives; D) Denial or limitation of any right, power, privilege or immunity of the legislature that the Constitution of New Hampshire permits the General Court to deny or limit. Before any action is taken against a legislator or officer of the legislature, the report must be ratified by the legislators' respective body. The amendment reversed the order of reprimand and censure and deleted a controversial assessment of related costs of the proceedings. It also changes the effective date to upon passage. Vote 14-0.

Amendment (0082h)

Amend RSA 14-B:3, II as inserted by section 3 of the bill by replacing it with the following:

II. Before guidelines or amendments thereto become effective, the committee shall distribute such guidelines or amendments to the members of the senate and the house of representatives. Specific guidelines or amendments shall be brought to a vote and approved by a majority vote of both houses within a period of 3 legislative days after distribution before they shall become effective. Amend RSA 14-B:4, VIII(d)(1) and (2) as inserted by section 4 of the bill by replacing it with the following:

(d)(I) There was improper conduct based upon clear and convincing evidence, and the improper conduct was of a serious nature so as to warrant formal disciplinary action by the general court in the case of a legislator or officer of the legislature, or formal disciplinary action by the joint committee on legislative facilities in the case of an employee of the legislature, except in the case of an employee of the legislature employed by the legislative budget assistant, in which case the formal disciplinary action shall be taken by the fiscal committee of the general court. The committee shall submit to the speaker of the house and senate president in the case of a legislator or officer of the legislature, to the joint committee on legislative facilities in the case of an employee of the legislature, or to the fiscal committee of the general court in the case of an employee of the legislature employed by the legislative budget assistant, a summary report of the deliberations regarding the complaint and of its findings. The report shall contain any specific recommendations

concerning disciplinary actions to be imposed. [~~Such recommendations may include reprimand, censure, or expulsion.~~] *With respect to any recommendations for disciplinary actions against a legislator, the committee may recommend one or more of the following:*

(A) *Reprimand.*

(B) *Censure.*

(C) *Expulsion from the senate or house of representatives.*

(D) *Denial or limitation of any right, power, privilege, or immunity of the legislator that the constitution of New Hampshire permits the general court to deny or limit.*

(2) Before any disciplinary action may be taken against a legislator or against an officer of the legislature, the report shall be ratified by the legislator's or by the officer's respective body of the general court. *Such ratification need not occur during the biennium in which the complaint was submitted, but may be considered and acted upon by the general court in the next succeeding session; provided that no action shall be taken against an individual who is no longer a member of the general court.*

Amend the bill by replacing section 6 with the following:

6 Effective Date. This act shall take effect upon its passage.

Adopted.

Report adopted and ordered to third reading.

HB 337-FN, relative to the administration of the public utilities commission and establishing the position of executive director of the public utilities commission. **OUGHT TO PASS WITH AMENDMENT**

Rep. Donald B. White for Science, Technology and Energy: This bill makes the position of Executive Director unclassified. This allows the Public Utilities Commission (PUC) to make the position more attractive with respect to remuneration so as to attract better-qualified people. The bill also increases the salary grade of the PUC General Counsel for the same reason. The bill changes the restriction or employment prohibition from two to one years, consistent with the state administration's ethics rule. The bill also allows alteration of orders made in cases where no public hearing was required by law, and it deletes a requirement of PUC oversight of removal of railroad lines since this is no longer the PUC's responsibility. Vote 14-1.

Amendment (0217h)

Amend RSA 363:12-b as inserted by section 3 of the bill by replacing it with the following:

363:12-b Prohibition on Future Employment. No commissioner, executive director, finance director, general counsel, [~~ombudsman~~] or chief engineer of the commission shall accept any employment with any utility under the control of the commission until [~~2 years~~] *one year* after he *or she* shall become separated from the commission.

Amend RSA 365:28 as inserted by section 5 of the bill by replacing it with the following:

365:28 Altering Orders. At any time after the making and entry thereof, the commission may, after notice and hearing, alter, amend, suspend, annul, set aside, or otherwise modify any order made by it. *This hearing shall not be required when any prior order made by the commission was made under a provision of law that did not require a hearing and a hearing was, in fact, not held.*

AMENDED ANALYSIS

This bill:

- I. Establishes the unclassified position of executive director of the public utilities commission.
- II. Increases the salary grade for the general counsel of the public utilities commission.
- III. Permits the public utilities commission to exempt water companies with less than 75 consumers.
- IV. Reduces the public utilities commission future employment prohibition from 2 years to one year.
- V. Provides that a hearing shall not be required prior to alteration of an order made by the public utilities commission pursuant to a provision of law not requiring a hearing.
- VI. Repeals the requirement that the public utilities commission approve the tearing up or removal of railroad lines.

Adopted.

Rep. Jeb Bradley yielded to questions.

On a division vote, 240 members having voted in the affirmative and 112 in the negative, the committee report was adopted.

Referred to Executive Departments and Administration.

HCR 6, urging New Hampshire to use the “precautionary principle” when determining the safety and feasibility of using products, techniques, and technologies. **INEXPEDIENT TO LEGISLATE** Rep. Terie T. Norelli for Science, Technology and Energy: The “precautionary principle” has been introduced by environmental groups in Europe. The language appears in several treaties. The principal calls for using precaution prior to introducing any substance into the environment, which might have a harmful impact. The committee was very mindful of the sponsor’s goal in introducing this resolution, which would have applied to activities undertaken by the state. Nevertheless, the committee was concerned that adhering to the principal would be difficult, as it is vague. The Department of Environmental Services (DES) and the Department of Health and Human Services testified against the bill. Furthermore, DES has adopted policies over the years designed to prevent pollution. Vote 16-0.

Reps. Owen and Betty Hall spoke against and yielded to questions.

Reps. Jeb Bradley and Harrington spoke in favor.

Rep. Owen requested a roll call; sufficiently seconded.

The question being the adoption of the report.

HB 333-FN-A, relative to the rate of the real estate transfer tax. **INEXPEDIENT TO LEGISLATE**
Rep. Robert J. Giuda for Ways and Means: The Ways & Means Committee felt it was necessary to evaluate all tax changes in the larger context of the entire budget and revenue debate. The Real Estate Transfer tax provides approximately \$65 million to the General Fund and \$26.8 million to the Education Trust Fund. Accordingly, the committee felt it was appropriate to leave the Real Estate Transfer tax as is, particularly in light of the fact that the committee has numerous other pending bills to which this matter can be appended by amendment. Vote 16-0.
Adopted.

HR 6, recognizing the ancient and aboriginal claim of Indians in the state to hunt and fish. **INEXPEDIENT TO LEGISLATE**

Rep. Gary S. Hopper for Fish and Game: After careful consideration the committee felt that to recognize special hunting and fishing rights of the aboriginal peoples would be inconsistent with Article I of the New Hampshire Constitution. As New Hampshire has no recognized tribe, a

workable method to determine who was or wasn't a Native American and the problem of enforcement were major concerns. Furthermore, any such acknowledgement could only serve to divide our citizens. Vote 15-1.

Rep. Kenney spoke against.

Rep. McKinney spoke in favor.

On a division vote, 257 members having voted in the affirmative and 84 in the negative, the report was adopted.

HJR 2, directing the department of transportation not to proceed with construction of a new visitor's center at the Intervale scenic vista in North Conway without approval of the Conway design review committee and the Conway board of selectmen. **INEXPEDIENT TO LEGISLATE**

Rep. William E. Leber for Public Works and Highways: This resolution would require the New Hampshire Department of Transportation (NHDOT) to seek approval of an unofficial committee in a local community. The NHDOT conducted public hearings and held meetings with town and regional officials to review the initial design of the new visitor's center. The design had major problems relative to the size and height of the proposed structure. The NHDOT acknowledged these issues and gave testimony that the NHDOT would satisfy these issues in question prior to any construction. The committee has heard no other evidence that the current hearing process is not working and concluded that the NHDOT did follow the established protocol. Vote 18-0.

Rep. Leber yielded to questions.

Adopted.

HB 583, making certain changes to the underground utility damage prevention system. **OUGHT TO PASS WITH AMENDMENT**

Rep. John H. Thomas for Science, Technology and Energy: This bill exempts certain landscaping and maintenance from the definition of "excavate" and from the notification requirements under the so-called "Dig Safe" Law. The bill also exempts the homeowner excavating on his or her property from civil penalties and also clarifies the responsibilities of the operator relative to the marking of facilities for purposes of complying with the dig safe provisions. Vote 16-0.

Amendment (0198h)

Amend the bill by replacing section 1 with the following:

1 Definitions; Excavate; Exclusions. Amend RSA 374:48, III to read as follows:

III. "Excavate", "excavating", or "excavation" means any operation conducted in a public way, right-of-way, easement, public street, or other public place, in which earth, rock, or other material in the ground is moved, removed, or otherwise displaced by means of any tools, equipment, or explosive, and includes but is not limited to drilling, grading, boring, milling, trenching, tunneling, scraping, tree and root removal, cable or pipe plowing, fence or sign post installation, pile driving, wrecking, razing, rending, or moving any structure or mass material, but does not include the tilling of soil for agricultural purposes, *landscaping and maintenance of residential property performed with non-mechanized equipment, landscaping activities performed with mechanized equipment that are intended to cut vegetation, including lawn edging, aeration, and de-thatching, excavations permitted or grandfathered under RSA 155-E*, or replacement of department-of-transportation-installed delineator posts in the same location.

Amend the bill by replacing section 3 with the following:

3 Notification by Excavator; Limitation. Amend RSA 374:51, I to read as follows:

I. No person shall perform an excavation *within 100 feet of an underground facility*, except in an emergency, without first giving notification as required by this section.

Adopted.

Rep. Thomas offered a floor amendment (0248h) and spoke in favor.

Floor Amendment (0248h)

Amend the bill by replacing section 1 with the following:

1 Definitions; Excavate. Amend RSA 374:48, III to read as follows:

III. "Excavate", "excavating", or "excavation" means any operation conducted *on private property or* in a public way, right-of-way, easement, public street, or other public place, in which earth, rock, or other material in the ground is moved, removed, or otherwise displaced by means of

any tools, equipment, or explosive, and includes but is not limited to drilling, grading, boring, milling, trenching, tunneling, scraping, tree and root removal, cable or pipe plowing, fence or sign post installation, pile driving, wrecking, razing, rending, or moving any structure or mass material, but does not include the tilling of soil for agricultural purposes, *landscaping and maintenance of residential property performed with non-mechanized equipment, landscaping activities performed with mechanized equipment that are intended to cut vegetation, including lawn edging, aeration, and de-thatching, excavations permitted or grandfathered under RSA 155-E*, or replacement of department-of-transportation-installed delineator posts in the same location.

AMENDED ANALYSIS

- This bill amends the underground utility damage prevention system laws to:
- I. Included operations on private property in the definition of “exempt.”
 - II. Exempt certain landscaping and maintenance activities from the definition of “excavate.”
 - III. Exempt certain excavation activity from the notification requirements.
 - IV. Clarify the responsibilities of the operator relative to marking of facilities.
 - V. Exempt from the civil penalty provisions a homeowner excavating on his or her own property or a legal occupant of residential property excavating on the property of his or her primary residence with the permission of the owner.
- Floor amendment adopted.
Report adopted and ordered to third reading.

HB 184-FN-A, establishing a 3 percent sales and use tax for the purpose of funding public education. **INEXPEDIENT TO LEGISLATE**
Rep. Jeffrey D. Gilbert for Ways and Means: The committee believes that this bill is premature. Several similar bills, including the Governor’s proposed sales tax, will be before the committee in due course when they can be more appropriately considered in the context of proposed budgets and other revenue alternatives. Vote 16-0.

MOTION TO LAY ON THE TABLE

Rep. Benjamin Moore moved that **HB 184-FN-A**, establishing a 3 percent sales and use tax for the purpose of funding public education, be laid upon the table.
Rep. Herman requested a roll call; sufficiently seconded.
The question being the motion to lay HB 184 on the table.

and the motion failed.
Rep. Sullivan voted yea and intended to vote nay.
Report adopted.

HB 297-FN-L, eliminating excess education property tax payments. INEXPEDIENT TO LEGISLATE

Rep. Christine M. Konys for Ways and Means: The committee feels that this bill is not constitutionally viable. Additionally, we feel that the question of eliminating donor towns should not be addressed separately, but needs to be part of a comprehensive school funding solution. Vote 16-0.

Rep. Pepino requested a roll call; sufficiently seconded.

The question being the adoption of the report.

VACATE

Rep. Gilman moved that the House vacate the reference of **HB 229**, relative to third person liability under the workers' compensation law, to the Committee on Labor, Industrial and Rehabilitative Services.

Adopted.

The Speaker referred HB 229 to the Committee on Commerce.

RESOLUTION

Rep. Scanlan offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Thursday, March 22, 2001 at 10:00 a.m.

Adopted.

LATE SESSION

Third reading and final passage

HB 180-FN, relative to criminal neglect of elderly, disabled, or impaired adults.

HB 308-FN, relative to administrative fees added to restitution payments.

HB 325-FN, relative to certain acts of sexual assault.

HB 361, establishing a committee to study certain policies and procedures in the department of corrections.

HB 385, changing the name, membership and duties of the office of volunteerism.

HB 388, clarifying the rights of patients of nursing facilities in the event of a proposed transfer or discharge from the facility.

HB 479, relative to dead bodies.

HB 532, establishing a committee to study the adequacy of funding for the continued universal distribution of children's vaccines.

HB 357, relative to periodic payments of judgments.

HB 377, permitting the state of New Hampshire to file petitions with the probate court seeking review of actions by a power of attorney.

HB 242, extending the reporting deadlines for certain study committees and commissions.

HB 254, naming a certain bridge in the town of Charlestown.

HB 367-L, relative to the establishment of a town forest in the town of Randolph.

HB 480, relative to the divisions within the department of resources and economic development.

HJR 3, encouraging the preservation of the system of locks on the Merrimack river.

HB 374, relative to surcharges on pay telephone use.

HB 403, relative to the effective date of special contracts for telephone utilities.

HB 397, establishing a committee to study the status of veterans in New Hampshire.

HCR 5, urging the federal government to consider the impacts on New Hampshire and the smaller states of interstate waste legislation.

HCR 7, urging the federal government to allow a deduction for personal credit card interest from the federal income tax.

HCR 9, urging the President of the United States to increase the administration's efforts to mediate a peaceful resolution to the dispute in Cyprus between Turkey and the Republic of Cyprus.

HB 405, establishing a committee to study the creation of an at-home infant child care program in New Hampshire.

HB 189-FN, increasing the facility funding limits under the oil discharge and disposal cleanup fund.

HB 351-FN-A-L, requiring the state to fully fund school building aid payments for fiscal year 2001 and making an appropriation therefor.

HB 485, relative to physicians employed by hospitals.

HB 202, relative to the legislative ethics committee.

HB 583, making certain changes to the underground utility damage prevention system.

RECESS MOTION

Rep. Scanlan moved that the House stand in recess for the purpose of introduction of bills, receiving Senate messages, enrolled bill amendments and enrolled bill reports only.

Adopted.

The House recessed at 12:45 p.m.

RECESS

(Rep. Scanlan in the Chair)

RESOLUTION

Rep. Leishman offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, House Bill numbered 766 shall be by this resolution read a first and second time by the therein listed title, sent for printing, and referred to the therein designated committee.

Adopted.

INTRODUCTION OF HOUSE BILL

First, second reading and referral

HB 766-FN-A-L, establishing a New Hampshire education tax on gross receipts from the consumption of sales of goods and services as a source of funding for education, reducing the rates of other state taxes, and increasing certain exemptions to the interest and dividends tax. (Peterson, Hills 8; Craig, Hills 38; Rep. John Pratt, Ches 2; Ward, Graf 1; Rowe, Hills 14; Johnson, Dist 3: Ways and Means)

RECESS

(Rep. Burling in the Chair)**RESOLUTION**

Rep. Jane Wood offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, Constitutional Amendment Concurrent Resolutions numbered 22 through 25, shall be by this resolution read a first and second time by the therein listed titles, sent for printing, and referred to the therein designated committees.

Adopted.

INTRODUCTION OF CACRs**First, second reading and referral**

CACR 22, relating to moneys generated by a uniform statewide property tax established in law by the general court for the purpose of providing state aid for public elementary and secondary education. Providing that all moneys generated by a uniform statewide property tax established in law by the general court for the purpose of providing state aid for public elementary and secondary education shall, after deducting the necessary costs of administration and collection of such moneys, be appropriated and used exclusively for the purpose of state aid to education and shall not be transferred or diverted to any other purpose. (Burling, Sull 1; Dokmo, Hills 14; Leishman, Hills 13; Clemons, Hills 31: Finance)

CACR 23, relating to restricting the use of moneys collected from a sales tax. Providing that all moneys collected from any sales tax established in law by the general court shall, after deducting the necessary costs for administration and collection of such moneys, be appropriated and used exclusively for the purpose of state aid to public elementary and secondary education and shall not be transferred or diverted to any other purpose. (Burling, Sull 1; Dokmo, Hills 14; Leishman, Hills 13; Clemons, Hills 31: Finance)

CACR 24, relating to establishing a maximum rate for a sales tax. Providing that the rate of any sales tax established in law shall not exceed 2 ½ percent, provided that a higher rate may be established by a 2/3 vote of those present and voting in each house of the general court. (Burling, Sull 1; Dokmo, Hills 14; Leishman, Hills 13; Clemons, Hills 31: Ways and Means)

CACR 25, relating to establishing a maximum rate for any uniform statewide property tax established in law by the general court for the purpose of providing state aid for public elementary and secondary education. Providing that the rate of any uniform statewide property tax established in law by the general court for the purpose of providing state aid for public elementary and secondary education shall not exceed \$4.90 on each \$1,000 of the value of taxable property subject to the tax, provided that a higher rate may be established by a 2/3 vote of those present and voting in each house of the general court. (Burling, Sull 1; Dokmo, Hills 14; Leishman, Hills 13; Clemons, Hills 31: Ways and Means)

RECESS**(Rep. Whalley in the Chair)****RESOLUTION**

Rep. Scanlan offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, House Bill numbered 767, shall be by this resolution read a first and second time by the therein listed title, sent for printing, and referred to the therein designated committee.

Adopted.

INTRODUCTION OF HOUSE BILL**First, second reading and referral**

HB 767-FN-A-L, establishing the excellence in learning in New Hampshire school funding and improvement program and making an appropriation therefor. (Burling, Sull 1; Dokmo, Hills 14; Leishman, Hills 13; Clemons, Hills 31: Finance)

RECESS

(Rep. Scanlan in the Chair)

RESOLUTION

Rep. Mirski offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, House Bill numbered 768, shall be by this resolution read a first and second time by the therein listed title, sent for printing, and referred to the therein designated committee. Adopted.

INTRODUCTION OF HOUSE BILL

First, second reading and referral

HB 768-FN, relative to DNA testing of criminal offenders. (Kennedy, Merr 7; Weatherspoon, Rock 20; L. Christiansen, Hills 23: Criminal Justice and Public Safety)

RECESS

(Speaker in the Chair)

COMMITTEE ASSIGNMENTS

Rep. Stephen R. L'Heureux on Education.

Rep. Marie N. Rabideau off Education.

RECESS

(Speaker Chandler in the Chair)

Rep. Scanlan moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 9

Thursday, March 22, 2001

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Her Excellency, Governor Jeanne Shaheen, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

Blessed Creator, We thank You for the beginning of this new season. It has been a long and cold winter. Today's nor'easter reminds us of nature's power and of our need to defer with grace and appreciation. This honorable House faces many political storms ahead as members here decide the best course for our beloved New Hampshire's future. Give each member the shelter of an open heart and a ready ear that by placing the best interests of their constituents above self-interest, they may help us all to enjoy the blessings of true community and shared responsibility. Amen.

Rep. Chalbeck led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. Andosca, Brennan, Carlson, David Cote, DePecol, Brenda Ferland, Fields, Hamel, Jane Kelley, Landers, Lyman, McDonough-Wallace, Irene Pratt, Rodrigue, Ronald Russell, Saia and Donald White, the day, illness.

Reps. Dewhirst, Donald Flanders, Jeffrey Gilbert, Gile, Gorman, Kacavas, Manning, Marshall Quandt, Quimby, and Rausch, the day, important business.

Reps. Allison, Barker, Bartlett, Batchelder, Case, Dudley, Stephanie Eaton, Flanagan, Flint, Henderson, Heon, Jacobson, Nancy Johnson, Jones, Leone, O'Keefe, Rodeschin, Salatiello and Stevens, the day, extreme weather.

Rep. Brown, the day, illness in the family.

INTRODUCTION OF GUESTS

Jeanette Jennings, guest of Rep. Reed. Christine and Kathleen O'Brien, Chrissy Elliot, nieces of Reps Dionne and Elliot. Michael Dodge, son of Rep. Dionne.

SENATE MESSAGE

CONCURRENCE

HB 111, relative to paper purchased by or for state agencies.

HB 167, relative to the authority of the consumer advocate.

HCR 4, encouraging New Hampshire Public Radio to extend its broadcast signal to all of Coos county including the Connecticut River Valley area.

ENROLLED BILLS REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled House Bills 111 and 167. Rep. Ronald Nowe, Sen. Pignatelli for the Committee

VACATE

Rep. Gilman moved that the House vacate the reference of **HB 346-FN**, relative to requirements for medical examination and determination of gainful occupation for group II retirees injured in the performance of duty, to the Committee on Labor, Industrial and Rehabilitative Services.

Adopted.

Referred to Executive Departments and Administration.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Scanlan moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 645-FN-A-L, relative to state aid for provision of an adequate education, and for additional local education tax relief, removed by Rep. Vivian Clark.

HB 552-FN-A-L, restructuring the delivery of a public elementary and secondary education and related educational services in New Hampshire, removed by Rep. Dodge.

HB 292-FN, relative to the travel allowance for members of the general court, removed by Rep. Arnold.

HB 546-FN-A-L, relative to allowing cities and towns to permit slot machines and other games of chance, removed by Rep. DiFruscia.

HCR 10, supporting the electoral college, removed by Rep. Weatherspoon.

HB 283-FN, establishing a low-digit plate lottery for plates reacquired by the department of safety and for low-digit plates not yet issued by the department, removed by Rep. Soltani.

HB 651-FN-A-L, authorizing the establishment of state-owned casino and convention center facilities and making an appropriation therefor, removed by Rep. Vaillancourt.
Consent Calendar adopted.

HB 156, relative to the detention of juveniles in delinquency proceedings. **OUGHT TO PASS**
Rep. David A. Bickford for Children and Family Law: This bill assures a juvenile is represented by counsel at a delinquency hearing where detention is ordered and excludes minors from being detained at residential facilities, staff secure shelters or foster care homes. Vote 15-1.

HB 416, relative to fire safety inspections for foster family homes. **OUGHT TO PASS WITH AMENDMENT**

Rep. Laura C. Pantelakos for Children and Family Law: This bill permits either the State Fire Marshal or the local fire department to conduct fire safety inspections for foster family homes. It allows for the application of the State Fire Code to inspections where there are no local ordinances. Vote 16-0.

Amendment (0272h)

Amend RSA 170-E:28, II as inserted by section 1 of the bill by replacing it with the following:

II. ~~[The fire code applicable to single family residences shall be the code applied by local fire departments in their review of compliance with local ordinances for foster family homes.]~~ *Either the state fire marshal or the local fire department shall review compliance of the foster family home with applicable state fire safety laws and local ordinances. In conducting the review, the state fire marshal or local fire department shall apply the appropriate single family or multi-unit dwelling provisions of the applicable code.*

HB 112, establishing a study committee on antitrust laws as they apply to hospital business practices. **OUGHT TO PASS WITH AMENDMENT**

Rep. Stephen G. Avery for Commerce: House Bills 112, 250 and 262 all called for the study of managed care, physicians' networks and hospital business practices. The committee heard compelling testimony on all three issues and decided to incorporate all three bills into HB 112. The amendment includes HB 250 and HB 262 issues so that these two bills are now unnecessary. The study committee will look into all of these issues. Vote 14-0.

Amendment (0107h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a study committee on issues relating to hospital business practices and managed care organizations' networks.

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established. There is established a committee to study issues relating to hospital business practices and managed care organizations' networks.

2 Membership and Compensation.

1. The members of the committee shall be as follows:

(a) Five members of the house of representatives at least 2 of whom shall be members of the commerce committee and at least one of whom shall be a member of the health, human services and elderly affairs committee, appointed by the speaker of the house.

(b) Three members of the senate, appointed by the president of the senate.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

3 Duties. The committee shall study issues relating to hospital business practices and managed care organizations' networks. Such study shall include, but shall not be limited to, a study of antitrust laws as they apply to hospital business practices, the relationship between physician hospital organizations and independent provider associations, and the criteria by which managed care organizations exclude certain entities from their networks.

4 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

5 Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before February 1, 2002.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a study committee on issues relating to hospital business practices and managed care organizations' networks.

HB 153, lowering the minimum medical cost coverage for motor vehicle liability policies. OUGHT TO PASS

Rep. Anthony R. DiFruscia for Commerce: The action taken by the legislature last session raised the minimum medical cost coverage for motor vehicle liability policies from \$1000 to \$5000, and although it had no opposition last year, it resulted in significantly higher premiums to youthful drivers. The committee feels that the benefit of last year's legislation was not worth the increase in premiums that hit some consumers. Vote 14-0.

HB 250, prohibiting managed care organizations from disqualifying certain entities from their networks. INEXPEDIENT TO LEGISLATE

Rep. Stephen G. Avery for Commerce: This bill has now been incorporated into HB 112. Vote 14-0.

HB 262, establishing a commission to study the status of the relationship between physician hospital organizations and independent provider associations. INEXPEDIENT TO LEGISLATE

Rep. Stephen G. Avery for Commerce: This bill has now been incorporated into HB 112. Vote 13-1.

HB 542-FN, requiring cellular telephone carriers to notify customers before the service is disconnected. INEXPEDIENT TO LEGISLATE

Rep. Stephen G. Avery for Commerce: While the committee had a good deal of sympathy for the sponsors' concerns, the testimony revealed that even if a cellular phone were disconnected, 911 calls would still go through. The problems seemed to center around one cellular company whose business practices left something to be desired. There is plenty of competition in the field and customers can change providers if they wish. We feel that legislation was not needed in this case. Vote 14-0.

HB 577, relative to credit data for insurance purposes. INEXPEDIENT TO LEGISLATE

Rep. Paul D. Spiess for Commerce: The intent of the bill is to protect individuals who do not have a credit history from being charged a higher premium for automobile or homeowners' insurance. The committee heard testimony from the New Hampshire Insurance Department that the language of the existing statute is protective and prohibits charging higher premiums for any reason solely on the basis of credit history. To date, no complaints have been received by the insurance department on this issue. Vote 13-0.

HB 239, relative to certain vehicle stops made by police officers. INEXPEDIENT TO LEGISLATE

Rep. Stanley E. Stevens for Criminal Justice and Public Safety: This bill would prohibit police officers from making vehicle stops unless the stop is supported by reasonable suspicion based on articulable facts. To that extent, the bill is unnecessary because both the Fourth Amendment to the U.S. Constitution and Part I, Article 19 of the NH Constitution as interpreted by the US Supreme Court and the NH Supreme Court already prohibit such stops. State statutes already define what is required for such a stop. As written, the bill is so broad that it would prohibit otherwise legitimate "community caretaking" functions often performed by police officers, such as stopping a vehicle with smoke coming from underneath. Vote 15-0.

HB 315-FN, relative to the registration of criminal offenders. **OUGHT TO PASS**

Rep. Stanley E. Stevens for Criminal Justice and Public Safety: This legislation requires any non-resident sexual offender attending school as a full or part-time student or employed for a period exceeding 14 consecutive days or an aggregate time exceeding 30 days during any calendar year, to register as a sexual offender with the local law enforcement agency having jurisdiction over the school or place of employment. Vote 15-0.

HB 508, relative to third party contact in orders of protection from domestic violence. **INEXPEDIENT TO LEGISLATE**

Rep. Stanley E. Stevens for Criminal Justice and Public Safety: The intent of this bill is to allow the defendant's attorney to contact the plaintiff, or the plaintiff's attorney, notwithstanding a protective order that prohibits contact through third parties. No evidence was presented that any attorney has been prohibited from contacting the plaintiff or the plaintiff's attorney as a proper and necessary part of defense. The committee was unanimously of the opinion that this bill, while well-intentioned, attempts to create a remedy to a problem that is non-existent. Vote 14-0.

HB 186-FN-A, establishing a pesticides training program. **OUGHT TO PASS**

Rep. Amy S. Robb for Environment and Agriculture: This bill establishes a pesticide-training program for the purpose of providing education regarding pesticides and the handling of pesticides for commercial pesticide applicators and other applicable persons. This bill also establishes a fund to support the purposes of the training program. It allows the Division to put 100% of the fees back into the program. This legislation is timely as there has been a need for more training sessions in categories such as: mosquito control (West Nile Virus), pet groomers and weed and brush control. Training will help people to become duly licensed and well trained in the safe application of pesticides. Vote 13-0. Referred to Ways and Means.

HB 181-FN, allowing police and corrections officers who have been group II members for 5 years to maintain group II membership in the retirement system when they become police trainers. **OUGHT TO PASS WITH AMENDMENT**

Rep. Ray F. Langer for Executive Departments and Administration: There has been a problem getting police and correction officers who have been in group II to volunteer to become training specialists, because they would thereby be placed into group I if they didn't have 10 years service in group II. This bill reduces the required time to five years in group II prior to transferring to the position of training specialist. The amendment covers the director or assistant director's position, which now requires as 10 years prior group II service to remain in group II. It was felt that they should continue in that category because of the importance of prior service experience in these positions. Vote 15-0.

Amendment (0211h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to group II retirement system membership for police and corrections officers who become police trainers.

Amend the bill by replacing section 1 with the following:

1 Police Trainers; Group II Retirement System Membership. Amend RSA 100-A:3, III-b to read as follows:

III-b. Notwithstanding the provisions of RSA 100-A:1, VII, any permanent police officer certified under RSA 188-F:22-30 as a full-time police officer, who has been a group II member for at least [10] 5 years and who becomes a law enforcement training specialist or, *who has been a group II member for at least 10 years and becomes* assistant director *or* director of the police standards and training council and as a job requirement has satisfied minimum standards as determined by the police standards and training council for physical condition, education and training shall be construed to be a permanent policeman for purposes of membership in group II and shall remain in the system for the duration of his *or her* service in that capacity with the police standards and training council.

AMENDED ANALYSIS

This bill allows police and corrections officers who have been group II members for 5 years to maintain group II membership in the retirement system when they become law enforcement train-

ing specialists. The bill also allows a police or corrections officer who has been a group II member for 10 years to maintain group II membership in the retirement system if he or she becomes the director of the police standards and training council.

This bill was requested by the police standards and training council.

HB 205-FN-L, relative to creditable service for eligibility by retired teachers for payment of medical benefits. **INEXPEDIENT TO LEGISLATE**

Rep. William R. Zolla for Executive Departments and Administration: This bill would allow teacher members with out of state service to use that service as eligible time for payment of medical benefits provided they have completed 15 years of service to the citizens of New Hampshire. The current system provides a reward for 20 years minimum in state service. There was no indication of a groundswell of support for this change from the teachers and the committee felt that to maintain the integrity and fiscal stability of the system, the current policy should not be compromised. Vote 16-0.

HB 288-FN, relative to the licensure of interpreters for the deaf and hard of hearing. **OUGHT TO PASS WITH AMENDMENT**

Rep. David G. Poulin for Executive Departments and Administration: As amended, this bill requires 2 levels of licensure for interpreters. The first level will meet state requirements and the highest level will meet national requirements. Deaf persons will know the exact competence of the interpreter before hiring them. The bill also allows a waiver if the deaf person wishes to accept the responsibility for using someone who is not licensed. This bill protects doctors and others who may be required to use interpreters in their practice and provides knowledge of the level of competency to the hearing impaired. The subcommittee spent many hours and created many amendments in ensuring that this bill finally meets the needs of the deaf. Vote 13-0.

Amendment (0330h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Interpreters for the Deaf and Hard of Hearing. Amend RSA by inserting after chapter 326-H the following new chapter:

CHAPTER 326-I

INTERPRETERS FOR THE DEAF AND HARD OF HEARING

326-I:1 Findings and Statement of Purpose.

I. The general court finds that while there is no census count, as many as 10,000 New Hampshire citizens live with hearing loss; that of this number perhaps 3,000 men, women and children are unable to readily understand speech due to the extent of their hearing loss, but instead rely on a visual mode of communication.

II. The general court finds that a significant number of New Hampshire's deaf and hard of hearing, its broad array of public agencies and institutions, and its medical and legal professions share a unique challenge: the necessity to hire professional interpreters licensed to provide ready and reliable communications to and for those who use a visual mode of communication.

III. The general court further finds the mandates of federal and state statutes which require funding of interpreter's services, by the same public agencies and institutions, medical and legal professions and others of those interpreters requested by the deaf and hard of hearing, is a mandate in itself to the legislature to ensure the availability of a skilled cadre of professional, licensed interpreters.

IV. The purpose of this legislation is:

(a) To provide standards for the licensing and regulation of interpreters for the deaf and hard of hearing.

(b) To ensure interpreters for the deaf and hard of hearing meet rigorous standards, and that by power of revoking their licenses are held accountable for the quality and timeliness of their work.

326-I:2 Definitions. In this chapter:

I. "Board" means the board of licensure of interpreters for the deaf and hard of hearing.

II. "Deaf person" means a person whose sense of hearing is nonfunctional for the purpose of communication and whose primary communication is visual.

III. "Hard-of-hearing person" means a person who has a hearing loss, who may or may not primarily use visual communication, and who may or may not use assistive devices.

IV. "Interpreting" means the process of providing accessible communication between and among persons who are deaf, oral deaf, hard-of-hearing, and who can hear, who do not share a common means of communication. This process includes, without limitation, interpreting and transliterating and visual, gestural, auditory and tactile communication.

V. "Interpreting agency" means an agency whose function is to provide qualified interpreter services for a fee, usually including a fee for travel time, and who access interpreters licensed under this chapter.

VI. "Interpreter" means a person who provides any of the following services:

(a) English-based transliterating, which includes but is not limited to conveying a message via visible representations of the English language such as manually coded English and oral transliteration. This process conveys information from one mode of English to another mode of English;

(b) American Sign Language-based interpreting, which is the process of conveying information between American Sign Language and English; and

(c) Intermediary interpreting, which means interpreting services rendered by a deaf person to facilitate communication between another deaf person and another licensed interpreter or between 2 or more deaf persons.

VII. "Oral deaf" means a person whose sense of hearing is nonfunctional for the purpose of communication and whose primary communication is by speech reading and spoken English.

326-I:3 Board of Licensing for Interpreters for the Deaf and Hard of Hearing; Administrative Attachment.

I. There shall be a board of licensing for interpreters for the deaf and hard of hearing, each member to be appointed by the governor, with the approval of the council.

II. The board shall consist of 9 members as follows:

(a) Four licensed interpreters, 2 of whom are state level licensees and 2 of whom are national level licensees, from a list of names submitted by the New Hampshire Registry of Interpreters for the Deaf in conjunction with the New Hampshire Association of the Deaf.

(b) Five consumers, including 3 deaf persons from a list of names submitted by the New Hampshire Association of the Deaf, one consumer of oral interpreting services, and a non-deaf member of the public not licensed under this chapter.

III. No member of the board shall serve concurrently in an elected, appointed, or employed position in any other state-level organization representing interpreters for the deaf, if it would present a direct conflict of interest.

IV.(a) Appointments to the board shall be for 3 years, except that one of the initial interpreter members and one of the initial consumer members shall serve one-year terms, and one of the initial interpreter members and one of the initial consumer members shall serve 2-year terms. A member shall hold office until a successor has been appointed and qualified. No member may serve more than 2 consecutive terms. Initial interpreter member appointments to the board shall be required to be licensed under this chapter, as of January 1, 2003.

(b) The governor and council may remove any member of the board for malfeasance, misfeasance, or nonfeasance pertaining to the duties of the board.

(c) The board shall review and take action on all applications for licensure, renewal, and reinstatement licenses for interpreters for the deaf and hard of hearing.

V. Members of the board shall receive mileage incurred while conducting the business of the board.

VI. A quorum of the board shall be 5 members.

VII. The board shall be an administratively attached agency, under RSA 21-G:10, to the department of education.

326-I:4 Powers and Duties of the Board. The powers and duties of the board include:

I. Accepting applications for licensure under this chapter, and approving or denying such applications.

II. Approving and enforcing performance requirements, including education and examination standards, for interpreters for the deaf and hard of hearing.

III. Suspending or revoking licenses and conducting investigations and hearings regarding the denial, suspension, revocation, and renewal of licenses.

IV. Adopting a code of professional conduct for licensees.

V. Renewing licenses for interpreters for the deaf and hard of hearing.

VI. Maintaining a directory of all licensed interpreters for the deaf and hard of hearing. The directory shall be updated, published, and shall be offered for sale to the public at a fee to be equal to the cost of reproduction.

VII. Accepting written complaints from the public against licensees, conducting necessary investigations of such complaints, and publicizing the complaint procedure.

VIII. Accepting funds from federal and other non-state sources to be used for the purposes of this chapter.

IX. Cooperating with the New Hampshire Registry of Interpreters for the Deaf, the New Hampshire Association of the Deaf, Self Help for the Hard of Hearing of New Hampshire, the department of education, division of vocational rehabilitation, and interpreting agencies to provide access to the services of interpreters to persons communicating with deaf and hard of hearing persons.

X. Reporting to the governor and council annually on the activities conducted under this chapter.

326-I:5 Rulemaking. The board shall adopt rules, pursuant to RSA 541-A, relative to:

I. The form and content of license applications for each license level authorized in RSA 326-I:7, II. For national level licensure such rules shall include application criteria including examinations and examiners used by the Registry of Interpreters for the Deaf, the National Association for the Deaf. For state level licensure such rules shall include the use of the New Hampshire classification test administered by the program for the deaf and hard of hearing under the division of adult learning and rehabilitation, department of education.

II. License and application fees, renewal fees, and any other fees required under this chapter which shall be sufficient to produce estimated revenues equal to 125 percent of the direct operating expenses of the board for the previous fiscal year.

III. The conditions under which an applicant from another jurisdiction may be issued a license.

IV. Requirements for continuing professional education and competency of interpreters for the deaf and hard of hearing.

V. The contents of the code of professional conduct, and the application of the code to the provision of services by interpreters.

VI. Expiration of licenses.

VII. The conduct of investigations and hearings under this chapter, consistent with due process requirements.

326-I:6 Application for Licensure. An application for licensure under this chapter shall be filed with the board in such form and detail as required in accordance with rules adopted under RSA 541-A, shall be duly signed and verified, and shall be available for public inspection.

326-I:7 Licensure Required; Exemptions.

I. No person shall receive remuneration as an interpreter for the deaf or hard of hearing or represent oneself as an interpreter for the deaf or hard of hearing in this state after January 1, 2003, unless such person is licensed in accordance with the provisions of this chapter.

II. The board shall license each applicant who satisfies the requirements of the board at either a national level license or a state level license. Upon payment of a license fee for each license level, the board shall issue to such person a certificate of licensure which shall be evidence of the right to practice at the appropriate level as an interpreter for the deaf and hard of hearing.

III. An interpreter for the deaf and hard of hearing certified by the Registry of Interpreters for the Deaf, the National Association of the Deaf, or the New Hampshire Interpreter classification process prior to the effective date of this chapter shall be accepted for licensure by the board, at the appropriate license level, without examination, provided that all such certified persons comply with all other requirements of the board under this chapter.

IV. The following persons shall be exempt from the license requirements of this chapter:

(a) Nonresident certified or licensed interpreters working in this state fewer than 250 hours in the previous calendar year, or as otherwise qualified by rules by the board, provided that such interpreter shall be subject to disciplinary proceedings of the board.

(b) Interpreters for the deaf and hard of hearing working in religious settings.

(c) Interpreters working in emergency situations where the parties determine that the delay to obtain a licensed interpreter is likely to cause injury or loss.

(d) Students exempted under RSA 326-H:8.

(e) Interpreters employed by a school district for a K-12 program.

V. The recipient of services shall have the right to apply to the department of education for, and to receive, a waiver in writing from using a licensed interpreter and shall accept all responsibility for such action.

326-I:8 Persons or Practices Affected.

I. Nothing in this chapter shall be construed to prohibit a student enrolled in a school or courses in interpreting for the deaf and hard of hearing from interpreting for the deaf which is incidental to a course of study of supervised field work.

II. Nothing in this chapter shall prohibit persons registered or otherwise licensed in this state under any other law from engaging in the practice for which they are registered or licensed.

326-I:9 License Requirements; Fees.

I. To be eligible for licensure by the board as an interpreter for the deaf and hard of hearing at either the national level license or the state level license, an applicant shall:

(a) Be at least 18 years of age and make application to the board, upon a form prescribed by the board.

(b) Pay to the board the appropriate license application fee.

(c) Possess the minimum standards of performance and training pursuant to rules adopted by the board under RSA 541-A and RSA 326-I:5.

(d) Demonstrate sufficient evidence of good professional character and reliability to satisfy the board that the applicant shall faithfully and conscientiously avoid professional misconduct and otherwise adhere to the requirements of this chapter.

(e) If applicable, submit proof of licensure in another state in which the licensure requirements are equivalent to or greater than those in this chapter.

II.(a) A license shall be restored after a period of nonrenewal of less than 2 years, if the person pays to the board a restoration fee consisting of the current renewal fee plus any late fee established by rules adopted by the board pursuant to RSA 541-A and submits such evidence of continued professional competence and eligibility for licensure as the board may require.

(b) Any person who fails to renew a license within 3 years after its expiration date may apply for and obtain a new license upon meeting the requirements of this chapter and paying to the board the appropriate fee.

326-I:10 Persons From Other Jurisdictions; Licensure. The board may waive licensure requirements for an applicant who is licensed by another jurisdiction where the requirements for licensure are greater than or equal to those required in this state.

326-I:11 Prohibited Acts. No person shall:

I. Practice as an interpreter for the deaf and hard of hearing after January 1, 2003 without holding a license issued pursuant to this chapter.

II. Fail to comply with an order of the board issued pursuant to this chapter.

III. Fail to comply with a rule adopted pursuant to this chapter.

326-I:12 Reinstatement After Suspension. An interpreter for the deaf and hard of hearing seeking reinstatement of a suspended license shall submit the following to the board:

I. A written request to the board explaining the appropriateness of reinstatement of the license or registration.

II. The required license or application fee.

III. Evidence of competency to practice as established by the board, which shall include continuing education or training, passage of an examination, and practice under the supervision of another licensed interpreter for a period of time set by the board.

326-I:13 License Renewal; Continuing Education. A license issued by the board shall expire on the January 1 following 3 years from the date of issuance. Every person licensed under this chapter who wishes to renew a license shall, on or before the expiration date, pay a fee for renewal of license to the board. The board shall notify each person licensed under this chapter of the date of expiration of such person's license and the renewal fee required. The notice shall be mailed to such person's last known address as provided to the board at least 60 days in advance of the expiration of such license. Renewals are contingent upon evidence of completing the number of continuing education units established by the board. The continuing education units may be earned by attending professional training or completing approved independent studies and regional in-service programs, as determined by the board.

326-I:14 Disciplinary Actions.

I. The board may undertake disciplinary proceedings:

- (a) Upon its own initiative; or
- (b) Upon written complaint of any person which charges that a person licensed by the board, or an unlicensed person under RSA 326-I:7, IV(a), has committed misconduct under paragraph II and which specifies the grounds for the misconduct.

II. Misconduct sufficient to support disciplinary proceedings under this section shall include:

- (a) The practice of fraud or deceit in procuring or attempting to procure a license to practice under this chapter.
- (b) Conviction of any crime which demonstrates unfitness to practice as an interpreter for the deaf and hard of hearing
- (c) Violation of the standards adopted under RSA 326-I:4, II and IV, including violations which demonstrate exceeding the level of the licensee's skills commensurate with his or her experience or training.
- (d) Demonstrable gross incompetence of the licensee.
- (e) Addiction to the use of alcohol or other habit-forming drugs to a degree which renders the licensee unfit to practice under this chapter.
- (f) A legal finding of mental incompetence.
- (g) Willful or repeated violation of the provisions of this chapter.
- (h) Suspension or revocation without subsequent reinstatement of a license, similar to one issued under this chapter, in another jurisdiction.

III.(a) The board may take disciplinary action in any one or more of the following ways:

- (1) By public or private reprimand.
- (2) By suspension, limitation, or restriction of license.
- (3) By revocation of license.
- (4) By requiring the person to participate in a program of continuing education supervision, or treatment in the area the person is deficient.
- (5) By removing an exemption for an unlicensed person under RSA 326-I:7, IV(a).
- (b) Disciplinary action taken under this paragraph may be ordered by the board in a decision made after a hearing in the manner provided by the rules adopted by the board and reviewed in accordance with RSA 541.

(c) No person licensed under this chapter shall continue to practice as an interpreter for the deaf and hard of hearing while the person's license is suspended or revoked.

IV. At any time, the parties in a complaint, with the cooperation of the board, may refer a matter to conflict resolution or mediation services, provided that any proposed resolution of a complaint shall be subject to the approval of the board.

326-I:15 Hearings. The board shall take no disciplinary action without a hearing. At least 14 days prior to hearing, both parties to a disciplinary proceeding shall be served, either personally or by registered mail, with a written copy of the complaint filed and notice of the time and place for hearing. All complaints shall be objectively received and fairly heard by the board, but no complaint shall be acted upon unless in writing or formally presented to the board. A hearing shall be held on all formal complaints received by the board within 3 months of the date notice of a complaint was received by the accused, unless otherwise agreed to by the parties. Official notice of all disciplinary decisions made by the board shall be given to both parties to the proceeding upon their issuance.

326-I:16 Display of License. Any person who has been issued a license under this chapter shall conspicuously display such license to a client or consumer upon request when acting as an interpreter for the deaf and hard of hearing.

326-I:17 Record; Directory. The board shall maintain a record of its proceedings under this chapter and a directory of all persons licensed under this chapter. The directory shall list the name and last known business address for each licensee, and may include such other information as the board deems necessary.

326-I:18 Penalties. Any person who violates any provision of this chapter or any rule adopted by the board under this chapter, or who knowingly makes a false statement in an application for licensure or in response to any inquiry of the board shall be guilty of a violation. Upon conviction of a second or subsequent violation under this chapter the person shall be guilty of a class A misdemeanor and may, in addition, be subject to a civil penalty of up to \$2000 per offense or, in the case of a continuing offense, \$250 for each day the violation continues.

2 Department of Education; Vocational Rehabilitation; Program for the Deaf and Hard of Hearing; Functions. RSA 200-C:19, IV is repealed and reenacted to read as follows:

IV. Provide administrative support upon request of the board of licensure of interpreters for the deaf and hard of hearing established in RSA 326-I. Such support may include the operation of a state screening for New Hampshire interpreters.

3 Department of Education; Vocational Rehabilitation; National Level and State Level Examination Fee. Amend the section heading of RSA 200-C:20-a and RSA 200-C:20-a, I to read as follows:

200-C:20-a [~~Certification~~] *National Level and State Level Examination Fee*; Revolving Fund Established.

1. [~~Sign language~~] Interpreters [~~certified~~] *seeking to be licensed under RSA 326-I who are required to be examined* by the department of education [~~as provided in RSA 200-C:19, IV or RSA 521-A:1, IV~~] shall be charged a fee for [~~such certification~~] *the national level or state level examination* by the department of education, *as appropriate*. The state board of education shall establish, pursuant to RSA 541-A, a fee schedule for such purpose. The administrator, bureau of vocational rehabilitation, shall assess and collect such fees.

4 Interpreters for the Deaf; Definition of Qualified Interpreter. Amend RSA 521-A:1, IV to read as follows:

IV. "Qualified interpreter" means an interpreter [~~certified by the national registry of interpreters for the deaf, the New Hampshire registry of interpreters for the deaf, the department of education, or, in the event an interpreter so certified is unavailable, any other interpreter whose actual qualifications have otherwise been appropriately determined~~] *licensed under RSA 326-I*.

5 Repeal. The following are repealed:

I. RSA 521-A:7, relative to the coordination of interpreter requests.

II. RSA 521-A:8, relative to compensation for interpreters for the deaf in court proceedings.

6 Effective Date. This act shall take effect July 1, 2001.

Referred to Finance.

HB 318-FN-L, relative to payment of group health insurance premiums for eligible retired political subdivision members of the retirement system. **INEXPEDIENT TO LEGISLATE**

Rep. Merton S. Dyer for Executive Departments and Administration: This bill would have provided the health benefits subsidy to group I employees who have been members of the retirement system for 10 years or more. This is much less than the present standard of 20 years of service in place at the present time. The cost for this change would be a charge of \$43.4 million to the special account. The committee felt that to change the requirements at this time would be inappropriate. The committee wishes to study the retirement system and review all of the basic guidelines to be sure they are appropriate. Vote 17-0.

HB 323-FN-L, relative to eligibility for payment of medical insurance premiums for retired group I teachers. **INEXPEDIENT TO LEGISLATE**

Rep. Merton S. Dyer for Executive Departments and Administration: The present law, RSA 100-A:52, provides for a supplement towards teachers' health insurance premium for retirement at age 60 with at least 20 years of membership in the New Hampshire retirement system. This benefit is terminally funded from the teachers' special account. This bill would reduce the years of membership to ten years for eligibility. The cost to fund this change for the retired or will be retired teachers prior to July 1, 2004 will cost the teachers' special account 75.1 million dollars. The representatives of the teachers groups opposed this change based on the cost and the feeling that 20 years of service was in keeping with similar programs for others in the New Hampshire retirement system and was the optimum years of service. Vote 14-0.

HB 331-FN-L, relative to payment of the medical insurance premium subsidy for a family plan for eligible retirees in the New Hampshire retirement system. **INEXPEDIENT TO LEGISLATE**

Rep. Merton S. Dyer for Executive Departments and Administration: The bill would add the coverage of fully dependent children to the medical coverage of retired state employees. At the present time, only the retiree and spouse are covered by the plan. The number of persons affected is unknown at this time and the cost of the plan would be an additional cost to the general fund. The retiree with a dependent child would receive the medical subsidy from the medical sub-trust of the retirement system but this only covers a small portion of the cost. At the present time, the state employees do participate in the medical subsidy. This is a major change in the health coverage plan and should be studied in the future with other concerns of the committee to insure fairness and uniformity. Vote 17-0.

HB 359-FN, requiring data collected by state agencies to be analyzed relative to age and gender. **INEXPEDIENT TO LEGISLATE**

Rep. David G. Poulin for Executive Departments and Administration: This bill would have required that data collected by state agencies be analyzed and stored relative to age and gender. The committee felt that much of this information may be available from other sources. The committee heard from one of the largest agencies that it would be a cumbersome task to complete this request and the money to create the software program is not available without a major increase in the budgets of all departments. Vote 15-0.

HB 438-FN, relative to the sale of dogs and cats. **INEXPEDIENT TO LEGISLATE**

Rep. Maurice E. Goulet for Executive Departments and Administration: The sponsors requested that this bill be reported out as inexpedient to legislate. The committee agreed. Vote 14-0.

HB 548-FN-A, relative to the powers and duties of the office of the attorney general. **INEXPEDIENT TO LEGISLATE**

Rep. William R. Zolla for Executive Departments and Administration: This was a very complex bill. It not only changed the name of the agency, requiring the change of up to 75 different statutes, but it also did the following: A. Removed the numerical limit on the number of assistant attorneys general and allowed senior attorneys general to work part time without losing their senior status; B. Clarified that legislative approval would be required to settle claims against the state that exceeds a percentage of the total reported general fund unrestricted revenues for the previous fiscal year; C. Increased the labor grade of the law office administrator, established several new positions within the agency with specified labor grades thereto, and allowed the attorney general to move attorneys general and investigators within the department regardless of labor grades or job descriptions. This was being done without the prior approval of the director of personnel. The bill also increased the fees for reports by trustees of charitable trusts and repealed the rule making requirements relative to the rape protocol kit and the domestic violence protocol. The committee felt that while the bill had some very minor advantages with respect to certain areas, they could be handled in another manner. The major concerns were as follows: A. The bill would increase state restricted revenue and general fund revenues and general fund expenditures by an indeterminable amount beginning in FY 2002 and continuing each year thereafter; B. To establish new positions and labor grades in the middle of the unclassified salary survey presently being conducted in the legislature would be premature and counterproductive especially without prior approval of the director of personnel; C. To establish new positions and subject their removal to RSA 4:1 which is presently being proposed for modification in HB 719 is somewhat premature at this time; D. The cost to change the name of the agency and the modification of approximately 75 statutes was unnecessary. Vote 16-0.

HB 603-FN-A, providing the commissioner of administrative services an option to self-fund the state employee health plan and requiring a reserve fund therefor. **OUGHT TO PASS**

Rep. Merton S. Dyer for Executive Departments and Administration: This bill is the result of a study committee during the last session of the legislature. This will allow the commissioner the option to self fund the employee health insurance. This is enabling legislation and will allow the commissioner of administrative services to enter into contracts with a third party or parties to administer a self-funded health benefit for state employees. Funds appropriated for this purpose shall not be transferred or used for any other purpose. The state will also maintain a special reserve fund in an amount estimated to be necessary to pay claims and the administrative costs for the assumed risk for 3 months. Vote 14-1.

Referred to Finance.

HB 606-FN, relative to the Christa McAuliffe planetarium. **OUGHT TO PASS WITH AMENDMENT**

Rep. David G. Poulin for Executive Departments and Administration: This bill removes the governing of the Christa McAuliffe planetarium from the board of trustees of the New Hampshire regional technical colleges and creates a new commission. The Christa McAuliffe planetarium commission will be responsible for the management and operation of the planetarium in Concord including the Alan B. Shepard discovery center and the buildings and grounds related thereto. The committee felt that the commission needed to be restructured to further promote the planetarium

and to start fund raising activities for expansion of the programs and facilities. The amendment limits the powers of the commission to delegate only the fund raising issues to a non-profit group. Vote 14-0.

Amendment (0379h)

Amend RSA 12-L:7, I as inserted by section 2 of the bill by replacing it with the following:

I. The commission shall have the following responsibilities:

(a) Supervise the design and program of the planetarium as authorized by the general court in a manner consistent with the intent of the project. All construction shall be undertaken under the provisions of RSA 228 and all contracts shall receive final approval by the governor and council.

(b) Oversee the administration of the planetarium and ensure that its mission is achieved.

(c) Cooperate and consult with the director of the planetarium concerning the daily operation of the planetarium, as well as integrated educational programs.

(d) Authorize the director of the planetarium to enter into contracts which are necessary for the administration of its authority pursuant to this chapter. All contracts, agreements, procurement, personnel, and operations shall be subject to the same requirements as all state agencies; provided, however, that any specialized planetarium program or equipment for which the estimated cost is funded from gifts, grants, or donations to the planetarium fund shall be exempt from competitive bidding requirements.

(e) Notwithstanding any other provisions of law, authorize the director of the planetarium to sell, lease, or trade specialized planetarium programs or equipment subject to the approval of the commissioner of administrative services. Proceeds from such transactions shall be used to support the operations of the planetarium.

(f) Delegate responsibilities for fund raising to Touch the Future, as the commission deems appropriate.

HB 305-FN-A, establishing a dedicated fund for certain fish and game funds to be expended for the purpose of operation game thief. **OUGHT TO PASS**

Rep. Vincent E. Greco for Fish and Game: This bill establishes a dedicated fund for Operation Game Thief, which is currently operated and funded by New Hampshire Wildlife Federation. The fund has approximately \$18,000 reward money left, which is being turned over to the Fish and Game Department to be used for the same purpose. Vote 14-0.

Referred to Finance.

HB 504, establishing a committee to study the feasibility of requesting the fish and game department to develop shooting ranges in each of the wildlife management units. **OUGHT TO PASS**

Rep. Robert J. L'Heureux for Fish and Game: Because of the severe shortage and decline in public shooting ranges which is caused in part by urban sprawl, the committee felt the bill had merit and that the issue should be studied. Vote 14-0.

HB 628, relative to disclosure of cost of services by medical providers and relative to cost of medical services charged to uninsured consumers. **INEXPEDIENT TO LEGISLATE**

Rep. Andre Martel for Health, Human Services and Elderly Affairs: Although well intentioned, this bill would require (1) an estimate of the cost of medical care prior to rendering the service and (2) the bill would also limit the cost of medical attention to the uninsured at the Medicaid rate. The committee had a problem on both fronts. First, as an example, a person who might need emergency medical attention or some sort of surgery would put the medical provider in an impossible situation of not knowing, in advance, the entirety of the need to medically correct. Another thought was, if an estimate of surgery was perhaps \$2,000 and, during the procedure, additional unanticipated surgery was needed, whether the surgeon would try to stay with the estimate or complete his or her work in a professional manner without the estimate being the driving force. Furthermore, it is widely known that the Medicaid rate normally pays less than the medical care costs, thus would have the potential of a medical care provider to limit the numbers of Medicaid patients they would accept. In addition, challenges to billings are appropriate under RSA 151:21-j for consumer protection. When a patient needs medical attention, they want a remedy, not an estimate. Vote 12-3.

HB 643-FN, establishing a committee to study a long-term care protection plan and extending the moratorium on new nursing home beds. **OUGHT TO PASS WITH AMENDMENT**

Rep. Daniel M. Burnham for Health, Human Services and Elderly Affairs: The committee, after discussion, decided that it was appropriate to extend the moratorium on new nursing house beds through the end of the budget period ending June 30, 2003. Vote 16-1.

Amendment (0399h)

Amend the title of the bill by replacing it with the following:

AN ACT extending the moratorium on new nursing home beds.

Amend the bill by replacing all after the enacting clause with the following:

1 Moratorium Extended. Amend RSA 151-C:4, III(a) to read as follows:

III.(a) No certificate of need shall be granted by the board for any nursing home, skilled nursing facility, intermediate care facility or rehabilitation facility from the effective date of chapter 310, laws of 1995, department of health and human services reorganization act, through the period ending [~~December 31, 2001~~] **June 30, 2003**, except that a certificate of need ~~[may]~~ **shall** be issued for replacement or renovation of existing beds as necessary to meet life safety code requirements or to remedy deficiencies noted in a licensing inspection pursuant to RSA 151 or state survey and certification process pursuant to titles XVIII and XIX of the Social Security Act.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill extends the moratorium on new nursing home beds from December 31, 2001 to June 30, 2003.

HB 457-FN, establishing a process for reviewing judges. **INEXPEDIENT TO LEGISLATE**
Rep. Robert H. Rowe for Judiciary: The committee is in full support of evaluating judges. In the 2000 session, the House passed a bill that is now RSA 490:32. This law mandates the evaluation of judges every three years. The responsibility for implementing RSA 490:32 rests with the Supreme Court. The Court is currently establishing rules to implement this program. The Committee may also consider the possible removal of this responsibility from the Supreme Court by placing it in an independent body. Vote 19-0.

HB 206-FN-A, establishing an equipment depository and disabled person's employment fund in the department of administrative services. **OUGHT TO PASS WITH AMENDMENT**
Rep. Corey E. Corbin for Labor, Industrial and Rehabilitative Services: This bill establishes an equipment depository within the Division of Personnel as well as in a disabled person's employment fund. After amending the bill to encourage the division to seek gifts and grants, the committee voted unanimously to pass this bill. Vote 14-0.

Amendment (0118h)

Amend the bill by replacing section 1 with the following:

1 New Subdivision; Equipment Depository; Disabled Person's Employment Fund. Amend RSA 21-I by inserting after section 44-d the following new subdivision:
Equipment Depository

21-I:44-e Equipment Depository. There is hereby established an equipment depository within the division of personnel. Moneys contained in the disabled persons' employment fund, established by RSA 21-I:44-f, shall be used to purchase adaptive equipment and accommodations to enable disabled persons to become gainfully employed by the state and any political subdivision of the state. The division shall determine the equipment to be purchased. The purchases shall be limited to equipment which provides reasonable, and not extraordinary, accommodations to the needs of the disabled, such as telephone adapters, adjustable desks, and other like equipment. The division shall have authority to reissue equipment returned to the depository and to dispose of any equipment that is no longer useful and to deposit any sale proceeds in the fund established by RSA 21-I:44-f.

21-I:44-f Disabled Persons' Employment Fund. There is hereby established a non-lapsing fund to be known as the disabled persons' employment fund to be used solely for the purposes of RSA 21-I:44-e and which shall be continually appropriated to the division of personnel for that purpose. The division, with the approval of governor and council, may accept, and is encouraged to seek, gifts, grants, and private donations for deposit in the fund established by this section.

Referred to Finance.

HB 261-FN, including the judiciary as a public employer under the public employee labor relations act. **OUGHT TO PASS WITH AMENDMENT**
Rep. John M. Whittier for Labor, Industrial and Rehabilitative Services: This legislation came as a result of a 1998 Supreme Court decision stating that judicial employees were not covered by the

public sector collective bargaining statute (RSA 273-A). The committee felt that the employees of the judicial branch should be given the right to form a union and to bargain just as the executive branch employees do presently. Vote 11-3.

Amendment (0236h)

Amend the bill by replacing sections 4 and 5 with the following:

4 Court Personnel; Reference to Collective Bargaining Added. Amend RSA 490:26-b to read as follows:

490:26-b Court Personnel and Compensation System.

*I. The supreme court shall establish a uniform personnel classification and compensation system and salary and grievance procedures for all nonjudicial court personnel **not covered by a collective bargaining agreement under RSA 273-A**. The compensation system shall be approved by the legislature prior to becoming effective if the legislature is meeting in regular session. If the legislature is not meeting in regular session, the compensation system shall be approved by the legislative fiscal committee prior to becoming effective. The salary and grievance procedures **for employees not covered by a collective bargaining agreement under RSA 273-A** shall be established by administrative order of the supreme court.*

II. If court employees exercise their rights under RSA 273-A, their wages, benefits, and other conditions of employment shall be negotiated through their bargaining agent. If they choose not to organize under RSA 273-A or are unsuccessful, their wages, benefits, and terms and conditions of employment shall be determined by the provisions of RSA 490:28.

5 Court Personnel; Reference to Collective Bargaining Added. Amend RSA 490:28 to read as follows:

490:28 Benefits of Nonjudicial Employees. [~~Notwithstanding any other provision of law~~] **Except as provided in a collective bargaining agreement under RSA 273-A**, full-time nonjudicial employees of the judicial branch shall, effective January 1, 1984, receive all fringe benefits and salary increases as provided for classified state employees including membership in the state retirement system, [~~Blue Cross and Blue Shield coverage~~] **health insurance**, dental insurance, life insurance coverage, and annual and sick leave benefits. Annual and sick leave benefits accumulated by said employees, as a result of service prior to January 1, 1984, shall be transferable under such guidelines as may be established by the supreme court **unless covered in a collective bargaining agreement under RSA 273-A**.

HB 130, relative to the maintenance of boundaries and fences. OUGHT TO PASS WITH AMENDMENT

Rep. Ronald Giordano for Municipal and County Government: This bill is the result of a statutory study committee set up in 1998 to update NH laws relating to fences. The bill references RSA 473, relative to the division of fences and their maintenance; RSA 475, relative to fencing waterways; RSA 476, relative to spite fences and RSA 536:4, dealing with unlawful removal of stone walls. The sponsors identified and clarified certain definitions and specified the governing body's jurisdiction relating to fences. The bill changes a spite fence height from 5 to 6 feet, establishes that the penalty for removal of certain materials (stonewalls) will be calculated by current market value and repeals some antiquated laws dealing with fences, renewing bounds of common fields and electric fences. The Committee adopted an amendment to put the phrase "fence viewer" back into RSA 473 for historical continuity. Vote 15-0.

Amendment (0309h)

Amend RSA 473:6 as inserted by section 1 of the bill by replacing it with the following:

473:6 Waters as Insufficient Fence. The governing body or fence viewer, upon application of either party, shall view any brook, river, pond, creek or ditch alleged not to be equivalent to a legal and sufficient fence. If they judge it to be not so equivalent, they shall make a division of the fence. If it is impracticable to build the fence on the boundary line without unreasonable cost, the governing body or fence viewer shall determine where it shall be located, and shall give notice to the parties to build it according to such division and location within a specified time period.

Amend RSA 473:8 as inserted by section 1 of the bill by replacing it with the following:

473:8 Appraisal of Fence Constructed or Repaired. The governing body or fence viewer, upon application, shall view any fence built or repaired as provided in RSA 473:5, and if they judge the same and the residue of the fence between the same owners upon the same tract of land to be sufficient, they shall appraise the fence so built or the repairs so made.

Amend RSA 473:11 as inserted by section 1 of the bill by replacing it with the following:

473:11 Appraisal in Default of Agreement. In a division under RSA 473:10, if the parties do not agree, the governing body or fence viewer, on application, shall appraise such part, and the party may recover the value appraised or agreed in an action of assumpsit for so much fence sold, if the same is not paid in 30 days after demand.

Amend RSA 476:1 as inserted by section 3 of the bill by replacing it with the following:

476:1 Fence as Private Nuisance. Any fence or other structure in the nature of a fence, unnecessarily exceeding [5] 6 feet in height, erected or maintained for the purpose of [annoying] *separating* the owners or occupants of adjoining property shall be deemed a private nuisance.

Amend RSA 539:4 as inserted by section 4 of the bill by replacing it with the following:

539:4 Stone, etc.

I. No person shall negligently dig or carry away any stone, ore, gravel, clay, sand, turf or mold [upon or from land holden in common or from the land of another person, or shall aid therein, shall forfeit to the person injured treble damages, and not more than fifteen dollars] which is on the land of another person, or aid in such actions without the permission of that person or the person's agent.

II. In addition to any other civil or criminal penalty allowed by law, any person who violates the provisions of paragraph I shall forfeit to the person injured no less than 3 and not more than 10 times the current market value of all such stone, ore, gravel, clay, sand, turf or mold cut, dug, destroyed, injured, or carried away.

HB 196-L, relative to civil forfeiture for failure to license or renew a dog license. OUGHT TO PASS WITH AMENDMENT

Rep. Kimberly Dionne for Municipal and County Government: Currently if an owner or keeper of a dog fails to license or renew that dog's license pursuant to RSA 466:1, a \$25.00 fine can be collected by the municipality. Currently if that forfeiture is not paid the town is required to dispose of the case in court and there is no prescribed offense. The proposed amendment changes the requirement of going to court to a discretionary action by the town and the offense is to be treated as a violation, with the fine not to exceed \$100.00. Vote 12-0.

Amendment (0268h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the penalty for failure to license a dog or renew a dog license.

Amend the bill by replacing all after the enacting clause with the following:

1 Licensing of Dogs; Penalties. Amend RSA 466:13 to read as follows:

466:13 Forfeiture. Whoever is the owner or keeper of a dog and who fails to license or renew the dog license pursuant to RSA 466:1 shall, after notice provided pursuant to RSA 466:14, forfeit \$25 to the town or city clerk of the municipality in which the dog is kept. If the forfeiture is not made to the town or city clerk within 15 calendar days of the notice of forfeiture, the case ~~shall~~ *may* be disposed of in a district court or municipal court *as a violation with a fine not to exceed \$100, notwithstanding the provisions of RSA 651:2, IV.* ~~[This]~~ A forfeiture shall not relieve the owner or keeper of the requirement of proper licensing of the dog as required by RSA 466:1. This section shall also apply to cats, if the municipality licenses cats. Any forfeitures collected under this section may be retained by the city or town for the administration and enforcement of this chapter.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill provides that the owner or keeper of a dog who fails to license a dog or renew a dog license may be guilty of a violation and subject to a fine of not more than \$100, if the owner or keeper fails to pay the \$25 civil forfeiture penalty.

HB 247, relative to the election of county commissioners in Carroll County. INEXPEDIENT TO LEGISLATE

Rep. Richard C. Leone for Municipal and County Government: The bill as proposed would change the way a Carroll County Commissioner would be elected – from county-wide to district-wide. The sponsor testified that the bill did not have support from the Carroll County Delegation and asked that the bill be voted Inexpedient to Legislate. The Municipal and County Government Committee has historically voted to support county specific legislation based on the recommendations of the members of the specific delegations and did not vote to change that tradition. Vote 12-0.

HB 277-L, clarifying the penalties for violations of statutes or ordinances where no penalty is specified. **OUGHT TO PASS**

Rep. Richard C. Leone for Municipal and County Government: There are laws on the books which neither specify the penalty or offense classification for violation of local ordinances. Some of these are included in the areas of hawkers, peddlers and vendors; regulation of highways, commons and other municipal property and minimum housing standards. This lack of penalty specification has created difficulties for local enforcement officials, often making the requirements of the statutes and ordinances practically unenforceable. HB 277 addresses many of these concerns by adding a blanket provision which says that any statute or municipal enabling statute which doesn't provide for a penalty would constitute a "violation" if someone failed to comply. New Hampshire Municipal Association adopted this policy by its membership at their September 2000 annual conference. The committee found these improvements had significant validity and merit. Vote 12-0.

HB 330-FN-L, relative to meetings requested of municipal governing bodies. **INEXPEDIENT TO LEGISLATE**

Rep. Cynthia J. Dokmo for Municipal and County Government: The bill would require the governing body of a town, city, school district, or village district to hold a meeting anytime a citizen requests one. The same requirement would be imposed on county commissioners. The impetus of this legislation was an apparent refusal of one board to meet with a legislator regarding an issue of concern to him. Though the Committee believes that governing bodies should make themselves available to their citizens, mandating such meetings is impractical and would create an overwhelming burden on the duties and responsibilities of our volunteer boards. Vote 12-0.

HB 395, relative to the time for the first meeting for county conventions following election. **OUGHT TO PASS WITH AMENDMENT**

Rep. Richard C. Leone for Municipal and County Government: The timing of the first organizational meeting for the County Delegations is mandated by statute to be the second Wednesday of December of each even numbered year. A number of scheduling and attendance problems arose this past December in some counties. The bill as amended gives flexibility to the Chairman of the Delegation to set the first organizational meeting anytime during the week of the second Wednesday of December of each even numbered year. The amendment specifically states who sets the time and place of the meeting and who is responsible for notifying the House Clerk. Since this gives all the County Delegations a choice, the committee voted Ought to Pass as Amended. Vote 12-0.

Amendment (0267h)

Amend RSA 24:9-a as inserted by section 1 of the bill by replacing it with the following:

24:9-a First Meeting. [~~The first meeting of the county convention shall be convened the second Wednesday of December of each even-numbered year, at some convenient place in the county.~~] *The chair of the county delegation shall set the time and place for the first meeting of the county convention to be held during the week of the second Wednesday of December of each even-numbered year and shall notify the clerk of the house of representatives prior to the first Wednesday of December.* The time and place of the meeting shall be announced by the clerk of the house of representatives on the first Wednesday of December of each even-numbered year.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires the chair of the county delegation to set the time and place for the first meeting of the county convention to be held during the week after the legislature's organization day. Current law requires the meeting to be on the Wednesday.

HB 431, establishing a committee to study the proceeds from the sale of tax-deeded property. **INEXPEDIENT TO LEGISLATE**

Rep. Paul C. Bellavance for Municipal and County Government: The purpose of this bill was to establish a study committee to look into the procedure municipalities use regarding tax-deeded property. The procedure was declared to be unconstitutional by the recent Supreme Court decision *Thomas Tool Services Inc, v Town of Croydon*. Based on this ruling the Department of Revenue Administration (DRA) advised the municipalities that they should not deed any property taken as a result of unpaid taxes. After reading the ruling it became evident that the court had not ruled on

the amended procedure as passed by the Legislature in 1998. A clarification of the ruling was requested and the court stated that "the application of the rule announced in this case shall apply to the parties and to any similar cases pending as of the date of this opinion, but not concluded, but shall not be retrospectively applied." When the court did not make any finding specifically regarding the amended procedure, DRA advised that "the tax collectors in cities and towns may now continue the process of delinquent tax collection activities." Since the amended procedure has not been ruled to be unconstitutional, the committee along with the sponsor voted Inexpedient to Legislate. Vote 12-0.

HB 442, establishing a study committee to examine the effects of protective custody on county correctional facilities. **OUGHT TO PASS**

Rep. Mary R. Cooney for Municipal and County Government: This bill establishes a study committee to examine the effects of protective custody on county correctional facilities. It was evident from the testimony that persons taken into protective custody and placed in county facilities present a logistical and legal dilemma. Some county correctional facilities are located far from where a person had been taken into custody. Such a person has no legal status and must be released within twenty-four (24) hours. Deputies cannot always transport these individuals back to their local communities. Additionally, there is no legal avenue to place some of these individuals in substance abuse or mental health programs. The committee voted unanimously to pass this bill to study these problems and make recommendations for legislation. Vote 12-0.

HB 535-FN-A, relative to thermal imaging cameras for fire departments, and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**

Rep. Richard S. Eaton for Municipal and County Government: The purpose of this bill was to implement a grant program to assist local safety officials with acquiring thermal imaging cameras. The sponsor made an excellent presentation for the need and benefit of these cameras. A two-cent increase of the tobacco tax was offered to finance this endeavor. A number of communities have raised funds locally to purchase these cameras, which indicates support at a local level. Municipal and County Government Committee encourages this type of local involvement, instead of the state determining the needs of each community. Although the committee supports the concept and endorses the idea for communities to obtain thermal imaging cameras in the name of safety, support for a two-cent increase in the state tobacco tax would not be feasible at this time. Vote 10-2.

HB 555-FN-L, relative to the billing of counties for certain expenses by the department of health and human service. **OUGHT TO PASS WITH AMENDMENT**

Rep. Nancy M. Scovner for Municipal and County Government: At the present time, there is no time limit as to when the Department of Health and Human Services can bill a county for services rendered. This legislation declares that the department of Health and Human Services shall not bill a county for expenses unless the Department submits an invoice to the county within fifteen (15) months of the date on which said expense was incurred. The Department of Human Services currently has the authority to not pay for services if the state has not been billed within twelve (12) months. This bill extends this same general policy to the counties that pay 25% of the costs of these services. This legislation also changes the date on which monthly payments are due from the counties to the State for services from thirty (30) days to forty-five (45) days of notice. The counties presently are expected to make payments within thirty (30) days. Passing this legislation will simplify the county bookkeeping. Vote 13-0.

Amendment (0349h)

Amend the bill by replacing section 1 with the following:

I New Paragraph; Payment of Expenses; Counties. Amend RSA 126-A:3 by inserting after paragraph II the following new paragraph:

II-a. Notwithstanding any provision of law to the contrary, the department shall not require payment and counties shall have no obligation to pay and no cause of action for payment shall be maintained against the counties, for payment for any product or service sold, furnished, or leased to the department or any other person on behalf of the department, unless an invoice for such product or service has been submitted to the counties for payment within 15 months of the date of delivery or provision of the product or service.

AMENDED ANALYSIS

This bill declares that the department of health and human services shall not bill a county for expenses unless the department submits an invoice to such county within 15 months of the date of incurring such expense.

This bill also changes the date monthly payments are due from the counties to the state for certain services from 30 days to 45 days of notice such payments are due.
Referred to Finance.

HB 192-A, making a capital appropriation for the reconstruction and repair of the Monadnock Mill State Office Building in Claremont. **INEXPEDIENT TO LEGISLATE**

Rep. William E. Leber for Public Works and Highways: The committee hears individual bills that are properly a bonded capital budget project. This is a bill to reconstruct the foundation of a state office building, and a similar project was submitted by Administrative Services to the Governor for consideration. Although this project was not included in the Governor's Capital Budget, the committee assured the sponsor it will receive serious consideration for inclusion in the capital budget process under HB 25-FN-A. It is the committee's goal to have all bonded capital improvement projects included in the capital budget so individual bills are usually found inexpedient to legislate. Vote 17-2.

HCR 11, to evaluate regional transportation infrastructure links. **OUGHT TO PASS**

Rep. Robert R. Rodrigue for State-Federal Relations and Veterans Affairs: HCR11 is a Resolution urging the Federal Highway Administration to study the east-west transportation links from Halifax, Nova Scotia through Quebec and northern New England to the Ontario-Buffalo area. The passage of NAFTA has increased trade and greatly increased associated traffic through the entire region. North Country residents are extremely concerned about the safety of our highways as well as the economic impact of inadequate east-west travel routes. The Committee agreed with the sponsors who feel very strongly that the federal Department of Transportation has an obligation to study this important issue. Testimony at HCR 11's hearing overwhelmingly supported the passage of this resolution. Vote 14-0.

HB 306-FN, relative to driver education training reimbursement. **OUGHT TO PASS**

Rep. George N. Katsakiores for Transportation: This bill is brought forward again having been vetoed by the Governor in the 2000 Legislative Session. All students who wish to take the driver training course sometimes have to take the course through commercial driving options because of the overload of students in the school-provided courses. All students upon completion of the driver-training course should be eligible for reimbursement from the driver training funds. This bill provides the reimbursement to all students completing the driver-training course. Vote 15-0.
Referred to Finance.

HB 317-FN, revising the New Hampshire Aeronautics Act. **OUGHT TO PASS**

Rep. Robert H. Milligan for Transportation: This bill is a result of the rewrite of Chapter 422 of the New Hampshire Aeronautics Act. The definitions and accentuations of the Federal Aviation Regulations (FARs) are hereby updated to conform to those issued by the Federal Aviation Administration (FAA). These updates are made for the first time since 1941. Registration fees of aircraft in New Hampshire shall have 25% of the fee retained in the municipality where registered. Airman registration will be discontinued in New Hampshire FAA handles. The NH Aeronautics Commission in concert with the Skyhaven Airport Commission operates Skyhaven Airport in Rochester. Vote 15-0.

HB 609-FN-L, requiring passengers on school buses to wear seat belts. **INEXPEDIENT TO LEGISLATE**

Rep. John W. Flanders for Transportation: A school bus is considered to be the safest vehicle on the road today. This bill has a fiscal note of \$20,536,000.00. It is estimated that each bus that is not fitted with seat belts would cost \$10,268.00 to retrofit. The committee clearly felt that this would be a clear violation of Article 28-a of the New Hampshire Constitution. Vote 14-0.

HB 709-FN-A-L, relative to the cigarette tax and prescription drugs for the elderly and continually appropriating a special fund. **INEXPEDIENT TO LEGISLATE**

Rep. Karen K. McRae for Ways and Means: While the end of this legislation is laudable, the means are questionable because another dedicated fund is instituted. The amount of revenues raised by yet another increase in the cigarette tax was not calculated in the fiscal note. However, the historical data on revenues on the increases in this tax in the near recent past show that the revenues are going down due to the decrease in cigarette use even though tax rates are going up. Vote 16-0.

REGULAR CALENDAR

HB 191, permitting unmarried adults to adopt jointly. INEXPEDIENT TO LEGISLATE

Rep. Christopher J. Seibel for Children and Family Law: The committee felt that this bill would minimize the importance of marriage and the positive effect marriage has on the development of children. The committee was also mindful of Division of Children, Youth and Family's report regarding the overwhelming majority of children that they serve who come from a household that does not involve married adults as parents. Other concerns included the vagueness of the language of this bill and the dilemma the bill would create concerning custody issues when the non-married adopting parents broke up. Vote 10-7.

Rep. Buckley spoke against and yielded to questions.

Rep. Dowling spoke in favor.

Rep. Herman requested a roll call; sufficiently seconded.

The question being adoption of the committee report.

MOTION TO SPECIAL ORDER

Rep. Ward moved that all Education Committee bills on the Regular Calendar be made a Special Order to the end of today's calendar.

Rep. Burling spoke against and yielded to questions.

Reps. Welch and Whalley spoke in favor.

Adopted.

HB 207-FN-L, increasing the state aid contribution to municipalities that expand, upgrade, or develop new wastewater treatment facilities to provide for expanded septage handling and disposal capacity. **OUGHT TO PASS**

Rep. Donald R. Philbrick for Environment and Agriculture: HBs 207, 311 and 439 are all based on the findings and recommendations of the Septage Task Force which was established in 1998, because of concerns that municipalities are not meeting their responsibilities pertaining to septage disposal per RSA 485-A:5b. The conclusion of the Task Force was that there is a severe problem facing New Hampshire pertaining to the handling and disposal of septage. There is a shortage of septic disposal facilities in New Hampshire. Many southern border towns deposit their septage in Lowell and Lawrence, Massachusetts facilities. Those cities could stop accepting New Hampshire septage at any time that would exacerbate the problem and northern towns already have a serious shortage of septic disposal facilities. This bill provides that municipalities may be reimbursed by the state, in addition to other state contributions and within limits of available appropriations, for 10% of the annual amortization charges on eligible costs. These would be costs resulting from the

acquisition and construction of septage and sludge handling and treatment facilities, which result in increased septage handling and/or treatment capacity to meet the septage disposal needs for that municipality. The municipalities would also be reimbursed for 2% of such charges, which result in increased septage handling and/or treatment capacity to meet the septage disposal needs for each additional municipality. Vote 15-0.

Adopted.
Referred to Finance.

HB 293, authorizing the production of industrial hemp. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Harold P. Melcher for the Majority of Environment and Agriculture: The majority of the committee felt that regardless of the undemonstrated claims of the economic value of hemp crop, it's even more unlikely environmental benefits and the botanical relationship with marijuana, one clear, relevant issue stood out. Hemp is federally illegal without a DEA permit. The bill makes no provision for that but would put the Commissioner of Agriculture up against breaking federal law with every permit he granted. Vote 7-6.

Rep. Derek Owen for the Minority of Environment and Agriculture: The minority for the passage of HB 293 felt that there is still no way hemp should be confused with marijuana. There is no way to produce paper, cloth, rope, food or personal body products, or animal foods or bedding from marijuana plants. Hemp leaves are no substitute for marijuana in that one would only get a headache from smoking it. The 1937 Marijuana Tax Act was not meant to prohibit the growth of hemp, but was meant to derive income from the growth of marijuana. The definition of marijuana does not include the stalks or fiber. The growing of hemp would need a license from the Department of Agriculture, Foods and Markets and also would require the grower to be responsible for annual testing and reporting for THC at harvest time. All this bill does is to allow NH growers to grow hemp if the Drug Enforcement Agency issues a permit. It does not intend to circumvent any Federal laws.

Rep. Owen spoke against and yielded to questions.
Reps. Martel and Melcher spoke in favor and yielded to questions.
Rep. Mirski requested a roll call; sufficiently seconded.
The question being adoption of the majority report.

and the majority report was adopted.

HB 353-FN-A, relative to diversified agricultural development, and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Timothy D. O'Connell for Environment and Agriculture: This bill enables the Department of Agriculture Markets and Food to develop a comprehensive strategic plan to promote and maintain diversified agriculture in New Hampshire. Emphasis will focus on assessing the needs of producers, developing existing and potential markets, and implementing strategies for ongoing support for producers in production, marketing and promotion. Vote 15-0.

Amendment (0203h)

Amend the introductory paragraph of section I of the bill by replacing it with the following:

1 Purpose and Policy. It is state policy to encourage agricultural development and diversification through several means, including research, promotions, marketing, and assisting individuals and organizations in their efforts to develop and market new agricultural products. New Hampshire agriculture has diversified over the years to encompass numerous commodities and products through the work of agriculturists both large and small, both new and long-established as New Hampshire farmers, and both inexperienced and sophisticated in the efficient production and modern marketing of their commodities. It is therefore the purpose of this act:

Adopted.

Report adopted and referred to Finance.

HB 183-FN, relative to the purchase of certain prior service by county corrections officers in the New Hampshire retirement system. **OUGHT TO PASS WITH AMENDMENT**

Rep. Merton S. Dyer for Executive Departments and Administration: This bill consisted of two parts: part I would have allowed county corrections officers that had prior time in the group I system of the New Hampshire retirement system to purchase that time. The committee removed this section because the time they wanted to buy was prior to the time of their eligibility to purchase group I time into group II. The amendment proposed by the committee would allow them to buy any time in any county that they served between July 24, 1987 and the time the county transferred their correction officers into the group II retirement section. There will be no additional cost to the state or the county as the cost will be borne by the employee and be determined by the actuarial accrued liability methodology. Vote 13-3.

Amendment (0282h)

Amend the bill by replacing section I with the following:

1 County Corrections Personnel; Purchase of Certain Prior Service; Application to Other Facilities. Amend 2000, 154:1 to read as follows::

154:1 New Hampshire Retirement System; County Corrections Personnel; Eligibility for Purchase of Prior Group I Service as Group II Service. At the time any county elects to transfer the corrections officer personnel employed at its correctional facilities from group I to group II retirement system service under the provisions of RSA 100-A:20, III, any corrections officer, who has prior eligible group I service as a corrections officer in a facility of the county in question, or who has prior group I eligible service as a corrections officer in another county corrections facility in the state may purchase such service as group II service notwithstanding any provisions of RSA 100-A:20, III to the contrary. Provided, however, that the period of the service must have been performed between the dates of July 24, 1987 and the date of the transfer of the corrections positions in the respective counties to group II. A one-time cost of obtaining such prior service credit, determined by the actuarial accrued liability methodology, shall be the responsibility of the member requesting the calculation. An eligible member shall notify the board of trustees of the member's desire to purchase such time and shall purchase such time prior to July 1, 2006.

AMENDED ANALYSIS

This bill allows county corrections officers to purchase as group II service, group I service completed before such employment was classified as group II service in any county corrections facility. Adopted.

Report adopted and ordered to third reading.

HB 560-FN-A, establishing a contributory judicial retirement plan. **OUGHT TO PASS WITH AMENDMENT**

Rep. Donald R. Lent for Executive Departments and Administration: The Finance Committee studied this bill in the form of HB 735 during the summer of 2000. It proposes a contributory retirement system in which judges contribute 7.5% of their salaries towards the pension and results in a similar defined benefit plan to that which all state employees now have. Currently the judges do not pay into their retirement but must serve until age 65 to receive their retirement benefits. The new plan allows judges who have served with distinction for many years to step down, if they wish, before age 65. The committee is aware that certain information is pending from the IRS concerning this bill, but in the interest of moving along what has been a long process we send the bill out

of committee We are assured that before the bill becomes law a response will come from the IRS, and will be considered in the second committee review by House Finance. The amendment makes a technical correction to the legislation, establishes a sliding scale for younger judges, creating an incentive to them to serve until age 65 on the bench, and provides for full retirement for judges who come to the bench later in their careers. Vote 17-0.

Amendment (0402h)

Amend RSA 100-C:5 as inserted by section 1 of the bill by replacing it with the following:
100-C:5 Service Retirement Benefits.

I. Any member who has at least 10 years of creditable service and is at least 55 years of age may retire on a service retirement allowance or a reduced service retirement allowance, upon written application to the board setting forth on what date, not less than 30 days nor more than 90 days subsequent to the filing of the application, the member desires to be retired. During such period of notification, the member may have separated from service.

II. A member may retire on a service retirement allowance equal to 75 percent of the member's final year's salary with 20 years of creditable service. The reduced service retirement allowance shall be equal to the number of years of creditable service multiplied by .0375 multiplied by the member's final year's salary. Under no circumstance shall said service retirement allowance or reduced service retirement allowance exceed 75 percent of the member's final year's salary.

III. Notwithstanding the provisions of paragraphs I and II, a member who is 55 years of age on the date the member retires under paragraph I shall not receive a service retirement allowance greater than 70 percent of the allowance provided in paragraph II. For each year of age over 55 the maximum allowance shall increase by 3 percent of the allowance provided in paragraph II. For a member who is at least 65 years of age and has at least 20 years of creditable service, and who retires pursuant to this section, the retirement allowance for the member shall not be less than 75 percent of the member's final year's salary.

Amend RSA 100-C:8, II as inserted by section 1 of the bill by replacing it with the following:

II. At any time after attainment of age 55, a member who has made such election may apply for and receive a vested deferred retirement allowance which shall consist of a member annuity which shall be the actuarial equivalent of the member's accumulated contributions on the date of retirement and a state annuity which, together with the member annuity, shall be equal to either the service retirement allowance or the reduced service retirement allowance payable under RSA 100-C:5, based on the member's age when the vested deferred retirement allowance begins and on the member's final year's salary and creditable service at the time service is terminated.

Adopted.

Report adopted and referred to Finance.

HB 587-FN-A, establishing a commission on the status of men, and making an appropriation therefor. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. William R. Zolla for the Majority of Executive Departments and Administration: This bill establishes a commission to focus on the declining health and responsible social status of men as they go through adolescence on to old age and tries to focus on problems specifically identified to the male gender. Such problems include suicide, failing educational progress, increasing criminal involvement and health problems. The projected life span of men is now 10 years less than that of women whereas at the beginning of the last century the life spans were about equal. The bill has been amended to reflect the fiscal note from the legislative budget office and the requirement that the commission report biennially and if necessary include any recommendations to the general court for its consideration. Vote 10-4.

Rep. Charles Q. Hall for the Minority of Executive Departments and Administration: The minority of the committee agreed the issues described by the study on the status of men were valid. However, this is not the appropriate time to establish a new commission.

Amendment (0364h)

Amend RSA 19-I:6 as inserted by section 2 of the bill by replacing it with the following:

19-I:6 Report. The commission shall submit a biennial report of its activities on or before November 1 to the governor and council, the commissioner of administrative services, the president of the senate, and the speaker of the house. The report shall include any recommendations the commission finds for the general court to consider.

Amend the bill by replacing section 4 with the following:

4 Appropriation. The sum of \$69,561 is hereby appropriated to the department of administrative services for the fiscal year ending June 30, 2002 and \$62,008 for the fiscal year ending June 30, 2003 for the purposes of this act. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated.

AMENDED ANALYSIS

This bill establishes a commission on the status of men to address issues of cultural bias and stereotyping, health problems unique to men, and methods for encouraging personal growth.

An appropriation for each of the next 2 fiscal years is made from the general fund for the purposes of the commission.

The commission is terminated on September 1, 2009.

Adopted.

Rep. Bickford requested a roll call; sufficiently seconded.

The question being adoption of the majority report.

SUSPENSION OF RULES

Reps. Scanlan and Burling moved that the House Rules be so far suspended as to permit late reporting of **HB 649-FN**, relative to compensation for time lost by state employees injured in the line of duty.

Adopted by the necessary two-thirds.

HB 649-FN, relative to compensation for time lost by state employees injured in the line of duty.
OUGHT TO PASS WITH AMENDMENT

Rep. William R. Zolla for Executive Departments and Administration: This bill will allow the state to pay in addition to workmen's compensation the difference in pay up to the base salary of the state police employee provided the injury is due to a hostile or overt act. The amendment extends this benefit to all state employees. Employees who are injured, but not by a hostile or overt act, will be eligible for workmen's compensation from the state and the difference between it and the employees base salary will be paid from the employees vacation and sick time. Vote 12-1

Amendment (0434h)

Amend the bill by replacing section 1 with the following:

1 New Section; Compensation for State Employees Injured in Line of Duty. Amend RSA 21-1 by inserting after section 43 the following new section:

21-1:43-a Compensation for State Employees Injured in Line of Duty. A state employee who is injured in the line of duty by a hostile or overt act that requires the employee to be hospitalized or renders the employee temporarily unable to perform the duties of his or her position shall not be charged annual leave or sick leave for the time lost due to the injury. During such time, the em-

ployee shall remain on the active payroll. The executive head of the employee's agency shall make the determination as to whether an injury is in the line of duty and due to a hostile or overt act, and, after approval by the governor and council, the determination shall be final. The compensation provided for in this section shall be in addition to any other compensation or remedy available to the employee.

Adopted.

Report adopted and ordered to third reading.

REGULAR CALENDAR (CONT'D.)

HB 332-FN-L, permitting emergency medical care providers to make death pronouncements, relative to payment of autopsy expenses, and eliminating a requirement for an investigation by the medical examiner. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: IN-EXPEDIENT TO LEGISLATE**

Rep. James P. Pilliod for the Majority of Health, Human Services and Elderly Affairs: This bill, as introduced, requested authority for emergency medical providers to make death pronouncements and eliminated requirements for investigation by the medical examiner. A subcommittee, in studying the bill in conjunction with the sponsor and others, concluded that this authority was too broad and the committee recommends an amendment to give authority to the Emergency Medical Services Medical Control Board of the Department of Safety to adopt statewide adult and pediatric resuscitation protocols for licensed emergency medical care providers under RSA 153-A:5, which is authority to promulgate administrative rules. Also, under RSA 153-A:5, this would be by emergency medical care providers under their own licenses or through medical control from a referral facility for the providers. The amendment also clarifies payment responsibility for autopsies by the state, county and Department of Health and Human Services. Vote 9-6.

Rep. Fran Wendelboe for the Minority of Health, Human Services and Elderly Affairs: This bill in its original form dealt with allowing emergency medical care providers to make death pronouncements, payment of autopsy expenses, and eliminated a requirement for an investigation by the medical examiner. In subcommittee, both the provision of allowing the death pronouncement and doing away with the 24-hour autopsy were rejected. An amendment was then brought which addresses a totally new subject of establishing a right of emergency medical providers to decide when and if to resuscitate an individual. The amendment also included a provision for the Emergency Medical Services Medical Control Board to adopt statewide adult and pediatric resuscitation protocols for licensed emergency medical care providers. While the committee recognizes the service and dedication of emergency personnel, many times as volunteers, there were serious concerns that this subject matter was not part of the public hearing. There were also concerns this could open liability issues for municipalities. The minority strongly believes this amendment should be defeated and that the original bill be defeated and encourages new legislation be filed next month, based on the new subject matter, to allow for a full public hearing and debate.

Amendment (0235h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to resuscitation protocols for emergency medical care providers and relative to payment of autopsy expenses.

Amend the bill by replacing all after the enacting clause with the following:

1 New Subparagraph; Duties of Emergency Medical Services Medical Control Board; Resuscitation Protocols. Amend RSA 153-A:5, III by inserting after subparagraph (g) the following new subparagraph:

(h) Adopt statewide adult and pediatric resuscitation protocols for licensed emergency medical care providers.

2 Autopsy Expenses. RSA 611:17 is repealed and reenacted to read as follows:

611:17 Autopsy Expense. Autopsy expenses shall be morgue costs, microscopic processes, toxicology, and x-ray costs. All claims for autopsy expenses shall be submitted to the office of the chief medical examiner, which shall authorize such claims and submit them for payment as follows:

I. For autopsies ordered by the county attorney, such claims shall be approved by the county attorney and submitted for payment to the county treasurer.

II. For autopsies ordered by the attorney general or the chief medical examiner, such claims shall be submitted for payment to the state treasurer, chargeable to the account of the chief medical examiner's office.

III. For autopsies made at the request of the commissioner of the department of health and human services and conducted in the presence of the medical examiner or designee, such claims shall be submitted for payment to the department of health and human services.

3 Repeal. The following are repealed:

I. RSA 611:7-a, relative to payment of autopsy costs by the department of health and human services.

II. RSA 611-A:9, relative to county liability for expenses of autopsies.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires the emergency medical services medical control board to adopt statewide adult and pediatric resuscitation protocols for licensed emergency medical care providers. The bill also changes the procedures for payment of autopsy expenses by the state and by counties

Adopted.

On a division vote, 239 members having voted in the affirmative and 83 in the negative, the majority report was adopted.

Ordered to third reading.

HB 538-FN, requiring photographs on walking disability placards. **INEXPEDIENT TO LEGISLATE**
Rep. Alida Millham for Health, Human Services and Elderly Affairs: HB 538-FN would require photographs on walking disability placards. The committee is most concerned that abuses of the privilege need to be addressed, but this bill is not the answer. A special subcommittee of the Commission on Disability is working on this very issue. Since this is a complicated issue, the committee felt it would be prudent to let the Commission on Disability find a workable solution and suggest legislation in the future and as soon as possible. Because the problems of abuse are so complex, the prime sponsor of the bill is willing to agree with the committee's decision. Vote 18-1.

Adopted.

HB 540-FN-A, relative to prescription benefit management companies and continually appropriating a special fund. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. Alida I. Millham for the Majority of Health, Human Services and Elderly Affairs: While the committee acknowledges there is a need to find ways to provide access to prescription drugs for low income and uninsured persons, the majority of the committee indicated HB 540-FN is not the answer. To single out the prescription management companies to fund this initiative is not a solution. The state of New Hampshire is working on several initiatives to address these concerns, including an 1115 Medicaid waiver and a tri-state initiative to pool ways to reduce costs. The majority of the committee recommends Inexpedient to Legislate. Vote 10-7.

Rep. Fran Wendelboe for the Minority of Health, Human Services and Elderly Affairs: This legislation would establish a fund to provide prescription drug assistance to low income individuals and would cover children, as well as, adults. The funding mechanism was proposed to be a 3% surcharge on pharmacy benefit management companies (PBM's) on the gross sales of pharmaceutical drugs in New Hampshire. PBM's are hired by insurance companies to manage their paperwork (claims) and to negotiate price with the pharmaceutical companies. The drug companies then compensate the PBM's with "rebates" as an incentive for the PBM's using their products. This is highly competitive and the sponsor truly feels the cost of the 3% surcharge would be primarily be absorbed by the pharmaceutical companies and/or the profits of the PBM's. Some members of the committee were concerned that this bill should have gone to Ways and Means and were not comfortable voting on a bill, which included a tax. Since this bill has a FN attached, the payment mechanism is what should be looked at in Ways and Means. As a policy committee, the establishment of a fund for prescription coverage for those uninsured should have been the issue. The minority asks that the House defeat the ITL motion and pass the bill to Ways and Means on the tax issue.

Rep. Wendelboe spoke against and yielded to questions.

Rep. Rogers Johnson spoke against.

Reps. Millham and Pilliod spoke in favor.

Rep. Wendelboe requested a roll call; sufficiently seconded.

The question being adoption of the majority report.

and the majority committee report was adopted.

HB 611-FN-L, relative to the availability of certain nursing home beds. **INEXPEDIENT TO LEGISLATE**

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: The committee is very supportive of the purpose of this bill, which was to hold a nursing home bed for 5 days when the person occupying it had to leave for emergency treatment. The committee acknowledged that it is sound policy to have such a provision. The difficulty with the bill is that it constituted an article 28-a unfunded mandate: To address this, an amendment was introduced that would have required that a nursing home should be reimbursed at the daily Medicaid rate. At present, the state Medicaid plan does not provide for reimbursement of the cost of vacant beds. If the state plan were amended, 25% of the cost would be charged to the counties, another 28-a problem. The committee also heard testimony that the majority of public and private nursing homes already voluntarily hold beds for clients who require brief hospitalization. Vote 11-2.

Adopted.

HB 658-FN-A, relative to the homeless prevention fund and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: This bill, as amended, creates a fund under the Housing Finance Authority to focus on the prevention of homelessness, particularly of families with small children who are at high risk of losing their housing. This fund would target low-income families and others at risk of becoming homeless. The appropriation for this purpose would be up to one million dollars where private sector funding would provide 75% of the fund, which would be matched by 25% of state funds. Vote 11-0.

Amendment (0302h)

Amend the bill by deleting section 2 and renumbering the original section 3-5 to read as 2-4.

Amend the bill by replacing section 3 with the following:

3 Appropriation. A sum equal to 25 percent of the total amount of private gifts or contributions in the homelessness prevention fund, not to exceed \$1,000,000, is hereby appropriated for the biennium ending June 30, 2003 to the homeless prevention fund within the housing finance authority for the purposes of this act. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated. **AMENDED ANALYSIS**

This bill appropriates state funds in an amount equal to 25 percent of private donations to the homeless prevention fund.

The bill also makes families who are threatened with homelessness the highest priority of the fund. Adopted.

Report adopted and referred to Finance.

HB 691-FN-A, relative to Area Health Education Centers in New Hampshire and making an appropriation therefor. **OUGHT TO PASS**

Rep. Martin Feuerstein for Health, Human Services and Elderly Affairs: This bill requests an appropriation for the 2002-2003 biennium to support the New Hampshire Area Health Education Centers (NHAHEC) in Littleton and Raymond. Littleton serves the four northern counties; Raymond

serves the six southern counties. The AHEC's mission is to improve access to primary care by promoting health careers as a life's work. They provide health education information to over 70,000, high school students who have the potential to become New Hampshire's future health professionals. They also work with health and human service college students. Over 5,000 young students have benefited from the program's recruitment efforts. The program is currently funded by a federal grant of \$1 million per year and in-kind support from participating academic institutions. The bill requests \$200,000 for each year, which will allow a request of matching amounts from the federal government. Ensuring an adequate supply of health professionals for NH is a great challenge. This program will enable many aspiring students to make health care career decisions that can give NH quality health care for the coming years. Vote 12-1.

Adopted.

Referred to Finance.

HB 721-FN, relative to the use of marijuana for medicinal purposes. INEXPEDIENT TO LEGISLATE

Rep. Fran Wendelboe for Health, Human Services and Elderly Affairs: The committee has great compassion for those who feel marijuana could aid in their medical treatment, particularly for nausea and seizures. However, current federal law defines marijuana as a schedule I drug and is defined under the law as having no medical purpose and having a high potential for abuse. The American Medical Association supports scientific research on the benefit of smoked marijuana and further, the AMA supports the development of an inhaled legal form of marijuana under development and the use of a legal drug like Marinol, a currently available pill containing the active ingredients found in marijuana. Federal law does not permit physicians to legally prescribe marijuana nor for it to be dispensed at pharmacies. There is no legal wholesale source of marijuana in the country. This bill would protect from state arrest and prosecution, people using marijuana for medical purposes. However this legislation would not protect those users from federal arrest. The committee is aware that several states, including Maine, have legalized medicinal marijuana, but note that those laws are still in contradiction with federal law. The committee also heard concerns from law enforcement that the bill, as drafted, was unenforceable, allowed patients to grow large amounts of marijuana of indeterminable quality and the bill does not specify where patients could legally obtain seeds or immature plants. Additionally, the subcommittee chair from the Criminal Justice Committee testified about his committee's work on this issue over the past two years. Their committee voted "not recommended for future legislation". For all the above reasons, the committee voted the bill Inexpedient to Legislate. Vote 13-5.

Rep. Vaillancourt spoke against.

Rep. Hopper spoke in favor.

Rep. Tholl spoke in favor and yielded to questions.

Rep. Batula requested a roll call; sufficiently seconded.

The question being adoption of the committee report.

and the committee report was adopted.

HB 328-FN-L, relative to fees of sheriffs and deputy sheriffs. OUGHT TO PASS WITH AMENDMENT

Rep. Christopher P. Reid for Judiciary: The fees charged to litigants by the sheriffs for service of process are intended to cover the county's costs. While the cost of providing this service has increased, the fees have not been increased since 1986. The committee felt that the sheriffs had adequately documented their increased costs. The amendment the committee adopted removes certain language which, is no longer applicable, and because of collection problems at the county level, requires that litigants pay the cost of service up front. Vote 10-3.

Amendment (0251h)

Amend the bill by replacing section I with the following:

I Fees of Sheriffs and Deputy Sheriffs Increased; Payment of Fees and Mileage. Amend RSA 104:31 to read as follows:

104:31 Fees of Sheriffs and Deputy Sheriffs. *At the time of the initial request for any of the following services, the required fees and mileage shall be paid.* The fees of sheriffs and deputy sheriffs shall be as follows:

I. For service of every writ, except as otherwise specifically provided, ~~[\$10]~~ **\$15**; for every service of a writ of possession, \$15; for service of every demand for rent, notice to quit, small claims notice, process, and notice of execution, \$15; and for service of every subpoena, \$15.

II. For service of a bill, libel or petition, ~~[\$10]~~ **\$15**; provided that service of a libel with restraining order shall be \$25.

III. For making an attachment of personal property or making a bulky attachment, \$15.

IV. In every county for actual travel to serve any writ, notice, subpoena, process or execution, to be reckoned from the place of service to the residence of the officer, and for travel to attend any court by the order thereof, to be reckoned from the residence of the officer to the court, each mile, each way, \$.45.

V. For levying executions, or sheriff sales or both, on the dollar, for the first \$100 levied, \$.04; for all above \$100, and not exceeding \$500, \$.03; for all above \$500, and not exceeding \$1,000, \$.02; for all above \$1,000, \$.01; minimum fee, \$10.

~~[VI. For each day of any session of the superior court, the sheriff shall receive up to \$40 a day; for each day's actual attendance of the superior court by order thereof, each deputy shall receive up to \$40 a day; for each day's actual attendance at supreme court by order thereof, the sheriff and each deputy, up to \$40 a day; in addition, the sheriff and each deputy, traveling expense to attend any court; for attending before a district or municipal court, on trials where a sheriff's or deputy sheriff's presence is required, up to \$25 a day. The fees and expenses listed in this paragraph shall be audited and allowed by the court, to be assumed and paid for by the state upon presentation of the sheriff's or the deputy sheriff's bill. Any fees and expenses which exceed the amounts listed in this paragraph shall be paid out of the county treasury.]~~

~~[VII.]~~ **VI.** For making copies of writs, each, \$1; *for postage and handling of writs, each, \$1.*

~~[VIII.]~~ **VII.** For leaving the copy and return required in the attachment of real estate at the office or the dwelling house of a register of deeds, ~~[\$10]~~ **\$15**.

~~[IX.]~~ **VIII.** For every service of a writ of attachment with a petition or writ of summons with a petition, ~~[\$10]~~ **\$15**; for every service of a writ of replevin, ~~[\$10]~~ **\$15**; for every non est return, ~~[\$6]~~ **\$10**.

~~[X.]~~ **IX.** For making a search, for taking an inventory, for conducting a sale or for waiting time, ~~[\$10]~~ **\$15** per hour in addition to any other fees specified in this section.

~~[XI. For each day worked by a deputy sheriff employed on a per diem basis for performing such duties as may be assigned by the sheriff, the sum of \$40 a day plus traveling expense to attend to any official business assigned to him as a deputy sheriff.]~~

~~[XII.]~~ **X.** The state shall reimburse the sheriff's office, within available funds appropriated by the legislature, \$65 for each full day and \$35 for each half day, plus traveling expenses to attend any official business, for any person employed as a bailiff by the sheriff's office. For the purpose of this paragraph, a half day shall be defined as a day in which a bailiff works 4 hours or less. The state shall reimburse the counties, within available funds appropriated by the legislature, for all costs associated with employing court bailiffs, if those costs are the result of job requirements imposed by federal and state governments.

AMENDED ANALYSIS

This bill increases certain fees charged by sheriffs and deputy sheriffs and requires such fees and associated mileage to be paid at the time services are requested.

Adopted.

Report adopted and referred to Finance.

HB 270-FN, increasing the mileage reimbursement rate for members of the legislature. **OUGHT TO PASS WITH AMENDMENT**

Rep. Keith R. Herman for Legislative Administration: HB 270 increases the reimbursement rate for legislative mileage. The amendment increases the per mile rate under the State system by 4 cents. The cost of this increase to the state is approximately \$30,000. There is little debate over the fact the current mileage reimbursement rate fails to consider increased costs of travel over the past 20 years. However, to make up for the lack of adjustment for the past 20 years now is irresponsible. The committee agrees that legislative compensation is lacking. The expense to serve as a legislator may be prohibitive to service. Travel, meals, lodging, phone expenses, etc. are all financial burdens our constitutional salary fails to cover. While there may be attempts to increase our mileage reimbursement greater than the 4 cents recommended by the committee amendment, the appropriate mechanism to adjust our compensation to reflect actual expenses can only be done through a constitutional amendment. The committee will be voting on a constitutional amendment later in the session. Vote 9-2.

Amendment (0283h)

Amend RSA 14:15-a, I(b)(1) and (2) as inserted by section 1 of the bill by replacing them with the following:

(1) For the first 45 miles, [~~\$:38~~] **\$.42** per mile; and

(2) For all miles in excess of 45 miles, [~~\$:19~~] **\$.23** per mile.

Adopted.

Reps. Dickinson and Burling offered a floor amendment (0426h).

Floor Amendment (0426h)

Amend the bill by replacing all after the enacting clause with the following:

1 General Court; Travel Allowance to Members. Amend RSA 14:15-a, I, (b)(1) and (2) to read as follows:

(1) For the first 45 miles, [~~\$:38~~] **\$.77** per mile, *provided that no member's reimbursement amount shall be less than \$8*; and

(2) For all miles in excess of 45 miles, [~~\$:19~~] **\$.38** per mile.

2 Application. The rules for travel allowance for members of the general court provided for in RSA 14:15-a, I(b)(1) and (2) as amended by section 1 of this act shall be used for the calculation of reimbursement to members beginning on or after December 4, 2002.

3 Effective Date. This act shall take effect December 4, 2002.

Rep. Dickinson spoke in favor and yielded to questions.

Rep. Herman spoke against and yielded to questions.

Rep. Hopper requested a roll call; sufficiently seconded.

The question being the adoption of the floor amendment (0426h).

and the committee report was adopted.
Referred to Finance.

MOTION TO PRINT DEBATE

Rep. DeChane moved to print the debate on **HB 270-FN**, increasing the mileage reimbursement rate for members of the legislature, in the Permanent Journal.

The motion failed.

REGULAR CALENDAR (CONT'D.)

HB 641-FN-A, relative to a study by the legislature of gender bias in the New Hampshire court system and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**

Rep. Peter F. Bergin for Legislative Administration: The committee heard testimony from the sponsor that a constituent had complained that a judge in her district was gender biased. This judge's conduct has been brought to the attention of court and judicial conduct committee. There have been several studies by the court and the New Hampshire Bar on gender bias issues. In addition it was reported that the courts and the New Hampshire Bar conduct an on-going study of gender bias. Vote 11-0.
Adopted.

HB 222-FN, relative to lighting and light pollution. **INEXPEDIENT TO LEGISLATE**

Rep. Mary E. Griffin for Municipal and County Government: An in-depth study was completed wherein all aspects of outdoor lighting and lighting pollution were discussed during the 1999-200 session. The Office of State Planning (OSP) as a result of this study prepared a technical bulletin on outdoor lighting. OSP will convene a public meeting in the spring of 2001 to assist local officials in applying suggested procedures in their communities. HB 222 requires the State to use the most efficient, full cut off lamps available. The Department of Transportation (DOT), in its Highway and Bridge Betterment program for FY 2001-02 has included funding for a phased-in street lighting conversion. Although the Committee agreed with the concept of reduced energy costs, reduced night glare and less light pollution, the Committee recognized that immediate implementation of this bill would not be feasible and the proposed phase-in as outlined by DOT is the best way to accomplish the goals of the sponsor in reducing light pollution. Vote 11-5.
Adopted.

HB 358-FN, relative to tolls on the Everett turnpike. **INEXPEDIENT TO LEGISLATE**

Rep. John A. Graham for Public Works and Highways: This bill would allow the Department of Transportation to remove the existing toll plazas on exits 10 and 11 on the F.E. Everett Turnpike in Merrimack, in the event that the Governor and Council eliminated the tolls on these exits. While sympathizing with the residents of Merrimack, the committee felt that this legislation was premature for several reasons. First, the Governor and Council have given no indication that they intend to eliminate the tolls on these exits. Second, these exits were built using bond funds. In order to maintain the necessary reserve stream to pay these bonds, tolls would have to be raised elsewhere on the turnpike system. Third, the committee would like to review the results of the overdue Wilber Smith Study before taking any actions affecting the existing toll system. Finally, if an electronic toll collection system is instituted on the turnpike system, it will require reconstruction of all existing toll plazas and this would be a more appropriate time to consider eliminating any existing toll plazas. Vote 18-0.

Rep. Milligan spoke against.

Rep. Edwin Smith spoke in favor and yielded to questions.

LAID ON THE TABLE

Rep. Brundige moved that **HB 358-FN**, relative to tolls on the Everett turnpike, be laid on the table and requested a roll call; sufficiently seconded.

The question being the motion to lay HB 358 on the table.

and the motion was adopted.

REGULAR CALENDAR (CONT'D.)

HB 547-FN, authorizing participation in a regional electronic toll collection system. **OUGHT TO PASS WITH AMENDMENT**

Rep. Charles W. Morse for Public Works and Highways: This bill implements EZ-Pass technology. The Department of Transportation has done extensive research on EZ-Pass technology that would replace conventional toll collection equipment. The technology would reduce traffic congestion and improve controls of our highway system. The committee voted overwhelmingly to support this technology. Vote 18-0.

Amendment (0296h)

Amend the bill by replacing section 4 with the following:

4 Effective Date. This act shall take effect upon its passage.

Adopted.

Report adopted and referred to Finance.

HB 537-FN-A, relative to a dedicated revenue source for the land and community heritage investment program and the state's travel and tourism promotion and development effort. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS.**

Rep. Stanley E. Czech for the Majority of Resources, Recreation and Development: This bill appropriates \$4 Million dollars from the general fund and invests it in the newly created Travel and

Tourism Development Fund. It is expected that this fund will generate increased revenue to be used to support the land and community heritage fund in perpetuity. The bill also provides a one time appropriation of \$4 Million dollars for fiscal year 2002 to continue support for the land and community heritage trust fund. After that, the trust fund should be fully supported by revenue from the travel and tourism fund as was originally proposed in HB 537-FN-A. The committee amendment removes the reference to the Real Estate Transfer Tax in the original bill and instead builds upon the tourism promotion aspects of the bill. Based upon the conservative estimates from the Department of Resources and Economic Development (DRED), the committee fully expects that the Land and Community Heritage Investment Program (LCHIP) will be fully funded in the second year of this biennium. Further, the amendment will draw on tourism promotion revenues which could in the near future bring in revenues up to \$16 million dollars annually to fund LCHIP. That is \$4 million more than the "full-funding" sought by the original bill. Vote 12-6.

Rep. Judith T. Spang for the Minority of Resources, Recreation and Development: The bill creating the Land and Community Heritage Investment Program (LCHIP) last session was passed by a vote of 326 to 9. HB 537-FN-A was to fulfill the promise of a permanent and reliable source of revenues through carefully thought-out, revenue-neutral mechanism. The amendment to this bill is a substitute for reliance upon the uncertainty of yearly reconsideration of LCHIP funding through a General Fund appropriation, and cuts it from the necessary \$12 Million to \$4 Million in 2002. LCHIP is a long-term project to preserve our state's rural and historic character, requiring long-term funding. The minority supports the original bill without amendment.

Amendment (0375h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the land and community heritage investment program and the state's travel and tourism promotion and development effort and making appropriations therefor.

Amend the bill by replacing all after the enacting clause with the following:

I Purpose. Pursuant to RSA 227-M:1, the general court declares it to be in the public interest to maintain New Hampshire's quality of life and economic vitality through the balancing of growth and development with careful protection of the state's most important natural, cultural, and historical resources. To achieve this balance, the general court has established the land and community heritage investment program under RSA 227-M. The general court recognizes that the success of this program shall depend upon a permanent and reliable source of revenues. The general court further declares it to be in the public interest to secure such funding as is appropriate to fully implement the land and community heritage investment program for the fiscal biennium ending in 2003 and beyond. The general court also recognizes that additional prudent investments in travel and tourism promotion can enhance the state's quality of life and provide significant economic return to the state of New Hampshire. The general court finds that conserving the state's natural, cultural, and historical resources is essential to developing the quality travel and tourism industry that is desired by both the general public and the tourism industry itself. The general court declares it to be in the public interest to secure such funding as is appropriate in order that the division of travel and tourism, department of resources and economic development, can implement an enhanced travel and tourism development program, both for the benefit of the tourism industry and to increase tourism-related revenues to the state to offset increased investments in both the land and community heritage investment program and travel and tourism development.

2 Findings.

I. In its final report dated November, 1999, the commission to determine the feasibility of a public-private partnership to conserve New Hampshire's priority natural, cultural, and historic resources (the commission), established pursuant to chapter 161 of the laws of 1998, recommended permanent, dedicated funding for the proposed land and community heritage investment program of at least \$12,000,000 annually.

II. Chapter 245 of the laws of 2000 established the land and community heritage investment program and provided a one-time appropriation of \$3,000,000 from the New Hampshire economic development fund established under RSA 12-A:2-e.

III. The mutual interdependence between the vitality of the tourism economy and conservation and preservation of our most important natural, historical, and cultural resources has been widely acknowledged. In May, 1998, more than 70 tourism and other business leaders attending a

tourism summit meeting concluded that: "New Hampshire will only be a good place to visit if it continues to be a good place to live. Visitors will come only if we work proactively to retain our open spaces, rich historic and cultural attractions, and livable communities."

IV. It is generally acknowledged that state investment in travel and tourism development yields significant net returns to state and local revenues. The Institute for New Hampshire Studies at Plymouth State College has determined this return to the state general fund to be \$7.61 for every \$1 invested in travel and tourism promotion and development activities by the division of travel and tourism development. In addition, each \$1 invested returned \$1.52 to local revenues, based on 1998 data.

V. Enhanced state support of travel and tourism development will generate returns on investment sufficient to offset allocation of revenues from the general fund to the purposes set forth in this act.

3 New Section; Department of Resources and Economic Development; Travel and Tourism Development; Travel and Tourism Development Fund. Amend RSA 12-A by inserting after section 43 the following new section:

12-A:43-a Travel and Tourism Development Fund.

I. There is hereby established in the office of the state treasurer a fund to be known as the travel and tourism development fund. Any appropriations received shall be deposited in the fund. Moneys in the fund and any interest earned on the fund shall be used for the purpose of promoting and developing appropriate travel and tourism initiatives through the division of travel and tourism development and shall not be used for any other purpose. The director of travel and tourism development shall oversee expenditures from the fund. The moneys in the fund shall be non-lapsing and shall be continually appropriated to the department of resources and economic development.

II. The commissioner of resources and economic development shall prepare an annual report to be presented no later than December 1 of each year to the president of the senate, the speaker of the house of representatives, and the governor and council, and filed with the state library. The report shall detail the specific activities supported by, and expenditures from, the fund during the past year.

III. Beginning with fiscal year 2003 and each fiscal year thereafter, all state funding for the development fund shall be by general fund revenues in an amount not less than \$4,000,000. Federal funds accepted by the commissioner and the governor and council for the purposes similar to those of this chapter may be deposited in the fund.

4 Subsequent Funding for the New Hampshire Land and Community Heritage Investment Program. RSA 227-M:7, III is repealed and reenacted to read as follows:

III. Beginning with fiscal year 2003 and each fiscal year thereafter, all state funding for the trust fund shall be by general fund sums in the amount of the increased revenue resulting from expenditures on travel and tourism from the travel and tourism development fund pursuant to RSA 12-A:43-a, as determined by the division of travel and tourism's Travel Economics Report, less the \$4,000,000 to be invested pursuant to RSA 12-A:43-a, III. State funding to the New Hampshire land and community heritage investment program shall not exceed \$16,000,000 per fiscal year. The governor is authorized to draw a warrant from the general fund to satisfy the state's obligation under this section. Federal funds accepted by the committee and the governor and council for the purposes similar to those of this chapter may be deposited in the fund.

5 New Subparagraphs; Travel and Tourism Development Fund; Land and Community Heritage Investment Program. Amend RSA 6:12, I by inserting after subparagraph (dddd) the following new subparagraphs:

(eeee) Moneys received for deposit in the travel and tourism development fund established by RSA 12-A:43-a, I.

(ffff) Moneys received pursuant to RSA 227-M:7 for deposit in the trust fund for the New Hampshire land and community heritage investment program.

6 Appropriation for the New Hampshire Land and Community Heritage Investment Program. The sum of \$4,000,000 for the fiscal year ending June 30, 2002, is hereby appropriated to the trust fund for the New Hampshire land and community heritage investment program. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated.

7 Appropriation for the Travel and Tourism Development Fund. The sum of \$4,000,000 for the fiscal year ending June 30, 2002, is hereby appropriated to the travel and tourism development fund. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated. These funds are in addition to any current funding mechanisms or appropriations.

8 Effective Date. This act shall take effect July 1, 2001.

AMENDED ANALYSIS

This bill provides funding for the land and community heritage investment program and for travel and tourism development from the general fund through the operating budget. The bill also makes appropriations for the land and community heritage investment program and for travel and tourism development.

Reps. O’Connell and Spang spoke against and yielded to questions.

Reps. Lawton and Scanlan spoke in favor and yielded to questions.

Rep. Royce spoke in favor.

Rep. Burling requested a roll call; sufficiently seconded.

The question being the adoption of the majority amendment.

and the majority committee report was adopted.
 Referred to Finance.
 Rep. Mirski declared a conflict of interest and did not participate.

Rep. Rollo voted nay and intended to vote yea.

Rep. Fields did not vote and wished to be recorded in favor.

MOTION TO PRINT DEBATE

Rep. Martha Fuller Clark moved to print the debate on **HB 537-FN-A** in the Permanent Journal. On a division vote, 138 members having voted in the affirmative and 184 in the negative, the motion failed.

REGULAR CALENDAR (CONT'D.)

HB 539-FN-A, creating certain positions within the division of forests and lands and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. David M. Lawton for Resources, Recreation and Development: HB 539-FN-A will bring significant new forestry support tools to the division of forests and lands and was unanimously supported by the members of the Resources Committee. The committee amendment makes technical corrections as well as reducing the number of new ranger positions from five to three and therefore also reduces the total appropriation from \$1,380,000 to \$1,100,000. The bill creates new positions in the division of forests and lands for: forest rangers; forest resource planner; and data analyst. This bill also provides funding through the division to the UNH cooperative extension for forestry-related work. The committee considered amending the bill to recommend a source of revenue for this initiative. Although, we did not pursue that avenue, it was generally believed that the timber yield tax should be considered as a possible source of funds. Vote 17-0.

Amendment (0355h)

Amend paragraph I (b) of section 2 of the bill by replacing it with the following:

(b) Since 1975, the number of timber sales reported has more than doubled, from 2003 in 1975 to 5,754 in 1999. During this same time period, the ranger staff has not grown.

Amend the bill by replacing section 3 with the following:

3 Appropriations.

I. The sum of \$1,100,000 is appropriated for the biennium ending June 30, 2003 and allocated to the division of forests and lands and the university of New Hampshire cooperative extension for the purposes and in the amounts provided in paragraph II. The governor is authorized to draw a warrant for such sums out of any money in the treasury not otherwise appropriated.

II.(a) To the division of forests and lands:

(1) For the ranger positions, \$420,000, to be distributed as follows: \$255,000 in fiscal year 2002 for 3 additional ranger positions and associated expenses, and \$165,000 in fiscal year 2003.

(2) For the forest resource planner position, \$120,000, to be distributed as follows: \$60,000 in each fiscal year 2002 and 2003.

(3) For the forest data analyst position, \$100,000, to be distributed as follows: \$50,000 in each fiscal year 2002 and 2003.

(b) To the university of New Hampshire cooperative extension, for the forestry work specified in section 2 of this act, through the division of forests and lands in accordance with RSA 227-I:2, I (c), \$460,000 to be distributed as follows: \$230,000 in each fiscal year 2002 and 2003.

AMENDED ANALYSIS

This bill creates ranger, forest resource planner, and forest data analyst positions within the division of forests and lands. This bill also makes an appropriation of \$1,100,000 to the division to fund the positions and to the university of New Hampshire cooperative extension for certain forestry work conducted.

Adopted.

Report adopted and referred to Finance.

HB 592-FN-A, relative to a milfoil prevention and research grant program and fund. **OUGHT TO PASS WITH AMENDMENT**

Rep. Bob Odell for Resources, Recreation and Development: HB 592-FN-A creates a critically important milfoil and exotic plants prevention and research grant fund. The fund will be managed by the Department of Environmental Services. Forty-eight New Hampshire lakes are infested with milfoil or other exotic plants; seven new lakes were infested in the last year. The amendment pro-

vides funding through a \$3.00 increase in each boat registration to generate approximately \$300,000 annually. The amendment allocates up to 2/3 of the funds for prevention and the remainder for research. Local lake associations will match prevention grants and research grants will be matched by recipient research organizations. Members of the committee felt strongly that research and prevention programs need to be accelerated to protect lakes from the destructive effects of milfoil and other exotic plant infestation. Vote 17-1.

Amendment (0380h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to a milfoil and other exotic plants prevention and research grant program and fund.

Amend the bill by replacing all after the enacting clause with the following:

1 New Subparagraph; Milfoil and Other Exotic Plants Prevention and Research Grant Fund. Amend RSA 6:12, I by inserting after subparagraph (dddd) the following new subparagraph:

(ecee) Moneys collected pursuant to RSA 487:26, which shall be deposited in the milfoil and other exotic plants prevention and research grant fund.

2 New Subparagraph; Boat Registration Fee; Milfoil and Other Exotic Plants Prevention and Research Grant Fund. Amend RSA 270-E:5, II by inserting after subparagraph (e) the following new subparagraph:

(f) \$3 for each registration specified in paragraph I. The fees collected under this subparagraph shall be paid into the milfoil and other exotic plants prevention and research grant fund established under RSA 487:26.

3 New Subdivision; Milfoil and Other Exotic Plants Prevention. Amend RSA 487 by inserting after section 25 the following new subdivision:

Milfoil and Other Exotic Plants Prevention

487:26 Milfoil and Other Exotic Plants Prevention and Research Grant Fund. There is hereby established a special fund to be known as the milfoil and other exotic plants prevention and research grant fund. An additional fee of \$3 to those already collected under the provisions of RSA 270-E:5 for each private boat registered shall be paid to the director of the division of motor vehicles. The director of the division of motor vehicles shall pay over said additional fees to the state treasurer who shall keep said fees in the special fund established by this section to be expended by the department of environmental services. The purpose of this fund is to provide revenues for the milfoil and other exotic plants prevention and research grant program as provided in this subdivision, and moneys in the fund shall not be available for any other purpose. All moneys deposited in the fund are continually appropriated for the purposes of the milfoil and other exotic plants prevention and research grant program and shall not lapse.

487:27 Grant Program Established. There is hereby established a grant program to be administered by the department of environmental services for the allocation of money to lake associations and towns which seek to administer a milfoil and other exotic plants prevention program, and institutions of higher learning which seek to conduct research on milfoil and other exotic plants remediation techniques. The grant program shall be funded by the milfoil and other exotic plants prevention and research grant fund, established under RSA 487:26. Up to 2/3 of the moneys distributed from the fund shall be allocated for the purposes of milfoil and other exotic plants prevention programs and the remainder shall be allocated to milfoil and other exotic plants remediation research projects.

487:28 Management Plan. The department of environmental services shall establish a management plan to implement the grant program. The management plan shall include, but not be limited to:

I. Eligibility determination criteria and procedures.

II. Application requirements and procedures.

III. Project selection and prioritization requirements and procedures.

IV. Stewardship requirements and procedures, including annual reporting to the department by the grantee.

487:29 Eligible Applicants; Matching Funds.

I. The department of environmental services shall distribute funds for projects to further the purposes of this chapter only to eligible applicants. Eligible applicants shall include:

(a) Publicly-supported nonprofit corporations exempt from federal income taxation under section 501(c) of the Internal Revenue Code.

- (b) Municipalities or other political subdivisions of the state.
- (c) Institutions of higher learning.
- (d) Departments or organizations within the federal government.

II. All eligible applicants shall provide a minimum level of matching resources equal to 50 percent of the proposed program budget. The cost-sharing match may be met through the use of in-kind services. Qualifying matching funds from the applicant may include, but are not limited to, municipal appropriations, private donations, federal funds, and the value of goods and services provided by the applicant.

4 Prospective Repeal; July 1, 2006. The following are repealed:

I. RSA 6:12, I(eeee), relative to the milfoil and other exotic plants prevention and research grant fund.

II. RSA 270-E:5, II(f), relative to the increase in the boat registration fee.

III. RSA 487:26-29, relative to the milfoil and other exotic plants prevention program.

5 Effective Date.

I. Section 4 of this act shall take effect July 1, 2006.

II. The remainder of this act shall take effect July 1, 2001.

AMENDED ANALYSIS

This bill creates a grant program administered by the department of environmental services for aid to lake associations and towns which seek to administer a milfoil and other exotic plants prevention program, and institutions of higher learning which seek to conduct research on milfoil and other exotic plants remediation techniques. Eligible applicants are required to provide a minimum resource match of 50 percent of the proposed program budget.

This bill also creates a special milfoil and other exotic plants prevention and research grant fund to provide moneys for the program. Funding for the grant program is provided by an increase to the boat registration fee.

The provisions of the bill are repealed July 1, 2006.

Adopted.

Report adopted and referred to Ways and Means.

HB 253-FN, relative to mercury reductions. OUGHT TO PASS WITH AMENDMENT

Rep. Terie T. Norelli for Science, Technology and Energy: Mercury is a persistent toxic pollutant that accumulates in the food chain and has significant neurotoxic effects on humans, wildlife and fish. New Hampshire, like other New England states, has advised against eating more than a limited amount of fresh water fish due to Mercury contamination. By December 2005, federal regulations will require that Mercury emission control technology be installed at the waste-to-energy facility in Claremont. This facility serves 15 New Hampshire and 14 Vermont communities. This bill, as amended, would require the facility to meet New Hampshire's more stringent Mercury standard 2-3 years earlier than required by the federal rule. Under the bill, pollution control equipment is expected to be installed by July 2003. Since the NH communities of the NH/VT Solid Waste Project are contractually liable for 34.5% of the operating and maintenance costs associated with any mandated state or federal environmental controls to the facility, this bill would increase costs to the NH communities by \$75,900 per year to meet the earlier emissions limit. This bill establishes a state grant program to reimburse those NH communities for the costs associated with the earlier implementation date required by this bill. The fiscal note estimates those costs as up to \$75,900 in FY 2004 and FY 2005 and \$37,950 in FY 2006. The state grant program would cease after federal regulations require compliance anyway. The committee fully agreed with local residents that preventing Mercury from entering the incinerator through source reduction or recycling would be preferable to reducing Mercury through emission controls after waste is burned. With that in mind, the amendment provides for two compliance alternatives that may eliminate the need for control technology installation. The first alternative allows the commissioner of the Department of Environmental Services (DES) to waive state requirements for the incinerator to install pollution control equipment if the commissioner determines that the plant will close prior to December 2005. The amendment also allows the DES commissioner to waive requirements if the state standard is met and will continue to be met through Mercury source reduction or recycling efforts. Language was also added that said the United States Environmental Protection Agency must also approve any alternative compliance plan in order to protect the interests of the facility owner. Legislation that

passed last session required similar reductions of Mercury at another waste to energy facility in Penacook. Installation of pollution control equipment has successfully reduced emissions of Mercury by over 95% at the Penacook facility. Vote 14-0.

Amendment (0345h)

Amend the bill by replacing all after the enacting clause with the following:

I Mercury Emissions Reduction and Control Program; Reduction of Mercury Emissions for Certain Municipal Waste Combustors. Amend RSA 125-M:3, I to read as follows:

I. Any municipal waste combustor with a design capacity to burn 100 tons per day or more of municipal solid waste [~~which is subject to a federal maximum mercury emission rate of 0.08 milligrams per dry standard cubic meter (mg/dscm) or less~~] shall reduce its mercury emissions to achieve a mercury emission rate of no greater than 0.028 mg/dscm corrected to 7 percent oxygen by volume on a dry basis, or at least 85 percent control efficiency.

2 New Paragraph; Mercury Emissions Reduction and Control Program; Rulemaking. Amend RSA 125-M:4 by inserting after paragraph II the following new paragraph:

III. Establishment and administration of the grant program in accordance with RSA 125-M:8.

3 Mercury Emissions Reduction and Control Program; Compliance. RSA 125-M:5 is repealed and reenacted to read as follows:

125-M:5 Compliance.

I. No person shall operate a municipal waste combustor with the design capacity to burn 100 tons per day or more of municipal solid waste without a temporary or operating permit issued by the department in accordance with RSA 125-C. Any source subject to this section shall file a complete application for a permit or permit modification under the provisions of RSA 125-C and a plan for achieving compliance with this chapter.

II.(a) Any combustor with a design capacity of less than 250 tons per day but not less than 100 tons, in operation as of January 1, 2001, shall submit such plan and application, pursuant to paragraph I, within 3 months after the effective date of this paragraph and shall complete installation and begin operation of the necessary control equipment as expeditiously as possible, but not later than 18 months after receipt of all required state and local permits and approvals. Any such combustor shall demonstrate compliance with the emission limits in RSA 125-M:3, I no later than 21 months after receipt of all required state and local permits and approvals.

(b)(1) An alternative compliance plan for such a combustor may be submitted to the commissioner by interested parties to achieve a mercury emission rate of no greater than .028 mg/dscm corrected to 7 percent oxygen by volume on a dry basis by means of implementing programs that reduce the amount of mercury in the municipal solid waste that is being burned at the facility. The commissioner shall approve such a plan by May 1, 2002, provided that the commissioner makes a written determination that:

(A) Implementation of the plan will result in a demonstration of achieving a mercury emission rate of no greater than .028 mg/dscm corrected to 7 percent oxygen by volume on a dry basis no later than November 1, 2003;

(B) The plan does not require the owner of the combustor, unless consented to by the owner, to engage in any activities beyond stack testing for verification of achieving a mercury emission rate of no greater than .028 mg/dscm corrected to 7 percent oxygen by volume on a dry basis, and the possible installation of emission control equipment should the emission rate not be met;

(C) Implementation of the plan is assured through sufficient enforcement mechanisms; and

(D) The plan has been approved by the United States Environmental Protection Agency.

(2) An approved alternative compliance plan shall eliminate the need to comply with the installation and demonstration requirements of subparagraph (a), but does not prohibit the owner of the combustor from installing pollution control equipment in order to comply with federal law.

(3) If stack testing reveals, as determined by the commissioner, that the alternative compliance plan does not achieve the mercury emission rate of no greater than .028 mg/dscm corrected to 7 percent oxygen by volume on a dry basis, then the owner of the combustor shall submit a plan and application, pursuant to paragraph I, within 3 months of being notified by the commissioner of such determination, and shall complete installation and begin operation of the necessary control equipment as expeditiously as possible, but not later than 18 months after receipt of all required state and local permits and approvals. The combustor shall demonstrate compliance with the emission limits in RSA 125-M:3, I no later than 21 months after receipt of all required state and local permits and approvals.

(c) Any combustor subject to this paragraph shall not be required to comply with the requirements of this chapter, provided the commissioner makes a written determination, based on the review of any pertinent, legal documents or laws, that the combustor is certain to cease operating as a combustor as of December 6, 2005.

(d) The commissioner may delay issuing, until May 1, 2002, a temporary permit that would allow the installation of any necessary emission control equipment, provided the commissioner has reason to believe that by May 1, 2002:

(1) A closure determination, as described in subparagraph (c), will be made that would eliminate the need to install emission control equipment; or

(2) An alternative compliance plan, as described in subparagraph (b), will be approved that would eliminate the need to install emission control equipment, unless the required demonstration of achieving a mercury emission rate of no greater than .028 mg/dscm corrected to 7 percent oxygen by volume on a dry basis fails, or unless otherwise required by federal law.

4 New Section; Mercury Emissions Reduction and Control Program; Reimbursement of Costs. Amend RSA 125-M by inserting after section 7 the following new section:

125-M:8 Reimbursement of Costs.

I. The department shall reimburse regional refuse disposal districts for certain operating and maintenance costs, owed by New Hampshire municipalities belonging to such regional refuse disposal districts, of mercury emissions control systems in municipal waste combustors subject to RSA 125-M:5, I.

II. The qualifying costs described in paragraph I, which are incurred between the effective date of this section and December 6, 2005, shall be reimbursed in an amount up to \$75,900 each year, with prior approval of the governor and council.

5 Notification of the Act's Provisions. As of the effective date of this act, the commissioner of environmental services shall inform the owner of the Claremont combustor, the NH/VT Solid Waste Project, the Sullivan County Regional Refuse Disposal District, the Southern Windsor/Windham Counties Solid Waste Management District, and the governing bodies and duly appointed representatives of the municipalities that are members of the respective districts of the provisions of this act. The information provided shall include the possibilities, should sufficient evidence be shown, that:

I. The Claremont combustor may not have to comply with the mercury emission limits established by RSA 125-M, provided that the combustor will cease operating as a combustor as of December 6, 2005; and

II. The mercury emissions limits established by RSA 125-M may be met by implementing programs that reduce the amount of mercury in the municipal solid waste that is burned at the facility.

6 Ash Landfill Study; Reporting Date. Amend 1999, 350:2 to read as follows:

350:2 Ash Landfill Study. The department of environmental services shall study the implications of having increased mercury levels in ash in order to ensure maximum protection measures from ash contaminants. The department shall review current environmental protection practices at ash landfills that serve combustors with a design capacity of 100 tons per day or more, including methods used to handle and treat ash, the adequacy of leak detection systems and groundwater monitoring, and the ability to effectively mitigate environmental contamination, if it should occur, to protect drinking water supplies. The department shall report its findings by ~~February 1, 2000~~ **September 1, 2001** to the house science, technology and energy committee, the house environment and agriculture committee, the house resources, recreation and development committee, the senate environment committee, the governor, the state library, the New Hampshire/Vermont Solid Waste Project, all of the municipalities in the Sullivan County Regional Refuse Disposal District, and the Concord Regional Solid Waste/Resource Recovery Cooperative and its member municipalities.

7 Effective Date. This act shall take effect July 1, 2001.

AMENDED ANALYSIS

This bill:

I. Sets time frames within which certain municipal waste combustors must comply with mercury emission limits, and provides alternate compliance provisions.

II. Establishes a grant program to reimburse regional refuse disposal districts for certain costs of mercury emissions reduction and control systems.

III. Extends the reporting date of the ash landfill study to September 1, 2001.

Adopted.

Reps. Phinizy and Jeb Bradley spoke in favor and yielded to questions.

Rep. Phinizy requested a roll call; not sufficiently seconded.

On a division vote, 230 members having voted in the affirmative and 76 in the negative, the committee report was adopted.

Referred to Finance.

HB 274-FN, banning the residential open burning of trash and relative to a dioxin emissions reduction and control program. **OUGHT TO PASS WITH AMENDMENT**

Rep. Terie T. Norelli for Science, Technology and Energy: Dioxin is a toxic compound that accumulates in the food chain and poses a significant health risk to humans and wildlife. It is primarily emitted as an unintended byproduct of certain combustion, including the backyard burning of household products. This bill requires the Department of Environmental Services (DES) to develop a dioxin emissions reduction program. It also prohibits the residential burning of domestic waste, which accounts for 17 percent of the dioxin emitted in this state. Residential trash often contains plastics and other materials that, when burned at low temperatures in a backyard barrel, produce dioxin. It should be noted that this bill does not prohibit the backyard burning of brush. Vote 13-0.

Amendment (0261h)

Amend the bill by replacing all after the enacting clause with the following:

I New Chapter; Dioxin Emissions Reduction and Control Program. Amend RSA by inserting after chapter 125-M the following new chapter:

CHAPTER 125-N

DIOXIN EMISSIONS REDUCTION AND CONTROL PROGRAM

125-N:1 Findings and Purpose.

I. The general court finds that the air pollutant dioxin is a persistent bioaccumulative toxic (PBT) compound that accumulates in the food chain, posing a significant adverse threat to New Hampshire's public health and welfare and to its natural environment, including fish and wildlife. As a potent toxicant, dioxin can cause a number of adverse effects in humans including reproductive and developmental disorders, suppression of the immune system, and cancer.

II. The term "dioxin" actually refers to a group of chemical compounds that share certain similar chemical structures and mode-of-action biological characteristics. There are a total of 17 dioxin-like compounds that are members of 2 closely related families: chlorinated dibenzo-p-dioxins (CDDs) and chlorinated dibenzofurans (CDFs). Although some dioxin is produced naturally, it is mainly emitted as an unintended byproduct of a number of human activities. In the backyard burning of domestic waste, incomplete combustion occurs, resulting in dioxin formation. Dioxin builds up in soils, sediments, and plants; bioaccumulates in animal and fish tissue; and passes up the food chain to humans.

III. The general court further finds that while the majority of dioxin deposited in New Hampshire originates from sources outside of the state, sources within the state also contribute to deposition of dioxin in New Hampshire and in the northeast region. Dioxin emitted by anthropogenic (man-made) sources in New Hampshire comes from a number of sources including the backyard burning of trash and other combustible waste. The general court finds that the department should conduct further research and attempt to quantify the sources of dioxin emitted in New Hampshire.

IV. The general court recognizes the importance of continuing research into the human health and ecological effects of dioxin contamination. The general court also recognizes that due to existing state and federal regulations, releases of dioxin to the environment nationally have declined significantly over the past 25 years, and will continue to decline for some industrial sources as new federal regulations are implemented. Further, the general court recognizes that cost-effective technologies and pollution prevention practices need to be studied, developed and, where appropriate, implemented to reduce dioxin emissions. The general court finds, however, that some steps to reduce the dioxin pollution to which New Hampshire citizens are subjected are readily available, and that such steps should be promptly undertaken. Initial research by the department of environmental services indicates that backyard burning produces 17 percent of the dioxin emitted in New Hampshire. This figure comes from actual testing of pollution emitted by a typical burn barrel, multiplied by an estimated 5,000 such barrels in the state. Fire chiefs surveyed by the department of environmental services reported that there are probably more than 5,000 such barrels, indicating that the 17 percent figure could be low. The general court finds that imposing a ban on

backyard burning of trash and other combustible domestic waste is a readily available step, and as such, represents a prudent policy for the protection of public health and the environment in the state of New Hampshire.

125-N:2 Definitions. In this chapter:

I. "Commissioner" means the commissioner of the department of environmental services.

II. "Department" means the department of environmental services.

III. "Person" means any individual, partnership, firm or co-partnership, association, company, trust, corporation, department, bureau, agency, private or municipal corporation, or any political subdivision of the state, the United States or political subdivisions or agencies thereof, or any other entity recognized by law as subject to rights and duties.

IV. "Combustible domestic waste" means combustible waste such as, but not limited to, household trash, packaging materials, plastics, coated or laminated papers, rubber, painted or treated wood, coated or treated cardboard, oily rags, and animal, vegetable, and kitchen waste. The term does not include untreated wood, leaves, or brush generated at a residence.

V. "Stationary source" means "stationary source" as defined in RSA 125-C:2, XI.

125-N:3 Dioxin Emissions Reduction and Control Program.

I. The department shall develop a dioxin emissions reduction and control program. The program shall include, but not be limited to, the following:

(a) Studying the human health and ecological impacts of dioxin emissions and contamination.

(b) Encouraging the development of, and evaluating, technologies and pollution prevention practices, to reduce or eliminate dioxin emissions to the ambient air from stationary sources.

(c) Promoting residential, commercial, and industrial energy efficiency and conservation programs to reduce or eliminate dioxin emissions.

(d) Supporting and encouraging federal legislation to reduce dioxin emissions from motor vehicles and other mobile sources.

(e) Continuing pollution prevention efforts, including recycling and outreach and education efforts, to reduce or eliminate dioxin emissions to the ambient air from municipal waste combustors and medical waste incinerators.

(f) Conducting public education and outreach regarding the public health and environmental impacts of backyard trash burning and other sources of dioxin emissions.

(g) Researching and attempting to quantify the sources of dioxin.

II. The department shall not implement dioxin control programs for stationary and other sources unless it has obtained further legislative authorization for such programs.

125-N:4 Prohibition; Residential Open Burning of Combustible Domestic Waste. Notwithstanding RSA 227-L:17, II, the residential open burning of combustible domestic waste is prohibited.

125-N:5 Education and Enforcement.

I. The commissioner, in consultation with the commissioner of the department of resources and economic development, shall take reasonable measures to educate the public about the environmental impact of backyard burning and the requirements of this chapter.

II. The commissioner and the commissioner of the department of resources and economic development shall have the authority to enforce the provisions of this chapter. Any person who violates the provisions of this chapter shall be guilty of a violation.

III. Nothing in this chapter shall limit any enforcement or penalty provisions contained in RSA 227-L.

2 Effective Date. This act shall take effect January 1, 2002.

Adopted.

Report adopted and ordered to third reading.

SUSPENSION OF RULES

Reps. Herman and Burling moved that the remaining House Bills on the Regular Calendar from Transportation and Ways and Means, and all bills removed from today's Consent Calendar be made a Special Order for the next session day in their regular calendar order; that all House Bills on the Regular Calendar from the Education Committee be made a Special Order for April 5, 2001 in their Regular Calendar order; and that the rules be so far suspended as to allow action after the deadline on these bills.

Adopted by the necessary two-thirds.

SPECIAL ORDER FOR NEXT SESSION DAY

HB 552-FN-A-L, restructuring the delivery of a public elementary and secondary education and related educational services in New Hampshire.

HB 645-FN-A-L, relative to state aid for provision of an adequate education, and for additional local education tax relief.

HB 292-FN, relative to the travel allowance for members of the general court.

HB 546-FN-A-L, relative to allowing cities and towns to permit slot machines and other games of chance.

HCR 10, supporting the electoral college.

HB 283-FN, establishing a low-digit plate lottery for plates reacquired by the department of safety and for low-digit plates not yet issued by the department.

HB 473-FN, authorizing the department of safety to issue special amateur radio operator plates.

HB 474-FN, relative to motor vehicle plates for firefighters and emergency medical care providers.

HB 584-FN-A, relative to the registration and licensure of OHRV dealers and rental agents.

HB 151, excluding military pension payments and military survivor's benefit payments for certain persons from gross income under any income tax which may be enacted.

HB 185-FN-L, repealing the prospective repeals of the education property tax and related laws.

HB 651-FN-A-L, authorizing the establishment of state-owned casino and convention center facilities and making an appropriation therefor.

SPECIAL ORDER TO APRIL 5, 2001

HB 290-FN-L, relative to eliminating adequate education grant weighting for free and reduced-price meals and relative to modifying the formula for weighting certain home schooled pupils.

HB 298-FN-L, relative to charter schools.

HB 515-FN-L, establishing parental choice scholarships.

HB 629-FN-A, relative to equipment upgrades, improvements, or purchases at the regional vocational education centers and making an appropriation therefor.

HB 656-FN-L, relative to the formula for distributing school building aid grants.

HB 747-FN-L, relative to increases in the cost of an adequate education.

HB 748-FN-A-L, relative to school building aid grants in the determination of adequate education grants.

SUSPENSION OF RULES

Reps. Scanlan and Burling moved that House Rules be so far suspended as to permit late reporting and action after the March 22, 2001 deadline for the following House bills:

HB 264, relative to the state treasurer and relative to certain unclaimed or abandoned property.

HB 404, allowing licensed alcohol and drug counselors to obtain third party payment and establishing a committee to study levels of licensure of alcohol and drug counselors.

HB 541-FN, requiring certain hospitals to provide charity care and continually appropriating a special fund.

HB 710-FN, relative to liquor licenses and fees.

HB 557-FN-A, establishing a sexual assault victim services program to be funded by a tax on video games, video movies, video game players, and video movie player.

HB 757, revising the definition of an adequate education; establishing an education improvement fund, and implementing a professional development program and an early literacy initiative within the department of education; and revising the formula to calculate the cost of an adequate.

HB 426, relative to the voluntary scrapie flock certification program.

HB 655-FN-A-L, establishing an advance disposal fee to fund local mercury presorting and recycling programs.

HB 728-FN-A-L, assessing a surcharge on waste disposed at solid waste landfills and incinerators, and making an appropriation therefor.

HB 463-FN, relative to protective services to adults.

HB 281-FN, establishing an independent administrative office of the courts.

HB 744-FN-A, establishing a family and disability leave program.

HB 365-L, requiring the department of revenue administration to establish a uniform system of property classification for assessment purposes.

HB 439-FN-A, appropriating available funds to provide funding for an engineering feasibility study to assess the viability of constructing new or expanded regional septage disposal facilities in the Rockingham and Strafford county area.

HB 601-FN-A-L, relative to a municipality's liability for failure to remit state taxes collected by the municipality to the state.

HB 316-FN, establishing the position of state energy manager.

HB 334-FN-A, adopting a single sales factor method of apportionment under the business profits tax.

HB 562-FN-A-L, establishing a New Hampshire education tax on consumption and transactions and accumulating certain principal sums in a state trust for education to provide for future education funding.

HB 742-FN-L, relative to collection of the education property tax and establishing a program to rebate certain excessive property tax payments of eligible taxpayers.

Adopted by the necessary two-thirds.

RESOLUTION

Rep. Scanlan offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Thursday, March 29, 2001.

Adopted.

LATE SESSION

Third reading and final passage

HB 156, relative to the detention of juveniles in delinquency proceedings.

HB 416, relative to fire safety inspections for foster family homes.

HB 112, establishing a study committee on issues relating to hospital business practices and managed care organizations' networks.

HB 153, lowering the minimum medical cost coverage for motor vehicle liability policies.

HB 315-FN, relative to the registration of criminal offenders

HB 181-FN, relative to group II retirement system membership for police and corrections officers who become police trainers.

HB 606-FN, relative to the Christa McAuliffe planetarium.

HB 504, establishing a committee to study the feasibility of requesting the fish and game department to develop shooting ranges in each of the wildlife management units

HB 643-FN, extending the moratorium on new nursing home beds.

HB 261-FN, including the judiciary as a public employer under the public employee labor relations act.

HB 130, relative to the maintenance of boundaries and fences.

HB 196-L, relative to the penalty for failure to license a dog or renew a dog license.

HB 277-L, clarifying the penalties for violations of statutes or ordinances where no penalty is specified.

HB 395, relative to the time for the first meeting for county conventions following election.

HB 442, establishing a study committee to examine the effects of protective custody on county correctional facilities

HCR 11, to evaluate regional transportation infrastructure links.

HB 317-FN, revising the New Hampshire Aeronautics Act.

HB 183-FN, relative to the purchase of certain prior service by county corrections officers in the New Hampshire retirement system.

HB 649-FN, relative to compensation for time lost by state employees injured in the line of duty.

HB 332-FN-L, relative to resuscitation protocols for emergency medical care providers and relative to payment of autopsy expenses.

HB 274-FN, banning the residential open burning of trash and relative to a dioxin emissions reduction and control program.

PERSONAL PRIVILEGE

Rep. Wendelboe addressed the House.

RECESS MOTION

Rep. Scanlan moved that the House stand in recess for the purpose of introduction of bills, receiving Senate messages and enrolled bill amendments and enrolled bill reports only.

Adopted.

The House recessed at 4:10 p.m.

RECESS

(Rep. Whalley in the Chair)

RESOLUTION

Rep. Henderson offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, House Bill numbered 769-FN-L, shall be by this resolution read a first and second time by the therein listed title, sent for printing and referred to the therein designated committee.

Adopted.

INTRODUCTION OF HOUSE BILL**First and second reading and referral**

HB 769-FN-L, relative to fees paid by municipalities for excavating and dredging permit applications. (Gilmore, Straf 11; Wheeler, Dist 21: Resources, Recreation and Development)

RECESS

(Rep. Whalley in the Chair)

RESOLUTION

Rep. Henderson offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, House Resolution numbered 10, shall be by this resolution read a first and second time by the therein listed title.

Adopted.

INTRODUCTION OF HOUSE RESOLUTION**First and second reading**

HR 10, affirming revenue estimates for fiscal years 2001, 2002 and 2003. (Alukonis, Hill 23)

RECESS

(Speaker Chandler in the Chair)

Rep. Scanlan moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 10

Thursday, March 29, 2001

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by Guest Chaplain, Representative Frances D. Potter.

Holy and Gracious God, Giver of all good things, we offer our praise and thanksgiving for the loveliness and great resources of our state, New Hampshire. Especially this day, we remember the men and women who have preceded us in this House. We are grateful for the example they have set for us in sustaining the liberties and justice of our life together. May we commit ourselves this morning to follow in their steps with thought and carefulness that we may honor Your creation in all that we do. Amen.

Rep. Mitchell led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. Brennan, Cardin, Carson, Fields, Lyman, Nordgren, Owen, Mikowski, Patria, Irene Pratt and Carol Ann Williams, the day, illness.

Reps. Duval, Gabler, Gile, Stephen L'Heureux, Lessard, Martin and Burton Williams, the day, important business.

Rep Naro, the day, death in the family.

INTRODUCTION OF GUESTS

Anthony Curran, guest of Rep. Reid. Ken Sheffert, guest of Reps. Woekel and Saia. Former Representative Richard Doucette, guest of Rep. Batchelder. Jamie Rogers, daughter of Rep. Phyllis Woods. Michael Dodge, son of Rep. Dionne and nephew of Rep. Elliott. Members of the National Junior Honor Society from the Rochester Middle School and Superintendent Raymond Yeagle, guests of Rep. Grassie. Moultonborough Academy's 1999-2000 Girls Softball Class S Champions, 1999-2000 Boys Baseball Class S Champions and 2000-2001 Girls Volley Ball Class S Champions, guests of Rep. Patten.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Scanlan moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 563, requiring drivers to carry automobile insurance and permitting drivers to choose the amount of uninsured motorist insurance that they carry, removed by Rep. Arnold.

HB 355, relative to the contents of the department of education report on the condition of education statewide, removed by Rep. Arthur Pelletier.

HB 692, relative to the use of psychological testing and psychiatric drugs in schools, removed by Rep. Christiansen.

HB 428, relative to claims against the state by certain victims of Judge John C. Fairbanks, removed by Rep. Mirski.

HB 685-FN, allowing pregnant women to use parking spaces reserved for persons with disabilities, removed by Rep. Kenney.

HB 338-FN-A, increasing the rate of the meals and rooms tax, removed by Rep. Vaillancourt.

Consent Calendar adopted.

HB 210-FN, relative to the penalties for persons convicted of subsequent DWI offenses. **OUGHT TO PASS WITH AMENDMENT**

Rep. Stanley E. Stevens for Criminal Justice and Public Safety: This bill will increase the penalty for the 4th DWI conviction to a felony. The committee felt that a 4th DWI is definitely a public safety issue, and longer-term incarceration with mandated treatment during that incarceration should be an option for the courts. There were approximately 14 persons convicted of their 4th DWI in 2000. The committee also recognizes the seriousness of alcoholism as a disease, and the need for earlier intervention and better treatment programs to possibly even eliminate the incidences of 4th

DWI convictions. There presently exists a legislative committee studying the complete issue of DWI, and the Criminal Justice and Public Safety Committee was assured that treatment intervention is a significant and serious subject in that study committee. This bill also increases the time period which is considered for prior offenses from 7 to 10 years. Vote 13-1.

Amendment (0392h)

Amend the bill by inserting after section 2 the following and renumbering the original sections 3-4 to read as 5-6, respectively:

3 Motor Vehicles; Rules of the Road; Serious Traffic Offenses; Penalties for Intoxication or Under Influence of Drug Offenses; Prior Convictions Considered. Amend RSA 265:82-b, III to read as follows:

III. If any person is convicted of a violation of RSA 215-A:11, RSA 265:82, or RSA 265:82-a, and the conviction is not based upon a complaint which alleges prior convictions as provided in RSA 265:82-b, II, but the person is found to have had one or more such prior convictions in this state or in an out-of-state jurisdiction within ~~the 7-year period~~ **10 years preceding the date of the offense**, the person's driver's license or privilege to drive shall be revoked for not less than 180 days nor more than 3 years. The license shall not be restored until the person has successfully completed a 7-day program at the state-operated multiple DWI offender intervention detention center program or an equivalent 7-day residential intervention program approved by the director of the office of alcohol and drug abuse prevention, as provided in RSA 172-B:2-b and RSA 263:65-a, at the person's own expense. The court may order attendance at a residential treatment center, for a period not to exceed 30 days, at the person's own expense.

4 Motor Vehicles; Habitual Offenders; Penalty. Amend RSA 262:23, III to read as follows:

III. Notwithstanding paragraph I, any person ~~who qualifies under RSA 259:39, who does not have a conviction~~ **under current certification as an habitual offender pursuant to RSA 262:19, and whose motor vehicle record from this state or any other state is void of any convictions** under RSA 265:82 **or under reasonably equivalent offenses in an out-of-state jurisdiction**, or any misdemeanor or felony motor vehicle convictions pursuant to RSA title XXI, shall not be subject to the minimum mandatory provisions of paragraph I; provided, however, that any such person shall be guilty of a class A misdemeanor and may be sentenced to one year or less. Any person incarcerated upon the effective date of this paragraph, pursuant to certification as an habitual offender under RSA 259:39, who does not have a conviction under RSA 265:82 or any misdemeanor or felony motor vehicle convictions pursuant to RSA title XXI, may apply immediately to the superior court for sentence review and reduction.

AMENDED ANALYSIS

This bill changes the penalty for fourth or subsequent violations of the intoxication or under the influence of drug laws from a misdemeanor to a felony. This bill also extends the period of time which may be considered in determining prior offenses from 7 years to 10 years, and clarifies the applicability of habitual offender penalties.

This bill is a request of the committee established by 1999, 334.

HB 271, relative to criminal liability for the conduct of another. OUGHT TO PASS WITH AMENDMENT

Rep. Kathleen M. Flora for Criminal Justice and Public Safety: This bill specifically clarifies the legislative intent underlying RSA 626:8 IV, criminal liability for the conduct of another, to reflect the purpose expressed in the model penal code upon which it is based. Under HB 271, an accomplice can be charged as such if the result of his or her actions was reasonably foreseeable and the accomplice acted with the state of mind required for the offense. Vote 15-1.

Amendment (0363h)

Amend the bill by replacing all after the enacting clause with the following:

I Criminal Code; Criminal Liability for the Conduct of Another. Amend RSA 626:8, IV to read as follows:

IV. ~~When~~ **Notwithstanding the requirement of a purpose as set forth in paragraph III(a), when** causing a particular result is an element of an offense, an accomplice in the conduct causing such result is an accomplice in the commission of that offense, if he acts with the kind of culpability,

if any, with respect to that result that is sufficient for the commission of the offense. *In other words, to establish accomplice liability under this section, it shall not be necessary that the accomplice act with a purpose to promote or facilitate the offense. An accomplice in conduct can be found criminally liable for causing a prohibited result, provided the result was a reasonably foreseeable consequence of the conduct and the accomplice acted purposely, knowingly, recklessly, or negligently with respect to that result, as required for the commission of the offense.*

2 Effective Date. This act shall take effect January 1, 2002.

AMENDED ANALYSIS

This bill clarifies the legislative intent underlying RSA 626:8, IV to reflect the purpose expressed in the model penal code, upon which it is based.

HB 475, establishing a commission for the development of a statewide protocol for interviewing victims of sexual assault crimes. **OUGHT TO PASS WITH AMENDMENT**

Rep. Maxwell D. Sargent for Criminal Justice and Public Safety: House Bill 475 is the result of a 2-year statutory study on sex offender issues. Prosecuting attorneys and defense attorneys, their clients, and advocates on both sides of the issue, agree that a statewide protocol for interviewing alleged victims is a necessity. This bill, as amended, establishes a commission representing the interests of all parties to establish that protocol, which will include: procedures for avoiding multiple interviews; requiring that interviews are conducted by a certified forensic interviewer; procedures to ensure the audio taping and videotaping of the interviews; and other details important to an effective system ensuring the rights and sensitivities of all concerned. The commission will develop and design a state certification policy for forensic interviewers. This protocol, when put into effect, will go a long way toward protecting the rights of the accused, and in protecting the alleged victim from further psychological 'abuse' at the hand of an inexperienced interviewer. When the commission has completed its work, legislation will be filed to implement it. Vote 16-0.

Amendment (0171h)

Amend paragraph I of section 2 of the bill by inserting after subparagraph (o) the following new subparagraphs:

(p) One therapist specializing in child development and child abuse assessment, appointed by the chairperson or other appointing authority of the attorney general's task force on child abuse and neglect.

(q) One district court judge appointed by the administrative justice of the district court.

HB 349-L, relative to parental choice in public education. **INEXPEDIENT TO LEGISLATE**
Rep. Charles B. Yeaton for Education: The Education committee found several problems with this bill. There is the question as to whether it presents a 28-a problem. The bill also does not limit the abatements to non-sectarian schools, which could raise a question of constitutionality. By granting a fixed abatement of 10% of a resident's property tax, these abatements would give greater amounts to those who need it the least. There are others who object to providing public funds for private school education. Vote 16-0.

HB 594, establishing a committee to study the law on justification for the use of physical force and its implications for teachers or other persons entrusted with the care and supervision of minors. **OUGHT TO PASS**

Rep. Charles E. Sova for Education: The committee felt that further study of this matter was warranted, especially since it involves not only educational issues, but criminal justice and juvenile law issues as well. The committee recommends that the Speaker appoint one House member from each of the Education, Criminal Justice and Public Safety and Children and Family Law Committees to the study committee so that each point of view is represented. Vote 17-0.

HB 726-L, relative to change of school assignment and transfers of public school pupils. **OUGHT TO PASS WITH AMENDMENT**

Rep. John R. Alger for Education: This bill allows flexibility for superintendents to agree on moving a few students (less than 1% of a district), with parental support, between school districts or SAU's where it is in the best interest of the student. There was strong bipartisan support for the bill to

help resolve the few student placements expeditiously without public hearings. School Boards are free to control the practice and the bill is deliberately set to be law on January 1, 2002, to give superintendents and school boards time to learn of the law before it becomes effective. Vote 15-2.

Amendment (0305h)

Amend the bill by replacing all after the enacting clause with the following:

1 Change of School or Assignment; Section Heading Amended. Amend the section heading in RSA 193:3 to read as follows:

193:3 Change of School or Assignment; *Manifest Educational Hardship or Best Interest*; Excusing Attendance.

2 New Paragraph; Change of School or Assignment; Best Interest Standard Inserted. Amend RSA 193:3 by inserting after paragraph II the following new paragraph:

III.(a) Unless the school board of a school district adopts a policy to the contrary, a superintendent shall have the authority to reassign a pupil from the public school to which the pupil is assigned to another public school within the same school administrative unit, or to approve a request to accept the transfer of a pupil from another superintendent's school administrative unit, provided that the following conditions are met:

(1) The pupil's parent or legal guardian petitions the superintendent for a change of school assignment or consents to the superintendent's recommendation for such a change; and

(2) The superintendent determines that such a change would be in the pupil's best interest; and

(3) The total reassignments or transfers in any one school year shall not exceed one percent of the average daily membership in residence of a school district, or 5 percent of the average daily membership in residence of any single school, whichever is greater.

(b) In accordance with the number of pupils authorized in this paragraph, a superintendent may approve reassignment of a pupil:

(1) To another school within the same school district; or

(2) To another school district within the same school administrative unit; or

(3) To a school district in another school administrative unit, subject to the pupil meeting the admission requirements of such school, and subject to the agreement of the superintendent of the receiving school administrative unit.

(c) Where such reassignment exceeds the percentage limitations established in this paragraph, the approval of the school board shall be required.

(d) A pupil reassigned under this paragraph shall be counted in the average daily membership in residence of the pupil's resident school district. The pupil's resident district shall forward any tuition payment due to the district to which the pupil was reassigned.

(e) The superintendents involved in the reassignment of a pupil shall jointly establish a tuition rate for each such pupil. Notwithstanding any law to the contrary, some or all of the tuition may be waived by the superintendent of the receiving district for the good cause shown or pursuant to school board policy of the receiving district. The cost of transportation shall be the responsibility of the parent or legal guardian.

(f) The superintendent of the pupil's resident school administrative unit shall notify the department of education within 30 days of any reassignment of pupils under this paragraph.

(g) Nothing in this paragraph shall alter or impair the right of an educationally disabled child, as defined in RSA 186-C:2, to be accorded a due process review pursuant to rules adopted under RSA 186-C:16.

3 Effective Date. This act shall take effect January 1, 2002.

AMENDED ANALYSIS

This bill:

I. Authorizes superintendents of school districts, under certain circumstances, to approve requests for changes in school assignment where such changes are in the best interest of the pupil.

II. Authorizes superintendents to negotiate the apportionment of tuition costs associated with a change in school assignment to another school district.

III. Provides that pupils reassigned to another school district shall be counted in the average daily membership in residence in the pupil's resident district and that any tuition payment due to the receiving district shall be paid by the pupil's resident district.

CACR 18, relating to elections and elective franchises. Providing that the inhabitants having proper qualifications shall have an equal right to elect and be elected into office. **INEXPEDIENT TO LEGISLATE**

Rep. Michael S. Rollo for Election Law: This proposed constitutional amendment stated having the proper qualifications all inhabitants "shall have an equal right to elect and be elected into office." The committee felt that under Article 11 of the Part I of the NH Constitution guarantees that anyone eighteen and upwards the right to vote, providing they meet state qualifications. Accordingly, this matter would be better suited to statutory attention than changes to the State Constitution. Vote 18-0.

HB 309-FN, relative to the registration of radon testers and mitigators. **INEXPEDIENT TO LEGISLATE**

Rep. A. Theresa Drabinowicz for Executive Departments and Administration: This Bill requires the registration of radon testers and mitigators with the department of health and human services. The committee felt that this legislation would not accomplish the desired effect of the sponsor and would increase the cost to homeowners seeking to have their homes tested for the presence of radon. Vote 15-0.

HB 327-FN, relative to review of final proposed rules under the administrative procedures act. **INEXPEDIENT TO LEGISLATE**

Rep. Donald R. Lent for Executive Departments and Administration: This bill adds the recommendation of the legislative policy committee to possible objections to proposed administrative rules by the joint legislative committee on administrative rules. The bill also changes the procedure for objections or alternatives to objection used by the joint legislative committee on administrative rules. The subcommittee conferred at length with both informed legislators and agency representatives. We determined that the procedures proposed in this bill added an unnecessary burden to legislative committees as well as agencies. Flaws in intention can be avoided by writing more explicit guidance for rule making. The committee will continue to work on these issues in its study of HB 688. Vote 16-1.

HB 453, establishing a 4-year term for the commissioner of the department of corrections. **OUGHT TO PASS**

Rep. Robert K. Dodge for Executive Departments and Administration: The committee felt that establishing four year terms for the commissioner of the department of corrections attracts more qualified candidates and brings the corrections commissioner in line with other appointed unclassified positions. Vote 12-1.

HB 585, relative to the membership and duties of the council on resources and development. **OUGHT TO PASS WITH AMENDMENT**

Rep. Judson K. Dexter for Executive Departments and Administration: The committee is well aware of the logistical problem of getting the 12 statutory members to the same meeting at the same time. This bill, as amended, will allow the statutory members to name a designee to the council in their place. The amendment also adds a 13th member, "the executive director or designee of the New Hampshire housing finance authority" to the council. Vote 15-0.

Amendment (0377h)

Amend RSA 162-C:1, II as inserted by section 2 of the bill by replacing it with the following:

II. The commissioner *or appropriate division director*, department of resources and economic development.

Amend RSA 162-C:1, IV - V as inserted by section 2 of the bill by replacing it with the following:

IV. The commissioner *or appropriate division director*, department of agriculture, markets, and food.

V. The executive director *or appropriate division director*, fish and game department.

Amend RSA 162-C:1, XI - XII as inserted by section 2 of the bill by replacing it with the following:

XI. The commissioner *or appropriate division director*, department of cultural resources.

XII. The commissioner or appropriate division director, department of administrative services.

XIII. The executive director or chairman of the New Hampshire housing finance authority.

HB 598, adding the New Hampshire housing finance authority to the council on resources and development. **INEXPEDIENT TO LEGISLATE**

Rep. Judson K. Dexter for Executive Departments and Administration: HB 585 passage of which the committee has already recommended, with amendment, adds the New Hampshire housing finance authority to the council making this bill unnecessary. Vote 16-0.

HB 123-FN, relative to the retirement system classification for the director of the division of safety services, department of safety. **OUGHT TO PASS**

Rep. Robert G. Holbrook for Finance: In order to have the ability to attract qualified directors for Safety Services, it appears necessary to offer group II in the New Hampshire Retirement System for certified police officers. Safety Services is funded by the Navigation and Safety Fund. Vote 19-0.

HB 208-FN, changing the license requirement for operators collecting the meals and rooms tax. **OUGHT TO PASS**

Rep. O. Alan Thulander for Finance: This bill was requested by the Department of Revenue Administration and approved by the Ways and Means Committee unanimously. The language repeals the \$5 registration fee for operators collecting the rooms and meals tax and also the requirement to renew the license biennially. These paper transaction costs far exceed the fee. The loss of \$43,000 each biennium will be reflected in salary line reductions agreed to by the commissioner of revenue administration. Vote 18-0

HB 396, relative to the practice of physicians and surgeons. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert F. Chabot for Health, Human Services and Elderly Affairs: This bill closes a gap in present state statutes designed to encourage Quality Assurance programs in the health care field. "Quality Assurance" is a process in which health care providers critically examine their own activities to determine how care to patients can be improved, based on the best information available. The value of Quality Assurance programs has been recognized in New Hampshire law for over 20 years, in existing statutes that now cover such programs in hospitals, community mental health centers, home health care organizations, ambulatory care clinics and nursing homes. This bill would extend the same statutory recognition to Quality Assurance programs in physician practice groups. The amendment would assure access to original sources of information concerning medical care, while continuing to protect the records and proceedings of Quality Assurance programs reviewing such care. Vote 17-0.

Amendment (0389h)

Amend RSA 329:29-a, II as inserted by section 2 of the bill by replacing it with the following:

II. Records of a quality assurance program, including those of its functional components and committees, as defined by the physician practice's quality assurance plans, and testimony by persons participating in or appearing before the quality assurance program or its functional components or committees, relating to the activities of the quality assurance program shall be confidential and privileged and shall be protected from direct or indirect means of discovery, subpoena, or admission into evidence in any judicial or administrative proceeding. However, information, documents, or records otherwise available from original sources are not to be construed as immune from discovery or use in any such civil or administrative action merely because they were presented to a quality assurance program, and any person who supplies information or testifies as part of a quality assurance program, or who is a member of a quality assurance program committee, may not be prevented from testifying as to matters within his or her knowledge, but such witness may not be asked about his or her testimony before such program, or opinions formed by him or her, as a result of committee participation. Further, a program's records shall be discoverable in either of the following cases:

(a) A judicial or administrative proceeding brought by a physician practice to revoke or restrict the license or certification of a member physician or staff member; or

(b) A proceeding alleging repetitive malicious action and personal injury brought against a physician practice.

HB 553-FN-L, requiring background checks for nursing home employees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Stephanie Micklon for Health, Human Services and Elderly Affairs: This bill, as amended, requires that all nursing homes check the criminal record of any new employees, including per diem and temporary employment agency employees. The committee agreed that our state needs to do all it can to protect our elderly and voted Ought to Pass With Amendment. Vote 14-0.

Amendment (0295h)

Amend RSA 151:27-a as inserted by section 1 of the bill by replacing it with the following:

151:27-a Criminal Records Check Required for Nursing Home Employees. Any facility licensed under this chapter as a nursing home shall conduct, through the appropriate law enforcement agency, a review of criminal convictions of any employee, including per diem and temporary employment agency employees, proposed to be hired after the effective date of this section.

AMENDED ANALYSIS

This bill requires that nursing homes check the criminal record of any new employees, including per diem and temporary employment agency employees.

HB 635, relative to family mutual support services. OUGHT TO PASS

Rep. Joseph P. Manning for Health, Human Services and Elderly Affairs: This bill relates to family support groups that exist to help when mental illness strikes. Such mutual support reduces hospitalization, in-patient and out-patient treatment and out-of-home placements, thus saving money for state and local governments. The bill calls on the state to enhance, coordinate and encourage these efforts through its existing service system. Vote 14-0.

HB 737, relative to the possession and use of epinephrine auto-injector devices by emergency medical care providers. INEXPEDIENT TO LEGISLATE

Rep. Phyllis M. Katsakiores for Health, Human Services and Elderly Affairs: Possession and use of medications by emergency medical service providers is covered under rules and supervised by the Emergency Medical Services Control Board. HB 737 is not needed and would inappropriately assign medical services to too broad a category of providers. Vote 15-0.

HB 499, making state-appointed advisory committees subject to the right-to-know law. OUGHT TO PASS WITH AMENDMENT

Rep. Thomas Rice, Jr. for Judiciary: The intent of this bill is to ensure public access to the records of any advisory committees established by the General Court, the Governor and the Governor's Council, and any boards and commissions of state agencies under the right-to-know law. HB 499, as amended does this by including a comprehensive definition section defining exactly what is meant by the term "advisory committee." The amendment also changes the effective date to January 1, 2002. Vote 14-0.

Amendment (0449h)

Amend the bill by replacing all after the enacting clause with the following:

1 Advisory Committees Subject to the Right-to-Know Law. Amend RSA 91-A:1-a to read as follows:

91-A:1-a Definition of Public Proceedings.

I. The term "public proceedings" as used in this chapter means the transaction of any functions affecting any or all citizens of the state by any of the following:

[I-](a) The general court including executive sessions of committees; *and including any advisory committee established by the general court;*

[H-](b) The governor's council and the governor with the governor's council; *including any advisory committee established by the governor or the governor's council;*

[HH-](c) Any board or commission of any state agency or authority, including the board of trustees of the university system of New Hampshire *and including any advisory committee established by such entities;*

[HV-](d) Any board, commission, agency or authority, of any county, town, municipal corporation, school district, school administrative unit, charter school, or other political subdivision, or any committee, subcommittee or subordinate body thereof, or advisory committee thereto.

II. For the purposes of this section, "advisory committee" means any committee, council, commission, or other like body whose primary purpose is to consider an issue or issues designated

by the appointing authority so as to provide such authority with advice or recommendations concerning the formulation of any public policy or legislation that may be promoted, modified, or opposed by such authority.

2 Reference Change. Amend RSA 91-A:4, I-a to read as follows:

I-a. Records of any payment made to an employee of any public body or agency listed in RSA 91-A:1-a, ~~[I-IV]~~ *I(a)-(d)*, or to the employee's agent or designee, upon the resignation, discharge, or retirement of the employee, paid in addition to regular salary and accrued vacation, sick, or other leave, shall immediately be made available without alteration for public inspection. All records of payments shall be available for public inspection notwithstanding that the matter may have been considered or acted upon in nonpublic session pursuant to RSA 91-A:3.

3 Effective Date. This act shall take effect January 1, 2002.

HB 704, relative to the applicability of the right-to-know law to certain governmental committees. **INEXPEDIENT TO LEGISLATE**

Rep. Larry G. Elliott for Judiciary: HB 704 and HB 499 are parallel bills. The Judiciary Committee chose to use HB 499 as its vehicle to address the very same issues and concerns in the right-to-know law. The sponsor of the legislation, during his testimony, recognized that there are similar types of legislation already being considered by the Judiciary Committee and it did not matter to him which vehicle we used, so long as a suitable solution to his concerns was reached. The Judiciary Committee strongly feels that HB 499 meets those requirements. Vote 14-0.

HB 733, deleting references to "rebuttable presumption" from the laws of this state. **INEXPEDIENT TO LEGISLATE**

Rep. John M. Pratt for Judiciary: The committee concluded that the question of "rebuttable presumptions" is one which ought to be examined by the relevant policy committees on a case-by-case basis rather than through a wholesale deletion of the term from "all" laws in the state, known and unknown. Vote 13-0.

HB 739, establishing a committee to study the application of the rule against perpetuities. **INEXPEDIENT TO LEGISLATE**

Rep. Robert H. Rowe for Judiciary: This ancient law, the Rule Against Perpetuities, has been the common law in America since the 18th and possibly 17th century. It is a part of the English common law that we inherited, and is still the law in New Hampshire as much as the statutes we enact. The law was enacted in England to stop wealthy individuals from placing their property in trust for perpetuity, or hundreds of years, and thus removing it from the public interest. The typical example would be that of an extremely wealthy land owner dying and leaving his land, possibly hundreds of thousands of acres, in trust for the use of his children, grandchildren, great-grandchildren, great-great-grandchildren, etc., etc., and never vesting title, thus depriving the public of the land. England viewed this as a bad public policy, and thus the Rule Against Perpetuities. The law states that a grant in trust must vent (end) within a life in being plus 21 years. Though the law is nearly obsolete in the 21st century, it does no harm. The Judiciary Committee would probably express the view more succinctly, saying: "That dog is too old to hunt, but sure is a comforting old friend to have around." The Rule Against Perpetuities is like a monument to our jurisprudence heritage - harmless, but a valuable reminder of our past. Vote 11-3.

HB 752, relative to certain revisions of the right-to-know law. **INEXPEDIENT TO LEGISLATE**

Rep. Christopher P. Reid for Judiciary: The committee is working on a number of bills that will increase the scope of the right-to-know law. The committee felt that this bill is not necessary, and may introduce new problems. This bill's addition of the court system to the right-to-know law was too broad and its language concerning employment security was not protective enough of individual privacy rights. Vote 13-1.

HB 164, relative to exceptions to the confidentiality of certain department of employment security records. **OUGHT TO PASS WITH AMENDMENT**

Rep. Jeffrey P. Goley for Labor, Industrial and Rehabilitative Services: This bill as amended allows the Department of Employment Security to share unemployment compensation records and reports with other state and federal agencies for the purpose of assessing governmental performance and accountability for compliance with state and federal law. The release of this information shall be authorized by the commissioner when sufficient guarantees of continued confidentiality are in place. Vote 16-0.

Amendment (0034h)

Amend the bill by replacing all after the enacting clause with the following:

I New Paragraphs; Employment Security; Unemployment Compensation; Confidentiality of Reports or Statements. Amend RSA 282-A:118 by inserting after paragraph III the following new paragraphs:

IV. That authorized federal employees granted access as provided in paragraph III shall be granted access on a case-by-case basis. In no event shall access to or copies of any database, whether written, electronic or other, be provided to any agency, employee, or agent of the federal government except as required by federal or state law and duly authorized by the commissioner.

V. That for the purpose of assessing governmental performance and accountability, the commissioner may provide information to the Wage Record and Interchange System developed by the U.S. Department of Labor as administered by the National Association of State Workforce Agencies (NASWA) and utilized by each state's Performance Accountability and Customer Information Agency (PACIA). The use of the information shall be limited to the purposes contained in the federal Workforce Investment Act or the Wagner-Peyser Act. Information under this paragraph shall only be provided upon a finding by the commissioner that sufficient guarantees of continued confidentiality are in place.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill allows for an exception to the confidentiality of certain unemployment compensation records and reports for the purpose of complying with federal or state law or for assessing governmental performance and accountability.

HB 347-FN, relative to terminal pay for certain state officials or employees. **OUGHT TO PASS** Rep. G. Michael Gilman for Labor, Industrial and Rehabilitative Services: This bill clarifies those officials in non-classified or unclassified positions may not double dip upon termination of service with the state. Vote 16-0.

HB 448, relative to procedures for crews and provision of counseling services following a railway accident. **OUGHT TO PASS WITH AMENDMENT**

Rep. Corey E. Corbin for Labor, Industrial and Rehabilitative Services: This bill makes a provision for procedures following a railway accident. While many major rail services have internal policies, there are smaller rail services that do not. This legislation requires those services with no standing policy to adhere to the provisions contained in this bill. If enacted, this language would apply only to those rail services with no policy, or a policy that is less stringent than provided for. Vote 15-0.

Amendment (0387h)

Amend RSA 367:56-a as inserted by section 1 of the bill by replacing it with the following:

367:56-a After-Accident Counseling.

I. Every railroad corporation and railway company shall provide or make available to every member of an operating crew involved in an accident on its railway or right-of-way which results in loss of life or serious bodily injury, counseling services or other critical incident stress debriefing services within 48 hours. The engineer or other operating crew member involved in the accident shall be relieved from duty with compensation and applicable benefits at the site of the accident. The leave may be without compensation and benefit if the railroad corporation makes the affirmative showing that the accident was due to negligence of an engineer or other operating crew member. Any person who is otherwise eligible for the benefits provided by this paragraph and who has been found to have not acted negligently shall not be precluded from participation due to the negligence of a fellow crew member.

II. Any engineer returning to duty following leave provided pursuant to paragraph I shall, if he or she so requests, be assigned an assistant engineer or other qualified person who shall accompany him or her for such time as may be necessary to guarantee the public safety. Any engineer or crew member may be subject to an examination at the discretion of the employer pertaining to any mental or emotional impairment caused by the accident. Such examination shall occur during the period of leave or upon return of duty, and shall be by a qualified medical practitioner designated by the employer.

III. The provisions of paragraph I shall not apply to a railroad corporation or railway company that has a written policy approved by the commissioner incorporating personnel protections no less stringent than the requirements of paragraph I.

IV. The commissioner shall adopt rules, pursuant to RSA 541-A, for the implementation and enforcement of the provisions of this section.

HB 570-FN, relative to the unemployment compensation law. **OUGHT TO PASS**

Rep. Franklin C. Bishop for Labor, Industrial and Rehabilitative Services: This bill increases the weekly amounts collected by unemployed workers as recommended by the Department of Employment Security. It also allows for a small increase in fines for employers who refuse to file the proper reports on time and allows continued collection for administrative purposes. Vote 16-0.

HB 637-FN, requiring training for certain members of the workers' compensation appeals board. **OUGHT TO PASS WITH AMENDMENT**

Rep. Corey E. Corbin for Labor, Industrial and Rehabilitative Services: This bill would require members of the workers' compensation appeals board to participate in 20 hours of training annually. The sponsor presented an amendment that would have training conducted in-house, thus eliminating the fiscal impact. Once the fiscal impact was removed, the Department of Labor was in support of the measure, as was the committee. Vote 15-0.

Amendment (0277h)

Amend the title of the bill by replacing it with the following:

AN ACT requiring annual training for members of the workers' compensation appeals board.

Amend the bill by replacing section 1 with the following:

1 Training Required; Lay Members. Amend RSA 281-A:42-a, I to read as follows:

I. There is established a compensation appeals board. The board shall consist of a pool of 33 members, of which 11 members shall represent labor, 11 members shall represent employers or workers' compensation insurers and 11 members shall be attorneys who shall be neutral. Members of the board shall be appointed by the governor and council from a list of nominees submitted by the commissioner. The commissioner shall submit at least 2 nominees for each vacancy to be filled. Any person appointed by the governor and council who is not qualified or who ceases to be qualified in the capacity in which such person is serving on the appeals board shall be replaced by the governor and council. Terms of board members shall be 4 years, except the initial appointments shall be staggered so that no more than 1/3 of the members' terms shall expire in the same year. Members of the board shall have at least 5 years' experience in the area of workers' compensation. *As a condition to maintaining eligibility to hear appeals, board members shall have at least 20 hours annually of training and briefing in the area of workers' compensation and relevant disciplines. The commissioner, or designee, with the assistance of the attorney general's staff shall supervise and approve the training. The commissioner shall have the authority to suspend the eligibility of any member of the board who is not in compliance with such annual training requirements, and to reinstate such member's eligibility upon compliance.* Appeals from a decision of the commissioner or the commissioner's representative shall be heard de novo by a 3-member panel, composed of an attorney who shall serve as chair, one member representing labor and one member representing employers or workers' compensation insurers. At least 2 like votes shall be necessary for a decision by the panel. The board shall hear appeals, in accordance with RSA 281-A:43, I(b), from the decisions of the commissioner made pursuant to RSA 281-A:43. No person who is an interested party or an employee of an interested party shall participate as a member of the panel. The board shall conduct its proceedings in such a manner as to ensure a fair and impartial hearing.

AMENDED ANALYSIS

This bill requires members of the workers' compensation appeals board to have annual training.

HB 311-FN-A, increasing the fees under the laws relative to sewage disposal systems to support a position at the department of environmental services to advocate for and implement long-term septage disposal solutions in partnership with New Hampshire municipalities. **OUGHT TO PASS**
Rep. Robert W. Brundige for Municipal and County Government: HB's 207, 311 and 439 are all based on the findings and recommendations of the Septage Task Force which was established in 1999, because of concerns that municipalities are not meeting their responsibilities pertaining to

septage disposal per RSA 485-A:5-b. The conclusion of the Task Force was that there is a severe problem facing New Hampshire pertaining to the handling and disposal of septage. There is a shortage of septage disposal facilities in New Hampshire. Many southern border towns deposit their septage in Lowell and Lawrence, Massachusetts facilities. Those cities could stop accepting New Hampshire septage at any time, which would exacerbate the problem, and northern towns already have a serious shortage of septic disposal facilities. For example, in 1996, 560,000 gallons of New Hampshire septage was processed at Lowell, Massachusetts waste water treatment facility, and in 2000, 3,928,000 gallons were processed out-of-state which is a 3,368,000-gallon increase in just 5 years. There were 8,870 septic applications in 2000 and this number increases every year and the majority of the septic applications are for private home. HB 311 recognizes the severe septage disposal problem by adding \$10 to the fee charged for septic design applications to support a position at Department of Environmental Services to advocate for and implement long-term septage disposal solutions in partnership with New Hampshire municipalities. Vote 13-0.

HB 516, relative to requirements for bidders on public construction projects. **INEXPEDIENT TO LEGISLATE**

Rep. Bernard L. Benn for Public Works and Highways: The committee heard testimony regarding construction problems on a particular project, which prompted the proposed bill. The committee felt that the legislation as written would have done nothing to prevent the type of construction problems encountered. It felt, in addition, that adequately detailed construction contracts and existing law would protect against the type of problems encountered. Vote 16-1.

HCR 13, calling on the President and the Congress to fully fund the federal government's share of special education services in public elementary and secondary schools in the United States under the Individuals with Disabilities Education Act. **OUGHT TO PASS**

Rep. Robert R. Rodrigue for State-Federal Relations and Veterans Affairs: HCR 13 asks the President & Congress to fully fund the Individuals with Disabilities Education Act (IDEA). Congress promised to fund up to 40% of the average per pupil expenditures for special education services when IDEA became law in 1975. Today, the federal government still funds less than 15% of special education costs, creating substantial hardship for local taxpayers. In effect, by not funding this obligation, Congress has taken local control out of the hands of local voters & taxpayers. The committee agrees with the sponsor's belief that, in this age of surpluses, Congress should fund its obligations. Vote 14-0.

HJR 4, urging Congress to amend the Pipeline Safety Act. **INEXPEDIENT TO LEGISLATE**

Rep. Jonathan E. Hill for State-Federal Relations and Veterans Affairs: Whereas HJR 4 is almost identical to HCR 12, the committee decided to recommend HJR 4 as inexpedient and will take up the same subject in HCR 12, which the committee felt was more complete. Vote 14-0.

HB 369, relative to driving in highway construction and maintenance areas. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert J. Letourneau for Transportation: This bill requires drivers to obey flag persons in highway construction or maintenance areas. The committee felt that the intent of this bill has merit, particularly with the volume of construction going on in this state. Testimony from the New Hampshire Department of Transportation indicated that this problem is on the rise. The motoring public needs to be aware of workers in the road during construction and maintenance. Flag persons indicate danger ahead and their instructions need to be obeyed. The amendment clears up language in the original bill in regard to the type of violation and fine associated with this offense. Vote 16-0.

Amendment (0220h)

Amend the bill by replacing section 1 with the following:

1 New Section; Obedience to and Effect of Traffic Laws; Obedience to Flagpersons. Amend RSA 265 by inserting after section 3-a the following new section:

265:3-b Obedience to Flagpersons.

I. The driver of any vehicle shall obey the instructions of any flagperson in the act of directing, controlling, or regulating traffic within any construction or maintenance area indicated by official traffic control devices. If the flagperson is displaying a signal to stop, the driver of a vehicle upon a way shall stop the vehicle at least 25 feet before reaching such flagperson. The driver shall not proceed until the flagperson indicates that traffic may proceed and until the driver may do so safely.

II. Any person who violates the provisions of this section shall be guilty of a violation and shall be fined not more than \$100 for the first offense and not more than \$250 for any subsequent offense committed during any calendar year.

AMENDED ANALYSIS

This bill requires drivers to obey flagpersons in highway construction or maintenance areas.

HB 459-FN, relative to inspection requirements for antique vehicles. OUGHT TO PASS WITH AMENDMENT

Rep. Lawrence A. Artz for Transportation: The intent of this bill is to allow antique vehicles and antique motorcycles to be inspected biennially instead of annually during the month of April. The Department of Safety expressed concerns regarding the number of vehicles being allowed this biennial inspection, mostly worn-out mid-1970s era vehicles still used on a daily basis. The subcommittee recommended and the committee unanimously adopted an amendment where the biennial inspection will instead apply only to those antique vehicles actually registered as an antique and have reached 40 years of age. This bill does not change the definition of an antique vehicle. Antique vehicles over 40 years of age are most likely to be infrequently driven and be true collector vehicles, for which their owners typically take exceptional care. A biennial inspection would increase convenience to those owners as well as reduce the frequency of the unnecessary repeated disassembly and reassembly of difficult to find parts that are inspected which could possibly cause needless damage or wear. The reduction of revenue (\$1.50 per sticker) for allowing 40 year old antique vehicles and motorcycles a biennial inspection will be minimal due to the relatively low number of these vehicles registered in the state. Vote 16-0.

Amendment (0388h)

Amend the bill by replacing section I with the following:

I Motor Vehicles; Equipment of Vehicles; Inspections; Inspection Authorized; Biennial Inspections for Certain Antique Vehicles. Amend RSA 266:1, III to read as follows:

III. If the owner of the vehicle is a company or corporation or other than a natural person, the annual inspection shall be made during the month designated by the director as the registration month for such legal entity, and motorcycles ~~and antique cars~~ shall be inspected once a year. *Vehicles registered as antique motor vehicles and motorcycles and which are 40 years old and over shall be inspected biennially.* Antique *motor* vehicles shall be inspected ~~annually~~ in the month of April. Motorcycles shall be inspected ~~annually~~ by July 1.

AMENDED ANALYSIS

This bill changes the inspection requirement for certain antique vehicles 40 years old and over from annual to biennial.

HB 571, establishing a commission to study the feasibility of creating a statewide land value assessment system for the purpose of creating a revenue source for funding education. INEXPEDIENT TO LEGISLATE

Rep. David W. Hess for Ways and Means: This bill would establish a commission to study the establishment of a statewide "assigned land value system." This is a property tax system based upon assigned property values rather than market or assessed values. Among other things, such a system would create a single, common rate for each land class across an entire taxing district. In the case of the statewide property tax, for example, a buildable lot in Hampton would be assigned the same value as a buildable lot in Pittsburg. The Ways and Means Committee felt the education-funding debate has proceeded beyond the point where study of such a radically different property tax system would be useful. Vote 16-0.

REGULAR CALENDAR

HB 246, relative to marriage between first cousins. INEXPEDIENT TO LEGISLATE

Rep. Carlos E. Gonzalez for Children and Family Law: The Children & Family Law Committee voted 15-2 against first cousin marriages. We feel that genetics statistics and facts provide strong arguments against allowing first cousin marriages. We recommend this bill as inexpedient to legislate. Vote 15-2.

Adopted.

HB 289-FN, implementing procedures for a hospital to assume care and custody of an abandoned child and creating an exception to the crime of endangering the welfare of a child. **OUGHT TO PASS**

Rep. Christine M. Furman for Children and Family Law: This bill allows mothers to place newborns under 72 hours old in the custody of a hospital rather than abandon them. In so doing, the mother shall not be guilty of the offense of abandonment. Vote 12-1.

Rep. Dowling moved Recommit to Committee.

Adopted.

Recommitted to Children and Family Law.

HB 422, establishing a committee to study the prevention of unintended pregnancies **INEXPEDIENT TO LEGISLATE**

Rep. Diane T. Palermo for Children and Family Law: This bill would establish a study committee utilizing certain methods of dealing with unwed and teen pregnancies. Besides serious concerns as to the controversial approach of the bill, it was felt such a study may be better left to a private/professional group. Further, the committee research indicates that while unwed births have increased, the age group of women reflected in the increase is those between the ages of 20-40. Therefore, the bill is unnecessary since its primary focus would target women under 20 years of age. Vote 12-2. Adopted.

HB 454, relative to same-sex civil unions contracted outside of the state of New Hampshire. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Laura C. Pantelakos for the Majority of Children and Family Law: New Hampshire law recognizes marriages only between a man and a woman. In addition, the Federal Defense of Marriage Act provides that no state shall be required to give effect to a law of any other state with respect to a same sex "marriage." A marriage is defined in NH law as the legal union of a man and a woman. Therefore, the Committee found this bill to be unnecessary. Vote 13-3.

Rep. Daniel C. Itse for the Minority of Children and Family Law: Passage of this bill will re-affirm the sanctity of marriage in New Hampshire. Vermont recognizes same sex civil unions and while New Hampshire forbids same sex marriage, it is silent on civil unions or other forms of union. Same sex unions may be a subject of litigation in New Hampshire and HB 454 will send a clear message to the courts that we do not want such unions recognized, regardless of what they are called.

Reps. Itse spoke against and yielded to questions.

Rep. Panagopoulos spoke in favor and yielded to questions.

Reps. Balboni, Gonzalez and Giuda spoke against.

Reps. Moran and Dowling spoke in favor.

Rep. Lachance requested a roll call; sufficiently seconded.

The question being the adoption of the majority report.

Rep. Hughes did not vote and wished to be recorded in favor.

HB 648-FN, designating certain child care agencies as homeless youth programs. OUGHT TO PASS WITH AMENDMENT

Rep. Edward P. Moran, Jr. for Children and Family Law: This bill authorizes certain agencies to accept 16- and 17-year-old homeless youths into a transitional residential program, and authorizes the appropriate state agency to inspect facilities and approve the program. Vote 14-0.

Amendment (0446h)

Amend the title of the bill by replacing it with the following:

AN ACT authorizing licensing of homeless youth programs.

Amend the bill by replacing all after the enacting clause with the following:

I New Subparagraph; Residential Care and Child-Placing Agency Licensing; Homeless Youth Programs Added to Definition of Child Care Agency. Amend RSA 170-E:25, II by inserting after subparagraph (c) the following new subparagraph:

(d) "Homeless youth program" means a program, including any housing facilities utilized by such program, which receives any child for the purpose of providing services to facilitate independent living including all of the following program components: individual assessment, referral, housing, and case management. Such services may be provided directly by the agency or through one or more contracts for services.

2 New Section; Residential Care and Child-Placing Agency Licensing; Homeless Youth Programs. Amend RSA 170-E by inserting after section 27 the following new section:

170-E:27-a Homeless Youth Programs; Special Provisions. Any child care agency which receives children for the purpose of providing a homeless youth program, as defined in RSA 170-E:25, II(d), shall be subject to the following provisions:

I. When a child 16 or 17 years of age contacts a homeless youth program requesting emergency shelter or homeless services, the program shall:

(a) Assess the child's essential needs, physical and mental health condition, and the circumstances that led the child to seek services.

(b) Attempt to notify the child's parent or legal guardian that such child is present at the agency's facility upon completion of the assessment within 72 hours of the child's initial request for services. If compelling circumstances become evident during assessment which justify not notifying the parent or legal guardian, the program shall instead notify the department according to RSA 169-C:29. In this paragraph, the term "compelling circumstances" means circumstances which indicate that notifying the parent or legal guardian would subject the child to risk of abuse or neglect as defined in RSA 169-C:3.

(c) Notify the department no later than 30 days after the child's initial request for services if the program is unable to make contact with either of the child's parents or the legal guardian after reasonable attempts to do so.

II. Nothing in this section shall alter the legal relationship between parent or legal guardian and child, and in the absence of a court order directing otherwise, the program shall release the child to the custody of his or her parent or legal guardian upon request by the parent or guardian.

III. If the child is discharged from the program or voluntarily terminates participation in the program, the program shall immediately notify the parents or legal guardian; or the department if the parent or legal guardian has never consented to the child's placement in the program.

IV. A parent or legal guardian who consents in writing to the child's participation in a licensed homeless youth program shall not be deemed neglectful under RSA 169-C:3, XIX.

V. The agency may charge the child a reasonable fee for the services provided the child is working and/or has other regular income and such fee is within his or her ability to pay.

3 New Subparagraph; Residential Care and Child-Placing Agency Licensing; Penalties; Compliance With Homeless Youth Program Requirements. Amend RSA 170-E:45, I by inserting after subparagraph (e) the following new subparagraph:

(f) Fails to comply with the requirements for notifying parents, legal guardians, or the department under RSA 170-E:27-a, I.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill defines homeless youth programs and establishes admissions, parental notification, and licensing requirements for homeless youth programs.

Adopted.

Report adopted and ordered to third reading.

HB 736-FN, establishing the consumer safety firearms protection act. INEXPEDIENT TO LEGISLATE

Rep. John R. Tholl, Jr. for Criminal Justice and Public Safety: This bill is a multi-faceted document that received overwhelming opposition during the public hearing. The bill impacts all aspects of firearms manufacturing, sale, possession and collection as well as radically altering New Hampshire's laws pertaining to concealed carry permits. The bill as written, as well as the proposed amendment, would have declared many quality handguns unsafe due to their failure to meet arbitrary standards that would do nothing to improve firearms safety, only increase cost and possibly result in the loss of jobs at the several companies that manufacture firearms in New Hampshire. Under the bill the Attorney General's office would have only a limited period to establish rules and contract with "independent testing laboratories", none of which exist in New Hampshire, for testing and certification of all concealable handguns. Anyone wishing to sell, trade, or transfer a firearm, (rifle, pistol, or shotgun), would have to go to a licensed firearm dealer, fill out a form, and pay a fee to have the dealer perform a NICS check. The form shall contain name, birth date, gender, social security number and race. This form shall be retained by the dealer along with an approval number. The amount of the fee is set in the bill and currently dealers perform this function for gun owners who sell firearms to an individual who is not personally known to the seller, but set their own fees for the service. All firearm storage devices (gun lock/safe) must be approved by the Attorney General's office. The bill also changes the concealed carry permit from a single approving agency (local police) to a multi-approval requirement (local police & Dept. of Safety), and requires two photographs be provided by the applicant and a fee of \$20 be paid. Either agency can refuse to approve the permit application for any reason, and the current appeal process (RSA 159:6-c) would be removed from the statutes thus eliminating any redress by the applicant. Not one member of the committee could support this bill as written or the proposed amendment. The majority of the committee felt that the bill was overly intrusive and would restrict the rights of New Hampshire citizens as well as cost the taxpayers an excessive amount of money without contributing to increased safety, which was the stated purpose of the bill. At no time during the 6-1/2 hour public hearing was there an existing problem identified that this bill would solve. Vote 17-1.

Rep. Martha Fuller Clark spoke against.

Rep. Tholl spoke in favor and requested a roll call; sufficiently seconded.

The question being the adoption of the report.

and the report was adopted.

Rep. Royce did not vote and wished to be recorded in favor.

SPECIAL ORDERS

HB 552-FN-A-L, restructuring the delivery of a public elementary and secondary education and related educational services in New Hampshire. **INEXPEDIENT TO LEGISLATE**

Rep. Brien L. Ward for Education: This bill would abolish the Department of Education and create 10 SAU's, one for each county. New Hampshire's tradition of local control of education would be undermined by this bill as the current 80 SAU's would also be abolished. Vote 18-0.

Rep. Dodge spoke against.

Rep. Alger spoke in favor and yielded to questions.

Adopted.

HB 645-FN-A-L, relative to state aid for provision of an adequate education, and for additional local education tax relief. **INEXPEDIENT TO LEGISLATE**

Rep. Steven J. Winter for Education: This bill would have ended the state's obligation to fund an adequate education at grade six. The committee felt that the adequacy determination should be applied to all students up through grade twelve. Vote 17-0.

Rep. Vivian Clark spoke against and yielded to questions.

Rep. Wheeler spoke against.

Rep. Yeaton and Henderson spoke in favor.

Rep. Burling requested a division vote.

On a division vote, 278 members having voted in the affirmative and 81 in the negative, the report was adopted.

REGULAR CALENDAR (CONT'D.)

HB 141-L, relative to regulation of junkyards. **OUGHT TO PASS WITH AMENDMENT**

Rep. Richard P. Brewster for Environment and Agriculture: This bill eliminates the exception for certain junkyards under the current solid waste management laws. Vote 16-0.

Amendment (0014h)

Amend RSA 236:112, I(c)(1) as inserted by section 3 of the bill by replacing it with the following:

(1) Motor vehicles which are no longer intended or in condition for legal use according to their original purpose including motor vehicles purchased for the purpose of dismantling the vehicles for parts or for use of the metal for scrap; and/or
Adopted.

Report adopted and ordered to third reading.

HB 195, creating a committee to study amending the constitution to require that government decisions affecting the environment reflect consideration of the welfare of future generations. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. John S. Cobb for the Majority of Environment and Agriculture: Rep. John S. Cobb for Environment and Agriculture: This bill would ensure to future generations the protection of our environment. The majority felt this was a good bill to guarantee that protection Vote 11-4.

Rep. Harold P. Melcher for the Minority of Environment and Agriculture: The minority of the committee felt that, in spite of the noble sentiments of the proponents of this bill, any time or money spent in the pursuit of such a constitutional amendment would be useless. For all members of this House already think about of the welfare of future generations in their acts as legislators. We have effectually sworn to do so. In fact that welfare is exactly what we daily debate here in this House, with vast and passionate differences of opinion. Since we cannot agree on what the welfare of future generations actually amounts to, no constitutional amendment could possibly quantify or identify what that welfare specifically is. And no court could interpret the constitutionality of a law in a case whose facts were not yet existent. Hence, it is futile work toward such a constitutional amendment.

Amendment (0047h)

Amend the bill by replacing section 3 with the following:

3 Duties. The committee shall consider:

I. Amending the New Hampshire constitution to include a provision regarding the state's responsibility to protect its agricultural and natural resources for the use of future generations.

II. Similar provisions in the constitutions and statutes of other states.

III. Draft language for a constitutional amendment-concurrent resolution.

Adopted.

Rep. Bruno spoke against and yielded to questions.

Rep. Allen spoke in favor and yielded to questions.

Rep. Hall requested a roll call; not sufficiently seconded.

On a division vote, 173 members having voted in the affirmative and 181 in the negative, adoption of the majority report failed.

MOTION TO LAY ON THE TABLE

Rep. Burling moved that **HB 195**, creating a committee to study amending the constitution to require that government decisions affecting the environment reflect consideration of the welfare of future generations, be laid upon the table. On a division vote, 151 members voting in the affirmative and 204 in the negative, the motion failed.

Rep. Mirski moved Inexpedient to Legislate.

Rep. Burling requested a roll call; sufficiently seconded.

The question now being Inexpedient to Legislate.

and the motion was adopted.

HB 426, relative to the voluntary scrapie flock certification program. **OUGHT TO PASS WITH AMENDMENT**

Rep. James G. Phinizy for Environment and Agriculture: The Scrapies Program is a federal program of voluntary certification. Scrapies is a disease similar to "mad cow". Federal administrative procedures call for establishing a state board. This bill achieves this end and keys the state program to USDA/APHIS administrative rules. There is no adverse impact on the Department of Agriculture. The state's sheep industry, herders and flocks will benefit as a result of establishing this program and enfranchising the certification board. Vote 13-0.

Amendment (0484h)

Amend RSA 436:118, II as inserted by section 1 of the bill by replacing it with the following:

II. The board shall consist of 9 members, including:

- (a) The Area Veterinarian-in-Charge (federal Veterinarian), or designee;
- (b) The state veterinarian, or designee;
- (c) One practicing accredited veterinarian;
- (d) One member of the university of New Hampshire cooperative extension; and
- (e) Five goat or sheep producers, with no more than 3 members from either industry.

Amend RSA 436:118 as inserted by section 1 of the bill by inserting after paragraph VIII the following new paragraph:

IX. The board shall submit a report to the house environmental and agriculture committee or its successor by February 15 of each year.

Adopted.

Report adopted and ordered to third reading.

HB 362-FN, regulating the practice of adjunctive therapy for animals. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Maurice E. Goulet for the Majority of Executive Departments and Administration: The amendment replaces the entire bill. The state veterinarian has established rules that allow horse trainers and others to treat lameness. The bill, and the amendment proposed by the sponsor, continues to allow veterinarians to treat lameness but does not make it their exclusive domain. Vote 16-1.

Rep. Robert K. Dodge for the Minority of Executive Departments and Administration: This amendment would change the veterinary medicine law to allow anyone to treat lameness without a referral from a veterinarian. This will not set well with animal lovers who want the best treatment for their animals.

Amendment (0295h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the practice of veterinary medicine.

Amend the bill by replacing all after the enacting clause with the following:

1 Definition; Lameness Deleted. Amend RSA 332-B:1, III(a) to read as follows:

(a) To diagnose, treat, correct, change, relieve, or prevent animal disease, [~~lameness~~], deformity, defect, injury, or other physical or mental conditions: including the prescription or administration of any drug, medicine, biologic, apparatus, application, anesthetic, or other therapeutic or diagnostic substance or technique, and the use of any manual or mechanical procedure for testing for pregnancy, or for correcting sterility, or infertility, or to render advice or recommendation with regard to any of the above.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill deletes lameness from the definition regarding the practice of veterinary medicine.

Adopted.

Rep. Goulet yielded to questions.

Report adopted and ordered to third reading.

HB 408-FN, relative to the regulation of nursing by the board of nursing. OUGHT TO PASS WITH AMENDMENT

Rep. Judson K. Dexter for Executive Departments and Administration: This bill increases the membership of the board of nursing to include 2 licensed nursing assistants, and it increases the compensation of the board members from \$50 per day to \$100 per day for regular board meetings. Further, this bill repeals and revises various definition and terms concerning licensed nurses, licensed nursing assistants and the practice of nursing. Finally, it defines delegation of nursing tasks by licensed nurses to licensed nursing assistants and other health care workers, and clarifies the associated liabilities and disciplinary actions thereof. The committee recognizes the increased demands that are put on licensed nurses and licensed nursing assistants in today's health care environment. This bill allows licensed nurses to delegate nursing tasks, in compliance with these statutory provisions and administrative rules, which will improve the quality of patient care by increasing access. Further, it will reduce costs through better utilization of available resources, particularly in light of the severe nursing shortage we are faced with today. The subcommittee had difficulties with certain terms and definitions in the original bill. The amendment specifically defines those terms and responsibilities. The bill does not alter the civil or criminal responsibility of the licensed nurse for patient care. Vote 18-0.

Amendment (0453h)

Amend the bill by replacing all after the enacting clause with the following:

1 Chapter Title. Amend the chapter title of RSA 326-B to read as follows:

**REGISTERED NURSES ~~[AND]~~, LICENSED PRACTICAL NURSES
AND LICENSED NURSING ASSISTANTS**

2 Purpose; Licensed Nursing Assistants Added. Amend RSA 326-B:1, I to read as follows:

I. In order to safeguard life, health, and the public welfare of the people of this state and in order to protect the people of the state of New Hampshire from the unauthorized, unqualified, and improper application of services by individuals in the practice of nursing, it is necessary that a regulatory authority be established and adequately funded. To further this policy the practice of nursing shall be regulated through the New Hampshire board of nursing, and said board shall have the power to enforce the provisions of this chapter. Any persons who practice or offer to practice nursing *or nursing related activities*, or who represent themselves as registered nurses ~~[or]~~, licensed practical nurses, *or licensed nursing assistants* without qualifying under this chapter endanger the public health.

3 Definition; Active in Practice. Amend RSA 326-B:2, I to read as follows:

I. "Active in ~~[the]~~ practice ~~[of nursing]~~" means to practice nursing *as an advanced registered nurse practitioner, registered nurse, or licensed practical nurse or nursing related activities as a licensed nursing assistant* for a minimum number of hours as set by the board.

4 Definition; Licensed Nursing Assistant. Amend RSA 326-B:2, III to read as follows:

III. "Assistant to nurses" or "~~[certified]~~ *licensed* nursing assistant" means a person who is authorized to provide ~~[personal]~~ care under the direction of a registered nurse or licensed practical nurse as defined by the board of nursing.

5 New Paragraph; Definition; Delegation. Amend RSA 326-B:2 by inserting after paragraph VIII the following new paragraph:

VIII-a. "Delegation" means the transfer of authority for the performance of a selected task from a licensed nurse authorized to perform the task to someone who does not have the authority, at the discretion of the licensed nurse. Licensed nursing assistants shall not have authority to delegate tasks. The administration of medications shall only be delegated to persons authorized in rules adopted by the board under RSA 541-A or who have successfully completed a board approved curriculum.

6 Definition; License; Licensed Nursing Assistant Added. Amend RSA 326-B:2, XII to read as follows:

XII. "License" means a current document issued by the board permitting the practice of nursing as a registered nurse ~~[or]~~, licensed practical nurse, *or nursing related activities as a licensed nursing assistant*.

7 New Paragraph; Definition; Licensed Nurse. Amend RSA 326-B:2 by inserting after paragraph XII the following new paragraph:

XII-a. "Licensed nurse" means an advanced registered nurse practitioner, registered nurse, or licensed practical nurse.

8 Definition; Practical Nursing. RSA 326-B:2, XVI is repealed and reenacted to read as follows:

XVI. "Practical nursing" means a scope of practice, directed by a registered nurse, advanced registered nurse practitioner, dentist, or physician, by a L.P.N. who is prepared to function as a member of the health care team by exercising sound nursing judgment based on preparation, knowledge, skills understanding, and past nursing experience. Practical nursing by a L.P.N. contributes to the assessment, planning, implementation and evaluation of patient care. Practical nursing includes the delegation of nursing tasks that may be performed by others and which do not conflict with this chapter.

9 Definition; Registered Nursing. RSA 326-B:2, XVIII is repealed and reenacted to read as follows:

XVIII. "Registered nursing" means the application of nursing knowledge, judgment and skill drawn from broad in-depth education in the biological, psychological, social and physical sciences in assessing, diagnosing, planning, implementing and evaluating care which promotes optimum health, wellness, and independence of the individual, family and/or community.

10 Board of Nursing; New Members; Certified Nursing Assistants. Amend RSA 326-B:3, I to read as follows:

1. The board of nursing shall be composed of [9] **11** members to be appointed by the governor with the consent of the council. Suggestions for appointment may be made to the governor by any interested individual, association or entity. The members of the board shall include 5 registered nurses, one of whom shall be an advanced registered nurse practitioner, 2 licensed practical nurses, **2 licensed nursing assistants**, and 2 representative members of the public. The terms of members [~~appointed or reappointed after June 1, 1991;~~] shall be staggered as determined by the governor and council [~~provided that the A.R.N.P. member shall be appointed to a 3-year term. Three members shall be appointed for a term of one year, 3 for a term of 2 years, and 3 for a term of 3 years.~~]. All [subsequent] terms shall be for 3 years, and no member of the board shall be appointed to more than [2] **3** consecutive terms.

11 New Paragraph; Board of Nursing; Licensed Nursing Assistants. Amend RSA 326-B:3 by inserting after paragraph III the following new paragraph:

III-a. The licensed nursing assistant members of the board shall be residents of this state, licensed in good standing under the provisions of this chapter, currently engaged in nursing-related activities, and shall have had no less than 5 years of experience as a licensed nursing assistant, at least 3 of which shall have immediately preceded the date of appointment.

12 Board of Nursing; Compensation Increased. Amend RSA 326-B:3, VI to read as follows:

VI. Each member of the board shall be compensated at the rate of [\$50] **\$100 for attendance at a regular board meeting and \$50** for each *other* day actually engaged in official duties of the board, and shall be reimbursed for actual and necessary expenses incurred in the discharge of official duties, including travel at the state employee mileage rate.

13 Board of Nursing; Unexpired Terms. Amend RSA 326-B:3, VII to read as follows:

VII. An appointee to a full term on the board shall be appointed by the governor with the consent of the council before the expiration of the term of the member being succeeded and shall become a member of the board on the first day following the appointment expiration date of the previous appointee. Appointees to unexpired portions of full terms shall become members of the board on the day following such appointment, and shall ***serve the unexpired term and then be eligible to serve full 3-year terms.***

14 Rulemaking; Nursing Assistants. Amend the introductory paragraph of RSA 326-B:4-a, XIII to read as follows:

XIII. Establishing standards for a basic assistant to nurses education, practice, [~~certification~~] ***licensure***, and [~~recertification~~] ***renewal of license*** program and the issuance of evidence indicating satisfactory completion of such a program, including, but not limited to:

15 Rulemaking; Licensed Nursing Assistants. Amend RSA 326-B:4-a, XVI to read as follows:

XVI. Establishing standards for currently licensed registered and practical nurses' and [~~certified~~] ***licensed*** nursing assistants' education and scope of practice in primary and secondary school settings, and licensed practical nurses' and [~~certified~~] ***licensed*** nursing assistants' employment restrictions in elementary and secondary school settings.

16 New Paragraph; Rulemaking; Delegation. Amend RSA 326-B:4-a by inserting after paragraph XVI the following new paragraph:

XVII. Establishing standards of delegation by licensed nurses to licensed and unlicensed caregivers that shall apply to all health care settings, including but not limited to acute care facilities, long-term care facilities, home care, and schools.

17 Qualifications for License. Amend RSA 326-B:6, III to read as follows:

III. Have graduated from a board-approved nursing education program; or demonstrate comparable nursing educational preparation recognized by the board; or have graduated from a foreign nursing program and successfully completed the CGFNS examination *or a curriculum evaluation*; or have graduated from a recognized Canadian nursing education program; *or is a candidate who has applied for licensure in New Hampshire and who has practiced successfully for at least 2 years in the United States.*

18 Qualifications for License. Amend RSA 326-B:7, I(d) to read as follows:

(d) Have been active in ~~[the] practice [of nursing]~~ within a period of 4 years from the date of application or submit evidence of completion of a re-entry program acceptable to the board.

19 Renewal of Licenses. Amend RSA 326-B:8, I and II to read as follows:

I. Any person licensed under this chapter who intends to practice professional nursing ~~[or]~~, practical nursing, *or assistant to nursing* in this state shall renew his *or her* license ~~[prior to his]~~ *no later than the person's* birthday on a biennial schedule established by the board on a renewal application furnished by the board. At least one month before the *licensee's* birthday ~~[of all licensees currently licensed]~~, the board shall mail a renewal application, in the renewal year, to the ~~[last known]~~ *licensee's* address *on file with the board*. Failure to receive such application shall not excuse the licensee from the requirement to renew ~~[his] the~~ license *prior to his or her birthday*. *A completed application for renewal shall be required to be at the board's office no later than midnight on the licensee's birthday.*

II. Any license not renewed pursuant to paragraph I is considered to have lapsed; the licensee may have his *or her* lapsed license reinstated on satisfactory explanation and payment of the required fee.

20 Temporary Licensure. Amend the introductory paragraph of RSA 326-B:9 to read as follows: A temporary ~~[licensure, not to exceed]~~ *license valid up to 180 days, with renewal approval at the board's discretion*, shall be granted to:

21 Temporary Licensure; Inactive. Amend RSA 326-B:9, III to read as follows:

III. Nurses inactive for 4 years *or more* who are enrolled in a re-entry program upon confirmation of ~~[most recent licensure]~~ *a license from another jurisdiction*. Applicants shall be restricted to practice under the supervision of a registered nurse.

22 Disciplinary Actions; Misconduct. Amend RSA 326-B:12, II(a)-(f) to read as follows:

(a) The practice of fraud or deceit in procuring or attempting to procure a license ~~[to practice nursing]~~;

(b) Conviction of a felony or any ~~[offense involving moral turpitude]~~ *criminal act, not including traffic offenses*;

(c) Dishonest or unprofessional conduct, including, but not limited to, ~~[intentionally]~~ harming, abusing or exploiting a patient, defrauding or harming the public in matters related to the practice of nursing *or nursing-related activities*, ~~[willfully]~~ failing to maintain accurate and complete nursing records, acts of omission or commission when practicing nursing *or nursing-related activities* as set forth in rules adopted by the board pursuant to RSA 541-A, ~~[and]~~ *or* violating disciplinary orders or settlement agreements approved by the board;

(d) ~~[Gross or repeated negligence when practicing nursing, activities ancillary to the practice of nursing, or any particular aspect or specialty thereof, or the]~~ Presence of a mental or physical deficiency, or an established behavior pattern which is incompatible with the basic knowledge and competence expected of persons licensed to practice nursing or any particular aspect or specialty thereof;

(e) Addiction to or abuse of alcohol or other habit-forming drugs or substances which render the licensee unfit to practice nursing *or nursing-related activities*;

(f) ~~[Willful or repeated]~~ Violations of any provision of this chapter, any substantive rule adopted by the board pursuant to RSA 541-A, or any other state or federal statute or substantive rule ~~[applicable to the practice of nursing]~~ *reasonably related to the licensee's ability to safely practice nursing or nursing-related activities.*

23 Reporting of Misconduct. Amend RSA 326-B:12, V to read as follows:

V. Every individual, agency, facility, institution or organization that employs ~~[nurses]~~ **licensed nursing personnel** within the state shall report to the board within 30 days any action by a nurse or nursing assistant that willfully violates paragraph II of this section. The board shall have authority, after notice and the opportunity for hearing, to impose civil penalties of up to \$1,000 per violation upon persons found to have willfully violated the reporting requirements of this paragraph.

24 Hearings; Presiding Officer. Amend RSA 326-B:13-a, I to read as follows:

I. The board may hold adjudicative hearings concerning allegations of misconduct or other matters within the scope of this chapter. Such hearings shall be public proceedings. Any member of the board **other than the public members**, or any other qualified person appointed by the board, shall have authority to preside at such a hearing and to issue oaths or affirmations to witnesses.

25 Gender Neutral. Amend RSA 326-B:17, IV to read as follows:

IV. Nursing services by any certified unlicensed graduate nurse who has been engaged in this state in nursing the sick for hire without assuming in any way to be a registered nurse, as ~~[his]~~ **a** bona fide occupation previous to July 1, 1959 and who was certified prior to January 1, 1975;

26 Gender Neutral. Amend RSA 326-B:24 to read as follows:

326-B:24 Continued Competence of Nurses. The board shall establish procedures by which the individual licensee maintains ~~[his]~~ continued competence for relicensure. Procedures to evaluate and ensure continued competence shall be established by rules adopted by the board pursuant to RSA 541-A.

27 Nursing Assistant; Rulemaking; Licensure. Amend RSA 326-B:29, I to read as follows:

I. The board shall adopt a schedule of fees, adopted by rule under RSA 541-A, for examination, ~~[registration]~~ **licensure**, renewal, ~~[recertification]~~ **relicensure**, endorsement, and verification of nursing assistants.

28 New Section; Liability for Delegated Duties. Amend RSA 326-B by inserting after section 32 the following new section:

326-B:33 Liability for Delegated Duties.

I. A nurse licensed under this chapter who delegates a specific nursing activity or task in compliance with the rules adopted pursuant to RSA 326-B:4-a, XVII shall not be subject to disciplinary action by the board of nursing for the performance of a person to whom the nursing activity or task is delegated.

II. Caregivers who properly follow delegation orders that are made in compliance with the rules adopted pursuant to RSA 326-B:4-a, XVII shall not be subject to disciplinary action by the board of nursing for the performance of their delegated duties.

III. No person may coerce a licensed nurse into compromising patient safety by requiring the licensed nurse to delegate if the licensed nurse determines that it is inappropriate to do so. Licensed nurses shall not be subject to disciplinary action by the board of nursing for refusing to delegate nursing activities or tasks or refusing to provide the required training for delegation if the nurse determines that delegation may compromise patient safety.

29 Repeat. The following are repealed:

I. RSA 326-B:2, IX, relative to definition of directing.

II. RSA 326-B:2, XIV, relative to definition of medical regimen.

III. RSA 326-B:2, XV, relative to definition of nursing regimen.

30 Effective Date. This act shall take effect July 1, 2001.

Adopted.

Report adopted and ordered to third reading.

HB 390, relative to the Born-Alive Infants Protection Act. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS.**

Rep. Daniel M. Burnham for the Majority of Health, Human Services and Elderly Affairs: By repeating in RSA 132 ("Protection for Maternity and Infancy") the definition of "live birth" now carried in the rules section of the Department of Health and Human Services Bureau of Vital records, HB 390 as amended will codify the definition in statute. This will serve to enhance the protection of live born infants. The definition consists of this sentence: "In this subdivision, the term "live birth" means the complete expulsion or extraction from it's mother of a product of human conception, irrespective of the duration of the pregnancy, which after such expulsion or extraction breathes or shows any other evidence of life such as the beating of the heart, pulsation of the

umbilical cord or definite movement of voluntary muscles whether or not the umbilical cord has been cut or the placenta is attached." This definition, as proposed in the amendment, is similar to ones in at least thirty-one states. The amended bill eliminates a proposed application section, which would have applied the above definition to every NH statute, rule, regulation or application, in which the words "person", "child", "human being" or "individual" appear without any analysis of unintended consequences. Vote 11-7.

Rep. Fran Wendelboe for the Minority of Health, Human Services and Elderly Affairs: This bill in the original drafting included an application clause including the definition of "born alive". This amendment changes "born alive" to "live birth" and removes this definition from being applied anywhere specifically in law. Also, the term "product of human conception" is found nowhere else in state law and creates confusion as to the status of what "is" born by live birth - a baby, infant, child, person.

Amendment (0290h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the Live-Birth Infants Protection Act.

Amend the bill by replacing all after the enacting clause with the following:

1 New Subdivision; Live-Birth Infants Protection Act. Amend RSA 132 by inserting after section 21 the following new subdivision:

Live-Birth Infants Protection Act

132:22 This subdivision shall be known and may be cited as the Live-Birth Infants Protection Act.

132:23 Definition.

I. In this subdivision "live-birth" means the complete expulsion or extraction from its mother of a product of a human conception, irrespective of the duration of the pregnancy, which after such expulsion or extraction, breathes, or shows any other evidence of life such as beating of the heart, pulsation of the umbilical cord, or definite movement of voluntary muscles, whether or not the umbilical cord has been cut or the placenta is attached.

II. The definition under paragraph I shall apply whether the expulsion or extraction occurs as a result of natural or induced labor, cesarean section, or induced abortion.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes the Live-Birth Infants Protection Act.

The question being the adoption of the majority amendment.

Reps. Wendelboe and Soltani spoke against the amendment and yielded to questions.

Reps. Craig and Pilliod spoke in favor of the amendment and yielded to questions.

Rep. Phyllis Woods spoke against.

Reps. Millham and Cecelia Kane spoke in favor.

Rep. Wendelboe requested a roll call; sufficiently seconded.

The question being the adoption of the majority amendment.

PROTEST

Pursuant to Part 2, Article 24 of the New Hampshire constitution, Reps. Boyce, Flora, Giuda, Mirski, Phyllis Woods, Wendelboe, Palermo, Hopper, Balboni, Rogers Johnson, Sapareto, Marshall Quandt and Matthew Quandt requested that their protest be entered on the Journal.

We believe the bill should have been passed without the amendment supporting protection of live born infants.

REGULAR CALENDAR (CONT'D)

HB 638, relative to certification of food protection managers. **INEXPEDIENT TO LEGISLATE**
Rep. Cecelia D. Kane for Health, Human Services and Elderly Affairs: HB 638 proposed requiring at least one full-time employee at most food service establishments to be assigned as a certified food protection manager. The bill defined the food protection manager as a person who has taken and passed a food protection manager certification program that meets the standards of the Conference For Food Protection. The committee was impressed by the obvious need for better food protection, but in the end believed this legislation would duplicate other programs and put too much of a burden on sandwich stands and other small facilities. Vote 13-4.
Adopted.

HB 550-FN, relative to remedies under the right-to-know law. **OUGHT TO PASS WITH AMENDMENT**

Rep. Phyllis L. Woods for Judiciary: This bill prohibits destruction of any requested information subject to the right-to-know law prior to inspection. The bill was amended so that documents scheduled for destruction would have to be retained for 90 days pending any lawsuit. This would prohibit anyone from willfully or knowingly destroying documents after requested. Vote 18-2.

Amendment (0401h)

Amend the bill by replacing section 1 with the following:

1 New Section; Destruction of Information Prohibited. Amend RSA 91-A by inserting after section 8 the following new section:

91-A:9 Destruction of Information Prohibited; Penalty. Any information, electronic or written, which is requested for inspection, pursuant to this chapter, shall not be destroyed in any manner prior to such inspection. If a request for inspection is denied on the grounds that the information is exempt from the provisions of this chapter, the requested material shall be preserved for 90 days or while any lawsuit pursuant to RSA 91-A:7-8 is pending. In addition to other remedies under this chapter, any person who purposely and knowingly violates this section shall be guilty of a class A misdemeanor.

AMENDED ANALYSIS

This bill declares that any information requested pursuant to the right-to-know law shall not be destroyed prior to such inspection. This bill provides a procedure for when inspection is denied. Under this bill, any person who purposely and knowingly violates this provision shall be guilty of a class A misdemeanor.

Adopted.

Rep. John Pratt spoke against and yielded to questions.

Rep. Reid spoke in favor and yielded to questions.

Report adopted.

SUSPENSION OF RULES

Rep. Burling moved that the Rules be so far suspended as to permit referral of **HB 550-FN**, relative to remedies under the right-to-know law, to a second committee beyond the deadline.

Adopted by the necessary two-thirds.

Referred to Criminal Justice and Public Safety.

HB 101, relative to suspension of lobbyists for false statements or misrepresentation of material facts. **OUGHT TO PASS WITH AMENDMENT**

Rep. David M. Scanlan for Legislative Administration: This bill, as amended, adds the following statement for lobbyists registering under RSA 15:1. "I hereby swear, under penalties of perjury, that I will not knowingly make any false statement or material misrepresentation before any joint, senate, or house committee or any chaptered or statutory committee on legislative matters, for the purpose of affecting the determination of that committee." The committee felt this statement reflects the importance and seriousness of the public testimony from lobbyists upon which important decisions will be based. Vote 11-0.

Amendment (0286h)

Amend the title of the bill by replacing it with the following:

AN ACT requiring registered lobbyists to sign a statement concerning false statements or misrepresentation of material facts.

Amend the bill by replacing section 1 with the following:

1 New Section; Statement Required. Amend RSA 15 by inserting after section 1 the following new section:

15:1-a Statement Required. Any person registering under RSA 15:1 shall sign and submit to the secretary of state the following statement: "I hereby swear, under penalties of perjury, that I will not knowingly make any false statement or material misrepresentation before any joint, senate, or house committee or any chaptered or statutory committee on legislative matters, for the purpose of affecting the determination of that committee."

AMENDED ANALYSIS

This bill requires lobbyists registering with the secretary of state to sign and submit a statement concerning false statements or material misrepresentation.

Adopted.

Report adopted and ordered to third reading.

SPECIAL ORDERS

HB 292-FN, relative to the travel allowance for members of the general court. **INEXPEDIENT TO LEGISLATE**

Rep. Maurice E. Goulet for Legislative Administration: The committee reviewed the sponsor's intent very carefully. It was revealed that under this bill, in order to receive mileage payments , all new legislators elected in the next term would be unable to car-pool to Concord and would be required to drive from their home each day for reimbursement. Furthermore, the committee has another bill under consideration for mileage reimbursement that may be considered more suitable. Vote 11-0. Rep. Arnold spoke against.

Adopted.

HB 546-FN-A-L, relative to allowing cities and towns to permit slot machines and other games of chance. **INEXPEDIENT TO LEGISLATE**

Rep. William G. Johnson for Municipal and County Government: This bill and amendment would allow local municipalities to permit the operation of gambling ranging from single games of chance to major casino operations. While the committee recognized the funding needs of the state and its local governments, it felt that expanded gambling was not the solution to the problem. The committee received extensive testimony against the bill from a wide and diverse range of organizations that included law enforcement officials, church groups, business interests, taxpayer groups and representatives speaking for children and women. The committee concurred that the social and law enforcement costs of gambling negated the positive impact of additional revenues. Further, gambling would have a negative impact on the quality of life in New Hampshire leading to increased addiction, injury to children, and damage to family life and financial health. Expanded gambling is, in a sense, a highly regressive tax, falling on the poor in search of an instant remedy to their financial problems. Gambling would also hurt existing New Hampshire businesses involved in tourism. Furthermore, this particular bill could pit one town against another. A town that chose not to permit gambling activity would still be susceptible to the costs incurred from the activity of a neighboring municipality. Finally, except for application and licensing fees, all profits from the gambling activity would accrue to the gambling owners. Vote 16-0.

Rep. DiFruscia spoke against.

Reps. Lovett and William Johnson spoke in favor.

MOTION TO LAY ON THE TABLE

Rep. DiFruscia moved that **HB 546-FN-A-L**, relative to allowing cities and towns to permit slot machines and other games of chance, be laid upon the table.

Rep. Scanlan requested a roll call; sufficiently seconded.

The question being the adoption of motion to lay on the table.

and the motion failed.

Report adopted.

HCR 10, supporting the electoral college. OUGHT TO PASS

Rep. Pamela D. Coughlin for State-Federal Relations and Veterans Affairs: This House Concurrent Resolution supports the election of President by the Electoral College and urges the defeat of any attempt to amend the constitution to abolish the Electoral College. The committee feels strongly that it is in the best interests of New Hampshire to continue this important process. Vote 14-0.

Rep. Melcher requested a roll call; sufficiently seconded.

The question being the adoption of the report.

Ordered to third reading.**REGULAR CALENDAR (CONT'D)****HCR 12**, requesting that the federal government lift federal preemption of regulation of gas pipelines and pipelines carrying other hazardous substances. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Pamela D. Coughlin for the Majority of State-Federal Relations and Veterans Affairs: This house concurrent resolution requests that the federal government lift federal preemption of regulation of pipelines carrying gas and other hazardous substances. The committee has a great deal of respect for the concerns of the sponsor but feels that this resolution is premature as HB 166 which is a study committee to study gas and hazardous substance pipeline safety which has passed the house and is now in the senate is still pending. This resolution also may be a violation of the commerce clause because the state's interest has not been defined. Vote 8-6.

Rep. Lucille V. Power for the Minority of State-Federal Relations and Veterans Affairs: The minority felt that when public safety is potentially at risk, the legislature should act swiftly in protecting our citizens. This bill is in concert with HB166 asking that New Hampshire not only study the issue of pipeline safety but that we also be given "state control" to act upon the findings.

Rep. Avery moved Recommit to committee and spoke in favor.

Adopted.

Recommitted to State-Federal Relations and Veterans Affairs.

SPECIAL ORDERS

HB 283-FN, establishing a low-digit plate lottery for plates reacquired by the department of safety and for low-digit plates not yet issued by the department. **INEXPEDIENT TO LEGISLATE**

Rep. Robert J. Letourneau for Transportation: This bill would establish a low-digit license plate lottery. At first blush this seems to be a good idea, however, consider the litigation possibilities. Hypothetical examples: A parent with a low-digit license plate that has been in the family for years passes away. Siblings would all want the plate. Which sibling would get the plate? The courts would have to try to render an unbiased opinion and family members would be fighting over a plate. A husband and wife who have one set of low-digit plates are involved in a divorce proceeding; both would want the plate, more litigation. The New Hampshire State Legislature has delegated the sole responsibility of all license plates to the Commissioner of Safety. All license plates and numbers assigned to them are the sole property of the state of New Hampshire. The Attorney General has successfully represented the state in several cases involving low-digit plates and has prevailed in each case. While this may not be a perfect system, overall it works well for the citizens of New Hampshire. Vote 15-0.

Adopted.

HB 473-FN, authorizing the department of safety to issue special amateur radio operator plates. **INEXPEDIENT TO LEGISLATE**

Rep. John W. Flanders for Transportation: Although submitted with good intentions, this bill will not sell enough plates to pay for the initial manufacturing costs. Already there is the ability for amateur radio operators to have their call letters on their license plates in the form of vanity plates. It was suggested in committee discussions that a sticker might be developed to be applied to the rear window of the vehicle for identification purposes. Vote 13-2.

Rep. Rosen spoke against.

Rep. John Flanders spoke in favor.

Adopted.

HB 474-FN, relative to motor vehicle plates for firefighters and emergency medical care providers. **INEXPEDIENT TO LEGISLATE**

Rep. Robert J. Letourneau for Transportation: This bill would establish a special license plate for emergency medical care providers and firefighters that respond to calls. The committee recognizes the valuable work that these individuals provide for the citizens of New Hampshire. This bill, if passed, essentially would provide free license plates for these individuals. Additionally, minimum startup cost for any new plate issue is approximately \$25,000.00, including computer time, planning, artist fees and printing. The minimum number of plates to be manufactured for any new issue is 5,000 pairs at a cost of \$67,000.00. Committee research revealed that the neighboring states of Connecticut and Vermont have issued 39 and 239 sets of plates; Maine recorded 4421 plates from a population of 1.2 million. The committee felt first that this is the start of the slippery slope and would lead to many organizations requesting special plates. Furthermore, the committee felt that the number of plates that would be sold would not meet the minimum requirement for production, costing the state resources it can ill afford to lose. Also, the question of responsibility for these plates in the event the plate holder leaves the employ of the municipality is not addressed and in doubt. Vote 13-2.

Adopted.

REGULAR CALENDAR (CONT'D)

HB 496, establishing a committee to study the method by which low-digit plates are issued by the department of safety and any alternatives to the presently-used method. **INEXPEDIENT TO LEGISLATE**

Rep. Robert J. Letourneau for Transportation: This bill would establish a committee to study the method by which low-digit number plates are issued by the Department of Safety (DOS). The committee has seen the legislation many times and while some may believe that the system is unfair, committee members have spent considerable time looking into the issue. The end result is that the system we have in place, while not perfect, serves New Hampshire well. To establish a lottery would create an issue of property rights with endless litigation. Additionally, low-digit license plates (1 to 9999) are general issuance plates and are currently issued, many to older NH residents who have

had them for decades. License plates and the numbers upon them are the property of the state of New Hampshire. This Legislature has delegated the duty of dealing with these plates to the Commissioner of Safety. The majority of the committee believes the Commissioner is doing a good job with this system, and there is no need to create another responsibility for the department, which could require an additional administrator. Vote 14-2.

Rep. Soltani spoke against and yielded to questions.

Rep. Letourneau spoke in favor and yielded to questions.

Rep. Soltani requested a roll call; sufficiently seconded.

The question being the adoption of the committee report.

and the report was adopted.

Rep. Elliott declared a conflict of interest and did not participate.

HB 513, establishing a committee to study the disposition of revenue from fines for violations of the motor vehicle laws. **INEXPEDIENT TO LEGISLATE**

Rep. Robert J. Letourneau for Transportation: This bill would establish a committee to study the disposition of revenue from fines from violations of the motor vehicle laws. While this would seem to be just another study committee, research revealed that all the revenue collected from motor vehicle fines are deposited into the general fund. This is the result of the unified court system developed by this Legislature a number of years ago. The exception to this is a small number of commercial truck violations, such as over-weight, over-width and over-length violations. The revenue from these violations is deposited into the highway fund. The majority of the committee felt that if the sponsors of this bill want to look at the disposition of these revenues they need a different vehicle, as the revenues and expenditures are part of the whole budget process. Furthermore, any representative or group of representatives may study an issue and request information from any department without creating a statutory study committee. Vote 11-4. Adopted.

SPECIAL ORDERS

HB 584-FN-A, relative to the registration and licensure of OHRV dealers and rental agents. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert J. Letourneau for Transportation: This bill defines Off Highway Recreational Vehicle (OHRV) dealers and rental agents and creates a new section in RSA 215-A:1 that will be called an OHRV "Rental Agent" for those involved in the business of renting OHRVs to the general public. This bill also creates a new registration and license to accommodate these agents and defines the fees associated with this new section. This bill was introduced after discussion between the state and dealers to address the growing problem of unregistered OHRVs, and the lack of proper law to address the recent explosion of rental dealers. It is felt that this legislation is a public safety issue. All in attendance at the public hearing were in support. Vote 15-0.

Amendment (0225h)

Amend RSA 215-A:26, II as inserted by section 5 of the bill by replacing it with the following:

II. Any person ~~[may]~~ *shall* make application to the executive director to ~~[engage in the business of renting OHRVs]~~ *accept money or other valuable consideration for the temporary use of OHRVs provided to members of the general public.* The executive director shall assign a distinguishing number to the applicant and issue ~~[to him,]~~ appropriate ~~[registration plates]~~ *decals* which shall *not* be transferable between OHRVs owned by the ~~[registrant]~~ *rental agent* and *those* used ~~[by him]~~ for rental. When renting OHRVs, any person shall be required to use rental plates, if said machine is to be used off the rentor's land.

Amend RSA 215-A:26, IV as inserted by section 5 of the bill by replacing it with the following:

IV. Each dealer or rental agent shall be licensed by the fish and game department under this section and shall pay \$10 for each license. All license fees collected shall be nonlapsing and continually appropriated to the fish and game department to offset the administrative costs of this section.

Adopted.

Report adopted and referred to Executive Departments and Administration.

HB 151, excluding military pension payments and military survivor's benefit payments for certain persons from gross income under any income tax which may be enacted. **INEXPEDIENT TO LEGISLATE**

Rep. John S. Langone for Ways and Means: The committee understands the concern of veterans relative to military pension payments and military survivors' benefit payments being exempt from gross income if an income tax is enacted. The committee feels that this bill is unconstitutional and discriminating to non-military pensioners. This bill is premature because no income tax bill has passed at this juncture. Vote 13-0.

Rep. Rosen spoke against.

Rep. Langone spoke in favor.

Adopted.

HB 185-FN-L, repealing the prospective repeals of the education property tax and related laws. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Robert J. Guida for the Majority of Ways and Means: The majority of the committee recognizes that virtually each and every long-term solution to the current education funding crisis includes the continuation of the state-wide property tax system. As indicated in the report issued by the New Hampshire Commission on Education Funding (The Governor's Blue Ribbon Commission): "... placing such a full burden on any single tax option might exert a significantly negative impact on New Hampshire's economy and taxpayers." (Page 51 of the report). The majority agrees with the sponsor of this legislation that the statewide property tax needs to be maintained. While some will argue that the tax is unconstitutional in its entirety, it should be noted that the recent opinion of the Rockingham Superior Court found constitutional infirmity not with the state-wide tax itself, but rather, with the methodologies and structures of valuation and equalization procedures. These procedures have recently been given significant review and substantial changes to the valuation and equalization procedures are being introduced under separate legislation. Removal of the sunset provision that this legislation provides is merely one step towards completing the process of adopting a permanent funding solution. Vote 9-5.

Rep. Susan W. Almy for the Minority of Ways and Means: This bill commits us to keep the statewide property tax at \$6.60, which will increase the number of donor towns and judicial complications related to this. The repeal of the repeal can be done in any of the bills coming forward to lower the statewide property tax and provide alternative funding, or even in the bills coming forward to fix the existing tax.

LAID ON THE TABLE

Rep. Whalley moved that **HB 185-FN-L**, repealing the prospective repeals of the education property tax and related laws, be laid upon the table.

Adopted.

HB 651-FN-A-L, authorizing the establishment of state-owned casino and convention center facilities and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**

Rep. Karen K. McRae for Ways and Means: This bill at this time is pre-emptive. The decision to support expanded gambling in the state has not been made. If and when that decision is made, then the concept of a state owned and operated casino, or casinos, should be explored further. Vote 15-1. Rep. Vaillancourt spoke against.
Reps. Lovett and McRae spoke in favor.
Adopted.

REGULAR CALENDAR (CONT'D)

HB 563, requiring drivers to carry automobile insurance and permitting drivers to choose the amount of uninsured motorist insurance that they carry. **INEXPEDIENT TO LEGISLATE**

Rep. Leo W. Fraser, Jr. for Commerce: The committee has long recognized that the existing system of voluntary automobile coverage, mandatory uninsured/underinsured motorist coverage, and financial responsibility laws has provided highly competitive and affordable rates in New Hampshire. The number of uninsured motorists in New Hampshire is among the lowest in the country. The mandatory automobile insurance coverage required by this bill would impose substantial administrative and financial costs to the state and its citizens, and evidence has shown it would have little or no chance of lowering the percentage of uninsured motorists driving in New Hampshire. The second part of the bill related to the amount of uninsured motorist insurance and, despite the sponsor's intent, would not have a great effect in reducing premiums, but would create more confusion for consumers and potentially expose them to unnecessary lack of appropriate insurance coverage. Vote 13-0.

Rep. Arnold requested that the question be divided. The Speaker ruled that the question was divisible.

Rep. Arnold requested that Sect 2 of the bill be divided.

The question being the adoption of the committee report on Section 2.

Rep. Arnold spoke against.

Rep. Hunt spoke in favor.

Adopted.

The question now being the adoption of the committee report on the remainder of the bill.

Rep. Leo Fraser spoke in favor.

Adopted.

HB 355, relative to the contents of the department of education report on the condition of education statewide. **INEXPEDIENT TO LEGISLATE**

Rep. Brien L. Ward for Education: The committee in a bipartisan 16-2 vote believe the test scores of our school districts will be ranked by the media, even if the Department of Education is prohibited from doing so if this bill is enacted. School test scores should not be the only indicia considered in evaluating the quality of schools. However, the results should be disseminated to the communities our school districts serve. Vote 16-2.

Rep. Arthur Pelletier spoke against.

Rep. Gorman spoke against and yielded to questions.

Reps. Ward and Henderson spoke in favor.

Rep. Konys requested a roll call; sufficiently seconded.

The question being the adoption of the committee report.

and the report was adopted.

HB 692, relative to the use of psychological testing and psychiatric drugs in schools. **INEXPEDIENT TO LEGISLATE**

Rep. Russell N. Cox for Education: The testimony on this bill mostly concerned the use of the prescription drug Ritalin for school children. This subject is best considered by the existing subcommittee on a similar bill before the Health and Human Services Committee. The remainder of the bill provided an inappropriate balance between parental rights and school administration relating to academic policy. Vote 17-0.

Adopted.

HB 428, relative to claims against the state by certain victims of Judge John C. Fairbanks. **INEXPEDIENT TO LEGISLATE**

Rep. Robert G. Holbrook for Finance: Although the members of the Finance Committee are aware of the apparent loss of assets by law practice clients of a part-time judge, the structure of this bill opens the threshold for many kinds of suits that might be brought against the State of New Hampshire. It is impossible to forecast the financial impact on the State of New Hampshire and the Finance Committee cannot pass a bill opening up such an unknown liability. Therefore it recommends this bill be reported so decided it is expedient to move this bill Inexpedient to Legislate. Vote 19-0.

Rep. Mirski spoke against and yielded to questions.

Rep. Phinizy spoke against.

Reps. Holbrook and Wheeler spoke in favor.

On a division vote, 218 members having voted in the affirmative and 106 in the negative, the report was adopted.

HB 685-FN, allowing pregnant women to use parking spaces reserved for persons with disabilities. **INEXPEDIENT TO LEGISLATE**

Rep. Brenda L. Ferland for Transportation: The doctors today can give a pregnant woman, if she needs it, a temporary placard. Walking is good physical exercise and should be encouraged for everyone. With today's superstores and malls that require walking inside, a few more feet in the parking lot will not make a difference. The committee saw this bill as another reason handicapped parking will be abused more so than it is now. Vote 16-0.

Rep. Kenney spoke against.

Adopted.

HB 338-FN-A, increasing the rate of the meals and rooms tax. **INEXPEDIENT TO LEGISLATE**

Rep. Norman L. Major for Ways and Means: The committee is considering changes to the rooms and meals tax in another house bill (HB 558-FN-LOCAL) that recommend expanding the rooms and meals tax as well as increasing and adding certain other state taxes. This broader bill is being retained as a vehicle for generating additional revenues. Vote 13-0.

Adopted.

CONSIDERATION OF RESOLUTION**HOUSE RESOLUTION NO. 10**

HR 10, affirming revenue estimates for fiscal years 2001, 2002, and 2003.

Whereas , the House Ways and Means Committee has considered what the unrestricted revenue estimates should be for fiscal years 2001, 2002, and 2003 and has presented those estimates to the House of Representatives; now, therefore, be it

Resolved by the House of Representatives:

That the House wishes to go on record as affirming the following revenue estimates for fiscal years 2001, 2002, and 2003.

Committee estimates are based on current rates.

	(A) FY 2001	(B) FY 2001	(C) FY 2002	(D) FY 2003
GEN'L & ED TRUST FUNDS: (Dollars in Millions)	Official Estimate	Committee Estimate	Committee Estimate	Committee Estimate
Business Profits Tax	\$190.800	\$187.000	\$246.000	\$254.000
Business Enterprise Tax	113.900	167.000	106.000	109.000
Subtotal	\$304.700	\$354.000	\$352.000	\$363.000
Meals & Rooms Tax	\$167.300	167.000	176.000	187.000

Fish & Game Licenses	\$6.900	\$6.585	\$6.701	\$6.603
Miscellaneous	1.400	1.515	1.564	1.591
TOTAL FISH & GAME FUNDS	\$8.300	\$8.100	\$8.265	\$8.194

Rep. Alukonis moved Ought to Pass, spoke to the motion and yielded to questions.

LAI D ON THE TABLE

Rep. Alukonis moved that *HR 10*, affirming revenue estimates for fiscal years 2001, 2002 and 2003 be laid on the table.

Adopted.

RESOLUTION

Rep. Scanlan offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Thursday, April 5, 2001 at 10:00 a.m.
Adopted.

RECONSIDERATION

Having voted with the prevailing side, Rep. Dickinson moved that the House reconsider its action whereby it passed, **HB 390**, relative to the Live Birth Infants Protection Act, and spoke against. Rep. Wendelboe spoke in favor.
On a division vote, 114 members having voted in the affirmative and 197 in the negative, the motion to reconsider failed.

MOTION TO PRINT REMARKS

Rep. Torressen moved that the debate on **HB 454**, relative to same-sex civil unions contracted outside of the state of New Hampshire, be printed in the Permanent Journal.
Motion failed.

UNANIMOUS CONSENT

Rep. Stone addressed the House.
Without objection, the Speaker ordered the remarks of Rep. Stone be printed in the Permanent Journal.

REMARKS

Rep. Stone: Thank you, Mr. Speaker. I know it has been a long day, but I ask you to indulge for two minutes with me. This Sunday, April 1st, is April Fool's Day and all of us will be trying to pull all kinds of jokes and so forth on our friends and relatives, etc. But April 1st to many of us is the anniversary of one of the most savage battles that took place during World War II. I have been a member of this House for nine years and each year I have listened to the Honorable gentleman from New London eloquently explain the Battle of Iwo Jima. So I stand here today with you saying that on Sunday, April 1st, 56 years ago on April 1st, I, as a member of George Company, 2nd Battalion, 1st Marines, loaded with full combat gear, climbed over the rail of an LST, went down a landing, then into a Higgins boat and proceeded to be part of the invasion of Okinawa. As Rep. Jacobson said, "Iwo Jima was a bloody battle." Historians agree to this.

But, they also say that the most savage land, air and sea battle that took place during World War II was on the island of Okinawa. This 9-mile long, 4-mile wide island was taken inch by inch, foot by foot, cave by cave, hill by hill, captured one day lost the next, back again until three months later, on September 2nd, the island was declared secured.

Twenty-seven thousand American soldiers, marines, sailors, airmen were killed or missed in action. Ninety-one thousand Japanese were killed. One hundred fifty thousand Okinawans gave their lives on their homeland.

This Sunday, as I have done for 56 years, I will offer a silent prayer to those who gave their lives and also to thank the good Lord that I was one of the survivors. I ask you, many of you were not born then, but this Sunday say a silent prayer. Numbers of this generation are diminishing very fast. They are dying rapidly. In this body, I believe there are 3 or 4 members who participated there. I ask you to say a silent prayer, not only for those throughout the United States, and the Japanese and the Okinawans, but also the members of this body. So please join me on April 1st, say a silent prayer thanking them that you and I are able to be here today to discuss democracy as we see it; and to my fellow marines, "Semper Fi."

LATE SESSION

Third reading and final passage

HB 210-FN, relative to the penalties for persons convicted of subsequent DWI offenses.

HB 271, relative to criminal liability for the conduct of another.

HB 475, establishing a commission for the development of a statewide protocol for interviewing victims of sexual assault crimes.

HB 594, establishing a committee to study the law on justification for the use of physical force and its implications for teachers or other persons entrusted with the care and supervision of minors.

HB 726-L, relative to change of school assignment and transfers of public school pupils.

HB 453, establishing a 4-year term for the commissioner of the department of corrections.

HB 585, relative to the membership and duties of the council on resources and development.

HB 123-FN, relative to the retirement system classification for the director of the division of safety services, department of safety.

HB 208-FN, changing the license requirement for operators collecting the meals and rooms tax.

HB 396, relative to the practice of physicians and surgeons.

HB 553-FN-L, requiring background checks for nursing home employees.

HB 635, relative to family mutual support services.

HB 499, making state-appointed advisory committees subject to the right-to-know law.

HB 164, relative to exceptions to the confidentiality of certain department of employment security records.

HB 347-FN, relative to terminal pay for certain state officials or employees.

HB 448, relative to procedures for crews and provision of counseling services following a railway accident.

HB 570-FN, relative to the unemployment compensation law.

HB 637-FN, requiring annual training for members of the workers' compensation appeals board.

HB 311-FN-A, increasing the fees under the laws relative to sewage disposal systems to support a position at the department of environmental services to advocate for and implement long-term septage disposal solutions in partnership with New Hampshire municipalities.

HCR 13, calling on the President and the Congress to fully fund the federal government's share of special education services in public elementary and secondary schools in the United States under the Individuals with Disabilities Education Act.

HB 369, relative to driving in highway construction and maintenance areas.

HB 459-FN, relative to inspection requirements for antique vehicles.

HB 648-FN, authorizing licensing of homeless youth programs.

HB 141-L, relative to regulation of junk yards.

HB 426, relative to the voluntary scrapie flock certification program.

HB 362-FN, relative to the practice of veterinary medicine.

HB 408-FN, relative to the regulation of nursing by the board of nursing.

HB 390, relative to the Live-Birth Infants Protection Act.

HB 101, requiring registered lobbyists to sign a statement concerning false statements or misrepresentation of material facts.

HCR 10, supporting the electoral college.

RECESS MOTION

Rep. Scanlan moved that the House stand in recess for the purpose of introduction of bills, receiving Senate messages, enrolled bill amendments and enrolled bill reports only.

Adopted.

The House recessed at 5:50 p.m.

RECESS

(Rep. Scanlan in the Chair)

SENATE MESSAGES

CONCURRENCE

HB 106, relative to honey products.

HB 117, establishing a committee to study the adoption of the uniform common interest ownership act.

HB 144, establishing a committee to study the CHINS process.

HB 163, establishing a committee to study opening the state house to the public on weekends.

HB 168, relative to transfers of ownership of cemetery plots or burial spaces.

HB 233, amending the duties of the oversight committee for the severely developmentally disabled.

HJR 1, urging Congress to expand eligibility for membership in the American Legion.

HCR 1, urging the federal government to allow military retirees to receive service-connected disability compensation benefits without requiring them to waive an equal amount of retirement pay.

HCR 2, urging the federal government to establish a new zip code for the town of Kensington.

NONCONCURRENCE

HB 122-FN-L, relative to euthanizing repeatedly vicious dogs.

RESOLUTION

Rep. Scanlan offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, Senate Bills numbered 11 through 15, 17 through 21, 23, 25, 26, 27, 28, 33, 37, 40, 41, 42, 44, 46, 47, 49, 50, 54, 55, 56, 57, 58, 59, 61, 63, 66, 68, 72, 73, 74, 75, 78, 84, 85, 89, 92, 93, 98, 99, 100, 103, 107, 108, 115, 120, 121, 123, 130, 136, 141, 144, 156, 157, 169, and Senate Concurrent Resolution 2 shall be by this resolution read a first and second time by the therein listed titles, and referred to the therein designated committees.

Adopted.

INTRODUCTION OF SENATE BILLS

First, second reading and referral

SB 11, extending the reporting date of the committee to study and identify or establish the duties of the fish and game commission. (Fish and Game)

SB 12, relative to applications for the cooperative fencing program and the depredation permit program in the fish and game department. (Fish and Game)

SB 13, relative to the duties of a school nurse and relative to school food and nutrition programs. (Education)

SB 14, relative to the definition of "school" for the purpose of the universal service fund for schools and libraries. (Education)

SB 15, extending the reporting date for the commission on the status of community-technical education. (Education)

SB 17-FN, relative to accidental disability retirement benefits upon the death of a retired group II member. (Executive Departments and Administration)

SB 18, relative to termination of small trusts. (Judiciary)

SB 19, establishing a committee to study prevention of voter fraud. (Election Law)

SB 20, relative to possessory actions instituted on the basis of nonpayment of rent. (Judiciary)

SB 21, establishing a commission to develop recommendations for legislation to reduce regulatory barriers to the creation of affordable housing. (Commerce)

SB 23-L, relative to the amount of interest on late paid property taxes which may be waived by the tax collector. (Municipal and County Government)

SB 25, relative to preliminary breath tests. (Criminal Justice and Public Safety)

SB 26, relative to probate court procedures regarding adoptions. (Children and Family Law)

SB 27, allowing the state to apply for review of a state prison sentence by the superior court's review division. (Criminal Justice and Public Safety)

SB 28, permitting disclosure of final decisions of the commissioner of revenue administration. (Ways and Means)

SB 33, relative to the definition of "campsite." (Resources, Recreation and Development)

SB 37, extending the reporting date for the committee studying prescription drug access. (Health, Human Services and Elderly Affairs)

SB 40, changing the method by which the insurance department assesses insurers to fund its administration fund. (Commerce)

SB 41, relative to technical corrections for life, accident and health insurance. (Commerce)

SB 42, relative to charges for access to medical records. (Health, Human Services and Elderly Affairs)

SB 44, relative to false academic documentation. (Criminal Justice and Public Safety)

SB 46, relative to payments of scheduled awards under the workers' compensation law. (Labor, Industrial and Rehabilitative Services)

SB 47, relative to ownership of certified public accounting firms. (Commerce)

- SB 49**, establishing a committee to study the creation of a landlord-tenant mediation project. (Judiciary)
- SB 50**, relative to the abatement of taxes in unincorporated towns or unorganized places. (Municipal and County Government)
- SB 54**, relative to the transfer of funds in the community-technical college system. (Finance)
- SB 55**, creating a commission to study the need for and location of architecturally secure facilities and community shelter care facilities to service juveniles. (Children and Family Law)
- SB 56**, relative to health care providers discontinuing service in New Hampshire. (Commerce)
- SB 57**, relative to the economic development matching grants program. (Commerce)
- SB 58**, revising the requirements for a license as a bingo supplies or lucky 7 tickets distributor. (Ways and Means)
- SB 59**, relative to the inclusion of a signature declaration and verification statement on teacher certification applications. (Education)
- SB 61**, establishing a procedure for summary administration of estates. (Judiciary)
- SB 63**, relative to administration of estates and filing of wills by executors. (Judiciary)
- SB 66-FN-A**, relative to appropriations to the port authority for dredging projects. (Public Works and Highways)
- SB 68**, relative to school district placements of children living in foster homes. (Education)
- SB 72-FN**, relative to payment of medical benefits costs for group II members of the retirement system. (Executive Departments and Administration)
- SB 73-FN**, relative to benefits awarded a surviving spouse of a police officer or firefighter killed in the line of duty. (Executive Departments and Administration)
- SB 74**, relative to providing services under the Child Protection Act. (Children and Family Law)
- SB 75**, relative to physicians who make a report when a person is unfit to drive a motor vehicle. (Judiciary)
- SB 78-FN-L**, relative to the distribution of special education records to certain educationally disabled pupils. (Education)
- SB 84**, relative to funeral processions. (Transportation)
- SB 85**, relative to collateralization of municipal trust funds. (Municipal and County Government)
- SB 89**, establishing a committee to study methods of strengthening and clarifying the comprehensive shoreland protection act and its application. (Resources, Recreation and Development)
- SB 92**, relative to the distribution of special education funds. (Education)
- SB 93**, establishing a committee to study the public health and environmental benefit of requiring stationary and mobile sources that burn virgin petroleum products or coal to comply with the requirements of the air toxic control act. (Science, Technology and Energy)
- SB 98**, relative to notice requirements prior to the sale of manufactured housing parks. (Commerce)
- SB 99**, relative to the exemption from the community benefits law for charitable trusts. (Commerce)
- SB 100**, establishing a committee to study the feasibility of creating a mental health court division. (Judiciary)
- SB 103**, changing the qualification requirements for charitable organizations that conduct bingo or lucky 7. (Commerce)
- SB 107-FN**, relative to violations of motor vehicle laws by foreign diplomatic and consular officers. (Transportation)
- SB 108**, relative to the definition of "funeral home." (Commerce)
- SB 115-FN**, granting a cost of living adjustment to certain retired group II firefighters. (Executive Departments and Administration)
- SB 120**, relative to tip pooling for certain hourly employees. (Labor, Industrial and Rehabilitative Services)
- SB 121**, relative to the advisory committee on international trade. (Commerce)
- SB 123**, establishing a committee to study how information regarding private individuals is obtained, maintained, and employed by the division of children, youth and families. (Children and Family Law)
- SB 130-FN**, extending the period in which an expired electrician's license may be renewed. (Executive Departments and Administration)
- SB 136**, establishing a committee to study the use of multi-disciplinary team investigations of child abuse and neglect allegations. (Children and Family Law)

SB 141, relative to proof of qualifications for voter registration. (Election Law)

SB 144-L, increasing bail commissioners' fees. (Judiciary)

SB 156, relative to the suspension of drivers licenses of persons under 20 years of age. (Transportation)

SB 157, relative to state government information dissemination and access. (Executive Departments and Administration)

SB 169-FN, relative to the procedure for appeal of a timber yield tax assessment and relative to the notice of intent to cut. (Municipal and County Government)

SCR 2, calling on the President and the Congress to fully fund the federal government's share of the average per pupil expenditure in public elementary and secondary schools in the United States under the Individuals with Disabilities Education Act. (State-Federal Relations and Veterans Affairs)

RECESS

(Speaker Chandler in the Chair)

Rep. Scanlan moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 11

Thursday, April 5, 2001

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Her Excellency, Governor Jeanne Shaheen, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

Almighty God, we commend to Your gracious care and keeping all the men and women of our armed forces at home and abroad, especially remembering today those being held in China. Defend them day by day with Your heavenly grace; strengthen them in their trials and temptations. Give them courage to face the perils which beset them and grant them a sense of Your abiding presence wherever they may be. Amen.

Rep. Seldin led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. Boldin, Brennan, Clemons, Paul Ferland, Fields, Lyman, Mikowski, Patria, Schulze and Carol Ann Williams, the day, illness.

Reps. Brown, Martha Fuller Clark, Crosby, DePecol, Greco, Lessard, Mears, Torressen and Wallner, the day, important business

Rep. Musler, the day, illness in the family.

INTRODUCTION OF GUESTS

Helen Holbrook, wife of Rep. Holbrook. Diane and Marrisah Gallien, daughter and granddaughter of Rep. Letourneau. Erika Johnson, wife of Rep. William Johnson. Former Representative Gladys Cox and Linda Orosky, mother and guest of Rep. Gargasz

Cheryl Fish, guest of Rep. Phinizy. Lynda Hunt, wife of Rep. Hunt. Malissa Young, Rebecca Mann and the 4th grade class from Bow Elementary School, guests of Reps. Anderson and Whalley.

SPECIAL GUESTS

Rep. Avery introduced The Right Honorable Lord and Lady Provost of Glasgow, Scotland, Alex and Maureen Mosson; Clerk of the Lieutenancy, Ian Easton; Her Majesty's Deputy Consul General for New England, Hon. Geoff Plant; Senior Council Officer, Gary Campbell;

Principal Advisor International Trade, Harry Baxter; Glasgow City Council US Representative, Bob Creighton; Pipe Major Gordon Webster; National Junior Scottish Fiddle Champion, Brendan Carey Block and the New Hampshire Highland Dancers who performed for the House in honor of New Hampshire Tartan Day.

MOTION TO PRINT REMARKS

Rep. Rosen moved that the remarks made by Rep. Avery and Lord Provost Alec Mosson be printed in the Journal.

Adopted.

REMARKS

Rep. Avery: Thank you, Mr. Speaker. Today, my fellow Representatives, as we have done for the past four years, we are celebrating New Hampshire Tartan Day. It is the day we recognize those achievements that Scots and Scottish Americans have made on behalf of the State of New Hampshire and the United States. The day, as I have mentioned before, that marks the anniversary of the Declaration of Arbroath, the document that was signed on April 6 in the year 1320, declaring Scottish independence, and a document many credit as being a model for our own United States Declaration of Independence. It is also the second anniversary of the new Scottish Parliament that was dormant for over 250 years.

Mr. Speaker, the most important phrase of that historical document is especially important today, "It is in truth, not for glory nor riches nor honors that we are fighting, but for freedom. For that alone which no honest man gives up but with life itself." Today we take special note of the men

and women of the American armed forces, especially the 24 men and women who are being held in China, and other forces of all nationalities who are today fighting for these same principles of freedom for all people. They have our prayers and best wishes and our fervent hopes that someday all peoples on this earth shall be free.

Mr. Speaker, on behalf of the St. Andrew's Society of New Hampshire and the over 50,000 people of New Hampshire who claim some Scottish ancestry, it is my pleasure to introduce Pipe Major Gordon Webster, formerly Pipe Major of the Scots Guards and piper to Her Majesty Queen Elizabeth; Highland Dancers and National Junior Scottish Fiddler, Brendan Carey Block who are students and teachers from the New Hampshire School of Scottish Arts.

Lord Provost Mosson: Thank you very much. I'm absolutely delighted and overwhelmed to be here with you today to celebrate Tartan Day. I bring you the best wishes from the people of Glasgow to the people of New Hampshire. Thank you for having us here on this wonderful day. God bless. Pipe Major Gordon Webster played "Flowers of the Forest" and "Amazing Grace" in remembrance of Reps. Frank M. Schanda and Bernard J. Lambert.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Scanlan moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 529, relative to advertisements for sweepstakes and gambling, removed by Rep. Splaine.

HB 642-FN-L, abolishing county departments of corrections and authorizing the department of corrections to contract with the counties to utilize former county correctional facilities as state facilities, removed by Rep. Burling.

HB 411, requiring that New Hampshire's presidential electors be bound to vote for the candidates of the party which nominated the electors, removed by Rep. Arndt.

HB 339, prohibiting the taking of deer by baiting, removed by Rep. Mock.

CACR 10, relating to term of office for judges and judicial retirement age. Providing that all judges appointed on or after January 1, 2003 shall serve a 5-year term which may be renewed by vote of the governor and council, and that the mandatory judicial retirement age shall be repealed, removed by Rep. Kennedy.

HB 429, relative to dispute resolution within the context of public employee labor relations, removed by Rep. Pepino.

Consent Calendar adopted.

HB 155, relative to the initial appearance in CHINS cases. **INEXPEDIENT TO LEGISLATE**

Rep. Thomas I Arnold, Jr. for Children and Family Law: The committee believes this portion of the CHINS (Children In Need of Services) procedure should be reviewed during the broader study of CHINS under House Bill 144. Vote 14-0.

HB 269, requiring parental consent for tongue piercing. **INEXPEDIENT TO LEGISLATE**

Rep. Carolyn M. Gargas for Children and Family Law: This bill requiring parental consent for tongue piercing is unnecessary because the Health, Human Services and Elderly Affairs Committee is recommending a study committee on tongue piercing, body piercing and tattooing that will deal with this issue. Vote 16-0.

HB 446, relative to spousal and child support enforcement. **OUGHT TO PASS WITH AMENDMENT**

Rep. David A. Bickford for Children and Family Law: This bill makes technical corrections to three child support statutes. #1. The Department can begin to make child support payable through the Department when a restraining order exists in a domestic action. #2. The application for services from the Department to collect on behalf of the obligee made reference to the wrong statute in 1996. This corrects that. #3. The Divorce in Another Jurisdiction statute "adopts" the Uniform Interstate Family Support Act (UIFSA), effective in New Hampshire since 1/1/98, which governs the Court's jurisdiction to establish, enforce and modify out-of-state support orders. Vote 14-0.

Amendment (0405h)

Amend the bill by replacing section 3 with the following:

3 Divorce in Another Jurisdiction. Amend RSA 458:19-a to read as follows:

458:19-a Divorce in Another Jurisdiction. The superior court shall have a jurisdiction to make such orders or temporary orders of alimony to a divorced wife or divorced husband, or of support to the children of divorced parents as justice shall require in cases where the decree of divorce was not granted in this jurisdiction, even though said divorce decree makes provision for alimony and support, ~~[provided the wife and the children or the husband and children are domiciled in this jurisdiction and the husband or wife, as the case may be, is served with process in this jurisdiction]~~ *subject to the provisions of RSA 546-B.*

HB 501, relative to licensure of foster homes and the duties of the department of health and human services advisory board. **OUGHT TO PASS WITH AMENDMENT**

Rep. Daniel C. Itse for Children and Family Law: This bill resolves two conflicts in our child protective services laws. It deletes a reference in RSA 169-B:19 to a foster home license that does not exist. It also eliminates the potential conflict of interest when an individual who sits on a board setting compensation rates for foster care would also sit on the rate appeals board. Vote 16-0.

Amendment (0275h)

Amend the bill by deleting section 4 and renumbering the original section 5 to read as 4.

AMENDED ANALYSIS

This bill removes language suggesting that foster homes are licensed specifically for either delinquent children or for children in need of services.

The bill eliminates the requirement that the department of health and human services consult with its advisory board in setting rates for services, placements, and programs paid for by the department.

This bill is a request of the department of health and human services.

HB 620, relative to arrangements between birth parents and adoptive parents. **OUGHT TO PASS**

Rep. Christine M. Furman for Children and Family Law: This bill encourages but does not mandate adoptive and birth parents to exchange information. Vote 16-0.

HB 147-FN-A, requiring annual registration by condominium unit owners' associations. **INEXPEDIENT TO LEGISLATE**

Rep. Tara G. Reardon for Commerce: The subcommittee met four times to receive information from the industry, the attorney general's office and the secretary of state's office, to determine the need for registration of condominium associations. The subcommittee heard testimony that the attorney general's office has no further contact with a condominium development after its completion. Although the secretary of state's office has experience with other registrations and renewals, they had many issues with how to implement this registration. The industry did not respond to those concerns and the subcommittee did not hear from any public members that the registration was needed. Vote 14-0.

HB 257, relative to disclosure of injuries, medical information, and insurance coverage in claims for bodily injury. **INEXPEDIENT TO LEGISLATE**

Rep. Leo W. Fraser, Jr. for Commerce: Since 1969 we have had in our law language that enables a judge, if it would help to settle a matter, to require an insurance company to disclose the amount of insurance that a driver may have had when he or she was involved in a motor vehicle accident. HB 257 if adopted would make it easier for the claimant or his attorney to obtain such coverage information. The bill was patterned after the Massachusetts law and the committee felt it has no place in New Hampshire. A major issue being debated across the United States is privacy. HB 257 flies in the face of anything we in New Hampshire are doing to accomplish a balance between the protection of the privacy of an individual versus a need to know. In HB 257, an injured party, could upon demand, require the listing of the names of the medical providers, as well as require the insurer's company to disclose the limits that the policyholder had at the time of the accident. Vote 14-0.

HB 497, prohibiting banks from charging customers fees for accessing funds from their own accounts. **INEXPEDIENT TO LEGISLATE**

Rep. Jane S. Langley for Commerce: Broadly interpreted, the bill would prohibit banks from assessing charges or fees for checking account services, ATM services, Travelers' checks, and other banking services provided to customers. According to the sponsor, the bill was intended to address fees charged for debit transactions versus credit transactions. The committee has dealt with bank

fee bills in the past and has supported legislation requiring full disclosure of service charges and fees especially in connection with ATM credit and debit cards. The committee agreed that consumers have several choices in accessing their funds, and believe that the user of a service should incur the cost rather than having the cost spread amongst all other customers. Vote 14-0.

HB 528, relative to rental vehicle insurance disclosure. **INEXPEDIENT TO LEGISLATE**

Rep. Joseph D. Kenney for Commerce: This bill would require a notice at motor vehicle rental counters that consumers may have auto coverage for the rental vehicle under their own individual auto policy. Although the committee believes this is valuable information for the consumer, standing at the rental counter is too late for the consumer to determine whether or not they already have sufficient coverage. Additionally, the notice may cause a consumer to decline coverage and leave them without any coverage. This information should be provided by the insurance agent at the time a consumer purchases their individual auto policy. Vote 14-0.

HB 593, requiring that bingo and lucky 7 distributors only distribute bingo and lucky 7 supplies to recipients licensed to conduct bingo games or lucky 7. **INEXPEDIENT TO LEGISLATE**

Rep. Stephen G. Avery for Commerce: The sponsor never showed up for this bill. No one could figure out a need for this legislation, and the present system seems to be working well. Vote 14-0.

HB 605-FN, prohibiting televised advertisements of lottery games and prohibiting self-serve lottery game vending machines. **INEXPEDIENT TO LEGISLATE**

Rep. Stephen G. Avery for Commerce: This legislation would have effectively put the lottery out of business. There were some concerns over publicizing the odds on lottery games and the commission has agreed to run a trailer on their TV ads directing customers to their web site where all of the odds are posted. There was also some concern about minors purchasing lottery tickets from vending machines so the commission is sending out bulletins for stricter enforcement. Vote 13-1.

HB 697, extending the reporting date for the healthy kids subcommittee and clarifying the mission statement of the healthy kids corporation. **OUGHT TO PASS**

Rep. Stephen G. Avery for Commerce: This bill has two parts. First, it updates the mission of Healthy Kids by removing language about pilot projects now that the program is statewide. The bill also continues the task force created to pursue methods to help every New Hampshire citizen in acquiring affordable health insurance. Vote 14-0.

HB 363, relative to buildings damaged or destroyed by arson. **INEXPEDIENT TO LEGISLATE**

Rep. Maxwell D. Sargent for Criminal Justice and Public Safety: The purpose of this bill was to ensure that the owner of a property would not have his or her property held as evidence for an indefinite period, thus preventing restoration or rebuilding of the home or business. However, RSA 595-A:6 already controls the release of evidence of all kinds, including buildings. The committee was not convinced that there were sufficient problems experienced to warrant mandating a 6-month time period for release. Vote 14-0.

HB 521, relative to an exception for hunter safety instruction to negligent storage of firearms. **INEXPEDIENT TO LEGISLATE**

Rep. Stanley E. Stevens for Criminal Justice and Public Safety: This bill seeks to provide an exemption from RSA 650-C:1 for instructors in a certified hunter safety training course. RSA 650-C:1, III requires that "any person who stores or leaves on premises under that person's control a loaded firearm, and who knows or reasonably should know that a child is likely to gain access to the firearm without the permission of the child's parent or guardian, is guilty of a violation if a child gains access to a firearm and (a) the firearm is used in a reckless or threatening manner; (b) the firearm is used during the commission of any misdemeanor or felony; or (c) the firearm is negligently or recklessly discharged. Any person who violates section III shall be fined not more than \$1,000." Hunter safety courses do not utilize a loaded firearm and parental permission is required to participate in the course. The committee felt that since the requirements of RSA 650-C:1 include a loaded firearm w/o parental permission to constitute a violation of RSA 650-C:1 and neither apply to hunter safety training courses as well as a requirement that any one of the listed actions (a, b, or c) must occur that the negligent storage of firearms statute (RSA 650-C:1) does not apply in this instance and the bill is not needed. Vote 15-0.

HB 623, relative to the registration of criminal offenders. **INEXPEDIENT TO LEGISLATE**
 Rep. Maxwell D. Sargent for Criminal Justice and Public Safety: The bill reduces from 10 days to 7 days the time period under the sexual offender registration law for an offender to notify a local law enforcement agency of an address change and provides that upon release from incarceration, a criminal offender shall not reside within 1000 feet of a school, day care center, park, playground, or other site where children gather on a regular basis. The committee felt that, although well intentioned, the elements in this bill would not further public safety. While a sex offender is on parole, the restrictions placed on him or her is even more stringent than those in this bill. Every convicted sex offender in New Hampshire already must register under current law. Further statistics show that nearly all pedophiles offend relatives or someone known to him or her. Proximity to schools or playgrounds has not figured statistically into re-offense rates. A law like this, also, as a victim's advocate testified, might even engender a false sense of security in the public. It is better that the public be educated to the real facts and danger signs of sexual assault. Vote 15-0.

HB 131, relative to the retention and disposal of certain financial disclosure forms. **OUGHT TO PASS WITH AMENDMENT**

Rep. Peter E. Bragdon for Election Law: This bill would establish timelines for the secretary of state to retain and dispose of certain financial disclosure forms. The committee heard testimony that the statutes of limitations concerning these forms varied from 3 to 6 years. The amendment sets the retention time at 6 years for all forms, rather than the varying times in the original bill in order to ease compliance. The amendment also eliminates the requirement that one form, the statement of gifts, testimonials and honorariums, be kept in electronic form for an additional 20 years, due to the committee's belief that the whole issue of electronic document storage and retrieval needs more research. Vote 17-0.

Amendment (0416h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Lobbyists; Statements; Retention of Statement of Fees and Expenditures. Amend RSA 15:3 by inserting after paragraph IV the following new paragraph:

V. The secretary of state shall maintain the statements required by this section for 6 years from the date of filing, after which time the statements may be destroyed.

2 Financial Disclosure; Form of Disclosure; Retention of Declaration of Candidacy Form. Amend RSA 15-A:3 to read as follows:

15-A:3 Form of Disclosure. The secretary of state shall determine the forms required under this chapter, which shall appear as part of the acceptance of nomination form and the declaration of candidacy form. The forms shall include the definitions which appear in RSA 15-A:1, and adequate space to provide the required information. *The secretary of state shall maintain the declaration of candidacy form for 6 years from the date of filing, after which time it may be destroyed.*

3 Gifts, Testimonials, and Honorariums; Forms; Place of Filing; Retention of Statement of Gifts, Testimonials, and Honorariums. Amend RSA 15-B:4 to read as follows:

15-B:4 Forms; Place of Filing. The secretary of state shall furnish all forms required under this chapter. All persons filing a statement under this chapter shall file with the secretary of state. *The statements shall be held in the original form for 6 years from the date of filing, after which time they may be destroyed.*

4 New Paragraph; Organization of Executive Branch; Statements of Financial Interest for Board and Commission Members; Retention of Statement of Financial Interest. Amend RSA 21-G:5-a by inserting after paragraph IV the following new paragraph:

V. The secretary of state shall maintain the statement of financial interests for 6 years, after which time the statement may be destroyed.

5 Effective Date. This act shall take effect 60 days after its passage.

HB 226, relative to instructions to voters for straight-ticket voting. **OUGHT TO PASS WITH AMENDMENT**

Rep. Lynn C. Horton for Election Law: This bill, as amended, clarifies the language explaining the straight-ticket directions on the ballot. Vote 19-0.

Amendment (0475h)

Amend RSA 659:17, III as inserted by section I of the bill by replacing it with the following:

III. In a state general election, the following instructions to voters for straight ticket voting shall be printed on the ballot: Make the appropriate mark for the political party of your choice if you wish to vote for all candidates running in that party. If you vote a straight ticket *for a party*, but wish to vote for ~~[one or more individual candidates]~~ *a candidate of a different party or write in a candidate for any office*, you may do so *by making the appropriate mark for such candidate or writing the name of the person in the space provided for that purpose*, and your vote ~~[for an individual candidate with]~~ *so appropriately marked or so written on the lines for write-in votes shall be counted and shall* override the straight ticket party vote for that office. However, if you ~~[vote]~~ *mark your ballot for one candidate for an office or write a person in* for an office where more than one candidate is to be elected, be sure to vote individually for all candidates of your choice for that office, because your straight ticket *party* vote will not be counted for that office.

HB 234, relative to the jurisdiction of the ballot law commission. **INEXPEDIENT TO LEGISLATE**
Rep. Natalie S. Flanagan for Election Law: This bill would have limited the jurisdiction of the ballot law commission to appeals from recounts. It was the feeling of the committee that the ballot law commission should continue with their current duties and that the responsibility in the office of the secretary of state should not increase. The ballot law commission is critical to the election process and the appeal process is working. Vote 19-0.

HB 368, relative to the time for processing absentee ballots. **INEXPEDIENT TO LEGISLATE**
Rep. Peter E. Bragdon for Election Law: This bill would change the earliest time at which absentee ballots can be processed from the current 1:00p.m. to 10:00a.m. There was testimony indicating this would give more time to process ballots. However, the committee felt that this change would adversely affect the right of citizens to challenge absentee ballots, since they usually can no longer be challenged once processed. Also, polls in some locations do not open until 11:00am. Vote 19-0.

HB 376, allowing county commissioners serving 4-year terms to vote at state party conventions. **OUGHT TO PASS WITH AMENDMENT**

Rep. Douglass P. Teschner for Election Law: This narrow bill makes incumbent county commissioners serving 4-year terms eligible to vote at state party conventions. Vote 19-0.

Amendment (0427h)

Amend the bill by replacing all after the enacting clause with the following:

1 State Party Conventions; Date, Call and Purposes; County Commissioners Serving 4-Year Terms. Amend RSA 667:21, I to read as follows:

I. Not earlier than the third Tuesday of September following any primary, and not later than the last Tuesday of October, upon the call of the chairman of the state committee of the party, the nominees of each party for the offices of governor, United States senator, United States representative, executive councilors, state senators, county officers, representatives, state delegates elected, the incumbent United States senator or senators *and the incumbent county commissioners serving 4-year terms, if any*, whose term or terms shall not expire during the January following that year's general election, shall meet in state convention for the purpose of adopting the platform of their party, nominating presidential electors and effecting an organization for the following 2 years. The names and domiciles of the presidential electors nominated by such convention shall be forthwith certified to the secretary of state by the chairman and the clerk of the convention. Upon receipt of the foregoing certifications, the secretary of state shall publish in some paper of general circulation the names of the persons found by him to have been chosen as candidates for presidential electors by the several parties.

2 State Party Conventions; Party Organization; County Commissioners Serving 4-Year Terms. Amend RSA 667:22 to read as follows:

667:22 Party Organization. The nominees from a party, state delegates of each county, the incumbent United States senator or senators *and the incumbent county commissioners serving 4-year terms, if any*, if they have met the requirements of RSA 667:21, shall determine the membership of a county committee for their party either in said state convention or in county convention upon call of the chairman of the state committee. The county committee shall consist of such number of persons as the nominees from a party, the state delegates of each county, the incumbent United States

senator or senators *and the incumbent county commissioners serving 4-year terms, if any*, if they have met the requirements of RSA 667:21, shall determine to apportion to each county. The members of several committees thus chosen shall constitute the state committee of the party. Resignations from the state committee shall be received by the state committee and the state committee shall set a place and time and manner for filling such vacancies. A state committee may choose as its officers persons not members of the committee and such officers shall be ex officio members of the committee. The party members in each town, ward or city may effect such an organization as they may deem expedient for advancing the purposes of their party.

3 Effective Date. This act shall take effect 60 days after its passage.

HB 484, relative to disclosure of presidential election results. **INEXPEDIENT TO LEGISLATE**
Rep. Michael S. Rollo for Election Law: This bill prohibits the announcement by the secretary of state of persons elected as electors for president and vice president until after the polls close on the West Coast. Unfortunately, the bill did not take into account varying times of closures in California, as well as Hawaii and Alaska. Vote 18-0.

HB 531, establishing a committee to study ballot reform. **INEXPEDIENT TO LEGISLATE**
Rep. Jackie K. Weatherspoon for Election Law: The sponsor advocates a system called "instant runoff voting". Under this system, voters mark, for example, their 1st and 2nd choices among 3 candidates and if one of the three candidates fails to get a majority (50% plus one), the low vote getter is dropped and the ballots recounted with those voters who preferred the low vote getter having their second choice counted. This voting system is currently used in other parts of the world i.e., England, Ireland and Australia but not the U.S. The committee feels we have enough difficulties getting voters to understand our much simpler system. Vote 17-0.

HB 575, relative to absentee voter affidavits. **INEXPEDIENT TO LEGISLATE**
Rep. Jackie K. Weatherspoon for Election Law: This bill amends the affidavit that a voter must execute to obtain an absentee ballot because of absence to require certification that the person may be absent and unable to vote. Currently a person requesting an absentee ballot must certify that he or she "shall" be absent on election day or unable to vote in person. This bill would change "shall" to "may". While the committee is sympathetic to the concerns raised by the sponsor, it is concerned that this bill could create de facto "vote by mail". Oregon is the only state that has adopted this and the committee feels that such a decision is premature. Vote 17-0.

HB 597, relative to the duties of inspectors of elections. **INEXPEDIENT TO LEGISLATE**
Rep. Peter E. Bragdon for Election Law: This bill would authorize inspectors of elections to request that the Superior Court halt an election if election law procedures are violated and the moderator does not correct the matter or acts in a manner in violation of election laws. The committee believes that there are too many logistical problems to make this idea practical and also that remedies currently exist through the secretary of state and the ballot law commission. Vote 17-0.

HB 639, relative to the preparation of town ballots and relative to the nomination of presidential electors. **OUGHT TO PASS WITH AMENDMENT**
Rep. Richard B. Drisko for Election Law: The bill as originally submitted would eliminate from RSA 667:21 the requirement for the secretary of state to publish in a "newspaper of general circulation," the names of those candidates for presidential electors. The amendment retains the requirement and leaves RSA 667:21 intact as originally written. The bill adds language clarifying the number of candidates to be voted upon for an office. For example, current language is "vote for two" or "vote for one", etc. This bill inserts a maximum number i.e. vote for not more than a given number for an office as in "vote for not more than two." Vote 17-1.

Amendment (0461h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the preparation of town ballots.

Amend the bill by deleting section 1 and renumbering the original sections 2-3 to read as 1-2, respectively.

AMENDED ANALYSIS

This bill amends certain instructions to be printed on town ballots consistently with instructions required to be printed on state ballots.

HB 664, relative to disqualification for violating election laws. **INEXPEDIENT TO LEGISLATE**
Rep. Jackie K. Weatherspoon for Election Law: While it agreed with the intent to strengthen the election laws, the committee felt that this legislation would create more problems than it would solve. HB 664 would permanently disqualify from voting any person who willfully violated the election laws. The committee felt that additional education and training would be preferable to severe punishment for minor violations. Vote 17-0.

CACR 11, relating to mandatory retirement age for sheriffs. Providing that the mandatory retirement age for sheriffs shall be abolished. **INEXPEDIENT TO LEGISLATE**
Rep. Donald R. Lent for Executive Departments and Administration: This bill would amend Part II, Article 78 of the constitution to allow county sheriffs to serve beyond the age of 70. The constitution also includes the same age 70 limitation for judges. The committee does not believe there is sufficient justification for the proposed amendment. Vote 14-0.

HB 302-FN, relative to an optional retirement allowance for certain spouses upon a retiree's remarriage. **OUGHT TO PASS WITH AMENDMENT**
Rep. William R. Zolla for Executive Departments and Administration: This bill allows for a retired member who has remarried due to the death of a former spouse to elect to nominate the member's new spouse as a beneficiary for an optional allowance. There will be no additional cost to the New Hampshire retirement system because the newly elected option allowance shall be determined on an actuarial equivalent basis. The amendment simply clarifies some language in affected sections of the bill and introduces gender neutral language. Vote 14-0.

Amendment (0072h)

Amend the bill by replacing section 2 with the following:

2 Optional Allowances; References Added. Amend RSA 100-A:13, III to read as follows:

III. The options, each of which shall be of equivalent actuarial value to the allowance payable in the absence of election of an option, are:

Option 1. A reduced retirement allowance payable during the retired member's life, with the provision that at ~~[his]~~ *the member's* death a lump sum equal in amount to the difference between ~~[his]~~ *the* accumulated contributions at the time of ~~[his]~~ retirement and the sum of the member annuity payments made to ~~[him]~~ *the member* during ~~[his]~~ lifetime shall be paid to the beneficiaries or contingent beneficiaries, if any, nominated ~~[by him]~~ by written designation duly acknowledged and filed with the board of trustees if such beneficiaries or contingent beneficiaries survive ~~[him]~~ *the member*, otherwise to the retired member's estate.

Option 2. A reduced retirement allowance payable during the retired member's life, with the provision that it shall continue after ~~[his]~~ *the member's* death for the life of, and to, the beneficiary nominated ~~[by him]~~ by written designation duly acknowledged and filed with the board of trustees at the time of retirement, *or as provided in subparagraph II(a)(2).*

Option 3. A reduced retirement allowance payable during the retired member's life, with the provision that it shall continue after ~~[his]~~ death at 1/2 the rate paid to ~~[him]~~ *the member* and be paid for the life of, and to, the beneficiary nominated ~~[by him]~~ by written designation duly acknowledged and filed with the board of trustees at the time of retirement, *or as provided in subparagraph II(a)(2).*

Option 4. A reduced retirement allowance payable during the retired member's life, with some other benefit payable after ~~[his]~~ death, provided that such other benefit shall be approved by the board of trustees, *or a reduced retirement allowance payable during the retired member's life, with some other benefit payable after death, pursuant to the provisions of subparagraph II(a)(2).*

HB 337-FN, relative to the administration of the public utilities commission and establishing the position of executive director of the public utilities commission. **OUGHT TO PASS**
Rep. Merton S. Dyer for Executive Departments and Administration: The Executive Department and Administration Committee is a second committee on this bill relative to the public utilities commission. The committee has reviewed the new position of executive director and upgrade of the general counsel to group Q of the unclassified system. The committee felt these positions to be at the proper level based on the duties and responsibilities. Vote 14-0.

HB 458-FN-L, establishing a defined contribution retirement option in the New Hampshire retirement system. **INEXPEDIENT TO LEGISLATE**

Rep. Merton S. Dyer for Executive Departments and Administration: This bill would establish a defined contribution retirement option within the New Hampshire retirement system. The committee felt that the presence of two types of plans, defined benefit and defined contribution plan, available to present and future members of the retirement system would weaken both plans. All testimony was in opposition to the proposal. Vote 14-0.

HB 493, relative to exemptions from the New Hampshire real estate practice act and relative to the definition of a short term rental. **OUGHT TO PASS WITH AMENDMENT**

Rep. David G. Poulin for Executive Departments and Administration: This bill, as amended, adds unit owner associations to the exempted classes of the real estate practice act when performing certain rental services. The rental shall be for less than 30 days and the rental service shall be provided by an on-site rental office that is operated and controlled by the unit owners' association. Vote 13-0.

Amendment (0264h)

Amend the title of the bill by replacing it with the following:

AN ACT exempting certain short term condominium unit owners' association rentals from the New Hampshire real estate practice act.

Amend the bill by replacing all after the enacting clause with the following:

1 Real Estate Practice Act; Exemption of Certain Short Term Rentals by Condominium Unit Owners' Associations. Amend RSA 331-A:4, VII - VIII to read as follows:

VII. Any person owning or operating a park, including the person's regular employees, in which manufactured housing to be sold or leased is located, who may, for a fee or commission or other valuable consideration, list, sell, purchase, exchange or lease such manufactured housing without a license of a broker or salesperson; [or]

VIII. A corporate consultant who receives a fee from a client based on site searching services rendered in accordance with a written contract, rather than on the completion of any particular transaction and who does not hold himself or herself out as a real estate broker; *or*

IX. A unit owners' association that rents condominium and townhouse units for periods of 30 days or less for the exclusive benefit of the unit owners and the unit owners' association provided such rentals are managed through an on-site rental office that is operated and controlled exclusively by the unit owners' association.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill exempts a unit owners' association that rents condominium and townhouse units for 30 days or less from the real estate practice act, if the rentals are for the exclusive benefit of the unit owners and if they are managed through an on-site rental office operated by the unit owners' association.

HB 523, establishing a commission to investigate the possibility of setting up a division of hearings within the department of justice. **OUGHT TO PASS WITH AMENDMENT**

Rep. William R. Zolla for Executive Departments and Administration: The amendment, which replaces the bill, addresses filing fees and legislative approval of certain settlements by the attorney generals office. It also increases the fees for reports submitted by the trustees of charitable trusts from \$50.00 to \$75.00 for each submission. The bill now also requires legislative approval of any settlement of a claim in which the state through it's attorneys agrees to a commitment with financial consequences in excess of ¼ of one percent of more of total reported general fund unrestricted revenues from the previous fiscal year as reported by the legislative budget assistant. Vote 12-1.

Amendment (0563h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to filing fees and legislative approval of certain settlements by the attorney generals.

Amend the bill by replacing all after the enacting clause with the following:

1 Director of Charitable Trusts; Increase in Filing Fees for Reports by Trustees of Charitable Trusts. Amend RSA 7:28-a, II to read as follows:

II. Any periodic written report required by RSA 7:28, II to be filed with the attorney general shall be accompanied by a filing fee of [~~\$50~~] \$75.

2 Legislative Approval of Court Claims Against the State; Clarification of Reference to General Fund Unrestricted Revenues. Amend RSA 14:35-b, I to read as follows:

I. Any settlement of a claim against the state in which the state through its attorneys agrees to a commitment with financial consequences in excess of 1/4 of one percent or more of total reported general fund *unrestricted* revenues for the previous fiscal year as reported by the legislative budget assistant pursuant to paragraph II shall be subject to the approval of the legislature.

3 Effective Date. This act shall take effect July 1, 2001.

AMENDED ANALYSIS

This bill:

I. Increases the filing fees for reports by trustees of charitable trusts.

II. Clarifies that legislative approval is required to settle a claim against the state that exceeds a percentage of the total reported general fund unrestricted revenues for the previous fiscal year. Referred to Ways and Means.

HB 554-FN, establishing a division of information technology within the department of safety. **OUGHT TO PASS WITH AMENDMENT**

Rep. William R. Zolla for Executive Departments and Administration: This bill establishes within the department of safety a division of information technology. The committee felt that the amount of data being collected by this department required this formal status to interact within the department and with other agencies. Testimony insured that gender and age for statistical purposes could be separated within the data being collected. The amendment to this bill specifies clearly that the general court intends, where appropriate, that information within the department of safety would be accessible to other departments, including motor vehicle records by specific request and that the department of safety should be able to access other departments' information databases. Vote 13-0.

Amendment (0538h)

Amend the bill by replacing section 1 with the following:

1 Purpose. The New Hampshire department of safety is a large agency operating under the direction of a commissioner, assistant commissioner, and directors of the various divisions. The various divisions provide emergency service and training of emergency personnel and administrative functions in the division of motor vehicles to the residents and visitors to New Hampshire. The information needs of the department are complex and vary greatly between the divisions. All divisions need their information in a timely fashion, and in some instances they need to communicate with each other and with other agencies. They also need to provide certain technologically dependent services to the general public, such as motor vehicle on-line registration and relicensure or payment of motor vehicle violations. Some department information is confidential; some information is provided on a need-to-know basis; and some information is public. The purpose of the office of information technology established in this act is to advise the commissioner and assistant commissioner on how to meet the needs of the agency and the public in a coherent and unified manner. The general court also intends that, where appropriate, information within the department of safety, including information derived from motor vehicle records on a case-by-case basis, should be accessible to other departments, and the department of safety should be able to access other departments' information databases.

HB 665, protecting licensed professionals from retaliation from their licensing boards for criticism of board practices. **INEXPEDIENT TO LEGISLATE**

Rep. Carl G. Robertson for Executive Departments and Administration: The committee feels very strongly that an individual must be protected from retaliation by boards that govern their license. When the committee reviewed existing statutes, it was felt that RSA 275-E:2 provided this protection and that this bill was not necessary. The protection of whistle blowers and the process of each case are already in place. Vote 13-0.

HB 667, relative to certain reporting requirements and relative to meetings of the board of medicine. **OUGHT TO PASS WITH AMENDMENT**

Rep. Maurice E. Goulet for Executive Departments and Administration: The amendment replaces the entire bill and increases the membership of the board of medicine by one member: the commissioner or medical director of health and human services. It changes the annual re-licensure cycle to a biennial basis. Failure to renew the licensure by June 30 of each two year will result in a doubling of the renewal fee. It also requires facilities (i.e. hospitals, health clinics, etc.) to report to the board of medicine within 30 days any disciplinary action against any person licensed by the board of medicine. Vote 14-0.

Amendment (0562h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Residential Care and Health Facility Licensing; Disciplinary Action. Amend RSA 151 by inserting after section 6-a the following new section:

151:6-b Report of Disciplinary Action. Every facility administrator, or designee, for any health care facility licensed under this chapter shall report to the board of medicine any disciplinary or adverse action, within 30 days after such action is taken, including situations in which allegations of misconduct are settled by voluntary resignation without adverse action, against a person licensed by the board.

2 Board of Medicine; Membership. Amend RSA 329:2, I to read as follows:

I. There shall be a board of medicine consisting of [8] **9** members; including 5 members selected from among physicians and surgeons, one member selected to represent physician assistants regulated by the board, ***the commissioner or the medical director of the department of health and human services***, and [two] **2** public members[~~, each to be appointed by the governor with the approval of the council, to a term of 5 years. No member shall be appointed to more than 2 consecutive terms~~]. Only board members provided for in this paragraph shall have the authority to vote in board determinations. Any public member of the board shall be a person who is not, and never was, a member of the medical profession or the spouse of any such person, and who does not have, and never has had, a material financial interest in either the provision of medical services or an activity directly related to medicine, including the representation of the board or profession for a fee at any time during the 5 years preceding appointment.

3 Board of Medicine; Commissioner of Health and Human Services as Voting Member. RSA 329:4 is repealed and reenacted to read as follows:

I. The commissioner or the medical director of the department of health and human services shall serve as a voting member of the board. The commissioner and the medical director are exempt from the provisions of RSA 329:4 II.

II. The remaining 8 members of the board shall be appointed, as their terms expire, by the governor with the advice and consent of the council. Their terms of office shall be 5 years and until their successors are appointed and qualified. No member shall be appointed to more than 2 consecutive terms. Appointments to fill vacancies shall be for the unexpired term. The governor and council may remove any appointed member of the board for malfeasance, misfeasance, or nonfeasance.

4 Board of Medicine; Meetings. Amend RSA 329:7 to read as follows:

329:7 Meetings; Officers. The board shall meet monthly, or more often as its business requires. A president and such other officers as the board deems necessary shall be chosen annually from the membership of the board. [~~The commissioner of the department of health and human services shall be a nonvoting member.~~] ***The president of the board may call an emergency meeting when required by an imminent peril to the public health or safety, and may conduct such meeting telephonically, with a quorum of board members eligible to vote with respect to the subject matter of the emergency. Any vote resulting from such meetings shall have the same effect as votes resulting from other meetings of the board, if such vote is ratified at the next regularly scheduled board meeting.*** The duties of the officers of the board shall be those usually pertaining to such officers. ***Elected board officers shall not serve more than 5 years in such elected positions.***

5 Reference to Annual Renewal Removed. Amend RSA 329:13-b, V(b) to read as follows:

(b) The board shall allocate [~~\$10~~] **\$20** from each physician [annual] license renewal fee it collects to provide funding for the physician effectiveness program as set forth in subparagraph V(a).

6 Physicians and Surgeons; Renewal of Licenses. Amend RSA 329:16-a to read as follows:

329:16-a Renewal. Every person licensed to practice under this chapter, except as provided in RSA 329:16-c, shall apply to the board [~~for annual~~] **on a biennial basis for renewal of license on**

forms provided by the board and shall pay a renewal fee as established by the board. ***If a person applies to the board for a renewal of license by June 30 of the year in which the licensee's renewal is set to occur, the person's license shall not expire until July 1 of such year.***

7 Physicians and Surgeons; Notice of Renewal. Amend RSA 329:16-d to read as follows:

329:16-d Notice of Renewal. On or before ~~[May]~~ **February** 1 of each **licensee's renewal** year, the board shall mail each licensee, except those on the inactive list, an application for renewal of license.

8 Physicians and Surgeons; Neglect to Renew. Amend RSA 329:16-e to read as follows:

329:16-e Neglect to Renew. Any licensee who fails to ~~[file an application for renewal]~~ **renew his or her license** by June 30 **of the year in which the licensee's renewal is set to occur** shall be required to pay double the renewal fee. Any failure, neglect or refusal on the part of any person licensed by the board to renew the license as provided in RSA 329:16-a shall automatically lapse such license. Licenses lapsed under this section shall not be restored except upon payment of a restoration fee as established by the board, and a showing of such evidence of professional competence as the board may reasonably require.

9 Physicians and Surgeons; Disciplinary Action. Amend RSA 329:17, IV to read as follows:

IV. Every **facility administrator, or designee, for any** licensed hospital, **health** clinic, **ambulatory surgical center** or other health care facility within the state shall report to the board any disciplinary or adverse action, **within 30 days after such action is taken**, including situations in which allegations of misconduct are settled by voluntary resignation without adverse action, against a person licensed by the board ~~[within 30 days after such action is taken]~~.

10 New Paragraph; Physicians and Surgeons; Persons Excepted. Amend RSA 329:21 by inserting after paragraph XV the following new paragraph:

XVI. To such physician assistants as have been approved and certified by the board while under the supervision and control of a physician licensed in this state, but only if such person:

(a) Is a student in an established program which has been approved by the board; or

(b) Is a graduate of such a program and has passed, or has received temporary certification for the period pending the results of any examination for physician assistants required by the board.

11 Effective Date.

I. Sections 5 and 6 of this act shall take effect July 1, 2002.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill:

I. Changes the membership of the board of medicine, by including the commissioner as a voting member.

II. Allows the president of the board to call an emergency meeting when required by an imminent peril to the public health or safety.

III. Requires every facility director, or designee, for any licensed hospital, health clinic, ambulatory surgical center, medical training school or facility, or other health care facility, to report to the board any adverse action.

IV. Changes the requirement for license renewal from an annual basis to a biennial basis.

V. Provides an exception to the requirements of RSA 329 for physician assistants who meet certain requirements.

VI. Requires certain medical and health care professionals to report to the board of medicine any adverse action.

HB 682, relative to accidental disability income benefits. **INEXPEDIENT TO LEGISLATE**

Rep. Merton S. Dyer for Executive Departments and Administration: The sponsor indicated, in a letter to the chairman, that he did not wish to pursue this bill. House rules 43 (a) states that a hearing will be held on each bill in the possession of the committee. A member of the committee introduced the bill. The bill would establish income entitlement in place of the disability retirement or pension. This change would call into question the tax qualified status of the present plan, as the treasury regulations do not authorize an income entitlement or income benefit in a qualified pension plan. Given this information, the committee recommends inexpedient to legislate. Vote 14-0.

HB 684, relative to the occupational therapy practice act. **OUGHT TO PASS WITH AMENDMENT**

Rep. Judson K. Dexter for Executive Departments and Administration: This bill updates definitions, treatment authorization procedures, licensure, supervision, and delegation of duties of occupational

therapists and occupational therapy assistants. The amendment deals with specific duties the board shall perform regarding continuing education that will be accepted and defines the extent of the board's authority in rule making. Additionally, the amendment protects patient safety by preventing delegation of duties to anyone beyond their level of licensure or training. Vote 13-0.

Amendment (0577h)

Amend the bill by replacing all after the enacting clause with the following:

1 Definitions; Occupational Therapy. RSA 326-C:1, IV is repealed and reenacted to read as follows:

IV. "Occupational therapy" means the therapeutic use of purposeful and meaningful occupations (goal-directed activities) to evaluate and treat individuals who have a disease or disorder, impairment, activity limitation, or participation restriction which interferes with their ability to function independently in daily life roles, and to promote health and wellness.

(a) Occupational therapy intervention may include:

(1) Remediation or restoration of performance abilities that are limited due to impairment in biological, physiological, psychological, or neurological processes.

(2) Adaptation of task, process or the environment, or the teaching of compensatory techniques, in order to enhance performance.

(3) Disability prevention methods and techniques which facilitate the development or safe application of performance skills.

(4) Health promotion strategies and practices which enhance performance abilities.

(b) Occupational therapy services include, but are not limited to:

(1) Evaluating, developing, improving, sustaining or restoring skills in activities of daily living (ADLs), work or productive activities, including instrumental activities of daily living (IADLs), and play and leisure activities.

(2) Evaluating, developing, remediating, or restoring sensorimotor, cognitive, or psychosocial components of performance.

(3) Designing, fabricating, applying, or training in the use of assistive technology or orthotic devices, and training in the use of prosthetic devices.

(4) Adaptation of environments and processes, including the application of ergonomic principles, to enhance performance and safety in daily life roles.

(5) Application of physical agent modalities as an adjunct to or in preparation for engagement in occupations when applied by a practitioner who has documented evidence of possessing the theoretical background and technical skills for safe and competent use.

(6) Evaluating and providing intervention in collaboration with the client, family, caregiver, or others.

(7) Educating the client, family, caregiver, or others in carrying out appropriate non-skilled interventions.

(8) Consulting with groups, programs, organizations, or communities to provide population-based services.

2 Evaluation and Treatment Authorization. RSA 326-C:2 is repealed and reenacted to read as follows:

326-C:2 Evaluation and Treatment Authorization.

I. Consultation and evaluation by an occupational therapist may be performed without a referral. Initiation of occupational therapy services to individuals with medically related conditions shall be based on a referral from a physician or physician assistant licensed by the state board of medicine, an advanced registered nurse practitioner licensed under RSA 326-B:10, a chiropractor licensed under RSA 316-A, an optometrist licensed under RSA 327, or any other qualified health care professional who, within the scope of the professional's licensure, is authorized to refer for health care services.

II. Prevention, wellness and education related services shall not require a referral. These services may be provided in a variety of settings such as educational, work, recreational, and residential settings and community centers for adults and children.

3 License Required. Amend RSA 326-C:3 to read as follows:

326-C:3 License Required.

I. No person, not licensed under this chapter and RSA 328-F, shall practice or hold oneself out as being able to practice occupational therapy ~~[without obtaining a license]~~ or assist in the practice

of occupational therapy or provide occupational therapy services in this state unless the person is licensed under this chapter and RSA 328-F. Holding oneself out shall include the use of *any word, title, letters, abbreviations, or insignia* intended to designate an individual as a licensed occupational therapist or occupational therapy assistant.

[(a)] Nothing in this [section] *paragraph* shall be construed to prohibit students enrolled in schools or courses in occupational therapy, approved by the board in cooperation with the American Occupational Therapy Association, from performing occupational therapy which is incidental to their respective courses of study or supervised field work.

[(b)] ~~[Repeated:]~~

II. The board shall license each applicant who satisfies the requirements of RSA 326-C:4. Upon payment of a license fee, the board shall issue to such person a certificate of licensure, which shall be prima facie evidence of the right to practice as an "occupational therapist ~~[registered]~~" or "~~[certified]~~ occupational therapy assistant." Licensed occupational therapists may use the letters "~~[O.T.R.]~~ or "~~[O.T.R./L.]~~" "*OT*" or "*OT/L*" and occupational therapy assistants may use the letters "~~[C.O.T.A.]~~" or "~~[C.O.T.A./L.]~~" "*OTA*" or "*OTA/L*" in connection with their names or places of business to denote their licensure under this chapter and RSA 328-F.

4 New Section; Coercion Prohibited. Amend RSA 326-C by inserting after section 3 the following new section:

326-C:3-a Coercion Prohibited. No person shall coerce a licensed occupational therapist or occupational therapy assistant into compromising patient safety by requiring the licensed occupational therapist or occupational therapy assistant to delegate if the licensed occupational therapist or occupational therapy assistant determines that it is inappropriate to do so. Licensed occupational therapists or occupational therapy assistants shall not be subject to disciplinary action by the board for refusing to delegate activities or tasks or refusing to provide the required training for delegation if the licensed occupational therapist or occupational therapy assistant determines that delegation may compromise patient safety.

5 Conditions for Licensure; Examination. RSA 326-C:4, II(e) is repealed and reenacted to read as follows:

(e) Successfully complete the entry level certification examination for occupational therapists or occupational therapy assistants approved by the board, such as the examination administered by the National Board for Certification in Occupational Therapy, Inc. or by another nationally recognized credentialing body.

6 Conditions for Licensure; Professional Knowledge. Amend RSA 326-C:4, V to read as follows:

V. The board may, upon notice and opportunity for a hearing, deny an application or impose probationary conditions upon any applicant who fails to establish such applicant's qualifications to the satisfaction of the board. Conditions imposed ~~[may]~~ *shall* include requiring continuing education or practice under supervision of a licensed occupational therapist. *The board shall require such applicants to demonstrate efforts to maintain a current level of professional knowledge for the period of one year prior to issuing a license.*

7 Rulemaking. Amend RSA 326-C:11, VI and VII to read as follows:

VI. Requirements for continuing ~~[professional education and]~~ competency *and continuing professional education as a condition of license renewal, initial licensure, license reinstatement, or endorsement licensing. Programs approved through the American Occupational Therapy Association's approved provider program shall be approved by the board. Other programs shall be approved by the board provided they meet the established requirements.*

VII. ~~[Any other matter necessary for the administration of this chapter and the board's duties and responsibilities under RSA 328-F:]~~ *Requirements for the training and documentation of training for the application of physical agent modalities as an adjunct to or in preparation for engagement in occupations.*

VIII. Requirements for the supervision of occupational therapy assistants.

IX. Requirements for the use and supervision of non-licensed personnel who provide supportive services to licensed occupational therapists or occupational therapy assistants.

8 Repeal. RSA 326-C:4, II(f), relative to demonstration of professional knowledge prior to application, is repealed.

9 Effective Date. This act shall take effect 60 days after its passage.

HB 688, relative to legislative standing committee review of rules adopted after final objection by the joint legislative committee on administrative rules. **INEXPEDIENT TO LEGISLATE**

Rep. Merton S. Dyer for Executive Departments and Administration: This bill would require the standing committees of the house and senate to issue a joint resolution to any rules to which the joint legislative committee on administrative rules had issued a final objection. The Supreme Court issued an opinion on June 23, 1981 stating that the shifting of this power to such a small group cannot fairly be said to represent the "legislative will." The joint legislative committee on administrative rules has the power of a joint resolution, to send a rule to the full legislature, at this time. This change would remove their authority to issue a joint resolution. Vote 12-2.

HB 714-FN, requiring the disclosure by a governor or councilor of certain gifts. **INEXPEDIENT TO LEGISLATE**

Rep. Merton S. Dyer for Executive Departments and Administration: This bill would require the governor or a councilor who has received a gift from a person being nominated, appointed or approved by the council, to file a report with the attorney general if the value of the "gift" exceeds \$100.00. The committee felt that this was not needed as the governor and council has a strict code of ethics in place. Vote 14-0.

HB 719, relative to the removal of public officials for cause. **OUGHT TO PASS**

Rep. Merton S. Dyer for Executive Departments and Administration: This bill modifies RSA 4:1 on the removal of public officials for cause. Upon the receipt of a petition to remove an official and three positive votes by the council, the council shall hold a public hearing on the subject of the petition. Three votes for removal by the council and the concurrence of the governor are required for removal. The aggrieved party may appeal to the superior court within 30 days of the date of the order. Vote 14-0.

HB 370, relative to the regulation of the trapping by the fish and game department. **OUGHT TO PASS WITH AMENDMENT**

Rep. Eric G. Stohl for Fish and Game: The purpose of this bill, as amended, is to make it easier to trap nuisance wildlife. The bill takes two avenues to accomplish this task. First, it repeals the bulk of the snaring law (RSA 210:17) as well as the report of catch law (210:21) and allows the Executive Director of the Fish and Game Department to adopt rules, under RSA 541-A, governing these activities. Second, the bill allows the Executive Director to adopt rules, under RSA 541-A, for the licensure and regulation of wildlife control operators engaged in the practice of the trapping of nuisance animals. This bill was sponsored by the New Hampshire Trappers Association and has the support of the New Hampshire Fish and Game Department, Northeast Wildlife Services, DeBow Wildlife Service, and the New Hampshire Wildlife Federation. Vote 14-0.

Amendment (0410h)

Amend RSA 210:17 as inserted by section 1 of the bill by replacing it with the following:

210:17 Snares. The executive director may adopt rules, under RSA 541-A, relative to the use of snares for the taking of wildlife.

HB 445, relative to hunting in the town of Bow. **INEXPEDIENT TO LEGISLATE**

Rep. Paul M. Mirski for Fish and Game: The majority felt that proponents provided insufficient cause for further limiting the opportunity to hunt in Bow. Proponents also failed to provide the majority with sufficient cause to limit the means of taking game in Bow. Vote 7-6.

HB 471-FN, relative to fish and game licenses issued to resident and nonresident minors. **OUGHT TO PASS WITH AMENDMENT**

Rep. Vincent E. Greco for Fish and Game: This bill as amended allows a child 12-16 to accompany a parent or grandparent when hunting. Current law only allows resident children and is a burden to families with children living out of state. This also makes fishing licenses for legally blind people reciprocal between New Hampshire and other states with the same privileges. Vote 13-0.

Amendment (0568h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to fish and game licenses issued to resident and nonresident minors and relative to complimentary fishing licenses for legally blind persons.

Amend RSA 214:2, I and II as inserted by section 5 of the bill by replacing them with the following:

I. The provisions of RSA 214:1 shall not apply to resident ~~land~~ owners ~~[of farmlands and their minor children]~~ while upon their own land ~~or to the owner's children under 16 years of age when accompanied by the owner or another licensed person 18 years of age or over on such land,~~ to persons fishing in ponds operated and maintained ~~[by a duly licensed fish or game breeder, to resident children]~~ **in an aquaculture operation, to persons hunting on a regulated shooting area, to persons under 16 years of age while fishing, to [resident children] persons under 16 years of age while hunting when accompanied by a licensee 18 years of age or over, or to [resident children] residents under 16 years of age while trapping when accompanied by a licensee 18 years of age or over.**

II. Fishing licenses may be issued without charge to resident **legally blind** persons, but no hunting licenses shall be issued to ~~[blind]~~ **such** persons. A fishing license issued to a resident blind person shall be effective during the remainder of ~~[his]~~ **the person's** life unless sooner suspended or revoked by the executive director. **The executive director may issue complimentary nonresident fishing licenses to legally blind persons if the state in which the person is a resident provides a reciprocal privilege for legally blind residents of this state. The executive director shall determine the form of such complimentary licenses. A complimentary nonresident fishing license under this paragraph shall be effective for the lifetime of the applicant unless sooner suspended or revoked by the executive director.**

AMENDED ANALYSIS

This bill changes the application of special deer permits, black bear tags, falconry permits, wild turkey permits or licenses, and general fish and game license exceptions to resident and nonresident persons under the age of 16.

This bill also provides for complimentary nonresident fishing licenses for legally blind persons if the state the person is a resident of provides a reciprocal privilege.

HB 604-FN, relative to increasing certain fees and making other changes to fish and game licenses. OUGHT TO PASS WITH AMENDMENT

Rep. Eric G. Stohl for Fish and Game: This bill as amended will increase the fee structure for certain licenses that are issued by the New Hampshire Fish and Game Department over a two year period. The last time the Fish and Game Department raised their license fees was in 1989. The projection at the time was that this increase would last until 1995, however it is still in effect today. The committee unanimously feels that with the rise in costs of everything today, this increase is justified. This bill also creates a non-resident one-day fishing license and repeals a non-resident small game 3-day license and a nonresident 15-day fishing license as well as the one-day family-fishing license. In addition to having the support of the Fish and Game Department and the Fish and Game Commission, this bill has the support of the New Hampshire Wildlife Federation. Vote 13-0.

Amendment (0266h)

Amend the bill by replacing all after the enacting clause with the following:

1 Bow and Arrow; Resident and Nonresident; 2002 Fee Increase. Amend RSA 208:5, I to read as follows:

1. Any resident 16 years of age or older, upon the payment of ~~[\$14.50]~~ **\$19**, or any nonresident 16 years of age or older, upon the payment of a fee of ~~[\$49]~~ **\$64**, shall be issued an archery license.

2 Bow and Arrow; Resident and Nonresident; 2003 Fee Increase. Amend RSA 208:5, I to read as follows:

1. Any resident 16 years of age or older, upon the payment of ~~[\$19]~~ **\$21**, or any nonresident 16 years of age or older, upon the payment of a fee of ~~[\$64]~~ **\$72**, shall be issued an archery license.

3 Muzzleloader; Resident and Nonresident; 2002 Fee Increase. Amend RSA 208:5-a to read as follows:

208:5-a Muzzleloaders. A person who has complied with the licensing requirements relative to hunting deer pursuant to RSA 214, upon payment of a fee of ~~[\$10]~~ **\$13** by residents or a fee of ~~[\$27]~~ **\$35** by nonresidents, shall be issued a license. A muzzleloading license shall not be required for residents less than 16 years of age, but such person while hunting with a muzzleloading firearm shall be accompanied by a properly licensed person who is 18 years of age or over and must also comply with all provisions of this chapter. The license shall entitle the holder to hunt deer with a single shot muzzleloading firearm.

4 Muzzleloader; Resident and Nonresident; 2003 Fee Increase. Amend RSA 208:5-a to read as follows:

208:5-a Muzzleloaders. A person who has complied with the licensing requirements relative to hunting deer pursuant to RSA 214, upon payment of a fee of [~~\$13~~] **\$15** by residents or a fee of [~~\$35~~] **\$40** by nonresidents, shall be issued a license. A muzzleloading license shall not be required for residents less than 16 years of age, but such person while hunting with a muzzleloading firearm shall be accompanied by a properly licensed person who is 18 years of age or over and must also comply with all provisions of this chapter. The license shall entitle the holder to hunt deer with a single shot muzzleloading firearm.

5 Special Deer Permits; Rulemaking; Maximum 2002 Fee. Amend RSA 208:5-b to read as follows:

208:5-b Special Deer Permits. The executive director may issue special deer permits to a licensee licensed under RSA 214:9, 208:5, or 208:5-a. Such special deer permits shall allow the taking of additional deer. The executive director shall adopt rules pursuant to RSA 541-A relative to fixing the number and sex limitations for wild deer and any other conditions governing the location, method, and manner of taking as well as the issuance and fee for special deer permits. The executive director may charge a fee not to exceed [~~\$10~~] **\$13** for all applications for special deer permits.

6 Special Deer Permits; Rulemaking; Maximum 2003 Fee. Amend RSA 208:5-b to read as follows:

208:5-b Special Deer Permits. The executive director may issue special deer permits to a licensee licensed under RSA 214:9, 208:5, or 208:5-a. Such special deer permits shall allow the taking of additional deer. The executive director shall adopt rules pursuant to RSA 541-A relative to fixing the number and sex limitations for wild deer and any other conditions governing the location, method, and manner of taking as well as the issuance and fee for special deer permits. The executive director may charge a fee not to exceed [~~\$13~~] **\$15** for all applications for special deer permits.

7 Oyster License; 2002 Fee Increase. Amend RSA 211:62-a to read as follows:

211:62-a License for Taking. No person shall at any time take oysters unless the person is a resident of the state and has been duly licensed as provided in this section. Any resident of this state shall, upon application to the executive director of the fish and game department, be granted a license to take oysters upon payment of a fee of [~~\$20~~] **\$26**. Such license shall be issued for the current calendar year. The executive director of the fish and game department shall make readily available such licenses as are covered by this section through its regular outlets. A person who furnishes to another person or permits another person to have or use the person's oyster license or the license of any other person, or changes or alters such license or uses a license issued to another person, or makes a false statement in an application to obtain said license shall be subjected to the penalty under RSA 211:64.

8 Oyster License; 2003 Fee Increase. Amend RSA 211:62-a to read as follows:

211:62-a License for Taking. No person shall at any time take oysters unless the person is a resident of the state and has been duly licensed as provided in this section. Any resident of this state shall, upon application to the executive director of the fish and game department, be granted a license to take oysters upon payment of a fee of [~~\$26~~] **\$29**. Such license shall be issued for the current calendar year. The executive director of the fish and game department shall make readily available such licenses as are covered by this section through its regular outlets. A person who furnishes to another person or permits another person to have or use the person's oyster license or the license of any other person, or changes or alters such license or uses a license issued to another person, or makes a false statement in an application to obtain said license shall be subjected to the penalty under RSA 211:64.

9 Clam License; 2002 Fee Increase. Amend RSA 211:64-b to read as follows:

211:64-b License For Recreational Taking of Clams. No person shall at any time take clams for such person's own use unless the person is a resident of the state and has been duly licensed as provided in this section. Any person 6 years of age or older shall, upon application to the executive director of the fish and game department, be granted a license to take clams for recreational purposes upon payment of a fee of [~~\$20~~] **\$26**. Such license shall be issued for the current calendar year. A resident of the state may take up to one quart of clamworms during any one day for such person's own use without a license. A person who furnishes to another person or permits another person to have or use the person's recreational clam license or the license of any other person, or changes or alters such license or uses a license issued to another person, or makes a false statement in an application to obtain said license shall be subjected to the penalty under RSA 211:64.

10 Clam License; 2003 Fee Increase. Amend RSA 211:64-b to read as follows:

211:64-b License For Recreational Taking of Clams. No person shall at any time take clams for such person's own use unless the person is a resident of the state and has been duly licensed as provided in this section. Any person 6 years of age or older shall, upon application to the executive director of the fish and game department, be granted a license to take clams for recreational purposes upon payment of a fee of [~~\$26~~] **\$29**. Such license shall be issued for the current calendar year. A resident of the state may take up to one quart of clamworms during any one day for such person's own use without a license. A person who furnishes to another person or permits another person to have or use the person's recreational clam license or the license of any other person, or changes or alters such license or uses a license issued to another person, or makes a false statement in an application to obtain said license shall be subjected to the penalty under RSA 211:64.

11 Hunting; Resident; 2002 Fee Increase. Amend RSA 214:9, I to read as follows:

I. If the applicant is a resident of this state and wishes to hunt, [~~\$14.50~~] **\$19**, and the agent shall thereupon issue a resident hunting license which shall entitle the licensee to hunt, shoot, kill or take, except by the use of traps, and to transport wild birds and wild animals under the restrictions of this title.

12 Hunting; Resident; 2003 Fee Increase. Amend RSA 214:9, I to read as follows:

I. If the applicant is a resident of this state and wishes to hunt, [~~\$19~~] **\$21**, and the agent shall thereupon issue a resident hunting license which shall entitle the licensee to hunt, shoot, kill or take, except by the use of traps, and to transport wild birds and wild animals under the restrictions of this title.

13 Fishing; Resident; 2002 Fee Increase. Amend RSA 214:9, II to read as follows:

II. If the applicant is a resident of this state and wishes to fish, [~~\$22.25~~] **\$29**, and the agent shall thereupon issue a resident fishing license, which shall entitle the licensee to kill, take and transport all species of freshwater fish, saltwater smelt, saltwater shad, and saltwater salmonoids under the restrictions of this title.

14 Fishing; Resident; 2003 Fee Increase. Amend RSA 214:9, II to read as follows:

II. If the applicant is a resident of this state and wishes to fish, [~~\$29~~] **\$33**, and the agent shall thereupon issue a resident fishing license, which shall entitle the licensee to kill, take and transport all species of freshwater fish, saltwater smelt, saltwater shad, and saltwater salmonoids under the restrictions of this title.

15 Combined Hunting and Fishing; Resident; 2002 Fee Increase. Amend RSA 214:9, III to read as follows:

III. If the applicant is a resident of this state and wishes to hunt and fish, [~~\$29.50~~] **\$39**, and the agent shall thereupon issue a resident hunting and fishing license, which shall entitle the licensee to hunt, shoot, kill or take, except by use of traps, and to transport wild birds, wild animals, all species of freshwater fish, saltwater smelt, saltwater shad, and saltwater salmonoids under the restrictions of this title.

16 Combined Hunting and Fishing; Resident; 2003 Fee Increase. Amend RSA 214:9, III to read as follows:

III. If the applicant is a resident of this state and wishes to hunt and fish, [~~\$39~~] **\$44**, and the agent shall thereupon issue a resident hunting and fishing license, which shall entitle the licensee to hunt, shoot, kill or take, except by use of traps, and to transport wild birds, wild animals, all species of freshwater fish, saltwater smelt, saltwater shad, and saltwater salmonoids under the restrictions of this title.

17 Hunting; Nonresident; 2002 Fee Increase. Amend RSA 214:9, VI to read as follows:

VI. If the applicant is a nonresident, including a nonresident minor, and wishes to hunt, [~~\$69.50~~] **\$91**, and the agent shall thereupon issue a nonresident hunting license which shall entitle the licensee to hunt, shoot, kill and take, except by the use of traps, and to transport wild birds and wild animals under the restrictions of this title.

18 Hunting; Nonresident; 2003 Fee Increase. Amend RSA 214:9, VI to read as follows:

VI. If the applicant is a nonresident, including a nonresident minor, and wishes to hunt, [~~\$91~~] **\$102**, and the agent shall thereupon issue a nonresident hunting license which shall entitle the licensee to hunt, shoot, kill and take, except by the use of traps, and to transport wild birds and wild animals under the restrictions of this title.

19 Combined Hunting and Fishing; Nonresident; 2002 Fee Increase. Amend RSA 214:9, VI-a to read as follows:

VI-a If the applicant is a nonresident and wishes to hunt and fish, [~~\$95~~] **\$125**, and the agent shall thereupon issue a nonresident hunting and fishing license, which shall entitle the licensee to hunt, shoot, kill, or take, except by use of traps, and to transport wild birds, wild animals, all species of freshwater fish, saltwater smelt, saltwater shad, and saltwater salmonids under the restrictions of this title.

20 Combined Hunting and Fishing; Nonresident; 2003 Fee Increase. Amend RSA 214:9, VI-a to read as follows:

VI-a If the applicant is a nonresident and wishes to hunt and fish, [~~\$125~~] **\$139**, and the agent shall thereupon issue a nonresident hunting and fishing license, which shall entitle the licensee to hunt, shoot, kill, or take, except by use of traps, and to transport wild birds, wild animals, all species of freshwater fish, saltwater smelt, saltwater shad, and saltwater salmonids under the restrictions of this title.

21 Small Game; Nonresident; 2002 Fee Increase. Amend RSA 214:9, VII-a to read as follows:

VII-a. If the applicant is a nonresident and wishes to take small game as defined in RSA 207:1, XXVI, [~~\$35.50~~] **\$46**, and the agent shall thereupon issue a nonresident small game license which shall entitle the licensee to hunt, shoot or take small game; provided, however, this license shall not authorize the taking of fur-bearing animals as defined in RSA 207:1, VIII.

22 Small Game; Nonresident; 2003 Fee Increase. Amend RSA 214:9, VII-a to read as follows:

VII-a. If the applicant is a nonresident and wishes to take small game as defined in RSA 207:1, XXVI, [~~\$46~~] **\$52**, and the agent shall thereupon issue a nonresident small game license which shall entitle the licensee to hunt, shoot or take small game; provided, however, this license shall not authorize the taking of fur-bearing animals as defined in RSA 207:1, VIII.

23 Fishing; Nonresident; 2002 Fee Increase. Amend the introductory paragraph of RSA 214:9, VIII to read as follows:

VIII. If the applicant is a nonresident, 16 years of age or older, and wishes to take any species of freshwater fish, saltwater smelt, saltwater shad, or saltwater salmonoids, [~~\$34.50~~] **\$45**, and the agent shall thereupon issue a nonresident fishing license which shall entitle the licensee to kill, take and transport all species of freshwater fish, saltwater smelt, saltwater shad, and saltwater salmonoids, under the restrictions of this title, provided that:

24 Fishing; Nonresident; 2003 Fee Increase. Amend the introductory paragraph of RSA 214:9, VIII to read as follows:

VIII. If the applicant is a nonresident, 16 years of age or older, and wishes to take any species of freshwater fish, saltwater smelt, saltwater shad, or saltwater salmonoids, [~~\$45~~] **\$51**, and the agent shall thereupon issue a nonresident fishing license which shall entitle the licensee to kill, take and transport all species of freshwater fish, saltwater smelt, saltwater shad, and saltwater salmonoids, under the restrictions of this title, provided that:

25 Fishing; 7-Day; Nonresident; 2002 Fee Increase. Amend RSA 214:9, VIII(b) to read as follows:

(b) If the applicant wishes to take said fish for 7 consecutive days, [~~\$22.50~~] **\$30**, and the agent shall thereupon issue a 7-day nonresident fishing license for said time only under the restrictions of this title;

26 Fishing; 7-Day; Nonresident; 2003 Fee Increase. Amend RSA 214:9, VIII(b) to read as follows:

(b) If the applicant wishes to take said fish for 7 consecutive days, [~~\$30~~] **\$33**, and the agent shall thereupon issue a 7-day nonresident fishing license for said time only under the restrictions of this title;

27 Fishing; 3-Day; Nonresident; 2002 Fee Increase. Amend RSA 214:9, VIII(c) to read as follows:

(c) If the applicant wishes to take said fish for 3 consecutive days, [~~\$17.50~~] **\$23**, and the agent shall thereupon issue a 3-day nonresident fishing license for said time only under the restrictions of this title; and

28 Fishing; 3-Day; Nonresident; 2003 Fee Increase. Amend RSA 214:9, VIII(c) to read as follows:

(c) If the applicant wishes to take said fish for 3 consecutive days, [~~\$23~~] **\$26**, and the agent shall thereupon issue a 3-day nonresident fishing license for said time only under the restrictions of this title; and

29 New Subparagraph; Nonresident One-day Fishing License. Amend RSA 214:9, VIII by inserting after subparagraph (d) the following new subparagraph:

(e) If the applicant wishes to take said fish for one day, **\$13**, and the agent shall thereupon issue a one-day nonresident fishing license for said time only under the restrictions of this title;

30 Repeal. The following are repealed:

- I. RSA 214:9, VII-b, relative to the nonresident small game 3-day license.
- II. RSA 214:9, VIII(a), relative to the nonresident 15-day fishing license.
- III. RSA 214:9, VIII-b, relative to the one-day family fishing license.

31 Effective Date.

I. Sections 2, 4, 6, 8, 10, 12, 14, 16, 18, 20, 22, 24, 26, and 28 of this act shall take effect January 1, 2003.

II. The remainder of this act shall take effect January 1, 2002.

Referred to Ways and Means.

HB 248, extending for one year the pilot program relative to the administration of medications in residential care facilities. **INEXPEDIENT TO LEGISLATE**

Rep. Margaret A. Case for Health, Human Services and Elderly Affairs: When originally heard, the motion was made to RETAIN this bill, as a vehicle to address the dispensing of medications in residential care facilities by unlicensed personnel who had been trained. It was agreed by the sponsors that HB 248 was no longer necessary and the issues raised would be addressed through HB 408. Vote 14-0.

HB 255, requiring that body piercing be performed by a licensed physician. **OUGHT TO PASS WITH AMENDMENT**

Rep. Alida I. Millham for Health, Human Services and Elderly Affairs: The issue of body piercing is one of strong public health interest. The committee decision to recommend a study committee will make it possible to combine the issues regarding "body works", (including tattooing, body piercing, marking, tongue piercing and branding). The study shall include, but not be limited to client safety and public protection, education and training for persons practicing "body works" and the practice environment. The committee makes this proposal so the recommendation for future legislation will be coordinated to better serve the public and public protection and address the public health concerns raised by these practices. Vote 15-0.

Amendment (0524h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study the practice of "body works."

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. The general court recognizes the public health and safety concerns regarding "body works", including branding, body piercing, tongue piercing, tattooing, and marking. Therefore, the committee recommends the formation of a committee to study the practice of "body works" and to recommend appropriate legislation.

2 Committee Established. There is established a committee to study the practice of "body works", including branding, body piercing, tongue piercing, tattooing, and marking.

3 Membership and Compensation.

I. The members of the committee shall be as follows:

- (a) Three members of the house of representatives, appointed by the speaker of the house.
- (b) Three members of the senate, appointed by the president of the senate.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

4 Duties. The committee shall study the practice of "body works", including branding, body piercing, tongue piercing, tattooing, cosmetic tattooing, and marking. The committee's study shall include, but not be limited to client safety and public protection, education and training for persons practicing "body works", and the practice environment.

5 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

6 Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2001.

7 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to study the practice of "body works."

HB 569, establishing a committee to study the education of family caregivers in New Hampshire.
ought TO PASS WITH AMENDMENT

Rep. Alida I. Millham for Health, Human Services and Elderly Affairs: The changes in long-term care needs have increased the participation of families in the care and support of family members. There are few opportunities available to address the support, information and training needs of family caregivers. As this caregiving rule changes, it becomes important to plan for ways to enhance the capability of family members in the valuable caregiving they are giving. Vote 13-0.

Amendment (0528h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study the information, training, and support needs of family caregivers in New Hampshire.

Amend the bill by replacing sections 1-4 with the following:

I Statement of Purpose. The general court recognizes that the increasing number of elderly in New Hampshire necessitate more family caregivers. In an effort to provide the seniors in our state the best possible care, it is important to provide educational opportunities in both public and private educational institutions. Therefore, the general court hereby establishes a committee to investigate the potential for informative educational opportunities for family caregivers and to study other issues relative to caregiving.

2 Committee Established. There is established a committee to study the information, training, and support needs of and other issues relative to family caregivers.

3 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Three members of the house of representatives, 2 of whom shall be from the health, human services and elderly affairs committee, appointed by the speaker of the house.

(b) Three members of the senate, 2 of whom shall be from the public institutions, health and human services committee, appointed by the president of the senate.

II. The committee shall solicit information from the following:

(a) The commissioner of the department of health and human services, or designee.

(b) The director of elderly and adult services, department of health and human services.

(c) A representative from the state council on aging.

(d) The director of developmental services, department of health and human services.

(e) The Foundation for Health Communities.

(f) The New Hampshire Medical Society.

(g) The Home Care Association of New Hampshire.

(h) The commissioner of regional community-technical colleges, or designee.

(i) The New Hampshire Nurses Association.

(j) The Alliance for the Mentally Ill of New Hampshire.

(k) The New Hampshire Association of Counties.

(l) The New Hampshire Health Care Association.

(m) A representative of consumers of health care.

(n) Any other person or entity the committee deems relevant.

III. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

4 Duties. The committee shall investigate ways to improve and educate family caregivers in New Hampshire. The committee's study shall include, but not be limited to, the feasibility of:

I. Offering informative educational opportunities for family caregivers.

II. Amending the state statutes to include family caregivers.

III. Establishing caregiver networks and support groups.

IV. Providing respite care for caregivers.

AMENDED ANALYSIS

This bill establishes a committee to study the information, training, and support needs of family caregivers in New Hampshire.

HB 573, relative to the role of advanced registered nurse practitioners in the state mental health services system. **OUGHT TO PASS WITH AMENDMENT**

Rep. Janeen Dalrymple for Health, Human Services and Elderly Affairs: This bill authorizes and describes the role of the Psychiatric Mental Health Advanced Registered Nurse Practitioner in the state mental health system in designated state facilities. This bill is restricted to emergency treatment, including involuntary admissions, physical and mental evaluations and the degree of security and treatment required. The education and preparation of the Psychiatric Mental Health Advanced Registered Nurse Practitioner has evolved to meet the increasing needs in emergency mental health situations. This also addresses the shortage of psychiatrists in New Hampshire, particularly in rural areas. Vote 14-0.

Amendment (0537h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the role of certain advanced registered nurse practitioners in the state mental health services system.

Amend the bill by replacing all after the enacting clause with the following:

1 Emergency Treatment. Amend the introductory paragraph and paragraph I of RSA 135:21-b to read as follows:

135:21-b Emergency Treatment. A physician licensed in the state, *a psychiatric mental health advanced registered nurse practitioner*, or a person acting under [his] such *physician's or advanced registered nurse practitioner's* direction may administer a recognized and approved form of medical or psychiatric treatment which the physician *or the psychiatric mental health advanced registered nurse practitioner* reasonably believes will tend to promote the physical and mental health of a patient of the New Hampshire hospital, Laconia developmental services, Glenclyff home for the elderly, any community mental health or mental retardation program or treatment facility receiving state grants under ~~[RSA 126-B or]~~ RSA 171-A, or any other treatment facility designated as a receiving facility under RSA 135-C, when:

1. The physician *or psychiatric mental health advanced registered nurse practitioner* reasonably believes that a medical or psychiatric emergency exists; and

2 New Paragraph; Definition Added; Advanced Registered Nurse Practitioner. Amend RSA 135-C:2 by inserting after paragraph II the following new paragraph:

II-a. "Advanced registered nurse practitioner" or "A.R.N.P." means an advanced registered nurse practitioner licensed by the board of nursing who is a psychiatric mental health specialist and who has at least 2 years' experience as an advanced registered nurse practitioner working with individuals who have mental illness, as defined in paragraph X of this section, and who meet any other criteria specified in rules adopted by the department.

3 Involuntary Emergency Admission; Advanced Registered Nurse Practitioners. Amend RSA 135-C:28 to read as follows:

135-C:28 Involuntary Emergency Admission Examination.

1. The involuntary emergency admission of a person shall be to the state mental health services system under the supervision of the commissioner. The admission may be ordered upon the certificate of a physician *or A.R.N.P., as defined in RSA 135-C:2, II-a*, who is approved by either a designated receiving facility or a community mental health program approved by the commissioner, provided that within 3 days of the completion of the petition the physician *or A.R.N.P.* has conducted, or has caused to be conducted, a physical examination if indicated and circumstances permit, and a mental examination. The physician *or A.R.N.P.* must find that the person to be admitted meets the criteria of RSA 135-C:27. The certificate shall state the time and, in detail, the nature of the examinations conducted. The certificate shall also state a specific act or actions the physician *or A.R.N.P.* has actually observed or which have been reported to him *or her* by the petitioner or a reliable witness who shall be identified in the certificate, and which in the physician's *or A.R.N.P.'s* opinion satisfy the criteria set forth in RSA 135-C:27. The physician *or A.R.N.P.* shall identify in the certificate the facility in the state mental health services system to which the person shall be admitted. The admission shall be made to the facility which can best provide the degree of security and treatment required by the person and shall be consistent with the placement principles set forth in RSA 135-C:15. As used in RSA 135-C:27-33, "petitioner" means any individual, including a physician *or A.R.N.P.* completing a certificate, who has requested that a physician *or*

A.R.N.P. conduct or who has conducted an examination for purposes of involuntary emergency admission. Every certificate shall be accompanied by a written petition signed by a petitioner.

II. Upon request for involuntary emergency admission by a petitioner, if the person sought to be admitted refuses to consent to a mental examination, a petitioner or a law enforcement officer may sign a complaint which shall be sworn to before a justice of the peace. The complaint shall be submitted to the justice of the peace with the petition. The petition shall state in detail the acts or actions of the person sought to be admitted which the petitioner has personally observed or which have been personally reported to [him] *the petitioner* and in his *or her* opinion require a compulsory mental examination. If the justice of the peace finds that a compulsory mental examination is necessary, the justice may order the examination.

III. When a peace officer observes a person engaging in behavior which gives the peace officer reasonable suspicion to believe that the person may be suffering from a mental illness and probable cause to believe that unless the person is placed in protective custody the person poses an immediate danger of bodily injury to himself or others, the police officer may place the person in protective custody. Any person taken into protective custody under this paragraph shall be transported directly to an emergency room of a licensed general hospital or to another site designated by the community mental health program serving the area, for the purpose of determining if an involuntary emergency admission shall be ordered in accordance with RSA 135-C:28, I. The period of protective custody shall end when a physician *or A.R.N.P.* makes a determination as to whether involuntary emergency admission shall be ordered or at the end of 6 hours, whichever event occurs first.

4 Involuntary Admission; Advanced Registered Nurse Practitioners. Amend RSA 135-C:32 to read as follows:

135-C:32 Ten-Day Limitation; Petition for Involuntary Admission. No person shall be admitted for an involuntary emergency admission under RSA 135-C:27-33 for longer than a 10-day period, unless a subsequent petition for involuntary emergency admission which contains allegations of specific acts or actions which occurred subsequent to the initial involuntary emergency admission is completed and the admission is ordered by a physician *or A.R.N.P., as defined in RSA 135-C:2, II-a*, in accordance with RSA 135-C:28, or unless a petition requesting a judicial hearing on the issue of involuntary admission under RSA 135-C:34-54 has been filed with the appropriate probate court within the involuntary admission period. Upon the filing of the petition with the probate court, the period of involuntary emergency admission may be extended until the issuance of the order of the probate court pursuant to RSA 135-C:45.

5 Effective Date. This act shall take effect 60 days after its passage.

HB 576, establishing a committee to study the manner in which certain drugs are prescribed to children with behavior disorders. **OUGHT TO PASS WITH AMENDMENT**

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: The committee recognized that a number of bills relating to the writing and dispensing of prescription medications, including accuracy of writing prescriptions, provision of facts about medications, including adverse effects and several bills that relate to the use of Ritalin by children with behavioral disorders have been introduced this session. The committee felt that a study committee with a comprehensive approach to the study of the many like issues involved in regarding laws, protocols, rules and regulations pertaining to the various state agencies that have responsibilities for all aspects of the utilization of drug prescriptions in New Hampshire would be appropriate. The committee duties would include a review of laws to ensure the safe, accurate and secure dispensation of drugs. The committee would study methods used to assure that prescriptions are clearly written and that complete descriptions of drugs' effects and side effects are provided and that the public be informed of "hot line" service to answer urgent questions regarding drugs. Specifically, the committee would review the frequency under which drugs are prescribed for children to see if they are prescribed inconsistent with the physicians' desk reference. The committee also would review the degree to which children, who are prescribed Ritalin or a similar medication, are monitored by physicians and other mental health professionals, as well as the frequency with which drug therapy is combined with other mental health treatment. Vote 18-0.

Amendment (0527h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study laws, protocols, rules, and regulations pertaining to the various state agencies that have responsibilities relative to all aspects of the utilization of drug prescriptions in New Hampshire.

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established. There is established a committee to study laws, protocols, rules, and regulations pertaining to the various state agencies that have responsibilities relative to all aspects of the utilization of drug prescriptions in New Hampshire.

2 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Three members of the house of representatives, including one member of the health, human services and elderly affairs committee and one member of the children and family law committee, appointed by the speaker of the house.

(b) Three members of the senate, appointed by the president of the senate.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

III. The committee may solicit such information and testimony from physicians, mental health professionals, other licensed professionals who write prescriptions, parents of children with behavior disorders, pharmacists, and any other person designated by the committee to be helpful to the committee in the performance of its duties. The committee shall use the current volume of the Diagnostic and Statistical Manual of Mental Disorders, American Psychiatric Association as a guide in defining diagnostic criteria for childhood and adult disorders.

3 Duties. The committee shall:

I. Review the state of New Hampshire laws and policy that ensure the safe, accurate, and secure dispensation of drugs.

II. Ensure that the state of New Hampshire has the necessary laws, protocols, rules, and regulations to ensure that prescriptions are transmitted accurately and in a timely way from prescriber to dispensing agent, that prescriptions are clearly written, and that complete descriptions of the drugs' effects and side effects are provided.

III. Review the provision of emergency "hot line" services in the state of New Hampshire to answer urgent questions and the availability to the public of new information regarding drugs which includes newly discovered side effects.

IV. Gather information relative to the practice of prescribing Ritalin and similar medications to children with behavior disorders, and including:

(a) The frequency and circumstances under which drugs that the Physicians Desk Reference does not recommend for children who are less than 6 years old are prescribed to children who are less than 6 years old.

(b) The degree to which children who are prescribed Ritalin or similar medications are monitored by physicians and other mental health professionals, as well as the frequency with which drug therapy is combined with other mental health treatment.

(c) The feasibility of requiring a diagnostic evaluation prior to prescribing drug therapy to children with behavior disorders.

4 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

5 Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2001.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to study laws, protocols, rules, and regulations pertaining to the various state agencies that have responsibilities relative to all aspects of the utilization of drug prescriptions in New Hampshire.

HB 621, relative to the form of prescriptions. INEXPEDIENT TO LEGISLATE

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: The Committee on Health and Human Services and Elderly Affairs voted unanimously to recommend Inexpedient to Legislate. The committee was sympathetic to the content of HB 621, but felt that the content and objective of the bill is covered by the HB 576 study committee recommended by this committee. Vote 17-0.

HB 683, relative to the prescription of Methylphenidate (Ritalin) to minors. **INEXPEDIENT TO LEGISLATE**

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: The Committee on Health and Human Services and Elderly Affairs voted unanimously on HB 683 for Inexpedient to Legislate. The committee supported the concepts of HB 683, but felt that all of the issues involved are included in the study committee proposed in HB 576 as amended. Vote 16-0.

HB 751, authorizing an advisory committee and establishing a conflict of interest policy regarding grant awards from the health care fund. **INEXPEDIENT TO LEGISLATE**

Rep. Daniel M. Burnham for Health, Human Services and Elderly Affairs: This bill states that "no person with a substantial investment in an organization requesting funding or applying for a grant.... shall be appointed" to the grant advisory committee of the Department of Health and Human Services. This committee makes recommendations to the Commissioner about grants generated from the interest earned by the Department Transition Fund. The committee heard convincing testimony that the bill was counter-productive on two grounds: 1) the advisory committee's current conflict of interest policy made further restrictions unnecessary and 2) further restrictions on the advisory committee measures would hinder its effectiveness. Thus, the committee voted unanimously to recommend the bill Inexpedient to Legislate. Vote 14-0.

CACR 6, relating to proceedings for impeachment of judges. Providing that certain procedures shall be established in the house and senate for the impeachment of a judge. **INEXPEDIENT TO LEGISLATE**

Rep. Tony F. Soltani for Judiciary: CACR 6 proposes a constitutional amendment which would place into the Constitution the procedures adopted by the House and Senate in the impeachment proceedings last year. The Committee determined that such constitutional enshrinement is unnecessary and would prohibit future legislatures from structuring impeachment rules to adequately address future impeachment proceedings. Vote 18-0.

CACR 8, relating to the term of office for judges. Providing that the tenure of judges shall be during good behavior except as otherwise provided by the general court. **INEXPEDIENT TO LEGISLATE**

Rep. Tony F. Soltani for Judiciary: This proposed Constitutional amendment relates to terms of judges. The Committee has established a subcommittee to explore this very idea. However, the Committee has retained an alternative vehicle which could accomplish the objectives of this amendment should the Committee find them most advantageous. Vote 17-1.

HB 360, establishing terms for the offices of administrative judges of the court. **INEXPEDIENT TO LEGISLATE**

Rep. Tony F. Soltani for Judiciary: This bill seeks to impose a term limit for "administrative" or "chief justices" of the various courts. The terms for these particular offices are not prescribed by the Constitution and can be created statutorily. The Committee has created a subcommittee to study this topic and has retained a more flexible bill, which could be used to implement this bill should it be found advisable. Vote 17-0.

HB 444, relative to mental health services and records. **OUGHT TO PASS WITH AMENDMENT**

Rep. James W. Craig for Judiciary: This bill clarifies and broadens the due process protections afforded to people whose conditional discharges from the New Hampshire Hospital are revoked and to those who are found to be incompetent to stand trial in criminal cases. The bill will likely save the state money by releasing people with mental illness from the hospital who do not need to be there while at the same time safeguarding the rights of the individual as well as the safety and rights of society at large. Vote 15-0.

Amendment (0138h)

Amend the bill by replacing all after section 2 with the following:

3 Reference Change. Amend RSA 135:17-a, II to read as follows:

II. If the defendant is to undergo treatment to restore competency, he or she may be treated in the state mental health system or at the secure psychiatric unit ~~(if the criteria set forth in RSA 135-C:27 are met)~~ **only in accordance with RSA 135-C**. In all other cases, the accused shall, if otherwise qualified, be admitted to bail. The court may order bail supervision by the division of field services

and impose such conditions, in addition to the appropriate course of treatment to restore competency, as the court deems necessary to ensure the appearance of the defendant for further proceedings in the case, and the safety of the defendant and the community.

4 Effective Date. This act shall take effect 60 days after its passage.

HB 466, relative to the selection of replacement justices for supreme court justices who are disqualified to hear cases. **OUGHT TO PASS WITH AMENDMENT**

Rep. Loren J. Jean for Judiciary: The intent of this bill is to broaden the pool of available and qualified justices to serve as alternates on the Supreme Court in the event of disqualification or temporary vacancies. This is to help ensure that any chief justice does not "get two votes" by choosing someone they know is on the same philosophical or ideological path as they. Vote 16-0.

Amendment (0579h)

Amend the bill by replacing section 1 with the following:

I Supreme Court Justices; Method for Choosing Replacement Justices for Disqualified Justices. RSA 490:3, II and III are repealed and reenacted to read as follows:

II. Upon the retirement, disqualification, or inability to sit of a justice or justices of the supreme court, the chief justice or senior associate justice of the supreme court shall determine, taking into consideration the requirements of RSA 490:7, whether a replacement justice or justices are needed and if so, the number of replacement justices required. The chief justice or senior associate justice may determine that, for purposes of administrative efficiency, a single replacement justice should serve in more than one case during an argument session rather than using different replacement judges during the session. If the determination is made that a replacement justice or justices are needed, the chief justice or senior associate justice shall notify the clerk of the supreme court that a replacement justice or justices will be selected. The following procedure shall be followed in selecting a replacement justice:

(a) The clerk of the supreme court shall determine whether any retired supreme or superior court justice is available and qualified to serve as a replacement justice. If more than one retired justice is available and qualified to serve, the replacement justice shall be chosen by lot by the clerk from those available and qualified to serve.

(b) If no retired justice is available and qualified to serve as a replacement justice, the clerk of the supreme court shall request that the chief justice of the superior court prepare a list of all active superior court justices available and qualified to serve as a replacement justice. The replacement justice shall be chosen by lot by the clerk of the supreme court from the active superior court justices available and qualified to serve.

(c) The lots shall be drawn publicly in the chamber of the supreme court, after reasonable notice to the parties and to the public to the extent practicable.

(d) After the replacement justice or justices are selected, the clerk of the supreme court shall certify that the above procedure was followed.

III. A justice assigned to sit temporarily on the supreme court pursuant to paragraph II of this section shall have all the authority of a supreme court justice to hear arguments, render decisions, and file opinions. No justice shall be assigned to sit on the supreme court in the determination of any cause or matter upon which the justice has previously sat or for which such justice is otherwise disqualified nor without such justice's consent.

HB 467, relative to a term for the chief justice of the supreme court. **INEXPEDIENT TO LEGISLATE**

Rep. John M. Pratt for Judiciary: The Committee has voted to retain HB 566 as the vehicle to consider term limits for the administrative heads of each of the courts. The Committee will consider the issues contained in HB 467 under that bill. Vote 17-0.

HB 624, establishing a committee to study requiring mandatory ethics seminars for judges. **INEXPEDIENT TO LEGISLATE**

Rep. Robert H. Rowe for Judiciary: The Committee has received duplicate bills on this subject. One of the major subcommittees on judicial reform has retained the subject matter of ethical seminars and judicial ethics generally. The vote of Inexpedient to Legislate on this bill should not be interpreted as a lack of interest by the Committee, but rather the elimination of a duplicate bill. We assure the sponsor that the subject will certainly be seriously considered by the judicial reform subcommittee. Vote 16-0.

HB 482 relative to airport zoning. **OUGHT TO PASS**

Rep. Marilyn A. Fraser for Municipal and County Government: This bill is the result of HB 1161 of the 2000 session to study revisions to the State Aeronautic Laws, RSA 422-424. HB 482 is a simple straightforward bill to clarify that local airport zoning regulation and procedures are subject to the current provisions of laws regarding planning and zoning relative to the adoption, enforcement, rehearing and appeals procedures. This bill has the support of the committee along with the Division of Aeronautics and the Department of Transportation. Vote 13-0.

HB 491, establishing a procedure for zoning boards of adjustment to give notice of violation of zoning ordinances. **INEXPEDIENT TO LEGISLATE**

Rep. James E. Twombly for Municipal and County Government: This bill would allow a zoning board of adjustment to file a notice of violation at the Registry of Deeds when there was a violation of a land use ordinance by a property that has not been resolved. Prior to the notice being filed, the board would be required to file a petition and have a hearing. The action of filing notice would in effect place a "cloud" on the title, which the committee felt presented many unanswered questions. Other concerns that were raised ranged from the unknown administrative burden that would be created by this legislation on the municipality and the Registry of Deeds to the fact that the bill might encourage overzealous citizens or officials to report violations of land use ordinances which could result in an increased number of neighborhood feuds. Finally, unanswered questions arose as to the ramifications of obtaining release when the violations had either been corrected or when the ordinance had been changed making the violation mute. Vote 15-0.

REGULAR CALENDAR**HB 530**, relative to the grounds for termination of the parent-child relationship. **INEXPEDIENT TO LEGISLATE**

Rep. Christopher J. Seibel for Children and Family Law: The Committee felt that this bill would give a parent the right to prevent their child from receiving mental health counseling even if mental health counseling was mandated by the Courts during a CHINS/Diversion hearing. The Committee also felt that HB 576 out of Health and Human Services and Elderly Affairs would address all aspects of the utilization of prescription drugs in New Hampshire. Vote 11-5.

Rep. Albert spoke against.

Rep. Dowling spoke in favor and yielded to questions.

Rep. Rob Thompson requested a roll call; sufficiently seconded.

The question being the adoption of the committee report.

Rep. Jeff Gilbert did not vote and wished to be recorded in favor.

HB 743, transfers the department of youth development services to the department of health and human services. **OUGHT TO PASS WITH AMENDMENT**

Rep. Laura C. Pantelakos for Children and Family Law: This bill places the Department of Youth Development Services (DYDS) under the Department of Health and Human Services under a separate unit, the unit of Juvenile Justice Services. In addition to dealing with all juveniles currently under DYDS, it will transfer the juvenile parole and probation officers from the Division for Children, Youth and Families (DCYF) and Family Services into this unit. It is the hope of this committee that this change will offer a wide array of comprehensive services at sustainable costs. Vote 15-0.

Amendment (0516h)

Amend the bill by replacing all after the enacting clause with the following:

I Purpose. All functions, powers, duties, personnel, records, property and funds of the department of youth development services under RSA 621 and RSA 621-A, including the youth development center in Manchester and the youth services center in Concord, are hereby transferred to the department of health and human services. The commissioner of health and human services shall establish a division, office, or unit within the department for the administration of juvenile justice services, including but not limited to the administration of the youth development center and the youth services center. Any such division, office, or unit shall have the same status within the department as the unit of the department currently responsible for the administration of services to children and youth under RSA 170-G.

2 Governor's Commission on Alcohol and Drug Abuse Prevention, Intervention, and Treatment; Commission Established; Membership Changed. Amend RSA 12-J:1, III (a)(6) to read as follows:

(6) The [commissioner of the department of youth development services] *director of the unit of juvenile justice services, department of health and human services.*

3 New Paragraph; Department of Health and Human Services; Juvenile Justice Services. Amend RSA 126-A:4 by inserting after paragraph II the following new paragraph:

II-a. Notwithstanding any other provision of law to the contrary, the commissioner shall establish a division, office, or unit within the department for the administration of all juvenile justice services, including but not limited to the administration of the youth development center under RSA 621, the youth services center under RSA 621-A, and the supervision of juvenile probation and parole officers under RSA 170-G. Such division, office, or unit shall have the same status within the department as the unit of the department responsible for the administration of services to children and youth under RSA 170-G.

II-b. The commissioner shall administer the youth development center as provided in RSA 621 and the youth services center as provided in RSA 621-A.

4 New Paragraph; Rulemaking. Amend RSA 126-A:16 by inserting after paragraph II the following new paragraph:

II-a. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to the management of the youth development center, the youth services center, and all other juvenile justice facilities and programs operated by the department and all persons connected with the youth development center, the youth services center, and all other juvenile justice facilities and programs operated by the department, and for the admission and care of children at the youth development center, the youth services center, and all other juvenile justice facilities and programs operated by the department.

5 Delinquent Children; Dispositional Hearing; Extended Jurisdiction. Amend RSA 169-B:19, III-a(a) to read as follows:

(a) Prior to the seventeenth birthday of a minor who had been adjudicated delinquent for committing a violent crime as defined in RSA 169-B:35-a, I(c), or who had been petitioned to court on 4 or more occasions and adjudicated delinquent in 4 separate adjudicator hearings which alleged misdemeanor or felony offenses, the prosecutor or the department of health and human services may file a motion with the court to extend jurisdiction pursuant to RSA 169-B:4, V. ~~The department~~

of youth development services may file a motion to extend jurisdiction for any minor committed to its custody pursuant to RSA 169-B:19, 1(j).] The department of corrections shall be served a copy of the motion and be a party to the proceeding.

6 Review of Dispositional Orders in Juvenile Cases; Application for Review; Reference Removed. Amend RSA 169-G:2, I to read as follows:

I. The department of health and human services [~~or department of youth development services~~] may file with the clerk of the district court where the dispositional order was issued an application for review of the order by the review panel. The application shall be filed within 7 days after the date of the dispositional order, but not thereafter except for good cause shown. The filing of an application for review shall stay the implementation of the dispositional order.

7 Commission on Juvenile Justice; Commission Established; Reference to Department of Youth Development Services Removed. Amend RSA 169-H:1 to read as follows:

169-H:1 Commission Established. A commission on juvenile justice shall be established to receive certain reports from the department of health and human services [~~and from the department of youth development services~~]. The commission shall have the power to conduct hearings and to call witnesses and receive testimony regarding reports received from [~~either~~] *the* department. The commission shall consist of 5 members, one appointed by the governor, 2 members of the house of representatives, appointed by the speaker of the house, and 2 members of the senate, appointed by the senate president. No member of the commission shall be a state employee or a contractor with the state of New Hampshire.

8 Commission on Juvenile Justice; Quarterly Reports Replaced With Annual Report. RSA 169-H:2 is repealed and reenacted to read as follows:

169-H:2 Annual Report. The commissioner of the department of health and human services shall, no later than November 1 of each year, submit an annual report to the commission on juvenile justice, established for the purpose of receiving such reports, containing statistical analysis on the use of RSA 169-B, RSA 169-D, RSA 621, and RSA 621-A, and voluntary services programs. Such report shall include but not be limited to analysis of the youths served by the department during the year categorized by age, race, gender, petition type, and offense (for youth served pursuant to RSA 169-B, RSA 621, or RSA 621-A), the costs including transaction costs incurred for services, programs, and placements provided, parental reimbursement collected, the number of out-of-state placements and the cost and duration of such placement, the recidivism rates of youth committed to the youth development center, an analysis of staffing issues in relation to the ability of the department to deliver necessary services, and an identification of areas where services, programs, and placements for youth served pursuant to RSA 169-B, RSA 169-D, RSA 621, and RSA 621-A can be improved. The first such report shall be due September 1, 2001.

9 Parole of Delinquents; Purpose of Juvenile Parole. Amend RSA 170-H:1 to read as follows:

170-H:1 Purpose of Juvenile Parole. It is the intent of the general court that the juvenile parole system provide a means of rehabilitating delinquents who have been committed to the custody of the [~~administrator of the~~] department of [~~youth development services~~] *health and human services*, without continued incarceration. It is also the intent of the general court that the juvenile parole board and the [~~department of youth development services~~] *department of health and human services*, when administering this system, demonstrate recognition of the need to protect the public from criminal acts by juvenile parolees.

10 Parole of Delinquents; Eligibility for Release; Reference Change. Amend RSA 170-H:6, 1(a) to read as follows:

(a) The [~~administrator~~] *commissioner* has determined that parole is in the best interest of the delinquent and the public and that further incarceration will be of no benefit; and

11 New Chapter Title; Youth Development Services Changed to Youth Services Center. Amend the title of RSA 621-A to read as follows:

CHAPTER 621-A

YOUTH [~~DEVELOPMENT~~] SERVICES CENTER

12 Youth Services Center; Definitions Amended. Amend RSA 621-A:1 to read as follows:

621-A:1 Definitions. In this chapter:

I. "Commissioner" means the commissioner of the department of [~~youth development services~~] *health and human services*.

II. "Department" means the department of [~~youth development services~~] *health and human services*.

III. "Detention" means the care of a child in a physically restricted facility while awaiting further action by a court.

13 Youth Services Center; Powers and Duties of Commissioner. RSA 621-A:4 is repealed and reenacted to read as follows:

621-A:4 Powers and Duties of Commissioner.

I. The commissioner shall maintain the youth services center for such purposes as the commissioner shall determine, which may include, but are not limited to, the purposes described in RSA 621-A:5.

II. The commissioner shall adopt rules under RSA 541-a relative to:

(a) The discharge of any child admitted to the center when further detention is either unnecessary or undesirable.

(b) The return of the child to such custody as may be determined appropriate or as ordered by the court.

14 Youth Services Center; Admission. Amend RSA 621-A:6 to read as follows:

621-A:6 Admission[; ~~Discharge From Youth Services Center~~].

[F] Children, subject to proceedings in juvenile court, may be admitted to the youth services center for temporary detention while awaiting disposition of the court pursuant to RSA 169-B:14, for educational services pursuant to RSA 186-C, ~~RSA 169-B~~, ~~RSA 169-C~~, or ~~RSA 169-D~~, only upon prior approval of the commissioner.

[H. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to:

(a) ~~The discharge of any child admitted to the center when further detention is either unnecessary or undesirable; and~~

(b) ~~The return of the child to such custody as may be determined appropriate or as ordered by the court.]~~

15 Youth Development Services; Advisory Board Name Change to Juvenile Justice Advisory Board. Amend RSA 621-A:9, I to read as follows:

621-A:9 [~~Department of Youth Development Services~~] *Juvenile Justice* Advisory Board Established.

I. There is hereby established a [~~department of youth development services~~] *juvenile justice* advisory board. The board shall act in an advisory capacity and make recommendations to the commissioner relative to programs and services provided to children [~~referred to the department pursuant to RSA 169-B~~] *at the youth development center and the youth services center*.

16 Juvenile Justice Advisory Board; Membership Changed. Amend RSA 621-A:9, II (c) to read as follows:

(c) The [~~commissioner~~] *director* of the [~~department~~] *unit* of [~~youth development~~] *juvenile justice* services [~~or designee~~] *within the department*, who shall serve as an ex officio member.

17 New Subparagraphs; Juvenile Justice Advisory Board; Members Added. Amend RSA 621-A:9, II by inserting after subparagraph (h) the following new subparagraphs:

(i) One member of the house children and family law committee, appointed by the speaker of the house.

(j) A juvenile probation and parole officer appointed by the commissioner of the department of health and human services.

18 Duties of the Juvenile Justice Advisory Board; Reference Change. Amend RSA 621-A:11 to read as follows:

621-A:11 Duties of the Advisory Board.

I. The advisory board shall act in an advisory capacity to assist the commissioner of the department of [~~youth development~~] *health and human* services relative to *juvenile justice* programs and services provided to children [~~who are referred to the department~~] *at the youth development center and the youth services center*. The board may also provide advice and input on fiscal and budgetary matters [~~within the department~~] *related to such facilities*, the availability of state and federal grants, business partnerships, and other funding sources available to the department *for such facilities*.

II. Beginning in December 2000, and annually thereafter, the board shall submit a written report to the speaker of the house, the president of the senate, and the governor detailing the activities of the board and any recommendations made by the board to the department *relative to juvenile justice services*.

19 Change from Department of Youth Development Services to Department of Health and Human Services. Amend the following RSA provisions by replacing "department of youth development services" with "department of health and human services": 169-B:19, I(j); 169-B:19, VI; 169-D:17, V(c); 170-H:2, IV-a; 170-H:2, V-a; 170-H:7; 170-H:13; 186-C:3-b, II(o); 186-C:19-a, I; 186-C:19-b, I(a); 186-C:20, I; 621:1, II; 621:3, II-a; 621:3, V-a.

20 Salary Deleted. Amend RSA 94:1-a, I, group O by deleting "commissioner, department of youth development services."

21 Repeal. The following are repealed:

I. RSA 169-B:3, III (c), relative to department of youth development services' access to department of health and human services records.

II. RSA 169-H:3, relative to the annual report of the department of youth development services to the commission on juvenile justice.

III. RSA 621-A:2, relative to the establishment of the department of youth development services.

IV. RSA 621-A:3, relative to the appointment, qualifications, and compensation of the commissioner of youth development services.

V. The subdivision heading "Youth Services Center" preceding RSA 621-A:5

VI. RSA 621-A:8, relative to the rulemaking authority of the department of youth development services.

22 Applicability. The restructuring of the department of youth development services as a unit of the department of health and human services shall occur within 60 days of the effective date of this act.

23 Effective Date. This act shall take effect 60 days after its passage.

Adopted.

Report adopted and ordered to third reading.

HB 171-FN, abolishing the death penalty. MAJORITY: OUGHT TO PASS. MINORITY: IN-EXPEDIENT TO LEGISLATE.

Rep. James R. Splaine for the Majority of Criminal Justice and Public Safety: The committee held a five-hour public hearing and heard much testimony on each side of this issue, with most of those attending in favor of abolishment of the death penalty. It was the belief of the majority of the committee that evidence does not indicate that there is any deterrent from having the death penalty, and most nations, including virtually all of Europe, have abolished the death penalty without any increase in violent crime. Testimony was presented that prosecuting a crime where a death penalty would be given is much more costly than other prosecutions, and that life in prison without any chance of parole, as this legislation provides, would be less costly than the required appeals process leading to an execution. Members of the committee also considered the impact of executions on our youth, and the message that sends. Whether they are televised or not, all executions are "public" in that they receive much publicity, and our youth see that a state government can take someone's life, short of war. Is that a message we want to give to young, immature minds? In essence, adoption of this bill replaces one death penalty with another. Instead of a costly appeals process for several years leading to an execution, the inmate spends the rest of his or her natural life in prison without any chance of parole, and then dies. Vote 9-6.

Rep. Stanley E. Stevens for the Minority of Criminal Justice and Public Safety: New Hampshire has a very carefully crafted capital murder statute. Unlike many other states, it is narrow in application, reserved only for crimes so horrible that anything less than execution of the offender is incomprehensible. It is so restrictive that rarely does a crime rise to that level. The last time this occurred is familiar to most of here in the legislature. The defendant avoided the ultimate penalty by pleading guilty to a lesser charge. However, whether you are for or against the death penalty, can there be any doubt that this crime fell within the definition of our capital punishment statute? Now ask yourself, when was the last time you can recall a crime rising to that level occurring here in New Hampshire? Except the killing of the two troopers a couple of weeks earlier, I can't recall one since back in the 60's. Our current law is a good law. We believe it does have a deterrent effect in that seldom does it have to be applied and even less often implemented. For these, and many other reasons, our minority report members urge you to defeat this bill.

Reps. Stevens spoke against.

Reps. Sargent, Rowe, William Johnson, Loren Jean and DiFruscia spoke in favor.

Reps. Kennedy and Kacavas spoke against and yielded to questions.

Rep. Pilliod spoke in favor and yielded to questions.

Rep. Pitts requested a roll call: sufficiently seconded.

The question being the adoption of the majority committee report of Ought To Pass.

and the majority report failed.

Rep. Avery moved Inexpedient to Legislate.

MOTION TO LAY ON THE TABLE

Rep. Flora moved that **HB 171-FN**, an act abolishing the death penalty, be laid on the table. On a division vote, 169 members having voted in the affirmative and 199 in the negative, the motion failed.

The question now being Inexpedient to Legislate.

Adopted.

INDEFINITE POSTPONEMENT

Rep. Dickinson moved that **HB 171-FN**, an act abolishing the death penalty, be indefinitely postponed.

On a division vote, 212 members having voted in the affirmative and 155 in the negative, the bill was indefinitely postponed.

SPECIAL ORDERS

HB 290-FN-L, relative to eliminating adequate education grant weighting for free and reduced-price meals and relative to modifying the formula for weighting certain home scheduled pupils.

MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Charles B. Yeaton for the Majority of Education: This bill would eliminate weighting, which provides additional funds for communities with large numbers of pupils, who apply for free and reduced meals. Testimony was given those children from low-income families demand more services in order for them to receive an adequate education. Therefore, the committee determined that such a measure would work a considerable hardship on communities with a high proportion of low-income pupils. Vote 11-7.

Rep. P. Judith Sullivan for the Minority of Education: The minority of the Education Committee believes that the current education grant weighting for free and reduced meals does not accurately target the additional funds to those schools and programs that are truly in need of them. The minority also believes that home-schooled students who do not attend their local school should not be given the same weight as those students who do attend.

Rep. Weyler spoke against.

The majority report was adopted.

HB 298-FN-L, relative to charter schools. OUGHT TO PASS WITH AMENDMENT

Rep. John B. Alger for Education: This bill authorizes creation of two charter schools annually, chartered directly by the State Board of Education. Students entering the charter school will be funded for two years from a revolving loan fund established at the Department of Education, thereafter from the Education Trust Fund. The revolving loan fund is required because average daily membership in residence is reported two years in arrears. The revolving fund is reimbursed in the third year from the Education Trust Fund. Vote 10-4

Amendment (0351h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to charter schools and establishing a charter school revolving fund.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Charter Schools and Open Enrollment Schools; Alternative Procedure for Approval of Charter Schools. Amend RSA 194-B by inserting after section 3 the following new section:

194-B:3-a Charter School Approval by State Board of Education.

I. Notwithstanding RSA 194-B:3, III or RSA 194-B:4, a proposed application and contract to establish a charter school may be presented by July 1 of the year preceding intended operation of a charter school by its prospective board of trustees directly to the state board of education. The content of such application shall conform to the requirements set forth in RSA 194-B:3, II. An applicant shall be notified of any missing information within 10 days of the initial filing.

II. The state board of education is hereby authorized to grant charter status to charter school applicants qualifying under this chapter. By September 15 of the given year, the state board of education shall have completed its review of the application and shall either grant or deny its approval in accordance with the requirements set forth in RSA 194-B:3, II.

III. The state board of education shall forward the proposed application, along with its approval or denial, and a written statement specifying any areas deemed deficient to the applicant. The state board of education is authorized to suggest amendments or alterations to the proposed application.

IV. An applicant whose proposed application is not approved by the state board of education shall be granted the opportunity to present a revised application for reconsideration. The state board of education may provide technical assistance to improve a charter school's application or to speed the approval process.

V. A charter school approved in accordance with this section shall be subject to, and in compliance with, the provisions of this chapter, except as provided in paragraph I.

VI. Beginning January 1, 2002, and for the next 10 years thereafter, the state board of education shall be authorized to grant no more than 2 state charter school applications each year under the provisions of this section.

2 Charter Schools and Open Enrollment Schools; Funding Amended. Amend RSA 194-B:11, I is repealed and reenacted to read as follows:

I.(a) There shall be no tuition charge for any pupil attending an open enrollment or charter conversion school located in and approved by a pupil's resident school district. Funding limitations in this chapter shall not be applicable to charter conversion or open enrollment schools located in a pupil's resident district.

(b) For any pupil enrolled in a charter school or open enrollment school pursuant to this chapter, the pupil's resident district shall notify the department of education of the pupil's enrollment. Adequate education grant amounts made under RSA 198:40 and 198:41 shall be paid to the pupil's resident school district from the date of the pupil's enrollment in a charter school or open enrollment school until such time as the pupil is deemed by the department of education to be counted in the average daily membership in residence in the charter school or open enrollment

school. At such time as a pupil enrolled in a charter school or open enrollment school is counted in the average daily membership in residence of the charter school or open enrollment school, adequate education grant payments shall be made directly to the charter school or open enrollment school.

(c) A charter school or open enrollment school may request funds from the charter school revolving fund established in RSA 194-B:11-a for the purpose of covering the tuition costs of those pupils enrolled in a charter school or open enrollment school for the period of time such pupils continue to be counted in the average daily membership in residence of the pupil's resident school district. At such time as a pupil enrolled in a charter school or open enrollment school is counted in the average daily membership in residence of the charter school or open enrollment school and the charter school or open enrollment school is receiving adequate education grant payments, the charter school or open enrollment school shall reimburse the charter school revolving fund for any amounts received. The department of education shall maintain an accounting of all moneys disbursed from the charter school revolving fund.

(d) The adequate education grant amounts shall be equal to the per pupil adequate education cost as determined under RSA 198:40 and 198:41. Such amounts shall be prorated on a per diem basis for pupils attending a charter school or open enrollment school for less than a full school year. To the extent permitted by law, funding for a pupil attending charter or open enrollment school shall be paid on the same time schedule as the resident district, or on such other terms as the school and the funding source may find mutually acceptable.

3 New Section; Charter and Open Enrollment School; Charter School Fund Established. Amend RSA 194-B by inserting after section 11 the following new section:

194-B:11-a Charter School Revolving Fund Established. There is hereby established the charter school revolving fund to be administered by the department of education. Moneys in the fund shall be non lapsing and shall be used exclusively for the purpose of funding the tuition payments of pupils enrolled in a charter school or open enrollment school for the period of time during which a pupil enrolled in a charter or open enrollment school continues to be counted in the average daily membership in residence of the pupil's resident school district.

3 Appropriation. There is hereby appropriated the sum of \$250,000 for the fiscal year ending June 30, 2002, to the charter school revolving fund established in RSA 194-B:11-a for the purposes established in section 3 of this act The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

4 Effective Date. This act shall take place 60 days after its passage.

AMENDED ANALYSIS

This bill establishes a charter school revolving fund in the amount of \$250,000 for the purpose of providing tuition payments for pupils enrolled in a charter school or open enrollment school for the period of time during which such pupil continues to be counted in the average daily membership in residence of the pupil's resident school district. The bill also provides that once a pupil enrolled in a charter school or open enrollment school is counted in the average daily membership in residence of the charter school or open enrollment school, all adequate education payments shall be made directly to the charter school or open enrollment school.

Adopted.
Rep. Claire Clarke spoke against.
Rep. Dearborn spoke in favor.
Rep. Estabrook spoke against and yielded to questions.
Reps. Alger and Henderson spoke in favor and yielded to questions.
Rep. Henderson requested a roll call; sufficiently seconded.
The question being adoption of the committee report.

Referred to Finance.

HB 515-FN-L, establishing parental choice scholarships. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. John R. Alger for the Majority of Education: This bill creates opportunity for lower income parents to receive 80% of the adequate education grant amount for use in either a public or non-public (non-sanctioned) school, of the parents' choice, if the public school to which the child has been assigned has average scores in the bottom half on a statewide basis on the state assessment tests for two years preceding the parent's initial application for a scholarship. Twenty percent of the grant remains with the public schools to which the child was previously assigned, even though the child is no longer in attendance. Vote 8-7.

Rep. Charles B. Yeaton for the Minority of Education: The minority of the committee opposed this bill because of 1) lack of available private schools, especially in the North Country 2) insufficient funds for parents with low incomes 3) ability of private schools to reject any student they do not wish accept 4) money taken from local public schools for scholarships for parents.

Reps. Brewster and John White spoke against.

Rep. Henderson spoke in favor.

Rep. Yeaton spoke against and yielded to questions.

Rep. Vaillancourt requested a roll call; sufficiently seconded.

The question being adoption of the majority committee report.

and the majority report was adopted.
 Referred to Finance.
 Rep. Robb voted aye and intended to vote nay.

HB 629-FN-A, relative to equipment upgrades, improvements, or purchases at the regional vocational education centers and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**
 Rep. Clair A. Snyder for Education: This bill establishes a fund to upgrade and improve equipment and purchase new equipment for the regional vocational schools. The items needed to train these high school students are generally big-ticket items and are beyond the ability of the district to fund. Some of these schools go back to the 70's and we need to train these students on state-of-the-art materials to meet the requirements of future employers. Vote 18-0.

Amendment (0354h)

Amend the bill by replacing all after the enacting clause with the following:

1 Regional Vocational Education; Equipment and Instruction Program Revolving Fund; Criteria Established. Amend RSA 188-E:11, I to read as follows:

I.(a) There is established an equipment and instruction program in which any regional vocational center may establish a revolving fund to be used for capital improvement costs for the replacement or upgrading of equipment, or for aiding instruction in the various vocational programs offered by the center. The fund shall be used to pay necessary costs of equipment *replacement or upgrades* and ~~related~~ *for providing* instructional materials which are required to provide up-to-date adult, business and industry training, re-training or customized programs.

(b) *The commissioner of the department of education shall distribute funds from this program according to the following criteria including but not limited to:*

- (1) *The age of the regional vocational education center with priority of funds given to older centers.*
- (2) *The size of the population served by the regional vocational education center.*
- (3) *The priority of need demonstrated by the regional vocational education center.*

2 Appropriation; Regional Vocational Education Centers. The sum of \$1,300,000 for the fiscal year ending June 30, 2002, and the sum of \$1,300,000 for the fiscal year ending June 30, 2003 are hereby appropriated to the equipment and instruction program established in RSA 188-E:11 to be used solely for the purposes set forth therein. Appropriations to this program shall be non-lapsing and any amounts not used in the first fiscal year shall carry forward into the following fiscal year and shall be in addition to any other appropriations made; provided that no regional vocational education center may receive more than \$200,000 during the biennium. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated.

3 Effective Date. This act shall take effect July 1, 2001.

AMENDED ANALYSIS

This bill makes an appropriation of \$2,600,000 for the biennium ending June 30, 2003 to the department of education to the regional vocational education centers for equipment upgrades, improvements, or purchases according to the criteria set forth in the equipment and instruction program revolving fund.

Adopted.
 Rep. Harrington spoke against.
 Rep. Henderson spoke in favor and yielded to questions.
 Report adopted.
 Referred to Finance.

HB 656-FN-L, relative to the formula for distributing school building aid grants. **OUGHT TO PASS WITH AMENDMENT**

Rep. John B. Alger for Education: This bill offers a targeted building aid option based on the average of median family income and equalized valuation of a community. In addition, the current law

formula of aid, independent of income or valuation is retained so that a choice of this proposed option or current law is allowed. In this way, anticipated aid under current law is retained while offering a "targeted aid" option for less wealthy towns. While the adequacy commission may eventually develop another formula for building aid, the committee felt it is important after three years of study to have a formula on targeted building aid in law. Vote 14-4.

Amendment (0310h)

Amend RSA 198:15-a as inserted by section 2 of the bill by replacing it with the following:

198:15-a Annual Grant for the Payment of Debt Service for School Construction. To aid local school districts in meeting the costs of the payment of debt for school buildings and educational administration buildings, including office facilities for school administrative units, the state board of education shall, from funds appropriated by the general court to carry out the provisions of this subdivision, pay annually to the school districts of the state, sums in accordance with the provisions of this subdivision *or the alternative school building aid provisions under RSA 198:15-u through RSA 198:15-w, depending on which option a school district elects.*

Amend RSA 198:15-v, III as inserted by section 3 of the bill by replacing it with the following:

III. A cooperative school district or area school's grant amount shall be determined by calculating the percentage of the average daily membership in residence represented by each municipality within the cooperative school district and multiplying this percentage by each municipality's percentage of annual building aid awarded under subparagraph I(b) of this section. The resulting product shall be multiplied by the projected cost of the building project. The sum of the individual municipality's entitlement of annual building aid shall be the annual grant for the cooperative school district.

Amend the bill by replacing section 4 with the following:

4 Applicability. The provisions of sections 1-3 of this act shall apply to the total of approved costs of construction of school buildings for which loans are approved as of July 1, 2003 and thereafter.

AMENDED ANALYSIS

This bill creates an optional school building aid grant formula which shall be available to school districts beginning in the 2003-2004 school year.

Adopted.

Report adopted.

Referred to Finance.

HB 747-FN-L, relative to increases in the cost of an adequate education. OUGHT TO PASS WITH AMENDMENT

Rep. Brien L. Ward for Education: The majority of the committee supported this amended bill to prospectively use a two (2) year average of the implicit price deflator calculated by the Bureau of Economic Analysis, United States Department of Commerce to determine the revised cost of an adequate education for each biennium. The amount each school district shall receive will be revised to reflect changes in the average daily membership (ADM) of the state's school districts. This bill will also allow the state to budget adequacy grants for a biennium and insure our school districts that a set amount of aid can be incorporated into their budget on a yearly basis. Vote 10-9.

Amendment (0358h)

Amend RSA 198:40, IV as inserted by section 2 of the bill by replacing it with the following:

IV. The per pupil cost of an adequate education as calculated in a given biennium shall be equal in each year of such biennium.

AMENDED ANALYSIS

This bill:

I. Makes changes to the formula for calculating adequate education grants by using 3 years of statewide assessment program results administered in the third and sixth grades.

II. Provides that for each fiscal year the statewide cost of an adequate education for all pupils shall be adjusted by the 3-year average change in the implicit price deflator as calculated by the Bureau of Economic Analysis, United States Department of Commerce.

III. Provides that the per pupil cost of an adequate education shall be equal in each year of such biennium.

IV. Repeals the January 2, 2003 repeal of the education property tax and the calculation of adequate education grant amounts, and the July 1, 2003 repeal of the education property tax hardship relief provisions.

The question being the adoption of the committee amendment.

Reps. Jacobson and Spiess spoke against.

Rep. Bowles spoke against and yielded to questions.

Reps. Hess and Woelkel spoke in favor and yielded to questions.

LAI D ON THE TABLE

Rep. Langley moved that **HB 747-FN-L**, relative to increases in the cost of an adequate education, be laid on the table.

Rep. Scanlan requested a roll call; sufficiently seconded.

The question being the motion to lay upon the table.

HB 748-FN-A-L, relative to school building aid grants in the determination of adequate education grants. **OUGHT TO PASS WITH AMENDMENT**

Rep. Brien L. Ward for Education: The bill as amended, modifies the weight given for pupils who are eligible to receive a free or reduced meal in the education adequacy distribution formula, school districts whose eligible enrollment is over 25% shall receive an additional weight per pupil of .33. This bill is consistent with the recommendation of the MAP report to the Adequacy Commission, except that it also gives additional aid to districts who have between 15% to 24% enrollment of pupils who are eligible to receive free or reduced meals. This bill also insures through a "Hold Harmless" provision, that no school district shall receive a decrease in their current education adequate grant as a result of this formula revision. The committee vote of 14-2 in favor of this amended bill reflected bipartisan support. Vote 14-2.

The question being adoption of the committee amendment.

Rep. Hess spoke against.

The committee amendment failed.

Rep. Hess offered a floor amendment (0644h).

Floor Amendment (0655h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the distribution of aid to pupils eligible for free or reduced-price meals.

Amend the bill by replacing all after the enacting clause with the following:

1 School Money; Definition of Weighted Pupil Amended. RSA 198:38, VII (d) is repealed and reenacted to read as follows:

(d) Additional weights based on pupils eligible to receive a free or reduced-price meal shall be calculated by multiplying each municipality's elementary average daily membership in residence by the fraction of the pupils from each school in the school district eligible to receive a free or reduced-price meal multiplied by:

(1) If less than 15 percent of a school's pupils are eligible to receive a free or reduced-price meal, zero.

(2) For those pupils representing between 15 percent and 19 percent of each school's enrollment who are eligible to receive a free or reduced-price meal, 0.11.

(3) For those pupils representing between 20 percent and 24 percent of each school's enrollment who are eligible to receive a free or reduced-price meal, 0.22.

(4) For those pupils representing 25 percent or more of each school's enrollment who are eligible to receive a free or reduced-price meal, 0.33.

Nothing in this subparagraph shall result in a decrease in the adequate education grant amount calculated and distributed under RSA 198:40 and 198:41 to a municipality in the fiscal year ending June 30, 2002. Nothing in this subparagraph shall result in a decrease in the adequate education grant amount calculated and distributed under RSA 198:40 and 198:41 to a municipality in any fiscal year after June 30, 2002.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill amends the formula for weighted pupils based on eligibility to receive a free or reduced-price lunch based on the percentage of pupils in each school who are eligible to receive a free or reduced-price meal.

Rep. Estabrook spoke against and yielded to questions.

Rep. John White spoke against.

Reps. Hess and Ward spoke in favor.

MOTION TO LAY ON THE TABLE

Rep. Nordgren moved that **HB 748-FN-A-L**, relative to school building aid grants in the determination of adequate education grants, be laid upon the table.

Rep. Zolla requested a roll call; sufficiently seconded.

The question being adoption of the motion to lay on the table.

and the floor amendment was adopted.

On a division vote, 203 members having voted in the affirmative and 156 in the negative, the report was adopted.

Referred to Finance.

REGULAR CALENDAR (CONT'D)

CACR 14, relating to the election of the attorney general and the appointment of county attorneys. Providing that the attorney general shall be elected by the general court and county attorneys shall be nominated and appointed by the governor and executive council. **INEXPEDIENT TO LEGISLATE**

Rep. Janet S. Arndt for Election Law: This CACR would have the attorney general elected by the legislature. The committee felt that the election by the legislature would make the attorney general indebted to the legislators and it would overly politicize the position. Allowing the governor to make the appointment with approval of the executive councilors as it is presently done gives more options for changing the attorney general. The CACR would also have the governor appoint and the executive council approve all county attorneys. This would drastically change present practice and is unwarranted at this time. Vote 16-2.

Adopted.

HB 633, relative to the order of names on ballots. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Natalie S. Flanagan for the Majority of Election Law: The committee felt that the random drawing by the secretary of state for the order of names on the ballot was not necessary. Although the sponsors' intent is laudable, it would add to the ballot confusion instead of the simple alphabetical order system we have presently. This bill will only affect elections in multi-seat legislative districts. Vote 13-6.

Rep. Steve Vaillancourt for the Minority of Election Law: The tri-partisan minority (that means that members of all three parties were included) believes this bill is a simple matter of fairness. Currently, names are placed on the ballot in alphabetical order. The bill would mandate the secretary of state to choose a letter at random the day prior to the filing for an election cycle. In other words, if "M" were chosen, names beginning with "M" would appear first on the ballot, then "N", etc. until we get to "L" which would be the 26th and last letter. National surveys have shown that placement on the ballot can provide an advantage of as much as five percent. The minority (whose names begin with letters ranging from B to K to V) believes that, although such placement would affect the outcome of only a few elections, fairness dictates that every effort be made to remove even such a small advantage. The random drawing provides fairness without any great amount of confusion or effort. The minority also wishes to stress that this bill does not alter the current system of all members of the Republican Party being listed first, then the Democratic Party, then any third party candidates. The randomization would be in effect for primaries as well as general elections and would be most applicable in multi-seat state representative districts such as Derry, Londonderry, Goffstown or other towns where many names appear in the same ballot slot. The majority report was adopted.

HB 324-FN, relative to the classification of certain service of correctional line personnel as group II service and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**

Rep. William R. Zolla for Executive Departments and Administration: This bill is quite complex relative to the classification of certain service of correctional line personnel as group II service and making an appropriation therefor. In the past, a long state dispute over group I-group II status was finally resolved and this bill now asks that the state pay for the total buy-back for the affected personnel that were reassigned from group II to group I status over a period of several years. Due to the complexity for the situation, the legal questions involved and the fact that all administrative procedures in the courts have not been resolved, the committee felt that the bill was neither in the best interest of the employees involved or the state. The cost to resolve the situation is between \$1,000,000.00 and \$2,535,000.00 which would be paid from the general fund. Vote 11-3. Adopted.

HB 746, authorizing citizen suits to assure enforcement of New Hampshire's environmental statutes. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Robert H. Rowe for the Majority of Judiciary: An overwhelming majority of the Judiciary Committee found this proposal of citizen lawsuits – initiated against their neighbors and communities – a dangerous proposition. The Legislature enacted most of our environmental laws with the assumption and expectation that the Department of Environmental Services, a state agency, with the Attorney General, would exercise significant DISCRETION in its enforcement of those laws. This proposal totally destroys that expectation of reasonableness. The majority believes that the role of enforcement should be the responsibility of the state agencies that administer the law and implement the rules. If DES is unable in its efforts (and some of us believe that it may be) it is the responsibility of the Legislature to take the necessary steps to correct the problems – not a citizen with the support of a well financed environmental action organization to do so. This bill would throw common sense out the window in dealing with our environmental issues – and in its place there would be unreasonable expense to citizens and businesses, posting of privately owned lands, delayed and/or prohibited lumbering operations, and certainly a clear sense that New Hampshire will no longer be the "Live Free or Die" state. Vote 16-1.

Rep. Peter S. Espieffs for the Minority of Judiciary: HB 746 gives a citizen the opportunity to bring an action where the Department of Environmental Services (DES) is indifferent to or unable to protect the public interest. The citizen's right to sue arises only after the DES has been notified and has failed to act within 60 days. If the citizen's lawsuit is deemed trivial, the court may assess attorneys' fees against the citizen. The bill is supported by the Attorney General of New Hampshire because enforcement of the environmental laws by the DES has been deficient. It is critical that the State's environmental laws be capable of enforcement by its citizens in order to support the authority and integrity of the State's environmental policy. The bill needs some technical fine-tuning, and ought to be referred to committee for further consideration.

The majority report was adopted.

HB 25-FN-A, making appropriations for capital improvements. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS WITH AMENDMENT.

Rep. Edwin O. Smith for the Majority of Public Works and Highways: The Committee worked very hard to get this Capital Budget to the final stage. The funding for capital projects for the University System was the major point of discussion. The majority and the minority agree that the total amount of the appropriation for renovations should be \$100 million. This would be one of the largest funding commitments ever made by the legislature. In fact, it is unprecedented in our capital budget history. The majority of the committee determined that it is in the best interest of the state and the entire capital budget process that the \$100 million commitment should actually be spread out over the next 3 bienniums (6 years) rather than appropriating the entire amount up front as the minority would like. As such the majority proposes to appropriate \$34 million for the biennium ending June 30, 2003, \$33 million for the biennium ending June 30, 2005, and \$33 million for the biennium ending June 30, 2007. The top priorities of the University are still addressed in the same order as the requests. This funding plan provides the type of accountability expected of all other state agencies for capital budget appropriations and spending while still providing the University with the money needed over time to meet its demonstrated need to renovate certain buildings. In addition to the University System portion, the committee looked at life safety issues. Many projects included in the budget were directed to protecting the public who visit our buildings regularly, and employees who serve the needs of government. We also looked seriously at the high school vocational education system, approving a major upgrade to a facility. The Community Technical College System received funding allowing them to expand some programs. We added an item for the Department of Cultural Resources to install a statewide catalog system for local libraries and their local citizens to use. In addition, we continued many ongoing programs for various state buildings, including completing the renovations of the state laboratory on Hazen Drive, a new court facility in Carroll County, and the learning center for the Community Technical College System at Stratham. All of these projects were more than \$1,000,000 each, and all from General Fund bonds. Vote 12-5.

Rep. John R. Cloutier for the Minority of Public Works and Highways: Overall, the capital budget included in this bill makes some worthwhile investments to improve our state’s infrastructure. But, the minority respectfully cannot support the bill in its present form as amended by the majority, because it fails to include a long-term six-year \$100 million plan of renovations to the University System’s academic buildings. Such a plan should help the System design and construct such buildings more efficiently, thus saving the taxpayers money in the long run. The majority’s plan of renovating the buildings piecemeal biennium by biennium for the next six years would not produce such savings in the minority’s opinion. Instead the minority supports an amendment which includes a long-term six-year \$100 million plan.

Majority Amendment (0582h)

Amend the bill by replacing all after the enacting clause with the following:

I Capital Appropriations. The sums hereinafter detailed are hereby appropriated for the projects specified to the departments, agencies, and branches named:

I. Adjutant General.	
A. Armory Renovations - Statewide	\$ 400,000
B. Reroofing Plymouth and Franklin Armories and SMR building "F"	210,000
C. Army Aviation Support Facility Construction - Concord	30,600,000
Less Federal	- 30,600,000
Net state appropriation subparagraph C	0
D. NHSVC Administration Building	514,000
Less Federal	- 514,000
Net state appropriation subparagraph D	0
E. NHSVC Grave Locator and Public Restroom	94,000
Less Federal	- 94,000
Net state appropriation subparagraph E	0
F. NHSVC Columbarium Expansion	305,000
Less Federal	- 305,000
Net state appropriation subparagraph F	0

G. NHSVC Irrigation	141,000
Less Federal	- 141,000
Net state appropriation subparagraph G	0
H. NHSVC Foot Bridge	210,000
Less Federal	- 210,000
Net state appropriation subparagraph H	0
I. USPFO Addition and Renovation	4,036,700
Less Federal	- 4,036,700
Net state appropriation subparagraph I	0
J. NHNG Training Site Range-Center Strafford	2,280,800
Less Federal	- 2,280,800
Net state appropriation subparagraph J	0
Total state appropriation paragraph I	\$ 610,000
II. Administrative Services.	
A. Bureau of General Services.	
1. State Laboratory - Complete HVAC Repairs	\$ 8,552,200
2. E-911 Install Ventilation Unit	133,000
3. 6 Hazen Drive - Install Fire Suppression System	807,500

Total state appropriation section 1	\$ 50,548,200

* The bonds issued for these projects shall be 5 year bonds.

2 Appropriation; University System of New Hampshire.

I. The general court intends to appropriate a total of \$100,000,000 during the bienniums ending June 30, 2003, June 30, 2005, and June 30, 2007 to fund capital improvement projects at the university system of New Hampshire. The legislature intends to appropriate \$33,000,000 for the biennium ending June 30, 2005; and \$33,000,000 for the biennium ending June 30, 2007.

II. The sums hereinafter detailed are hereby appropriated for the projects specified:

A. Murkland Hall renovation	\$ 8,500,000
B. Mason Library renovation	\$ 4,600,000
C. Boyd Hall renovation and expansion	\$ 16,000,000
D. Kingsbury Hall design	\$ 3,000,000
E. NHPTV equipment	\$ 1,900,000
Total state appropriation section 2	\$ 34,000,000

III. Requests by the university system of New Hampshire submitted in the capital budget request in accordance with RSA 9 for the bienniums ending June 30, 2005 and June 30, 2007 shall specify which projects the university system intends to include in the \$33,000,000 to be appropriated for that biennium.

3 Appropriation; Fish and Game Department. The sums hereinafter detailed are hereby appropriated for the projects specified:

A. Statewide Fish Hatchery Capital Improvement Study	\$ 200,000
Total state appropriation section 3	\$ 200,000

4 Appropriation; Department of Safety and Department of Transportation. The sums hereinafter detailed are hereby appropriated for the projects specified:

I. Department Of Safety.

A. Hayes Building Sprinkler System	\$ 424,500
B. Radio System – County Tie-in	1,000,000
Total state appropriation paragraph I	\$ 1,424,500

II. Department Of Transportation.

A. Security & Building Modifications - Traffic	\$ 626,000
B. Energy/Environmental Renovations/Replacements and Emergency Repairs - Statewide	1,000,000
C. Replacement of Shop Cranes - Mechanical Services - Statewide	407,000
D. New Garage & Testing Lab Facility	\$ 18,423,000
Less Other (Sale of existing garage)	- 4,000,000
Net state appropriation subparagraph D	14,423,000
Total state appropriation paragraph II	\$ 16,456,000
Total state appropriation section 4	\$ 17,880,500

5 Expenditures: General. The appropriation made for the purpose mentioned in sections 1, 3, and 4 and the sums available for those projects shall be expended by the trustees, commissions, commis-

sioner, or department head of the institutions and departments referred to herein; provided that all contracts and projects and plans and specifications therefor shall be awarded in accordance with the provisions of RSA 228.

6 Expenditures; University System of New Hampshire.

I. The appropriations made for the purposes mentioned in section 2 and the sums available for these projects shall be expended by the trustees of the university system of New Hampshire. All contracts for the construction of all or any part of said buildings or facilities shall be let only after competitive sealed bids have been received and only after an advertisement calling for such bids has been published at least once in each of 2 successive calendar weeks in a newspaper of general circulation in New Hampshire or in a trade journal known to be circulated among the contractors from whom bids will be sought with the state of New Hampshire or elsewhere in the area. The first publication of such advertisement shall be not less 30 days prior to the date the bids will be received. All conditions considered, wherever possible, it is recommended that the services of New Hampshire architectural and construction firms be considered within the discretion of the trustees.

II. The appropriations made in section 2 are available for all costs incidental to the completion of the projects enumerated including the costs of the services of architects, engineers, and other consultants of such kind and capacity as the university system board of trustees, in its discretion, may wish to employ on such terms and conditions as the board determines. These moneys shall be spent under the direction of the university system board of trustees and subject to the provisions of section 13 of this act.

III. If, in the judgment of the trustees of the university system, just cause exists indicating the lowest bid should be rejected, then the contract may be awarded to the next lowest bidder; or, if the next lowest bid should be rejected, the contract may be awarded to the third lowest bidder.

IV. The board of trustees of the university system has the right to reject any and all bids and, if the lowest bid is in excess of the appropriation, the board has the right to negotiate with the low bidder or with the 3 lowest bidders for a contract for the construction upon terms considered most advantageous to the university. If only one bid is received, the board of trustees may negotiate a contract for the construction on terms considered most advantageous to the university system and to the state. Any authorization contained in this act which is at variance with the requirements of applicable federal law and regulations shall be controlled by the terms of the federal law and regulations.

7 Land Acquisition. Any land acquired under the appropriations made in sections 1, 3, and 4 of this act, except such land, if any, as may be acquired under the appropriation for the department of environmental services, shall be purchased by the commissioner of the department of transportation with the approval of governor and council.

8 Bond Authorized. To provide funds for the total of the appropriations of state funds made in sections 1, 2, 3, and 4 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$102,628,700 and for said purposes may issue bonds and notes in the names and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A.

9 Payments.

I. The payment of principal and interest on bonds and notes issued for the projects in sections 1 and 2 shall be made when due from the general funds in the state.

II. The payment of principal and interest on bonds issued for the projects in:

(a) Section 3 shall be made from the fish and game fund.

(b) Section 4 shall be made from the highway fund.

10 Powers of Governor and Council. The governor and council are hereby authorized and empowered:

I. To cooperate with and enter into such agreements with the federal government, or any agency thereof, as they may deem advisable, to secure federal funds for the purposes hereof.

II. To accept any federal funds which are, or become available for any project under sections 1, 3, and 4 beyond the estimated amounts. The net appropriation of state funds for any project for which such additional federal funds are accepted shall be reduced by the amount of such additional funds, and the amount of bonding authorized by section 8 shall be reduced by the same amount.

11 Transfers. The individual project appropriations provided in sections 1, 2, 3, and 4 of this act shall not be transferred or expended for any other purposes; provided that if there is a balance remaining after an individual project, which is fully funded by state funds, is completed, accepted,

and final payment made, said balance or any part thereof may be transferred by governor and council, or for expenditures made pursuant to section 6 by the trustees of the university system, to any other individual project or projects, which are also fully funded by state funds, within the same section and from the same funding source, provided that prior approval of the capital budget overview committee is obtained.

12 Reduction of Appropriation and Bonding Authority. If the net appropriation of state funds for any project provided for by sections 1, 3 and 4 is determined on the basis of an estimate of anticipated federal, local, or other funds, and if the amount of such funds actually received or available is less than said estimate, then the total authorized cost for such projects and the net appropriation of state funds thereof shall be reduced by the same proportion as the proportion by which federal, local, or other funds are reduced. The amount of bonding authorized by section 8 shall be reduced by the amount that the appropriation of state funds is reduced pursuant to this section.

13 Oversight and Reporting Required; University System. The legislative budget assistant shall provide a report every 90 days to the governor and legislative capital budget overview committee on the progress of each of the capital projects funded from the sum appropriated and authorized in section 2 beginning September 30, 2001 until the funds appropriated in section 2 are fully expended. Said reports shall include the method of selecting contractors, the current total project cost, funds encumbered, actual expenditures, and estimated completion date for each project. The board of trustees of the university system of New Hampshire shall provide information necessary for the reports upon request of the legislative budget assistant.

14 Appropriation; Office of the Legislative Budget Assistant. The sum of \$50,000 for the biennium ending June 30, 2003, is hereby appropriated to the office of the legislative budget assistant for the purpose of preparing the reports required by section 13 of this act. This appropriation shall be in addition to any other sums appropriated to the office of the legislative budget assistant. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

15 Information Technology Equipment and Software. Individual project appropriations for information technology equipment provided for by sections 1, 3, or 4, or for any other agency in any budget bill enacted during the 2001 legislative session, shall not be spent, obligated, or encumbered until such time as the agency's information technology plans are reviewed by the division of information technology management pursuant to RSA 21-I:67 and approved by the capital budget overview committee. The division of information technology management shall review any such agency technology plans within 90 days. An agency may request an extension of time from the capital budget overview committee.

16 Appropriation; Payment of Bonds and Notes; Department of Regional Community-Technical Colleges; Addition to Student Center; Concord.

I. The sum of \$1,500,00 is appropriated to the department of regional community-technical colleges for the purpose of the construction of an addition to the Dr. Goldie Crocker Wellness Center on the Concord campus.

II. To provide funds for the appropriation made in paragraph I the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$1,500,00 and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A. Payments of principal and interest on the bonds and notes shall be made from the technical institute private fund.

17 Appropriation Purpose Amended; Department of Transportation; Salt Sheds; Exeter, Gonic, Moultonborough. Amend 1999, 226:4, I, B to read as follows:

B. [~~Roof repair/Stickney Ave.~~] *Salt Sheds – Exeter Patrol Shed,
Gonic, Moultonborough*

630,000

18 Lapse Dates Extended to June 30, 2003. The following appropriations are hereby extended to June 30, 2003.

I. The appropriation made to the department of corrections in 1995, 309:1, IV, K, as amended by 1997, 349:29, and as extended by 1997, 349:34, XVII and 1999, 226:32, VIII, for preliminary design of expanded correctional facilities, including land acquisition, in accordance with federal crime bill grants.

VIII. The appropriation made to the department of administrative services in 1999, 226:1, II, A, 2, for state lab electrical wiring/panel replacement.

IX. The appropriation made to the department of administrative services in 1999, 226:I, II, A, 4, for health and human services flash and recoat stair tower.

X. The appropriation made to the department of administrative services in 2000, 283:2, for renovation to the Walker building.

XI. The appropriation made to the department of administrative services in 1997, 349:1, II, A, 3, as extended by 1999, 226:32, XIX, for roof repairs – Supreme Court.

XII. The appropriation made to the department of administrative services in 1997, 349:1, II, A, 12, as extended by 1999, 226:32, XXII, for emergency repairs, contingency fund.

XIII. The appropriation made to the department of administrative services in 1997, 349:1, II, A, 13, as extended by 1999, 226:32, XXIII, for the life safety, renovations – health and human services building.

XIV. The appropriation made to the department of administrative services in 1999, 226:1, II, A, 8, for executive/legislative budget system.

XV. The appropriation made to the department of administrative services, bureau of court facilities in 1993, 359:1, II, B, 2, as extended by 1994, 171:1, 1996, 257:5 and 1998, 226:4, and as amended by 2000, 283:4, for the Plaistow district court.

XVI. The appropriation made to the department of administrative services in 1995, 309:1, II, B, 3, as amended by 1997, 349:34, XIV, and as extended by 1999, 226:32, VI, for the study and design of court facility on county donated land – Carroll County Superior Court.

XVII. The appropriation made to the department of administrative services in 1997, 349:1, II, C, 1, as extended by 1999, 226:32, XXV, for the bureau of court facilities Dover/Durham/Somersworth District Court.

XVIII. The appropriation made to the department of administrative services in 1999, 226:1, II, A, 9, for information technology plan consultants.

XIX. The appropriation made to the department of safety in 1999, 226:4, II, A, as amended by 2000, 132:2, for design and construct troop D barracks/DMC training.

XX. The appropriation made to the department of safety in 1999, 226:4, II, D, for carpeting at 10 Hazen Drive, Concord

XXI. The appropriation made to the department of safety in 1999, 226:4, II, B, for paving and roof replacement at troop stations.

XXII. The appropriation made to the department of education in 1999, 226:1, VI, A, for computer applications expansion/replacement.

XXIII. The appropriation made to the department of transportation in 1993, 359:1, XII, A, 1, as extended by 1994, 171:1, 1996, 215:3, III, 1997, 349:34, X and 1999, 226:32, IV, for land acquisition for navigation beacons.

XXIV. The appropriation made to the department of transportation in 1997, 349:1, XIV, A, as extended by 1999, 226:32, XXXVII, for 5-10 percent match FAA airport projects.

XXV. The appropriation made to the department of transportation in 1999, 226:1, XIII, A, for match for FAA projects.

XXVI. The appropriation made to the department of transportation in 1999, 226:1, XIII, B, for match for public transit bus replacement.

XXVII. The appropriation made to the department of transportation in 1999, 226:1, XIII, C, for acquisition for railroad and airport properties.

XXVIII. The appropriation made to the department of transportation in 1999, 226:1, XIII, E, for compliance, governor's commission on disability.

XXIX. The appropriation made to the department of transportation in 1999, 226:4, I, E, for energy and environmental renovations-statewide.

XXX. The appropriation made to the department of transportation in 1999, 226:4, I, F, for Conway rest area.

XXXI. The appropriation made to the department of transportation in 1999, 226:1, XIII, D for the Concord rail bridge.

XXXII. The appropriation made to the department of transportation in 1999, 226:4, I, B, as amended by section 17 of this act, for salt sheds - Exeter patrol shed, Gonic, Moultonborough.

XXXIII. The appropriation made to the department of health and human services in 1995, 309:1, VII, B, I, as extended by 1997, 349:34, XXIII and 1999, 226:32, XI, for RSA 171-B mentally retarded criminal offenders.

XXXIV. The appropriation made to the department of health and human service by 1995, 310:191, as amended by 1997, 349:31 and 1998, 276:2, as extended by 1997, 349:34, XXXVII and 1998, 276:3, and as amended by 1999, 226:29 and extended by 1999, 226:32, XVI for design and renovation of APS-B-wing, M and S building and Thayer building improvements, Glendcliff home improvements, and improvements to the Brown building.

XXXV. The appropriation made to the department of health and human services in 1999, 226:1, VIII, A for laboratory safety improvements.

XXXVI. The appropriation made to the department of health and human services in 1999, 226:1, VIII, F for Laconia developmental services campus-designated receiving facility renovations-developmental services.

XXXVII. The appropriation made to the department of health and human services in 1999, 226:1, VIII, H for information technology.

XXXVIII. The appropriation made to the New Hampshire port authority in 1999, 226:1, XI, A, for building improvements.

XXXIX. The appropriation made to the New Hampshire veterans' home in 1999, 226:1, XIV, A, to design and build a new facility.

XL. The appropriation made to the adjutant general in 1999, 226:1, I, C, for renovation of state armories.

XLI. The appropriation made to the community technical college system in 1999, 226:1, IV, C, for maintenance/critical repairs.

XLII. The appropriation made to the community technical college system in 1999, 226:1, IV, D, for general science laboratory upgrades.

XLIII. The appropriation made to the department of environmental services in 1999, 226:1, VII, D, for storage building for emergency response equipment.

XLIV. The appropriation made to the department of health and human services in 1999, 226:1, VIII, F, for Laconia developmental services campus-designated receiving facility renovations-developmental services.

19 Contingency; Department of Transportation. Sections 17 of this act and paragraph XXXII of section 18 of this act shall only take effect if the 2001 capital budget includes the appropriation to the department of transportation for a new garage and testing lab facility, as provided in paragraph II, D of section 4 of this act.

20 Effective Date.

I. Section 18 of this act shall take effect June 30, 2001.

II. The remainder of this act shall take effect on July 1, 2001.

The question being the adoption of the majority committee amendment.

Rep. Marjorie Smith spoke against and yielded to questions.

Rep. Edwin Smith spoke in favor and yielded to questions.

Adopted.

Report adopted.

Referred to Finance.

MOTION TO PRINT REMARKS

Rep. Jeb Bradley moved that Rep. Edwin Smith's remarks on *HB 25*, making appropriations for capital improvements, be printed in the Journal.

Adopted.

REMARKS

Rep. Edwin Smith: Thank you Mr. Speaker. While the previous speaker and I share the same name, we don't always agree, but we always disagree agreeably. The Public Works and Highways Committee spent a long time on this budget and I think we have a good product that came out of that deliberation. There was a copy of the handout in your mailbox outside for everyone to have and you can look up and see where the changes were that we made. The biggest area of disagreement on the budget was the University System. We felt that there have been some times in the past when the two did not see eye to eye, that being the University System and the legislature, as far as where the appropriations were spent. We felt that if we appropriated or agreed to the one hundred million dollars with the very strong intent, and that is what we are doing, we are saying we will appropriate, we intend to appropriate one hundred million dollars over the next six years. The intent of the legislature goes a long way; the court decisions in a lot of things that we do, the intent is the primary focus of what goes on in the future and what was intended at the time of legislation. There is no question in my mind but what a majority, unanimously, on the committee, think that the one hundred million dollars should be spent to improve the University System's buildings. The building that seems to be getting the most attention is Kingsbury Hall. Kingsbury Hall is the engineering building and, as many of you have heard, there is a question about the accreditation of the facility. In that light, when we were talking with the University people who were presenting the budget to us, we asked them if they would like to change the priority and make that the number one priority so that something could be done sooner. They said "no," that they wanted to keep with their priorities from prior years and not make any changes. But as far as doing something sooner, when you look at that the planning money is in the current appropriation, the planning time to get that from where it is now to having specs to go out to bid is 15 to 18 months, if everything goes well without any hitches. We're going to be in the next biennium at that time. We have the intent, and I would hope that everyone here who votes for the capital budget has the same intent, that when we look at this capital budget two years from now, we made a commitment that we would do the next funding phase of this. But to go back to Kingsbury again, that building should go on seamlessly, the appropriation that comes in two years will allow them to continue to move forward with the construction of that building and it should be realized as soon as it would be if we did the whole project for one hundred million dollars.

The other problem we had appropriating one hundred million dollars at one time over six years, there are a couple of other agencies who had the same needs as far as buildings and we felt if we treated one appropriation differently than we treated the others, that wouldn't be fair and to accommodate the University to do what they need to do, we realized that we had to go the one hundred million dollar route, but we certainly give the intent that we will continue to fund this and we will do it as flexibly as we feel we can. We do think that this process should work the way we have it lined out and we do give our word we will continue to do this and as I said earlier, I hope the whole House does this when we vote on the capital budget — that we remember that there is a commitment here and we will be coming back in two years to fulfill that commitment and two years in the future after that we will also be looking for the same commitment from this body.

Rep. Jeb Bradley: Thank you, Mr. Speaker, Thank you for yielding, Rep. Smith. I appreciate, as the prime sponsor of HB 336, your strong commitment to funding in the capital budget process on an ongoing basis the one hundred million dollars. This is my question. I'm sure that you are still aware of the concern that while the capital budget this year has a 34 million dollar rough appropriation for the University and the intent of the remaining 66 million dollars is not cast in stone and is there some way, Rep. Smith, that you can assure myself, as a sponsor of this bill, and all of the other supporters of the University that this intent will be met?

Rep. Edwin Smith: If you read the amendment that is in the bill, it does say it is the intent of the legislature to fund the full 100 million dollars. Also, the part of the public record that is in the committee folder says statement of intent; the "blurb" is written after that and we say in the "blurb" we intend to do that. Certainly the commitment is there from those of us who are here, we all know

that not all of us are going to be returning in two years, but have talked about this and I think that we have made our intentions well known. I don't think that anyone out there is going to forget that we are standing up here saying that's the intent of the committee.

HB 402, relative to the establishment of a state universal service fund. **OUGHT TO PASS WITH AMENDMENT**

Rep. John H. Thomas for Science, Technology and Energy: The committee found that universally available and affordable basic telephone services are essential to the prosperity and development of the state, and authorizes the Public Utilities Commission (PUC) to establish draft rules in relation to a state universal service fund. The intent is to authorize the PUC to develop draft rules and to assess costs and services associated with a universal service program in order to assist the General Court in considering the enactment of a state universal service program. After the rules, costs and services have been drafted and statutorily approved by the General Court in subsequent legislation, the PUC shall require every provider of intrastate telephone service to contribute to a state universal services fund to support the programs and goals of this act. It is not the intent of the legislature that this act is to be used to subsidize rates. Vote 14-0.

Amendment (0532h)

Amend the bill by replacing all after the enacting clause with the following:

1 Declaration of Purpose and Findings. The general court finds that universally available and affordable telephone services are essential to the prosperity and economic development of the state. This act authorizes the public utilities commission to establish rules in relation to a state universal service fund to provide affordable basic service consistent with federal law to low-income users and comparability of service and rates for affordable basic telephone service in high cost service areas. This act further provides the public utilities commission the authority to develop draft rules in relation to public interest pay telephones.

2 Intent. Passage of this act is not intended to establish or to authorize the establishment of a state universal service fund. The intent of the general court is to authorize the public utilities commission to develop draft rules consistent with the standards established in this act and to require the public utilities commission to assess the costs and services associated with a universal service program in order to assist the general court in considering the enactment of a comprehensive universal service program.

3 New Section; Affordable Telephone Service. Amend RSA 374 by inserting after section 22-o the following new section:

374:22-p Affordable Telephone Service; Rulemaking; Standards.

I. For the purposes of this section, "Federal Telecommunications Act" means the federal Telecommunications Act of 1996, Public Law 104-458, 110 Stat. 56.

II. Subject to RSA 362:6, the commission shall require every provider of intrastate telephone service to participate in outreach programs designed to increase the number of low-income telephone customers on the network through increased participation in any universal service program approved by the commission and statutorily established by the legislature. Statewide outreach programs shall continue until further order of the commission.

III. The commission shall seek to ensure that affordable basic telephone services are available to consumers throughout all areas of the state at reasonably comparable rates.

IV.(a) The commission shall develop draft rules to implement this section and shall, after the statutory establishment of a universal service fund, require every provider of intrastate telephone services to contribute to a state universal service fund to support programs consistent with the goals of applicable provisions of this title and the Federal Telecommunications Act.

(b) If the commission, upon statutory establishment of a universal service program, establishes a state universal service fund pursuant to this section, the commission shall contract with an appropriate independent fiscal agent that is not a state entity to serve as administrator of the state universal service fund. Program administration shall be designed in the most cost-effective manner possible. Funds contributed to a state universal service fund are not state funds and therefore are not subject to provisions of law relating to the general fund. Rules and any state universal service fund requirements established by legislative enactment and by the commission pursuant to this section shall:

(1) Be reasonably designed to maximize federal assistance available to the state for universal service purposes.

(2) Meet the state's obligations under the Federal Telecommunications Act.

(3) Be consistent with the goals of the Federal Telecommunications Act.

(4) Ensure that any requirements regarding contributions to a state universal service fund be nondiscriminatory and competitively neutral.

(5) Require explicit identification on customer's bills of contributions to and in the event of fund termination, refunds from, any state universal service fund established pursuant to the section.

(6) Allow consideration in appropriate rulemaking proceedings of contributions to and in the event of fund termination, refunds from, any state universal service fund established pursuant to this section.

(c) For purposes of this section, "providers of intrastate telephone services" includes providers of radio paging service and, subject to the provisions of the Federal Communications Act as amended and codified at 47 U.S.C. sec. 332(c)(3)(A), mobile telecommunications services.

(d) Prior to requiring that providers of intrastate telephone service contribute to a state universal service fund and prior to statutory establishment of a universal service fund, the commission shall report to the general court its determination of the expected program costs, the amount and type of the funding mechanism, the number of people proposed to be served, the level of proposed service, and the administrative design of the proposed fund.

V. The commission, annually, shall assess the penetration rate of basic telephone services. If this penetration rate ever falls below the national average penetration rate, the commission shall commence an investigation and take steps to enhance telephone market penetration. The commission, annually, shall assess the success of any action taken by the commission to achieve the purpose of this section. The public policy goal should be to raise the low income penetration level as close as reasonably possible to the statewide average.

VI. The commission shall have the authority to permit funding from the universal service fund of fair compensation to providers of public interest pay telephones, as defined by the commission, that are provided in the interest of public health, safety, and welfare in locations where there otherwise would not be a payphone.

VII. Funding of public interest payphones shall be fair and equitable, shall be competitively neutral, and shall not involve the use of subsidies prohibited by the Federal Telecommunications Act or rely on federal universal service support.

4 Effective Date. This act shall take effect July 1, 2001.

AMENDED ANALYSIS

This bill requires the public utilities commission to develop draft rules regarding a state universal service fund. This bill also establishes requirements for a state universal service fund which provide that, if the legislature establishes a universal service program, the universal service program shall:

I. Require providers of intrastate telephone service to participate in outreach programs to low-income telephone customers.

II. Require providers of intrastate telephone service to contribute to a state universal service fund.

III. Permit the public utilities commission to fund, from a universal service fund, public interest pay telephones.

Adopted.

Report adopted and ordered to third reading.

HB 489, relative to the regulation of rural electric cooperatives by the public utilities commission. **BOUGHT TO PASS WITH AMENDMENT**

Rep. Jeb E. Bradley for Science, Technology and Energy: This legislation was requested by the New Hampshire Electric Cooperative (NHEC). The legislation would allow the NHEC to be exempted from Public Utility Commission (PUC) regulations concerning Transition Service. Transition Service is competitively procured wholesale electricity for customers who have not chosen a competitive electricity supplier. NHEC requested the bill so that the Cooperative could exceed the 4-year statutory limitation on providing Transition Service. The committee believed this change was necessary, as the competitive retail electricity market has been slow in developing in New England, particularly for residential customers. Allowing the NHEC this flexibility is consistent with a law that was enacted several years ago which allows NHEC to be exempted from some PUC regulations provided that NHEC members actually vote for self governance. Ninety-four percent

of NHEC members voted for self-governance in June 2000. The committee amendment also allows an additional 5 years in which Transition Service is available for all New Hampshire utilities that have already, or are about to move into deregulation. This change is particularly needed for Granite State Electric (GSE) customers who are near the end of their third year of Transition Service. The five-year time provision would also apply to PSNH customers. The amendment also gives the PUC greater flexibility in procuring Transition Service. The committee believes these changes in the electric restructuring law are necessary given the volatility in the energy commodity markets, notably oil and natural gas. The upward pressure of higher commodity prices has increased wholesale electricity prices in New England for the last several months. Vote 14-0.

Amendment (0512h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the regulation of rural electric cooperatives by the public utilities commission and relative to transition and default service.

Amend the bill by replacing all after the enacting clause with the following:

1 Purpose and Findings. The general court finds that:

I. Rural electric cooperatives are owned by, and operated for the benefit of, their ratepayer members.

II. The business and affairs of rural electric cooperatives are managed by boards of directors chosen by and from the membership through annual elections in which each member is entitled to one vote.

III. A primary task of the public utilities commission in its regulatory function is to balance the competing interests of ratepayers and investor owners.

IV. The ratepayers of rural electric cooperatives are also the investor owners of those organizations.

V. Regulation by the public utilities commission imposes upon rural electric cooperatives certain transactional expenses, delays, and operational restrictions which are inherent in the regulatory process.

VI. In 1997, the general court amended RSA 301:57, finding that members of rural electric cooperatives should be empowered to elect, through a vote of the membership, to limit the scope of regulation imposed upon the organization which they own and from which they purchase electricity. The general court amended RSA 362:2 to limit the public utilities commission's jurisdiction over many aspects of the business and affairs of rural electric cooperatives whose members elect limited regulation, treating such member-controlled cooperatives in a manner consistent with the regulatory treatment of municipal utilities. All rural electric cooperatives, however, remained subject to public utilities commission regulation for certain matters, including those matters addressed in New Hampshire's restructuring statute, RSA 374-F.

VII. Subsequent to the amendment of RSA 301:57 and RSA 362:2, the provisions of RSA 374-F were amended to include specific requirements concerning the provisions of transition and default service. The public utilities commission has implemented the amended provisions by issuing orders which limit the ability of all utilities, with the exception of municipal utilities, to aggregate on behalf of, or otherwise make electric energy available to, their distribution ratepayers, except pursuant to the provisions of RSA 374-F:3, V and RSA 374-F:7.

VIII. The restrictions contained in RSA 374-F:3, V and RSA 374-F:7 impose upon rural electric cooperatives certain transactional expenses, delays, and operational restrictions which contribute to higher electric costs and hinder a cooperative's ability to fulfill its mission of making affordable electric service available to its membership on a not-for-profit basis.

IX. A rural electric cooperative whose membership has elected to limit the scope of regulation imposed upon the cooperative should be subject to the provisions of RSA 374-F concerning transition service and the retail supply of electricity to the same extent as those provisions apply to a municipal utility.

2 Public Utility; Regulation of Rural Electric Cooperatives. Amend RSA 362:2, II to read as follows:

II. For the purposes of this title only, rural electric cooperatives for which a certificate of deregulation is on file with the public utilities commission pursuant to RSA 301:57 shall not be considered public utilities; provided, however, that the provisions of RSA 362-A, 363-B, 371, 374-2-

a, 374:26, 374:26-a, **374-A**, 374-C, 374-F, and 378:37-39 shall, *unless otherwise provided herein*, be applicable to rural electric cooperatives, without regard to whether a certificate of regulation or deregulation is on file with the public utilities commission. The provisions of RSA 374-A *and the provisions of RSA 374-F:3, V(b) and RSA 374-F:7* shall ~~[apply]~~ *be applicable* to rural electric cooperatives for which a certificate of deregulation is on file with the public utilities commission to the same extent as municipal utilities.

3 New Section; Rural Electrification Associations; Financial Responsibility. Amend RSA 301 by inserting after section 61 the following new section:

301:62 Financial Responsibility. A rural electric cooperative which has filed a certificate of deregulation with the public utilities commission shall not, without prior authorization of the commission, after consent to jurisdiction pursuant to RSA 301:60, notice, and hearing, charge, through its stranded cost recovery charge, delivery services rates, or any other rate or surcharge, any member who does not purchase generation services provided by or acquired through such rural electric cooperative, for any costs of generation services incurred by such rural electric cooperative after retail competition is certified to exist pursuant to RSA 38:36, except for electric power consumed directly by the rural electric cooperative. Nothing in this paragraph shall prevent any member or members from entering contracts of any duration with such rural electric cooperative for the purchase of generation services and being bound by their terms, including damages for termination.

4 Findings. The general court finds that:

I. Commodity prices for oil and natural gas have substantially increased in the past year, resulting in higher wholesale electricity prices in New Hampshire and throughout the New England region. The higher wholesale electricity prices have prevented competitive electricity suppliers from being able to compete with standard transition service, causing them to exit the market or not even enter it in the first place.

II. Given the increase in wholesale electricity prices and the potential lack of a significant number of viable competitive suppliers, it is important that measures be taken to protect customers from the potential of a non-competitive and volatile electricity market. For these reasons, the public utilities commission should be given ample authority and flexibility in determining the appropriate length and terms of transition and default service for each electric utility.

5 Electric Utility Restructuring Policy Principles; Transition Service. Amend RSA 374-F:3, V(b) to read as follows:

(b) As competitive markets emerge, customers should have the option of stable and predictable ceiling electricity prices through a reasonable transition period, consistent with the near term rate relief principle of RSA 374-F:3, XI. Upon the implementation of retail choice, transition service should be available for at least one but not more than ~~[4]~~ 5 years after ~~[the start of]~~ competition *has been certified to exist in at least 70 percent of the state pursuant to RSA 38:36*, for customers who have not yet chosen a competitive electricity supplier. Transition service should be procured through competitive means and may be administered by independent third parties. The price of transition service should increase over time to encourage customers to choose a competitive electricity supplier during the transition period. Such transition service should be separate and distinct from default service.

6 New Subparagraph; Electric Utility Restructuring Policy Principles; Alternative Transition or Default Services. Amend RSA 374-F:3, V by inserting after subparagraph (d) the following new subparagraph:

(e) Notwithstanding any provision of subparagraphs (b) and (c), as competitive markets develop, the commission may approve alternative means of providing transition or default services which are designed to minimize customer risk, not unduly harm the development of competitive markets, and mitigate against price volatility without creating new deferred costs, if the commission determines such means to be in the public interest.

7 New Section; Electric Utility Restructuring Policy Principles; Competitive Market Enhancement. Amend RSA 374-F by inserting after section 7 the following new section:

374-F:8 Competitive Market Enhancement. The commission shall take an active role in advocating for nondiscriminatory open access to the electric system for wholesale and retail transactions. The commission shall participate in the activities of all regional bodies that control the transmission of electricity and shall advocate for needed structural changes that will enhance competitive markets.

8 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill makes certain provisions relating to transition service and competitive electricity supplier requirements applicable, to the same extent as for municipal utilities, to rural electric cooperatives for which a certificate of deregulation is on file with the public utilities commission. This bill limits the charges that may be assessed by certain rural electric cooperatives against members who do not purchase generation services by or through the cooperative. This bill also grants the public utilities commission greater discretion regarding transition and default electricity services.

Adopted.

Report adopted and ordered to third reading.

HB 707, establishing a committee to study the usage of 211 as a uniform community service information and referral number. **OUGHT TO PASS WITH AMENDMENT**

Rep. Jacqueline A. Pitts for Science, Technology and Energy: This bill establishes a committee to study the use of 211 as a statewide information and referral line. The 211 line would provide uniform information about community services similar to 911, which provides emergency information. The Telecommunication Act of 1996 allows states to establish the 211 service. Issues that the committee will have to address include the funding mechanism and who will own data lists of information and referral providers. Vote 14-0.

Amendment (0428h)

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established. There is established a committee to study the usage of 211 as a uniform community service information and referral number.

2 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Three members of the house of representatives, one of whom shall be from the science, technology, and energy committee and one of whom shall be from the health, human services, and elderly affairs committee, appointed by the speaker of the house of representatives.

(b) Up to 3 members of the senate, appointed by the president of the senate.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

3 Duties. The committee shall study the usage of 211 as a uniform community service information and referral number.

4 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Three members of the committee shall constitute a quorum.

5 Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2001. The committee may file an interim report by November 1, 2001 and a final report on or before November 1, 2002.

6 Effective Date. This act shall take effect upon its passage.

Adopted.

Report adopted and ordered to third reading.

HB 529, relative to advertisements for sweepstakes and gambling. **INEXPEDIENT TO LEGISLATE**

Rep. Stephen G. Avery for Commerce: This bill reflects some of the same concerns as HB 172. The commission addressed the sponsor's concerns by putting ads on the web site as well as on the back of scratch tickets. The commission has also agreed to put trailers on all of their future TV ads. Vote 14-0.

Adopted.

HB 642-FN-L, abolishing county departments of corrections and authorizing the department of corrections to contract with the counties to utilize former county correctional facilities as state facilities. **INEXPEDIENT TO LEGISLATE**

Rep. William J. Kelley for Criminal Justice and Public Safety: This bill would abolish county departments of corrections and authorize the department of corrections to contract with the counties

to utilize former county correctional facilities as state facilities. Testimony from the department of corrections indicated that the current system works well. Further, the Corrections Population Management Study of January 1995 (“Corrigan Report”) reached at the same conclusion that there would be little increase in efficiency or cost-savings. Vote 14-1.
Rep. Burling spoke against and yielded to questions.
Rep. Welch spoke in favor.
On a division vote, 225 members having voted in the affirmative and 107 in the negative, the report was adopted.

HB 411, requiring that New Hampshire’s presidential electors be bound to vote for the candidates of the party which nominated the electors. **INEXPEDIENT TO LEGISLATE**
Rep. Lynn C. Horton for Election Law: Currently, the presidential electors must vote for the candidates of the party, which nominated the electors. The committee felt there has been no problem in New Hampshire and this bill was not needed. Vote 16-2.
Rep. Arndt moved Recommit to Committee.
Adopted.
Recommitted to Election Law.

HB 339, prohibiting the taking of deer by baiting. **INEXPEDIENT TO LEGISLATE**
Rep. Paul M. Mirski for Fish and Game: Baiting is currently allowed on one’s own property, or on the property of another with written permission of the landowner and notification of the area conservation officer. The majority could find no reason to limit or eliminate this particular and presently available method of taking deer in New Hampshire. In the opinion of the committee, to do away with this age old practice would be difficult to enforce and a hardship for some hunters. The admirable sentiment of the sponsor of this well meaning bill was opposed by New Hampshire Wildlife Federation, Fish and Game Commission, Fish and Game Department, bow hunters, and citizens’ petitions. Vote 15-0.
Rep. Mock spoke against.
Rep. Stohl spoke in favor and yielded to questions.
Rep. Herman requested a roll call; sufficiently seconded.
The question being the adoption of the committee report.

and the committee report failed.
Rep. Mock moved Ought to Pass.
Adopted and ordered to third reading.

CACR 10, relating to term of office for judges and judicial retirement age. Providing that all judges appointed on or after January 1, 2003 shall serve a 5-year term which may be renewed by vote of the governor and council, and that the mandatory judicial retirement age shall be repealed. **INEXPEDIENT TO LEGISLATE**

Rep. John M. Pratt for Judiciary: The Committee decided to consider the matter of judicial term limits contained in this CACR under CACR 3, which has been retained by the Committee. Vote 17-1.

Rep. Kennedy spoke against.

Rep. John Pratt spoke in favor.

MOTION TO LAY ON THE TABLE

Rep. Mirski moved that **CACR 10**, relating to term of office for judges and judicial retirement age. Providing that all judges appointed on or after January 1, 2003 shall serve a 5-year term, which may be renewed by vote of the governor and council, and that the mandatory judicial retirement age shall be repealed, be laid upon the table.

The motion failed.

Committee report adopted.

HB 429, relative to dispute resolution within the context of public employee labor relations. **ought to pass with amendment**

Rep. John M. Whittier for Labor, Industrial and Rehabilitative Services: The unanimous vote was a reflection of the strong support of the committee. This bill provides a method where law enforcement, firefighters, and EMTs who are engaged in a labor relations dispute can go to an appointed neutral party for resolution. Vote 13-0.

Amendment (0491h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Labor Relations; Resolution of Disputes Involving Law Enforcement Employees or Firefighters. Amend RSA 273-A:12 by inserting after paragraph I the following new paragraph:

I-a. If the dispute involves law enforcement employees or firefighters, the parties shall accept the neutral party's findings and recommendation. Cost items associated with the neutral party's recommendation shall be submitted to the legislative body of the public employer, which shall vote to accept or reject the cost items. In those communities where the governing body and the legislative body are the same, cost items shall be deemed to have been approved. Nothing in this section shall be construed to prohibit the parties from providing for such lawful procedures for resolving impasses as the parties may agree upon, provided that no such procedures shall bind the legislative body on matters regarding cost items. The parties shall share equally all fees and costs of such procedures. The provisions of paragraphs II - IV shall not apply to dispute resolutions covered by this paragraph.

2 Labor Relations; Resolution of Disputes. Amend RSA 273-A:12, II to read as follows:

II. *For all other employees*, if either negotiating team rejects the neutral party's recommendations, his *or her* findings and recommendations shall be submitted to the full membership of the employee organization and to the board of the public employer, which shall vote to accept or reject so much of ~~his~~ *the* recommendations as is otherwise permitted by law.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires that law enforcement employees or firefighters who are engaged in a labor relations dispute accept the recommendation of the appointed neutral party. Cost items associated with the neutral party's recommendation are then submitted to the legislative body of the public employer.

Adopted.

Reps. Pepino, Lachance and Rice spoke against.

Rep. Holbrook spoke against and yielded to questions.

Reps. Jane Kelley, Baroody and Gilman spoke in favor.

Rep. Pratt requested a roll call; sufficiently seconded.

The question being the adoption of the committee report.

and the report was adopted.

Ordered to third reading.

Rep. Mirski declared a conflict of interest and did not participate.

SUSPENSION OF RULES

Reps. Scanlan and Burling moved that the Rules be so far suspended as to allow the reporting deadline for House Bills of Wednesday, April 11th be moved to Thursday, April 12th at 2:00 p.m. and that it also be the deadline for committees to report their lists of retained bills.

Adopted by the necessary two-thirds.

(Rep. Whalley in the Chair)**RESOLUTION**

Rep. Scanlan offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, April 18, 2001 at 10:00 a.m.

Adopted.

LATE SESSION**Third reading and final passage**

HB 446, relative to spousal and child support enforcement.

HB 501, relative to licensure of foster homes and the duties of the department of health and human services advisory board.

HB 620, relative to arrangements between birth parents and adoptive parents.

HB 697, extending the reporting date for the healthy kids subcommittee and clarifying the mission statement of the healthy kids corporation.

HB 131, relative to the retention and disposal of certain financial disclosure forms.

HB 226, relative to instructions to voters for straight-ticket voting.

HB 376, allowing county commissioners serving 4-year terms to vote at state party conventions.

HB 639, relative to the preparation of town ballots.

HB 302-FN, relative to an optional retirement allowance for certain spouses upon a retiree's remarriage.

HB 337-FN, relative to the administration of the public utilities commission and establishing the position of executive director of the public utilities commission.

HB 493, exempting certain short term condominium unit owners' association rentals from the New Hampshire real estate practice act.

HB 554-FN, establishing a division of information technology within the department of safety.

HB 667, relative to certain reporting requirements and relative to meetings of the board of medicine.

HB 684, relative to the occupational therapy practice act.

HB 719, relative to the removal of public officials for cause.

HB 370, relative to the regulation of the trapping by the fish and game department.

HB 471-FN, relative to fish and game licenses issued to resident and nonresident minors and relative to complimentary fishing licenses for legally blind persons.

HB 255, establishing a committee to study the practice of "body works."

HB 569, establishing a committee to study the information, training, and support needs of family caregivers in New Hampshire.

HB 573, relative to the role of certain advanced registered nurse practitioners in the state mental health services system.

HB 576, establishing a committee to study laws, protocols, rules, and regulations pertaining to the various state agencies that have responsibilities relative to all aspects of the utilization of drug prescriptions in New Hampshire.

HB 444, relative to mental health services and records.

HB 466, relative to the selection of replacement justices for supreme court justices who are disqualified to hear cases.

HB 482, relative to airport zoning.

HB 743, transfers the department of youth development services to the department of health and human services.

HB 402, relative to the establishment of a state universal service fund.

HB 489, relative to the regulation of rural electric cooperatives by the public utilities commission and relative to transition and default service.

HB 707, establishing a committee to study the usage of 211 as a uniform community service information and referral number.

HB 339, prohibiting the taking of deer by baiting.

HB 429, relative to dispute resolution within the context of public employee labor relations.

UNANIMOUS CONSENT

Rep. Burling addressed the House:

Rep. David Cote moved the remarks made by Rep. Burling be printed in the Permanent Journal. Adopted.

REMARKS

Rep. Burling: Thank you, Mr. Speaker. This is one of these moments when I get to have a broad smile. How meet it is that when we talk about education two of our members are recognized for the extraordinary educational achievement that they managed to pull in just a short while ago. I'm speaking of Bob Daigle and Peter Cote, whose high school education was temporarily interrupted by that little unpleasantness called either World War II or Korea. Both left high school, both went off to defend their country and both honored this House and their hometowns by receiving their high school diplomas just a few short days ago. I would ask you all to join me in a round of applause for our colleagues.

(Speaker in the Chair)

RECESS MOTION

Rep. Scanlan moved that the House stand in recess for the purpose of introduction of bills, enrolled bill amendments, enrolled bill reports and receiving Senate messages only.

Adopted.

The House recessed at 6:35 p.m.

RECESS

(Rep. Sargent in the Chair)

SENATE MESSAGE

CONCURRENCE

HB 102, allowing bankruptcy judges to perform marriages after obtaining a special license.

HB 109, establishing a committee to study the consumer protection effort in New Hampshire.

HB 113-L, relative to the Nute High School and library trustees.

HB 118, authorizing physicians who practice medicine in certain states other than the state of New Hampshire to complete certifications exempting children residing in the state of New Hampshire from immunization.

HB 125, naming New Hampshire route 12-A from West Lebanon to the Cornish-Windsor Bridge the Maxfield Parrish Highway.

HB 228, relative to dealing in and possessing prescription drugs by podiatrists.

HB 254, naming a certain bridge in the town of North Charlestown.

HCR 9, urging the President of the United States to increase the administration's efforts to mediate a peaceful resolution to the dispute in Cyprus between Turkey and the Republic of Cyprus.

ENROLLED BILL AMENDMENTS

HJR 1, urging Congress to expand eligibility for membership in the American Legion.

Amendment (0739-EBA)

Amend the bill by replacing line 9 with the following:

service in the United States Armed Forces, regardless of dates of service; and

Adopted.

HCR 2, urging the federal government to establish a new zip code for the town of Kensington.

Amendment (0736-EBA)

Amend paragraph 2 after the title of the resolution by replacing lines 1 and 2 with the following:

Whereas, the town of Kensington has no designated zip code, causing mail to be delayed, misdirected, and lost,

and causing confusion and annoyance on the part of persons outside of the town

Adopted.

ENROLLED BILLS REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled House Bills 106, 117, 144, 163, 168 and 233.

Rep. Nowe, Sen. Pignatelli for the Committee

RECESS

(Rep. Mercer in the Chair)

RESOLUTION

Rep. Thulander offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, Senate Bills numbered 35, 62, 64, 71, 82, 111, 117, 124, 125, 143, 147, 150, 184 and 190 and Senate Concurrent Resolution numbered 1, shall be by this resolution read a first and second time by the therein listed titles and referred to the therein designated committees.

Adopted.

INTRODUCTION OF SENATE BILLS, and SCR

First, second reading and referral

SB 35, relative to a term for the chief justice of the supreme court. (Judiciary)

SB 62, relative to guardianships. (Judiciary)

SCR 1, urging the supreme court to expand the membership of the advisory committee on rules to include legislative members. (Judiciary)

RECESS

(Speaker Chandler in the Chair)

Rep. Scanlan moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 12

Wednesday, April 18, 2001

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Her Excellency, Governor Jeanne Shaheen, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

Dear Lord, we ask Your blessing upon this honorable House as it faces the difficult decisions of how to gather the necessary resources to support and protect the citizens of our beloved New Hampshire. Give each member of the House a calm spirit as the debate begins and the time for voting nears. As the day ends, may each member's action reflect Your care for all people, and give us all the opportunity to celebrate the gift of freedom and democracy that You have bestowed upon us. Amen.

Rep. Joseph Stone led the Pledge of Allegiance.

Jason Reed, a student from Concord High School, sang our National Anthem.

LEAVES OF ABSENCE

Reps. Mikowski and Irene Pratt, the day, illness.

Reps. Kenney and Robb, the day, important business.

Reps. Brown and Solow, the day, illness in the family.

INTRODUCTION OF GUESTS

Mikell and Chris Perry, sister and nephew of Speaker Chandler. Anna Hopper, daughter of Rep. Hopper. Luc and Velda Charpentier, guests of Rep. Odell. Vicky and Chris Ayer and Erin Woodward, guests of Rep. Woodward. Pastor Charles Gravenhorst, wife Leda and children, Claire and Elisha, guests of Rep. John Hutchinson. Rep-elect David Gleneck, guest of Rep. Scanlan. Class of 2001, Leadership Seacoast, guests of Rep. Norelli. Barbara Brewster and Audry Schaefer, wife and guest of Rep. Brewster.

The House of Representatives offered the following

HOUSE RESOLUTION NO. 11

Memorializing State Representative Bonnie L. Patria of Manchester

WHEREAS, it is with great sorrow that we have learned of the death of our colleague Bonnie L. Patria of Manchester; and

WHEREAS, as a first term Representative from Hillsborough County District #39, Bonnie L. Patria served with tremendous pride and enthusiasm as a member of the State-Federal Relations and Veterans Affairs Committee; and

WHEREAS, Bonnie L. Patria was a woman of great compassion, donating much of her time and resources at the New Horizons Shelter in Manchester; and

WHEREAS, despite serious illness, Bonnie L. Patria served as an advocate for the poor and homeless, and prior to her election to this House was often in attendance at legislative hearings on their behalf; and

WHEREAS, in an essay published in Under the Bridge, Bonnie L. Patria wrote: *My reason for going into politics is to provide a voice for the homeless and poor people. There is a strong need for better services to end the hunger and poverty here in New Hampshire. I pray that New Hampshire will be the leader of all the states in ..demonstrating unconditional empathy and compassion*; now, therefore, be it

RESOLVED, by the House of Representatives in Regular Session convened, that Bonnie L. Patria be saluted for her dedicated service to her community and her state, and be it further

RESOLVED that expressions of heartfelt sympathy be extended to her family and that a copy of this Resolution be prepared for presentation to them.

Unanimously adopted by a rising vote.

RECONSIDERATION

Having voted with the prevailing side, Rep. Wendelboe moved that the House reconsider its action whereby it passed with amendment, **HB 402**, relative to the establishment of a state universal service fund.

Rep. Wendelboe spoke in favor.

Rep. Thomas spoke against and yielded to questions.

Rep. Buckley requested a roll call; sufficiently seconded.

The question being the motion to reconsider.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Scanlan moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 304-FN, relative to insurance coverage for prostate cancer testing, removed by Rep. Poulin.

HB 668, prohibiting the use of genetic testing for certain insurance purposes, removed by Rep. Kurk.

HB 670, establishing an international trade commission to investigate and report on the effects of international trade agreements on New Hampshire self-governance, removed by Rep. Weed.

HB 690, adopting the "Financial Information Privacy Protection Model Act", removed by Rep. Kurk.

HB 679, establishing a commission to examine models of out-of-school care for children in kindergarten through grade 12, removed by Rep. Bruno.

HB 346-FN, relative to requirements for medical examination and determination of gainful occupation for group II retirees injured in the performance of duty, removed by Rep. Martha Fuller Clark.

HB 306-FN, relative to driver education training reimbursement, removed by Rep. Letourneau.

HB 741-FN-A-L, relative to supplemental grants to certain municipalities to cap tax effort per pupil, removed by Rep. Sapareto.

HB 158, relative to the use of an artificial light to locate moose, removed by Rep. McKinney.

HB 495, relative to judicially appointed officials, removed by Rep. Jane Wood.

HB 724, relative to pooled risk management programs for public employers, removed by Rep. Wheeler.

HB 596, relative to the acquisition of land by a town, removed by Rep. Harrington.

HB 716-FN, relative to minimum wages of employees in public works, removed by Rep. Heon.

HB 562-FN-A-L, establishing a New Hampshire education tax on consumption and transactions and accumulating certain principal sums in a state trust for education to provide for future education funding, removed by Rep. Bergin.

HB 761-FN-A-L, relative to a statewide school tax on income for purposes of funding a constitutionally adequate education and making an appropriation therefor, removed by Rep. DiFruscia.

Consent Calendar adopted.

Rep. Paul Ferland declared a conflict of interest on **HB 657**, relative to bail recovery agents, and did not participate.

HB 289-FN, implementing procedures for a hospital to assume care and custody of an abandoned child and creating an exception to the crime of endangering the welfare of a child. **OUGHT TO PASS WITH AMENDMENT**

Rep. Barbara Hull Richardson for Children and Family Law: This bill allows a hospital to assume the care and custody of an abandoned child at or under the age of 72 hours when the parent or parents do not express an intent to return for the child. Under this bill, a mother would not be guilty of an offense or subject to a fine. It is hoped that passage of this bill will prevent babies from being left in dumpsters or in other unsafe places. Vote 12-1.

Amendment (0839h)

Amend RSA 132-A:1, II as inserted by section 1 of the bill by replacing it with the following:

II. "Hospital" shall mean a public or private institution which is required to be licensed under RSA 151, and which is engaged in providing to patients, under supervision of physicians, diagnostic and therapeutic services for medical diagnosis, treatment and care of injured, disabled, or sick persons, or rehabilitative services for the rehabilitation of such persons.

Amend RSA 132-A:2, I as inserted by section 1 of the bill by replacing it with the following:

I. In accordance with hospital policy or protocol, a hospital, without a court order, shall take possession of a child who is 72 hours old or younger provided that the child is voluntarily brought to the hospital by the child's parent or parents and the parent or parents did not express an intent to return for the child.

Amend section 2 of the bill by replacing it with the following:

2 Husband and Wife; Support of Wife and Children; Abandonment by Wife Amended. Amend RSA 460:28 to read as follows:

460:28 Abandonment by ~~[Wife]~~ **Mother**.

I. If any ~~[wife or]~~ mother shall separate herself from her ~~[husband]~~ **children** without cause~~;~~ ~~or from her children,~~ she shall be guilty of a misdemeanor. The fine, if any, shall be applied in the discretion of the court to the benefit of the deserted ~~[husband or]~~ children ~~[or both]~~.

II. A mother who separates herself from her child or children, pursuant to RSA 132-A, shall not be guilty of an offense or subject to a fine under this section.

HB 509, establishing a limitation on the renewal of spousal support orders. **OUGHT TO PASS WITH AMENDMENT**

Rep. David A. Bickford for Children and Family Law: This bill creates a two-year statute of limitations on establishing or renewing alimony either from the date of the divorce or nullity decree or from the date of the termination date of alimony payments. Vote 12-1.

Amendment (0717h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a statute of limitations on spousal support orders.

Amend the bill by replacing all after the enacting clause with the following:

1 Divorce; Revision of Orders; Limitation on Alimony Orders Inserted. Amend RSA 458:14 to read as follows:

458:14 Revision of Orders, etc. ***Except as otherwise provided in RSA 458:19, I and VII***, the court, upon proper application and notice to the adverse party, may revise and modify any order made by it, may make such new orders as may be necessary, and may award costs as justice may require.

2 Divorce; Alimony; Statute of Limitations Added. Amend RSA 458:19, I to read as follows:

I. Upon motion of either party for alimony payments, the court shall make orders for the payment of alimony to the party in need of alimony, either temporary or permanent, for a definite or indefinite period of time, if ~~[it]~~ ***the motion for alimony payments is made within 2 years of the decree of nullity or divorce and the court*** finds that:

3 New Paragraph; Divorce; Alimony; Statute of Limitations Applied to Renewal of Alimony Order. Amend RSA 458:19 by inserting after paragraph VI the following new paragraph:

VII. In cases where the court issues an order for permanent alimony for a definite period of time, such order may be renewed, upon the petition of either party, provided that such petition is made within 2 years of the termination date of the permanent alimony order. Nothing in this paragraph shall be construed to change or alter in any way the terms of the original alimony order.

4 Effective Date. This act shall take effect January 1, 2002.

AMENDED ANALYSIS

This bill establishes a statute of limitations for spousal support orders.

HB 699, relative to the rights of non-offending parents in the context of abuse and neglect cases. **OUGHT TO PASS WITH AMENDMENT**

Rep. Christine M. Furman for Children and Family Law: This bill provides for a hearing for the non-offending "fit" parent in abuse and neglect cases so that he or she may have custody of their child until such time that these cases are fully resolved. Vote 13-0.

Amendment (0662h)

Amend RSA 169-C:19-e as inserted by section 1 of the bill by replacing it with the following:

169-C:19-e Custody Hearing for Parent Not Charged With Abuse or Neglect. A parent who has not been charged with abuse or neglect shall be afforded, upon request, a full hearing in the district or family court regarding his or her ability to obtain custody. At the hearing, the parent shall be provided the opportunity to present evidence pertaining to his or her ability to provide care for the child and shall be awarded custody unless the state demonstrates, by a preponderance of the evidence, that he or she has abused or neglected the child or is otherwise unfit to perform his or her parental duties.

AMENDED ANALYSIS

This bill requires that parents who have not been charged with abuse and neglect be afforded a hearing regarding their ability to obtain custody of their children.

HB 115, relative to automated telemarketing practices. **INEXPEDIENT TO LEGISLATE**

Rep. Leo W. Fraser, Jr. for Commerce: The sponsor's intent was, first, to prohibit users of automatic telephone dialing systems that do not identify the caller's business and telephone number; second, to expand the information required upon the registration of telemarketers; third, to prohibit the use of automatic telephone dialing systems in telephone solicitation; and fourth, to reduce the required time for disconnecting after a called party hangs up from 30 to 5 seconds. The committee is very much concerned about adopting new laws in this area on the state level for two reasons: (1) New Hampshire does not have the capacity to closely regulate this industry; and (2) most of the regulatory responsibility relative to telemarketers belongs to the Federal Trade Commission (FTC), a federal agency. The committee supported the idea of adopting a concurrent resolution urging the state attorneys general and the FTC to most rigorously enforce existing federal laws. Further, the resolution urges Congress to support the Know Your Caller Act of 2001 (The Anti-Blocking Bill). In a separate action, the committee is urging the eleven telephone providers operating in the state to include a prescribed notice as a billing insert. This notice was drafted in conjunction with the Department of Justice. It includes information relative to consumers right to request to be included on telemarketers Do Not Call List and what to do if this request is not honored. The notice also includes information about how to register for the Do Not Call List maintained by a national organization called Telephone Preference Services. This narrative applies both to HB 115 and HB 299-FN as both bills address telemarketing practices and both have been found Inexpedient to Legislate. The committee has voted to retain HB 470, a third telemarketing bill, in the event that it is needed for some further action. Vote 13-0.

HB 299-FN, relative to telephone solicitation and the creation of a "no sales solicitation calls" list of consumers. **INEXPEDIENT TO LEGISLATE**

Rep. Leo W. Fraser, Jr. for Commerce: This bill proposes establishing a "no sales solicitation calls" list of New Hampshire consumers to be maintained by the Department of Justice. The committee is very much concerned about adopting new laws in this area on the state level for two reasons: (1) New Hampshire does not have the capacity to closely regulate this industry; and (2) most of the regulatory responsibility relative to telemarketers belongs to the Federal Trade Commission (FTC), a federal agency. The committee supported the idea of adopting a concurrent resolution urging the state attorneys general and the FTC to enforce existing federal laws. Further, the resolution urges Congress to support the Know Your Caller Act of 2001. In a separate action, the committee is urging the eleven local telephone providers operating in the state to include a prescribed notice as a billing insert. This notice has already been drafted in conjunction with the Department of Justice. It includes information relative to a consumers right to request to be included on a telemarketers Do Not Call

List and what to do if this request is not honored. The notice also includes information about how to register for the Do Not Call List maintained by a national organization called Telephone Preference Services. This narrative applies both to HB 115 and HB 229-FN.- both bills address telemarketing practices and both have been found Inexpedient to Legislate. The committee has voted to retain HB 470, a third telemarketing bill, in the event that it is needed for some further action. Vote 13-0.

HB 394, relative to short-term health insurance policies for certain persons. **OUGHT TO PASS WITH AMENDMENT**

Rep. Leo W. Fraser, Jr. for Commerce: If adopted, this bill would amend the current law, which allows for one renewal of a short term health policy (short term means policies up to six months). Under the terms of HB 394, the amendment would allow for up to one additional renewal. There was no opposition to this proposal. Vote 14-0.

Amendment (0435h)

Amend RSA 415:5, III as inserted by section 1 of the bill by replacing it with the following:

III. Nonrenewable, individual health insurance policies which provide medical, hospital, or major medical expense benefits for a specified term may be delivered or issued for delivery to any person in this state; however, no such policy shall provide coverage for a specified term in excess of 6 months, nor shall any such policy be issued in this state to a person who was previously covered by more than ~~[one such policy]~~ **2 such policies** within the preceding 12-month period.

AMENDED ANALYSIS

This bill clarifies when short-term individual health insurance policies may be issued.

HB 518, relative to increases of motor vehicle policy premiums because a person reaches a certain age. **INEXPEDIENT TO LEGISLATE**

Rep. Leo W. Fraser, Jr. for Commerce: This bill was voted unanimously as Inexpedient to Legislate. This issue is introduced periodically. The New Hampshire Insurance Department reviews all criteria used in setting premium rates. To increase auto insurance premiums based purely on a person's age is not even permissible. We have a highly competitive auto insurance market in New Hampshire. As a result, rates continue to be among the best in the country. All companies rate drivers differently, but it would be discriminatory to increase premium rates based purely on age. Vote 13-0.

HB 525, relative to property and casualty insurance. **OUGHT TO PASS WITH AMENDMENT**

Rep. Paul D. Spiess for Commerce: This bill was submitted on behalf of the Insurance Department to clarify language relative to continuing education requirements for adjuster's minimum net worth or surety bond requirements, for certain licenses, filing report dates for HMO's, and Delta Dental Plans. The bill was amended to extend the authority of the Attorney General's Office to conduct telecommunications surveillance to investigate insurance fraud. Vote 12-0.

Amendment (0779h)

Amend the bill by replacing section 4 with the following:

4 Road Service Licensure; Bond Required. Amend RSA 407-C:2 to read as follows:
407-C:2 Issuance and Renewal.

I. If the insurance commissioner is of the opinion that an applicant is reliable and entitled to confidence, such applicant shall be granted a license to perform such road or other service in this state until July 1 thereafter, and annually thereafter on July 1, such license may be renewed so long as the commissioner shall regard such licensee as reliable and entitled to confidence. Such application shall give such information as the commissioner may require, including, but not limited to, the most recent financial statement of the applicant prepared ~~[according to]~~ **in accordance with** generally accepted accounting principles and certified by a certified public accountant.

II. Individuals, firms, associations, or corporations established in this state shall file with the commissioner proof of minimum capital and surplus in an amount equal to or greater than \$250,000, or shall file with the commissioner a surety bond or equivalent acceptable to the commissioner in the amount of \$250,000.

Amend RSA 415-B:2, II as inserted by section 7 of the bill by replacing it with the following:

II. The annual license fee shall be \$ 200. Licenses may be renewed from year to year as of July 1 of each year upon payment of the license fee to the commissioner. **Additionally, a premium finance company established in this state shall file with the commissioner proof of minimum**

capital and surplus in an amount equal to or greater than \$250,000, or shall file with the commissioner a surety bond or equivalent acceptable to the commissioner in the amount of \$250,000.

Amend the bill by replacing all after section 9 with the following:

10 Authorization for Interception of Telecommunications or Oral Communications. Amend RSA 570-A:7 to read as follows:

570-A:7 Authorization for Interception of Telecommunications or Oral Communications. The attorney general, deputy attorney general, or a county attorney, upon the written approval of the attorney general or deputy attorney general, may apply to a judge of competent jurisdiction for an order authorizing or approving the interception of telecommunications or oral communications, and such judge may grant, in conformity with RSA 570-A:9, an order authorizing or approving the interception of telecommunications or oral communications by investigative or law enforcement officers having responsibility for the investigation of the offenses as to which the application is made, when such interception may provide, or has provided, evidence of the commission of organized crime, as defined in RSA 570-A:1,XI, or evidence of the commission of the offenses of homicide, kidnapping, gambling, theft as defined in RSA 637, corrupt practices as defined in RSA 640, child pornography under RSA 649-A, computer pornography and child exploitation under RSA 649-B, criminal conduct in violation of the securities law, as defined in RSA 421-B:3, 421-B:4, 421-B:5, 421-B:19, and 421-B:24, criminal conduct in violation of the security takeover disclosure laws, as defined in RSA 421-A:3, 421-A:7, 421-A:8, 421-A:11, and 421-A:13, robbery as defined in RSA 636:1, arson as defined in RSA 634:1, hindering apprehension or prosecution as defined in RSA 642:3, tampering with witnesses and informants as defined in RSA 641:5, aggravated felonious sexual assault as defined in RSA 632-A:2, felonious sexual assault as defined in RSA 632-A:3, escape as defined in RSA 642:6, bail jumping as defined in RSA 642:8, *insurance fraud as defined in RSA 638:20*, dealing in narcotic drugs, marijuana, or other dangerous drugs, hazardous waste violations under RSA 147-A:4.I, or any conspiracy to commit any of the foregoing offenses.

11 Repeal. The following are repealed:

- I. RSA 404-E, relative to an environmental risk insurance pool.
- II. RSA 638:20, V, relative to limiting charges for insurance fraud.

12 Effective Date.

- I. Sections 8 and 9 of this act shall take effect January 1, 2002.
- II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill makes certain technical changes to the laws relative to property and casualty insurance. The bill requires road service licensees and premium finance companies to file a surety bond with the commissioner. The bill repeals the chapter relative to an environmental risk insurance pool and repeals a limitation on multiple insurance fraud charges. The bill also allows the interception of wire or oral communications in connection with an insurance fraud investigation.

This bill is a request of the insurance department.

HB 526, establishing a committee to study recodification of the motor vehicle insurance laws. **INEXPEDIENT TO LEGISLATE**

Rep. Leo W. Fraser, Jr. for Commerce: The sponsor-proposed amendment added a review of Insurance Department Bulletin 99-014-AB relative to "after-market parts". This bulletin was issued on September 20, 1999 and establishes standards for the use of after-market parts. If a repair shop uses so-called "after-market parts" and for any reason the part does not comply with the original design of the motor vehicle, the insurance company must pay all costs to have the problem rectified. The committee was unanimous in voting that this legislation was not necessary. Vote 13-0.

HB 534, relative to "salvage" motor vehicles. **OUGHT TO PASS WITH AMENDMENT**

Rep. Gene B. Marshall for Commerce: This bill increases the requirements for disclosing the "salvage" status of certain motor vehicles to purchasers, in order to ensure that they are aware of that status. This bill is supported by the NH Attorney General's Office (Consumer Protection Bureau) which has found that pre-existing requirements have not produced sufficient levels of awareness. The bill, as amended, is also supported by the NH Auto Dealers' Association. Vote 14-0.

Amendment (0829h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Salvage Certificate of Title; Disclosure to Buyer. Amend RSA 261:22 by inserting after paragraph IV the following new paragraph:

IV-a. Before selling to any buyer any used vehicle, the title to which is required to be marked "salvage" pursuant to this section, the seller shall disclose to the buyer in writing that the vehicle is a salvage vehicle and the reasons for such designation. Failure to comply with the provisions of this paragraph shall constitute an unfair or deceptive act or practice under RSA 358-A:2.

2 Dismantling or Destruction of Vehicle; Penalty. Amend RSA 261:22, V to read as follows:

V. It shall be a misdemeanor for any person to remove or cause to be removed a "salvage vehicle" decal from a motor vehicle to which it has been affixed pursuant to paragraph IV. A bona fide purchaser for value of a motor vehicle *which is not properly accompanied by the disclosure required by RSA 261:22, IV-a, or* from which the seller has removed or caused to be removed a "salvage vehicle" decal in violation of this paragraph may rescind the purchase within 3 business days after receiving a certificate of title disclosing that the vehicle is a salvage vehicle.

3 Effective Date. This act shall take effect 60 days after its passage.

HB 580, requiring health insurance carriers to provide loss information to large employers on a quarterly basis. **OUGHT TO PASS WITH AMENDMENT**

Rep. Gene B. Marshall for Commerce: Until recently, insurers provided information about claims history voluntarily in response to occasional requests. Then, when one carrier declined to respond, some others followed suit, making it difficult for large employers to assess their options. This bill establishes standards to which all carriers can respond equally. The Insurance Department and a number of carriers support the bill and the concerns of some others were addressed in the amendment (e.g. frequency of disclosure was decreased from quarterly to semi-annually). Vote 13-1.

Amendment (0702h)

Amend the title of the bill by replacing it with the following:

AN ACT requiring health insurance carriers to provide loss information to large employers at least once every 6 months.

Amend RSA 420-G:12-a as inserted by section 2 of the bill by replacing it with the following:

420-G:12-a Loss Information Provided to Large Employers.

I. Upon written request, every health carrier shall provide loss information concerning a large employer policy or contract at least once every 6 months from the date the policy becomes effective.

II. If a policyholder requests loss information from an insurance agent or other authorized representative, the representative or agent shall transmit the request for loss information to the health carrier within 4 working days.

III. A health carrier shall not be required to provide the loss information described in this section to employers who employ 100 or fewer employees.

AMENDED ANALYSIS

This bill requires health insurance carriers to provide loss information to large employers at least once every 6 months.

HB 591, relative to certain prescription discount cards. **OUGHT TO PASS WITH AMENDMENT**

Rep. Leo W. Fraser, Jr. for Commerce: The committee feels that the advertising practices of companies issuing prescription discount cards can easily confuse purchasers of such cards. It is not always clear that discount cards are not part of any insurance program. The amendment requires companies that sell prescription discount cards to state that the card is not an insurance card. This statement must be written in 10-point bold type and must appear on any advertising and on the discount card. Vote 11-2.

Amendment (0865h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Prescription Discount Cards. Amend RSA by inserting after chapter 358-Q the following new chapter:

CHAPTER 358-R PRESCRIPTION DISCOUNT CARDS

358-R:1 Prescription Discount Cards. Any entity which proposes to offer a prescription discount card, which is not an insurance card, and which is defined as a card or other mechanism that

advertises discounts or access to discounts on prescription drug purchases, shall register with the consumer protection and antitrust bureau of the department of justice. Registration shall consist of providing the consumer protection and antitrust bureau with a certified statement that the company intends to offer or advertise offering a prescription discount card to citizens of the state of New Hampshire. The certified statement shall also contain the name, address, location, and phone number of the company offering the prescription discount card; shall verify that any promotional advertising for the card expressly states in at least 10-point bold type that not all pharmacies may accept the prescription discount card; shall verify that the card and any promotional advertising for the card expressly states in at least 10-point bold type that the card is not an insurance card; and shall verify that the discount offered by the card or other purchasing mechanism does not contain misleading or deceptive statements or claims.

358-R:2 Applicability. This chapter shall not apply to any prescription drug discount card or other device issued by any program operated by, or in cooperation with, or pursuant to an agreement with the state of New Hampshire.

358-R:3 Penalties. Any violation of this chapter shall constitute an unfair or deceptive act or practice within the meaning of RSA 358-A:2. Any right, remedy or power set forth in RSA 358-A may be used to enforce the provisions of this chapter. The department of justice shall maintain and make available for inspection a record of the violations of this chapter.

2 Effective Date. This act shall take effect January 1, 2002.

HB 632, allowing the sale of collectible beer without a license. **INEXPEDIENT TO LEGISLATE**
Rep. Stephen G. Avery for Commerce: This bill presents the Liquor Commission's Bureau of Enforcement with some real problems and they opposed the legislation. Vendors who wish to sell collectible beer may obtain a one-day license if they desire. The committee did not feel that a special exception was warranted just for this event. Vote 15-0.

HB 680, relative to foreign insurers. **OUGHT TO PASS WITH AMENDMENT**
Rep. Gene B. Marshall for Commerce: This bill protects New Hampshire insurance consumers by requiring that re-insurers not operating in New Hampshire under regular licensing and supervisory provisions provide certain guarantees before availing themselves of New Hampshire courts or administrative proceedings. They have the option to become licensed or, alternatively, they may post a security bond sufficient to secure the payment of any final judgement that may ensue. The Insurance Department supports this bill. Vote 13-0.

Amendment (0811h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to foreign reinsurers.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraphs; Foreign Reinsurers. Amend RSA 405:47 by inserting after paragraph II the following new paragraphs:

III. Before any unauthorized reinsurer files or causes to be filed any pleading in any court action or an appearance in response to any court action or administrative proceeding, such reinsurer shall either:

(a) Deposit with the clerk of the court in which such action, suit or proceeding is pending, or with the commissioner in administrative proceedings, cash or securities or bond with good and sufficient sureties to be approved by the court, or the commissioner, in an amount to be fixed by the court or the commissioner sufficient to secure the payment of any final judgment which may be rendered in such court proceeding or in such administrative proceeding; or

(b) Procure a license to transact reinsurance business in this state.

IV. The court in any action, suit, or proceeding or the commissioner in any administrative proceeding referred to in paragraph III of this section, may, in its or his or her discretion, order such postponement as may be necessary to afford the reinsurer reasonable opportunity to comply with paragraph III of this section and to defend such court action or administrative proceeding.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill clarifies the statute relative to security provisions for foreign reinsurers.

HB 702, making revisions to the consumer protection act. **OUGHT TO PASS WITH AMENDMENT**

Rep. Leo W. Fraser, Jr. for Commerce: On January 25th, the House adopted HB 109, which established a committee to study the consumer protection effort in New Hampshire. Subsequently the Commerce Committee received HB 702, which would have included professionals, including lawyers, under the provisions of the Consumer Protection Act. The amendment to HB 702 will add to the duties of the HB 109 study committee. With this change, the committee will review all of the entities that are exempt from the Consumer Protection Act. Vote 11-0.

Amendment (0788h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the duties of the committee to study the consumer protection effort in New Hampshire.

Amend the bill by replacing all after the enacting clause with the following:

1 Duties. Amend 2001, HB 109 by replacing section 3 with the following:

3 Duties. The committee shall:

I. Assess the scope of need for consumer protection within New Hampshire; the ability of the attorney general's consumer protection bureau to meet this need; and any appropriate changes in funding, staffing, and/or agency structure that would better protect the state's consumers.

II. Study transactions that are exempt from RSA 358-A, the consumer protection act.

2 Contingency. If HB 109 of the 2001 legislative session becomes law, section 1 of this act shall take effect at 12:01 a.m. on the effective date of HB 109. If HB 109 does not become law, section 1 of this act shall not take effect.

3 Effective Date.

I. Section 1 of this act shall take effect as provided in section 2 of this act.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill adds a duty to review the exemptions to the state consumer protection act to the committee to study the consumer protection effort in New Hampshire established by HB 109 of the 2001 legislative session.

HB 731-FN, relative to securities laws. **OUGHT TO PASS WITH AMENDMENT**

Rep. Gene B. Marshall for Commerce: This bill is a comprehensive update and simplification of the law under which the Secretary of State's Office regulates the sale of securities (stocks, bonds, mutual funds, etc.) in New Hampshire. Since coming under the supervision of the Secretary of State, the Office of Securities Regulation is self-funding and contributes to the general fund. Some of these changes have the potential to increase efficiency and flow of income. The Secretary of State and the Director of Securities Regulation support the bill and no one appeared to oppose it. Vote 12-0.

Amendment (0511h)

Amend the bill by replacing all after the enacting clause with the following:

1 Securities; Definition of Agent. Amend RSA 421-B:2, II (e) to read as follows:

(e) Effecting other transactions, if such individual is an officer or director of the issuer, no commission or other remuneration is paid or given directly or indirectly for soliciting any person in this state, and upon application, such individual is specifically authorized by name in an order issued by the secretary of state. ~~[A Form U-4 as prepared by the National Association of Securities Dealers and the Securities and Exchange Commission shall be filed and authorization obtained from the secretary of state before any offers are made.]~~

2 Securities; Definition of "Federal Covered Advisor". Amend RSA 421-B:2, V-d to read as follows:

V-d. "Federal covered adviser" means a person who is ~~[(i)]~~ registered under section 203 of the Investment Advisers Act of 1940 ~~[(or (ii) is excluded from the definition of "investment adviser" under section 202(a)(1) of the Investment Advisers Act of 1940)].~~

3 Securities; Advisory Activities; Regulating Conduct of Investment Adviser Agents; Requiring Disclosure of Certain Material Facts; and Permitting Automatic Deduction of Investment Adviser Fees From Client Accounts in Certain Circumstances. Amend RSA 421-B:4 to read as follows:

421-B:4 Advisory Activities.

I. It is unlawful for any person who receives any consideration from another person primarily for advising the other person as to the value of securities or their purchase or sale whether through the issuance of analyses or reports or otherwise:

(a) To employ any device, scheme, or artifice to defraud another person; or

(b) To engage in any act, practice, or course of business which operates or would operate as a fraud or deceit upon the other person.

II. It is unlawful for any investment adviser *or investment adviser agent* to enter into, extend, or renew any investment advisory contract the terms of which are in contravention of such rules as the secretary of state may adopt as necessary or appropriate in the public interest or for the protection of investors.

III. It is unlawful for any investment adviser *or investment adviser agent* to take or have custody of any securities or funds of any client in contravention of such rules as the secretary of state may adopt as necessary or appropriate in the public interest or for the protection of investors.

IV. It shall constitute a fraudulent, deceptive, or manipulative act, practice, or course of business within the meaning of paragraph I for any investment adviser *or investment adviser agent* who has custody or possession of any funds or securities in which any client has any beneficial interest, to do any act or take any action, directly or indirectly, with respect to any such funds or securities, unless:

(a) All such securities of each such client are segregated, marked to identify the particular client who has the beneficial interest therein, and held in safekeeping in some place reasonably free from risk of destruction or other loss; and

(b) All such funds of such clients are deposited in one or more bank accounts which contain only clients' funds, such account or accounts are maintained in the name of the investment adviser as agent or trustee for such clients, and the investment adviser maintains a separate record for each such account which shows the name and address of the bank where such account is maintained, the dates and amounts of deposits in and withdrawals from such account, and the exact amount of each client's beneficial interest in such account; and

(c) Such investment adviser, immediately after accepting custody or possession of such funds or securities from any client, notifies such client in writing of the place and manner in which such funds and securities will be maintained, and thereafter, if and when there is any change in the place or manner in which such funds or securities are being maintained, gives each such client written notice thereof; and

(d) Such investment adviser sends to each client, not less frequently than once every 3 months, an itemized statement showing the funds and securities in the custody or possession of the investment adviser at the end of such period, and all debits, credits, and transactions in such client's account during such period; and

(e)(1) All such funds and securities of clients are verified by actual examination at least once during each calendar year by an independent public accountant at a time that shall be chosen by such accountant without prior notice to the investment adviser. A certificate of such accountant stating that an examination of such funds and securities has been made, and describing the nature and extent of the examination, shall be attached to a completed Form ADV-E (17 C.F.R. 279.8) and transmitted to the secretary of state promptly after each examination.

(2) Subparagraph IV(e)(1) shall not apply to an investment adviser also registered as a broker-dealer under section 15 of the Securities Exchange Act of 1934 if (i) such broker-dealer is subject to and in compliance with Rule 15c3-1 (Reg. 240.15c3-1, 25,126) under the Securities Exchange Act of 1934, or (ii) such broker-dealer is a member of an exchange whose members are exempt from Rule 15c3-1 (Reg. 240.15c3-1, 25,126) under the provisions of paragraph (b)(2) thereof, and such broker-dealer is in compliance with all rules and settled practices of such exchange imposing requirements with respect to financial responsibility and the segregation of funds or securities carried for the account of customers.

(f)(1) Direct deduction (automatic payment) of investment adviser fees from a client account to the investment adviser does not constitute custody of client funds if:

(A) The client provides written authorization permitting the adviser's fees to be paid directly from the client's account held by an independent custodian.

(B) The adviser sends to the client and the custodian at the same time, a bill showing the amount of the fee, the value of the client's assets on which the fee was based, and the specific manner in which the adviser's fee was calculated.

(C) *The custodian agrees to send to the client a statement, at least quarterly, indicating all amounts disbursed from the account including the amount of advisory fees paid directly to the advisers.*

(2) *Absent any of the conditions in subparagraphs(f)(1)(A)-(C), the adviser is deemed to have custody of client funds.*

IV-a. It shall constitute a fraudulent, deceptive, or manipulative act, practice, or course of business within the meaning of paragraph I for any investment adviser licensed or required to be licensed to fail to disclose to any client or prospective client all material facts with respect to:

(a) *A financial condition of the adviser that is reasonably likely to impair the ability of the adviser to meet contractual commitments to clients, if the adviser has discretionary authority (express or implied) or custody over such client's funds or securities, or requires prepayment of advisory fees of more than \$500 from such client, 6 months or more in advance; or*

(b) *A legal or disciplinary event that is material to an evaluation of the advisers integrity or ability to meet contractual commitments to clients.*

V. A person who is an investment adviser *or investment adviser agent* is a fiduciary and has a duty to act primarily for the benefit of the person's clients. While the extent and nature of this duty varies according to the nature of the relationship between an investment advisor and the clients and the circumstances of each case, an investment adviser *or investment adviser agent* shall not engage in unethical business practices which constitute violations of paragraph I, including the following:

(a) Recommending to a client to whom investment supervisory, management, or consulting services are provided the purchase, sale, or exchange of any security without reasonable grounds to believe that the recommendation is suitable for the client on the basis of information furnished by the client after reasonable inquiry concerning the client's investment objectives, financial situation and needs, and any other information known by the investment adviser *or investment adviser agent*.

(b) Exercising any discretionary power in placing an order for the purchase or sale of securities for a client without obtaining written discretionary authority from the client within 10 business days after the date of the first transaction placed pursuant to oral discretionary authority, unless the discretionary power relates solely to the price at which, or the time when, an order involving a definite amount of a specified security shall be executed, or both.

(c) Introducing trading in a client's account that is excessive in size or frequency in view of the financial resources, investment objectives, and character of the account in light of the fact that an adviser in such situations can directly benefit from the number of securities transactions effected in a client's account. This subparagraph appropriately forbids an excessive number of transaction orders to be induced by an *investment adviser or investment adviser agent* for a client's account.

(d) Placing an order to purchase or sell a security for the account of a client without the authority to do so.

(e) Placing an order to purchase or sell a security for the account of a client upon instruction of a third party without first having obtained a written third party trading authorization from the client.

(f) Borrowing money or securities from a client unless a client is a broker-dealer, an affiliate of the investment adviser, or a financial institution engaged in the business of loaning funds.

(g) Loaning money to a client unless the investment adviser is a financial institution engaged in the business of loaning funds or the client is an affiliate of the investment adviser.

(h) Misrepresenting to any advisory client, or prospective advisory client, the qualifications of the investment adviser, *investment adviser agent*, or any employee of the investment adviser, or misrepresenting the nature of the advisory services being offered or fees to be charged for such services, or omitting to state a material fact necessary to make the statements made regarding qualifications, services or fees, in light of the circumstances under which they are made, not misleading.

(i) Providing a report or recommendation to any advisory client prepared by someone other than the *investment adviser or investment adviser agent* without disclosing that fact. This prohibition does not apply to a situation where the *investment adviser or investment adviser agent* uses published research reports or statistical analysis to render advice or where an adviser orders such a report in the normal course of providing service.

(j) Charging a client an unreasonable advisory fee.

(k) Failing to disclose to clients in writing before any advice is rendered any material conflict of interest relating to the *investment* adviser, *investment adviser agent*, or any of its employees which could reasonably be expected to impair the rendering of unbiased and objective advice including:

(1) Compensation arrangements connected with advisory services to clients which are in addition to compensation from such clients or such services; and

(2) Charging a client an advisory fee for rendering advice when a commission for executing securities transactions pursuant to such advice will be received by the adviser or its employees.

(l) Guaranteeing a client that a specific result will be achieved, such as gain or no loss, with advice which will be rendered.

(m) Publishing, circulating, or distributing any advertisement which does not comply with Rule 206(4)-1 under the Investment Advisers Act of 1940.

(n) Disclosing the identity, affairs, or investments of any client unless required by law to do so, or unless consented to *in writing* by the client.

(o) Taking any action, directly or indirectly, with respect to those securities or funds in which any client has any beneficial interest, where the investment adviser *or investment adviser agent* has custody or possession of such securities or funds when the adviser's action is subject to and does not comply with the requirements of Reg. 206(4)-2 under the Investment Advisers Act of 1940.

(p) Entering into, extending, or renewing any investment adviser contract unless such contract is in writing and discloses, in substance, the services to be provided, the term of the contract, the advisory fee, the formula for computing the fee, the amount of prepaid fee to be returned in the event of contract termination or non-performance, whether the contract grants discretionary power to the *investment adviser or investment adviser agent*, [and] that no assignment of such contract shall be made by the investment adviser without the *written* consent of the other party to the contract, *or that*:

(1) Provides for compensation to the investment adviser on the basis of a share of capital gains upon or capital appreciation of the funds or any portion of the funds of the client except that this subparagraph shall not:

(A) Be construed to prohibit an investment advisory contract which provides for compensation based upon the total value of a fund averaged over a definite period, or as of definite dates, or taken as of a definite date; or

(B) Apply to an investment advisory contract with a person (except a trust, governmental plan, collective trust fund, or separate account), provided that the contract relates to the investment of assets in excess of \$1,000,000, if the contract provides for compensation based on the asset value of the company or fund under management averaged over a specified period and increasing and decreasing proportionately with the investment performance of the company or fund over a specified period in relation to the investment record of an appropriate index of securities prices or such other measure of investment performance as the secretary of state by rule may specify.

(2) The provisions of subparagraph (1) shall not be deemed to prohibit an investment adviser from entering into, performing, renewing or extending an investment advisory contract that provides for compensation to the investment adviser on the basis of a share of the capital gains upon, or the capital appreciation of, the funds, or any portion of the funds, of a client, provided that the client entering into the contract subject to this section is a qualified client defined as:

(A) A natural person who or a company that immediately after entering into the contract has as least \$750,000 under the management of the investment adviser.

(B) A natural person who or a company that the investment adviser entering into the contract (and any person acting on his behalf) reasonably believes, immediately prior to entering into the contract, either:

(i) Has a net worth (together, in the case of a natural person, with assets held jointly with a spouse) of more than \$1,500,000 at the time the contract is entered into; or

(ii) Is a qualified purchaser as defined in section 2(a)(51)(A) of the Investment Company Act of 1940 (14 U.S.C. 802-a(a)(51)(A)) at the time the contract is entered into:

(C) *A natural person who immediately prior to entering into the contract is:*

(i) *An executive officer, director, trustee, general partner, or person serving in a similar capacity, of the investment adviser; or*

(ii) *An employee of the investment adviser (other than an employee performing solely clerical, secretarial or administrative functions with regard to the investment adviser) who, in connection with his or her regular functions or duties, participates in the investment activities of such investment adviser, provided that such employee has been performing such functions and duties for or on behalf of the investment adviser, or substantially similar functions or duties for or on behalf of another company for at least 12 months.*

(3) *The secretary of state, by rule, upon his or her own motion, or by order upon application, may conditionally or unconditionally exempt any person or transaction, or any class or classes of persons or transactions, from subparagraph (1), if and to the extent that the exemption relates to an investment advisory contract with any person that the secretary of state determines does not need the protections of subparagraph (1), on the basis of such factors as financial sophistication, net worth, knowledge of and experience in financial matters, amount of assets under management, relationship with a licensed investment adviser, and such other factors as the secretary of state determines are consistent with this paragraph.*

(q) Failing to establish, maintain, and enforce written policies and procedures reasonably designed to prevent the misuse of material nonpublic information in violation of section 204A of the Investment Advisers Act of 1940.

(r) Entering into, extending, or renewing any advisory contract which would violate section 205 of the Investment Advisers Act of 1940 *and the rules promulgated thereunder*. This provision shall apply to all ~~advisers registered or required to be registered under the Investment Advisers Act of 1940, notwithstanding whether such adviser would be exempt from federal registration pursuant to section 203(b) of the Investment Advisers Act of 1940]~~ *investment advisers and investment adviser agents licensed or required to be licensed under this chapter.*

(s) Indicating, in an advisory contract, any condition, stipulation, or provisions binding any person to waive compliance with any provision of this chapter or of the Investment Advisers Act of 1940 or any other practice that would violate section 215 of the Investment Advisers Act of 1940.

(t) Engaging in any act, practice, or course of business which is fraudulent, deceptive, or manipulative in contravention of section 206(4) of the Investment Advisers Act of 1940, notwithstanding the fact that such investment adviser is not registered or required to be registered under section 203 of the Investment Advisers Act of 1940.

(u) Engaging in conduct or any act, indirectly or through or by any other person, which would be unlawful for such person to do directly under the provisions of this chapter or any rule adopted under it.

The conduct set forth above is not inclusive. Engaging in other conduct such as nondisclosure, incomplete disclosure, or deceptive practices, shall be deemed an unethical business practice. The federal statutory and regulatory provisions referenced in this paragraph shall apply to investment advisers *and investment adviser agents*, regardless of whether the federal provision limits its application to advisers subject to federal registration.

4 Licensing Requirements: Retroactive License. Amend RSA 421-B:6, I-II to read as follows:

I. It is unlawful for any person to transact business in this state as a broker-dealer, issuer-dealer, investment adviser, or agent unless such person is licensed under this chapter. Except with respect to advisers whose only clients are those described in RSA 421-B:2, IX(f), it is unlawful for any federal covered adviser to conduct advisory business in this state unless such person complies with the provisions of RSA 421-B:7, ~~[I-a]~~ *I-b*. An investment adviser representative is required to be licensed as an agent under this section, in addition to any agent license held as a representative of any broker-dealer.

II. It is unlawful for any broker-dealer, issuer-dealer, and investment adviser to employ an agent unless the agent is licensed, or for a federal covered adviser to employ, supervise, or associate with an investment adviser representative having a place of business located in this state, unless such investment adviser representative is licensed as an agent under this chapter, or is exempt from the licensing requirements. Under this chapter, an agent's license is only in effect when such agent is associated with a particular broker-dealer, investment adviser, federal covered adviser, *issuer-dealer*, or a particular issuer. No agent shall at any time represent more than one broker-dealer or issuer-

dealer, except that where broker-dealers or issuer-dealers affiliated by direct common control are licensed under this chapter, an agent may represent any such broker-dealer or issuer-dealer. When an agent begins or terminates those activities ~~which~~ *that* make the person an agent, the broker-dealer, issuer-dealer, ***federal covered advisor***, and investment adviser shall promptly notify the secretary of state. When an investment adviser representative begins or terminates employment with a federal covered adviser, the investment adviser representative shall promptly notify the secretary of state.

5 New Paragraph; Securities; Licensing Requirements. Amend RSA 421-B:6 by inserting after paragraph III the following new paragraph:

III-a. A federal covered adviser who has paid a notice filing fee in this state for a particular calendar year and subsequently during that year becomes a state regulated investment adviser licensed in this state, shall not be assessed an additional fee (initial license fee) as it makes the transition to a licensed investment adviser in that year. A state regulated investment adviser who has paid a license fee in this state for a particular calendar year and subsequently during that year becomes a federal covered adviser, shall not be assessed an additional fee (notice filing fee) for the transition to a federal covered adviser in that year.

6 Securities; Licensing Requirements. Amend RSA 421-B:6, V to read as follows:

V.(a) Prior to opening ***or closing*** a branch office ***in this state***, a broker-dealer or investment adviser shall send written notification directly to the secretary of state of the location of the branch office, telephone number, name of the individual supervising the office, ***the date of the opening or closing***, and any other pertinent information required by the secretary of state.

(b) ***It is prohibited for any branch office or agent of a broker-dealer or investment adviser to conduct a securities or investment advisory business in this state under any name other than that of the broker-dealer or investment adviser with which the branch office is associated or agent is licensed. If more than one business enterprise is conducted from a branch office location, disclosures shall clearly and equally set forth what business activity is conducted by each organization and each licensed agent's relationship to each organization.***

(c) ***Each branch office within this state shall be supervised by an on-site manager who shall have qualified as a principal by passing either the Series 8 (now 9 and 10) exam(s) or a principal's exam applicable to the licensee's business conducted at that location. Administration of exams shall be conducted by the National Association of Securities Dealers.***

7 Securities; Licensing Procedure. Amend RSA 421-B:7, I- I-a to read as follows:

I. A broker-dealer, issuer-dealer, agent, or investment adviser may obtain an initial or renewal license by filing with the secretary of state ***or his or her designee*** an application together with ***the fees required by RSA 421-B:31 and*** a consent to service of process pursuant to RSA 421-B:30, VII, ***and paying any reasonable costs charged by the designee for processing such filings.*** The application shall be on a form prescribed by the secretary of state and shall contain whatever information the secretary of state requires concerning such matters as, but not limited to, the applicant's form and place of organization; the applicant's proposed method of doing business; the qualifications and business history of the applicant; in the case of a broker-dealer, issuer-dealer, or investment adviser, the qualifications and business history of any partner, officer, or director, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling the broker-dealer, issuer-dealer, or investment adviser; and, in the case of an investment adviser, ***Form ADV, specimens of investment adviser contracts, and*** the qualifications and business history of any employee; any injunction or administrative order or conviction of a misdemeanor involving a security or any aspect of the securities business and any conviction of a felony; and the applicant's financial condition and history. The secretary of state may by rule or order require an applicant for initial license to publish an announcement of the application in one or more specified newspapers published in this state. If no denial order is in effect and no proceeding is pending under RSA 421-B:10, licensing becomes effective at noon of the thirtieth day after an application is filed. The secretary of state may by rule or order specify an earlier effective date, and he may by order defer the effective date until noon of the thirtieth day after filing of any amendment.

I-a. ***Unless otherwise provided, all investment adviser and investment adviser representative applications, renewals, amendments, reports, notices, related filings and fees required to be filed with the secretary of state pursuant to this chapter and rules adopted thereunder, shall be filed electronically with and transmitted to Investment Adviser Registration Depository (hereinafter referred to as the IARD). The following additional conditions relate to such electronic filings:***

(a) When a signature or signatures are required by the particular instructions of any filing to be made through IARD, a duly authorized officer of the applicant and/or the applicant himself or herself, as required, shall affix his or her electronic signature to the filing by typing his or her name in the appropriate fields and submitting the filing to IARD. Submission of a filing in this manner shall constitute irrefutable evidence of legal signature by any individuals whose names are typed on the filing.

(b) Solely for purposes of a filing made through IARD, a document is considered filed with the secretary of state when all fees are received and the filing is accepted by IARD on behalf of the state.

(c) Any documents or fees required to be filed with the secretary of state that are not permitted to be filed with or cannot be accepted by IARD shall be filed directly with the secretary of state. The application shall not be complete until all documents and fees required by this chapter and rules adopted thereunder have been submitted through the IARD, where possible, or submitted to and received directly by the secretary of state.

(d) There shall be 2 "hardship exemptions" from the requirements to make electronic filings as required by this section:

(1) Temporary hardship exemption:

(A) Investment advisers licensed or required to be licensed under this chapter who experience unanticipated technical difficulties that prevent submission of an electronic filing to IARD may request a temporary hardship exemption from the requirements to file electronically.

(B) To request a temporary hardship exemption, the investment adviser shall:

(i) File Form ADV-H (17 CFR 279.3) in paper format with the administrator where the investment adviser's principal place of business is located, no later than one business day after the filing that is the subject of the Form ADV-H was due; and

(ii) Submit the filing that is the subject of the Form ADV-H in electronic format to IARD no later than 7 business days after the filing was due.

(C) The temporary hardship exemption will be deemed effective upon receipt by the secretary of state of the complete Form ADV-H. Multiple temporary hardship exemption requests within the same calendar year may be disallowed by the secretary of state.

(2) Continuing hardship exemption:

(A) A continuing hardship exemption shall be granted only if the investment adviser is able to demonstrate that the electronic filing requirements of this rule are prohibitively burdensome.

(B) To apply for a continuing hardship exemption, the investment adviser shall:

(i) File Form ADV-H (17 CFR 279.3) in paper format with the secretary of state at least 20 business days before filing is due; and

(ii) If a filing is due to more than one administrator, the Form ADV-H shall be filed with the administrator where the investment adviser's principal place of business is located. The administrator who receives the application shall grant or deny the application within 10 business days after the filing of Form ADV-H.

(C) An exemption is effective upon approval by the secretary of state. The time period of the exemption may be no longer than one year after the date on which the Form ADV-H is filed. If the secretary of state approves the application, the investment adviser shall, no later than 5 business days after the exemption approval date, submit filings to IARD in paper format (along with the appropriate processing fees) for the period of time for which the exemption is granted.

(3) The decision to grant or deny a request for a hardship exemption shall be made by the administrator where the investment adviser's principal place of business is located, which decision shall be followed by the secretary of state.

(e)(1) An investment adviser shall file with IARD, in accordance with the instructions in the Form ADV, any amendments to the investment adviser's Form ADV. An amendment shall be considered to be filed promptly if the amendment is filed within 30 days of the event that requires the filing of the amendment.

(2) An investment adviser representative is under a continuing obligation to update information required by Form U-4 as changes occur. An investment advisor representative and the investment adviser shall file promptly with IARD any amendments to the representative's Form U-4.

(3) Within 90 days of the end of the investment adviser's fiscal year, an investment adviser shall file an updated Form ADV with IARD.

(f)(1) By June 30, 2001, each investment adviser licensed or required to be licensed under this chapter shall resubmit its Form ADV electronically (if it has not previously done so) with IARD unless it has been granted a hardship exemption under this section.

(2) If the amendment to Form ADV is made after June 30, 2001, or at an earlier date if an investment adviser has filed its Form ADV (17 CFR 279.1), or any amendments to Form ADV, electronically with IARD, the licensee shall file amendments to Form ADV required by this paragraph electronically with IARD, unless it has been granted a hardship exemption under this paragraph.

(g) By June 30, 2001, for each investment adviser representative licensed or required to be licensed under this chapter, Form U-4 must be resubmitted electronically if it has not previously been done with IARD, unless the investment adviser, filing on behalf of the investment adviser representative, has been granted a hardship exemption under this paragraph.

I-b. Except with respect to federal covered advisers whose only clients are those described in RSA 421-B:2, IX(f), a federal covered adviser shall file with the secretary of state *or his or her designee*, prior to acting as a federal covered adviser in this state, a notice, which shall consist of a copy of the most recent complete Form ADV filed with the Securities and Exchange Commission (SEC) and a Form U-2, and shall pay initial and annual fees in accordance with 421-B:31. Initial fees shall be paid before business is transacted in this state, and annual fees shall be paid on or before December 31 of the current year for the ensuing year. Federal covered advisers shall submit copies to the secretary of state of all documents filed with the Securities and Exchange Commission pursuant to the securities laws within 10 business days of their submission to the Securities and Exchange Commission. *Documents and fees that are accepted by IARD may be submitted through IARD. Other documents filed or deemed filed with the SEC shall be submitted directly to the secretary of state. Until IARD provides for the filing of Part 2 of Form ADV, the secretary of state shall deem filed Part 2 of Form ADV if a federal covered adviser provides, within 5 days of a request, Part 2 of Form ADV to the secretary of state. Because the secretary of state deems Part 2 of the Form ADV to be filed, a federal covered adviser is not required to submit Part 2 of Form ADV to the secretary of state unless requested.*

I-c.(a) *The application for withdrawal of licensure as an investment adviser pursuant to Section 204(e) of the Investment Advisers Act of 1940 shall be completed by following the instructions on Form ADV-W. (Notice of Withdrawal from Registration as Investment Adviser) (17 CFR 279.2) and filed upon Form ADV-W with IARD.*

(b) *The application for withdrawal of licensure as an investment adviser representative pursuant to Section 204(e) of the Investment Advisers Act of 1940 shall be completed by following the instructions on Form U-5 (Uniform Termination Notice for Securities Industry Registration) and filed upon Form U-5 with IARD.*

8 New Paragraph; Securities; Licensing Procedure; Examination Requirement for Investment Advisor Licensees. Amend RSA 421-B:7 by inserting after paragraph VI the following new paragraph:

VII.(a) Each applicant for individual broker-dealer licensure or licensure as an agent of a broker-dealer shall provide the secretary of state with proof of obtaining a passing score on the Uniform Securities Agent State Law Examination (Series 63 examination) or the Uniform Combined State Law Examination (Series 66 examination).

(b) Each applicant for individual investment adviser licensure, investment adviser agent licensure, or investment adviser representative licensure shall provide the secretary of state with proof of obtaining a passing score on one of the following examination requirements:

(1) The Uniform Investment Adviser Law Examination (Series 65 examination); or

(2) The General Securities Representative Examination (Series 7 examination) and the Uniform Combined State Law Examination (Series 66 examination).

(c)(1) Any individual who was registered or licensed as an investment adviser, investment adviser agent, or investment adviser representative in any jurisdiction in the United States on January 1, 2000 shall not be required to satisfy the examination requirements for investment adviser licensure in this state, except that the secretary of state may require additional examinations for any individual found to have violated any state or federal securities law.

(2) Any individual who has not been registered or licensed in any jurisdiction for a period of 2 years shall be required to comply with the examination requirements.

(d) The examination requirement shall not apply to an individual who upon application holds one of the following professional designations:

(1) Certified Financial Planner (CFP) awarded by the Certified Financial Planning Board of Standards, Inc.;

(2) Chartered Financial Consultant (ChFC) awarded by the American College, Bryn Mawr, Pennsylvania;

(3) Personal Financial Specialist (PFS) awarded by the American Institute of Certified Public Accountants;

(4) Chartered Financial Analyst (CFA) awarded by the Institute of Chartered Financial Analysts;

(5) Chartered Investment Counselor (CIC) awarded by the Investment Counsel Association of America, Inc.; or

(6) Such other professional designation as the secretary of state may by rule or order recognize.

9 Securities; Required Records. Amend RSA 421-B:8, XII(c)(14) to read as follows:

(14)(A)(i) A copy of each written statement and each amendment or revision thereof, given or sent to any client or prospective client of such investment adviser ~~[and a record of the dates that each written statement, and each amendment or revision thereof, was given, or offered to be given, to any client or prospective client who subsequently becomes a client.];~~

(ii) Any summary of material changes that is required by Part 2 of Form ADV but is not contained in the written statement; and

(iii) A record of the dates that each written statement, each amendment or revision thereto, and each summary of material changes was given or offered to any client or to any prospective client who subsequently becomes a client.

(B) A memorandum describing any legal or disciplinary event listed in Item 8 of Part 2A or Item 3 of Part 2B of Form ADV and presumed to be material, if the event involved the investment adviser or any of its supervised persons and is not disclosed in the written statements described in subparagraph XII(c)(14)(A). The memorandum shall explain the investment adviser's determination that the presumption of materiality is overcome, and shall discuss the factors described in those items.

10 New Subparagraph; Securities; Required Records. Amend RSA 421-B:8, XII(c) by inserting after subparagraph (15) the following new subparagraph:

(16) Copies, with original signatures of the investment adviser's appropriate signatory and the investment adviser representative, of each initial Form U-4 and each amendment to Disclosure Reporting Pages (DRPs U-4) must be retained by the investment adviser (filing on behalf of the investment adviser representative), and shall be made available for inspection upon regulatory request.

11 Securities; Written Disclosure Statement. RSA 421-B:8, XIII is repealed and reenacted to read as follows:

XIII.(a)(1) Unless otherwise provided in this section, an investment adviser licensed or required to be licensed under this chapter shall, in accordance with the provisions of this section, furnish each advisory client and prospective advisory client with a written disclosure statement which may be a copy of Part II of its Form ADV or written documents containing at least the information then so required by Part II of Form ADV, and such other information as the secretary of state may require. When Form ADV, Part 2 replaces Form ADV, Part II, each investment adviser shall furnish each advisory client and prospective advisory client with a firm brochure and one or more supplements as required by this section. The brochure and supplements shall contain all information required by Part 2 of Form ADV, (17 C.F.R. 279.1), and such other information as the secretary of state may require.

(2) An investment adviser shall deliver:

(A) The current brochure required by this section to a client or prospective client, and

(B) The current brochure supplements for each investment adviser representative who will provide advisory services to the client. For purposes of this section, an investment adviser representative shall provide advisory services to a client if the investment adviser representative will:

- (i) Regularly communicate investment advice to that client; or
- (ii) Formulate investment advice for assets of that client; or
- (iii) Make discretionary investment decisions for assets of that client; or
- (iv) Solicit, offer or negotiate for the sale of or sell investment advisory services.

(3) An investment advisor shall deliver the disclosure statement required by this section to an advisory client or prospective advisory client not less than 48 hours prior to entering into any investment advisory contract with such client or prospective client, or at the time of entering into any such contract, if the advisory client has the right to terminate the contract without penalty within 5 business days after entering into the contract.

(b) Any disclosure statement requested in writing by an advisory client pursuant to an offer required by this subdivision shall be mailed or delivered within 7 days of the receipt of the request.

(c) If the adviser is the general partner of a limited partnership, the manager of a limited liability company, or the trustee of a trust, then for purposes of this section the investment adviser shall treat each of the partnership's limited partners, the company's members, or the trust's beneficial owners as a client. For purposes of this section, a limited liability partnership or limited liability limited partnership is a "limited partnership."

(d) If an investment adviser renders substantially different types of investment advisory services to different advisory clients, the investment adviser may provide them with different disclosure documents or brochures, provided that each client receives all applicable information about services and fees. The brochure delivered to a client may omit any information required by Part 2A of Form ADV if such information is applicable only to a type of investment advisory service or fee that is not rendered or charged, or proposed to be rendered or charged, to that client or prospective client.

(e) The investment adviser shall amend its brochure and any brochure supplements and deliver the amendments to clients promptly when information contained in the brochure or brochure supplements becomes materially inaccurate. The instructions to Part 2 of Form ADV contain updating and delivery instructions that the investment adviser shall follow. An amendment will be considered to be delivered promptly if the amendment is delivered within 30 days of the event that requires the filing of the amendment.

(f) Nothing in this paragraph shall relieve any investment adviser from any obligation pursuant to any provision of this chapter or the rules and regulations thereunder or other federal or state law to disclose any information to its advisory clients or prospective advisory clients not specifically required by this paragraph.

(g)(1) If the investment adviser is a sponsor of a wrap fee program, then the brochure, required to be delivered by subparagraph XIII(a) to a client or prospective client of the wrap fee program, must be a wrap fee brochure containing all information required by Form ADV. Any additional information in a wrap fee brochure shall be limited to information applicable to wrap fee programs that the investment adviser sponsors.

(2) The investment adviser does not have to offer or deliver a wrap fee brochure if another sponsor of the wrap fee program offers or delivers to the client or prospective client of the wrap fee program a wrap fee program brochure containing all the information the investment adviser's wrap fee program brochure must contain.

(3) A wrap fee brochure does not take the place of any brochure supplements that the investment adviser is required to deliver under this paragraph.

(h) All investment advisers licensed or required to be licensed under this chapter must deliver to each of their clients their current brochure and all required brochure supplements within 30 days from the date of effectiveness of Part 2 of Form ADV.

(i) For the purpose of this paragraph:

(1) "Current brochure" and "current brochure supplement" mean the most recent revision of the brochure or brochure supplement, including all subsequent amendments (i.e., stickers).

(2) "Entering into" in reference to an investment advisory contract, does not include an extension or renewal without material change of any such contract which is in effect immediately prior to such extension or renewal.

(3) "Sponsor" of a wrap fee program means an investment adviser that is compensated under a wrap fee program for sponsoring, organizing, or administering the program, or for selecting, or providing advice to clients regarding the selection of other investment advisers in the program.

(4) "Wrap fee program" means an advisory program under which a specified fee or fees, not based directly upon transactions in a client's account, is charged for investment advisory services (which may include portfolio management or advice concerning the selection of other investment advisers) and the execution of client transactions.

12 Securities; Post-Licensing Provisions; Limitation on Scope of Investment Advisor Discretion. Amend RSA 421-B:8, XVI(e) to read as follows:

(e) For purposes of this rules an investment advisor shall not be deemed to be exercising discretion when it places trade order with an broker-dealer, pursuant to a third party trading agreement if:

(1) The investment advisor has executed a separate investment advisor contract exclusively with its client which acknowledges that a third party trading agreement will be executed to allow the investment adviser to effect securities transactions for the client in the client's broker-dealer account;

(2) The investment adviser contract specifically state the client does not grant discretionary authority to the investment adviser, and the investment adviser in fact does not exercise discretion with respect to the account; and

(3) A third party trading agreement is executed between the client and a broker-dealer which specifically limits the investment adviser's authority in the client's broker-dealer account to the placement of trade orders and deduction of investment adviser fees.

(f) Every investment adviser that has its principal place of business in a state other than this state shall maintain such minimal capital as required by the state in which the investment adviser maintains its principal place of business, provided the investment adviser is licensed in such state and is in compliance with such state's minimal capital requirements.

13 Examination of Financial Affairs. Amend the introductory paragraph of RSA 421-B:9, I to read as follows:

I. For the purpose of determining the financial condition, fulfillment of its contractual obligations, and compliance with the law, whenever the secretary of state shall deem it expedient, ~~[he]~~ **the secretary of state** shall examine, either in person or by some examiner duly authorized ~~[by him]~~ the affairs, transactions, accounts, records, documents, and assets of each licensed broker-dealer, investment adviser, or issuer-dealer as to any matter relevant to the financial affairs or obligations of the broker-dealer, investment adviser, or issuer-dealer or any other fact relative to its business methods, management and its dealings with clients, as often and to the extent ~~[he deems]~~ **deemed** advisable. Except as otherwise provided, ~~[he]~~ **the secretary of state** shall examine each domestic broker-dealer, investment adviser, or issuer-dealer **at least once every 4 years** and domestic branches of ~~[foreign]~~ broker-dealers ~~[or investment advisers]~~ at least once every ~~[4]~~ **6** years. Examination of an alien broker-dealer, investment adviser, or issuer-dealer shall be limited to its broker-dealer, investment adviser, or issuer-dealer transactions, assets, trust deposits, and affairs in the United States except as otherwise required by the secretary of state.

14 Securities; Registration Requirement and Notice of Filing of Securities; Preemption of State Securities Registration Requirements. RSA 421-B:11, I-b is repealed and reenacted to read as follows:

I-b.(a) Whenever it appears to the secretary of state that a particular security or transaction offered or sold in this state has not been preempted by federal law or regulation from the registration requirements of this section, the secretary of state may issue an order requiring any person who claims the benefit of federal preemption with respect to the security or transaction to prove that the registration requirement of this section has been preempted. The order shall be calculated to give reasonable notice of the time and place for the hearing, which shall be held within 10 days of the issuance of the order, and shall state the reasons for the entry of the order.

(b) All hearings shall be conducted in accordance with this chapter. After the hearing, the secretary of state shall enter an order making such disposition of the matter as the facts require. If the person claiming the benefit of federal preemption fails to appear at a hearing of which he has been duly notified, such person shall be deemed in default, and the proceeding may be determined against him upon consideration of the order, the allegations of which may be deemed to be true. The secretary of state may adopt rules of procedure concerning all proceedings conducted pursuant to this section.

(c) In any judicial or administrative proceeding under this chapter, the burden of proving an exemption, preemption or an exception from a definition is upon the person claiming it.

(d) Qualification for any of the notice filing provisions of RSA 421-B:11, I-a is predicated upon compliance with federal law, and associated regulations, cited in each provision, including but not limited to the timely filing of Form D with the Securities and Exchange Commission.

15 Securities; Financial Statements; Electronic Filing System. Amend RSA 421-B:15, II-a to read as follows:

II-a. Every corporation and partnership having securities registered in this state shall, within 120 days after the close of its fiscal year, file with the secretary of state annually a financial statement audited and certified by an independent certified public accountant. The audited statement shall be prepared in accordance with generally accepted accounting principles and such other standards as the secretary of state shall adopt by rule. Issuers of securities registered under this chapter shall also provide quarterly financial reports within 60 days of the end of each quarter to their shareholders, partners, and members. Such quarterly reports need not be independently audited. ***Filings may be made through the Securities and Exchange Commission's EDGAR system.*** The secretary of state may extend the time for filing such statement for good cause shown.

16 Securities; Exemptions; Filing of Offering/Disclosure Documents with the Secretary of State. Amend RSA 421-B:17, II(I) to read as follows:

(I) The issuance and delivery of any securities of one corporation to another corporation or its securities holders in exchange for the acquisition by the issuer or a subsidiary of the issuer of all or substantially all of the assets of such other corporation, or in connection with a consolidation or merger of such corporation or a share exchange between the issuer or a subsidiary of the issuer and such other corporation, provided that the secretary of state has been furnished with a general description of the transaction, ***with the documents to be distributed to offerees,*** and with such other information as he prescribes by rule not less than 10 business days prior to such issuance and delivery.

17 Administration. Amend RSA 421-B:21, I to read as follows:

I. This chapter shall be administered by the secretary of state ***who may appoint a deputy to administer the provisions of this chapter.*** The secretary of state shall, to the greatest extent practical, physically and substantively consolidate the activities and functions related to corporations, limited partnerships, and other business organizations and entities administered by the department of state with the activities and functions related to the registration of securities.

18 Repeal. The following are repealed:

I. RSA 421-B:9, VII, relative to examination charges for broker-dealers.

II. RSA 421-B:13, I-a, relative to registration by coordination.

19 Effective Date. This act shall take effect 60 days after its passage.

HB 745-FN, revising Article 9 of the Uniform Commercial Code and related statutes. OUGHT TO PASS WITH AMENDMENT

Rep. Leo W. Fraser, Jr. for Commerce: The Uniform Commercial Code (U.C.C.) is constantly being updated across the country. All businesses must comply with the U.C.C. HB 745 addresses provisions in Article 9 of the U.C.C. as it applies to secured transactions. The legislation as amended excludes an assignment of a health care insurance receivable or an assignment, transfer or creation of a security interest. It establishes fee schedules for the filing and indexing of a record or financial statement with the Secretary of State. Under Chapter 454-C, the Secretary of State must maintain a consolidated index of certain liens affecting personal properties. Vote 12-0.

Amendment (0530h)

Amend RSA 382-A:9-406(i) as inserted by section 25 of the bill by replacing it with the following:

(i) Inapplicability. This section does not apply to:

(1) an assignment of a health-care-insurance receivable; or

(2) an assignment or transfer of or creation of a security interest in:

(A) a claim or right to receive compensation for injuries or sickness as described in 26 U.S.C. §104(a)(1) or (2), as amended from time to time; or

(B) a claim or right to receive benefits under a special needs trust as described in 42 U.S.C. §1396p(d)(4), as amended from time to time.

Amend RSA 382-A:9-525(a) as inserted by section 25 of the bill by replacing it with the following:

(a) Initial financing statement or other record: general rule. Except as otherwise provided in subsection (c), the fee for filing and indexing a record under this part, other than an initial financing statement of the kind described in subsection (b), is the amount specified in subsection (c), if applicable, plus:

- (1) \$48 if the record is communicated in writing and consists of not more than 2 pages; or
- (2) \$83 if the record is communicated in writing and consists of more than 2 pages; or
- (3) \$48 if the record is communicated by another medium authorized by filing-office rule.

Amend RSA 382-A:9-525(i) as inserted by section 25 of the bill by replacing it with the following:

- (i) Allocation of fees. Fees collected under this section shall be allocated as follows:

(1) \$18 of each fee collected under subsection (a) or (b), to the general fund as unrestricted revenue;

(2) \$15 of each fee collected under subsection (a) or (b) for any filing associated with an initial financing statement that shows a mailing address in this state for the first-listed debtor, to the clerk of the town or city shown in such mailing address, provided such clerk is at the time of such filing in compliance with subsection (j); and

(3) all remaining amounts collected under subsections (a), (b), (c), (d), (g), or (h), for the purposes specified in Section 9-527(a).

Amend the bill by replacing section 42 with the following:

42 New Chapter; Personal Property Lien Index. Amend RSA by inserting after chapter 454-B the following new chapter:

CHAPTER 454-C

PERSONAL PROPERTY LIEN INDEX

454-C:1 Index of Liens.

I. The secretary of state shall maintain a consolidated index of certain liens affecting personal property and filed with the secretary of state and city and town clerks. The liens to be included in the index are as follows:

- (a) Federal tax liens (RSA 454-B);
- (b) State tax liens (RSA 21-J:28-c);
- (c) Aircraft registration fee liens (RSA 450:4);
- (d) Writs of attachment (RSA 511:23 and RSA 511-A:5);
- (e) Child support liens (RSA 458:17);
- (f) Housing finance authority liens (RSA 204-C:19);
- (g) Hazardous waste liens (RSA 147-B:10-b);
- (h) Employment security liens (RSA 282-A:143 & 165);
- (i) State Food Security Act liens (RSA 439);
- (j) Manufactured housing tax liens (RSA 72:7-a);
- (k) Road toll liens (RSA 260:63); and
- (l) Creditor's bill liens (RSA 498:14).

II. The index shall include the following information with regard to each such lien, or any full release thereof:

- (a) Name and address of every debtor;
- (b) Name and address of first-listed lienor;
- (c) Type of lien and statutory authority;
- (d) Location of filing of lien;
- (e) Date and time of filing of lien or full release; and
- (f) File number, if any.

454-C:2 Notice of Filing or Full Release. Any person or agency filing such a lien, or a full release of such a lien, with the secretary of state or a city or town clerk shall submit with the lien or release documentation a notice of filing of lien or notice of full release of lien, as applicable, on a form prescribed by the secretary of state, containing the information specified in RSA 454-C:1, II(a) through (c). The secretary of state or the city or town clerk that receives the filing shall enter on the notice the information specified in RSA 454-C:1, II(d) through (f). If a federal agency files such a lien or full release with a city or town clerk without an accompanying notice of filing or full release, the clerk shall complete a notice of filing or full release, as appropriate.

454-C:3 Entry of Information in Index.

I. Except as otherwise provided in RSA 454-C:7, whenever any such lien, or a full release of any such lien, is filed with the secretary of state, an image of the notice of filing or full release, or the information contained in such notice, shall be entered in the index within 3 business days.

II. Except as otherwise provided in RSA 454-C:7, and only as to federal, state, and manufactured housing tax liens, whenever any such lien, or a full release of any such lien, is filed

with a city or town clerk, the clerk shall within 2 business days transmit to the secretary of state, by mail or other medium prescribed or authorized by the secretary of state, a copy of, or an electronic record of all information contained in, the notice of filing of lien or notice of full release of lien submitted by the person or agency filing the lien or release pursuant to RSA 454-C:2. The term "business day" as used in the preceding sentence shall mean a day on which the clerk's office is open for business. Only the notice itself or electronic record thereof shall be so transmitted, not the other lien documentation filed with the notice. The secretary of state within 3 business days of such receipt shall enter an image of the notice or the information contained therein in the index, and shall periodically transmit to each such clerk an acknowledgment of receipt of such notices or electronic records. Pursuant to the statutes providing for the filing of each type of lien listed in RSA 454-C:1, I, no such liens other than federal, state, and manufactured housing tax liens will be filed with city or town clerks subsequent to the effective date of this chapter.

454-C:4 Period of Retention. The secretary of state shall maintain the image of the notice or the information therefrom regarding each lien and any full release thereof in the index until at least the earlier of one year after the secretary of state receives a full release or notice of full release of the lien, or the expiration of the time period noted herein for each category of lien:

I. Federal tax liens (RSA 454-B) – 12 years from date of filing or latest refiling;

II. State tax liens (RSA 21-J:28-c) – 7 years from date of filing;

III. State Food Security Act liens (RSA 439) – one year from lapse;

IV. All other liens – 12 years from date of filing.

454-C:5 Request for Information. Any response to a request to the secretary of state for information on a particular debtor made under RSA 382-A:9-523(c), (f), (g), or (h), shall include at a minimum the date and time of filing of every lien against that debtor included in the index. The response shall include information on all such liens as to which either the lien itself (in the case of a lien filed with the secretary of state) or a notice of filing of lien (in the case of a lien filed with a city or town clerk) was received on or before a date specified in the response, which shall not be a date earlier than 3 business days before the request for information was received. The response shall also specify the beginning date of the period covered by the report. If requested, the response shall also include copies of all or any specified lien notices or documentation on file with the secretary of state.

454-C:6 Extension of Time Periods. The time periods specified in RSA 454-C:3 and RSA 454-C:5 are subject to extension for reasons set forth in RSA 382-A:9-524.

454-C:7 Transition Period.

I. "Pre-effective-date" with regard to a lien means filed with the secretary of state or a city or town clerk on or after July 1, 1996, and before July 1, 2001.

II. Not later than June 30, 2003, city and town clerks shall prepare and transmit to the secretary of state a notice of filing for every pre-effective-date federal tax lien not lapsed or fully released as of the date of such transmission, such notice of filing to be on a form prescribed by the secretary of state and containing the information specified in RSA 454-C:1, II; or, if authorized by the secretary of state, an electronic record containing such information. No city or town clerk shall have any liability on account of any error in preparing or transmitting such notices or electronic records. The secretary of state shall transmit to each such clerk an acknowledgment of receipt of such notices or electronic records, and not later than June 30, 2006, shall enter in the index the information specified in RSA 454-C:1, II regarding each such lien, or an image of the notice of filing thereof.

III. Not later than June 30, 2006, the secretary of state shall also enter in the index equivalent information or images regarding all pre-effective-date liens of all types originally filed with the secretary of state and not lapsed or fully released as of the date of such entry. Prior to the date of such entry, the secretary of state shall include all applicable information on any such liens not yet entered in the index in any response to a request for information made under RSA 382-A:9-523(c), (f), (g), or (h).

IV. Notwithstanding the provisions of RSA 454-C:3, whenever a full release of any pre-effective-date federal, state, or manufactured housing tax lien is filed with a town or city clerk, and (in the case of federal tax liens) a notice of filing of such lien or electronic record thereof has not previously been transmitted to the secretary of state pursuant to paragraph II, such clerk shall remove the lien being released from the file, and shall not forward the notice of full release to the secretary of state; and whenever a full release of any pre-effective-date lien of any type is filed with the secretary of state, and information regarding such lien has not previously been entered in the index

pursuant to paragraph III, the secretary of state shall remove the lien being released from the file, and shall not enter an image of the notice of full release, or the information contained therein, in the index.

454-C:8 Rules. The office of the secretary of state may adopt and publish rules to implement this chapter. Such rules shall not be subject to the provisions of RSA 541-A.

HB 753, relative to exemptions from issuer dealer licenses for the sale of securities. OUGHT TO PASS WITH AMENDMENT

Rep. Gene B. Marshall for Commerce: This bill makes minor wording changes to current law to provide more flexibility in applying securities licensing requirements in start-up situations and very small offerings. The changes are supported by the Director of Securities Regulation, (Secretary of State's Office) in furtherance of a recommendation of the Governor's Committee on Revenues. There was no opposition to the bill. Vote 12-1.

Amendment (0708h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraphs; Applications for Issuer-Dealer Licenses for Certain Securities Sales. Amend RSA 421-B:6 by inserting after paragraph I the following new paragraphs:

I-a. In connection with an offering of securities made pursuant to section 18(b)(4)(D) of the Securities Act of 1993 that requires only a notice filing in this state pursuant to RSA 421-B:11, I-a(e), a completed application for licensure as an issuer-dealer, an agent of an issuer-dealer and for an agent of the issuer, or authorization without licensure for an officer or director pursuant to RSA 421-B:2, II(e), shall be filed with the secretary of state no later than 15 days after the first sale of securities in this state, and the license or authorization will become effective without further action or review by the secretary of state. Provided that the application is complete and accompanied by the appropriate fees, the effective date of the license or authorization shall for all purposes be the date of first sale as certified by the issuer in such issuer-dealer license application.

I-b. The applications referred to in paragraph I-a shall set forth and be limited to the name of the issuer, the state of the issuer's formation, a description of the securities sold, the date of first sale of such securities in this state, the name or names of the representative or representatives of the issuer who are engaged in the sale of the securities, and confirmation that no agent has been convicted of a felony. The applications need only be signed by that person or those persons who are authorized to do so by the issuer's board of directors or other governing body. At the same time, the issuer shall submit a consent to service of process pursuant to RSA 421-B:30, VII, and shall pay the fees required by RSA 421-B:31. Each application shall be on a form prescribed by the secretary of state, consistent with the provisions of this section.

2 New Paragraph; Exemptions From Issuer-Dealer Licensing Requirements by Secretary of State. Amend RSA 421-B:6 by inserting after paragraph VII the following new paragraph:

VII-a. The secretary of state shall have the authority to issue orders exempting otherwise non-exempt sales of securities from the issuer-dealer and issuer-dealer agent licensing requirements of RSA 421-B:6 if the secretary of state determines:

(a) That all or substantially all of the proposed sales of securities fall within one or more of the exemptions set forth in:

- (1) RSA 421-B:17; or
- (2) RSA 421-B:6; and

(b) That granting the exemption will be consistent with the purposes fairly intended by the policy and provisions of this title.

3 Securities Sales Transactions Exempted From Registration. Amend RSA 421-B:17, II(a) to read as follows:

(a) Any isolated sales, whether or not effected through a broker-dealer, provided that no person shall make more than ~~[5]~~ 10 sales, in total, of securities of the same issuer, in all jurisdictions combined, other than ~~to~~ those designated in RSA 421-B:17, I(h), II(g), II(l) and II(p)(1), during any period of 12 consecutive months; provided further that in the case of sales by an issuer, except sales of securities registered under the Securities Act of 1933 or exempted by section 3(b) of that act, the seller reasonably believes that all buyers are purchasing for investment. *The secretary of state, on a case by case basis, may by rule or order increase the number of persons to whom sales may be made under this exemption.*

4 Effective Date. This act shall take effect July 1, 2001.

HB 481, relative to access to certain communications common carrier records. **OUGHT TO PASS WITH AMENDMENT**

Rep. Stanley E. Stevens for Criminal Justice and Public Safety: This bill, as amended, allows the NH Attorney General or his designee, to obtain certain information from communications common carriers (telephone companies, wireless telephone companies) that is now available from hard wired telephone companies only, by administrative subpoena (RSA 7:6-b). This legislation mirrors federal law and is limited in nature. The original bill was broader in scope and the committee felt that the amendment narrows and refines the areas of information that can be provided. Vote 15-2.

Amendment (0862h)

Amend RSA 7:6-b, I(f) as inserted by section 1 of the bill by replacing it with the following:

(f) The telephone number or other subscriber number or identity.

Amend RSA 7:6-b, III as inserted by section 1 of the bill by replacing it with the following:

III. The attorney general may delegate authority under this section to any assistant attorney general. Where the offense under investigation is defined in RSA 318-B or RSA 649-B, the attorney general may delegate authority under this section to a county attorney. A county attorney may further delegate authority under this section to any assistant county attorney in the county attorney's office. The county attorney may exercise this authority only in cases within the jurisdiction of that county attorney. The attorney general shall adopt rules, pursuant to RSA 541-A, relative to:

(a) Circumstances under which an assistant attorney general, a county attorney, or an assistant county attorney may issue such demands to communications common carriers under this section.

(b) The procedures for applying for such demands.

(c) The records of such demands which shall be kept and maintained.

AMENDED ANALYSIS

This bill revises the provisions permitting the attorney general to gain access to records of communications common carriers.

HB 659-FN, relative to penalties for attempting to purchase firearms illegally. **OUGHT TO PASS WITH AMENDMENT**

Rep. John E. Tholl, Jr. for Criminal Justice and Public Safety: This bill, as amended, provides that a convicted felon who attempts to purchase a firearm by completing the application form shall be guilty of a class B felony. This provision mirrors the current federal law that is seldom enforced. It also requires notification by the court to the petitioner with a restraining order if a person, prohibited from purchasing a firearm under the domestic violence restraining order, attempts to purchase or obtain a firearm in violation of the protective order. This notification is in addition to the prosecution that is already required under paragraph 1 of RSA 159-D:3. Vote 13-1.

Amendment (0540h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Convicted Felons; Attempt to Purchase Firearm. Amend RSA 159:3 by inserting after paragraph I the following new paragraph:

I-a. A person is guilty of a class B felony if such person completes and signs an application for purchase of a firearm and the person is a convicted felon under the provisions of paragraph I.

2 New Paragraph; Protection from Domestic Violence; Relief; Notice Requirement Inserted. Amend RSA 173-B:5 by inserting after paragraph IX the following new paragraph:

IX-a. If a criminal records check conducted by the department of safety indicates that a potential buyer or transferee is prohibited from receipt or possession of a firearm pursuant to a protective order issued under this chapter, the department of safety shall notify the administrative office of the courts of the denial. The administrative office of the courts shall immediately notify the plaintiff that the defendant has attempted to purchase or obtain a firearm in violation of the protective order.

3 Effective Date. This act shall take effect January 1, 2002.

AMENDED ANALYSIS

This bill provides that a convicted felon who attempts to purchase a firearm shall be guilty of a class B felony. The bill also requires that the administrative office of the courts notify a plaintiff of a failed attempt by a defendant to purchase or obtain a firearm.

HB 764-FN, relative to interference with custody. **OUGHT TO PASS WITH AMENDMENT**
 Rep. Beth Rodd for Criminal Justice and Public Safety: Currently, anyone who knowingly takes, detains or conceals a child under 18 from its parent or guardian or another person having lawful physical custody of such child can be convicted of a class B felony only if the child is taken beyond the borders of the state. The penalty, a class B felony, is expanded to the same violation occurring within state boundaries. The amendment also exempts personnel in law enforcement and health and human services in the conduct of their lawful duties. Vote 17-0.

Amendment (0817h)

Amend the bill by replacing all after the enacting clause with the following:

1 Interference With Custody; Felony Level Offense. Amend RSA 633:4, I to read as follows:

1.(a) A person is guilty of a class B felony if such person knowingly takes from this state or entices away from this state any child under the age of 18, or causes any such child to be taken from this state or enticed away from this state, with the intent to detain or conceal such child from a parent, guardian or other person having lawful physical custody or physical custodial rights as described in RSA 458:17, IV.

(b) A person is guilty of a class B felony if such person knowingly takes, entices away, detains, or conceals any child under the age of 18, or causes such child to be taken, enticed away, detained, or concealed, with the intent to detain or conceal such child from a parent, guardian, or other person having lawful physical custody of such child. This subparagraph shall not apply to law enforcement personnel or department of health and human services personnel engaged in the conduct of their lawful duties.

2 Effective Date. This act shall take effect January 1, 2002.

AMENDED ANALYSIS

This bill adds a felony level offense for interference with custody in circumstances where a child is detained or concealed from a parent, guardian, or other person having lawful physical custody of such child, and where such child is not taken from the state.

HB 412, establishing a committee to study the granting of state franchise rights to providers of on-line education courses. **OUGHT TO PASS WITH AMENDMENT**

Rep. John R. Alger for Education: This amended bill adds a study of online education to the Public Higher Education Study Committee. By so doing, a separate study committee is avoided and a proper objective is added to an already formed committee. Vote 16-0.

Amendment (0595h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to requiring the public higher education study committee to study the feasibility of granting of state franchise rights to providers of on-line education courses.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Public Higher Education Study Committee; Duties Amended. Amend RSA 187-A:28-c by inserting after paragraph I the following new paragraph:

1-a. In addition to the duties set forth in paragraph I, the committee shall study the feasibility of granting state franchise rights to the providers of on-line education courses which may include but is not limited to, the institutions of the university system of New Hampshire and the regional community-technical college system. The committee may consult with any individual or organization with information or expertise relevant to this aspect of the committee's duties.

2 Report. The committee shall include, in the next report to the general court due after the effective date of this act, a report of its findings and recommendations relative to the feasibility of granting state franchise rights to the providers of on-line education courses as set forth under RSA 187-A:28-c, 1-a.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires the public higher education study committee to study the feasibility of granting state franchise rights to the providers of on-line education courses and requires that the committee include, in its next regularly scheduled report to the general court, its findings and recommendations on this matter.

HB 415, establishing a committee to study the use of state bond moneys to fund new high school construction. **INEXPEDIENT TO LEGISLATE**

Rep. Russell N. Cox for Education: This bill establishes a study on the use of state bond issues for new high school construction. School construction and building aid are already established as a topic for further study by the existing Adequacy Commission. The committee felt that there was no need for an additional study. Vote 14-2.

HB 646, relative to an exemption for pupils scoring at the advanced level on the verbal portion of the state assessment test. **INEXPEDIENT TO LEGISLATE**

Rep. Stephen R. L'Heureux for Education: This bill would have allowed any 10th grade pupil scoring at the "advanced" level in the reading and language arts portion on the statewide improvement and assessment instrument to petition the local school board for an exemption from the remainder of the high school English requirement. The committee believed unanimously that the possibility of "opting out" of 11th and 12th grade language arts would be an educational loss. The additional enrichment of 11th and 12th grade reading and language arts is beneficial to students. Additionally, it was pointed out in testimony that college entrance requirements call for four years of high school English. Vote 19-0.

HB 150, relative to voter checklist information. **INEXPEDIENT TO LEGISLATE**

Rep. Raymond Buckley for Election Law: The sponsor asked to have the bill found Inexpedient to Legislate. Vote 17-0.

HB 154, relative to candidates of parties nominated by nomination papers. **OUGHT TO PASS WITH AMENDMENT**

Rep. Douglass P. Teschner for Election Law: This bill, as amended, removes the option of political parties and political organizations to place names on the ballot after the primary election. The wording of the amendment is, word for word, the language of HB 572. Combining HB 154 and HB 572 creates a bill that surpasses either of the parts individually and levels the playing field for parties and political organizations. Candidates will continue to apply to run in the general election by receiving primary election write-in votes. Vote 18-0.

Amendment (0600h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to candidates of parties nominated by nomination papers and relative to vacancies for office on a party ticket.

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 7:

2 Nominations for Incompatible Offices; Filling Vacancies. Amend RSA 659:91 to read as follows:

659:91 Nominations for Incompatible Offices. Any person who is nominated by the same political party for incompatible offices shall notify the secretary of state no later than the Monday following the date of the primary of which nomination he *or she* will accept. Thereupon the secretary of state shall declare a vacancy to exist in the nomination which such person declined. The vacancy shall *not* be filled [as provided in RSA 655:37 except that all the necessary declarations of candidacy and affidavits shall be filed no later than the second Friday following the date of the primary].

3 Candidate of One Party; Disqualification; Reference Deleted. Amend RSA 659:91-a, II to read as follows:

II. [~~Notwithstanding the provisions of RSA 655:37,~~] If any candidate is disqualified from accepting the nomination of another party by means of write-in votes because the candidate is disqualified under the provisions of paragraph I, then the nomination shall be given to the candidate who received the highest number of write-in votes and who was not disqualified under the provisions of paragraph I, so long as he or she receives 10 write-in votes, or write-in votes equaling 10 percent or more of the total votes cast for that party on the state primary election ballot, whichever is the smaller.

4 Vacancies Among County Officers; Reference Changed. Amend RSA 661:9, II(c) to read as follows:

(c) The provisions of RSA 655:32 [~~and RSA 655:37~~] relating to nominations by appropriate party committees for vacancies in an office on a primary [~~or general~~] election ballot [~~, respectively,~~] shall apply to vacancies to be filled under this paragraph.

5 Jurisdiction of Ballot Law Commission; Objection to Filling of Vacancy; Reference Changed. Amend RSA 665:4, II to read as follows:

II. When nomination papers as provided in RSA 655:40-43 or the filling of vacancies in nominations occurring after the primary as provided in RSA 655:[37] 38-39 are in apparent conformity with law, they shall be valid unless written objection thereto shall be filed with the secretary of state within the time limit provided in RSA 655:44 in the case of nominations by nomination papers or within 3 days of the date on which the appointment to fill a vacancy is filed with the secretary of state in the case of filling vacancies in nominations. If written objections are filed, the secretary of state shall forthwith notify the ballot law commission of the filing. The ballot law commission shall then meet as provided in RSA 665:6-a in order to hear and decide all the objections. The decision of the ballot law commission in such case shall be final as to questions both of law and fact, and no court shall have jurisdiction to review such decision.

6 Repeal. RSA 655:37, relative to vacancy for office on party ticket, is repealed.

AMENDED ANALYSIS

This bill requires that a political party nominated by nomination papers submit its list of candidates for the general election to the secretary of state no later than 5:00 p.m. on the day of the primary. This also bill repeals the provision permitting parties to fill vacancies existing on a party ticket following the state primary election.

HB 220, relative to primary election candidates. **INEXPEDIENT TO LEGISLATE**

Rep. Raymond Buckley for Election Law: The intent of this bill was to include members of political organizations (parties other than republican and democratic) in the sore loser law. The committee feels we addressed this situation in HB 154. Vote 17-0.

HB 224, relative to persons who may sign nomination papers. **OUGHT TO PASS**

Rep. Douglass P. Teschner for Election Law: This bill clarifies an ambiguity in the law, which has resulted from the same day voter registration. By changing the word "qualified" to "registered" the law will be clear that only citizens who are registered can sign nomination papers. The need for this clarification became apparent as a result of a case taken to the ballot law commission. Vote 17-0.

HB 268, relative to apportioning presidential electors. **INEXPEDIENT TO LEGISLATE**

Rep. Steve Vaillancourt for Election Law: Currently the presidential candidate with the most votes cast statewide receives all four of the state's electoral votes. This bill would break down the electoral votes into congressional districts as is done in two other states, Maine and Wisconsin. The winner of the state would get two electoral votes (or to be precise, two electors committed to him or her) but conceivably the other two votes could be split depending on the results from the congressional districts. In fact, this would have happened in each of the past three elections. Since Bush and Gore split the two congressional districts in 2000, Bush would have received three of the state's electors and Gore one. While the committee thought this was an interesting concept, the sentiment "if it ain't broke, don't fix it" prevailed. There was also some concern that splitting the electoral votes would dilute the state's influence in a close election and perhaps discourage candidates from coming here. Vote 16-2.

HB 391, establishing a commission to review the state's election laws and balloting procedures. **INEXPEDIENT TO LEGISLATE**

Rep. Peter E. Bragdon for Election Law: The committee has retained another bill relating to the state's election laws and feels the issues addressed by this bill would be addressed with the retained bill. Vote 18-0.

HB 430, establishing a commission to study the feasibility of implementing a computerized voter registration system. **INEXPEDIENT TO LEGISLATE**

Rep. Raymond Buckley for Election Law: The committee agrees with the sponsor's intent that a statewide-computerized checklist system would solve many current election law concerns. This is an issue that has been studied by the committee numerous times over the years. The committee will file legislation later this month that will address this issue in a proactive manner. Vote 18-0.

HB 441, relative to qualifications of candidates. **INEXPEDIENT TO LEGISLATE**

Rep. Douglass P. Teschner for Election Law: This bill would require that candidates swear that they have been domiciled in the state for a certain period of time. The domicile issue has created considerable confusion and the committee has elected to review this issue in HB 137. Vote 18-0.

HB 572, relative to vacancies for office on a party ticket. **INEXPEDIENT TO LEGISLATE**
Rep. Douglass P. Teschner for Election Law: This bill was added, word for word, as the amendment to HB 154. By combining the two bills, we have created a bill which is fair for both political parties and political organizations. Vote 18-0.

HB 373, relative to requirements for a private detective's license. **OUGHT TO PASS WITH AMENDMENT**

Rep. Charles Q. Hall for Executive Departments and Administration: This bill, as amended, increases the principal sum of the required surety bond from \$10,000 to \$50,000 for each type of license held by any person licensed under RSA 106-F:9. In addition, any person who operates as a bail recovery agent shall maintain liability insurance coverage in accordance with RSA 597:7-b,II. This includes private detective agencies that conduct bail recovery activities. Language which lowered the requirements for licenses was excluded in the amendment. Vote 15-0.

Amendment (0852h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to surety bonds for detective agencies and security services.

Amend the bill by replacing all after the enacting clause with the following:

1 Surety Bond. Amend RSA 106-F:9 to read as follows:

106-F:9 Surety Bond.

*I. The surety bond required by this section shall be so conditioned that the person bonded shall conduct his or her business in a lawful and honest manner without committing, compounding, aiding or abetting the commission of any criminal offense. Said bond shall be filed with and kept by the secretary of state and shall be subject to being sued upon by the attorney general of the state in the name of the state or sued upon by any person injured by a breach of any condition of such bond designed to protect such person. The principal sum of the bond shall be [~~\$10,000~~] **\$50,000**, which shall be increased by [~~\$10,000~~] **\$50,000** for each additional type of license held by any person licensed under this chapter.*

II. Any person licensed under this chapter who operates as a bail recovery agent shall maintain liability insurance coverage in accordance with RSA 597:7-b, II.

2 Detective Agencies Included. Amend RSA 597:7-b, II to read as follows:

*II. Any person who operates as a recovery agent in this state, excluding licensed private detectives, shall be trained and certified through a program approved by the Professional Bail Agents of the United States and shall register annually with the secretary of state. The secretary of state shall issue to each registered recovery agent proof of such registration. Effective July 1, 2000, each bail agency operating in this state, **including private detective agencies under RSA 106-F which conduct bail recovery activities**, shall annually provide to the secretary of state proof of liability insurance coverage in the amount of \$300,000 for bail recovery activities of the agency's bail agents and bail recovery agents. This proof of insurance coverage shall be provided before the agency's bail agents are licensed or relicensed, and before the agency's bail recovery agents are registered or reregistered. Bail recovery agents acting as independent contractors shall provide proof of liability insurance coverage in the amount of \$300,000 to the secretary of state before registration or reregistration. Any person who operates as a recovery agent in this state without meeting such certification, insurance, and registration requirements shall be guilty of a class A misdemeanor.*

3 Effective Date. This act shall take effect July 1, 2001.

AMENDED ANALYSIS

This bill increases the surety bond for detective agencies and security services from \$10,000 to \$50,000. This bill requires private detectives who operate as bail recovery agents to have liability insurance coverage.

HB 387, relative to the regulation of dentistry by the board of dental examiners. **OUGHT TO PASS**
Rep. Judson K. Dexter for Executive Departments and Administration: This bill deals with patient protection at two levels. First, it tightens educational requirements for licensure in New Hampshire. Second, it expands the dental board's authority to investigate complaints concerning office procedures used in patient care. The bill is supported by the Board of Dentistry and the Dental Society. Vote 18-0.

HB 464, encouraging all state departments to improve efficiencies with the goal of a 25 percent budget reduction, adjusted for inflation, by 2005. **INEXPEDIENT TO LEGISLATE**

Rep. Carl G Robertson for Executive Departments and Administration: This bill encourages all state departments to improve efficiency with a goal of a 25% budget reduction, adjusting for inflation by the year 2005. The committee, while agreeing that cost reduction in spending and efficient work procedure is the direction to take, felt that this bill was too restrictive before a complete study was completed. A blanket 25% reduction in costs in four years could cause irreparable harm to important state departments. It was also felt that another bill under consideration would gather the information necessary to recommend possible budget reduction. Vote 16-1.

HB 477-FN, relative to supplemental allowances for certain retired group I members of the New Hampshire retirement system. **OUGHT TO PASS WITH AMENDMENT**

Rep. William R. Zolla for Executive Departments and Administration: This bill gives members with 20 years creditable service in group I and beneficiaries of members who retire under RSA 100-A:5,I or RSA 100-A:6,I and whose retirement allowance is less than \$8,500.00 a one time supplemental allowance to bring it up to \$8,500.00 annually. For beneficiaries of eligible members the \$8,500.00 will be multiplied by the ratio of the beneficiary's retirement allowance to the members retirement allowance. It was the committee's intent with the amendment to preserve the policy requirement of 20 years service for special benefits such as these and medical benefits. Vote 17-0.

Amendment (0822h)

Amend RSA 100-A:41-c, I as inserted by section 1 of the bill by replacing it with the following:

I. An eligible retired group I member of the New Hampshire retirement system whose annual retirement allowance is less than \$8500 shall receive a one-time supplemental allowance sufficient to provide an annual allowance of \$8500. An eligible retired group I member shall be a member, or beneficiary of such member, who retired with at least 20 years of creditable service under RSA 100-A:5, I, or member, or beneficiary of such member, who retired under RSA 100-A:6, I.

HB 502, establishing a state government reorganization task force. **INEXPEDIENT TO LEGISLATE**

Rep. Carl G. Robertson for Executive Departments and Administration: This bill establishes a task force to study how to increase state government efficiency and productivity. While the idea of making government perform at the highest level was appealing to the committee, it was felt that another bill under consideration could accomplish the same end. The committee also felt the task force of 25 would be difficult to manage and it would be hard to develop any consensus. Vote 18-0.

HB 510, establishing a commission to assess increasing government efficiency through the expansion of interstate computer networks. **INEXPEDIENT TO LEGISLATE**

Rep. Carl G. Robertson for Executive Departments and Administration: This bill would establish a commission to assess increasing state government efficiency through the expansion of interstate computer networks and other improvements to technical services and electronic infrastructure. The committee determined that this bill's mandate would be met by the governor's information technology strategic planning commission comprised of leaders from the public and private sector. In addition, other bills under consideration by the committee will address some of the issues in this bill. Vote 17-1.

HB 511, relative to continuing medical education requirements for physicians. **OUGHT TO PASS WITH AMENDMENT**

Rep. David G. Poulin for Executive Departments and Administration: This bill would have removed the authority of the board of medicine to audit the continuing education credits of their licensees and permanently transfer that authority to the New Hampshire Medical Society, a voluntary membership association. The committee recognized that this auditing procedure had been delegated to the New Hampshire Medical Society by the board of medicine over twenty years ago and heard from a majority of physicians that they have performed admirably. Although the committee felt that the authority to perform this auditing or to delegate this work to others should remain with the board of medicine by statute, it also recognized that the New Hampshire Medical Society had made a considerable investment in both hardware and software and should have an opportunity to recoup its investment. The amendment allows the New Hampshire Medical Society to continue this service until January 1,

2007 and to collect the fees for doing so. The amendment also sets a rate of licensing fee at 125% of cost, sets the standards for auditing, and prohibits the New Hampshire Medical Society from using any information from this program to promote the self interest of the society. As of January 1, 2007, the board of medicine may opt to perform the continuing education function itself, or delegate this procedure to the New Hampshire Medical Society or another qualified designee. Vote 18-0.

Amendment (0651h)

Amend the bill by replacing all after the enacting clause with the following:

1 Physicians and Surgeons; Continuing Medical Education Requirement. Amend RSA 329:16-g to read as follows:

329:16-g Continuing Medical Education Requirement. As a condition of renewal of license, the board shall require each licensee to show proof at least every 3 years that the licensee has completed an approved continuing medical education program within the preceding 3 years. For the purposes of this section, an approved continuing medical education program is a program designed to continue the education of the licensee in current developments, skills, procedures, or treatment in the licensee's field of practice, which has been certified by a national, state or county medical society or college or university approved by the board. *There shall be a complete audit of all continuing education credits annually by the New Hampshire Medical Society until January 1, 2007, and by the board or their designee thereafter. The board shall accept verification of continuing medical education for licensees from the New Hampshire Medical Society until January 1, 2007. The fee charged to licensees for continuing medical education verification shall not exceed 125 percent of the actual cost of providing the service. The New Hampshire Medical Society is prohibited from using any information from this program for promotional purposes or any other purpose not necessary for continuing education verification.*

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires physicians licensed by the board of medicine to submit a continuing medical education form to the New Hampshire Medical Society on or before February 28 of each year, unless the licensee has completed the continuing medical education requirement for the 3-year period in a previous year. The New Hampshire Medical Society shall verify continuing medical education requirements of licensees until January 1, 2007.

HB 584-FN-A, relative to the registration and licensure of OHRV dealers and rental agents. **OUGHT TO PASS WITH AMENDMENT**

Rep. David G. Poulin for Executive Departments and Administration: This bill was sent to the Executive Departments and Administration Committee as a second committee. The committee agreed with the Transportation Committee that this bill would alleviate the possibility of misuse of plates on off road recreational vehicles. The amendment clarifies the use of decals instead of plates on snowmobiles and requires that the executive director adopt rules pursuant to RSA 541A by changing the word "may" to "shall". Vote 17-0.

Amendment (0808h)

Amend the introductory paragraph of RSA 215-A:23, IV-a as inserted by section 4 of the bill by replacing it with the following:

IV-a. Rental agency registration - \$58 for each set of decals.

Amend RSA 215-A:26, V as inserted by section 5 of the bill by replacing it with the following:

V. The executive director shall adopt rules pursuant to RSA 541-A relative to the application for, further definitions, licensing requirements, design of, issuance, denial or revocation of, dealer or rental agent plates or decals.

HB 630, establishing a committee to study ayurvedic health care. **OUGHT TO PASS WITH AMENDMENT**

Rep. Maurice E. Goulet for Executive Departments and Administration: The amendment replaces the entire bill and will establish a study committee to examine if there is a need for regulation of alternative health professions, such as reflexology, aromatherapy, ayurvedic medicine, herbology, etc. One area to review could include establishing a multi-specialty board to include many alternative specialties. Alternative health care is growing rapidly and the state should be prepared to meet the needs of our citizens. Vote 17-0.

Amendment (0544h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study the need for the regulation of professions which are alternative or complementary to existing regulated health professions.

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established. There is established a committee to study the need for the regulation of professions which are alternative or complementary to existing regulated health professions.

2 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Three members of the house of representatives, appointed by the speaker of the house.

(b) Three members of the senate, appointed by the president of the senate.

II. The committee may seek input from the commissioner of the department of health and human services or other department officers, the members of the board of medicine, or any other interested persons.

III. Legislative members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

3 Duties. The committee shall examine the need for the regulation of professions which are alternative or complementary to existing regulated health professions in this state. The committee may develop a proposal for the regulation of such professions.

4 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

5 Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2002.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to study the need for the regulation of professions which are alternative or complementary to existing regulated health professions.

HB 657, relative to bail recovery agents. INEXPEDIENT TO LEGISLATE

Rep. Robert K. Dodge for Executive Departments and Administration: Bail recovery agents are employed by bail bondsmen and, as employers, they are responsible for any actions of their agents. In addition, RSA 597:7-b, II requires certification of bail recovery agents by the professional bail agents of the United States. RSA 597:7-b, II also requires proof of \$300,000 liability insurance coverage by the bail agency. It was the feeling of the committee that inasmuch as bail bondsmen are independent contractors, it was not appropriate for the state to dictate whom they hire. Vote 16-0.

HB 727, making certain changes concerning the authority and operation of the port authority. OUGHT TO PASS

Rep. Marion J. Pawlek for Executive Departments and Administration: The purpose of this bill is to grant the port authority general rulemaking authority and establish an advisory committee to review applications for loan funding. This action will allow the port authority to move forward in an expedient manner to better manage its affairs and develop policies that will enhance the operations of the port. Vote 18-0.

HB 738, establishing a commission to assess the operating efficiency of state government. OUGHT TO PASS WITH AMENDMENT

Rep. Carl G. Robertson for Executive Departments and Administration: The committee saw this bill as an opportunity to complement the search for ways to fund education. It is a unique proposal in the sense that the commission will make use of previous studies, private money and trained expertise to accomplish its task. The amendment defines the scope of the proposed commission, which will be a comprehensive study of all branches of government with defined task and specified time limits. The commission will try to identify organization weaknesses that hamper efficiency of work, quality of service and cost effectiveness. The information gathered by the commission should lay the foundation for the possible restructuring of state government organization and provide the public with a better product by controlling spending. Vote 17-0.

Amendment (0188h)

Amend subparagraph I(e) as inserted by section 3 of the bill by replacing it with the following:

(e) Assess the administrative efficiency, public accountability and effectiveness of the executive, legislative and judicial branches of state government.

(f) Focus on the need for every executive agency, board, and commission with regard to 3 key areas:

- (1) The need for each agency, board and commission;
- (2) Public accountability and effectiveness of each agency, board and commission; and
- (3) The general administrative efficiency of each agency, board and commission.

HB 206-FN-A, establishing an equipment depository and disabled person's employment fund in the department of administrative services. **OUGHT TO PASS**

Rep. Robert L. Wheeler for Finance: The Committee felt that this was a great opportunity to accommodate giving in a positive fashion and represented the primary reason for establishing a dedicated fund. Vote 21-0.

HB 288-FN, relative to the licensure of interpreters for the deaf and hard of hearing. **OUGHT TO PASS WITH AMENDMENT**

Rep. Mary Jane Wallner for Finance: The amendment adds the NH League for the Hard of Hearing to the list of organizations cooperating in providing interpreters to persons communicating with deaf and hard of hearing persons. The Department of Education states that this bill will not increase state expenditures or revenues. Vote 21-0.

Amendment (0648h)

Amend RSA 326-I:4, IX as inserted by section 1 of the bill by replacing it with the following:

IX. Cooperating with the New Hampshire Registry of Interpreters for the Deaf, the New Hampshire Association of the Deaf, Self Help for the Hard of Hearing of New Hampshire, the New Hampshire League for the Hard of Hearing, the department of education, division of vocational rehabilitation, and interpreting agencies to provide access to the services of interpreters to persons communicating with deaf and hard of hearing persons.

HB 305-FN-A, establishing a dedicated fund for certain fish and game funds to be expended for the purpose of operation game thief. **OUGHT TO PASS WITH AMENDMENT**

Rep. O. Alan Thulander for Finance: This bill establishes a dedicated fund whose purpose is to receive a gift of \$21,000 more or less from Operation Game Thief, Inc., a 501 (c) (3) corporation, to assure the continuation of its mission to pay monetary rewards to those persons notifying the Fish and Game Department of illegal acts within the department's jurisdiction. The amendment sunsets the dedicated fund when the funding is depleted. Thereafter, to continue the program the department would be required to follow normal budget procedures. Vote 20-0.

Amendment (0637h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Subdivision; Operation Game Thief. Amend RSA 207 by inserting after section 61 the following new subdivision:

Operation Game Thief

207:62 Operation Game Thief; Fund Account Established. The state treasurer shall establish a separate nonlapsing account within the fish and game fund to be known as the operation game thief account to which moneys obtained by the fish and game department shall be applied, including any federal moneys which become available and all donations received for such purpose. The moneys in this account including accrued interest, shall be used exclusively for, and shall be continually appropriated to, the administration and participation in Operation Game Thief.

2 Certification of Date of Repeal. The executive director of fish and game shall certify to the secretary of state and the director of legislative services the date that the fund account established in RSA 207:62 as inserted by section 1 of this act does not contain sufficient funds for the continued administration of Operation Game Thief by the department. The administration and participation of the department in Operation Game Thief shall cease upon such date.

3 Repeal. RSA 207:62, relative to Operation Game Thief, is repealed.

4 Effective Date.

I. Section 3 of this act shall take effect on the date certified in section 2 of this act.

II. The remainder of this act shall take effect July 1, 2001.

AMENDED ANALYSIS

This bill establishes a dedicated fund for certain fish and game funds to be expended for the purpose of Operation Game Thief. The fund is repealed when sums in the fund are insufficient for continued administration of Operation Game Thief.

HB 539-FN-A, creating certain positions within the division of forests and lands and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**

Rep. Joseph E. Stone for Finance: Division I has already added two forest rangers to the Department of Resources and Economic Development budget for FY 02 and FY 03 and also has funded the forest planner with general funds rather than federal funds which are due to end as of September 1, 2001. If federal funds can be found then a forest data analyst will be added. \$376,000 for the biennium was also added for the University Cooperative Extension for forestry work through the committee of forests and lands in accordance with RSA 227-1:2 (c). Therefore the sponsors and the division agree there is no need for this bill. Vote 22-0.

HB 547-FN, authorizing participation in a regional electronic toll collection system. **OUGHT TO PASS WITH AMENDMENT**

Rep. Kenneth L. Weyler for Finance: This bill enables the New Hampshire Department of Transportation to implement "E-Z Pass" through an interagency agreement with the other northeastern states. The recent decision by the State of Maine to change their turnpikes over to "E-Z Pass" has made the use of this system for New Hampshire an even better financial system.

"E-Z Pass" is the electronic toll collecting through a vehicle transponder and a credit card account. The transponder is provided gratis when the account is established. A CMAQ grant will pay for 80% of the initial implementation costs of \$6.8 million. \$2 million has been included in the budget proposal from the Finance Committee. The Department of Transportation estimates about seven to ten years' payback for the money invested in reconfiguring some of the tollgates.

An important concept in this proposal is the escaped costs of not adding new tollbooths. At our busiest locations there are long backups in the toll lines on certain busy days. By installing "E-Z Pass" in a tollgate we will double the traffic flow through it. This ability to escape building a new gate is worth \$400,000 plus the cost of adding 3000 feet of paved lane in each direction. Also the areas where additional lanes would be needed would require filling of wetlands, something to be avoided.

The downside of installing "E-Z Pass" is it makes it less likely that we will be eliminating tolls. The latest from the acting commissioner of DOT is that the \$62 million in tolls is not something their budget can do without. Vote 21-0.

Amendment (0841h)

Amend the bill by replacing section 1 with the following:

1 New Subdivision; Regional Electronic Toll Collection Authorized. Amend RSA 237 by inserting after section 9 the following new subdivision:

Regional Electronic Toll Collection

237:9-a Definitions. In this subdivision:

I. "Commissioner" means the commissioner of the department of transportation.

II. "Department" means the department of transportation.

III. "Electronic toll collection system" means a system for electronically transmitting information from a device on a vehicle to receiving equipment in a toll collection facility, which information is used to charge a valid account holder the appropriate toll or charge for use of the turnpike system.

IV. "E-Z Pass" means a regional system of electronic toll collection operated by the members of the E-Z Pass Interagency Group, or when the context requires, means the registered service mark "E-Z Pass."

V. "Interagency group" means the agencies of this or any other state that have mutually agreed to operate the E-Z Pass regional electronic toll collection system by use of similar practices, procedures, and toll collection equipment.

VI. "Vehicle" means every device in, upon or by which a person or property is or may be transported or drawn upon a highway, except devices used exclusively upon stationary rails or tracks.

237:9-b Regional Electronic Toll Collection Authorized. The commissioner is hereby authorized to execute all documents and perform all other acts necessary to enter into and carry out the provisions of a regional electronic toll collection system agreement with the Interagency Group in order to increase the efficiency of turnpike operation and to improve traffic management in the state and region.

237:9-c E-Z Pass Operations Interagency Agreement.

I. The commissioner shall represent the state as a member of the Interagency Group and shall participate in the determination of practices, policies, procedures, and in the selection of equipment and contractors used to provide consistent toll collections throughout the region in accordance with the terms of the Interagency Agreement for Operations, as the same may be amended from time to time.

II. Notwithstanding the variations in physical and operating characteristics of member agencies' toll collection equipment, it shall be the power and duty of the Interagency Group to assure that similar operating parameters and procedures are established to provide for consistent, safe E-Z Pass operation throughout the region.

III. This agreement shall be construed liberally to accomplish its purposes, but in the event a dispute arises, it shall be resolved in accordance with a provision establishing a procedure for the arbitration and resolution of disputes contained in the agreement.

237:9-d Rulemaking. The commissioner may adopt such rules as are necessary to enforce the terms of this agreement, which shall be exempt from the provisions of RSA 541-A and shall have the effect of law, and which shall provide for each of the member states or agencies to collect tolls and perform audits on behalf of the other member states or agencies. Nothing in this section shall be construed to authorize the adoption of rules which alter any existing or establish any new tolls, fees, penalties, or interest charges; provided, however, that the rules may include tolls, fees, penalties, or interest charges which are otherwise provided for by the laws of this state.

237:9-e Confidentiality of Records. Notwithstanding any other provision of law, all information received by the department that could serve to identify vehicles, vehicle owners, or vehicle occupants shall be for the exclusive use of the department for the sole purpose of discharging its duties under this section, and shall not be open to any other organization or person, nor be used in any court in any action or proceeding, unless the action or proceeding relates to the imposition of or indemnification for liability pursuant to this section. If the department makes such information available to another organization or person in the course of discharging its duties under this section, it shall be on the condition that the organization or person receiving such information is subject to the limitations set forth in this section.

237:9-f Immunity. Nothing in this subdivision shall be construed to constitute a waiver of the sovereign immunity of the state, or any other defense, right, immunity, or other protection under law, including any statutory provision, as a result of participation in this agreement.

Amend the bill by inserting after section 3 the following and renumbering the original section 4 to read as 5:

4 New Subparagraph; Administrative Procedure Act Exceptions; Regional Electronic Toll Collection Rules. Amend RSA 541-A:21, I by inserting after subparagraph (x) the following new subparagraph:

(y) RSA 237:9-d, relative to the E-Z Pass Interagency Agreement for Operations.

AMENDED ANALYSIS

This bill authorizes participation in a regional electronic toll collection system with the Interagency Group and requires the department of transportation to keep certain information confidential.

HB 612, relative to expenditures from the dam maintenance fund by the department of environmental services. **OUGHT TO PASS**

Rep. Robert G. Holbrook for Finance: The Department of Environmental Services requested this bill to allow the department to maintain its dams and impoundments and associated property or contiguous areas, as well as non-contiguous property such as rainfall and steam gauges, with funding from the non-lapsing dam maintenance fund which has revenue adequate to accomplish this addition of responsibility. Vote 22-0.

CACR 19, relating to supreme court rules. Providing that supreme court rules may be reviewed by the general court. **INEXPEDIENT TO LEGISLATE**

Rep. Larry G. Elliott for Judiciary: The committee recognized that these issues were addressed in CACR 5, and its companion bill, HB 252. The sponsor of the bill concurred with this, and in executive session moved Inexpedient to Legislate. Vote 16-0.

HB 231, relative to assignment of judges. **INEXPEDIENT TO LEGISLATE**

Rep. Christopher P. Reid for Judiciary: The committee is working on broad structural reforms to restore the appropriate checks and balances between the judicial and other branches. We believe that those reforms will result in significant beneficial changes to the operation of the judicial branch. However, there are several reasons why the committee recommends this bill as inexpedient to legislate. First, the bill, as written, is unclear, over broad, and may have unanticipated costs and consequences. Secondly, we think the Superior Court, in the first instance, should be given the opportunity to address the problems this bill is designed to deal with. Finally, we are concerned that passage of this bill will give the false impression that the legislature is attempting to micro-manage the Superior Court. Vote 14-1.

HB 492, requiring a clear statement of which justices rendered each supreme court order or opinion. **INEXPEDIENT TO LEGISLATE**

Rep. John M. Pratt for Judiciary: The intent of the sponsors was to ensure that Supreme Court opinions clearly identify the role taken by each of the justices involved in a particular decision. A vote to recommend this bill inexpedient to legislate should not be construed as meaning that the committee does not recognize the absolute importance of the courts making a clear statement relative to this matter. However, the committee believes the Court has taken positive steps in this direction, making this bill unnecessary. Vote 13-2.

HB 533-FN, relative to disqualification of judges. **INEXPEDIENT TO LEGISLATE**

Rep. Larry G. Elliott for Judiciary: The majority of the committee felt that since impeachment, the judicial branch of government has been working on and implementing rules surrounding disqualification of judges. At this time, it would be in the public's best interest to allow the court's new rules to be fully implemented to determine if they are effective. If a problem exists in the future, a similar type of legislation could be reintroduced at that time. Vote 14-1.

HB 568, relative to appointment requirements for judges. **INEXPEDIENT TO LEGISLATE**

Rep. Peter F. Bergin for Judiciary: The committee felt that if we established an age for appointment of judges, it would be discriminatory. However, when a person is appointed as a judge, with experience as a lawyer, the person's wisdom, reasonableness and character should be the standards – not the age of the candidate. Vote 17-1.

HB 588, relative to examination of persons called as jurors. **OUGHT TO PASS WITH AMENDMENT**

Rep. James W. Craig for Judiciary: This bill expands the trial practice of "voir dire" wherein prospective jurors are questioned for bias and/or prejudice. The current practice allows for limited voir dire by the trial judge and attorneys. However, with the exception of homicide cases, voir dire is usually fairly limited by the courts. This bill allows either counsel to do a "liberal and probing examination calculated to discover bias or prejudice with regard to the circumstances of the particular case" – all under the supervision of the judge. The committee feels that this will allow for juries as neutral as can be had which will enhance the judicial process for all litigants. Vote 14-1.

Amendment (0575h)

Amend the bill by replacing section 1 with the following:

1 New Paragraphs; Jurors; Examination. Amend RSA 500-A:12 by inserting after paragraph II the following new paragraphs:

III. The court shall instruct the panel of prospective jurors prior to jury selection as to:

- (a) The nature and purpose of the selection process.
- (b) The nature of the case to be presented.
- (c) The specific issues for resolution.
- (d) A summary of the law to be used in their consideration of the evidence.
- (e) Any controversial aspects of the trial likely to invoke bias.

IV. Counsel for each party shall be allowed a reasonable amount of time to address the panel of prospective jurors for the purpose of explaining such party's claims, defenses, and concerns in sufficient detail to prompt jury reflection, probing, and subsequent disclosure of information, opinion, bias, or prejudices which might prevent a juror from attaining the requisite degree of neutrality required.

V. The trial judge shall examine the prospective jurors. Upon completion of the judge's initial examination, counsel for each party shall have the right to examine, by oral and direct questioning, any of the prospective jurors in order to enable counsel to intelligently exercise both peremptory challenges and challenges for cause. During any examination conducted by counsel for the parties, the trial judge shall permit liberal and probing examination calculated to discover bias or prejudice with regard to the circumstances of the particular case. The fact that a topic has been included in the judge's examination shall not preclude additional non-repetitive or non-duplicative questioning in the same area by counsel.

VI. The scope of the examination conducted by counsel shall be within reasonable limits prescribed by the trial judge's sound discretion. In exercising his or her sound discretion as to the form and subject matter of voir dire questions, the trial judge shall consider, among other criteria, any unique or complex elements, legal or factual, in the case and the individual responses or conduct of jurors which may evince attitudes inconsistent with suitability to serve as a fair and impartial juror in the particular case. Specific unreasonable or arbitrary time limits shall not be imposed. The trial judge shall permit counsel to conduct voir dire examination without requiring prior submission of the questions unless a particular counsel engages in improper questioning. For purposes of this section, an "improper question" is any question which, as its dominant purpose, attempts to precondition the prospective jurors to a particular result, indoctrinate the jury, or question the prospective jurors concerning the pleadings or the applicable law. A court shall not arbitrarily or unreasonably refuse to submit reasonable written questionnaires, the contents of which are determined by the court in its sound discretion, when requested by counsel.

HB 616, clarifying sessions to be held at the satellite district court in Durham. OUGHT TO PASS WITH AMENDMENT

Rep. Larry G. Elliott for Judiciary: The majority of the committee believes that it is important to keep the Durham District Court in Durham because this allows the University of New Hampshire to stay on parallel with other college towns in the university system, whereas Plymouth State and Keene State Colleges retained their courts. It is believed that so should Durham. In addition, the committee was convinced, in spite of testimony to the contrary, that there is a possible transportation issue for college students trying to appear in court in Durham and Dover, and some alleged violators could be found guilty if they were unable to appear in court. In addition, the committee found that there would be no additional cost for maintaining the court at its present location, at least in the near future. This statute clarifies and reinforces RSA 502-A:1 relative to the location of the Durham District Court. Vote 18-1.

Amendment (0238h)

Amend RSA 502-A:1, VII as inserted by section 1 of the bill by replacing it with the following:

VII. DOVER-SOMERSWORTH-DURHAM DISTRICT. The Dover-Somersworth-Durham district shall consist of the cities of Dover and Somersworth and the towns of Rollinsford, Durham, Lee, and Madbury. The court shall be located in a city or town within the judicial district in a location and facility designated pursuant to RSA 490-B:3, having regard for the convenience of the communities within the district, provided, however, that the court shall not be located in any building which does not meet the minimum standard prescribed by the New Hampshire court accreditation commission pursuant to RSA 490:5-c. The court shall hold sessions regularly at the principal court location and elsewhere in the district as justice may require. [~~Special sessions of said court for cases arising from the town towns of Durham shall be held at the principal court location in the town of Durham as the caseload and justice requires. The court shall bear the name of the city or town in which it is located.~~] *Cases arising from the towns of Durham, Lee, and Madbury shall be held regularly at a court facility in the town of Durham.*

AMENDED ANALYSIS

This bill clarifies that cases arising from the towns of Durham, Lee, and Madbury are to be heard at the satellite district court in Durham.

HB 622, relative to the time period for the executive council to confirm nominees to the Supreme Court **OUGHT TO PASS**

Rep. John M. Pratt for Judiciary: Under this bill, whenever the Governor nominates a Supreme Court Justice, there must be a sixty-day period and two public hearings before the Executive Council can vote on the nomination. Vote 14-1.

HB 703, relative to durable powers of attorney. **OUGHT TO PASS WITH AMENDMENT**

Rep. John M. Pratt for Judiciary: This bill requires that disclosure statements be read and signed by those who are creating a "durable power of attorney" and by the agent who is about to exercise the durable power. This will make it absolutely clear to the "principal" (the person assigning powers to the agent) exactly what powers and rights they are signing away to another person. The bill also makes the rights and responsibilities of the agent very clear. Vote 16-0.

Amendment (0653h)

Amend the bill by replacing sections 1 and 2 with the following:

1 New Paragraphs; Prevention of Frauds and Perjuries; Powers of Attorney, Disability or Incompetence of Principal; Gifts; Durable Power of Attorney Document; Notification. Amend RSA 506:6 by inserting after paragraph IV the following new paragraphs:

V. An attorney in fact is not authorized to make gifts to the attorney in fact or to others unless the durable power of attorney explicitly authorizes such gifts.

VI. The following disclosure statement, signed by the principal, shall accompany a durable power of attorney:

INFORMATION CONCERNING THE DURABLE POWER OF ATTORNEY**THIS IS AN IMPORTANT LEGAL DOCUMENT. BEFORE SIGNING THIS DOCUMENT YOU SHOULD KNOW THESE IMPORTANT FACTS:**

Notice to the Principal: As the 'Principal,' you are using this Durable Power of Attorney to grant power to another person (called the 'Agent' or 'Attorney in Fact') to make decisions, including, but not limited to, decisions concerning your money, property, or both, and to use your money, property, or both on your behalf. If this written Durable Power of Attorney does not limit the powers that you give to your Agent, your Agent will have broad and sweeping powers to sell or otherwise dispose of your property, and to spend your money without advance notice to you or approval by you. Under this document, your agent will continue to have these powers after you become incapacitated, and unless otherwise indicated your Agent will have these powers before you become incapacitated. You have the right to retain this Power and not to release this Power until you instruct your attorney or any other person who may hold this Power of Attorney to so release it to your Agent pursuant to written instructions. You have the right to revoke or take back this Durable Power of Attorney at any time, so long as you are of sound mind. If there is anything about this Durable Power of Attorney that you do not understand, you should seek professional advice.

Principal

The language required by this paragraph shall not confer any powers to the agent that are not otherwise contained in the durable power of attorney.

VII. An agent, prior to acting in the capacity of agent, shall execute and affix to the power of attorney an acknowledgment in substantially the following form:

I, _____, have read the attached power of attorney and am the person identified as the Agent for the Principal. I hereby acknowledge that when I act as Agent or "attorney in fact," I am given power under this Durable Power of Attorney to make decisions about money, property, or both belonging to the Principal, and to spend the Principal's money, property, or both on the Principal's behalf, in accordance with the terms of this Durable Power of Attorney. This Durable Power of Attorney is valid only if the Principal is of sound mind when the Principal signs it. When acting in the capacity of Agent, I am under a duty (called a 'fiduciary duty') to observe the standards observed by a prudent person, which means the use of those powers that is reasonable in view of the interests of the Principal and in view of the way in which a person of ordinary judgment would act in carrying out that person's own affairs. If the exercise of my acts is called into question, the burden will be upon me to prove that I acted under the standards of a fiduciary. As the Agent, I am not entitled to use the money or property for my own benefit or to make gifts to myself or others unless the Durable Power of Attorney specifically

gives me the authority to do so. As the Agent, my authority under this Durable Power of Attorney will end when the Principal dies and I will not have authority to manage or dispose of any property or administer the estate unless I am authorized to do so by a New Hampshire Probate Court. If I violate my fiduciary duty under this Durable Power of Attorney, I may be liable for damages and may be subject to criminal prosecution. If there is anything about this Durable Power of Attorney, or my duties under it, that I do not understand, I understand that I should seek professional advice.

Agent

VIII. Nothing in paragraphs V-XI of this section shall render ineffective a durable power of attorney validly executed under New Hampshire law prior to the effective date of paragraphs V-XI of this section.

IX. A durable power of attorney validly executed under the laws of another state or foreign jurisdiction shall be deemed valid under New Hampshire law. Foreign powers of attorney shall be subject to the provisions of RSA 506:7.

X. A person who seeks to validate or interpret the powers under a durable power of attorney which does not comply with paragraph VI or VII of this section may petition the courts under RSA 506:7.

XI. The failure to meet the requirements of paragraph VI shall not impair the legal validity of an otherwise valid durable power of attorney.

2 Powers of Attorney; Limitations on the Agent. Amend RSA 506:7, IV to read as follows:

IV.(a) The court may hold hearings, make orders and decrees, and take other actions *that are* necessary or proper ~~[to make]~~ *in making* determinations on matters presented by a petition filed under paragraph III.

(b) When a gift or transfer made by an agent is challenged in a petition filed under paragraph III of this section, the gift or transfer shall be presumed to be lawful if the durable power of attorney is accompanied by the disclosure statement and acknowledgement drafted in accordance with RSA 506:6, VI and VII, and explicitly authorizes such gifts or transfers. However, if the petitioner establishes that the agent made a transfer for less than adequate consideration, and the transfer is not explicitly authorized by a durable power of attorney drafted in accordance with RSA 506:6, VI and VII, the agent shall be required to prove by a preponderance of evidence that the transfer was authorized and was not a result of undue influence, fraud, or misrepresentation.

HB 275, relative to the expenditure of funds received pursuant to the Workforce Investment Act. **OUGHT TO PASS**

Rep. Randolph Holden for Labor, Industrial and Rehabilitative Services: The majority of the committee found that this bill was simply a clarification of state legislative branch responsibilities regarding the federal Workforce Investment Act of 1998. This bill merely reaffirms what the Act clearly states; "any funds received by the state under this title shall be subject to appropriation by the state legislature." Vote 11-3.

HB 614, relative to certain duties, responsibilities, and authority of the fiscal committee. **OUGHT TO PASS**

Rep. Peter H. Burling for Legislative Administration: After careful review, the committee felt that this legislation is an appropriate vehicle for deleting certain obsolete and redundant references in statute to the fiscal committee. Although amendments were also considered, the committee believed that passing the bill in its current form is the right step at this time. Vote 11-1

HB 249-L, relative to the records of property tax abatements. **INEXPEDIENT TO LEGISLATE**

Rep. James E. Twombly for Municipal and County Government: This bill established a separate set of "private" records of property tax abatements to be isolated from other tax records and that their content be available to the general public only when approved by the governing body. The committee knows that many reasons for abatements may be personal in nature, but to make those records not easily accessible to the public would violate the right to know law. Vote 12-0.

HB 381, changing the appointing authority for board of tax and land appeals members from the supreme court to the governor and council. **INEXPEDIENT TO LEGISLATE**

Rep. Robert W. Brundige for Municipal and County Government: The Supreme Court has been the appointing authority since the creation of the state tax commission in 1911. For the public to have

confidence in the administration of property taxes, the appeal process must be without political influence. Changing the appointment to Governor and Council could erode that impartiality and cause the concern that the board might be influenced either by the tax philosophy of the Executive Branch or the impending reappointment of a board member. The Board of Tax and Land Appeals (BTLA) is currently accountable to all three branches of state government – judicial by appointment, legislative through rulemaking and executive under financial and personnel procedures of the Department of Administrative Services. The committee recognized the current setup and agreed unanimously that the system did not need to be changed. Vote 17-0.

HB 398, relative to forest fire warden appointments and associated duties. **INEXPEDIENT TO LEGISLATE**

Rep. Mary E. Griffin for Municipal and County Government: The Division of Forests and Lands, under RSA 227-6:3.I (g), is responsible for wild land forest fire control in the state. The bill would have changed the current procedure to require that only the local fire chief could be forest fire warden. Existing statute provides for any citizen or the selectman to recommend names to fill the position of fire warden and deputy under RSA 227-L:7.I. Notices of appointments are forwarded to all fire chiefs and the town selectmen to insure that all fire departments are up to date under the rules of the Department of Resources and Economic Development, Division of Forests and Lands. The committee agrees that the current procedure has support from the majority of the Fire Wardens half of who are local firefighters. Vote 13-2.

HB 401, relative to the receipt of information from regional planning commissions by local land use boards. **INEXPEDIENT TO LEGISLATE**

Rep. Robert W. Brundige for Municipal and County Government: This bill requires that the local land use board respond in writing by certified mail to the regional planning commission upon receipt from the Commission of written comment or testimony to acknowledge that the information has been received. It also requires the board to respond to any issues raised. Currently, the relationship of the regional planning commissions to the local planning boards, as stated in RSA 36:50, is to provide assistance, not to dictate requirements. The committee understands the need for better communication but does not feel that it is necessary or prudent to require the local boards to respond in this manner. Vote 16-1.

HB 435, relative to assessment of service charges by municipalities and counties that accept credit cards for payment of local taxes, utility charges, or other fees. **OUGHT TO PASS WITH AMENDMENT**

Rep. William Johnson for Municipal and County Government: Current statutes RSA 29:11-b and RSA 80:52-c authorize municipalities and counties to accept credit cards as means of payment for local taxes and fees. This bill only enables them to use their own discretion regarding whether or not to pass service charges on to the taxpayers, thereby giving local government more flexibility in collection procedures. Vote 15-1.

Amendment (0636h)

Amend the bill by replacing sections 1 and 2 with the following:

1 Counties; Payment by Credit Card. Amend RSA 29:11-b to read as follows:

29:11-b Payment by Credit Card. The county commissioners, by rule or regulation may authorize the county treasurer or other appropriate county official to accept payment of local taxes, charges generated by the sale of utility services, or other fees by use of a credit card. Any county adopting such a rule or regulation ~~[shall]~~ *may* add to the amount due, in addition to any penalties and interest payable, a service charge for the acceptance of the card. ~~[The service charge shall be based upon the credit card company's rate and the actual cost to the county for the use of the service.]~~ The county, at the time of billing, shall disclose the amount of the service charge.

2 Municipalities; Payment by Credit Card. Amend RSA 80:52-c to read as follows:

80:52-c Payment by Credit Card. The legislative body, by ordinance adopted in accordance with RSA 39, may authorize the municipality's treasurer or other appropriate municipal official to accept payment of local taxes, charges generated by the sale of utility services, or other fees by use of a credit card. Any municipality adopting such an ordinance ~~[shall]~~ *may* add to the amount due, in addition to any penalties and interest payable, a service charge for the acceptance of the card. ~~[The service charge shall be based upon the credit card company's rate and the actual cost to the municipality for the use of the service.]~~ The municipality, at the time of billing, shall disclose the amount of the service charge.

HB 512, relative to off-site improvements imposed on applicants to a planning board. OUGHT TO PASS WITH AMENDMENT

Rep. Cynthia J. Dokmo for Municipal and County Government: For decades, planning boards have had the authority to require applicants to be responsible for site specific off-site improvements necessitated by a proposed development. Such improvements may include upgrading an access road to the development, a turning lane into the development, drainage work, etc. Many court decisions affirmed this authority.

In 1991, the legislature gave municipalities an additional tool to meet the costs of development by adopting enabling legislation to permit planning boards to assess impact fees to recapture increased costs on capital facilities, which increase is due to the development. This provision was never intended to supplant the authority to assess off-site improvement fees, it was meant to supplement it. In order to underscore this, the enabling statute RSA 674: 21,V included this language "... (I) Neither the adoption of an ordinance shall be deemed to affect existing authority of a planning board over subdivision or site plan review, except to the extent expressly stated in such an ordinance..." In order to properly implement an impact fee, the statute requires that a community develop a capital improvement plan (CIP) and then adopt an impact fee ordinance. This plan requires extensive statistical data collection and can cost upwards of \$100,000 or more to complete. Small communities simply could not afford this cost and therefore most continued to assess costs for specific off-site improvements, rather than impact fees.

In November 2000, in Simonsen v Derry, the Supreme Court overturned the communities' authority to assess off-site improvements if it has not adopted an impact fee ordinance, despite the clear language in the statute to the contrary. As a result, small municipalities now face the prospect of absorbing all costs of development or spending a prohibitive amount to assess such costs. This bill simply asserts the state of the law prior to the Simonsen decision so that site specific off-site improvements can once again be required of applicants for development, without undue financial hardship on the community. Vote 15-1.

Amendment (0801h)

Amend the bill by replacing all after the enacting clause with the following:

1 Local Land Use Planning; Authority for Impact Fee Ordinances. Amend RSA 674:21, V(i) to read as follows:

(i) Neither the adoption of an impact fee ordinance, nor the failure to adopt such an ordinance, shall be deemed to affect existing authority of a planning board over subdivision or site plan review, except to the extent expressly stated in such an ordinance. *The planning board shall, in the course of site plan or subdivision review, have the authority to impose a requirement that a developer, as a condition of approval of such subdivision or site plan proposal, be responsible for the payment of the cost of such developer's proportional share of any off-site improvements that the board determines are necessitated by the development proposal. Such authority shall not be affected by the adoption of or failure to adopt an impact fee ordinance as provided herein. For purposes of this subparagraph "off-site improvements" means an exaction imposed to meet special needs occasioned by a particular application.*

2 New Paragraph: Local Land Use Planning; Authority for Subdivision Regulations. Amend RSA 674:36 by inserting after paragraph III the following new paragraph:

IV. The planning board, in exercising the authority granted under subparagraph II(a), may consider both on-site and off-site improvements. It is expressly provided that a planning board may adopt regulations which provide that in the course of review of a subdivision application, the board may require that a developer or an applicant, as a condition of approval of such subdivision plan proposal, be responsible for the payment of the cost of any on-site improvements as well as the developer's or applicant's proportional share of any off-site improvements that the board determines are necessitated by the development proposal. Such authority shall not be affected by the adoption of or failure to adopt an impact fee ordinance as provided in RSA 674:21.

3 Local Land Use Planning; Authority for Site Plan Review Regulations. Amend the introductory paragraph of RSA 674:44, IV to read as follows:

IV. The site plan review regulations of the planning board may stipulate, as a condition precedent to the approval of the plat, the extent to which and the manner in which streets shall be graded and improved and to which water, sewer, and other utility mains, piping, connections, or other facilities shall be installed. *The planning board, in exercising this authority, may consider*

both on-site and off-site improvements. It is expressly provided that a planning board may adopt regulations which provide that in the course of review of a site plan review application, the board may require that a developer or an applicant, as a condition of approval of such site plan proposal, be responsible for the payment of the cost of any on-site improvements as well as the developer's or applicant's proportional share of any off-site improvements that the board determines are necessitated by the development proposal. Such authority shall not be affected by the adoption of or failure to adopt an impact fee ordinance as provided in RSA 674:21. For purposes of this subparagraph "off-site improvements" means an exaction imposed to meet special needs occasioned by a particular application. The regulations or practice of the planning board:

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill provides that a planning board shall, in the course of site plan or subdivision review, have authority to require that a developer be responsible for the payment of the cost of any on-site improvements as well as the developer's proportional share of off-site improvements. Such authority shall not be affected by the adoption of or failure to adopt an impact fee ordinance.

HB 527, relative to limitations on membership of local land use boards. **INEXPEDIENT TO LEGISLATE**

Rep. James E. Twombly for Municipal and County Government: This bill would prohibit more than one paid municipal employee from being on the planning board, zoning board of adjustment, the building code board of appeals, the heritage commission and the historic district commission. The sponsor of the bill admitted that no problem presently existed with having more than one paid municipal employee on these boards, but that there could be a problem. The committee felt that this bill would take away the flexibility that municipalities presently have with attracting and involving citizens residing in the communities that happen to be police officers, firefighters, school teachers and others that might fall under the law. The committee also felt that many of these boards have a difficult time filling their positions as it is and to restrict those citizens further would not be in the best interest of the communities. Vote 15-1.

HB 626, relative to an override of the limitation on appropriations by a local legislative body. **INEXPEDIENT TO LEGISLATE**

Rep. Kimberley O. M. Dionne for Municipal and County Government: The sponsor of this bill asked the committee to recommend Inexpedient to Legislate. In addition, an amendment was submitted to fix a perceived problem that was not clearly defined. After lengthy discussion, the committee did not accept the amendment. Vote 17-0.

HB 636, enabling municipalities to enact "organic zones" that exclude commercial farmers that are not organic certified. **INEXPEDIENT TO LEGISLATE**

Rep. Nancy M. Scovner for Municipal and County Government: The committee felt that not only would this bill create a rift between the two agricultural disciplines, but it would be impossible to monitor. Municipal and County thought that this bill would be costly to the traditional farmer and could possibly add a financial burden to local farmers, possibly putting them out of business. Presently an organic farmer has no limitation as to where they may farm - why limit our traditional farmers? The organic farmers who were against the bill wanted to hold off any legislation until further on-going studies were completed. Vote 16-0.

HB 647-FN-L relative to the power of governmental entities to appropriate public money. **INEXPEDIENT TO LEGISLATE**

Rep. William Johnson for Municipal and County Government: This bill would prohibit any municipality, county, or school district from appropriating money for any charitable or other private association other than under contractual obligations. While mindful of individual cases involving the lack of adequate monitoring, the committee felt that this was a local issue. Both non-profit service providers and representatives of local government testified that, in the vast majority of cases, local citizens received more value in services than funds given. These private entities are much better positioned to provide services than local government, thereby saving on local taxes. Absent these agencies, these services would fall back on municipalities under the statutory requirements of RSA 165, thereby creating a potential constitutional issue under Article 28-a. The committee agreed with

local officials who felt that this bill would mark an intrusion by the legislature into affairs best determined on a local level. Finally, a representative of the Department of Revenue Administration testified that it would be almost impossible for the department to supervise. Vote 15-1.

HB 662, relative to the voluntary merger of contiguous lots. **INEXPEDIENT TO LEGISLATE**
Rep. Robert W. Brundige for Municipal and County Government: Current law RSA 674:39-a allows any owner of two (2) or more contiguous lots or parcels to merge them for municipal regulation and taxation purposes. No new survey plat need be recorded but a notice to identify the parcels, endorsed in writing by the planning board or its designee, shall be mailed to the municipalities assessing officials. This bill requires a deed or other appropriate instrument for the merger to be recorded in the registry of deeds. Testimony received noted that in RSA 673:39 no such merged parcel shall thereafter be separately transferred without subdivision approval. Therefore, the committee determined safeguards are in place to prevent the merged parcels from being sold separately and this bill is not necessary. Vote 16-1.

HB 671, enabling municipalities to adopt a property tax credit based on income for blind, disabled, or elderly taxpayers receiving Social Security income. **INEXPEDIENT TO LEGISLATE**
Rep. Richard S. Eaton for Municipal and County Government: HB 671 is a bill that allows municipalities to adopt a tax limitation and credit for eligible blind, disabled, or elderly persons. While the committee has a deep concern for the housing of blind, disabled, or elderly persons, there was concern that raising property taxes by adding this tax credit within a town or city to subsidize this problem would be a wrong approach on a statewide basis. Vote 15-2.

HB 674, enabling towns and school districts to adopt a policy for the removal of local elected officials for cause. **INEXPEDIENT TO LEGISLATE**
Rep. Cynthia J. Dokmo for Municipal and County Government: This bill would permit the removal of a town or school elected official. The exact procedure for removal would be determined by a vote of the legislative body and would differ from town to town, district to district. Though the committee sympathizes with the frustration of boards when one of its members is consistently absent or acts in a way that may not best serve that board, we also recognize and hold sacred that the official was chosen by the majority of the electorate through an open and fair election process. The committee is loath to create an opportunity to set aside the will of the people by a small group of individuals. Though not intended, the opportunity for mischief is too great. Rather, the committee puts greater faith in the common sense of the electorate to remove an unsatisfactory official at the ballot box when and if that official chooses to run again. Vote 16-0.

HB 705, exempting certain disclosures by town officers from confidentiality requirements. **INEXPEDIENT TO LEGISLATE**
Rep. Chandler V. Fairbanks for Municipal and County Government: This bill would have allowed a town or city officer to report to a third party, a wrongdoing that occurred in a non-public meeting. Members were concerned about the term "wrongdoing" being too broad and subjective. The committee also felt this bill would have the effect of seriously compromising the processes of municipalities, and furthermore might lead to individuals disclosing confidential information because of policy disagreements. Vote 16-0.

HB 723, relative to vacancies in county offices. **OUGHT TO PASS WITH AMENDMENT**
Rep. William G. Johnson for Municipal and County Government: Currently, vacancies in county offices are filled by appointment by the superior court. The committee agreed with the bill's sponsors that the process belongs closer to the people and open to public scrutiny. This bill changes the process by having the vacancies filled by a vote of the county delegation. The amendment allows any vacancy of the commission districts, if appropriate, to be voted by the delegation members of that district and removes same party requirement. Vote 10-2.

Amendment (0774h)

Amend the bill by replacing section 2 with the following:

2 Vacancies Among County Officers; Election by Members of County Convention. Amend RSA 661:9, I-II to read as follows:

I. If a vacancy occurs in the office of county sheriff, county attorney, register of deeds, or county treasurer, the ~~[superior court]~~ *members of the county convention* shall fill the vacancy for the unexpired term *by majority vote*.

II.(a) If a vacancy occurs in the office of a county commissioner, the ~~[superior court]~~ *members of the county convention* shall fill the vacancy *by majority vote* until the next biennial election of county officers, *provided that, in counties with districts for commissioners, only those members of the county convention representing the towns in the district in which the vacancy occurs shall vote*. If the term filled is less than the unexpired term, then notwithstanding any provisions of RSA 653:1, VI, the commissioner district filled pursuant to this paragraph shall be added to the next biennial election ballot to be chosen by the inhabitants of the county for a 2-year term.

(b) The provisions of subparagraph (a) shall apply only where the vacancy occurred no later than 30 days preceding the printing of the ballots for the primary election.

(c) The provisions of RSA 655:32 and RSA 655:37 relating to nominations by appropriate party committees for vacancies in an office on a primary or general election ballot, respectively, shall apply to vacancies to be filled under this paragraph.

HB 735-L, permitting towns and cities to deny a planning board application by a vote of the legislative body. **INEXPEDIENT TO LEGISLATE**

Rep. Paul C. Bellavance for Municipal and County Government: All applications to a town or city planning board should be adjudicated by the planning board and not by the municipality's legislative body. The possibility of seeing careful time-consuming deliberations by the local planning board being overturned by a popular or unpopular vote was not considered to be in the best interest of the local planning process. Vote 16-0.

HB 413, relative to ownership of rail properties. **OUGHT TO PASS WITH AMENDMENT**

Rep. James B. Rausch for Public Works and Highways: This bill was requested by the Department of Transportation. It is a housekeeping bill to allow either the state or a political subdivision to retain title to rail property purchased under the right of first refusal. Additionally, it clarifies that if any such rail property is transferred or sold, it must be done in accordance with RSA 4:40, regarding the disposal of state owned real estate. Vote 17-0.

Amendment (0664h)

Amend the bill by replacing sections 1 and 2 with the following:

I Purchase of Rail Property; Title. Amend RSA 228:60-b, II to read as follows:

II. The state of New Hampshire, acting through the commissioner with the approval of governor and council, may match any verifiable bona fide offer made for any rail properties within the limits of funds available to the commissioner for this purpose. In the event that the property offered for sale to the commissioner is to be purchased for other transportation purposes, including recreational trails, funds for such purchase shall be identified and provided by the state agency or political subdivision requesting the commissioner to acquire the property. ~~[The department of transportation]~~ *The state or a political subdivision thereof* shall retain title to all land purchased under the right of first refusal. Cooperative use and management agreements with state agencies or political subdivisions providing acquisition funds shall be executed for parcels acquired with other than department of transportation funds. In the event that all or any part of the parcel so acquired is needed for transportation of goods or services of any kind or for any other purpose deemed necessary by the commissioner, the contributing entity shall be entitled to a refund of contribution or replacement land as determined by RSA 4:40. Any such right of first refusal shall be offered in writing to the commissioner who shall notify such railroad corporation in writing of acceptance or rejection of such an offer within 90 calendar days of receipt of such offer.

2 Disposition of Acquired or Abandoned Rail Properties. Amend RSA 228:67 to read as follows:

228:67 Disposition of Acquired or Abandoned Rail Properties. Whenever the commissioner determines that certain acquired or abandoned rail properties owned by the state pursuant to RSA 228:60-a, II; 228:60-a, VI; 228:60-b; or any other means are no longer needed, ~~[he]~~ *the commissioner* may transfer or sell such rail properties~~[-excluding the railroad bed and right-of-way lying within a corridor;]~~ to any other state department or agency, or political subdivision of the state, which will utilize such properties for public purposes and, if no state department or agency, or political subdivision, wants such properties, the commissioner may sell them, *in accordance with RSA 4:40* with the proceeds from the sale ~~[distributed to the Federal Railroad Administrator, Department of Transportation, in accordance with the grant agreement for the federal share of the participation in the original purchase of the rail properties. The balance shall be]~~ deposited into the

special fund established in RSA 228:68. Such transfer or sale shall require approval of the long range capital planning and utilization committee and the governor and council. ~~[For the purpose of this section, "corridor" shall mean from the point of origin of railroad tracks or bed and right-of-way to the point of terminus within the state, excluding spur lines and sidings which are incidental to the main line.]~~

HB 640, establishing a committee to study changing the Hooksett liquor store into a family hospitality center. **INEXPEDIENT TO LEGISLATE**

Rep. Michael J. Rozek for Public Works and Highways: The committee is not in favor of establishing a committee to study changing the Hooksett State Liquor Store into a family hospitality center. During fiscal year 2000, the northbound store grossed \$10.3 million. The southbound store grossed \$7.9 million. Based on a 28% profit margin, gross profit was in excess of \$5.4 million. It would be impossible to replace this lost revenue. Currently the northbound store parking lot is not large enough to accommodate the volume of traffic that is currently experienced on holiday weekends. Any further construction would require the purchase of a large tract of land and could involve wetlands and wildlife. Vote 17-1.

HB 653-FN, relative to certain signs within highway rights-of-way. **OUGHT TO PASS WITH AMENDMENT**

Rep. Michael J. Rozek for Public Works and Highways: This bill, as amended, permits certain small business owners to place location/direction signs within a highway right-of-way according to certain guidelines. These guidelines proposed by the Department of Transportation are based on the Roadside Design Guide published by the American Association of State Highway and Transportation Officials (AASHTO). This legislation will not circumvent local municipal rules, regulations and other requirements. The cost of construction, installation, maintenance, moving and removing of such signs shall be at the expense of the business owner. The DOT shall be authorized to remove any sign if it determines that the provisions of this section have not been met, provided that 30 days notice shall be given to the owner of the sign unless the sign constitutes a safety hazard. Vote 19-0.

Amendment (0652h)

Amend the bill by replacing all after section 2 with the following:

3 New Section; Location/Direction Signs for Businesses Within Highway Rights-of-Way. Amend RSA 236 by inserting after section 88 the following new section:

236:88-a. Location/Direction Signs for Businesses Within Highway Rights-of Way.

I. Notwithstanding RSA 236:88 or any other provision of law to the contrary, a business owner whose property abuts upon and has legal driveway access to the right-of-way of any class I, class II, or class III highway may, upon obtaining the approval of the department, place a sign within the adjacent right-of-way of his or her business being conducted at that location. The placement of such sign shall be in accordance with the Roadside Design Guide published by the American Association of State Highway and Transportation Officials (AASHTO).

II. Any such sign shall comply with all local municipal rules, regulations, and other requirements.

III. Any such sign shall:

- (a) Not impose a danger to the traveling public.
- (b) Not unreasonably interfere with the maintenance of the state right-of-way.
- (c) Be permanently affixed to the ground.
- (d) Meet reasonable size, style, and lighting standards consistent with the state of development and commercial activity in the area.

(e) Be removed if the business activity is no longer conducted at that location.

IV. The cost of construction, installation, maintenance, disposal, moving, and removing of such sign shall be at the expense of the business owner.

V. A sign placed in accordance with this section shall not be construed to give its owner any property or other rights in its location, and if the state changes or widens the highway, or redesigns its maintenance practices, the business owner shall move or remove the sign, as the department may determine necessary.

VI. The department shall be authorized to remove any sign if it determines that the provisions of this section have not been met; provided that 30 days' notice shall be given to the owner of the sign unless the sign constitutes a safety hazard.

VII. Notwithstanding any law or rule to the contrary, a municipality may place a sign within the right-of-way of any class I, class II, or class III highway if such sign meets the requirements of this section and with the approval of the department of transportation and the governing body of the municipality.

VIII. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to the administration of this section.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill permits business owners to place location/direction signs within a highway right-of-way within certain guidelines.

HB 732, relative to the regulation of land use by the Pease development authority. **INEXPEDIENT TO LEGISLATE**

Rep. Michael J. Rozek for Public Works and Highways: The bill proposes the reversion of all land use regulations by the Pease Development Authority to be transferred to the town of Newington and the city of Portsmouth. In dealing with the bill as proposed, the committee was not in support of the transfer of all future development at the PDA to the town of Newington and the city of Portsmouth. At the time of closure, Pease Air Base employed 6000 personnel. The PDA has with great time and effort created in excess of 8000 jobs for the Newington, Portsmouth and other surrounding communities since the closure of the air base. The PDA has also maintained proper management of both wetlands and the bird sanctuary. The only citizen speaking in favor of this legislation was a single member of the city planning board, and stated that he did not represent the views of the board. At this time, the committee does not believe it is in the best interest of the surrounding communities to intervene in this process. Vote 15-2.

HJR 5, encouraging the use of renewable energy systems in new or rehabilitated state buildings. **DOUGHT TO PASS WITH AMENDMENT**

Rep. Candace C. W. Bouchard for Public Works and Highways: This resolution is a helpful way to indicate support for and to encourage the use of renewable energy systems in the construction or rehabilitation of state buildings. The Department of Environmental Services supports this House Joint Resolution. Vote 17-0.

Amendment (0447h)

Amend the resolution by replacing all after the title with the following:

Whereas, the cost and performance benefits of incorporating renewable energy technologies such as daylighting, photovoltaics, active solar water heating, or wind, biomass and hydroelectric energy systems in state construction projects have been evaluated and recommended in other states; and

Whereas, over the life of a building, the energy cost savings due to the use of renewable energy systems far outweigh any increased construction costs; and

Whereas, policies that require or encourage the consideration of renewable energy options in the construction or rehabilitation of state buildings are a potentially important mechanism for promoting the increased use of renewable energy in other areas of the state; and

Whereas, current regulatory codes affecting construction do not adequately facilitate the use of renewable energy technologies in the construction or rehabilitation of buildings; now, therefore, be it Resolved by the Senate and House of Representatives in General Court convened:

That the general court hereby encourages the evaluation and use of renewable energy options in the construction and rehabilitation of all state buildings where feasible; and

That the general court encourages the revision of regulatory codes affecting construction to better accommodate the use of renewable energy technologies in the construction or rehabilitation of buildings.

HB 440, relative to the establishment of instream flows. **INEXPEDIENT TO LEGISLATE**

Rep. Richard T. Cooney for Resources, Recreation and Development: This bill would empower the Department of Environmental Services (DES) to apply In-Stream Flow rules to river segments not in the Rivers Management Protection Program (RMPP). However, DES already has that authority under present statutes. Therefore, this bill is not needed. In addition, the committee plans to retain HB 414 to deal with any appropriate issues relating to In-Stream Flow rules this year. Vote 15-0.

HB 455, relative to personal flotation devices. **INEXPEDIENT TO LEGISLATE**

Rep. Richard T. Cooney for Resources, Recreation and Development: This bill would require any person aboard a small boat to wear a personal flotation device (PFD) during the winter months from October 15 to May 15. It was the intent of this bill to reduce the number of drowning fatalities during these months. The committee agreed that it is a good idea to wear PFDs during these months as well as other months, but felt it was a personal decision of the boater to do so. This issue is similar to the wearing of seat belts and the use of motorcycle helmets. The legislature has consistently decided that these are personal choices and should not be mandated by statutes. The majority of the committee felt that the use of PFDs is a personal choice and should not be mandated by statute. Vote 11-5.

HB 696, requiring certain waterfront property to have an approved septic system. **INEXPEDIENT TO LEGISLATE**

Rep. David M. Lawton for Resources, Recreation and Development: This bill attempted to address potential problems that may occur with residential septic systems within 250 feet of public waters. Unfortunately, it overstepped the goal somewhat by requiring that even "alteration" of residential units would trigger the requirement that the septic system be brought up to the Department of Environmental Services current specifications. Rather than spend time working on an amendment to fix this bill, the committee unanimously opted to recommend it inexpedient to legislate and consider the sponsor's concerns under SB 89 – a Senate Bill to study changes to the Shoreland Protection Act. Vote 15-0.

HB 754, relative to the testing and certification of fluorine-bearing chemicals injected into the public water supply. **INEXPEDIENT TO LEGISLATE**

Rep. Bob Odell for Resources, Recreation and Development: While every member of the committee wants pure water and effective testing of public water systems, the committee has confidence in the ability of the Department of Environmental Services to oversee the testing of water for municipal systems. This legislation as amended requests that the U. S. Food and Drug Administration be involved with testing New Hampshire water. However, the FDA does not regulate water supplies or chemicals injected into the water. Vote 15-0.

HB 578, relative to requirements for nonpublic utility providers of telephone services. **OUGHT TO PASS WITH AMENDMENT**

Rep. John H. Thomas for Science, Technology and Energy: This bill establishes requirements for non-public utility providers of telephone services, such as but not limited to hotels, motels, hospitals, universities or similar places of temporary accommodation. The requirements include notice to the users of charges and access by the users to other providers. The bill also requires direct access to 911 emergency services by January 1, 2007. The bill drops the requirement of competitive local exchange carriers and competitive toll providers with less than 10% share of toll revenue from certain public utilities commission approvals. The bill also provides for four additional members to the Information Technology Management Advisory Board. The committee held a second public hearing to consider the additional amendments. Vote 15-0.

Amendment (0810h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to requirements for nonpublic utility providers of telephone services and competitive telecommunications providers, and relative to the information technology management advisory board.

Amend RSA 378:17-c as inserted by section 1 of the bill by inserting after paragraph III the following new paragraph:

IV. Nonpublic utility providers of telephone services shall be considered telephone utilities for purposes of RSA 106-H:8. Nonpublic utility providers of telephone services shall comply with the telephone utility requirements of RSA 106-H:8 no later than January 1, 2007.

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 4, respectively:

2 Regulation of Competitive Telecommunications Providers Limited; Competitive Toll Providers.
Amend RSA 374:22-o to read as follows:

374:22-o Regulation of Competitive Telecommunications Providers Limited. Any person or business entity authorized by the commission to engage in business as a competitive local exchange carrier and *any competitive toll provider having less than a 10 percent share of toll revenue in New Hampshire* shall not be required to seek prior commission approval of financings or corporate organizational changes, including, without limitation, ~~[the]~~ *mergers, acquisitions, corporate restructurings*, issuance or transfer of ~~[its]~~ securities, or the sale, lease, or other transfer of ~~[its]~~ assets *or control*. Nothing in this section shall exempt any such competitive telecommunications service provider from *such advance notice as the commission may prescribe or from the requirements of RSA 374:28-a* ~~[-including such advance notice as the commission may prescribe]~~ *or RSA 378:46*.

3 Information Technology Management Advisory Board; Members. Amend RSA 21-I, 71, II(i) to read as follows:

(i) Two senior information technology executives from the private sector, appointed by the governor *for a 3-year term*.

(j) *One representative of municipal government, who shall serve as a non-voting member, appointed by the governor for a 3-year term.*

(k) *One representative of county government, who shall serve as a non-voting member, appointed by the governor for a 3-year term.*

AMENDED ANALYSIS

This bill:

I. Establishes requirements for nonpublic utility providers of telephone services. Nonpublic utility providers of telephone services include, but are not limited to, hotels, motels, hospitals, universities, or similar places of temporary accommodation. The requirements include notice to the users of charges and access by the users to other providers.

II. Limits the regulation of competitive toll telecommunications providers.

III. Adds 2 members to the information technology management advisory board.

HB 219, relative to the rules of the road involving school buses. **OUGHT TO PASS WITH AMENDMENT**

Rep. George N. Katsakiores for Transportation: This bill adds a violation of the laws relative to passing a school bus as an offense for purposes of the habitual offender laws. It also imposes a higher fine for passing a school bus on the right than on the left and allows for suspension of a persons' drivers license for 30 days for subsequent offenses of passing on the left or up to 60 days for a third or subsequent offense of passing on the right. Increased penalties should be an effective deterrent in similar future attempts of passing school buses on the right, as occurred in an incident in the Derry area a few weeks ago. Vote 17-0.

Amendment (0452h)

Amend RSA 265:54, IV as inserted by section 2 of the bill by replacing it with the following:

IV. Except as provided in paragraph III, no driver of a vehicle who is required to stop his or her vehicle in accordance with paragraph I shall overtake and pass a school bus on the right. A person who violates the provisions of this paragraph shall be guilty of a violation and shall be fined not less than \$500 nor more than \$1,200. In addition, the director shall suspend the person's license to drive or nonresident driving privilege for a period of up to 30 days for a first offense. The director shall suspend the person's license to drive or nonresident driving privilege for a period of 30 days for a second offense, and for a period of not less than 30 days nor more than 120 days for a third or subsequent offense.

HB 241, establishing the offense of careless and negligent driving. **INEXPEDIENT TO LEGISLATE**
Rep. Brenda L. Ferland for Transportation: This bill was known as the "cell phone bill." The committee felt that adding a new section under motor vehicles, rules of the road, was unnecessary at this time in light of another bill, HB 652, relating to careless and reckless and negligent driving, having passed the committee earlier. Vote 16-0.

HB 243, relative to school bus operation. **INEXPEDIENT TO LEGISLATE**

Rep. George N. Katsakiores for Transportation: This bill leads to substantial confusion in school bus operations and makes it difficult to accommodate school bus operations for transporting

youngsters to and from school versus the use of school buses for other commercial transportation uses. The Department of Safety indicated necessary options can be addressed under their rules. Vote 17-0.

HB 456, relative to automobile insurance for teenage drivers. **INEXPEDIENT TO LEGISLATE**
Rep. John W. Flanders for Transportation: This bill would exempt those new drivers under the age of 18 during that first 90-day period that they receive their license from having to have insurance when the new driver is required to drive with an adult in the car. HB 209 is a bill relative to youth licenses. The recommended revisions that the subcommittee is working on will address the sponsors' issues in that bill. Vote 17-0.

HB 615, relative to the duties of motor vehicle inspectors. **OUGHT TO PASS**
Rep. Gordon E. Bartlett for Transportation: This bill expands the enforcement authority of motor vehicle inspectors to include authority over the transportation of hazardous materials and other duties as determined by the commissioner. Although the primary duty of these vehicle inspectors is truck and inspection station enforcement, they are certified law enforcement officers, and should have the authority to enforce all motor vehicle laws. Vote 17-0.

HB 618, relative to charitable auto wholesale dealers. **INEXPEDIENT TO LEGISLATE**
Rep. Robert J. Letourneau for Transportation: This bill as presented would include certain nonprofit organizations within the definition of "dealer" in the motor vehicle laws. Upon careful review it was determined that this would open the possibility of fraud and/or misuse of the dealer status. Testimony during the public hearing revealed that for-profit companies are retaining titles to these vehicles. There is no reason to create a distinctive nonprofit status. Additionally, this type of activity could possibly put their nonprofit status in jeopardy. Vote 17-0.

HB 652, relative to the penalties for reckless or negligent operation of a motor vehicle. **OUGHT TO PASS WITH AMENDMENT**
Rep. Brenda L. Ferland for Transportation: This bill reworks the current motor vehicle law concerning reckless and negligent driving. This bill creates the motor vehicle "violation" of negligent driving and uses the criminal code definition of "negligently." It also applies the criminal code definition of "recklessly" to the reckless driving law under the motor vehicle code and makes it a "violation." The amendment changed one word under negligent driving from "and" to "or" and this paragraph doesn't name any specific task such as using cell phones, eating, etc. Vote 17-0.

Amendment (0183h)

Amend the bill by replacing section 2 with the following:

2 New Section; Negligent Driving. Amend RSA 265 by inserting after section 79-a the following new section:

265:79-a Negligent Driving. Whoever upon any way drives a vehicle negligently or causes a vehicle to be driven negligently, as defined in RSA 626:2, II(d), or in a manner that endangers or is likely to endanger any person or property shall be guilty of a violation.

HB 663, relative to lights on school buses. **OUGHT TO PASS WITH AMENDMENT**
Rep. George N. Katsakiores for Transportation: This bill allows the option for a strobe light to be installed on school buses for safety reasons. It also requires the strobe light to be used throughout the bus route while children are transported to and from school. The bus operator will control the strobe light. Vote 17-0.

Amendment (0221h)

Amend RSA 265:57, IV as inserted by section I of the bill by replacing it with the following:

IV. If the school bus is equipped with strobe lights, the strobe lights shall be kept in continuous operation at all times throughout the regular route, home-to-school and school-to-home.

AMENDED ANALYSIS

This bill permits school buses equipped with strobe lights to be driven on the ways of the state. This bill also requires drivers of school buses equipped with strobe lights to operate the strobe lights throughout the regular route, and modifies other rules of the road relative to the driving of schoolbuses.

HB 669, requiring certain safety devices on freight locomotives. **OUGHT TO PASS WITH AMENDMENT**

Rep. Brenda L. Ferland for Transportation: Safety devices known as alerters are now being installed on new trains. Unfortunately, there are about 40 existing engines that don't have them. This is a necessary thing now that some engines are running with only one engineer. The cost is about \$2,200.00 per engine, and is a small cost for public safety. The amendment, therefore, allows enough time for installing these devices by taking effect January 1, 2002. Vote 17-0.

Amendment (0596h)

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect January 1, 2002.

HB 725, relative to titles to destroyed vehicles. **INEXPEDIENT TO LEGISLATE**

Rep. Robert J. Letourneau for Transportation: This bill would require the Department of Safety to issue a certificate of destruction if the estimated costs of repairing the physical and mechanical damage to a vehicle are equal to 90% or more of the current retail cost of the vehicle. The issue raised in committee revolved around burned cars and those which are 100% beyond recognition. Expert testimony given to the subcommittee on how this is addressed currently satisfied the committee on this process. There was a fear that owners of older autos involved in collisions would sustain damage beyond their current value because cost of new replacement parts would force them to destroy their vehicles. The committee felt that this bill could cause a hardship and unintended consequences to New Hampshire citizens. Vote 16-1.

HB 186-FN-A, establishing a pesticides training program. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert J. Giuda for Ways and Means: The committee considered it necessary to amend this bill to bring the revenues and appropriations under the purview of the legislative budgeting process rather than creating another dedicated fund off budget. The committee was also supportive of the revenue requirements contained in this legislation. Vote 13-0.

Amendment (0730h)

Amend RSA 430:31-b as inserted by section I of the bill by inserting after paragraph II the following new paragraphs:

III. The department of agriculture, markets, and food shall submit an annual report, beginning on July 1, 2002, to the speaker of the house, president of the senate, and the governor and council which shall include, but not be limited to, training and educational programs offered or contracted by the division of pesticide control under the training program established by paragraph I of this section, the revenue generated from the program under paragraph II of this section, and the budget and revenue projections of the division.

IV. In addition to or in conjunction with the operating budget of the department of agriculture, markets and food, the department shall submit a budget for the biennium beginning July 1, 2003, and for each biennium thereafter, which shall include financial responsibility for and the costs of all training and educational programs offered or contracted by the division of pesticide control, the development of technological advancements in division programs, the revenue generated from the pesticides training program, and all revenues and expenditures of the dedicated fund established in paragraph II of this section.

AMENDED ANALYSIS

This bill establishes a pesticides training program for the purpose of providing education regarding pesticides and the handling of pesticides to commercial pesticide applicators and other applicable persons. This bill establishes a pesticides training program fund to support the purposes of the training program and establishes certain reporting and budgeting requirements for the department of agriculture, markets, and food. Moneys for the fund shall be established by rule by the commissioner of agriculture, markets, and food and collected from program participants.

HB 303-FN-A-L, relative to funding of training and certification of firefighters and emergency medical service providers programs in the department of safety, extending certain motor vehicle license expiration dates, and increasing certain motor vehicle license fees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Paul A. McGuirk for Ways and Means: This bill was the result of a study committee arising out of HB 1504 which was enacted last session. The committee's charge was to study the need for additional funding for firefighter and emergency medical service training in this state and to develop a proposal for a dedicated funding source for that purpose. This bill establishes a non-lapsing dedicated funding source for the training and certification of firefighters and emergency medical service providers in this state. The committee heard testimony from the Dept. of Safety and members of the firefighter and emergency medical service community, which revealed a substantial need to upgrade our efforts in training, certification and licensure throughout the state. The committee recognizes the ever-increasing requirements placed upon emergency response personnel for enhancing their training in the use of sophisticated fire fighting and life-saving technologies, which is essential to the health and safety of all citizens. However, it also recognizes that firefighter and EMS professionals are present throughout the state and it is the responsibility of the divisions to provide these professions with training programs and certification services at the regional level. It is believed that this bill will go a long way in accomplishing that task, since a majority of the additional funds obtained will be used for the delivery of training programs at the regional level. The funding source for the dedicated fund will come from the \$7.00 fee that is currently charged to insurance companies purchasing motor vehicle records. The drivers license fee will increase at a rate of \$2.00 per year, and the term of the license will increase from four to five years. The increase in the license fee will go directly into the highway fund. The current appropriations for both divisions will be returned to the general fund. This bill results in a substantial gain to the highway fund, the general fund, as well as establishing the new dedicated fund. Originally, this bill passed the House Criminal Justice and Public Safety committee on a vote of 17-0. The Ways and Means committee amended the bill to require: (1) the Dept. of Safety submit an annual report to the General Court regarding the fund, appropriations, and the degree of coordination with municipal fire and emergency medical service departments; (2) budget oversight; and (3) the implementation of rules, pursuant to RSA 541-A, relative to fees charged for training programs, including the development of a tuition reimbursement plan. Vote 16-0.

Amendment (0866h)

Amend the bill by replacing sections 3-5 with the following:

3 Department of Safety; Division of Emergency Medical Services; Fiscal Duties of the Director. Amend RSA 21-P:12-b. II(l) to read as follows:

(l) With the approval of the commissioner, accept in the name of the state any and all donations, *fees for tuition, rents, services, and any and all money* and grants from any governmental unit, public agency, institution, person, firm, or corporation and receive, utilize, expend, and dispose of such funds subject to budgetary provisions, consistent with the rules of the department of safety and the purposes or conditions of the donation or grant.

(m) With the approval of the commissioner, establish fees to be collected for tuition, services, and licenses. The commissioner may for good cause waive any fees charged under this subparagraph and may authorize tuition reimbursement from the fire standards and training and emergency medical services fund.

4 New Sections; Department of Safety; Fire Standards and Training and Emergency Medical Services Fund Established; Report and Budget Requirements Established. Amend RSA 21-P by inserting after section 12-c the following new sections:

21-P:12-d Fire Standards and Training and Emergency Medical Services Fund. There is established in the office of the state treasurer a separate, nonlapsing, and continually appropriated fund to be known as the fire standards and training and emergency medical services fund from which the state treasurer shall pay expenses as determined by the commissioner of safety incurred in the administration of the division of fire standards and training, under RSA 21-P:12-a, and the division of emergency medical services, under RSA 21-P:12-b.

21-P:12-e Fire Standards and Training and Emergency Medical Services Report and Budget.

1. The department of safety shall submit an annual report, beginning on July 1, 2002, to the speaker of the house, president of the senate, and the governor and council which shall include, but not be limited to, training and educational programs offered or contracted by the divisions of fire standards and training and emergency medical services, the development of the technological advancements in division programs, the revenue generated from the sale of motor vehicle records,

the budget and revenue projections of both divisions, the degree of coordination with municipal fire and emergency medical services departments, and the extent of direct aid to municipalities and mutual aid associations.

II. In addition to or in conjunction with the operating budget of the department of safety, the department shall submit a budget for the biennium beginning July 1, 2003, and for each biennium thereafter, which shall include financial responsibility for and the costs of all training and educational programs offered or contracted by the divisions of fire standards and training and emergency medical services, the development of technological advancements in division programs, the revenue generated from the sale of motor vehicle records, the extent of direct aid to municipalities and mutual aid associations, and all revenues and expenditures of the dedicated fund established in RSA 21-P:12-d.

5 New Paragraph; Department of Safety; Rulemaking Authority; Commissioner of Safety; Fees for Fire Standards and Training and Emergency Medical Services Training Programs. Amend RSA 21-P:14 by inserting after paragraph VI the following new paragraph:

VII. The commissioner of safety, in consultation with the fire standards and training commission and the emergency medical and trauma services coordinating board, shall adopt rules under RSA 541-A, relative to:

(a) Fees for tuition, services, and licenses under RSA 21-P:12-a and 21 P:12-b.

(b) Tuition reimbursement under RSA 21-P:12-a and 21-P:12-b.

(c) The circumstances in which a waiver may be granted under RSA 21-P:12-a, II(b) and RSA 21-P:12-b, II(m).

Amend the bill by inserting after section 14 the following and renumbering the original section 15 to read as 16:

15 Division of Fire Standards and Training, Disposition of Funds; Tuition Reimbursement. Amend RSA 21-P:12-a, II(b) to read as follows:

(b) Establish fees to be collected for tuition and services. Such fees shall be subject to the approval of the commissioner of the department of safety. *The commissioner may for good cause waive any fees charged under this subparagraph and may authorize tuition reimbursement from the fire standards and training and emergency medical services fund.*

AMENDED ANALYSIS

This bill:

I. Establishes a dedicated fund to support the division of fire standards and training and the division of emergency medical services in the department of safety. The bill also establishes reporting and budgeting requirements for the department of safety in conjunction with the operation of the divisions of fire standards and training and emergency medical services.

II. Allows the director of the division of emergency medical services to establish and collect fees for tuition, services and licenses.

III. Allows the commissioner of the department of safety to establish fees for certain fire standards and training and emergency services programs and services.

IV. Increases certain motor vehicle license fees.

V. Extends certain motor vehicle license expiration dates from

HB 310-FN-A, setting the rate for the medicaid enhancement tax for the biennium ending June 30, 2003. **OUGHT TO PASS**

Rep. Susan W. Almy for Ways and Means: This bill continues the rate of the Medicaid enhancement tax at 6%. It cannot be increased and to decrease it would cost the state lost revenue. Vote 18-0.

HB 551-FN, establishing a homestead exemption from the education property tax. **INEXPEDIENT TO LEGISLATE**

Rep. Christine M. Konys for Ways and Means: The subject matter of establishing a homestead exemption from the education property tax is contained in several other bills before the committee which offer a comprehensive school-funding plan. The committee has already voted to retain several other bills, which could be used to address the issue of homestead exemptions as well. Therefore, this additional legislation is not necessary. Vote 16-0.

REGULAR CALENDAR

HB 1-A, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 2002 and June 30, 2003. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. Neal M. Kurk for the Majority of Finance: This bill is the state's budget for the next two fiscal years. It not only covers our traditional state services (general government, criminal justice and public safety, environmental protection and resource development, transportation and highway improvement, health and human services, post-secondary and higher education), but for the first time includes the state's obligation to education. For the first time the state budget bill is a comprehensive plan that funds **all** of the state's responsibilities. As our responsibilities have increased, the budget has increased. General fund spending on a comparable basis is up 4.04% over current spending. In the first year, total general fund appropriations are \$1.13 billion, which is \$51.7 million more than current spending levels.

Every state program is funded at a responsible level. Not a single, existing state-funded program or service has been reduced unless the reduction was supported by the Governor or agency head. Indeed, almost all programs and services have had their appropriations increased. Some of the increases exceeded those recommended by the Governor. These include school building aid, the developmentally disabled wait list and meals on wheels.

Some highlights of the budget: 1) The developmentally disabled wait list is funded at \$1 million/year **more than** the Governor's plan. 2) Direct aid to the elderly, TANF and other clients served by the Department of HHS has been increased to meet projected case numbers and cost. 3) The rooms and meals distribution to cities and towns has increased by \$15 million. 4) Environmental grants to cities and towns for waste water treatment, public water systems, source water protection, and landfill and incinerator closings have increased to \$37.2 million. 5) Block grants to cities and towns for road repair and improvements have increased by \$2.1 million **more than** the Governor's plan. 6) LCHIP is funded at \$15 million over the biennium, none of which was included in the Governor's budget plan. 7) The Healthy Kids insurance program appropriation is increased significantly, with the same combination of federal, state and private foundation funding as we currently have. 8) The childhood immunization program is increased to cover 2 additional vaccines, with the additional funding to come from the general fund and private insurance companies, as is the current practice. 9) An additional \$4 million is appropriated for travel and tourism promotion, none of which is included in the Governor's budget plan. 10) A new pharmaceutical discount program for low-income seniors is funded. 11) Debt service is fully funded to meet the state's existing and anticipated short and long term borrowing requirements. 12) The Veterans home and its expansion are fully funded. In summary, this budget appropriates the necessary funds to provide for education and all state services, including those to our most vulnerable populations, at a responsible level. This budget is fair, balanced and good for NH. Vote 13-9.

Rep. Elizabeth S. Hager for the Minority of Finance: The bipartisan minority of the Finance Committee believes that the majority amendment continues to leave too many critical programs out of the basic state budget. The minority amendment restores funding for Healthy Kids (CHIP), for a critical wage increase for direct care providers, for tobacco use prevention, for immunizations, and for chronically ill children. It also includes funding for state planning initiatives, for Granite Scholars scholarships, and for the Best Schools initiative in more communities.

In other words, it makes the budget more responsive to the needs of our citizens and prevents costs being passed back down to the local property tax. The minority urges passage of the basic budget (the majority amendment) and then our amendment.

Majority Amendment (0892h)

This amendment was printed in its entirety in House Record No.33, April 13, 2001 and is made part of this Journal by reference.

The question being the adoption of the majority amendment.

Majority amendment adopted.

Rep. Wallner offered the minority amendment (0908h).

Minority Amendment (0908h)

This amendment was printed in its entirety in House Record No. 34, April 13, 2001 and is made part of this Journal by reference.

Reps. Wallner, Millham and Hager spoke in favor.

Reps. Hunt and Scanlan spoke against.

Rep. Pilliod spoke in favor and yielded to questions.

Rep. Rogers Johnson spoke against and yielded to questions.

Rep. Herman requested a roll call; sufficiently seconded.
The question being adoption of the minority amendment (0908h).

and the report was adopted.

Ordered to third reading.

Rep. Babson did not vote and wished to be recorded in favor.

HB 2-FN-A, relative to state fees, funds, revenues, and expenditures. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. Neal M. Kurk for the Majority of Finance: This is the companion or trailer bill to HB 1-A, the biennial budget. It contains necessary statutory changes to allow HB 1-A to be executed appropriately. Key provisions (1) establish a travel and tourism development fund; (2) provides for the fiscal committee to approve the acceptance and expenditure of non-state funds in excess of \$100,000; (3) enables a portion of the health insurance premiums for retired state employees to be paid from the retirement system special account; (4) enables the retirement system's operating expenses to be a charge against the retirement fund's income; (5) establishes an LCHIP administrative fund and allows interest from the fund's principle to be expended for administration purposes; (6) allows the Department of Health and Human Services to fill authorized but unfunded positions from its personnel lines; and (7) lapses \$1,500,000 from the tobacco use prevention fund that the program is unable to use in the current fiscal year. HB 1-A provides for the program to continue at the level established by the legislature, appropriating \$3 million to the fund for each year of the next two fiscal years.

Rep. Mary Jane Wallner for the Minority of Finance: This amendment would delete the footnote that lapses tobacco use prevention funds to the general fund in the amount of \$1.5 million. With the deletion of the footnote the Department of Health and Human Services can move forward with contracting for community tobacco use prevention programs. When the legislature enacted the tobacco use prevention fund we agreed that the funds would be non-lapsing. This bill would reverse that decision. Vote 13-5.

Majority Amendment (0891h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Department of Resources and Economic Development; Travel and Tourism Development; Travel and Tourism Development Fund. Amend RSA 12-A by inserting after section 43 the following new section:

12-A:43-a Travel and Tourism Development Fund.

I. There is hereby established in the office of the state treasurer a fund to be known as the travel and tourism development fund. Any appropriations received shall be deposited in the fund. Moneys in the fund and any interest earned on the fund shall be used for the purpose of promoting and developing appropriate travel and tourism initiatives through the division of travel and tourism development and shall not be used for any other purpose. The director of travel and tourism development shall oversee expenditures from the fund. The moneys in the fund shall be non-lapsing and shall be continually appropriated to the department of resources and economic development.

II. The commissioner of resources and economic development shall prepare an annual report to be presented no later than December 1 of each year to the president of the senate, the speaker of the house of representatives, and the governor and council, and filed with the state library. The report shall detail the specific activities supported by, and expenditures from, the fund during the past year.

2 New Subparagraph; Travel and Tourism Development Fund. Amend RSA 6:12, I by inserting after subparagraph (dddd) the following new subparagraph:

(eeee) Moneys received for deposit in the travel and tourism development fund established by RSA 12-A:43-a, I.

3 New Paragraph; Fiscal Committee Approval Required for Acceptance and Expenditure of Funds Over \$100,000 From Any Non-State Source. Amend RSA 14:30-a by inserting after paragraph V the following new paragraph:

VI. Any non-state funds in excess of \$100,000, whether public or private, including refunds of expenditures, federal aid, local funds, gifts, bequests, grants, and funds from any other non-state source, which under state law require the approval of governor and council for acceptance and expenditure, may be accepted and expended by the proper persons or agencies in the state government only with the prior approval of the fiscal committee.

4 Fiscal Committee Approval Required for Expenditure of Federal Aid. Amend RSA 124:4 to read as follows:

124:4 Application for[;] and Administration of *Federal Aid*. Notwithstanding any other provision of law, the governor and council are hereby authorized to designate from time to time, as they may deem in the best interest of the state, the proper persons or agencies in the state government to take all necessary action to apply for, receive, and administer any federal benefits, facilities, grants-in-aid, or other federal appropriations or services made available to assist state activities, for which the state is, or may become eligible. *All such moneys in excess of \$100,000 made available, after designation by the governor and council, may be expended by the proper persons or agencies in the state government only with the prior approval of the joint legislative fiscal committee, provided, however, that prior approval by the joint legislative fiscal committee shall not be required for any federal moneys received by the department of employment security.* In addition to such other instruments, documents, and agreements as may be executed ~~[hereunder]~~ *under the authority of this section*, such persons or agencies may~~[- whenever the same shall be required as a condition to the receipt of such federal assistance, with the approval of the governor and council]~~ execute indemnification agreements, *with the approval of governor and council*, in the name of the state with and for the benefit of the United States *whenever such execution is required as a condition of receipt of such federal assistance.*

5 Retirement System; Definition of Employee. Amend RSA 100-A:1, V to read as follows:

V. "Employee" shall mean any regular classified or unclassified officer or employee of the state or any department, commission, institution or agency of the state government by which an employee is paid through the office of the state treasurer, or employees of the general court who work on a full-time basis and are eligible for other state benefits, but whose salary is calculated on a per diem basis or any employee *of the retirement system or* of any of the groups authorized to participate ~~[in the retirement system]~~ under this chapter but excluding any person who is a teacher, permanent policeman, or permanent fireman as defined in this section, or who is a member or attache of the general court or member of the executive council.

6 Retirement System; Administration. Amend RSA 100-A:14, V to read as follows:

V. The board of trustees ~~[may]~~ *shall have the full power to employ and compensate* such classified employees *on such terms* as may be necessary *as charges upon the funds of the retirement system*. It may also engage such actuarial, medical, and like services as may be required to transact the business of the system. The compensation for such special services, and all other expenses of the board necessary, hereto, shall be paid at such rates and in such amounts as the board shall approve.

7 Retirement System; Administrative Cost Assessment. RSA 100-A:14, XIII is repealed and reenacted to read as follows:

XIII. Administrative Cost Assessment. Other provisions of law notwithstanding, the cost of administration of the retirement system as provided in this section shall be a charge upon the funds of the retirement system. The amount of administrative expense recorded monthly by the department of administrative service, division of accounting services, shall be paid to the state treasurer by the board of trustees. The board shall biennially review the administrative expenses for the previous biennium and shall submit in a budget for legislative appropriation, those amounts that the board, in its reasonable discretion, may deem necessary for the efficient operation of the system. Administrative balances accrued prior to June 30, 2001 shall be retained by the retirement system and expended for ongoing operations.

8 Retirement System; Management of Funds. Amend RSA 100-A:15, IV to read as follows:

IV. The board of trustees is authorized to engage the services of legal counsel for special investment, federal, and tax matters and ~~[with the approval of the attorney general;]~~ to engage outside counsel for other matters. The payment for services provided in this paragraph shall be a charge upon the funds of the New Hampshire retirement system.

9 Retirement System; Executive Director. Amend RSA 100-A:44 to read as follows:

100-A:44 Appointment; Removal. The board of trustees of the retirement system shall *have the full power to appoint and compensate* an executive director ~~[who shall hold office during good behavior. The board may remove the executive director for cause] to perform such duties on such terms as it may require.~~

10 Executive Director Salary; Director of Finance. Amend RSA 100-A:47 and 47-a to read as follows:

100-A:47 Salary. The annual salary of the executive director shall be ~~[that prescribed by RSA 94:1-a]~~ *set at such rates as the board of trustees may deem necessary to attract and retain a suitably qualified individual.*

100-A:47-a Appointment; Duties; and Compensation. The executive director of the retirement system shall nominate a director of finance for appointment by the board of trustees. The director of finance shall assist the board of trustees in the management of retirement system funds. The director of finance shall report directly to the board of trustees or to a person or persons designated by the board and shall serve at their pleasure. The director of finance shall be qualified to hold the position by reason of education and experience. The annual salary for the director of finance shall be ~~[that prescribed by RSA 94:1-a, 1, Group M]~~ *set at such rates as the board of trustees may deem necessary in order to attract and retain a suitably qualified individual.*

11 New Hampshire Retirement System; Payment by Retirement System-Group I; Amend RSA 100-A:52-a to read as follows:

100-A:52-a Payment by Retirement System; Group I ~~[Teachers and Political Subdivision Employees]~~.

I. The New Hampshire retirement system shall pay the cost for permanent group hospitalization, hospital medical care, surgical care, and other medical and surgical benefits, in the employer-sponsored plan provided for active employees of a retiree's former employer, subject to the provisions of this section, for the following persons:

(a) Any person, who has at least 20 years of creditable service as a group I member if age 60 or older, or at least 30 years of creditable service as a group I member if age 55-59, retired on or before July 1, 2004 as a group I ~~[teacher member or political subdivision employee]~~ member of the New Hampshire retirement system on service or ordinary disability retirement, provided that such person shall be entitled to retirement on the basis of group I creditable service, or any person retired on or before July 1, 2004, as a group I member whose service retirement benefit is based upon the provisions of RSA 100-A:19-c and who has a minimum of 20 years of creditable service as a group I member.

(b) Any person who has completed no less than 20 years of group I creditable service, but who for reasons other than retirement or death ceased to be a group I ~~[teacher member or political subdivision employee]~~ member prior to attaining the age of 60, and who, as of July 1, 2004, receives a vested deferred retirement allowance and who subsequently attains the age of 60.

(c) Any person who has completed no less than 20 years of group I creditable service and who retired as a group I ~~[teacher member or political subdivision employee]~~ member prior to age 60, and who subsequently attains the age of 60, or any person who has completed no less than 30 years of group I creditable service and who retired as a group I ~~[teacher member or political subdivision employee]~~ member prior to age 55, and who subsequently attains the age of 55.

(d) The surviving spouse of a deceased retired group I teacher member or political subdivision employee member who met the qualifications of subparagraphs (a), (b) or (c), or of a deceased member who died while in service as a group I teacher member or political subdivision employee member, provided that such surviving spouse was covered as the member's spouse in the employer-sponsored plan before the member's death and is entitled to a monthly allowance under RSA 100-A:8, 100-A:9, or 100-A:13.

(e) Any certifiably dependent child with a disability living in the household and being cared for by the qualified retired member, the member's spouse, or the qualified surviving spouse.

(f) The surviving spouse and children of a deceased ~~[teacher or]~~ group I ~~[political subdivision employee]~~ member who dies as the natural and proximate result of injuries suffered while in the performance of duty, provided that:

(1) Any such child shall be qualified under this subparagraph only if under 18 years of age, or under 23 years of age if attending school on a full-time basis; and

(2) Such surviving spouse shall cease to be qualified upon the remarriage of the surviving spouse; and

(3) No surviving spouse or child shall be qualified or continue to be qualified under this subparagraph while receiving or eligible to receive medical insurance or health care benefits from any employer's sponsored plan.

(g) Any group I [~~teacher member or political subdivision employee~~] member retired on or before July 1, 2004 on disability retirement as the natural and proximate result of injuries suffered while in the performance of duty.

(h) The spouse of a qualified retiree.

I-a. Notwithstanding the provision of RSA 100-A:4, III-b, for the purpose of calculating creditable service for eligibility for medical benefits payment under paragraph I, each full year of job-sharing service of a teacher in a job-sharing position shall be calculated at 1/2[;] of one year of such service credit.

II. However, for the fiscal year beginning July 1, 2000, the maximum amount payable by the retirement system under this subdivision on account of each person qualified under paragraph I who is not entitled to medicare benefits, and on account of each person qualified under paragraph I who is entitled to medicare benefits, shall be the same as the amount provided in RSA 100-A:52, II for group II retirees. As of July 1, 2000 and on each July 1 thereafter, the maximum amount payable by the retirement system as provided in this paragraph shall be increased by 8 percent, compounded on previous increases.

III. In the case of group I members retired from employment by political subdivisions of the state, the amount payable by the retirement system on account of qualified persons shall be paid over to the employer, insurer, or health care administrator and used to pay for all or part of the medical benefits provided through the former employer for qualified persons. If the cost of the premium for any eligible person under paragraph I shall exceed the maximum under paragraph II, and the employer does not elect to pay the excess cost, the excess cost shall be paid by the retiree or qualified surviving spouse and may be deducted from retirement benefits as provided in RSA 100-A:51. The employer may require, as a condition for coverage, that the retiree or surviving spouse apply for deduction of such excess cost from retirement benefits as provided in RSA 100-A:51.

III-a. As of January 1, 2002, in the case of group I members retired from state employment before July 1, 1991, and their beneficiaries who are eligible for coverage under this subdivision and also under the provisions of RSA 21-I:26-36, the amount payable by the retirement system on account of such persons shall be paid over to the state and used to pay for all or part of the medical benefits provided under RSA 21-I:26-36 for such persons, and the balance shall be paid by the state as provided in RSA 21-I:26-36.

III-b. As of January 1, 2002, in the case of group I members retired from state employment on or after July 1, 1991, and their beneficiaries who are eligible for coverage under this subdivision and also under the provisions of RSA 21-I:26-36, the amount payable by the retirement system on account of such persons shall be paid over to the state and used to pay for all or part of the medical benefits provided under RSA 21-I:26-36 for such persons, and the state shall pay its portion as provided in RSA 21-I:26-36. If the cost of the premium for any retired group I member and spouse, surviving spouse, or any other person entitled to benefits under paragraph I shall exceed the maximum under paragraph II, and the state does not elect to pay the excess cost above the amount to be paid under RSA 21-I:26-36, the excess cost shall be paid by the retiree or qualified surviving spouse and may be deducted from retirement benefits as provided in RSA 100-A:51. The state may require, as a condition for coverage, that the retiree or surviving spouse apply for deduction of such excess cost from retirement benefits as provided in RSA 100-A:51.

IV. There shall be no age limit to participate in the employer sponsored medical and health plan provided in paragraph I, and there shall be no physical examination or health statement required for such coverage, provided, however, that if an eligible retired group I [~~teacher member or political subdivision employee~~] member of the retirement system fails to apply for such coverage within the time required by the insurance contract, the insurer may require satisfactory evidence of insurability as a condition for becoming insured.

V. Any group I teacher member retired before January 1, 2000, or other eligible person under paragraph I, who would have been eligible for medical benefits under this section if this section had been in effect on the member's date of retirement, shall have the option of re-joining the medical or health plan sponsored by the retired member's former employer and of receiving benefits under this section, provided that such eligible person shall apply to the employer for such benefits before January 1, 2002. Upon receipt of such application, the former employer shall enroll such retiree or other eligible person in the employer's plan in the same manner and subject to the same conditions as enrollment of a new employee but without any benefit-waiting period which may be applicable to new employees of that employer. Neither an employer nor an employer's group plan or insurer shall be liable for any claims incurred prior to the date of enrollment under this paragraph.

VI. Any group I political subdivision employee member retired before January 1, 2001, or other eligible person under paragraph I, who would have been eligible for medical benefits under this section if this section had been in effect on the member's date of retirement, shall have the option of re-joining the medical or health plan sponsored by the retired member's former employer and of receiving benefits under this section, provided that such eligible person shall apply to the employer for such benefits before January 1, 2003. Upon receipt of such application, the former employer shall enroll such retiree or other eligible person in the employer's plan in the same manner and subject to the same conditions as enrollment of a new employee but without any benefit-waiting period which may be applicable to new employees of that employer. Neither an employer nor an employer's group plan or insurer shall be liable for any claims incurred prior to the date of enrollment under this paragraph.

VII. The retirement system shall notify all group I teacher and political subdivision employee retirees and surviving spouse beneficiaries, who are currently drawing monthly allowances from the retirement system, of their possible right to re-join and active-employee medical insurance or health plan and to receive benefits under this section.

VIII. Any person who is eligible to receive group insurance or other medical benefits under the provisions of this section, but who does not need and who declines such benefits because they would be duplicative of coverage under any employer-sponsored plan, shall nevertheless continue to be eligible and, upon ceasing to be eligible for the other coverage, shall be permitted to receive the benefits allowable under this section without any waiting period.

12 New Section; New Hampshire Retirement System; Method of Financing; Group I State Employees. Amend RSA 100-A by inserting after section 53-c the following new section:

100-A:53-d Method of Financing; Group I State Employees.

I. The benefits provided under RSA 100-A:52-a shall be provided by a 401(h) subtrust of the New Hampshire retirement system. The 401(h) subtrust shall be funded by allocating 25 percent of future group I state employer contributions made for group I state employees in accordance with RSA 100-A:16 to the subtrust until such time as the benefits are fully funded. Thereafter, the subtrust shall receive only that portion of each year's contribution as is necessary to keep the benefits fully funded.

II. All contributions made to the retirement system to provide medical benefits under RSA 100-A:52-a shall be maintained in a separate account, the 401(h) subtrust. All funds and accumulated interest shall not be used for or diverted to any purpose other than to provide said medical benefits. Similarly, none of the funds accumulated to provide the retirement benefits set forth in this chapter may be used or diverted to provide medical benefits under RSA 100-A:52-a. The funds, if any, providing medical benefits under RSA 100-A:52-a may be invested pursuant to the provisions of RSA 100-A:15.

13 New Paragraph; New Hampshire Retirement System; Medical Benefits; Application. Amend RSA 100-A:55 by inserting after paragraph I-b the following new paragraph:

I-c. It is the intent of the legislature that future group I state employee members eligible after July 1, 2004 shall be included under the provisions of RSA 100-A:52-a only if the total cost of such inclusion can be terminally funded from the special account established in RSA 100-A:16, II (h).

14 Defense and Indemnification. Amend RSA 99-D:2 to read as follows:

99-D:2 Defense and Indemnification. If any claim is made or any civil action is commenced against a present or former officer, trustee, official, or employee of the state or any agency thereof, including members of the New Hampshire national guard and any justice of the district, municipal, probate, superior, or supreme court, or the clerks or bail commissioners thereof, or any harbor master appointed by the New Hampshire port authority, or officials and employees of the New Hampshire

housing finance authority, or directors, officers, and employees of the Pease development authority, *or directors, officers, and employees of the land and community heritage investment authority* seeking equitable relief or claiming damages for the negligent or wrongful acts and the officer, trustee, official, or employee requests the state to provide representation for him *or her*, and the attorney general, or, in the case of a claim or civil action commenced against the attorney general, the governor and council, determines that the acts complained of were committed by the officer, trustee, official, or employee while acting within the scope of official duty for the state and that such acts were not wanton or reckless, the attorney general shall represent and defend such person with respect to such claim or throughout such action, or shall retain outside counsel to represent or defend such person, and the state shall defray all costs of such representation or **defense**, to be paid from funds not otherwise appropriated. In such case the state shall also protect, indemnify, and hold harmless such person from any costs, damages, awards, judgments, or settlements arising from the claim or suit. The attorney general or governor and council shall not be required to consider the request of such person that representation be provided for him *or her* unless within 7 days of the time such person is served with any summons, complaint, process, notice, demand, or pleading ~~he~~ **the person** shall deliver the original or a copy thereof to the attorney general or, in the case of an action against the attorney general, to the governor and council. As a condition to the continued representation by the attorney general and to the obligation of the state to indemnify and hold harmless, such officer, trustee, official, or employee shall cooperate with the attorney general in the **defense** of such claim or civil action. No property either real or personal of the state of New Hampshire shall be subject to attachment or execution to secure payment of or to satisfy any obligations of the state created under this chapter. Upon the entry of final judgment in any action brought under this chapter, the governor shall draw ~~his~~ **a** warrant for said payment out of any money in the treasury not otherwise appropriated, and said sums are hereby appropriated. The attorney general shall have the authority to settle any claim brought under this chapter by compromise and the amount of any such settlement shall be paid as if the amount were awarded as a judgment under this chapter. **Indemnification** by the state under this section shall be for the actual amount of costs, damages, awards, judgments, or settlements personally incurred by any such officer, trustee, official, or employee, and the state shall not pay any amounts for which payment is the obligation of any insurance carrier or company under a policy or policies of insurance or any other third party under a similar obligation.

15 New Subparagraphs; Additional Powers and Duties. Amend RSA 227-M:5, VIII by inserting after subparagraph (c) the following new subparagraphs:

(d) Employ or retain as independent contractors architects, engineers, attorneys, accountants, and other advisors and employees, consultants, and agents as may be necessary in its judgment without regard to any personnel or civil service law of the state to prescribe their duties and qualifications and to fix and pay their compensation if any.

(e) Appoint qualified individuals to serve as unpaid volunteers under such terms and conditions as it deems necessary. Said volunteers or advisors may be paid a stipend and/or reimbursed for any incidental expenses determined by the authority to be necessary and incurred while performing the business of the authority.

16 New Section; Administrative Fund Established. Amend RSA 227-M by inserting after section 7 the following new section:

227-M:7-a Administrative Fund.

I. There is established in the office of the state treasurer a fund to be known as the land and community heritage investment program administrative fund into which the state treasurer shall credit any revenue generated pursuant to RSA 261:97-b, I-a. For the biennium ending June 30, 2003 there shall also be deposited, on a monthly basis, interest income generated on appropriations made to the land and community heritage investment program trust fund pursuant to RSA 227-M:7. If the revenues generated to the administrative fund from these two sources for said biennium do not total \$335,000 during each year of the biennium, then, on or after the first day of the last month of the fiscal year, the treasurer shall be authorized to credit the administrative fund from the principal of the trust fund, not to exceed this total.

II. All sums so credited shall be appropriated to the authority for the following purposes:

(a) To pay the costs of administering and operating the authority, including, but not limited to, all wages, salaries, benefits, and other expenses authorized by the board or the executive director. The authority may enter into a contract or agreement for provision of services to withhold on a monthly basis all payroll and benefit costs for employees.

(b) In general for the payment of all expenses incident to the management and operation of the authority as are consistent with its statutory purpose and as the board or the executive director thereof may from time to time determine.

III. This fund shall constitute a continuing appropriation for the benefit of the authority. Any amount remaining to the credit of the authority at the close of any fiscal year, and any interest accrued, shall be nonlapsing and shall be carried over and credited to the fund for the succeeding year.

17 New Section; Land and Community Heritage Investment Program; Authority Employees. Amend RSA 227-M by inserting after section 6 the following new section:

227-M:6-a Status of Employees.

I. The authority may hire, fix and pay compensation, prescribe duties and qualifications, and establish personnel policies without regard to any personnel or civil service law or personnel or civil service rule of the state. The employees of the authority shall not be classified employees of the state within the meaning of RSA 21-I:49. Any individual employed by the authority shall be deemed an employee at will and shall serve at the pleasure of the authority.

II. Notwithstanding the provisions of paragraph I, any individual employed by the authority whose employment calls for 30 hours or more work in a normal calendar week, and whose position is anticipated to have a duration of 6 months or more, shall be entitled to elect to receive such health, dental, life insurance, deferred compensation, and retirement benefits as are afforded to classified employees of the state provided, however, that the election is made in writing within 30 days of the start of employment. Upon election by such individual, the authority shall pay from its revenues the state's share of such benefits. Any remaining costs of health, dental, life insurance, deferred compensation, and retirement benefits which an individual elects to receive pursuant to this section, shall be withheld from such individual's salary as a payroll deduction. Written notice of the availability of these benefit options shall be provided to each individual upon employment by the authority.

18 Department of Resources and Economic Development; Telecommunications Planning and Development Initiative; Initial Funding; Appropriation Nonlapsing. Amend 2000, 298:5 by inserting after paragraph IV the following new paragraph:

V. The initial funding mechanism and the appropriation made pursuant to this section shall not lapse until June 30, 2002.

19 Authority to Fill Unfunded Positions; Department of Health and Human Services. Notwithstanding any other provision of law, the commissioner of the department of health and human services may fill any authorized unfunded positions during the biennium ending June 30, 2003, provided that the total expenditures shall not exceed the amount appropriated for personal services, permanent and personal services, unclassified.

20 Certain Tobacco Use Prevention Fund Moneys; General Fund. Notwithstanding any provision of law to the contrary, \$1,500,000 from the tobacco use prevention fund, established in RSA 126-K:15, shall lapse to the general fund on July 1, 2001.

21 Effective Date.

I. Sections 11 and 12 of this act shall take effect 60 days after its passage.

II. Section 13 of this act shall take effect January 1, 2002.

III. Section 18 of this act shall take effect June 30, 2001.

IV. The remainder of this act shall take effect July 1, 2001.

AMENDED ANALYSIS

This bill:

I. Establishes a travel and tourism development fund.

II. Requires that acceptance and expenditures of federal aid and any other non-state funds in excess of \$100,000 be approved by the joint legislative fiscal committee.

III. Provides for the costs of administration of the retirement system to be a charge upon retirement system funds.

IV. Provides for the method of funding payments for certain group I members of the New Hampshire retirement system.

V. Establishes an administrative fund for the land and community heritage investment authority and adds certain powers and duties of the authority.

VI. Provides that the initial funding mechanism and appropriation for the telecommunications planning and development initiative shall not lapse until June 30, 2002.

VII. Permits the commissioner of the department of health and human services to fill authorized unfunded positions.

VIII. Requires that \$1,500,000 from the tobacco use prevention fund lapse to the general fund. The question now being the adoption of the majority amendment.

Adopted.

Rep. Carol Moore offered the minority amendment (0910h).

Minority Amendment (0910h)

Amend the bill by deleting section 20 and renumbering the original section 21 to read as 20.

AMENDED ANALYSIS

This bill:

I. Establishes a travel and tourism development fund.

II. Requires that acceptance and expenditures of federal aid and any other non-state funds in excess of \$100,000 be approved by the joint legislative fiscal committee.

III. Provides for the costs of administration of the retirement system to be a charge upon retirement system funds.

IV. Provides for the method of funding payments for certain group I members of the New Hampshire retirement system.

V. Establishes an administrative fund for the land and community heritage investment authority and adds certain powers and duties of the authority.

VI. Provides that the initial funding mechanism and appropriation for the telecommunications planning and development initiative shall not lapse until June 30, 2002.

VII. Permits the commissioner of the department of health and human services to fill authorized unfunded positions.

Rep. Carol Moore spoke in favor.

Rep. Emerton spoke against and yielded to questions.

Rep. Manning requested a roll call; sufficiently seconded.

The question being adoption of the minority amendment(0910h).

and the minority amendment failed.

Rep. Kurk yielded to questions.

The question being adoption of the report.

On division vote, 244 members having voted in the affirmative and 141 in the negative, the report was adopted.

Ordered to third reading.

HB 25-FN-A, making appropriations for capital improvements. OUGHT TO PASS WITH AMENDMENT

Rep. Kenneth L. Weyler for Finance: This is the capital appropriations budget. It represents bonded and long-term commitments for construction and repair as well as high-priced equipment with useful applications of eight years or more. Finance Committee supported the majority of the report as it came to us from the Committee on Public Works and Highways. Subsequent developments in the legislative process allowed the Finance Committee to make the following changes:

1. Anticipated new revenue to the unrestricted general fund revenue allowed us to add approximately \$5 million to the general fund bonding. 2. Nashua Vocational Center, the oldest vocational high school: \$4.5 million for equipment. 3. Health and Human Services: \$495,000 for laboratory equipment, funds moved from operating budget 4. Department of Safety: Dormitory and class rooms at Fire Standards and Training Academy to support federal grant for multi-state aviation fire fighting. Funds for the bond will not be from the general fund but will be from revenue generated by rent and additional revenue identified in HB 218 and HB 303, with a contingency statement should those bills be altered. The Committee understood that there were ongoing negotiations relative to the University System section. At the time of our deliberations there was no final agreement. We anticipate a floor amendment. Vote 20-0.

Amendment (0901h)

Amend the bill by replacing all after the enacting clause with the following:

1 Capital Appropriations. The sums hereinafter detailed are hereby appropriated for the projects specified to the departments, agencies, and branches named:

I. Adjutant General.

A. Armory Renovations - Statewide	\$ 400,000
B. Reroofing Plymouth and Franklin Armories and SMR building "F"	210,000
C. Army Aviation Support Facility Construction - Concord	30,600,000
Less Federal	- 30,600,000
Net state appropriation subparagraph C	0
D. NHSVC Administration Building	514,000
Less Federal	- 514,000
Net state appropriation subparagraph D	0

Total state appropriation section 1	\$ 55,543,200

* The bonds issued for these projects shall be 5 year bonds.

2 Appropriation; University System of New Hampshire.

I. The general court intends to appropriate a total of \$100,000,000 during the bienniums ending June 30, 2003, June 30, 2005, and June 30, 2007 to fund capital improvement projects at the university system of New Hampshire. The legislature intends to appropriate \$33,000,000 for the biennium ending June 30, 2005; and \$33,000,000 for the biennium ending June 30, 2007.

II. The sums hereinafter detailed are hereby appropriated for the projects specified:

A. Murkland Hall renovation	\$ 8,500,000
B. Mason Library renovation	\$ 4,600,000
C. Boyd Hall renovation and expansion	\$ 16,000,000
D. Kingsbury Hall design	\$ 3,000,000
E. NHPTV equipment	\$ 1,900,000
Total state appropriation section 2	\$ 34,000,000

III. Requests by the university system of New Hampshire submitted in the capital budget request in accordance with RSA 9 for the bienniums ending June 30, 2005 and June 30, 2007 shall specify which projects the university system intends to include in the \$33,000,000 to be appropriated for that biennium.

3 Appropriation; Fish and Game Department. The sums hereinafter detailed are hereby appropriated for the projects specified:

A. Statewide Fish Hatchery Capital Improvement Study	\$ 200,000
Total state appropriation section 3	\$ 200,000

4 Appropriation; Department of Safety and Department of Transportation. The sums hereinafter detailed are hereby appropriated for the projects specified:

I. Department Of Safety.

A. Hayes Building Sprinkler System	\$ 424,500
B. Radio System - County Tie-in	1,000,000
Total state appropriation paragraph I	\$ 1,424,500

II. Department Of Transportation.

A. Security & Building Modifications - Traffic	\$ 626,000
B. Energy/Environmental Renovations/Replacements and Emergency Repairs - Statewide	1,000,000
C. Replacement of Shop Cranes - Mechanical Services - Statewide	407,000
D. New Garage & Testing Lab Facility	\$ 18,423,000
Less Other (Sale of existing garage)	- 4,000,000
Net state appropriation subparagraph D	14,423,000
Total state appropriation paragraph II	\$ 16,456,000
Total state appropriation section 4	\$ 17,880,500

5 Expenditures: General. The appropriation made for the purpose mentioned in sections 1, 3, and 4 and the sums available for those projects shall be expended by the trustees, commissions, commissioner, or department head of the institutions and departments referred to herein; provided that all contracts and projects and plans and specifications therefor shall be awarded in accordance with the provisions of RSA 228.

6 Expenditures: University System of New Hampshire.

I. The appropriations made for the purposes mentioned in section 2 and the sums available for these projects shall be expended by the trustees of the university system of New Hampshire. All

contracts for the construction of all or any part of said buildings or facilities shall be let only after competitive sealed bids have been received and only after an advertisement calling for such bids has been published at least once in each of 2 successive calendar weeks in a newspaper of general circulation in New Hampshire or in a trade journal known to be circulated among the contractors from whom bids will be sought with the state of New Hampshire or elsewhere in the area. The first publication of such advertisement shall be not less 30 days prior to the date the bids will be received. All conditions considered, wherever possible, it is recommended that the services of New Hampshire architectural and construction firms be considered within the discretion of the trustees.

II. The appropriations made in section 2 are available for all costs incidental to the completion of the projects enumerated including the costs of the services of architects, engineers, and other consultants of such kind and capacity as the university system board of trustees, in its discretion, may wish to employ on such terms and conditions as the board determines. These moneys shall be spent under the direction of the university system board of trustees and subject to the provisions of section 13 of this act.

III. If, in the judgment of the trustees of the university system, just cause exists indicating the lowest bid should be rejected, then the contract may be awarded to the next lowest bidder; or, if the next lowest bid should be rejected, the contract may be awarded to the third lowest bidder.

IV. The board of trustees of the university system has the right to reject any and all bids and, if the lowest bid is in excess of the appropriation, the board has the right to negotiate with the low bidder or with the 3 lowest bidders for a contract for the construction upon terms considered most advantageous to the university. If only one bid is received, the board of trustees may negotiate a contract for the construction on terms considered most advantageous to the university system and to the state. Any authorization contained in this act which is at variance with the requirements of applicable federal law and regulations shall be controlled by the terms of the federal law and regulations.

7 Land Acquisition. Any land acquired under the appropriations made in sections 1, 3, and 4 of this act, except such land, if any, as may be acquired under the appropriation for the department of environmental services, shall be purchased by the commissioner of the department of transportation with the approval of governor and council.

8 Bond Authorized. To provide funds for the total of the appropriations of state funds made in sections 1, 2, 3, and 4 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$107,623,700 and for said purposes may issue bonds and notes in the names and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A.

9 Payments.

I. The payment of principal and interest on bonds and notes issued for the projects in sections 1 and 2 shall be made when due from the general funds in the state.

II. The payment of principal and interest on bonds issued for the projects in:

(a) Section 3 shall be made from the fish and game fund.

(b) Section 4 shall be made from the highway fund.

10 Powers of Governor and Council. The governor and council are hereby authorized and empowered:

I. To cooperate with and enter into such agreements with the federal government, or any agency thereof, as they may deem advisable, to secure federal funds for the purposes hereof.

II. To accept any federal funds which are, or become available for any project under sections 1, 3, and 4 beyond the estimated amounts. The net appropriation of state funds for any project for which such additional federal funds are accepted shall be reduced by the amount of such additional funds, and the amount of bonding authorized by section 8 shall be reduced by the same amount.

11 Transfers. The individual project appropriations provided in sections 1, 2, 3, and 4 of this act shall not be transferred or expended for any other purposes; provided that if there is a balance remaining after an individual project, which is fully funded by state funds, is completed, accepted, and final payment made, said balance or any part thereof may be transferred by governor and council, or for expenditures made pursuant to section 6 by the trustees of the university system, to any other individual project or projects, which are also fully funded by state funds, within the same section and from the same funding source, provided that prior approval of the capital budget overview committee is obtained.

12 Reduction of Appropriation and Bonding Authority. If the net appropriation of state funds for any project provided for by sections 1, 3 and 4 is determined on the basis of an estimate of anticipated federal, local, or other funds, and if the amount of such funds actually received or available is less than said estimate, then the total authorized cost for such projects and the net appropriation of state funds thereof shall be reduced by the same proportion as the proportion by which federal, local, or other funds are reduced. The amount of bonding authorized by section 8 shall be reduced by the amount that the appropriation of state funds is reduced pursuant to this section.

13 Oversight and Reporting Required; University System. The legislative budget assistant shall provide a report every 90 days to the governor and legislative capital budget overview committee on the progress of each of the capital projects funded from the sum appropriated and authorized in section 2 beginning September 30, 2001 until the funds appropriated in section 2 are fully expended. Said reports shall include the method of selecting contractors, the current total project cost, funds encumbered, actual expenditures, and estimated completion date for each project. The board of trustees of the university system of New Hampshire shall provide information necessary for the reports upon request of the legislative budget assistant.

14 Appropriation; Office of the Legislative Budget Assistant. The sum of \$50,000 for the biennium ending June 30, 2003, is hereby appropriated to the office of the legislative budget assistant for the purpose of preparing the reports required by section 13 of this act. This appropriation shall be in addition to any other sums appropriated to the office of the legislative budget assistant. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

15 Information Technology Equipment and Software. Individual project appropriations for information technology equipment provided for by sections 1, 3, or 4, or for any other agency in any budget bill enacted during the 2001 legislative session, shall not be spent, obligated, or encumbered until such time as the agency's information technology plans are reviewed by the division of information technology management pursuant to RSA 21-I:67 and approved by the capital budget overview committee. The division of information technology management shall review any such agency technology plans within 90 days. An agency may request an extension of time from the capital budget overview committee.

16 Appropriation; Payment of Bonds and Notes; Department of Regional Community-Technical Colleges; Addition to Student Center; Concord.

I. The sum of \$1,500,000 is appropriated to the department of regional community-technical colleges for the purpose of the construction of an addition to the Dr. Goldie Crocker Wellness Center on the Concord campus.

II. To provide funds for the appropriation made in paragraph I the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$1,500,000 and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A. Payments of principal and interest on the bonds and notes shall be made from the technical institute private fund.

17 Appropriation Purpose Amended; Department of Transportation; Salt Sheds; Exeter, Gonic, Moultonborough. Amend 1999, 226:4, I, B to read as follows:

B. [~~Roof repair/~~Stickney Ave.] *Salt Sheds – Exeter Patrol Shed,
Gonic, Moultonborough*

630,000

18 Appropriation; Payment of Bonds and Notes; Department of Safety; Addition to Dormitory; Fire Standards and Training.

I. The sum of \$2,687,400 is appropriated to the department of safety for the purpose of the construction of an addition to the dormitory at the fire standards and training center.

II. To provide funds for the appropriation made in paragraph I the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$2,687,400 and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A. Payments of principal and interest on the bonds and notes shall be made from the fire standards and training and emergency medical services fund.

19 Contingency; Appropriation to Department of Safety. If both HB 303 and HB 218 of the 2001 legislative session do not become law, then section 18 of this act shall not take effect.

20 Lapse Dates Extended to June 30, 2003. The following appropriations are hereby extended to June 30, 2003.

I. The appropriation made to the department of corrections in 1995, 309:1, IV, K, as amended by 1997, 349:29, and as extended by 1997, 349:34, XVII and 1999, 226:32, VIII, for preliminary design of expanded correctional facilities, including land acquisition, in accordance with federal crime bill grants.

II. The appropriation made to the department of corrections in 1998, 223:2, as extended by 1999, 226:32, XLII, for the design and construction of the new medium security prison and for furnishings and equipment for inmates of the new prison.

III. The appropriation made to the department of corrections in 1999, 226:1, V, D, for a new halfway house.

IV. The appropriation made to the department of resources and economic development in 1997, 349:1, X, B, C, as extended by 1999, 226:32, XXXVI, for rocky bend seawall repairs and replacement of the Sunapee bathhouse.

V. The appropriation made to the department of resources and economic development in 1999, 226:1, XII, A, C, D, E, for ADA compliance for parks facilities, new toilet facilities – Hampton, septic gray water system – Mount Washington, and install power – Crawford Notch.

VI. The appropriation made to the department of administrative services in 1999, 226:1, II, A, 1, for Johnson Hall stair tower.

VII. The appropriation made to the department of administrative services in 1995, 309:1, II, A, 1, as extended by 1997, 349:34, XI and 1999, 226:32, V, for health and human services building and laboratory HVAC renovations.

VIII. The appropriation made to the department of administrative services in 1999, 226:1, II, A, 2, for state lab electrical wiring/panel replacement.

IX. The appropriation made to the department of administrative services in 1999, 226:1, II, A, 4, for health and human services flash and recoat stair tower.

X. The appropriation made to the department of administrative services in 2000, 283:2, for renovation to the Walker building.

XI. The appropriation made to the department of administrative services in 1997, 349:1, II, A, 3, as extended by 1999, 226:32, XIX, for roof repairs – Supreme Court.

XII. The appropriation made to the department of administrative services in 1997, 349:1, II, A, 12, as extended by 1999, 226:32, XXII, for emergency repairs, contingency fund.

XIII. The appropriation made to the department of administrative services in 1997, 349:1, II, A, 13, as extended by 1999, 226:32, XXIII, for the life safety, renovations – health and human services building.

XIV. The appropriation made to the department of administrative services in 1999, 226:1, II, A, 8, for executive/legislative budget system.

XV. The appropriation made to the department of administrative services, bureau of court facilities in 1993, 359:1, II, B, 2, as extended by 1994, 171:1, 1996, 257:5 and 1998, 226:4, and as amended by 2000, 283:4, for the Plaistow district court.

XVI. The appropriation made to the department of administrative services in 1995, 309:1, II, B, 3, as amended by 1997, 349:34, XIV, and as extended by 1999, 226:32, VI, for the study and design of court facility on county donated land – Carroll County Superior Court.

XVII. The appropriation made to the department of administrative services in 1997, 349:1, II, C, 1, as extended by 1999, 226:32, XXV, for the bureau of court facilities Dover/Durham/Somersworth District Court.

XVIII. The appropriation made to the department of administrative services in 1999, 226:1, II, A, 9, for information technology plan consultants.

XIX. The appropriation made to the department of safety in 1999, 226:4, II, A, as amended by 2000, 132:2, for design and construct troop D barracks/DMC training.

XX. The appropriation made to the department of safety in 1999, 226:4, II, D, for carpeting at 10 Hazen Drive, Concord

XXI. The appropriation made to the department of safety in 1999, 226:4, II, B, for paving and roof replacement at troop stations.

XXII. The appropriation made to the department of education in 1999, 226:1, VI, A, for computer applications expansion/replacement.

XXIII. The appropriation made to the department of transportation in 1993, 359:1, XII, A, 1, as extended by 1994, 171:1, 1996, 215:3, III, 1997, 349:34, X and 1999, 226:32, IV, for land acquisition for navigation beacons.

XXIV. The appropriation made to the department of transportation in 1997, 349:1, XIV, A, as extended by 1999, 226:32, XXXVII, for 5-10 percent match FAA airport projects.

XXV. The appropriation made to the department of transportation in 1999, 226:1, XIII, A, for match for FAA projects.

XXVI. The appropriation made to the department of transportation in 1999, 226:1, XIII, B, for match for public transit bus replacement.

XXVII. The appropriation made to the department of transportation in 1999, 226:1, XIII, C, for acquisition for railroad and airport properties.

XXVIII. The appropriation made to the department of transportation in 1999, 226:1, XIII, E, for compliance, governor's commission on disability.

XXIX. The appropriation made to the department of transportation in 1999, 226:4, I, E, for energy and environmental renovations-statewide.

XXX. The appropriation made to the department of transportation in 1999, 226:4, I, F, for Conway rest area.

XXXI. The appropriation made to the department of transportation in 1999, 226:1, XIII, D for the Concord rail bridge.

XXXII. The appropriation made to the department of transportation in 1999, 226:4, I, B, as amended by section 17 of this act, for salt sheds - Exeter patrol shed, Gonic, Moultonborough.

XXXIII. The appropriation made to the department of health and human services in 1995, 309:1, VII, B, I, as extended by 1997, 349:34, XXIII and 1999, 226:32, XI, for RSA 171-B mentally retarded criminal offenders.

XXXIV. The appropriation made to the department of health and human service by 1995, 310:191, as amended by 1997, 349:31 and 1998, 276:2, as extended by 1997, 349:34, XXXVII and 1998, 276:3, and as amended by 1999, 226:29 and extended by 1999, 226:32, XVI for design and renovation of APS-B-wing, M and S building and Thayer building improvements, Glencliff home improvements, and improvements to the Brown building.

XXXV. The appropriation made to the department of health and human services in 1999, 226:1, VIII, A for laboratory safety improvements.

XXXVI. The appropriation made to the department of health and human services in 1999, 226:1, VIII, F for Laconia developmental services campus-designated receiving facility renovations-developmental services.

XXXVII. The appropriation made to the department of health and human services in 1999, 226:1, VIII, H for information technology.

XXXVIII. The appropriation made to the New Hampshire port authority in 1999, 226:1, XI, A, for building improvements.

XXXIX. The appropriation made to the New Hampshire veterans' home in 1999, 226:1, XIV, A, to design and build a new facility.

XL. The appropriation made to the adjutant general in 1999, 226:1, I, C, for renovation of state armories.

XLI. The appropriation made to the community technical college system in 1999, 226:1, IV, C, for maintenance/critical repairs.

XLII. The appropriation made to the community technical college system in 1999, 226:1, IV, D, for general science laboratory upgrades.

XLIII. The appropriation made to the department of environmental services in 1999, 226:1, VII, D, for storage building for emergency response equipment.

XLIV. The appropriation made to the department of environmental services in 1989, 367:1, IV, A, 1, as extended by 1991, 351:27, II(g), 1992, 149:2, I, 1993, 359:20, I, and 1995, 309:33, 1 for upgrading state-owned flood retardation structures at small watershed program sites.

XLV. The appropriation made to the department of environmental services in 1995, 309:1, VI, C, as extended by 1997, 349:34, XXI, for superfund program.

XLVI. The appropriation made to the department of environmental services in 1995, 309:1, VI, A as extended by 1997, 349:34, XIX and 1999, 226:32, X, for the state revolving fund program - wastewater.

XLVII. The appropriation made to the department of environmental services in 1997, 349:1, VI, A and 1999, 226:32, XXIX, for the wastewater state revolving fund match.

XLVIII. The appropriation made to the department of environmental services in 1997, 349:1, VI, B and 1999, 226:32, XXX, for the drinking water state revolving fund match.

XLIX. The appropriation made to the department of environmental services in 1997, 349:1, VI, F and 1999, 226:32, XXXII, for dam removal.

L. The appropriation made to the department of environmental services in 1999, 226:1, VII, A, for drinking water state revolving fund match.

LI. The appropriation made to the department of environmental services in 1999, 226:1, VII, B, for wastewater state revolving fund match.

LII. The appropriation made to the department of environmental services in 1999, 226:1, VII, C, for hazardous waste superfund match.

LIII. The appropriation made to the department of environmental services in 1999, 226:1, VII, H, for Winnepesaukee operations model.

LIV. The appropriation made to the department of health and human services in 1999, 226:1, VIII, F, for Laconia developmental services campus-designated receiving facility renovations-developmental services.

21 Contingency; Department of Transportation. Section 17 of this act and paragraph XXXII of section 20 of this act shall only take effect if the 2001 capital budget includes the appropriation to the department of transportation for a new garage and testing lab facility, as provided in paragraph II, D of section 4 of this act.

22 Effective Date.

I. Section 20 of this act shall take effect June 30, 2001.

II. Section 18 of this act shall take effect as provided in section 19 of this act.

III. The remainder of this act shall take effect on July 1, 2001.

Adopted.

Rep. Jeb Bradley offered a floor amendment (0952h).

Floor Amendment (0952h)

Amend the bill by replacing section 2 with the following:

2 Appropriation; University System of New Hampshire Projects.

I. The Knowledge Economy Education Plan (KEEP NH) documents the need for investment in university system of New Hampshire projects primarily to renovate and expand science, engineering, and technology facilities. A sum of \$100,000,000 is hereby committed to the university system of New Hampshire for KEEP NH, with the first \$37,000,000 appropriated effective July 1, 2001 and the remaining \$63,000,000 appropriated upon approval by the capital budget overview committee. The appropriations are for the following capital projects:

- (a) Murkland Hall renovations (UNH);
- (b) Mason Library renovations (KSC);
- (c) Boyd Hall renovation and expansion (PSC);
- (d) Kingsbury Hall renovation and expansion (UNH);
- (e) Science Building renovation and expansion (KSC);
- (f) Infrastructure work on all campuses (USNH); and
- (g) NHPTV equipment (UNH);

II. The university system board of trustees shall determine the timing of the projects and the specific dollar allocation to each from the sum available under paragraph I while ensuring the respective campus priorities are addressed. The board of trustees shall submit the programs and design development drawings which include cost estimates, design criteria, and square footage requirements for the projects in paragraph I to the capital budget overview committee for its review and approval as soon as possible. The board of trustees has stated that if the capital budget overview committee approval is received within 45 days of submittal then all 5 major facility projects listed in paragraph I(a)-(e) will be completed within the above appropriation. The capital budget overview committee approval is also required for the project in paragraph I(f). The appropriation shall be nonlapsing and in addition to any other appropriation to the university system; provided, however, that the university system shall not receive actual cumulative payments from the state for such purposes of more than:

- (a) \$40,000,000 in the biennium ending June 30, 2003.
- (b) \$70,000,000 through the biennium ending June 30, 2005.
- (c) \$100,000,000 through the biennium ending June 30, 2007.

Amend section 6 of the bill by inserting after paragraph IV the following new paragraph:

V. Notwithstanding paragraphs I, III, and IV, the sums appropriated by section 2, for any of the projects listed in paragraph I of section 2, may be expended and awarded by the trustees of the university system; provided that all contracts for all or any part of the building or facilities shall follow construction management procurement procedures and guidelines. If the trustees select construction management pursuant to this paragraph, paragraphs I, III, and IV shall not apply and the trustees shall retain the right to reject or negotiate following accepted construction management practices.

Amend the bill by replacing section 8 with the following:

8 Bond Authorized.

I. To provide funds for the total of the appropriations of state funds made in sections 1, 3, and 4 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$73,623,700 and for said purposes may issue bonds and notes in the names and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A.

II. To provide funds for the appropriation made in section 2 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$100,000,000 and for said purposes may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A; provided the cumulative bonds or notes shall not be issued in excess of:

- (a) \$40,000,000 in the biennium ending June 30, 2003.
- (b) \$70,000,000 through the biennium ending June 30, 2005.
- (c) \$100,000,000 through the biennium ending June 30, 2007.

Rep. Jeb Bradley spoke in favor.

Floor amendment (0952h) was adopted.

Report adopted and ordered to third reading.

HB 748-FN-A-L, relative to the distribution of aid to pupils eligible for free or reduced-price meals. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Francine Wendelboe for the Majority of Finance: This bill as amended revises the formula used to calculate the cost of an adequate education. The first section changes the part of the formula dealing with targeted aid based on pupils receiving free and reduced-price lunch. It provides for three tiers of targeting, with weights increasing as the proportion of free and reduced-price lunch students increases. This will bring the total amount targeted closer to the level recommended by the consultants to the Adequacy Commission. A "hold harmless" provision insures that no district's grant will be reduced as a result of this change. Another section of the bill puts an inflation cap on the base amount component of the formula. A rolling, three-year average of the northeast consumer price index is the inflation standard. Other sections of the bill make technical changes to account for re-scaled test scores, to eliminate double-counted revenue with respect to transportation reimbursement, and to remove home-schooled pupils from the total pupil count, among others. None of these changes has a significant effect on cost calculation. Vote 12-7.

Rep. Mary Jane Wallner for the Minority of Finance: This bill will cause a reduction in adequate education grants to the districts. This reduction comes at the expense of children in the poorest school districts. The current formula distributes \$57 million on the basis of free and reduced lunch eligibility. The hold harmless provision evaporates when school populations increase and the base cost of adequacy rises. Without the hold harmless provision this bill reduces this targeted spending to less than \$20 million. The minority believes the question should be divided and that section one should be Inexpedient to Legislate.

Majority Amendment (0850h)

Amend the title of the bill by replacing it with the following:

AN ACT revising the definition of an adequate education and revising the weighted pupil formula used to calculate the cost of an adequate education.

Amend the bill by replacing all after the enacting clause with the following:

I School Money; Definition of Weighted Pupil. RSA 198:38, VII (d) is repealed and reenacted to read as follows:

(d) Additional weights based on pupils eligible to receive a free or reduced-price meal shall be calculated by multiplying each municipality's elementary average daily membership in residence by the fraction of the district's pupils eligible to receive a free or reduced-price meal multiplied by:

- (1) If less than 15 percent of the district's pupils are eligible to receive a free or reduced-price meal, zero.
- (2) If at least 15 percent but less than 20 percent of the district's pupils are eligible to receive a free or reduced-price meal, 0.11.
- (3) If at least 20 percent but less than 25 percent of the district's pupils are eligible to receive a free or reduced-price meal, 0.22.
- (4) If 25 percent or more of the district's pupils are eligible to receive a free or reduced-price meal, 0.33.

Nothing in this subparagraph shall result in a decrease in the adequate education grant amount calculated and distributed under RSA 198:40 and 198:41 to a municipality in the fiscal year ending June 30, 2002, or any fiscal year thereafter.

2 School Money; Definitions. Amend RSA 198:38, X to read as follows:

X. "Average daily membership in residence" and "resident pupils" mean the average daily membership in residence as defined in RSA 189:1-d, IV except that no *preschool or* kindergarten pupil shall count as more than 1/2 day attendance per calendar day.

3 School Money; Definitions. Amend RSA 198:38, XI to read as follows:

XI. "Transportation costs" means the costs of transporting pupils to and from school and other school activities reported by school districts on the ~~[MS-25]~~ *DOE-25* form.

4 School Money; Determination of Per Pupil Adequate Education Grants. Amend RSA 198:40, I to read as follows:

I. For the biennium beginning July 1, ~~[1999]~~ *2003*, and every biennium thereafter, the cost per pupil shall be established using the following formula:

(a) The department of education shall calculate the base expenditure per pupil for each school district that operates an elementary school by subtracting from the total expenditures at the elementary school level, tuition to other school districts or approved educational programs, capital costs and debt service on such costs, special education costs, food service costs, transportation costs, adult/continuing education and community services costs, and federal revenues not otherwise deducted. For each school district, this amount shall be divided by the average daily membership in attendance at the elementary school level to attain the base expenditure per pupil.

(b) The adequate education grant amount shall be calculated as follows:

(1) The department of education shall identify those school districts where ~~[40 to 60 percent of the elementary pupils enrolled in the grades tested on the day testing began, achieved a scaled score, in the statewide educational improvement and assessment program administered pursuant to RSA 193-C, in all areas tested, equivalent to performance at the basic level or above],~~ *for each of the 3 previous years, a minimum of 11 pupils were assessed in each subject area of the statewide assessment program administered to pupils in the third and sixth grades. For each grade and year, the department shall determine the average percentage of pupils performing at the basic level or above. The average shall be based on the number of pupils enrolled on the test date. A basic level or above percentage for each district shall be computed using the average of each grade and year. Districts where the 3-year average performance at the basic level or above is between 50 percent and 70 percent shall be selected.*

(2) From the school districts ~~[identified]~~ *selected* in subparagraph I(b)(1) of this section, the department of education shall then identify those school districts that have the lowest base expenditure per pupil as calculated pursuant to subparagraph I(a) and which represent, as nearly as possible, 50 percent of the average daily membership in attendance at the elementary level of the school districts identified in subparagraph I(b)(1) of this section.

(3) The department of education shall calculate ~~[the]~~ *an* average base cost per pupil of an adequate education at the elementary school level by multiplying the base expenditure per pupil of each school district identified in subparagraph I(b)(2) of this section by the average daily membership in attendance at each of the selected school districts, and add the results across all districts selected. This sum shall then be divided by the total average daily membership in attendance at the elementary school level in all of the selected school districts and the result shall be multiplied by .9025.

(4) *The department shall calculate an alternative base cost per pupil by multiplying the base cost per pupil calculated in the immediately preceding biennium by an amount equal to one plus 2 times the average annual rate of inflation taken from the 4 calendar years immediately*

preceding the calendar year in which the calculation in this subparagraph is made. Inflation shall be measured by the northeast consumer price index as published by the United States Department of Labor.

(5) The base cost per pupil for the biennium shall be the lower of the base cost per pupil calculated in subparagraphs I(b)(3) and I(b)(4).

5 School Money; Determination of Per Pupil Adequate Education Grants. Amend RSA 198:40, III to read as follows:

III. For each fiscal year, the statewide cost of an adequate education for all pupils shall be calculated by multiplying the average base per pupil cost of an adequate education *as determined in RSA 198:40, I* by the statewide weighted average daily membership in residence of pupils *as determined in RSA 198:40, II* and then adding 70 percent of total statewide transportation costs *less local transportation revenue*.

6 School Money; Duties of the Department of Education. Amend RSA 198:44, I to read as follows:

I. The department of education shall, on or before September 30 of each year, collect from the school districts final data concerning all aspects of student attendance for the school year ending June 30 of that year necessary to establish the average daily membership, average daily membership in residence, and weighted average daily membership in residence, including the municipality of residence for each pupil for that year. The department of education shall submit a report by December 31 *of each year* to the speaker of the house of representatives and the senate president to be used for purposes of determination by the legislature of the appropriation to the education trust fund. A copy of such report shall, at the same time, be given to the department of revenue administration.

7 School Boards, Teachers; Definitions; Attendance Added. Amend RSA 189:1-d, I to read as follows:

I. *"Attendance" means full-time participation in a program of instruction under the direction of teachers employed by the school district.*

I-a. "Average daily attendance" means the aggregate half-day attendance divided by the number of half-days actually in session for a given school district in a given school year.

8 School Boards, Teachers; Definitions; Average Daily Membership in Residence. Amend RSA 189:1-d, IV to read as follows:

IV. *"Average daily membership in residence" means the average daily membership of students [enrolled] in attendance in public schools within the district or students whose tuition is being paid by the district to another approved public or private school for a given school district in a given school year.*

9 Procedure for Formation of Cooperative School Districts; Apportioning Operating Expenses; Exclusion of Home Education Pupils Deleted. Amend RSA 195:18, III(e) to read as follows:

(e) The method of apportioning the operating expenses of the cooperative school district among the several preexisting districts and the time and manner of payment of such shares. ~~[Home education pupils who do not receive services from the cooperative school district, except an evaluation pursuant to RSA 193-A:6, II shall not be included in the average daily membership relative to apportionment formulas.]~~

10 Procedure for Formation of Cooperative School Districts; Apportioning Capital Expenses; Exclusion of Home Education Pupils Deleted. Amend RSA 195:18, III(g) to read as follows:

(g) The method of apportioning the capital expenses of the cooperative school district among the several preexisting districts, which need not be the same as the method for apportioning operating expenses, and the time and manner of payment of such shares. Capital expenses shall include the costs of acquiring land and buildings for school purposes, including property owned by a preexisting district; the construction, furnishing, and equipping of school buildings and facilities; and the payment of the principal and interest of any indebtedness which is incurred to pay for the same or which is assumed by the cooperative school district. ~~[Home education pupils who do not receive services from the cooperative school district, except an evaluation pursuant to RSA 193-A:6, II, shall not be included in the average daily membership relative to apportionment formulas.]~~

11 Effective Date. This act shall take effect July 1, 2002.

AMENDED ANALYSIS

This bill:

I. Revises the pupil weighting formula used to calculate the cost of an adequate education based on the number of pupils eligible to receive a free or reduced-price lunch.

II. Makes changes to the formula for calculating adequate education grants by using 3 years of statewide assessment program results administered in the third and sixth grades.

III. Defines "attendance" for purposes of determining average daily membership in attendance and average daily membership in residence.

IV. Deletes the home education pupil exclusions from the cooperative school district apportionment of expenses laws.

Rep. Marjorie Smith inquired as to whether the question could be divided.

The Speaker ruled the question was divisible

Rep. Estabrook requested that Section I be divided and spoke against.

Rep. Leone spoke against.

Rep. Cox spoke in favor and yielded to questions.

Rep. Hess spoke in favor.

Rep. Marjorie Smith yielded to questions.

Rep. Herman requested a roll call; sufficiently seconded.

The question being adoption of Section 1 of the majority amendment.

and Section I of the majority amendment was adopted.

The remainder of the majority amendment was adopted.

On a division vote, 214 members having voted in the affirmative and 169 in the negative, the majority report was adopted.

Ordered to third reading.

HB 749-FN-A-L, relative to the transportation cost component in the determination of adequate education grants. **INEXPEDIENT TO LEGISLATE**

Rep. Marjorie K. Smith for Finance: This bill would change the way that the cost of transportation is calculated related to the statewide cost of an adequate education. The school transportation needs of our communities vary significantly depending on whether they are rural, semi-rural or urban. New Hampshire has long valued those differences. The changes called for in this bill would result in an inequitable burden on our towns and cities. Vote 13-8.
Adopted.

HB 767-FN-A-L, establishing the excellence in learning in New Hampshire school funding and improvement program and making an appropriation therefor. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS**

Rep. Neal M. Kurk for the Majority of Finance: This bill was divided by the Speaker into sections that were then referred to the appropriate policy committees. Ways and Means moved Inexpedient to Legislate on all the sections on revenue, and the Education Committee moved Inexpedient to Legislate on the sections on education. The balance of sections remaining for Finance to consider no longer had any application when the other sections as acted on by Ways and Means and Education were removed. Respecting the decisions of the policy committees, Finance came to the only logical conclusion and found the bill Inexpedient to Legislate. Vote 13-7.

Rep. Mary Jane Wallner for the Minority of Finance: HB 767 is comprehensive legislation that provides the sustainable funding necessary to meet our constitutional obligation to provide an adequate education for every child, reduces existing taxes, and sets us on a course toward educational excellence by setting rigorous performance standards for schools and through a model early literacy and reading initiative. HB 767 lowers the statewide property tax rate down to \$4.90, cuts the business enterprise tax in half, reduces the interest and dividends tax by 10 percent, and repeals the legacies and succession tax. HB 767 provides additional property tax relief to low and moderate income homeowners through a sliding scale homestead rebate on the state property tax. The 2.5 percent sales tax in HB 767 is half the rate of our three border states, low enough to maintain our retail advantage. HB 767 exempts every-day essential items from the sales tax, including food, clothes, prescription and over-the-counter medications, and heating fuel. The school performance and accountability provisions in HB 767 are consistent with those proposed by President Bush on a national level and are nearly identical to those recommended last fall by the bipartisan legislative adequacy commission led by the chairman of the House Finance Committee. HB 767 also modifies the poverty weighting formula in current law to eliminate the "cliff" effect and steer more state funds to the poorest communities in the state. It is time to enact a long-term school funding solution. HB 767 gets the job done and deserves to be passed on to the Senate.

Reps. Leishman and Dokmo spoke against.

Reps. Kurk and Whalley spoke in favor.

Rep. Scanlan requested a roll call; sufficiently seconded.

The question being the adoption of the majority report.

and the majority report was adopted.

(Rep. Jeb Bradley in the Chair)

HB 50-FN-A-L, relative to sources of funding an adequate education. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. David J. Alukonis for the Majority of Ways and Means: HB 50, as amended, addresses our anticipated budget deficit with an appropriate funding source by recognizing that the forecast deficit in our education and general funded obligations is \$100 million per year. The bill establishes a permanent and durable funding solution for the state's general and education fund obligations by balancing the budget without implementing a new broad-based tax. It does not enact any radical and risky new taxes that are difficult or nearly impossible to predict. Rather, this proposal works largely within our current tax structure, which is easy to forecast. In short, the bill raises approximately \$228 million for the 2002-2003 biennium (\$121 million in FY '02 and \$107 million in FY '03). This revenue is generated by three sources. The first, and largest (\$80 million in FY '02 and \$65 million in FY '03), adjusts our current business taxes by eliminating the credit that businesses can take by applying their Business Enterprise Taxes (BET) paid as a credit against their Business Profits Tax (BPT) obligations. Of the more than 60,000 business tax filers in New Hampshire, this business tax adjustment affects less than 2000 of the large multi-national and multi-state businesses that operate in New Hampshire. The second source of revenues involves adjustments to the credits available to insurance companies that sell policies in New Hampshire. Generating \$16 million in FY '02 and \$17 in FY '03, this adjustment eliminates the credit that an insurer can take by applying its BET payments against its insurance premium tax liability. Additionally, the adjustment calls for the elimination of the credit that insurers take by applying its insurance premium tax payments against its business profits tax liability. The third source of funding generated by this bill is the re-enactment of the Nuclear Station Property Tax. Repealed in 1999, during the early 1990's this tax generated \$22.4 million. At that time, the constitutionality of the nuclear tax was challenged and the federal court held that the provision, which allowed for a BPT credit was in violation of federal law. The current re-enactment does not allow for a BPT credit and the constitutionality of this tax is not in doubt. Only 17% of the State's nuclear property is owned by New Hampshire companies and approximately 36 % of the power generated by the nuclear property is contracted to the New Hampshire power grid. The state will receive \$25 million in revenue and only \$8.25 million of that amount could be incorporated into New Hampshire's rate base. It has been estimated that if this additional cost were directly passed to the consumer, it would amount to an increase of approximately one tenth of one cent per kilowatt-hour. In addition to funding the anticipated deficit, HB 50 also funds \$50 million in property tax relief. A significant property tax hardship relief program is included in the bill and is funded with \$14 million in each year of the biennium. This hardship relief program would allow for relief of up to 100% of the statewide property tax, which would otherwise be paid on a home with an equalized, assessed value of up to \$150,000. Unlike other plans, this hardship relief program takes effect immediately, in 2002, and is not delayed. Additionally, unlike the current property tax hardship program, this proposal will allow families throughout the state, in donor and receiver towns alike, to seek relief if they meet the eligibility requirements. Additional property tax relief is generated with the dedication of \$22 million, which is devoted to reducing the statewide property tax rate in all the communities throughout the state. As amended, HB 50 is a responsible, reliable, and sustainable plan to balance our budget with the amount of dollars needed, not three or four times more than we need. It minimizes risk by working within the tax structure, which we already have, and does not endanger

our economy with a radical restructuring of our tax system. Unlike other plans, this one can be implemented swiftly and will not call for the establishment of a significant increase in the bureaucracy. Vote 13-7.

Rep. Christine M. Konyas for the Minority of Ways and Means: The minority of the committee believes that HB 50 is fatally flawed. We received testimony that at least two and possibly three of the sections of this bill are unconstitutional and will be challenged in court. HB 50 repeals the Business Enterprise Tax credit against Business Profit Tax, thus creating a double tax on some businesses, and effectively making New Hampshire's business taxes the highest in the nation. Not only will this have a negative impact on economic growth, but it will result in increased costs being passed on to consumers in areas such as bank loans, insurance rates, and electricity. The minority believes that HB 50 was hastily crafted and fails to provide an equitable, durable and constitutional source of school funding.

Amendment (0778h)

Amend the bill by replacing all after the enacting clause with the following:

1 Education Property Tax Rate Reduced. Amend RSA 76:3 to read as follows:

76:3 Education Property Tax. An annual education property tax at the uniform rate of [~~\$6.60~~] **\$6.30** on each \$1000 of the value of taxable property is hereby imposed on all persons and property taxable pursuant to RSA 72 and RSA 73, except property subject to tax under RSA 82 [~~and~~], RSA 83 -F, **and RSA 83-G.**

2 New Chapter; Tax on Nuclear Station Property. Amend RSA by inserting after chapter 83-F the following new chapter:

CHAPTER 83-G

TAX ON NUCLEAR STATION PROPERTY

83-G:1 Declaration of Purpose and Findings. The general court finds:

I. Nuclear station property is the only property in the state that generates electricity from the fission of atoms.

II. Creating electricity from the fission of atoms imposes unique responsibilities on the state.

III. A nuclear station creates special and unique public safety requirements and burdens on the state.

IV. A nuclear station has a unique and long lasting impact on the environment which creates burdens on the state.

V. Accordingly, in the exercise of authority under part II, article 6 of the constitution of New Hampshire, the general court concludes that nuclear station property constitutes a distinct class of property that is appropriately subject to taxation as such by the state, to help defray the public charges of government, as provided in this chapter.

83-G:2 Definitions. In this chapter:

I. "Commissioner" means the commissioner of the department of revenue administration.

II. "Department" means the department of revenue administration.

III. "Taxable period" means the period beginning April 1, and ending March 31 of the following year.

IV. "Nuclear state property" means the land, buildings, structures, tunnels, machinery, dynamos, apparatus, poles, wires, nuclear fuel and fixtures of all kinds and descriptions used in generating, producing, supplying and distributing electric power or light from the fission of atoms, exclusive of transmission lines.

83-G:3 Tax Imposed. For taxable periods beginning April 1, 2001, a tax is imposed upon the value of nuclear station property at the rate of 3.4 percent of valuation, assessed annually April 1, 2001 and every year thereafter, and paid in accordance with this chapter.

83-G:4 Determination Value. On or before December 1 of the tax year, the commissioner shall determine the value of nuclear station property for the purposes of this chapter by appraising such property at its full and true value. Notice of such determination shall be given to the persons liable for the tax within 15 days of the determination.

83-G:5 Persons Liable. The tax imposed by this chapter shall be assessed upon each utility owning or possessing nuclear station property. If an owner of such property has filed an election pursuant to RSA 83-G:6, II, the tax imposed by this chapter shall be assessed upon each person with an ownership interest in such property, in the proportion that such person's ownership interest bears to the entirety of the ownership in the property.

83-G:6 Returns and Declarations.

I. On or before January 15 each year, each person shall file with the commissioner of revenue administration, on a form prescribed by the commissioner, a return based on the valuation for April 1 of the prior year. The return shall be accompanied by the payment of such amount as has not been prepaid in accordance with paragraph III of this section. If the return shows an additional amount to be due, such additional amount is due and payable at the time the return is filed. If such return shows an overpayment of the tax due, a credit against a subsequent payment or payments due, to the extent of the overpayment, shall be allowed.

II. On or before July 15, 2001 for taxable periods ending on or before March 30, 2002 and on or before April 15 of each year ending thereafter, a person with an ownership interest in the utility property, may elect to have the tax assessed in the proportion that such person's ownership interest bears to the entirety of the ownership in the property. If such an election is made, on or before April 15 of each year, each utility property owner liable to pay the tax imposed by this chapter shall file with the department, on a form prescribed by the commissioner, a statement setting forth the amount of such person's ownership interest as of April 1. The statement shall include such additional information as the commissioner shall require and shall be signed by an authorized representative, subject to the pains and penalties of perjury.

III. For taxable periods ending before April 1, 2002, each person liable to pay the tax shall, in addition, file a declaration on or before July 15, 2001 of the estimated tax to be assessed as of April 1 in the current taxable period, based on the equalized value of nuclear station property determined by the commissioner in the most current equalization report, and accompanied by payment of 1/3 of the estimated tax due. Additional payments of 1/3 of the estimated tax shall be made on September 15, 2001 and December 15, 2001.

IV. For taxable periods ending after March 31, 2002, at the time the statement required by paragraph II is filed, each person liable for the tax shall, in addition, file a declaration of the estimated tax to be assessed as of April 1 in the current taxable period, based on the tax assessed for the preceding taxable year, accompanied by payment of ¼ of the estimated tax due. Additional payments of ¼ of the estimated tax shall be made on June 15, September 15, and December 15.

V. As of June 1 of each year the person liable for the tax or the utility shall file a list of changes made to the utility property since the prior April 1 of the preceding year. This statement shall include such additional information as the commissioner shall require and shall be signed by an authorized representative, subject to the pains and penalties of perjury.

VI. Taxes and estimated taxes not paid when due shall be subject to appropriate penalties and interest under RSA 21-J.

83-G:7 Records.

I. Every person liable for tax under RSA 83-G:5 shall:

(a) Keep such records as may be necessary to determine the amount of his or her liability under this chapter.

(b) Preserve such records for the period of at least 3 years or until any litigation or prosecution under this chapter is finally determined.

(c) Make such records available for inspection by the commissioner of revenue administration or his authorized agents, upon demand, at reasonable times during regular business hours.

II. Whoever violates any of the provisions of this section shall be subject to the penalties imposed under RSA 21-J:39.

83-G:8 Administration.

I. The commissioner shall collect the taxes, interest, additions to tax and penalties imposed under this chapter. The commissioner shall determine the expense of administration of this chapter and shall certify and pay over to the state treasurer the amount of remaining balance of the funds collected under this chapter after the expenses of administration have been deducted.

II. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to:

(a) The administration of the tax imposed under RSA 83-G:3; and

(b) The recovery of any tax, interest on tax, or penalties imposed by RSA 83-G.

III. The commissioner may institute actions in the name of the state to recover any tax, interest on tax, additions to tax or the penalties imposed by this chapter.

IV. In the collection of the tax imposed by this chapter, the commissioner may use all of the powers granted to tax collectors under RSA 80 for the collection of taxes, except that the tax imposed by this chapter shall not take precedence over prior recorded mortgages. The commissioner shall

also have all of the duties imposed upon the tax collectors by RSA 80 that are applicable to the commissioner. The provisions of RSA 80:26 shall apply to the sale of land for the payment of taxes due under this chapter, and the state treasurer is authorized to purchase the land for the state. If the state purchases the land, the state treasurer shall certify the purchase to the governor, and the governor shall draw his or her warrant for the purchase price out of any money in the treasury not otherwise appropriated.

83-G:9 Appeals. Taxpayers aggrieved by the determination by the commissioner of the value of nuclear station property pursuant to RSA 83-F:4 may appeal such valuation within 30 days of notification of such determination to the board of tax and land appeals or the superior court of the county in which the taxpayer resides or has a place of business. Appeals other than appeals of valuation shall be made according to the procedure and subject to the time limits provided for other taxes administered by the department under RSA 21-J.

83-G:10 Exemption from State Education Property Tax. Persons and property subject to taxation under this chapter shall not be subject to tax under RSA 76:3; provided, however, that nothing in this chapter shall be construed to exempt such persons or property from local school, municipal, district, or county taxation under RSA 76.

3 Utility Property Tax; Definition of Utility Property. Amend RSA 83-F:1, V to read as follows:

V. "Utility property" means all real estate, buildings and structures, machinery, dynamos, apparatus, poles, wires, fixtures of all kinds and descriptions, and pipe lines located within New Hampshire employed in the generation, production, supply, distribution, transmission, or transportation of electric power or natural gas, crude petroleum and refined petroleum products or combinations thereof, water, or sewage subject to tax under RSA 72:6, 72:7 and 72:8, but not exempt under RSA 72:23; provided that no electric power fixtures which would otherwise be taxed under this chapter shall be taxed under this chapter if they are employed solely as an emergency source of electric power. "Utility property" shall not include:

(a) Water and air pollution control facilities exempt from local property taxation under RSA 72:12-a;

(b) Water and sewer companies exempt from regulation as public utilities by the public utilities commission under RSA 362:4; ~~and~~

(c) *Nuclear station property subject to tax under RSA 83-G; and*

(d) Any other property which is not subject to local property taxation.

4 New Subdivision; Low and Moderate Income Homeowners Property Tax Relief. Amend RSA 198 by inserting after section 55 the following new subdivision:

Low and Moderate Income Homeowners Property Tax Relief

198:56 Definitions. In this subdivision:

I. "Commissioner" means the commissioner of the department of revenue administration.

II. "Homestead" means the dwelling owned by a claimant or, in the case of a multi-unit dwelling, the portion of the dwelling which is owned and used as the claimant's principal place of residence and the claimant's domicile for purposes of RSA 654:1. "Homestead" shall not include land and buildings taxed under RSA 79-A or land and buildings or the portion of land and buildings rented or used for commercial or industrial purposes. In this paragraph, the term "owned" includes:

(a) A vendee in possession under a land contract;

(b) One or more joint tenants or tenants in common; or

(c) A person who has equitable title, or the beneficial interest for life in the homestead.

III. "Household income" means the sum of the adjusted gross income for federal income tax purposes of the claimant and any member of the claimant's household who resides in the homestead for which a claim is made. "Household income" shall also include all income of any trust through which the claimant holds equitable title, or the beneficial interest for life, in the homestead.

IV. "Tax relief" means the low and moderate income homeowners property tax relief provided in this subdivision.

V. "New Hampshire household" means any person filing a federal income tax return as head of household or 2 or more adults who jointly share the benefit of the homestead. "New Hampshire household" shall not include those adults who share the homestead under a landlord-tenant relationship.

VI. "Dependent" means a person residing in a homestead who is claimed as a dependent for federal income tax purposes.

198:57 Low and Moderate Income Homeowners Property Tax Relief

I. Pursuant to the provisions of this subdivision, eligible claimants shall be granted tax relief following the effective date of this act.

II. Residents shall apply to the department of revenue administration for such tax relief.

III. An eligible tax relief claimant is a person who:

- (a) Owns a homestead or interest in a homestead subject to the education property tax;
- (b) Resided in such homestead on April 1 of the year for which the claim is made, except such persons as are on active duty in the United States armed forces or are temporarily away from such homestead but maintain the homestead as a primary domicile; and
- (c) Realizes total household income of:
 - (1) \$20,000 or less if a single person;
 - (2) \$40,000 or less if a head of a New Hampshire household with a dependent or dependents, or if a married person.

IV. All or a portion of an eligible tax relief claimant's education property taxes, RSA 76:3, shall be rebated as follows:

(a) Multiply the total local assessed value of the claimant's property by the percentage of such property that qualifies as the claimant's homestead;

(b) Multiply the product determined in subparagraph (a) by the current education property tax rate;

(c) Multiply \$150,000 by the current education property tax rate;

(d) Multiply either the product of the calculation in subparagraph (b) or (c), whichever is less, by the following percentage as applicable to determine the amount of tax relief available to the claimant:

(1) If a single person and total household income is:

- (A) less than \$12,500, 100 percent;
- (B) \$12,500 but less than \$15,000, 85 percent;
- (C) \$15,000 but less than \$17,500, 65 percent; or
- (D) \$17,500 but less than or equal to \$20,000, 50 percent.

(2) If a head of a New Hampshire household or a married person and total household income is:

- (A) less than \$25,000, 100 percent;
- (B) \$25,000 but less than \$30,000, 85 percent;
- (C) \$30,000 but less than \$35,000, 65 percent; or
- (D) \$35,000 but less than or equal to \$40,000, 50 percent.

(e) The amount determined by subparagraph (d) is the allowable tax relief in any year.

V. If a homestead is owned by 2 or more persons as joint tenants or tenants in common, and one or more of such joint owners do not principally reside at such homestead, tax relief applies to the proportionate share of the homestead value that reflects the ownership percentage of the claimant. Only one claim may be filed for a single homestead.

VI. Claims for tax relief shall be filed with the department of revenue administration between May 1 and June 30 following the due date of the education property taxes.

VII. Each claim shall be accompanied by a copy of the claimant's federal income tax return filed by the claimant for the corresponding tax period. Claimants who were not required to file a federal tax return for the immediately prior tax period may submit an affidavit to such effect in lieu of a tax return which document shall include the claimant's social security number. A claimant who asserts ownership in a homestead because he or she holds equitable title, or the beneficial interest for life, in the homestead shall also submit a copy of the document creating such interest and a copy of the federal tax return, if any, for the immediately prior tax period, of the trust holding legal title to the homestead. Any documents submitted shall be considered confidential, and protected under RSA 21-J:14.

VIII. The provisions of RSA 359-C shall not apply to the documents required to be submitted under this section.

198:58 Rulemaking; Forms; Notice.

I. The commissioner shall adopt rules, under RSA 541-A, relative to the administration of excess tax payments and the tax relief provisions of this subdivision.

II. The commissioner shall approve and provide forms relative to the administration of this subdivision.

III. Claim forms shall include the following:

- (a) Instructions on completing and filing the form;
- (b) Sections for information concerning the claimant, the claimant's household, the property for which tax relief is sought, and such other information as is reasonably necessary to determine the accuracy of the claim;
- (c) Instructions on appeal procedure and time limits relative to such appeals; and
- (d) A place for the claimant's signature with a certification by the claimant that the claim is made in good faith and that the facts contained in the claim are true.

IV. The commissioner shall publicize notice of the tax relief provisions in a suitable manner.

198:59 Penalties; Assessment of Erroneous Claims.

I. Any person who files a claim for tax relief under this subdivision with fraudulent intent and any person who assisted in the preparation or filing of the claim or supplied information upon which the claim was prepared shall be guilty of a misdemeanor.

II. The commissioner may assess and collect the amount of any sums granted for property tax relief relative to a fraudulent or erroneously paid claim for tax relief including interest provided under RSA 21-J:28 and an additional penalty of 25 percent for the erroneous amount of such claim or an additional penalty of the greater of 25 percent or \$1,000 for a fraudulent claim.

198:60 Appeals.

I. Whenever the commissioner refuses to grant a claimant a tax relief claim, the claimant may appeal in writing within 30 days of notice of such refusal to the board of tax and land appeals.

II. When a taxpayer appeals the commissioner's refusal of a claim to the board of tax and land appeals, the board may reverse or affirm, wholly or partly, or may modify the decision brought up for review when there is an error of law or when the board finds the commissioner's action to be arbitrary or unreasonable.

198:61 Refund of Tax Claims. The department of revenue administration shall review a claim for tax relief filed with it and, if such claim is determined to be valid, shall certify such amount to the state treasurer within 120 days. The state treasurer shall pay the claim to the claimant from funds in the education trust fund. The department shall notify a claimant whose claim is rejected in whole or in part of such determination within 90 days of the department's receipt of the claim and all required documentation.

5 Rate of Tax for Biennium Ending June 30, 2003; Intrastate and Interstate Communications Services Tax. Notwithstanding RSA 82-A:3 and RSA 82-A:4, for the period beginning July 1, 2001 and ending June 30, 2003, the rate of tax is 5.5 percent on the gross charge for communications services purchased at retail from a retailer.

6 Prospective Repeal Date Extended for Exemption of Wooden Poles Under RSA 72:8-b. Amend 1998, 304:6, I as amended by 1999, 163:7 to read as follows:

I. Section 5 of this act shall take effect July 1, ~~2001~~ 2003.

7 Special Transition Rule; Credit for Utility Property Tax Payments. As of July 1, 2001 any utility property tax estimated payments made to the state in accordance with RSA 83-F:5, IV by persons exempted from such tax by section 3 of this act shall be credited toward the amount due from such persons, if any, under the provisions of RSA 83-G:6, III as enacted in section 2 of this act.

8 Repeal. The following are repealed:

- I. RSA 77-A:5, III, relative to the insurance premium tax credit against the business profits tax.
- II. RSA 77-A:5, X, relative to the business enterprise tax credit against the business profits tax.
- III. RSA 77-E:13, relative to application for the business enterprise tax credit against the business profits tax.

IV. RSA 198:50 through 198:55, relative to education property tax hardship relief.

V. 1999, 338:22, II, relative to the repeal of education property tax hardship relief.

VI. RSA 400-A:32, V, relative to the insurance premium tax credit against the business profits tax.

VII. RSA 400-A:34-a, relative to the insurance tax credit against the business enterprise tax and the business profits tax.

9 Effective Date.

I. Section 1 of this act shall take effect upon its passage, and shall apply to property taxes due for the tax year beginning April 1, 2002.

II. Sections 2-7 and IV and V of section 8 of this act shall take effect July 1, 2001.

III. Paragraphs I, II, III, VII and VIII of section 8 shall take effect July 1, 2001 and shall apply to returns and taxes due on account of taxable periods ending on or after July 1, 2001. In the case

of any business organization or enterprise which has elected a 52-53 week taxable period under section 441(f) of the United States Internal Revenue Code and the fiscal year of which ends on the last day of the week nearest to June 30, 2001, the taxable period shall be deemed to have ended on June 30, 2001, for the purposes of this act.

AMENDED ANALYSIS

This bill:

- I. Reduces the rate of the education property tax.
- II. Establishes a nuclear station property tax.
- III. Establishes a low and moderate income homeowners property tax relief program.
- IV. Extends the temporary rate of the communications services tax.
- V. Repeals certain business tax credits.

Reps. Furman and Eaton spoke in favor.

Reps. Kacavas, Maxfield, Spiess and Konys spoke against.

Reps. Jacobson and Bowles spoke against and yielded to questions.

Reps. Alukonis and Hess spoke in favor and yielded to questions.

Rep. Whalley requested a roll call; sufficiently seconded.

The question being adoption of the majority amendment.

and **HB 50-FN-A-L** was laid upon the table.

(Speaker Chandler in the Chair)

HB 170-FN-A, repealing the legacies and succession tax. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS.**

Rep. David W. Hess for the Majority of Ways and Means: This bill, as amended by the committee, fully retains the complete repeal of the legacies and successions tax. To make up the revenue lost by that repeal, the amendment would impose a new titled motor vehicle transfer tax at a rate of 1% of the net purchase price of the vehicle. The tax will be imposed only on motor vehicles registered in New Hampshire, so it will have no impact on cross-border sales. As a tax on the "net" purchase price, no tax is put on the value of any trade-in. Finally, the tax is to be collected at the municipal level, which is entitled to charge a fee of up to \$2.50 for that service, except that the seller of the vehicle may, if it elects to do so, collect the tax instead. Vote 10-8.

Rep. Paul A. McGuirk for the Minority of Ways and Means: The repeal of the legacies and succession tax has been publicly acknowledged as a top priority for this legislative session. To accomplish this goal, HB 170 was introduced to replace the lost revenue of the legacy and succession repeal. The sponsor of HB 170 introduced HB 558, which proposed six revenue sources to achieve revenue neutrality. The majority of the House Ways & Means Committee elected instead to amend HB 170 with a motor vehicle sales tax. Should we, as legislators, impose an unfair, narrow-based, selective tax to replace an unfair, regressive, discriminatory tax? Not all motorized vehicles sold in the state would be taxed. Vehicles purchased by individuals if used for business purposes, or by business enterprises will be able to deduct any tax paid as an expense on their federal tax returns. If purchased for personal use, one will not have that desirable option. The amendment provides for an option to pay the tax at the vendor's place of business if they elect to collect the tax imposed. Vendors who refuse to act as tax collectors for the state leave the purchaser with the obligation to pay the tax to the municipal agent, you will be charged a fee of \$2.50. Fair taxation and public policy are desirable goals, but the amendment to HB 170 fails the grade.

Majority Amendment (0894h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a titled motor vehicle transfer tax and repealing the legacies and successions tax.

Amend the bill by replacing all after the enacting clause with the following:

I New Chapter; Titled Motor Vehicle Transfer Tax. Amend RSA by inserting after chapter 78-C the following new chapter:

CHAPTER 78-D**TITLED MOTOR VEHICLE TRANSFER TAX**

78-D:1 Definitions. In this chapter:

I. "Business activity" means a group of actions performed by a person or persons for the purpose of earning income or profit from such actions and includes every operation which forms a part of, or a step in, the process of earning income or profit from such group of actions. The actions ordinarily include, but are not limited to, the receipt of money, property, or other items of value and the incurring or payment of expenses.

II. "Commissioner" means the commissioner of the department of revenue administration.

III. "Department" means the department of revenue administration.

IV. "Electronic data submission" means the use of either the telephone or computer to transmit information.

V. "In this state" or "within this state" means within the legal jurisdictional boundaries of New Hampshire and includes all territory within these limits owned by or ceded to the United States.

VI. "Lease," "leasing," or "rental" means any arrangement whereby, for a consideration, a motor vehicle is possessed or employed for or by a person other than the owner of the vehicle.

VII. "Maintaining a place of business in this state" means the following:

(a) Having or maintaining within this state, directly or by a subsidiary, an office, distribution house, sales house, warehouse, service enterprise, or other place of business, or any agent of general or restricted authority irrespective of whether the place of business or agent is located here permanently or temporarily or whether the person or subsidiary maintaining such place of business or agent is authorized to do business within this state.

(b) The engaging in any business activity within this state by any person, directly or by a subsidiary, in connection with the sale, lease, or delivery of motor vehicles or the performance of services thereon for use or storage including, but not limited to, having, maintaining or using any office, distribution house, sales house, warehouse, or other place of business, any stock of goods or any solicitor, salesperson, agent, or representative under its authority, at its direction or with its permission, regardless of whether the person or subsidiary is authorized to do business in this state.

VIII. "Motor vehicle" means any self-propelled vehicle not operated exclusively on stationary tracks for which a certificate of title is required by RSA 261:1; provided, however, the following shall not be included in the definition of "motor vehicle":

(a) Exempt vehicles as provided in RSA 261:3 I, (a) through (j); and

(b) Construction equipment as defined in RSA 259:42.

IX. "Municipal registration agent" means any person appointed to issue, renew, or transfer motor vehicle registrations pursuant to RSA 261:74-a.

X. "Net purchase price" means the purchase price as defined in this section less any deductions allowed by RSA 78-D:4.

XI. "Person" means an individual, partnership, trust or association, with or without transferable shares, joint stock company, corporation, limited liability company, society, club, organization, institution, estate, receiver, trustee, assignee, or referee, and any other person acting in a fiduciary or representative capacity, whether appointed by a court or otherwise, and any combination of individuals acting as a unit.

XII. "Purchase or purchasing, sale or selling" means any transfer of title or possession, exchange or barter, conditional or otherwise, in any manner or by any means whatsoever, of a motor vehicle for a consideration, including leases and transactions whereby the possession of the property is transferred but the seller retains the title as security for the payment of the purchase price.

XIII.(a) "Purchase price" means the gross consideration, exclusive of the tax hereby imposed, which is to be paid for the motor vehicle, expressed in terms of United States currency as of the time of the sale, and shall include the cash consideration, if any, plus the value of any services or property given or to be given, or both, in exchange for the motor vehicle.

(b) In the case of a lease, the purchase price shall mean an amount computed by subtracting the "lease end value" of the motor vehicle from the "original acquisition cost" of the motor vehicle. For purposes of this subparagraph, the "original acquisition cost" of a motor vehicle means the gross consideration which the lessee would pay for the motor vehicle if the lessee purchased the motor vehicle on the date of execution of the lease contract, as stated in the lease contract or worksheet, and the "lease end value" means the value of the motor vehicle at the end of the lease period, as stated in the lease contract or worksheet or as determined by the commissioner pursuant to RSA 78-D:10, III. Purchase price shall also include the value of anything paid or delivered, or promised to be paid or delivered by a lessee, whether it be money or otherwise, to any person other than the vendor or lessor by reason of the maintenance, insurance, or repair of the leased motor vehicle.

XIV. "Tax" means the titled motor vehicle transfer tax imposed by this chapter.

XV. "Taxpayer" means any person required to make returns or pay the tax imposed by this chapter.

XVI. "Vendor" means any person maintaining a place of business in this state, engaged in the business activity of selling or leasing motor vehicles, the sale, lease or use of which is subject to the tax imposed by this chapter and who elects to collect the tax imposed under this chapter.

78-D:2 Imposition of Tax.

I. A tax is imposed upon each separate sale or lease of a motor vehicle within this state at the rate of one percent of the net purchase price, which tax shall be collected by the municipal registration agent or the vendor from the purchaser, and shall be paid over to the state as provided in this chapter.

II. A tax is imposed upon the use within this state of a motor vehicle, purchased on or after January 1, 2002, at the rate of one percent of the net purchase price, which tax shall be paid to the state by the person who makes such use as provided in this chapter, except that such tax shall not be paid to the state where the tax imposed by paragraph I has been paid by such person or such person has paid the tax imposed by this paragraph to a municipal registration agent or to the vendor with respect to such use.

III. A tax is imposed at the rate of one percent on any amount charged at the end of a motor vehicle lease contract executed on or after January 1, 2002 resulting from excess wear and tear or excess mileage.

78-D:3 Exemptions. The following motor vehicles shall be exempt from the tax imposed by this chapter :

I. Motor vehicles the rental of which is subject to tax under RSA 78-A; provided, however, that such exemption shall not apply to any vehicle not actually rented for at least 30 days in any single year or which is no longer used for such rentals.

II. Motor vehicles owned or registered, or motor vehicles rented, by any state or province or any political subdivision thereof.

III. Motor vehicles, title to which on January 1, 2002 is in the owner seeking registration thereof.

IV. Motor vehicles transferred to the spouse, mother, father, child, grandparent, grandchild, aunt, uncle, niece, or nephew of the donor, or to a trust established for the benefit of any such persons or for the benefit of the donor, or subsequently transferred among such persons provided such motor vehicle has been registered or titled in this state in the name of the original donor.

V. Motor vehicles owned by an individual purchased and used outside this state and brought into this state in connection with the establishment by such individual of an initial residence in this state, provided such motor vehicle was purchased by the individual more than 2 months prior to the date it was first brought into this state.

78-D:4 Deductions. There may be deducted from the purchase price for any motor vehicle the sale, lease, or use of which is taxable under this chapter the amount allowed by the vendor of any trade-in of a taxable motor vehicle received upon the sale of another motor vehicle to the purchaser. When any such motor vehicle traded in is subsequently sold or leased, the tax provided for in this chapter shall apply.

78-D:5 Credits. A credit against the tax imposed by this chapter shall be granted with respect to a motor vehicle to be registered in this state on which tax has been paid to another state by reason of the imposition by such other state of a tax similar to the tax imposed by this chapter equal to the amount of such other state tax paid, provided however, that no such credit shall be granted unless such other state grants substantially similar tax relief by reason of the payment of tax under this chapter.

78-D:6 Tax Form; Penalty.

I. Every vendor selling or leasing a motor vehicle in this state shall at the time of selling or leasing said motor vehicle compute for the purchaser or lessee the tax imposed by RSA 78-D:2 and complete in its entirety the information required on the form prescribed and furnished by the commissioner. Vendors whose average monthly tax collections do not exceed \$100 may apply to the commissioner to remit taxes annually or on such other schedule as the commissioner may require. Approval of such requests shall be at the discretion of the commissioner.

II. Any vendor failing to fill out the tax form as required in paragraph I shall be subject to a penalty of \$500 or the commissioner may suspend the vendor's license as provided in RSA 78-D:19. Such suspension shall be for a reasonable time and shall not exceed 10 days for each offense and shall be made only after a finding that the failure of such vendor is willful and intentional and not the result of inadvertence.

III. Any person registering the transfer of a motor vehicle upon which tax is due under this chapter and for which no form has been provided by a vendor shall complete such form at the time of registration.

78-D:7 Collection of Tax; Vendor Liability; Receipts Presumed Taxable.

I. Every purchaser of a motor vehicle subject to a tax under RSA 78-D:2, I shall present the tax form together with the amount of tax due to the municipal registration agent at the time of first registering or transferring a registration to such motor vehicle as a condition precedent to registration thereof. Said agent shall remit the tax to the state as provided in RSA 78-D:11.

II. Every person subject to a use tax under RSA 78-D:2, II shall present the tax form with the amount of tax due to the municipal registration agent at the time of first registering or transferring a registration to such motor vehicle as a condition precedent to registration thereof. Said agent shall remit the tax to the state as provided in RSA 78-D:11.

III. Every vendor maintaining a place of business in this state and leasing motor vehicles the lease of which is subject to tax shall collect the tax from the lessee at the time of making the sale, and shall remit the tax to the state as provided in RSA 78-D:11 in the case of the first lease of a motor vehicle, and within 30 days after any extension of the lease or any subsequent lease of the motor vehicle. Every vendor leasing a motor vehicle shall collect the tax imposed by RSA 78-D:2, III from the lessee and remit it to the commissioner within 30 days after the end of the motor vehicle lease contract. Vendors whose average monthly tax collections do not exceed \$100 may apply to the commissioner to remit taxes annually or on such other schedule as the commissioner may require. Approval of such requests shall be at the discretion of the commissioner.

IV. Any vendor required under this chapter to collect tax from another person, who shall fail to collect the proper amount of such tax, shall be liable for the full amount of the tax which the vendor should have collected. Any tax required to be collected, and any tax received by a vendor, shall become a personal debt of the vendor until paid to the state. The vendor shall be relieved of further liability for such taxes in the event that the tax is paid directly to the state by the purchaser or other person.

V. It shall be presumed that all gross receipts of a vendor from the sale or lease of motor vehicles are from sales or leases subject to tax until the contrary is established. The burden of proving that a sale of or lease of motor vehicles by any vendor is not a taxable sale or lease shall be upon such vendor.

78-D:8 Purchaser Liability for Tax; Prior Purchases Exempted.

I. Except as provided in paragraph II, every purchaser shall be liable for the tax imposed by this chapter and such liability shall not be extinguished until the tax has been paid to the state, except that payment to a municipal registration agent or vendor required to collect the tax pursuant to RSA 78-D:7 is sufficient to relieve the purchaser from further liability for the tax.

II. Purchasers shall not be liable for municipal registration agents or vendors required to collect tax on any motor vehicle purchased or used in this state prior to January 1, 2002.

78-D:9 Presumption of Taxability; Notice to Commissioner

I. For the purposes of this chapter, the New Hampshire registration, transfer of registration, or issuance of a New Hampshire certificate of title of a motor vehicle shall be presumed to be a transfer upon which the tax applies except as provided in RSA 78-D:3.

II. Upon the return of the certificate of registration, as required by RSA 261, the director of the division of motor vehicles shall forthwith inform the commissioner of the date of transfer and the names and addresses of the former and new owners.

78-D:10 Purchase Price, Investigation and Adjustment; Affiliated Interests.

I. The commissioner may investigate and adjust the purchase price of any motor vehicle the transfer of which is subject to the provisions of this chapter. In instances where it appears to the commissioner that the purchase price reported does not represent the actual value of such consideration, the commissioner may adjust the purchase price of said motor vehicle at the average book value of vehicles of the same make, type, model and year of manufacture as designated by the manufacturer, as shown in the Official Used Car Guide, National Automobile Dealers Association (New England Edition) or any comparable publication, less the lease end value of any leased vehicle. The commissioner may compute and assess the tax due thereon in the manner provided for the assessment of taxes in this chapter.

II. The commissioner may investigate and adjust the value of any motor vehicle trade-in allowed or taken as a deduction to the purchase price of a motor vehicle in the same manner as provided in paragraph I.

III. The commissioner may investigate and adjust the lease end value of any motor vehicle transferred subject to the provisions of this chapter. In instances where it appears to the commissioner that the reported lease end value of a motor vehicle does not represent a commercially reasonable value, the commissioner shall, pursuant to uniform and equitable rules, establish a reasonable, commercial value for the end of the lease period. The commissioner may compute and assess the tax due thereon in the manner provided for the assessment of taxes in this chapter.

IV.(a) In determining the purchase price on the sale, lease or use of a motor vehicle where, because of affiliation of interests between the vendor and purchaser, or irrespective of any such affiliation, if for any other reason the purchase price declared by the vendor or taxpayer on the taxable sale or use of such vehicle is, in the opinion of the commissioner, not indicative of the true value of the vehicle or the fair price thereof, the commissioner shall, pursuant to uniform and equitable rules, determine the amount of constructive purchase price upon the basis of which the tax shall be computed and levied. Such rules shall provide for a constructive amount of purchase price for each such sale, lease or use which would naturally and fairly be charged in an arm's-length transaction in which the element of common interest between the vendor or purchaser is absent or if no common interest exists, any other element causing a distortion of the price or value is likewise absent.

(b) For the purpose of this paragraph, where a taxable sale or purchase at retail transaction occurs between a parent and a subsidiary, affiliate, or controlled corporation of such parent corporation, there shall be a rebuttable presumption that, because of such common interest, such transaction was not an arm's-length transaction.

78-D:11 Tax Reports and Returns; Date Payment Due.

I.(a) Every vendor shall, on or before the 20th day of the calendar month following the collection of taxes imposed by this chapter, file a report by electronic data submission of the sales and leases and taxes collected thereon for the preceding month to the department. This report shall be filed even though no tax may be due.

(b) If a vendor has been granted permission to make other than monthly filings, as provided in RSA 78-D:6, I the vendor shall make the report required in subparagraph I(a) in accordance with the schedule permitted by the commissioner, even though no tax may be due.

(c) On or before the 20th day of September, every vendor liable to collect and pay over the taxes imposed by this chapter shall make a return to the department reporting the results of the preceding 12-month period beginning July 1 and ending June 30. Such return shall recapitulate the reports filed as required by subparagraph I(a) or (b) and shall provide such other information as the commissioner shall require.

II. Taxes collected by every vendor or municipal registration agent shall be paid to the state on or before the 20th day of the calendar month following collection of the tax or the purchase or use of tangible personal property. The vendor shall remit the taxes due by electronic funds transfer to the department. The municipal registration agent shall remit taxes to the department at the times and in the manner required by the commissioner.

III. Notwithstanding the provisions of any other law, reports, returns, and remittances due under this chapter shall be considered timely only if received by the department on or before the 20th day of the calendar month in which they were due. If this due date falls on a Saturday, Sunday, or legal holiday, then the returns and remittances due under this chapter shall be filed no later than the next business day.

IV. The department shall notify the vendor of a successful electronic filing and remittance and provide the vendor with a confirmation number which shall serve as proof of filing and remittance.

V. All reports and returns shall contain an electronic authorization by the vendor or an authorized representative which shall be subject to the pains and penalties of perjury.

VI. Any vendor who ceases to engage in business activity in this state and is thereby not responsible for filing reports and returns under this chapter, shall file a final return with the department not more than one month after discontinuing such activity. This requirement shall apply notwithstanding any other provision of this chapter regarding the time within which to file a report or return.

VII. If the commissioner finds that the information required for the making of an accurate return cannot reasonably be compiled by a vendor within the period provided in this section, the commissioner may grant an extension of time for the filing of such return. Any such extension shall be granted for a period not to exceed 31 calendar days. The granting of such extension may be conditioned upon the payment by the vendor of an amount of money equal to the amount estimated by the commissioner to be due with the return when filed under extension. All such estimated payments shall be credited against the vendor's liabilities under this chapter. The vendor shall pay to the department the amount of tax imposed by this chapter at the time the return is due.

78-D:12 Books, Records, Papers, and Other Documents.

I. Every vendor maintaining a place of business in this state or required to file or actually filing in this state shall keep books, records, papers, certificates, and other documents which are adequate to reflect the information required to be reported to the department by the filing of timely reports or returns or maintained for inspection by the department.

II. All books, records, and other papers and documents required to be kept by this chapter shall, at all times during business hours of the day, be subject to inspection by the department.

78-D:13 Determination of Tax; Additional Returns.

I. If a return required by this chapter is not filed, or if a return when filed, is incorrect or insufficient, the amount of tax due shall be determined and assessed by the commissioner from any information available.

II. When the commissioner has reason to believe that a vendor has failed to file a report or return or to include any part of the taxable receipts of sales by such vendor in a filed report or return, the commissioner may require the vendor to file a return or a supplementary return showing such additional information as the commissioner prescribes. The making of such additional return does not relieve the vendor of any penalty for failure to make a correct original report or return, or relieve it from liability for interest imposed under RSA 21-J:28 or for any additional charges imposed by the commissioner. This section shall not be construed to modify or extend the statute of limitations provided in RSA 21-J:29.

78-D:14 Administration; Rulemaking.

I. The commissioner shall collect the taxes imposed under this chapter, interest on tax, additions to tax, and penalties imposed, and pay over to the state treasurer the amount of funds collected under this chapter for deposit in the general fund.

II. The commissioner shall adopt rules, under RSA 541-A, relative to:

- (a) The form and content of the reports and returns required by this chapter.
- (b) The method of electronic authorization required by RSA 78-D:11.
- (c) Alternative filing procedures in the event there is an electronic equipment malfunction.
- (d) The administration of the tax.
- (e) The recovery of any tax, interest on tax, additions to tax, or penalties imposed by RSA 78-D or RSA 21-J.

III.(a) The commissioner shall adopt emergency rules under RSA 541-A relative to:

- (1) The form and content of the reports and returns required by this chapter.
- (2) The method of electronic authorization required by RSA 78-D:11.
- (3) Alternative filing procedures in the event there is an electronic equipment malfunction.
- (4) The administration of the tax.
- (5) The recovery of any tax, interest on tax, additions to tax, or penalties imposed by RSA 78-D or RSA 21-J.

(b) Such emergency rules shall be effective for 180 days. After 180 days the commissioner shall adopt rules pursuant to RSA 541-A.

78-D:15 Surety Bonds.

I. When the commissioner deems it necessary to protect the revenues due under this chapter, the commissioner may, after notice and hearing, require any vendor required to collect the tax imposed by this chapter to file with the commissioner a bond issued by a surety company authorized by the New Hampshire insurance department to do business in this state, in an amount fixed by the commissioner, to secure the payment of any tax, interest, or penalties due, or which may become due. The vendor shall file a bond within 10 days after the department has issued and mailed such notice. Surety bonds may be required in situations such as, but not limited to, failure to file reports or returns, failure to make payments with reports or returns at the time required by law, tender by a vendor of checks returned for insufficient funds, failure to pay interest and penalties assessed, vendors who are itinerant, transient, or temporary, and any other situation which, in the discretion of the commissioner, renders the collection of the tax in jeopardy.

II. The surety on such bond shall be discharged from the liability accruing on the bond after the expiration of 60 days from the date on which the surety shall have logged with the department a written request to be so discharged; but such request shall not discharge such surety from any liability already accrued or which shall accrue before the expiration of this 60-day period. The duration of surety bonds shall be for one year only, unless the requirement is canceled or revised by the commissioner before the expiration of the one-year period.

III. In lieu of a bond, cash in an amount prescribed by the commissioner may be deposited with the state treasurer who may, at any time, upon instructions from the commissioner and without notice to the depositor, apply the cash deposited to any tax or interest or penalties due. Cash deposited in lieu of a surety bond shall not earn interest.

IV. Failure to comply with the provisions of this section shall result in the suspension of the vendor's registration license, as provided in RSA 78-D:19.

78-D:16 Motor Vehicle Registration. No certificate of registration shall be issued by the director of the division of motor vehicles to the new owner until such new owner shall furnish evidence, on such forms as shall be prescribed by the commissioner and the director of the division of motor vehicles, that any tax due under the provisions of this chapter has been paid. If payment of any such tax due is made by check and said check is not duly paid, the director of the division of motor vehicles may, after hearing, revoke the certificate of registration. Such tax shall be considered as a first encumbrance against such vehicle and the vehicle may not be transferred without first payment in full of such tax and any interest additions or penalties which shall accrue thereon in accordance with this chapter or RSA 21-J.

78-D:17 Proceedings to Recover Taxes.

I. The commissioner may institute actions in the name of the state to recover any tax, interest on tax, additions to tax, or penalties imposed by this chapter.

II. In the collection of the tax imposed by this chapter, the commissioner may use all of the powers granted to tax collectors under RSA 80 for the collection of taxes, except that the tax imposed by this chapter shall not take precedence over prior recorded mortgages. The commissioner shall also have all of the duties imposed upon the tax collectors by RSA 80 that are applicable to the commissioner. The provisions of RSA 80:26 shall apply to the sale of land for the payment of taxes due under this chapter, and the state treasurer is authorized to purchase the land for the state. If the state purchases the land, the state treasurer shall certify the purchase to the governor, and the governor shall draw a warrant for the purchase price out of any money in the treasury not otherwise appropriated.

78-D:18 Vendor Licenses; Registration.

I. On or before January 1, 2002, or in the case of vendors commencing business or opening new places of business after that date, within 3 days after the commencement or opening, every vendor required to collect any tax imposed by this chapter shall file with the commissioner a license application in a form prescribed by the commissioner. The commissioner shall issue, without charge, to each applicant a license of authority empowering the applicant to collect the tax. Each license shall state the place of business to which it is applicable. The license shall be prominently displayed in the place of business of the vendor. A vendor who has no regular place of doing business shall attach the certificate to the vendor cart, stand, truck, or other merchandising device, or carry it on the vendor's person. The certificate shall be nonassignable and nontransferable and shall be surrendered to the commissioner immediately upon the vendor ceasing to do business at the place named.

78-D:19 Suspension or Revocation of Licenses; Appeal.

I. The commissioner may, after notice and hearing, suspend or revoke the license of any vendor required to collect the tax or may refuse to issue or renew any license for failure to comply with this chapter or with any rules adopted hereunder.

II. Any person required to collect the tax aggrieved by a suspension, revocation, or refusal may appeal therefrom, in the same manner as provided in RSA 21-J:28-b for appeal for redetermination or reconsideration of assessments, within 10 days after written notice of the suspension, revocation, or refusal has been mailed or delivered to such person.

III. If the appealing person required to collect the tax files a bond running to the state as provided in RSA 78-D:15, then the suspension or revocation shall be inoperative during the appeal.

78-D:20 Refunds.

I. Claims for refund or credit may be made by a purchaser who has actually paid the tax or by a vendor required to collect the tax who has collected and paid over the tax to the department; provided, however, that the claim is timely made in accordance with RSA 21-J:28-a and RSA 21-J:29. No actual refund of moneys shall be made to a vendor until such person establishes to the satisfaction of the commissioner, under such rules as the commissioner may adopt, that such vendor has repaid to the purchaser the amount for which the application for refund is made or established that no refund is due the purchaser. The commissioner may, in lieu of any refund, allow credit on payments due from the claimant.

II. If the commissioner determines, on a claim for refund or otherwise, that a person has paid an amount of tax under this chapter which, as of the date of the determination, exceeds the amount of tax liability owing from the person to the state, with respect to the current and all preceding taxable periods, under any provision of this title, the commissioner shall forthwith refund the excess amount to the person together with interest as provided in RSA 21-J:28.

78-D:21 Liens. If any person required to pay or collect and transmit a tax under this chapter neglects or refuses to pay the same after demand, the amount, together with all penalties and interest provided for in this chapter and together with any costs that may accrue in addition thereto, shall be a lien in favor of the state of New Hampshire upon all property and rights to property, whether real or personal, belonging to such person. Such lien shall arise at the time demand is made by the commissioner and shall continue until the liability for such sum with interest and costs is satisfied or becomes unenforceable. No lien upon real estate for taxes imposed by this chapter is valid and binding against any person other than the taxpayer until notice of such lien, stating the name and address of the taxpayer and the amount of the tax due, shall have been filed and recorded in the registry of deeds in the grantor index in the county in which such real estate is located. Notwithstanding the provisions of any other law, the lien shall continue and shall be valid and binding until the liability for the sum, with interest and costs, is satisfied or becomes unenforceable.

2 Municipal Registration Agents; Reference. Amend RSA 261:74-a to read as follows:

261:74-a Agents Appointed. With the approval of the governing body of a city or town and subject to the direction and approval of the commissioner, the director may appoint municipal officials as agents to issue, renew or transfer motor vehicle registrations *or to collect the tax imposed under RSA 78-D*. The director shall determine the optimum number of registration agents that the division can reasonably accommodate. The appointment of any municipal official as a registration agent for the purposes of this subdivision shall continue while the agent holds his office or employment with the municipality, except as provided in RSA 261:74-b and 261:74-f.

3 Municipal Registration Agents; Reference. Amend RSA 261:74-d to read as follows:

261:74-d Additional Fees Charged by Agents. Each registration agent may charge an applicant not more than \$2.50 in addition to the fees otherwise required to issue, renew or transfer a motor vehicle registration. *Each registration agent may charge an additional fee of \$2.50 to collect the tax imposed under RSA 78-D.* [This fee] *These fees* shall be retained either by the municipality if the registration agent receiving the [fee] *fees* is on salary to the municipality, or by the agent himself if he is not on salary to the municipality but is paid on a fee basis.

4 Municipal Registration Agents; Reference. Amend RSA 261:74-g, III to read as follows:

III. The collection, deposit and remittance of state funds pursuant to this subdivision *and pursuant to RSA 78-D*.

5 Legacies and Successions Tax; Exemption. Amend RSA 86 by inserting after section 6-b the following new section:

86:6-c Exemption. Notwithstanding RSA 86:6, I, all property within the jurisdiction of the state, real or personal, and any interest therein, belonging to domiciliaries of the state; and all real estate within the state, or any interest therein, belonging to persons who are not domiciliaries of the state; which shall pass by will, or by the laws regulating intestate successions, or by deed, grant, bargain, sale or gift, made in contemplation of death, or made or intended to take effect in possession or enjoyment at or after the death of the grantor or donor, to any person, absolutely or in trust, shall be exempt from tax imposed by this chapter, provided the death of such grantor or donor occurs on or after July 1, 2001.

6 Effective Date.

I. Sections 1-4 of this act shall take effect July 1, 2001 and shall apply to all motor vehicle transfers, whether by sale or lease, that occur on or after January 1, 2002.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes a titled motor vehicle transfer tax. The bill also repeals the legacies and successions tax.

Reps. McGuirk and Dokmo spoke against.

Reps. Alukonis, Vivian Clark and Hess spoke in favor and yielded to questions.

Rep. McGuirk requested a roll call; sufficiently seconded.

The question being adoption of the majority amendment.

and the majority amendment failed.

Rep. McGuirk offered a floor amendment (0895h).

Floor Amendment (0895h)

Amend the bill by replacing all after the enacting clause with the following:

1 Repeal. RSA 86:6, relative to taxable property under and tax rate of the legacies and successions tax, is repealed.

2 Applicability. Section 1 of this act shall apply only to estates established as the result of deaths occurring on or after July 1, 2001.

3 Effective Date. This act shall take effect July 1, 2001.

Rep. Gilman requested a roll call; sufficiently seconded.

The question being adoption of the McGuirk floor amendment (0895h).

and the McGuirk floor amendment(0895h) was adopted.

Rep. Sapareto offered a floor amendment (0888h).

Floor Amendment (0888h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a titled motor vehicle transfer tax and relative to estates taxable under the legacies and successions tax.

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Titled Motor Vehicle Transfer Tax. Amend RSA by inserting after chapter 78-C the following new chapter:

CHAPTER 78-D**TITLED MOTOR VEHICLE TRANSFER TAX**

78-D:1 Definitions. In this chapter:

I. "Business activity" means a group of actions performed by a person or persons for the purpose of earning income or profit from such actions and includes every operation which forms a part of, or a step in, the process of earning income or profit from such group of actions. The actions ordinarily include, but are not limited to, the receipt of money, property, or other items of value and the incurring or payment of expenses.

II. "Commissioner" means the commissioner of the department of revenue administration.

III. "Department" means the department of revenue administration.

IV. "Electronic data submission" means the use of either the telephone or computer to transmit information.

V. "In this state" or "within this state" means within the legal jurisdictional boundaries of New Hampshire and includes all territory within these limits owned by or ceded to the United States.

VI "Lease," "leasing," or "rental" means any arrangement whereby, for a consideration, a motor vehicle is possessed or employed for or by a person other than the owner of the vehicle.

VII. "Maintaining a place of business in this state" means the following:

(a) Having or maintaining within this state, directly or by a subsidiary, an office, distribution house, sales house, warehouse, service enterprise, or other place of business, or any agent of general or restricted authority irrespective of whether the place of business or agent is located here permanently or temporarily or whether the person or subsidiary maintaining such place of business or agent is authorized to do business within this state.

(b) The engaging in any business activity within this state by any person, directly or by a subsidiary, in connection with the sale, lease, or delivery of motor vehicles or the performance of services thereon for use or storage including, but not limited to, having, maintaining or using any office, distribution house, sales house, warehouse, or other place of business, any stock of goods or any solicitor, salesman, agent, or representative under its authority, at its direction or with its permission, regardless of whether the person or subsidiary is authorized to do business in this state.

VIII. "Motor vehicle" means any self-propelled vehicle not operated exclusively on stationary tracks for which a certificate of title is required by RSA 261:1; provided, however, the following shall not be included in the definition of "motor vehicle":

(a) Exempt vehicles as provided in RSA 261:3 I, (a) through (j); and

(b) Construction equipment as defined in RSA 259:42.

IX. "Municipal registration agent" means any person appointed to issue, renew, or transfer motor vehicle registrations pursuant to RSA 261:74-a.

X. "Net purchase price" means the purchase price as defined in this section less any deductions allowed by RSA 78-D:4.

XI. "Person" means an individual, partnership, trust or association, with or without transferable shares, joint stock company, corporation, limited liability company, society, club, organization, institution, estate, receiver, trustee, assignee, or referee, and any other person acting in a fiduciary or representative capacity, whether appointed by a court or otherwise, and any combination of individuals acting as a unit.

XII. "Purchase or purchasing, sale or selling" means any transfer of title or possession, exchange or barter, conditional or otherwise, in any manner or by any means whatsoever, of a motor vehicle for a consideration, including leases and transactions whereby the possession of the property is transferred but the seller retains the title as security for the payment of the purchase price.

XIII. (a) "Purchase price" means the gross consideration, exclusive of the tax hereby imposed, which is to be paid for the motor vehicle, expressed in terms of United States currency as of the time of the sale, and shall include the cash consideration, if any, plus the value of any services or property given or to be given, or both, in exchange for the motor vehicle.

(b) In the case of a lease, the purchase price shall mean an amount computed by subtracting the "lease end value" of the motor vehicle from the "original acquisition cost" of the motor vehicle. For purposes of this subparagraph, the "original acquisition cost" of a motor vehicle means the gross consideration which the lessee would pay for the motor vehicle if the lessee purchased the motor vehicle on the date of execution of the lease contract, as stated in the lease contract or worksheet, and the "lease end value" means the value of the motor vehicle at the end of the lease period, as stated in the lease contract or worksheet or as determined by the commissioner pursuant to RSA 78-D:9, III. Purchase price shall also include the value of anything paid or delivered, or promised to be paid or delivered by a lessee, whether it be money or otherwise, to any person other than the vendor or lessor by reason of the maintenance, insurance, or repair of the leased motor vehicle.

XIV. "Tax" means the titled motor vehicle transfer tax imposed by this chapter.

XV. "Taxpayer" means any person required to make returns or pay the tax imposed by this chapter.

XVI. "Vendor" means any person maintaining a place of business in this state, engaged in the business activity of selling or leasing motor vehicles the sale, lease or use of which is subject to the tax imposed by this chapter.

78-D:2 Imposition of Tax.

I. A tax is imposed upon each separate sale or lease of a motor vehicle within this state at the rate of one percent of the net purchase price, which tax shall be collected by the vendor from the purchaser, and shall be paid over to the state as provided in this chapter.

II. A tax is imposed upon the use within this state of a motor vehicle, purchased on or after January 1, 2002, at the rate of one percent of the net purchase price, which tax shall be paid to the state by the person who makes such use as provided in this chapter, except that such tax shall not be paid to the state where the tax imposed by paragraph I has been paid by such person or such person has paid the tax imposed by this paragraph to the vendor with respect to such use.

III. A tax is imposed at the rate of one percent on any amount charged at the end of a motor vehicle lease contract executed on or after January 1, 2002 resulting from excess wear and tear or excess mileage.

78-D:3 Exemptions. The following motor vehicles shall be exempt from the tax imposed by this chapter :

I. Motor vehicles the rental of which is subject to tax under RSA 78-A; provided, however, that such exemption shall not apply to any vehicle not actually rented for at least 30 days in any single year or which is no longer used for such rentals.

II. Motor vehicles owned or registered, or motor vehicles rented, by any state or province or any political subdivision thereof.

III. Motor vehicles, title to which on January 1, 2002 is in the owner seeking registration thereof.

IV. Motor vehicles transferred to the spouse, mother, father, child, grandparent or grandchild of the donor, or to a trust established for the benefit of any such persons or for the benefit of the donor, or subsequently transferred among such persons provided such motor vehicle has been registered or titled in this state in the name of the original donor.

V. Motor vehicles owned by an individual purchased and used outside this state and brought into this state in connection with the establishment by such individual of a residence in this state, provided such motor vehicle was purchased by the individual more than 2 months prior to the date it was first brought into this state.

78-D:4 Deductions. There may be deducted from the purchase price for any motor vehicle the sale, lease, or use of which is taxable under this chapter the amount allowed by the vendor of any trade-in of a taxable motor vehicle received upon the sale of another motor vehicle to the purchaser. When any such motor vehicle traded in is subsequently sold or leased, the tax provided for in this chapter shall apply.

78-D:5 Credits. A credit against the tax imposed by this chapter shall be granted with respect to a motor vehicle to be registered in this state on which tax has been paid to another state by reason of the imposition by such other state of a tax similar to the tax imposed by this chapter equal to the amount of such other state tax paid, provided however, that no such credit shall be granted unless such other state grants substantially similar tax relief by reason of the payment of tax under this chapter.

78-D:6 Collection of Tax; Vendor Liability; Payment at Registration.

I. Every vendor maintaining a place of business in this state and selling motor vehicles the sale or use of which is subject to tax shall collect the tax from the purchaser at the time of making the sale, and shall remit the tax to the state as provided in RSA 78-D:10. Vendors whose average monthly tax collections do not exceed \$100 may apply to the commissioner to remit taxes annually or on such other schedule as the commissioner may require. Approval of such requests shall be at the discretion of the commissioner.

II. Every vendor maintaining a place of business in this state and leasing motor vehicles the lease of which is subject to tax shall collect the tax from the lessee at the time of making the sale, and shall remit the tax to the state as provided in RSA 78-D:10 in the case of the first lease of a motor vehicle, and within 30 days after any extension of the lease or any subsequent lease of the motor vehicle. Every vendor leasing a motor vehicle shall collect the tax imposed by RSA 78-D:2, III from the lessee and remit it to the commissioner within 30 days after the end of the motor vehicle lease contract. Vendors whose average monthly tax collections do not exceed \$100 may apply to the commissioner to remit taxes annually or on such other schedule as the commissioner may require. Approval of such requests shall be at the discretion of the commissioner.

III. Any vendor required under this chapter to collect tax from another person, who shall fail to collect the proper amount of such tax, shall be liable for the full amount of the tax which the vendor should have collected. Any tax required to be collected, and any tax received by a vendor, shall become a personal debt of the vendor until paid to the state. The vendor shall be relieved of further liability for such taxes in the event that the tax is paid directly to the state by the purchaser or other person.

IV. It shall be presumed that all gross receipts of a vendor from the sale or lease of motor vehicles are from sales subject to tax until the contrary is established. The burden of proving that a sale of or lease of motor vehicles by any vendor is not a taxable sale or lease shall be upon such vendor.

V. Tax due on any motor vehicle to be registered in this state upon which tax has not been collected as provided in paragraphs I or II shall be collected by the municipal registration agent at the time of such registration. Such agent shall remit the tax to the state as provided in RSA 78-D:10.

78-D:7 Purchaser Liability for Tax; Prior Purchases Exempted.

I. Except as provided in paragraph II, every purchaser shall be liable for the tax imposed by this chapter and such liability shall not be extinguished until the tax has been paid to the state, except that payment to a vendor or municipal registration agent required to collect the tax pursuant to RSA 78-D:6 is sufficient to relieve the purchaser from further liability for the tax.

II. Purchasers shall not be liable for or vendors or municipal registration agents required to collect tax on any motor vehicle purchased or used in this state prior to January 1, 2002.

78-D:8 Presumption of Taxability; Notice to Commissioner

I. For the purposes of this chapter, the New Hampshire registration, transfer of registration or issuance of a New Hampshire certificate of title of a motor vehicle shall be presumed to be a transfer upon which the tax applies except as provided in RSA 78-D:3.

II. Upon the return of the certificate of registration, as required by RSA 261, the director of the division of motor vehicles shall forthwith inform the commissioner of the date of transfer and the names and addresses of the former and new owners.

78-D:9 Purchase Price, Investigation and Adjustment; Affiliated Interests.

I. The commissioner may investigate and adjust the purchase price of any motor vehicle the transfer of which is subject to the provisions of this chapter. In instances where it appears to the commissioner that the purchase price reported does not represent the actual value of such consideration, the commissioner may adjust the purchase price of said motor vehicle at the average book value of vehicles of the same make, type, model and year of manufacture as designated by the manufacturer, as shown in the Official Used Car Guide, National Automobile Dealers Association (New England Edition) or any comparable publication, less the lease end value of any leased vehicle. The commissioner may compute and assess the tax due thereon in the manner provided for the assessment of taxes in this chapter.

II. The commissioner may investigate and adjust the value of any motor vehicle trade-in allowed or taken as a deduction to the purchase price of a motor vehicle in the same manner as provided in paragraph I.

III. The commissioner may investigate and adjust the lease end value of any motor vehicle transferred subject to the provisions of this chapter. In instances where it appears to the commissioner that the reported lease end value of a motor vehicle does not represent a commercially reasonable value, the commissioner shall, pursuant to uniform and equitable rules, establish a reasonable, commercial value for the end of the lease period. The commissioner may compute and assess the tax due thereon in the manner provided for the assessment of taxes in this chapter.

IV.(a) In determining the purchase price on the sale, lease or use of a motor vehicle where, because of affiliation of interests between the vendor and purchaser, or irrespective of any such affiliation, if for any other reason the purchase price declared by the vendor or taxpayer on the taxable sale or use of such vehicle is, in the opinion of the commissioner, not indicative of the true value of the vehicle or the fair price thereof, the commissioner shall, pursuant to uniform and equitable rules, determine the amount of constructive purchase price upon the basis of which the tax shall be computed and levied. Such rules shall provide for a constructive amount of purchase price for each such sale, lease or use which would naturally and fairly be charged in an arm's-length transaction in which the element of common interest between the vendor or purchaser is absent or if no common interest exists, any other element causing a distortion of the price or value is likewise absent.

(b) For the purpose of this paragraph where a taxable sale or purchase at retail transaction occurs between a parent and a subsidiary, affiliate, or controlled corporation of such parent corporation, there shall be a rebuttable presumption that, because of such common interest, such transaction was not an arm's-length transaction.

78-D:10 Tax Reports and Returns; Date Payment Due.

I.(a) Every vendor shall, on or before the 20th day of the calendar month following the collection of taxes imposed by this chapter, file a report by electronic data submission of the sales and leases and taxes collected thereon for the preceding month to the department. This report shall be filed even though no tax may be due.

(b) If a vendor has been granted permission to make other than monthly filings, as provided in RSA 78-D:6, I the vendor shall make the report required in subparagraph I(a) in accordance with the schedule permitted by the commissioner, even though no tax may be due.

(c) On or before the 20th day of September, every vendor liable to collect and pay over the taxes imposed by this chapter shall make a return to the department reporting the results of the preceding 12-month period beginning July 1 and ending June 30. Such return shall recapitulate the reports filed as required by subparagraph I(a) or (b) and shall provide such other information as the commissioner shall require.

II. Taxes collected by every vendor or municipal registration agent shall be paid to the state on or before the 20th day of the calendar month following collection of the tax or the purchase or use of tangible personal property. The vendor shall remit the taxes due by electronic funds transfer to the department. The municipal registration agent shall remit taxes to the department at the times and in the manner required by the commissioner

III. Notwithstanding the provisions of any other law, reports, returns, and remittances due under this chapter shall be considered timely only if received by the department on or before the 20th day of the calendar month in which they were due. If this due date falls on a Saturday, Sunday, or legal holiday, then the returns and remittances due under this chapter shall be filed no later than the next business day.

IV. The department shall notify the vendor of a successful electronic filing and remittance and provide the vendor with a confirmation number which shall serve as proof of filing and remittance.

V. All reports and returns shall contain an electronic authorization by the vendor or an authorized representative which shall be subject to the pains and penalties of perjury.

VI. Any vendor who ceases to engage in business activity in this state and is thereby not responsible for filing reports and returns under this chapter, shall file a final return with the department not more than one month after discontinuing such activity. This requirement shall apply notwithstanding any other provision of this chapter regarding the time within which to file a report or return.

VII. If the commissioner finds that the information required for the making of an accurate return cannot reasonably be compiled by a vendor within the period provided in this section, the commissioner may grant an extension of time for the filing of such return. Any such extension shall be granted for a period not to exceed 31 calendar days. The granting of such extension may be conditioned upon the payment by the vendor of an amount of money equal to the amount estimated by the commissioner to be due with the return when filed under extension. All such estimated payments shall be credited against the vendor's liabilities under this chapter. The vendor shall pay to the department the amount of tax imposed by this chapter at the time the return is due.

78-D:11 Books, Records, Papers, and Other Documents.

I. Every vendor maintaining a place of business in this state or required to file or actually filing in this state shall keep books, records, papers, certificates, and other documents which are adequate to reflect the information required to be reported to the department by the filing of timely reports or returns or maintained for inspection by the department.

II. All books, records, and other papers and documents required to be kept by this chapter shall, at all times during business hours of the day, be subject to inspection by the department.

78-D:12 Determination of Tax; Additional Returns.

I. If a return required by this chapter is not filed, or if a return when filed, is incorrect or insufficient, the amount of tax due shall be determined and assessed by the commissioner from any information available.

II. When the commissioner has reason to believe that a vendor has failed to file a report or return or to include any part of the taxable receipts of sales by such vendor in a filed report or return,

the commissioner may require the vendor to file a return or a supplementary return showing such additional information as the commissioner prescribes. The making of such additional return does not relieve the vendor of any penalty for failure to make a correct original report or return, or relieve it from liability for interest imposed under RSA 21-J:28 or for any additional charges imposed by the commissioner. This section shall not be construed to modify or extend the statute of limitations provided in RSA 21-J:29

78-D:13 Administration; Rulemaking.

I. The commissioner shall collect the taxes imposed under this chapter, interest on tax, additions to tax, and penalties imposed, and pay over to the state treasurer the amount of funds collected under this chapter for deposit in the general fund.

II. The commissioner shall adopt rules, under RSA 541-A, relative to:

- (a) The form and content of the reports and returns required by this chapter.
- (b) The method of electronic authorization required by RSA 78-D:10.
- (c) Alternative filing procedures in the event there is an electronic equipment malfunction.
- (d) The administration of the tax.
- (e) The recovery of any tax, interest on tax, additions to tax, or penalties imposed by RSA

78-D or RSA 21-J.

III.(a) The commissioner shall adopt emergency rules under RSA 541-A relative to:

- (1) The form and content of the reports and returns required by this chapter.
- (2) The method of electronic authorization required by RSA 78-D:10.
- (3) Alternative filing procedures in the event there is an electronic equipment malfunction.
- (4) The administration of the tax.
- (5) The recovery of any tax, interest on tax, additions to tax, or penalties imposed by RSA

78-D or RSA 21-J.

(b) Notwithstanding RSA 541-A:18, II, such emergency rules shall be effective for 180 days.

After 180 days the commissioner shall adopt rules pursuant to RSA 541-A.

78-D:14 Surety Bonds.

I. When the commissioner deems it necessary to protect the revenues due under this chapter, the commissioner may, after notice and hearing, require any vendor required to collect the tax imposed by this chapter to file with the commissioner a bond issued by a surety company authorized by the New Hampshire insurance department to do business in this state, in an amount fixed by the commissioner, to secure the payment of any tax, interest, or penalties due, or which may become due. The vendor shall file a bond within 10 days after the department has issued and mailed such notice. Surety bonds may be required in situations such as, but not limited to, failure to file reports or returns, failure to make payments with reports or returns at the time required by law, tender by a vendor of checks returned for insufficient funds, failure to pay interest and penalties assessed, vendors who are itinerant, transient, or temporary, and any other situation which, in the discretion of the commissioner, renders the collection of the tax in jeopardy.

II. The surety on such bond shall be discharged from the liability accruing on the bond after the expiration of 60 days from the date on which the surety shall have logged with the department a written request to be so discharged; but such request shall not discharge such surety from any liability already accrued or which shall accrue before the expiration of this 60-day period. The duration of surety bonds shall be for one year only, unless the requirement is canceled or revised by the commissioner before the expiration of the one-year period.

III. In lieu of a bond, cash in an amount prescribed by the commissioner may be deposited with the state treasurer who may, at any time, upon instructions from the commissioner and without notice to the depositor, apply the cash deposited to any tax or interest or penalties due. Cash deposited in lieu of a surety bond shall not earn interest.

IV. Failure to comply with the provisions of this section shall result in the suspension of the vendor's registration license, as provided in RSA 78-D:18.

78-D:15 Motor Vehicle Registration. No certificate of registration shall be issued by the director of the division of motor vehicles to the new owner until such new owner shall furnish evidence, on such forms as shall be prescribed by the commissioner and the director of the division of motor vehicles, that any tax due under the provisions of this chapter has been paid. If payment of any such tax due is made by check and said check is not duly paid, the director of the division of motor vehicles may, after hearing, revoke the certificate of registration. Such tax shall be considered as

a first encumbrance against such vehicle and the vehicle may not be transferred without first payment in full of such tax and any interest additions or penalties which shall accrue thereon in accordance with this chapter or RSA 21-J.

78-D:16 Proceedings to Recover Taxes.

I. The commissioner may institute actions in the name of the state to recover any tax, interest on tax, additions to tax, or penalties imposed by this chapter.

II. In the collection of the tax imposed by this chapter, the commissioner may use all of the powers granted to tax collectors under RSA 80 for the collection of taxes, except that the tax imposed by this chapter shall not take precedence over prior recorded mortgages. The commissioner shall also have all of the duties imposed upon the tax collectors by RSA 80 that are applicable to the commissioner. The provisions of RSA 80:26 shall apply to the sale of land for the payment of taxes due under this chapter, and the state treasurer is authorized to purchase the land for the state. If the state purchases the land, the state treasurer shall certify the purchase to the governor, and the governor shall draw a warrant for the purchase price out of any money in the treasury not otherwise appropriated.

78-D:17 Vendor Licenses; Registration.

I. On or before January 1, 2002, or in the case of vendors commencing business or opening new places of business after that date, within 3 days after the commencement or opening, every vendor required to collect any tax imposed by this chapter shall file with the commissioner a license application in a form prescribed by the commissioner. The commissioner shall issue, without charge, to each applicant a license of authority empowering the applicant to collect the tax. Each license shall state the place of business to which it is applicable. The license shall be prominently displayed in the place of business of the vendor. A vendor who has no regular place of doing business shall attach the certificate to the vendor cart, stand, truck, or other merchandising device, or carry it on the vendor person. The certificate shall be nonassignable and nontransferable and shall be surrendered to the commissioner immediately upon the vendor ceasing to do business at the place named.

78-D:18 Suspension or Revocation of Licenses; Appeal.

I. The commissioner may, after notice and hearing, suspend or revoke the license of any vendor required to collect the tax or may refuse to issue or renew any license for failure to comply with this chapter or with any rules adopted hereunder.

II. Any person required to collect the tax aggrieved by a suspension, revocation, or refusal may appeal therefrom, in the same manner as provided in RSA 21-J:28-b for appeal for redetermination or reconsideration of assessments, within 10 days after written notice of the suspension, revocation, or refusal has been mailed or delivered to such person.

III. If the appealing person required to collect the tax files a bond running to the state as provided in RSA 78-D:14, then the suspension or revocation shall be inoperative during the appeal.

78-D:19 Refunds.

I. Claims for refund or credit may be made by a purchaser who has actually paid the tax or by a vendor required to collect the tax who has collected and paid over the tax to the department; provided, however, that the claim is timely made in accordance with RSA 21-J:28-a and RSA 21-J:29. No actual refund of moneys shall be made to a vendor until such person establishes to the satisfaction of the commissioner, under such rules as the commissioner may adopt, that such vendor has repaid to the purchaser the amount for which the application for refund is made or established that no refund is due the purchaser. The commissioner may, in lieu of any refund, allow credit on payments due from the claimant. If the commissioner determines, on a claim for refund or otherwise, that a person has paid an amount of tax under this chapter which, as of the date of the determination, exceeds the amount of tax liability owing from the person to the state, with respect to the current and all preceding taxable periods, under any provision of this title, the commissioner shall forthwith refund the excess amount to the person together with interest as provided in RSA 21-J:28.

78-D:20 Liens. If any person required to pay or collect and transmit a tax under this chapter neglects or refuses to pay the same after demand, the amount, together with all penalties and interest provided for in this chapter and together with any costs that may accrue in addition thereto, shall be a lien in favor of the state of New Hampshire upon all property and rights to property, whether real or personal, belonging to such person. Such lien shall arise at the time demand is made by the commissioner and shall continue until the liability for such sum with interest and costs is satisfied or becomes unenforceable. No lien upon real estate for taxes imposed by this chapter is valid and

binding against any person other than the taxpayer until notice of such lien, stating the name and address of the taxpayer and the amount of the tax due, shall have been filed and recorded in the registry of deeds in the grantor index in the county in which such real estate is located. Notwithstanding the provisions of any other law, the lien shall continue and shall be valid and binding until the liability for the sum, with interest and costs, is satisfied or becomes unenforceable.

2 Legacies and Succession Tax; Taxable Property. Amend RSA 86:6, I to read as follows:

I. All property within the jurisdiction of the state, real or personal, and any interest therein, belonging to domiciliaries of the state; and all real estate within the state, or any interest therein, belonging to persons who are not domiciliaries of the state; which shall pass by will, or by the laws regulating intestate successions, or by deed, grant, bargain, sale or gift, made in contemplation of death, or made or intended to take effect in possession or enjoyment at or after the death of the grantor or donor, to any person, absolutely or in trust, shall be subject to a tax of 18 percent of its fair market value for the use of the state, except as provided in paragraphs II and III and RSA 86:9-a and except as follows:

(a) *From July 1, 2001 to June 30, 2002, the first \$200,000 of estate value shall not be taxable under this chapter.*

(b) *From July 1, 2002 to June 30, 2003, the first \$400,000 of estate value shall not be taxable under this chapter.*

(c) *From July 1, 2003 to June 30, 2004, the first \$500,000 of estate value shall not be taxable under this chapter.*

(d) *From July 1, 2004 to June 30, 2005, the first \$600,000 of estate value shall not be taxable under this chapter.*

(e) *From July 1, 2005 to June 30, 2006, the first \$800,000 of estate value shall not be taxable under this chapter.*

(f) *On or after July 1, 2006, the first \$1,000,000 of estate value shall not be taxable under this chapter.*

3 Effective Date.

I. Section 1 of this act shall take effect July 1, 2001 and shall apply to all motor vehicle transfers, whether by sale or lease, that occur on or after January 1, 2002.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes a titled motor vehicle transfer tax.

This bill also establishes phase-in provisions under the legacies and successions tax. Beginning July 1, 2001, estates are exempt from taxation on the first \$200,000 of value. This tax exempt amount increases each year until July 1, 2006, when estates of \$1,000,000 or less in value shall be exempt from the legacies and succession tax.

Rep. Sapareto requested the question be divided.

The Speaker ruled the question was divisible

Rep. Sapareto requested that Section 2 be divided, spoke in favor and yielded to questions.

Rep. John Pratt spoke against.

On a division vote, 155 members having voted in the affirmative and 226 in the negative, Section 2 of the Sapareto floor amendment failed.

Rep. Sapareto withdrew the remainder of his floor amendment.

Rep. McGuirk requested a roll call; sufficiently seconded.

The question being adoption of the motion of Ought To Pass with Amendment.

and the motion was adopted.

RECONSIDERATION

Having voted on the prevailing side, Rep. DiFruscia moved that the House reconsider its action on **HB 50-FN-A-L**, relative to sources of funding an adequate education.

Rep. DiFruscia spoke in favor and yielded to questions.

Reps. Spiess and Kacavas spoke against.

Rep. Scanlan requested a roll call; sufficiently seconded.

The question being reconsideration of the vote whereby the committee amendment was defeated.

and the motion failed.

Rep. Harrington notified the Clerk that he voted inadvertently after declaring a conflict of interest indicating that he would not participate.

Rep. Hager moved Inexpedient to Legislate.

Adopted.

MOTION TO SPECIAL ORDER

Reps. Scanlan and Burling moved that **HB 759-FN-A-L**, establishing a flat rate education income tax, relative to the state education property tax and certain other taxes, and relative to other sources of funding for education, and **HB 766-FN-A-L**, establishing a New Hampshire education tax on gross receipts from the consumption of sales of goods and services as a source of funding for education, reducing the rates of other state taxes, and increasing certain exemptions to the interest and dividends tax be made a Special Order for Thursday, April 19, 2001 for the beginning of the Regular Calendar; and the bills removed from the Consent Calendar be made a Special Order for Thursday April 19, 2001 for the end of the Regular Calendar.

Adopted.

RESOLUTION

Rep. Scanlan offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Thursday, April 19, 2001 at 10:00 a.m.

Adopted.

LATE SESSION

Third reading and final passage

HB 289-FN, implementing procedures for a hospital to assume care and custody of an abandoned child and creating an exception to the crime of endangering the welfare of a child.

HB 509, establishing a statute of limitations on spousal support orders.

HB 699, relative to the rights of non-offending parents in the context of abuse and neglect cases.

HB 394, relative to short-term health insurance policies for certain persons.

HB 525, relative to property and casualty insurance.

HB 534, relative to "salvage" motor vehicles.

HB 580, requiring health insurance carriers to provide loss information to large employers at least once every 6 months.

HB 591, relative to certain prescription discount cards.

HB 680, relative to foreign reinsurers.

HB 702, relative to the duties of the committee to study the consumer protection effort in New Hampshire.

HB 731, relative to securities laws.

HB 745-FN, revising Article 9 of the Uniform Commercial Code and related statutes.

HB 753, relative to exemptions from issuer dealer licenses for the sale of securities.

HB 481, relative to access to certain communications common carrier records.

HB 659-FN, relative to penalties for attempting to purchase firearms illegally.

HB 764-FN, relative to interference with custody.

HB 412, relative to requiring the public higher education study committee to study the feasibility of granting of state franchise rights to providers of on-line education courses.

HB 154, relative to candidates of parties nominated by nomination papers and relative to vacancies for office on a party ticket.

HB 224, relative to persons who may sign nomination papers.

HB 373, relative to surety bonds for detective agencies and security services.

HB 387, relative to the regulation of dentistry by the board of dental examiners.

HB 477-FN, relative to supplemental allowances for certain retired group I members of the New Hampshire retirement system.

HB 511, relative to continuing medical education requirements for physicians.

HB 584-FN-A, relative to the registration and licensure of OHRV dealers and rental agents.

HB 630, establishing a committee to study the need for the regulation of professions which are alternative or complementary to existing regulated health professions.

HB 727, making certain changes concerning the authority and operation of the port authority.

HB 738, establishing a commission to assess the operating efficiency of state government.

HB 206-FN-A, establishing an equipment depository and disabled person's employment fund in the department of administrative services.

HB 288-FN, relative to the licensure of interpreters for the deaf and hard of hearing.

HB 305-FN-A, establishing a dedicated fund for certain fish and game funds to be expended for the purpose of operation game thief.

HB 547-FN, authorizing participation in a regional electronic toll collection system.

HB 612, relative to expenditures from the dam maintenance fund by the department of environmental services.

HB 588, relative to examination of persons called as jurors.

HB 616, clarifying sessions to be held at the satellite district court in Durham.

HB 622, relative to the time period for the executive council to confirm nominees to the Supreme Court.

HB 703, relative to durable powers of attorney.

HB 275, relative to the expenditure of funds received pursuant to the Workforce Investment Act.

HB 614, relative to certain duties, responsibilities, and authority of the fiscal committee.

HB 435, relative to assessment of service charges by municipalities and counties that accept credit cards for payment of local taxes, utility charges, or other fees.

HB 512, relative to off-site improvements imposed on applicants to a planning board.

HB 723, relative to vacancies in county offices.

HB 413, relative to ownership of rail properties.

HB 653-FN, relative to certain signs within highway rights-of-way.

HJR 5, encouraging the use of renewable energy systems in new or rehabilitated state buildings.

HB 578, relative to requirements for nonpublic utility providers of telephone services and competitive telecommunications providers, and relative to the information technology management advisory board.

HB 219, relative to the rules of the road involving school buses.

HB 615, relative to the duties of motor vehicle inspectors.

HB 652, relative to the penalties for reckless or negligent operation of a motor vehicle.

HB 663, relative to lights on school buses.

HB 669, requiring certain safety devices on freight locomotives.

HB 186-FN-A, establishing a pesticides training program.

HB 303-FN-A-L, relative to funding of training and certification of firefighters and emergency medical service providers programs in the department of safety, extending certain motor vehicle license expiration dates, and increasing certain motor vehicle license fees.

HB 310, setting the rate for the medicaid enhancement tax for the biennium ending June 30, 2003.

HB 1-A, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 2002, and June 30, 2003.

HB 2-FN-A, relative to state fees, funds, revenues, and expenditures.

HB 25-FN-A, making appropriations for capital improvements.

HB 748-FN-A-L, revising the definition of an adequate education and revising the weighted pupil formula used to calculate the cost of an adequate education.

HB 170-FN-A, repealing the legacies and succession tax.

MOTION TO RECONSIDER

Having voted on the prevailing side, Rep. Burling moved that the House reconsider its action whereby it found **HB 50-FN-A-L**, relative to sources of funding an adequate education, **Inexpedient** to Legislate.

Rep. Pappas requested a roll call; sufficiently seconded.

The question being reconsideration of **Inexpedient** to Legislate.

UNANIMOUS CONSENT

Rep. Buckley addressed the House.

Rep. Mirski requested that Rep. Buckley's remarks be printed in the Journal.

Adopted.

REMARKS

Rep. Buckley: Thank you, Mr. Speaker. Members of the House, I know this has been a long day full of heated emotion but I ask your indulgence for just a few moments. Last week we lost a colleague that I don't believe many of you really had the opportunity to know. So I would like to take just a few moments at the end of the day as we take our breath before we go home to either untwist our twisted arms or take that extra swig of whatever you wish to swig and reflect on the person who was so proud to be a member of this House. There was a book published just a few months ago Under the Bridge, Stories and Poems by Manchester's Homeless. First I would like to read a poem, "How Could I Say No", that was written by a constituent of mine in Manchester's Ward 8. This is about Bonnie Patria.

How Could I Say No

How could I say no to someone I hold dear?

Through no fault of her own left homeless.

When it was me who told her put up with the abuse no longer.

Her struggle has been for so long and

Where she got her strength God only knows.

Through many miracles He healed her.

Now how can I refuse to give her a place to stay? I cannot.

It will be He who judges me someday.

I have so much; she so little, yet she has faith and her smile brightens my day.

I wish I could be as strong as her!

I know what people who have and not need think.

I can't take a chance; I just can't trust.

When one looks really deep inside you find what really matters.

Compassion, caring, concern and love.

It hides inside deep down where it can be reached.

So I did it for a short time, but it took more.

A lot more of time, research, working with agencies, housing and filling out lots of papers.

It gave her a feeling of worth. No more being pushed aside.

Yes there was someone who cared.

Now wouldn't it be just wonderful

if more people could do just the same to someone homeless?

The rewards are worth it.

by Sandra Rogers

There's a story of which Bonnie, when she was talking about this book, was very proud. It was published in here about herself. This, hopefully, will give you a little insight on this wonderful colleague of ours whom we just lost.

*Fighting For The Homeless**by Bonnie Patria*

I've been fighting for lunch for the homeless people in New Hampshire since 1996. The State House recognized the bill I put in the state legislature to provide lunch to all homeless people who do volunteer work in a shelter or the community. This bill is called SB-100.

State Senator Lou D'Allesandro and Representative Martha Fuller Clark sponsored this important bill. However, the bill was killed by the Finance Committee Office because of insufficient funds. It seems that education has top priority over hunger in New Hampshire. Mr. Kurk said that WMUR-TV Channel 9 News and the Union Leader newspaper could tell the generous people of New Hampshire to donate sandwiches to local homeless shelters. I feel there are many caring citizens who would help to feed the homeless people.

Governor Jeanne Shaheen gave me an award on Dec. 6, 1997, because I used my own money to feed lunch to the homeless people at New Horizons for four months in 1996. Recently, Mr. & Mrs. Gore thanked me for my good work with the homeless and mentally ill people.

In April and May of 1999, I was homeless due to serious marital problems and lack of money. Selectman Sandra Rogers took me into her home until I found an apartment in Ward Three. I even slept one night on a park bench in front of the State House in Concord.

Breast cancer and surgery in 1998 didn't kill me, but I had to curtail my volunteer services at the New Horizons shelter. I received a clean bill of health from a recent mammogram and I was able to walk for the Breast Cancer Research and join in a candlelight vigil for the Mental Health Alliance. For two years I have served as a state delegate and in September 1999 I won the primary in a selectman election which placed me on the ballot for the coming November election.

I wrote a story about Jeanne Shaheen that won Rutgers' approval and received recognition from Good Housekeeping and Esquire magazines. This story was about how hard the governor fights for the poor and homeless.

It was fun lobbying at the State House for a nursing home for the elderly. The bill never reached the Senate because it was killed in the House.

The states of Massachusetts, New York and New Jersey are interested in the New Hampshire SB-100 for a pilot program, but I think New Hampshire should be the first to adopt it since the idea originated with me in New Hampshire.

My reason for going into politics is to provide a voice for the homeless and poor people. There is a strong need for better services to end the hunger and poverty here in New Hampshire. I pray that New Hampshire will be the leader of all the states in providing lunch to all the homeless people demonstrating unconditional empathy and compassion. Community support may be obtained working through the media.

Before she was sworn in, she gave me a copy of a letter she sent to Justice Brock. To many people, talking about how the issues affect the low income and those who have different challenges is cumbersome, they do it every once in a while. The very first letter that Bonnie wrote and that she placed on my desk, she was so very proud of it, was to Justice Brock, was a request as an individual member-elect actually, about how she as a legislator could provide affordable housing and help the homeless people.

Last week I received a handwritten letter from Bonnie. It was misdirected, the address was wrong on the envelope, so I didn't get it 'til later on. It's in her handwriting and it says "Dear Ray, I have to give up my seat in Ward Three because the cancer has gotten worse. I can no longer go to the State House and I'm homebound now. I miss everyone at the Democratic Party and faithfully watch your show every week. You and Mark do a good show. Please give everyone my love at the State House. Representative Bonnie Patria."

I know that so often we talk about a passing member and then move on with our life; but tomorrow (Thursday) evening at 7:00 p.m. your presence would certainly be appreciated. She's not one of a great family or huge amount of support system and she cared for each one of us very, very deeply. I know Rep. Burling announced earlier, but I think it would do all of us a world of good if each and everyone of us went to honor this person who was so proud and cared so much about this legislature.

It will be at the Hope Tabernacle Church at 222 Cedar Street in Manchester and I hope to see all of you there tomorrow evening. Thank you.

RECESS MOTION

Rep. Scanlan moved that the House stand in recess for the purpose of enrolled bill amendments and enrolled bill reports only.

Adopted.

The House recessed at 5:45 p.m.

RECESS**(Speaker Chandler in the Chair)**

Rep. Scanlan moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 13

Thursday, April 19, 2001

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Her Excellency, Governor Jeanne Shaheen joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

Compassionate Creator, bless the work of this honorable House to the benefit of Your people, bless us to Thy service and make us ever mindful of the needs of those around us. Amen.

Rep. Goodwin led the Pledge of Allegiance.

Kathleen MacNeil, Heather Fay, Jeff Paveglio and Nick Edes, sophomores from Bow High School, sang our National Anthem.

LEAVES OF ABSENCE

Reps. Mikowski and Irene Pratt, the day, illness.

Reps. Corbin, Kenney, O'Keefe, and Rozek, the day, important business.

Rep. Solow, the day, illness in the family.

INTRODUCTION OF GUESTS

Jennifer Goudreau, guest of Rep. Woodward. Jim Dodge, his grandchildren Sarah and James, guests of Rep. Leach. Mary Ella Keith, daughter of Rep. Bowles.

SPECIAL GUESTS

The Manchester Central High School Boys' Basketball Team, Class L State Champions, guests of the House.

ENROLLED BILLS REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled House Bills 102, 109 and 113.

Rep. Nowe, Sen. Pignatelli for the Committee

SPECIAL ORDER

HB 759-FN-A-L, establishing a flat rate education income tax, relative to the state education property tax and certain other taxes, and relative to other sources of funding for education. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. Howard C. Dickinson for the Majority of Ways and Means: HB 759 would impose a statewide income tax and radically re-structure the state's tax and revenue structure. The majority of the committee believes that the income tax would seriously damage and undermine New Hampshire's economy. The recently released study by Standard & Poor's DRI, "Economic Impact of a New Hampshire Income Tax," concluded that the enactment of a broad-based state income tax would result in nearly 20,000 fewer jobs, a \$3.3 billion annual reduction in disposable personal income, and a sharp decline in home values. The negative impact of an income tax is widespread but particularly hard hitting in manufacturing, business services (including software), financial services, retail and wholesale trade and construction (including home building). The income tax would be grossly unfair to many in our state. It would not allow for the deduction for home mortgage interest or property taxes. It would tax retirement savings for some, but not for others. It would not allow for the deduction of catastrophic medical expenses. It would tax capital gains. Imposition of an income tax would be a risky and radical choice that could very easily cause great damage to the economy of New Hampshire while also imposing great inequities on our residents. This is not the time to raise over 700 million dollars to solve a 100 million-dollar problem. Vote 14-6.

Rep. Susan W. Almy for the Minority of Ways and Means: HB759 as amended, solves our current school and general fund problem for the long term, and is also true tax reform. It undoes most of the tax increases in the stopgap solution passed last time and repeals the Interest & Dividends, Legacy and Succession, and Business Enterprise taxes. It replaces these with a low-rate income tax with exemptions keyed to the cost of basic living expenses (\$11,000 per taxpayer and \$3,000 per dependent). Social security and equivalent pensions are exempt, and a renter's credit gives an equivalent benefit to the homeowners' property tax homestead exemption. The statewide property tax is reduced to \$4.50, and all homes receive a \$150,000 exemption from it; the income tax allows full exemption of the tax on a more expensive home, for those who live and earn in the state. Together, the income tax, the reduced statewide property tax, and sweepstakes fully fund the education trust fund into the foreseeable future. Existing general fund appropriations for education are no longer necessary, relieving us of the threatened general budget deficit. The revenue estimate is based on one of the best micro-simulation models in the country; it assumes zero growth in taxable income during the current year, and considerably less than the state's 30-year average growth rate during the next four years. The bill's plan is doable, sustainable, fair, and good for New Hampshire. Reps. Almy, Rowe and Hager spoke against and yielded to questions.

Reps. Dickinson, Harrington, Itse and Sapareto spoke in favor and yielded to questions.

Rep. Brewster spoke against.

Reps. Furman, Gonzalez, Hopper, Mirski and McRae spoke in favor.

Rep. Camm requested a roll call; sufficiently seconded.

The question being adoption of the majority report.

and the majority report was adopted.

RECONSIDERATION

Having voted on the prevailing side, Rep. Kurk moved that the House reconsider its action whereby it voted **HB 759-FN-A-L**, establishing a flat rate education income tax, relative to the state education property tax and certain other taxes, and relative to other sources of funding for education, Inexpedient to Legislate.

Rep. Avery requested a roll call; sufficiently seconded.
The question being reconsideration.

and reconsideration failed.

MOTION TO INDEFINITELY POSTPONE

Rep. Mirski moved that **HB 759-FN-A-L**, establishing a flat rate education income tax, relative to the state education property tax and certain other taxes, and relative to other sources of funding for education, be indefinitely postponed.

Reps. Hager and Burling spoke against.

Rep. Dickinson spoke in favor.

Rep. Soltani requested a roll call; sufficiently seconded.

The question being Indefinite Postponement.

and the motion to indefinitely postpone failed.

HB 766-FN-A-L, establishing a New Hampshire education tax on gross receipts from the consumption of sales of goods and services as a source of funding for education, reducing the rates of other state taxes, and increasing certain exemptions to the interest and dividends tax. **INEXPEDIENT TO LEGISLATE**

Rep. Howard C. Dickinson for Ways and Means: While many members of the committee remain intrigued with the basic concept of this bill, in its present form, including a last minute amendment that changed many of its provisions and definitions, the majority believed that the consequences of its novel revenue generation scheme were impossible to predict. Department of Revenue Commissioner Stanley Arnold testified that his department could not prepare a fiscal note on either the revenue that the bill could produce, the impact of tax exemptions that the bill's amendment contemplated, or the cost to implement and administer the bill. Even the committee members who voted against the motion of inexpedient to legislate concurred with the majority that the bill should not be adopted in its present form but would require substantial additional analysis and likely revisions in any case. Vote 10-8.

Reps. Ward and Peterson spoke against and yielded to questions.

Reps. Dickinson, Major, Gilbert and Herman spoke in favor.

Rep. John Pratt spoke against.

Rep. Gilbert spoke in favor and yielded to questions.

Rep. Haley requested a roll call; sufficiently seconded.

The question being adoption of the report.

REGULAR CALENDAR

HB 451, establishing a commission to study the impact of pay and benefits for child care workers on the quality of care and education for children. **OUGHT TO PASS WITH AMENDMENT**
Rep. Laura C. Pantelakos for Children and Family Law: This bill sets up a commission to study all aspects of child care, including pay and health care benefits for child care workers. Creative funding methods will also be explored. Vote 10-5.

Amendment (0622h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a commission to study the impact of pay and health care benefits for child care workers on the quality of care and education for children by considering and exploring funding methods for accomplishing any recommendations.

Amend the bill by replacing sections 1-4 with the following:

1 Findings. The general court finds that:

I. Quality early learning and care is critical to the well-being of an estimated 48,000 children who need out-of-home care while their parents work.

II. New Hampshire employers are already losing as much as \$24 million per year because of child-care-related absenteeism; continued erosion of affordable, available child care threatens increased harm to the state's economy. A significant part of New Hampshire's labor force is made up of the parents of 74 percent of preschoolers in New Hampshire who require child care to enable them to work.

III. Some of the chief causes of a lack of available child care and poor quality child care are high employee turnover and inexperienced staff, a major cause of which is the fact that as many as 2/3 of child care workers do not have access to affordable health insurance.

IV. Qualified and educated individuals who want to make a professional career in child care are unable to do so because of the low pay and lack of benefits, especially health insurance.

V. The urgency of this crisis requires that a special commission be established that brings the creative forces of business, the executive branch, child care providers and insurance experts to identify and recommend ways by which affordable health insurance can be made available to child care workers in New Hampshire.

2 Commission Established. There is established a commission to study the impact of pay and benefits for child care workers on quality of care for children.

3 Membership and Compensation.

I. The members of the commission shall be as follows:

(a) Two members of the house of representatives, appointed by the speaker of the house.

(b) Two members of the senate, appointed by the president of the senate.

(c) The governor or designee.

(d) The commissioner of insurance or designee.

(e) Two representatives from the department of health and human services, one of whom shall be from the child development bureau and the other from the division of family assistance, appointed by the commissioner of health and human services.

(f) The commissioner of education, or designee.

(g) A representative from New Hampshire Business Partners for Early Learning, selected by that organization.

(h) A representative from the University of New Hampshire knowledgeable in research related to the quality of child care programs, selected by the chancellor of the university.

(i) A representative from the New Hampshire Child Care Association representing non-profit child care providers, selected by that association.

(j) A representative from the New Hampshire Family Child Care Association, selected by that association.

(k) A representative of private child care centers, appointed by the governor.

(l) A representative of New Hampshire Child Care Resource and Referral Network, selected by that organization.

(m) An individual who is a parent of a child in an early care and learning program, appointed by the governor.

(n) A representative from the New Hampshire Child Care Advisory Council, appointed by that body.

II. Legislative members of the commission shall receive mileage at the legislative rate when attending to the duties of the commission. Lay members of the commission shall not be reimbursed for their participation. However, the commission may accept private contributions to support its work.

4 Duties. The commission shall:

I. Investigate creative ways in which to make affordable health insurance available to all persons providing child care services to children and families in New Hampshire.

II. Investigate the experiences in other states with programs designed to improve pay and benefits of child care providers to ascertain whether these programs have led to an improvement in the quality and availability of child care in those states.

III. Monitor any private or other initiatives undertaken in New Hampshire which address pay and benefits to ascertain the impact on the quality of care for children, paying particular attention to issues of turnover and continuity of care experienced by children.

IV. Consider new and innovative funding methods for accomplishing any recommendations of the commission.

V. Hold at least 2 public hearings.

AMENDED ANALYSIS

This bill establishes a commission to issues regarding the pay and benefits of child care providers, including creative ways in which to make affordable health insurance available to persons providing child care services to children and families in New Hampshire.

Adopted.

Report adopted and ordered to third reading.

HB 229, relative to third person liability under the workers' compensation law. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Leo W. Fraser, Jr. for the Majority of Commerce: The majority of the committee believes that uninsured motorist coverage was never intended to apply to claims under the workers' compensation law. This bill was introduced in response to a New Hampshire Supreme Court decision that permitted a worker's compensation claimant to collect under her uninsured motorist policy. The majority of the committee is concerned about the long-term effects of this decision, such as further claims against uninsured motorist policies and an increase to auto insurance rates as a result of this new exposure to risk. Rate increases would be felt by all auto insurance policy holders while this new and unintended benefit would effect very few people. The intent of this bill is to close a loophole in the law because it is bad public policy to cost shift work-related injuries to auto insurance policies similar to the current law banning the use of health insurance for work-related injuries. The provisions of HB 229 were adopted by the House in the 2000 Session with the passage of HB 1241 on a roll call vote of 216-131. Vote 9-6.

Rep. Martha Fuller Clark for the Minority of Commerce: The minority of the committee believes that the current law, which allows for a person who is injured in an auto during working hours to seek full insurance protection against an underinsured or uninsured motorist, to be a good law, and one that should be left intact. Why should we do away with a positive benefit that has not been

abused and that potentially covers an injured worker for 100% of his or her medical expenses, plus pain and suffering? The minority of the committee cannot support passage of HB 229 which would substitute workers' compensation that only pays medical expenses plus 60% of the worker's income. Rep. Craig spoke against.

Rep. Hunt spoke in favor and yielded to questions.

Rep. Kurk requested a roll call; sufficiently seconded.

The question being adoption of the majority report.

HB 488, relative to the confidentiality of patient prescription records. OUGHT TO PASS WITH AMENDMENT

Rep. Leo W. Fraser, Jr. for Commerce: One of the most complex and difficult issues facing the New Hampshire General Court is privacy. Some problems include the current regulations promulgated by HIPPA (The Health Insurance Portability and Accountability Act of 1996) and the Gramm-Leach-Bliley Act of 1999 (GLBA). Even if laws are put on the books this year (such as HB 690 as amended), in the eyes of the committee, privacy will continue to be a major issue in the years to come. In order to have a method of review in place, the committee amended the context of the original HB 488 and with the support of the sponsor, set up a task force to continue a study of both GLBA and HIPPA. Vote 11-3.

Amendment (0875h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a task force to study certain issues regarding privacy.

Amend the bill by replacing all after the enacting clause with the following:

1 Task Force Established. There is established a privacy task force to study privacy issues as they pertain to federal law including, but not limited to, the Health Insurance Portability and Accountability Act of 1966 (HIPAA) and the Gramm-Leach-Bliley Act of 1999 (GLBA) and existing state laws relative to privacy issues.

2 Membership and Compensation.

I. The members of the task force shall be as follows:

- (a) Three members of the house of representatives, appointed by the speaker of the house.
- (b) Three members of the senate, appointed by the president of the senate.
- (c) The insurance commissioner, or designee.
- (d) The secretary of state, or designee.
- (e) The bank commissioner, or designee.
- (f) The commissioner of the department of safety, or designee.
- (g) The commissioner of the department of health and human services, or designee.
- (h) The commissioner of the department of administrative services, or designee.
- (i) The commissioner of the department of revenue administration, or designee.
- (j) The commissioner of the department of employment security, or designee.
- (k) One representative of each of the following industries, appointed by the governor:
 - (1) Banking.
 - (2) Insurance.
 - (3) Securities.
 - (4) Real estate.
 - (5) Financial service providers.
 - (6) Hospitals.
 - (7) Physicians.
 - (8) Retail pharmacists.
 - (9) Other health care providers.
- (l) Five members of the general public, appointed by the governor.

II. Legislative members of the task force shall receive mileage at the legislative rate when attending to the duties of the task force.

3 Duties. The task force shall study privacy issues as they pertain to federal law including, but not limited to, the privacy provisions of the Health Insurance Portability and Accountability Act of 1966 (HIPAA) and the Gramm-Leach-Bliley Act of 1999 (GLBA). The task force shall also include in its study a review of existing state laws relative to privacy issues.

4 Chairperson; Quorum. The members of the task force shall elect a chairperson from among the members. The first meeting of the task force shall be called by the first-named house member. The first meeting of the task force shall be held within 45 days of the effective date of this section. Eleven members of the task force shall constitute a quorum.

5 Report. The task force shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2002, provided that the committee shall make an interim report on or before November 1, 2001.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a task force to study privacy issues as they pertain to federal law and existing state laws relative to privacy issues.

Adopted.

Report adopted and ordered to third reading.

HB 564, requiring insurance coverage for certified midwives. **INEXPEDIENT TO LEGISLATE**
Rep. Leo W. Fraser, Jr. for Commerce: In the public hearing this bill generated many questions and concerns. To require this insurance mandate would entail many changes in the certification requirements that would make what is now a somewhat affordable option, less affordable. Given that there is at least one insurance company that does reimburse certified midwives, the committee believes that more insurance companies will find that the use of certified midwives is a positive option that should be paid for. The sponsors and co-sponsors both requested the Commerce Committee vote this bill as Inexpedient to Legislate. Vote 13-1.
Adopted.

HB 595, relative to single producer licensing. **OUGHT TO PASS WITH AMENDMENT**
Rep. Leo W. Fraser for Commerce: This legislation was introduced at the request of the Insurance Department. In 2000, the legislature adopted a law requiring insurance agents to be licensed as single

producers. The original bill clarifies some of the provisions of last year's law. The amendment to HB 595 exempts law firms acting as an agent of a title insurance company from the licensing requirements of the law. Individual attorneys, however, must be licensed agents. Vote 13-1.

Amendment (0859h)

Amend the bill by replacing all after section 12 with the following:

13 New Paragraph; Applicability. Amend RSA 416-A:15 by inserting after paragraph IV the following new paragraph:

V. Nothing herein shall be construed to require the licensing of a law firm acting as agent of a title insurance company; provided that any sale, solicitation, or negotiation of a contract of title insurance is conducted by a duly licensed title insurance producer.

14 Repeal. RSA 408:49, relative to renewal for agent, is repealed.

15 Effective Date. This act shall take effect 60 days after its passage.

Adopted.

Report adopted and ordered to third reading.

HB 687-FN, relative to labeling requirements of genetically engineered foods. INEXPEDIENT TO LEGISLATE

Rep. Stephen G. Avery for Commerce: Mandatory labeling requirements for perceived problems are not required by the Food and Drug Administration (FDA). They have, however, provided guidance for industry bulletins on voluntary labeling indicating whether foods have or have not been developed using bioengineering. The New Hampshire Farm Bureau and the New Hampshire Grocers' Association opposed the bill. An average supermarket has over 30,000 new food products each year. If this bill were enacted, somewhere near two thirds of all these products would have to be specially labeled. The committee felt that this legislation was not necessary. Vote 12-3.

Adopted.

SENATE MESSAGE

REQUESTS CONCURRENCE WITH AMENDMENT

HB 489, relative to the regulation of rural electric cooperatives by the public utilities commission. (Amendment printed SJ 04/12/01)

Rep. Jeb Bradley moved that the House concur, spoke in favor and yielded to questions.

MOTION TO LAY ON THE TABLE

Rep. Wendelboe moved that the motion to concur with the Senate amendment to **HB 489**, relative to the regulation of rural electric cooperatives by the public utilities commission, be laid on the table. On a division vote, 59 members having voted in the affirmative and 309 in the negative, the motion failed.

The question now being the adoption of the motion to concur with the Senate amendment to **HB 489**, relative to the regulation of rural electric cooperatives by the public utilities commission. On a division vote, 334 members having voted in the affirmative and 34 in the negative, the motion was adopted.

SUSPENSION OF RULES

Reps. Scanlan and Burling moved that the Rules be so far suspended as to permit the deadline for the House to act on all House FN bills and budgets and for committees to report lists of retained House bills to be moved to Thursday, April 26th.

Adopted by the necessary two-thirds.

SPECIAL ORDER

Rep. Scanlan moved that the remainder of today's calendar be Special Ordered to Wednesday, April 25th, 2001 at 1:00 p.m.

RESOLUTION

Rep. Scanlan offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third

time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, April 25, 2001 at 1:00 p.m.

LATE SESSION

Third reading and final passage

HB 451, establishing a commission to study the impact of pay and health care benefits for child care workers on the quality of care and education for children by considering and exploring funding methods for accomplishing any recommendations.

HB 229, relative to third person liability under the workers' compensation law.

HB 488, establishing a task force to study certain issues regarding privacy.

HB 595, relative to single producer licensing.

UNANIMOUS CONSENT

Rep. Vaillancourt requested unanimous consent to address the House.

Rep. Teschner moved that Rep. Vaillancourt's remarks be printed in the Journal.

Without objection, the Speaker ordered the remarks be printed.

REMARKS

Rep. Vaillancourt: Thank you, Mr. Speaker, it will relatively painless. It's been a hectic couple of days and for some of us it's been a sad couple of weeks. We heard this morning of the passing of Governor Thomson and of the passing of our colleague, Rep. Bonnie Patria. Two weeks ago, I wanted to get up and note another passing and mark it in this House. After we had completed the debate on the death penalty, I went to lunch that day and I picked up the newspaper and read of the death of Dr. Harold E. Hyde who was President of Plymouth State College for 27 years throughout most of the 50's, the 60's and the 70's, including the glorious years when I was there — some of the happiest times of my life.

Dr. Hyde was truly a master builder in that we added such dormitories as Blair and Grafton, and Smith and Belknap, and Pemmi (Pemigewasset) and other buildings such as Prospect and Spear and the fieldhouse and the College Union building during his tenure there. When I was a lonely freshman, lowly freshman, I remember being summoned to his house, lowly and lonely, I guess. He used to have various students come in to talk with him on a regular basis. I remember one of the questions that was on his mind back then, this was in the early 70's during the Nixon years, was, "What is the purpose of this institution, this college, this university, this body of higher learning?" One of the reasons he gave as the being of Plymouth State College or any other institution was to preserve itself. As an ambitious idealist back then, I thought, "Well, that's not perhaps the most gratifying reason for existing." But during times when it was difficult for the University System to get funding from this body, Dr. Hyde was there preserving Plymouth State College and making it a better institution.

But he was more than a master builder, he was also a master educator and also a master administrator who brought professors from all over the world to Plymouth which made our experience there more rewarding. Such people as Dr. Manuel Marquez-Sterling who came from Cuba, his father was a Cuban refugee, Dr. John Allen from England, and Mr. Khuan Chong from Malaysia. Wonderful people who came to educate us in a great experience fostered by this great man.

I feel convinced when the history of the education of the State of New Hampshire is written, Dr. Harold E. Hyde will play a prominent role near the top of that history. He's touched the lives of many of us here. I for one am a better person because of Dr. Harold E. Hyde and I ask you to join me in noting his passing and his years of service to this college institution of Plymouth State and to the State of New Hampshire. Thank you.

RECESS MOTION

Rep. Scanlan moved that the House stand in recess for the purpose of introduction of bills, receiving Senate messages, enrolled bill amendments and enrolled bill reports only.

Adopted.

The House recessed at 4:30 p.m.

RECESS

(Rep. Whalley in the Chair)

SENATE MESSAGE

CONCURRENCES

HB 121, establishing a committee to study methods of reducing the cost of obtaining justice for low-income citizens.

HB 236, relative to the registration of deer.

HB 242, extending the reporting deadlines for certain study committees and commissions.

HB 263, naming a sidewalk in Wolfeboro the Kenneth J. MacDonald Memorial Sidewalk.

HB 395, relative to the time for the first meeting for county conventions following election.

HB 480, relative to the divisions within the department of resources and economic development.

HJR 3, encouraging the preservation of the system of locks on the Merrimack river.

RESOLUTION

Rep. Hess offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, Senate Bills numbered 45, 83, 148, 155 and 193 shall be by this resolution read a first and second time by the therein listed titles and referred to the therein designated committees.

Adopted.

INTRODUCTION OF SENATE BILLS

First, second reading and referral

SB 45, relative to the legislative oversight committee on electric utility restructuring. (Science, Technology and Energy)

SB 83, relative to the New Hampshire film and television commission. (Commerce)

SB 148, relative to certain penalties for violations of the youth tobacco laws. (Commerce)

SB 155-L, limiting the liability of teachers and other educational employees. (Judiciary)

SB 193-FN-A-L, relative to changes in the property tax system and making an appropriation therefor. (Municipal and County Government)

ENROLLED BILLS REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled House Bills 118, 125, 228, 254 and House Joint Resolution 1.

Rep. Nowe, Sen. Pignatelli for the Committee

RECESS

(Speaker Chandler in the Chair)

Rep. Scanlan moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 14

Wednesday, April 25, 2001

The House assembled at 1:00 p.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

Graceful Creator, we ask Your blessing upon the work of the honorable House as members seek a just and equitable method of collecting revenues necessary to support the health, safety and welfare of all the citizens of our beloved New Hampshire. May all who labor in this process be given patience and wisdom to find an outcome that is worthy of the values we share as free citizens and make us ever mindful that we are to care for our neighbors as we care for ourselves. Amen.

Rep. Patten led the Pledge of Allegiance.

Rosalie Garlow, an eighth grade student from Hopkinton High School, sang our National Anthem.

LEAVES OF ABSENCE

Reps. Barker, Cardin, Crosby, DePecol, Landers, Mikowski, Irene Pratt and Tate, the day, illness. Reps. Albert, Nelson Allan, Balcom, Bergin, Bouldin, Bragdon, Bridle, Burling, Carson, Case, Dowling, Leo Fraser, Jeff Gilbert, Griffin, Introne, Jane Kelley, Martel, O'Keefe, Pantelakos, Peterson, Quimby, Rozek, Seibel, Ed Smith, Spiess, John White and Jane Wood, the day, important business.

Rep. Robertson, the day, death in the family.

Rep. DeChane, Musler, Proulx, Solow and Ward, the day, illness in the family.

INTRODUCTION OF GUESTS

Jane, Caitlin and Alexis Donahue, guests of Rep. Marilyn Fraser. Kenneth and Ethan Arndt, husband and son of Rep. Arndt. Emma Sloan, daughter of Rep. Sloan. Katie Adams, guest of Rep. Micklon.

MOTION TO VACATE

Rep. Mock moved that the House vacate the reference of **SB 124**, relative to confidentiality in abuse and neglect proceedings and establishing a pilot program in the courts of Grafton county, to the Committee on Judiciary.

Adopted and referred to the Committee on Children and Family Law.

RECONSIDERATION

Having voted with the prevailing side, Rep. William Kelley moved that the House reconsider its action whereby it passed **HB 229**, relative to third person liability under the workers' compensation law.

Rep. DiFruscia spoke in favor.

Rep. Hunt spoke against.

Rep. Craig spoke in favor and yielded to questions.

Rep. Herman requested a roll call; sufficiently seconded.

The question being reconsideration.

and reconsideration failed.

COMMITTEE REPORTS**SPECIAL ORDERS REGULAR CALENDAR-PART II**

HB 319-FN, including a fetus in the definition of "another" for the purpose of negligent homicide.
INEXPEDIENT TO LEGISLATE

Rep. Patricia M. O'Keefe for Criminal Justice and Public Safety: While the committee recognizes the importance of having criminal laws that punish violence against pregnant women, NH law already provides a separate and distinct offense for a violent act against a pregnant woman which results in the death of a fetus. Current law makes this a Class A or Class B felony, punishable by up to 15 years incarceration (RSA 631:1 and 631:2). The proposed law does not clearly define the term fetus, nor does it make clear at what stage of pregnancy a prosecution could occur. The majority of the committee felt these significant flaws would present problems with enforcement and would invite constitutional challenges – while providing nothing better to protect pregnant women from violence. Vote 12-2.

Reps. Souza, Pepino and Giuda spoke against.

Rep. Rodd spoke in favor.

Rep. Knowles spoke in favor and yielded to questions.

Rep. Souza requested a roll call; sufficiently seconded.

The question being adoption of the report.

and the report was adopted.

Rep. Stone did not vote and wished to be recorded in favor.

HB 545-FN, establishing the railroad trespass prevention act. OUGHT TO PASS WITH AMENDMENT

Rep. John E. Tholl, Jr. for Criminal Justice and Public Safety: The committee listened to numerous objections by sportsmen and hunters to HB 545 as it would have subjected them to misdemeanor penalties for crossing rail lines. The amended HB 545 repeals RSA 381:14, relative to criminal trespass on railroad property, and amends RSA 635 to include trespass on railroad property, a violation with a graduated fine schedule: first offense up to a \$100 dollar fine, second offense up to a \$500 fine, and third offense up to a \$1,000 fine, and removes abandoned right of way from the law. It is currently a violation to trespass on railroad property including abandoned right of way. It additionally creates the new section RSA 635:10 Railroad Stowaway. The committee felt with its

15-2 vote that with the advent of high speed rail and the reduction of noise created by the modern trains that it is important to prevent fatal railroad accidents without subjecting the public to a misdemeanor record and the possibility of a jail term. The railroad testified that the intent of this legislation is to promote and increase safety, not to harass the solitary hunter/sportsman in the wilds of New Hampshire pursuing a recreational pastime. Vote 15-2.

Amendment (0569h)

Amend RSA 635:9 as inserted by section 1 of the bill by replacing it with the following:
635:9 Trespassing on Railroad Property.

I. A person is guilty of a violation for trespassing on railroad property if that person, without the railroad carrier's consent, except to cross the property at a public highway or other authorized crossing, knowingly enters on the railroad property by:

(a) Standing, sitting, resting, walking, jogging, driving, or operating a vehicle including but not limited to a bicycle, motorcycle, snowmobile, car, or truck; or

(b) Engaging in recreational activity, including, but not limited to bicycling, hiking, fishing, camping, cross-country skiing, or hunting.

II. Notwithstanding RSA 651:2, II(c), a person violating this section shall be subject to:

(a) A fine not to exceed \$100 for the first offense.

(b) A fine not to exceed \$500 for the second offense.

(c) A fine not to exceed \$1,000 for the third and subsequent offense.

Amend RSA 635:12, IV as inserted by section 1 of the bill by replacing it with the following:

IV. "Railroad property" means all tangible property owned, leased or operated by a railroad carrier, including a right-of-way, track, bridge, yard, shop, station, tunnel, viaduct, trestle, depot, warehouse, terminal or any other structure, appurtenance or equipment owned, leased or used in the operation of a railroad carrier including a train, locomotive, engine, railroad car, work equipment, rolling stock or safety device. "Railroad property" does not include a railroad carrier's administrative building or office, office equipment or intangible property such as computer software or other information, or an abandoned right-of-way.

AMENDED ANALYSIS

This bill establishes separate class A misdemeanor offenses for railroad stowaway and violation level offenses for trespassing on railroad property.

Adopted.

Reps. Kennedy and Leishman spoke against and yielded to questions.

Rep. Tholl spoke in favor and yielded to questions.

Reps. Bruno and Mirski spoke against.

Rep. William Kelley spoke in favor.

Rep. Kennedy requested a roll call; sufficiently seconded.

The question being adoption of the report.

and the report failed.

Rep. Kennedy moved Recommit to committee.

The motion failed.

Rep. Leishman moved Inexpedient to Legislate.

Adopted.

HB 602-FN, relative to the sale of fetal body parts. INEXPEDIENT TO LEGISLATE

Rep. Beth Rodd for Criminal Justice and Public Safety: Federal law already prohibits the sale of fetal tissue for research. It is also illegal to persuade a woman to seek an abortion for the purpose of obtaining research material. There was no evidence presented during committee testimony to indicate that there have been violations of existing laws. The unintended consequences of passing this legislation would be to prohibit any medical research on fetal tissue regardless of the circumstances resulting in the acquisition of the tissue. Such legislation would effectively put an end to research that has resulted in new and effective treatments for many diseases such as cancer, Alzheimer's disease, Parkinson's, diabetes, spinal cord injuries and others. The majority of the committee felt that, in spite of the emotional tenor of this issue, current research practices are life saving and conform to accepted ethical standards. If enacted, this legislation would halt vital research. It would diminish the hope of cures and the alleviation of suffering for many people who have been devastated by chronic and acute life-threatening illnesses. Vote 13-2.

Rep. Souza spoke against.

Rep. Pepino spoke against and yielded to questions.

Reps. Rodd and Pilliod spoke in favor.

Rep. Vaillancourt requested a quorum call. The Speaker declared a quorum present.

Rep. Rodd requested a roll call; sufficiently seconded.

The question being adoption of the report.

and the report was adopted.

HB 694, establishing a separate high school civics graduation requirement. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Bruce L. Dearborn for the Majority of Education: The committee agrees that government subjects should be a part of the social studies elective unit as set forth in the administrative rules of the Department of Education (306.23). However, the majority felt the legislature should not be dictating curriculum as it was the responsibility of the local districts in conjunction with the Dept. of Education to create curriculum under administrative rules. The subject is already covered by comprehensive, existing law and should not be broken out for specific legislation unless we also intend to dictate curriculum in math, science, English, etc. Vote 11-9.

Rep. Charles E. Sova for the Minority of Education: Article 83 of the New Hampshire Constitution states the primary purpose of education as the "preservation of a free government." Current law

requires civics education to be "embedded" within the broader social studies curriculum. The minority believes evidence, including data reporting 45% of New Hampshire students scoring novice on civics assessment questions, shows the need to supplement this approach with a separate high school civics requirement. This ½ credit requirement would replace a currently mandated elective, causing no additional financial impact.

Reps. Estabrook and Sova spoke against.

Rep. Dickinson spoke against and yielded to questions.

Reps. Dearborn, Sullivan and Henderson spoke in favor and yielded to questions.

Rep. Dickinson requested a roll call; sufficiently seconded.

The question being adoption of the majority report.

and adoption of the majority report failed.

Rep. Estabrook moved Ought to Pass with Amendment and offered a floor amendment (0920h).

Floor Amendment (0920h)

Amend the bill by replacing all after the enacting clause with the following:

1 School Boards, Teachers; Instruction in Civics. Amend RSA 189:11 to read as follows:

189:11 Instruction in National and State History and Government; *Instruction in Civics*.

I. In all public and private schools in the state there shall be given regular courses of instruction in the history, government, and constitutions of the United States and New Hampshire, including the organization and operation of New Hampshire municipal, county and state government and of the federal government.

II. The instruction required under paragraph I shall begin not later than the opening of the eighth grade and shall continue in all high [school as an identifiable component of] schools in the state which shall include a [year's] one year course in the history [and government] of the United States and New Hampshire.

III. In all high schools in the state, there shall be given a course of instruction in civics. This course shall be a one-half unit of credit required for graduation, and shall replace one-half of the social studies elective unit of credit as set forth in the administrative rules of the department of education at Ed. 306.23(f). The civics course may be locally developed provided, at a minimum, the course provides exposure to current governmental affairs and covers the following areas:

(a) Duties and responsibilities of a citizen.

(b) Opportunities of citizen participation and involvement in the governmental process.

(c) The structure and operation of government.

(d) The constitutional basis of our government.

(e) The interaction between local, state, and federal governments.

2 Effective Date. This act shall take effect July 1, 2002.

AMENDED ANALYSIS

This bill provides that a one-half year course in civics shall be required for high school graduation. Rep. Henderson spoke in favor.

Floor amendment (0920h) was adopted.

The motion of Ought to Pass with Amendment was adopted.

Ordered to third reading.

HB 708-FN, relative to the definition of "child" for the purposes of home education and relative to access to public school programs by home educated pupils. **INEXPEDIENT TO LEGISLATE**
Rep. Bruce L. Dearborn for Education: This legislation would further clarify access to public school programs and facilities by home schooled students. Despite extensive discussion and attempts at amendment, the committee could not overcome doubt and confusion over the consequences of enacting the bill. A nearly identical bill was retained by the committee as a vehicle for pursuing any necessary clarification. Vote 13-7.

Adopted.

HB 734, eliminating the teen assessment project in the university system of New Hampshire. **INEXPEDIENT TO LEGISLATE**

Rep. Claire D. Clarke for Education: The committee recommends this bill inexpedient to legislate for the following reasons: 1) This program operates at the local level; 2) parents can see the survey; 3) parents can opt to keep their child from taking the survey; and 4) any student may opt not to answer any of the questions on the survey. Vote 17-2.

Reps. Salts and Alger spoke against and yielded to questions.

Reps. Naro and Rush spoke in favor.

Rep. Henderson spoke in favor and yielded to questions.

Rep. Furman requested a roll call; sufficiently seconded.

The question being adoption of the report.

Harris, Joseph	Harris, Sandra	Odell, Bob
and the report was adopted.		

CACR 9, relating to the term of office for governor. Providing that beginning with the 2004 general election, there shall be a 4-year term of office for governor. **INEXPEDIENT TO LEGISLATE** Rep. Natalie S. Flanagan for Election Law: A four-year term for governor has been defeated in past sessions. This bill added the Senate. It was the feeling of the committee that it was not necessary at this time. Also, the House of Representatives was not included. Vote 8-7.
Adopted.

HB 201, requiring voters to present identification to obtain a ballot. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Ronald J. Nowe for the Majority of Election Law: This bill, as amended, requires a registered voter to present photo identification to obtain a ballot at election time. The registered voter will still be required to announce their name loudly and clearly to the ballot clerk. The bill further states that if the registered voter cannot produce a photo identification the ballot clerk must notify the voters that they may sign an affidavit to receive a ballot. Also, and importantly so, this bill may only be adopted by the legislative body of the town/city and then the secretary of state's office must be notified by the governing body of the town/city. This is a local option bill so there is no Article 28-a problem. Vote 14-5.

Rep. Jackie K. Weatherspoon for the Minority of Election Law: This bill will require everyone, including public officials such as the governor, state senators, state legislators, selectmen, mayors

and other to show an ID. If you do not have an ID, you will be required to sign an affidavit. It was stated during the testimony college students were voting in record numbers and the elderly were coming in by buses to vote. We learned from the secretary of state's office there is no mandatory training for ballot clerks. This bill will leave the door open for an individual to sue the town and the clerk because the voter was a friend of the clerk or a well-known person was given the nod to cast their ballot. The minority of the committee recommends mandatory training for all ballot clerks.

Amendment (0348h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to voters presenting identification to obtain a ballot.

Amend the bill by replacing all after the enacting clause with the following:

1 Election Day Morning Procedures; Statutes Posted; Reference Added. Amend RSA 658:29 to read as follows:

658:29 Statutes Posted. The secretary of state shall prepare and distribute copies of the following RSA sections which the selectmen shall post or cause to be posted outside the guardrail in the polling place: RSA 654:38, 39; RSA 658:29; RSA 659:13, *13-a*, 27, 30, 31, 32, 103; RSA 665:15; RSA 666:4, 5, 8, 9, 10, 11, 12.

2 New Section; Optional Procedure for Obtaining a Ballot. Amend RSA 659 by inserting after section 13 the following new section:

659:13-a Optional Procedure for Obtaining a Ballot.

I. The legislative body of a municipality may adopt the alternative procedure for obtaining a ballot established in paragraph II. Upon adoption, the alternative procedure shall be followed in lieu of the procedure established in RSA 659:13 at all elections in the municipality. If the legislative body votes to discontinue use of the alternative procedure for obtaining a ballot, the procedure established in RSA 659:13 shall be followed at all elections in the municipality held after such vote. The governing body of the municipality shall notify the secretary of state of the adoption of the alternative procedure for obtaining a ballot or of the vote to discontinue the alternative procedure for obtaining a ballot.

II. In municipalities adopting the procedures in this paragraph, a person desiring to vote shall, before being admitted to the enclosed space within the guardrail, announce his or her name and present his or her New Hampshire driver's license, armed services identification card, United States passport, or any other form of photographic identification to one of the ballot clerks who shall thereupon repeat the name; and, if the name is found on the checklist by the ballot clerk, the ballot clerk shall put a checkmark beside it and again repeat the name. If the person does not have his or her driver's license, passport, or other form of photographic identification, the ballot clerk shall notify the person of the affidavit provided for in RSA 659:27. The voter, unless challenged as provided for in RSA 659:27-33, or unless failing to present proper identification and failing to sign an affidavit, shall then be allowed to enter the space enclosed by the guardrail. After the voter enters the enclosed space, the ballot clerk shall give the voter one of each ballot to be voted on in that election which shall be folded as it was upon receipt from the secretary of state.

3 Preservation of Challenge Affidavits. Amend RSA 659:103 to read as follows:

659:103 Preservation of Challenge Affidavits. The affidavits made by challenged voters as provided in RSA 659:27 shall be preserved by the town clerk for at least one year following the date of a state election. In contested elections, all affidavits *made by challenged voters* shall be retained by the town clerk until the contest is settled and all appeals periods have expired or for at least one year, whichever is longer. *Affidavits made pursuant to RSA 659:13-a shall be retained with the ballots for the period of time established in RSA 659:100.*

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill permits municipalities to require that voters present identification or sign an affidavit to obtain a ballot.

Adopted.

Rep. Buckley spoke against.

Rep. Nowe spoke in favor and requested a roll call; sufficiently seconded.

The question being adoption of the majority report.

and the majority report was adopted.
Ordered to third reading.

HB 259, relative to holding sessions for correction of checklists. OUGHT TO PASS

Rep. Frank W. Davis for Election Law: This bill changes the required hours for evening sessions for correction of checklists from between 7:00pm and 9:00pm to between 7:00pm and 8:00pm. It also allows the supervisors to schedule additional hours. Then language would now be consistent with the language for the Saturday sessions of the checklist supervisors. A majority of the committee felt that HB 259 would be beneficial to both the more than 50 small towns with less than 600 voters who may have no one show up for such sessions, and the larger cities and towns who may need more than the currently allowed two hours. This legislation has the support of the New Hampshire Municipal Association and the secretary of state's office. No one spoke against the bill at the public hearing. Vote 13-5.

Adopted.

Ordered to third reading.

HB 364, eliminating straight ticket voting. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Robert E. Clegg, Jr. for the Majority of Election Law: The majority of the committee felt the disenfranchisement of voters is the last thing we need to do. Every session someone files a bill to change the way we vote and/or change the way names are placed on the ballot. More confusion is not what the voters need. Straight ticket voting has existed for years and has caused no harm to any candidate. Last week the committee voted 19-0 Ought to Pass on HB 226 which clarified the instructions for straight ticket voting. Straight ticket voting is a choice. If you do not want to vote straight ticket, you do not have to. Some wish to limit your choice as a voter. The majority of the committee believes the choice is essential to the process. Straight ticket voting is nothing more than allowing voters to choose how they want to vote. Since straight ticket voting has not caused death or injury there is no reason to change it. Vote 12-7.

Rep. Steve Vaillancourt for the Minority of Election Law: Here we go again. Attempts to eliminate straight ticket voting have consistently failed during the past several sessions. Noble ideas often fail and have to resurface several times before they ultimately see the light of day. Such is the case with straight ticket voting. This outmoded concept leads to voter confusion and serves absolutely no useful purpose whatsoever. Proponents of keeping it claim that to do otherwise is tantamount to taking away an inherent right, but that is simply not true. A voter would still be able to vote for every Republican or Democrat or even every Libertarian candidate on the ballot should that voter so choose. He or she would simply have to place a mark next to each candidate's name. In the process of doing that, the voter might decide that a candidate of another party merits support, perhaps because that candidate knocked on the voter's door and made a favorable impression. Straight ticket voting rewards laziness and sloth. Votes in this House in the past have broken down almost entirely along party lines, Republicans opposing elimination due in large part to the perception that since there are more registered Republicans statewide, Republicans benefit. Perceptions can be wrong. Illinois Republicans pushed to ban straight ticket voting since they believed elimination would help them in the Chicago area. When straight ticket voting was finally eliminated in the state, however, Republicans were hurt because Democrats did better downstate and still held strong in Cook County. Let's put parties aside this year and do what is most likely to produce election of the most qualified, most committed candidates. The tri-partisan minority says the time has come. Elimination will not take options away from voters; it will not lead to lower voter turnout; it will eliminate confusion and reward competence.

MOTION TO SPECIAL ORDER

Rep. Arndt moved that **HB 364**, eliminating straight ticket voting, be made a Special Order for Thursday, April 26, 2001 as the first order of business.

Adopted

HB 399, relative to proof of qualifications for voter registration. **OUGHT TO PASS WITH AMENDMENT**

Rep. Peter E. Bragdon for Election Law: This bill requires people registering to vote on election day to provide appropriate proof of qualifications as provided in RSA 654:12. The current wording says they "may" provide this proof and the majority of the committee agreed with the sponsor that changing the word to "shall" would treat everyone the same and reduce the potential for allegations of discrimination. For the same reason, the bill also requires checklist supervisors to provide affidavits to voters when necessary. Vote 11-5.

Amendment (0174h)

Amend RSA 654:7-a, II as inserted by section 1 of the bill by replacing it with the following:

II. Any person whose name is not on the checklist but who is otherwise a qualified voter shall be entitled to vote by requesting to be registered to vote at the polling place on election day. The voter may then vote at that election. The applicant [~~may~~] *shall* be required to produce appropriate proof of qualifications as provided in RSA 654:12. The applicant shall complete an election day affidavit which shall be prescribed by the secretary of state *and provided to the applicant by an election official*, and which shall contain the following written oath or affirmation:

"I do hereby certify under penalty of perjury that to the best of my knowledge, I am a qualified voter, and that I am not disqualified on any ground from voting, and I have not voted and will not vote at any other polling place this election."

(Signature of Applicant)

Adopted.

On a division vote, 195 members having voted in the affirmative and 98 in the negative, the report was adopted.

Ordered to third reading

HB 411, requiring that New Hampshire's presidential electors be bound to vote for the candidates of the party which nominated the electors. **INEXPEDIENT TO LEGISLATE**

Rep. Janet S. Arndt for Election Law: Under the present system, electors in New Hampshire have consistently voted for the presidential candidate to whom they have pledged. The majority of the committee felt that since we were not confronted with a problem we should continue with the present process, which has been successful to date. Vote 16-2.

Adopted.

HB 418, relative to requirements for recounts. **INEXPEDIENT TO LEGISLATE**

Rep. Michael S. Rollo for Election Law: This bill would have required that petitioners for recounts submit an application and fee in person. There was much discussion of whether or not a notarized facsimile would be acceptable. Unfortunately, there was little consensus among committee members on that matter. It was the opinion of the majority of the Election Law Committee that this bill be found Inexpedient to Legislate. Vote 14-3.

Adopted.

HB 436, eliminating nomination of a party by nomination papers. **INEXPEDIENT TO LEGISLATE**

Rep. Peter E. Bragdon for Election Law: This bill sought to eliminate the ability of political organizations, other than the two major parties, to be listed on the ballot by submitting petitions. The majority of the committee felt that providing this opportunity to "minor parties" was important and that other legislation supported by the committee dealt with the few minor confusions caused by the existing provisions. Vote 12-6.

Rep. Stritch moved Recommit to committee.

Adopted.

Recommitted to Election Law.

HB 461, requiring all officers and officials elected by either or both houses of the legislature to file certain reports and register as political committees. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. C. Donald Stritch for the Majority of Election Law: This bill requires certain officials in either or both houses of the legislature to file certain reports and register as political committees. This subject is currently being addressed and discussed by the committee and will be reported shortly in another bill. Vote 11-8.

Rep. Christopher L. Hughes for the Minority of Election Law: The minority felt that any candidate running for political office should have to file a financial disclosure as well as accounting for all campaign funds.

On a division vote, 193 members having voted in the affirmative and 99 in the negative, the majority report was adopted.

Rep. Elliott declared a conflict of interest and did not participate.

HB 468, relative to declaration of party affiliation in primary voting. **INEXPEDIENT TO LEGISLATE**

Rep. Douglass P. Teschner for Election Law: This bill would prevent undeclared (independent) voters from participating in primary elections. If passed, this bill would be inconsistent with the committee's goal to increase voter participation. There was also concern that voters who take advantage of Election Day registration would have voting rights not available to voters on the checklist prior to the election. Additionally, there was testimony that passage of this bill would adversely impact the New Hampshire presidential primary. Vote 16-3

On a division vote, 254 members having voted in the affirmative and 43 in the negative, the report was adopted.

HB 503, relative to incompatible offices. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Peter E. Bragdon for the Majority of Election Law: New Hampshire law currently prohibits candidates from running for more than one of the following "incompatible offices" at the same time: governor, state senator, state representative and executive councilor. This bill would add "any federal office" to this list. According to Webster's dictionary, the word "incompatible" is used for offices that make conflicting demands on the holder. The majority of the committee feels that the same principle that makes the existing list of offices incompatible also applies to federal offices – not to mention the wicked commute. Vote 12-7.

Rep. Nicholas T. Panagopoulos for the Minority of Election Law: The minority of the committee feels that this bill is not needed. The voters should be able to make the decision of whether they wish to support a candidate for both state and federal office. Furthermore, state and federal government are not incompatible in regard to policy making. The minority also strongly feels that this bill is an ad hominem attack on members of this house who seek federal office.

Rep. Panagopoulos spoke against.

Rep. Teschner spoke in favor.

On a division vote, 185 members having voted in the affirmative and 107 in the negative, the majority report was adopted.

Ordered to third reading.

Reps. Martha Fuller Clark and Wendelboe declared conflicts of interest and did not participate.

HB 520, relative to clarifying qualifications of candidates. **OUGHT TO PASS WITH AMENDMENT**

Rep. Steve Vaillancourt for Election Law: This bill came about due to problems in a state senate campaign last year. There were questions as to whether or not a candidate actually lived in the district. This bill clarifies qualifications by noting that registration to vote or voting in another state creates a presumption that a person does not have domicile in the state. The amendment simply adds the phrase "during the relevant time period", in other words during the time period stated under requirements for a state senator, state representative, etc. Vote 19-0.

Amendment (0599h)

Amend the bill by replacing section 1 with the following:

1 Nominations; General Qualifications; Domicile. Amend RSA 655:2 to read as follows:

655:2 Domicile. To hold any elective office in the state, a person must have a domicile in the state. ***Registration to vote or voting in another state during the relevant time period shall create a presumption that a person does not have a domicile in this state.***

Adopted.

Report adopted and ordered to third reading.

HB 579, relative to nominating a political organization by nomination papers. **OUGHT TO PASS**
Rep. Douglass P. Teschner for Election Law: This housekeeping bill corrects the definition of political party, as opposed to political organization, for the purpose of nomination papers. This bill cleans up a confusing section of the election law statutes. Vote 18-0.

Adopted and ordered to third reading.

HB 666, permitting the placement of political advertising on highway rights-of-way. **INEXPEDIENT TO LEGISLATE**

Rep. Michael S. Rollo for Election Law: This bill would have prohibited the placement of political advertising except on highway rights-of-way and private property. The bill further states that local law enforcement officers have the authority to remove political advertising. It was the majority's belief that there would be some question regarding whether law enforcement rules were state or local. Therefore, the committee recommends Inexpedient to Legislate. Vote 17-1.

Rep. Arndt moved Recommit to committee and spoke in favor.

On a division vote, 155 members having voted in the affirmative and 135 in the negative, the motion was adopted.

Recommitted to Election Law.

HB 677, relative to certification and filing of nomination papers. **OUGHT TO PASS WITH AMENDMENT**

Rep. Raymond Buckley for Election Law: This bill allows supervisors of the checklist to delegate their responsibilities to the town or city clerk regarding certifying nomination papers for a political organization. The amendment to the bill would require that the nomination papers be grouped by municipality. Vote 19-0.

Amendment (0418h)

Amend RSA 655:41, II as inserted by section 2 of the bill by replacing it with the following:

II. The city clerk may perform the responsibilities of the supervisors of the checklist under this section.

Amend RSA 655:43, I as inserted by section 4 of the bill by replacing it with the following:

I. Nomination papers shall be filed with the secretary of state no later than 5:00 p.m. on the Wednesday one week before the primary. ***Nomination papers to be filed shall be grouped by municipality.*** No nomination papers shall be accepted by the secretary of state unless the candidate shall have met the age and domicile qualifications for the office he *or she* seeks at the time of the general election and meets all the other qualifications at the time of filing; and if a candidate for the office of governor, executive councilor, state senator, or state representative, unless ~~he~~ ***the candidate*** shall file with the nomination papers an affidavit of qualifications as provided in RSA 655:28 and 655:29; and if a candidate for United States senator or United States representative, unless ~~he~~ ***the candidate*** shall meet the qualifications for office under RSA 655:3 and 655:4.

AMENDED ANALYSIS

This bill requires a political organization to file a declaration of intent to be nominated as political party. This bill permits the city clerk to perform the responsibilities of the supervisors of the checklist for certifying nomination papers. This bill also requires nomination papers to be signed by registered voters and makes certain changes to the procedure for filing nomination papers.

Adopted.

Report adopted and ordered to third reading.

HB 698, relative to verification of checklists. **OUGHT TO PASS WITH AMENDMENT**

Rep. Peter E. Bragdon for Election Law: This bill is a technical correction to the law pertaining to the ten-year verification and purging of voter checklists. Currently, people who recently voted for the first time in the 2001 elections would have their names purged from the checklist. The original bill also allowed checklist supervisors to order verifications more frequently than every ten years.

However, the committee felt the existing provisions for petitioning the ballot law commission gives adequate remedy in cases where the checklist supervisors feel the checklist needs to be revised. Vote 17-1.

Amendment (0572h)

Amend the bill by deleting sections 1-2 and renumbering the original sections 3-4 to read as 1-2, respectively.

AMENDED ANALYSIS

This bill adds persons who voted at a 2001 town election to the persons deemed reregistered for purposes of the 2001 verification of the checklist.

Adopted.

Report adopted and ordered to third reading.

HB 711, relative to reporting by candidates. INEXPEDIENT TO LEGISLATE

Rep. Raymond Buckley for Election Law: HB711 duplicated the law that sets January 1 of the election year as the start date for the voluntary spending cap. The sponsor withdrew this bill when it was revealed it was already in statute. Vote 18-0.

Adopted.

SPECIAL ORDER

Without objection, the Speaker ordered that all the bills remaining on today's calendar be made a Special Order for Thursday, April 26, 2001.

UNANIMOUS CONSENT

Rep. French addressed the House.

RESOLUTION

Rep. Scanlan offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Thursday, April 26, 2001 at 10:00 a.m.

Adopted.

LATE SESSION

Third reading and final passage

HB 694, establishing a separate high school civics graduation requirement.

HB 201, relative to voters presenting identification to obtain a ballot.

HB 259, relative to holding sessions for correction of checklists.

HB 399, relative to proof of qualifications for voter registration.

HB 503, relative to incompatible offices.

HB 520, relative to clarifying qualifications of candidates.

HB 579, relative to nominating a political organization by nomination papers.

HB 677, relative to certification and filing of nomination papers.

HB 698, relative to verification of checklists.

RECESS MOTION

Rep. Scanlan moved that the House stand in recess for the purpose of introduction of bills, receiving Senate messages, enrolled bill amendments and enrolled bill reports only.

Adopted.

The House recessed at 5:30 p.m.

RECESS

(Speaker Chandler in the Chair)

Rep. Scanlan moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 15

Thursday, April 26, 2001

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

God our heavenly parent, You see Your children growing up in an unsteady and confusing world. Show them that Your ways give more life than the ways of the world, and that following You is better than chasing after selfish goals. Help them to take failure not as a measure of worth, but as a chance for a new start. Give them strength to hold their faith in You and to keep alive their joy in Your creation. Amen.

Rep. Leighton Pratt led the Pledge of Allegiance.

LEAVES OF ABSENCE
